ABOUT THE TOEFL TEST

TOEFL® (TEST OF ENGLISH AS A FOREIGN LANGUAGE™)

The TOEFL® test measures the ability of nonnative speakers of English to use and understand English as it is spoken, written, and heard in college and university settings.

TOEFL scores are accepted by more than 6,000 colleges, universities, and licensing agencies in 110 countries. Every test center is open to everyone who is properly registered, regardless of race, color, creed, or national origin (subject to U.S. sanctions programs and embargoes).

This Information and Registration Bulletin contains information about the TOEFL Internet-based test (TOEFL iBT). A list of TOEFL iBT test locations is available in the Learners and Test Takers section of the TOEFL Web site at www.ets.org/toefl.

The TOEFL Internet-Based Test (TOEFL iBT)

The TOEFL iBT is approximately four and one-half hours long and has four sections:

► Reading—measures the ability to understand academic reading material.

► Listening—measures the ability to understand spoken English as it is used in colleges and universities.

► Speaking—measures the ability to speak English in an academic context.

► Writing—measures the ability to write in a way that is appropriate for college and university course work.

The test is delivered via the Internet. It emphasizes integrated skills and helps confirm you are ready to communicate your ideas about what you will read and listen to in your academic courses. Integrated tasks require you to combine more than one skill. You’ll be asked to:

► Read, listen, and then speak in response to a question

► Listen, and then speak in response to a question

► Read, listen, and then write in response to a question

The test you take includes extra questions in either the Reading or Listening section that do not count toward your score. These are either questions that enable ETS to make test scores comparable across administrations or new questions that help ETS determine how such questions function under actual testing conditions.

Each section of the test has a time limit. The computer will indicate when to start and stop each section. If you finish a section early, you may go on to the next section, but you may NOT go back to a section you have already completed. You may, however, go back within the Reading section during the time allotted for it. Failure to follow this rule may result in your scores being canceled. There is a mandatory 10-minute break midway through the testing session.

Computer Keyboard Requirement

The TOEFL iBT is administered on a standard English language (QWERTY) computer keyboard. QWERTY is the most common modern-day keyboard layout on English language computer keyboards. It takes its name from the first six letters displayed at the top of the keyboard. It is recommended that you practice typing on a QWERTY keyboard before taking the TOEFL iBT.

How to Register for TOEFL iBT

The easiest way to register is online in the Learners and Test Takers section of the TOEFL Web site. See “Online Registration” below. Test centers fill up quickly so early registration is recommended to get your preferred test location and date selection.

American Express, Discover, JCB, MasterCard, and VISA are accepted. NOTE: Any debit/check card branded with one of the five accepted credit card logos can be processed. Test takers with U.S. domestic bank accounts can also register and pay online with an electronic check (e-check). There is no additional charge for this service. ETS reserves the right to add or remove online payment methods at its own discretion and without notice. See “Payment Policies” on pages 7–8.

- Registration is open 24 hours a day.
- Regular registration closes seven days prior to the test date (not including the day of the test).
- Late registration closes three days prior to the test date (not including the day of the test).
- Registrations received after the regular registration deadline incur a late fee of US$25.

Test dates and a list of test locations are in the Learners and Test Takers section of the TOEFL Web site. Test locations are continually being added, so be sure to check the TOEFL Web site and the TOEFL iBT online registration system for the most up-to-date information.

When you register online, you will be required to establish a user name and password. You will be able to return to the site to:

- view your registration
- reschedule or cancel your registration
- place orders for services, such as additional score reports
- check status of previously placed orders
- view your scores

You should return to your online profile and print out your registration confirmation right before the test day. If there is a change in the test center (e.g., a different building than originally scheduled), it will be updated in your profile under “View Orders.”

TELEPHONE REGISTRATION USING A CREDIT/DEBIT CARD OR E-CHECK

To schedule by phone, you need a valid credit/debit card (American Express, Discover, JCB, MasterCard, or VISA) or a U.S.-based bank account if you are paying by e-check. Note: Any debit/check card branded with one of the five accepted credit card logos can be processed.

- Late telephone registration closes at 5:00 p.m. (New York Time) the day before the test.
- Registrations received after the regular registration deadline incur a late fee of US$25.

If you plan to test in the United States, Canada, or a U.S. territory* call 1-443-751-4862 or 1-800-GO-TOEFL (1-800-468-6335).
If you live outside the United States and want to test at a center in the United States, call 1-443-751-4862.
For testing outside the United States, U.S. Territories, or Canada, call the Regional Registration Center (RRC) that services the country in which you plan to test (see pages 16–17 for the RRC for your area).

The teletypewriter (TTY) number is 1-800-529-3590.

When you call, you will be given a registration number. Be sure to write it down. You must bring your registration number to the test center on the test day. You will also be given a test date, reporting time, and test center address. You should have the codes for your designated institutions when you call. Institution codes can be found in the Learners and Test Takers section of the TOEFL Web site. Refer to the Registration Form in this Bulletin for the information you will be asked for when you call.

MAIL-IN REGISTRATION

You can register by mail by completing the registration form in this Bulletin (the form is also downloadable from the TOEFL Web site) and mailing it to the address on the form.

- Fill in all the information on the Registration Form. Be sure to indicate two test center choices.
- Include a money order, check, or credit/debit card information. (See “Payment Policies” on pages 7–8.)
- Test takers requesting testing accommodations must use the registration form in this Bulletin. They cannot register online or by phone. See the Bulletin Supplement for Test Takers with Disabilities for further information about requesting testing accommodations.
- Mail the completed form to the address on the form or the appropriate RRC. Mailing instructions are on the form. The registration form must be received at least four weeks before your earliest test date choice.

You will be assigned a test date, time, and location based on the information you provide on the form. If your requested date(s) cannot be accommodated, you will be scheduled for the next available test date unless you indicate on the form that you do not want to be rescheduled. If you choose not to be rescheduled, your payment will be returned to you.

You will be assigned to a test date as close as possible to your choices. If your assigned test date does not meet your needs, contact TOEFL Services or the appropriate RRC within 24 hours of receipt of your registration confirmation.

If you do not receive a confirmation of your registration, you must call the location where you mailed your registration at least three full business days prior to the registration deadline for your earliest test date choice.

TEST RETAKE POLICY

You may take the TOEFL iBT test only once in any seven-day period, even if you took the test and canceled your scores. If you test more than once in a seven-day period, your new scores will not be reported and your test fee will not be refunded. Violation of this policy may result in additional action being taken.

IMPORTANT THINGS TO KNOW WHEN REGISTERING

► Each test location represents a general area, not necessarily a specific city. For example, Berlin can mean the test center is in Berlin itself, or within approximately a 50-mile radius.

► Information regarding test center availability is subject to change. The most current information regarding test centers, dates, and other registration information is in the TOEFL iBT online registration system at [www.ets.org/toefl](http://www.ets.org/toefl).

► When searching for a test center, consider areas beyond your city, state, or province. Centers listed under a different area may be closer than you think. For example, if you are searching for a center in the New York City area, search in the Northern New Jersey area as well.

► Not all test centers are open on all dates.

► When you select a date and general location in the online registration system, you’ll see a list of the centers in that area. If you are looking for different centers, try picking a different date.

► You must select your score recipients (designated institutions to receive your scores) by 10:00 p.m. (New York Time) the day before the test. If you do not select score recipients by this time, you will be charged a fee for sending score reports. You cannot select your score recipients at the test center. An Institution Code list is available during online registration. The Institution Code list is also in the Learners and Test Takers section of the TOEFL Web site.

► When registering, be sure that the spelling of your name exactly matches the name printed on the identification document(s) you will present at the test center. If this information does not match, you will not be permitted to test and your test fee will be forfeited. See “Identification Requirements” on pages 9–10. If you registered online, you can go to the TOEFL Web site and update your profile until 10:00 p.m. (local test center time) on the day prior to the test.

► Register early; test centers fill up quickly.

► Take the test as soon as possible so your scores will be received in time to be considered with your application.

► Registration is not transferable. You are not allowed to let someone else use your registration.

► Walk-in registration is not available for TOEFL iBT.

► Be sure to print your registration confirmation when you complete your registration. You can do this by choosing “Print and View Your Registration Confirmation” on the page with the heading “Thank You For Your Order.” Your test date, start time, and test center address is located on the registration confirmation.

Test Dates and Registration Deadlines

Test dates are in the Learners and Test Takers section of the TOEFL Web site. The regular registration deadline is seven days prior to the test date (not including the day of the test). The late registration deadline is three days prior to the test (not including the day of the test). For example, if your test date is Saturday, October 13, the deadline to register without a late fee is Saturday, October 6. If you are registering by mail, your registration form must be received at least four weeks before your earliest test date choice. Testing times vary between 8 a.m. and 7 p.m. Your start time will be indicated on your registration confirmation.

Fees for Tests and Services

The TOEFL iBT test fee varies by country. To find out what the fee is in your testing location, go to the Learners and Test Takers section of the TOEFL Web site, select “Register for the Test,” and choose your test location.

- US$25 Late registration fee
- US$50 Rescheduling fee
- US$20 Reinstatement of canceled iBT scores
- US$17 Additional score report requests (per recipient)
- US$60 TOEFL iBT Speaking or Writing section rescore
- US$120 TOEFL iBT Speaking and Writing sections rescore
- US$20 Fee for returned check (paper)

Fees are subject to change without notice. The above amounts are exclusive of any Value Added or similar taxes. See “Fees” in the Learners and Test Takers section of the TOEFL Web site for information about taxes. Any tax is payable in addition to the amounts quoted.

Payment Policies

All payments for tests and services must:

► be made in full
► be dated within 90 days of the date of receipt at the Regional Registration Center or ETS
► have the correct numeric and written dollar amount
► have appropriate signature(s).

Services may be withheld for nonpayment of fees. All outstanding balances incurred from prior ETS tests and/or services must be paid in full in order to register for any future ETS test or service. If you do not submit the correct fee, your registration form or your request for service will be returned. Scores will not be released if a payment is returned for any reason.

Do not send cash or demand drafts. Receipts for bank checks are not acceptable. UNESCO coupons are not being accepted at this time. Unless an e-check is used, the actual negotiable check must be sent with your request for service.

PREFERRED FORMS OF PAYMENT

► Credit/Debit cards—American Express, Discover, JCB, MasterCard, or VISA. Note: Any debit/check card branded with one of the five accepted credit card logos can be processed.

► Electronic check (e-check) drawn on a U.S.-based bank

PAYING BY ELECTRONIC CHECK (E-CHECK)

► Electronic checks (e-checks) may be used for online payment if you have a bank account in the United States or its territories*. Electronic Check Processing (ECP) directly debits your checking or savings account for payment of goods and services.

► ETS offers this payment method via the Web or by telephone when the transaction can be processed in real time. ECP transactions will be processed in U.S. dollars against U.S. bank accounts only. E-checks will utilize the Automated Clearing House (ACH) network. The ACH is a process by which member financial institutions perform clearing of electronic debits and credits when the customer's bank is a member, or by generating a facsimile draft when the customer's bank is not a participant of the ACH network. ECP transactions will be submitted to ETS's electronic check payment processing

ON THE TEST DAY

What to Bring to the Test Center

► The acceptable and valid identification document(s), with a signature and photograph, that you specified when you registered to test. Your ID will be checked before you are admitted. The name you give when you register must match the name on the identification document(s) you present at the test center. See “Identification Requirements” below.

► Your registration number. You will get this when you register. You will not receive an admission ticket. Return to your online profile and print out your registration confirmation right before the test day. If there is a change in the test center (e.g., a different building than originally scheduled), it will be updated in your profile.

Identification (ID) Requirements

The identification information and requirements contained in this section must be read by all test takers.

GENERAL ID INFORMATION

► You must have acceptable and valid identification (ID) with a signature and photograph to be admitted to a test center. Expired documents are not acceptable. The photograph on your ID document must be recent and recognizable. Original documents must be presented; copies are not acceptable. ID requirements are strictly enforced. It is your responsibility to read and understand the instructions and requirements.

► If you arrive at the test center without the required ID, the test center administrator will not admit you to the test and you will forfeit your test fee.

► When registering, you must use exactly the same name and the same spelling of that name that appears on the primary ID document you will present at the test center. Make sure to provide your entire first (given name) and entire surname (family name). If your ID document contains two surnames, enter the names exactly as presented on your ID document. If you register via the telephone, please ensure that the representative makes your name exactly as presented on your ID document. Do NOT register under a nickname. If the name shown on your primary ID does not match the name you registered under, you will not be permitted to test. When applying to a college or university, use the same name and spelling of your name on your application.

► Check the name on your registration confirmation document. Your name must match the name on your primary ID document. If the name does not match the name on your primary ID document, go to the TOEFL online registration system and update your profile BEFORE the test date.

► NAME CHANGES WILL NOT BE MADE—only misspellings of your name can be corrected at check-in. If your name has changed for any reason, including marriage, you still must present primary ID in the name under which you registered, or you will not be permitted to test. Marriage certificates and divorce decrees cannot be used to confirm name differences.

► If the test administrator questions the ID you present, you will be required to present additional proof of identity. If positive confirmation cannot be made, you may be refused admission to the test center and will forfeit your test fee.

► Test center personnel will check your ID before assigning you a seat at the test center and you will be asked to sign the test center log. The test administrator will check your signature to verify that you are the person in your photo identification. The administrator will repeat this procedure before and after all breaks.

► Admittance to the test center does not imply that your form of ID is valid or that your scores will be reported. All reported cases of questionable ID are subject to review and approval by the ETS Office of Testing Integrity.

ACCEPTABLE PRIMARY IDENTIFICATION DOCUMENTS

Testing in Bangladesh, India, and Pakistan

► All test takers in Bangladesh, India, and Pakistan MUST use valid passports as their ID documents.

Testing WITHIN Your Country of Citizenship

Only one form of primary ID is needed if your primary ID document contains a photograph and signature. IDs that can be used to meet the photograph and signature requirements are:

► Passport with photograph and signature
► Driver’s license with photograph and signature
► State ID issued by motor vehicle agency with photograph and signature
► National ID with photograph and signature
► Military ID with photograph and signature

If the test administrator has any concerns about the primary ID document, you will be required to present an acceptable supplemental ID from the list of acceptable supplemental ID documents. If your primary ID does not contain your signature, either sign the document or present an additional ID from the list of supplemental identification documents.

Testing OUTSIDE Your Country of Citizenship

► You must present your passport as your primary identification document (citizens of European Union and Schengen Zone countries see page 10). If you do not meet this requirement, ETS may automatically cancel your test scores.

► U.S. military personnel may present their U.S. military ID cards for admission to test centers. If a military ID card does not contain a signature, a supplemental ID from the list on page 10 is required.

If your passport is not written in English-language letters, you must also present an additional ID from the list of supplemental identification documents that contains a recent, recognizable photo and is in English.

If your passport does not contain your signature, either sign your passport or present an additional ID from the list of supplemental identification documents.
ON THE TEST DAY (continued)

Testing in European Union/Schengen Zone Countries
If you are taking the test within a European Union or Schengen Zone country outside of your own, you can use your valid national or European identity card if you have one. The card must contain:
- a recent, recognizable photograph
- your date of birth
- your signature
If your ID is not in English-language letters and the test administrator cannot read the language in which it is written, you may not be allowed to test.
If your official ID does not contain your signature, you must present an additional document from the list of supplemental identification documents below that does contain your signature.

Acceptable Supplemental Identification Documents
If your primary identification is missing either a photograph or a signature, you must present one of the following supplemental IDs in addition to your primary ID. The supplemental ID must contain a recent, recognizable photograph and your signature, and cannot be expired. Supplemental IDs that can be used to meet the photograph and signature requirements are:
- a government-issued ID document including, but not limited to, passport, driver's license, state ID cards, national identification, or military identification. (There are exceptions: see “Unacceptable Identification Documents” below.)
- student ID
- confirmation of identity letter from your educational institution. (A sample confirmation of identity letter is available on the TOEFL Web site.) The letter must contain your name and date of birth; a recent, recognizable photograph; your signature; the name of your school; and the date issued. It must be typed on the original letterhead of the educational institution you attended(s), and the signature of the school official and the school seal must overlap your photograph. A letter of identity is valid for only one year after the date issued.

Unacceptable Identification Documents
- Any expired ID
- International driver’s license
- Draft classification card
- International student ID
- Credit/debit card of any kind
- Notary-prepared letter or document
- Social Security card
- Employee ID card
- Learner’s permit or any temporary identification document (e.g., driver’s license)
- Photocopy of ID

If you cannot meet the specified ID requirements or if you have questions about ID, you must contact the ETS Office of Testing Integrity (1-609-406-5430, fax: 1-609-406-9709, or e-mail: TSReturns@ets.org) before you register. If you do not contact the ETS Office of Testing Integrity before registering and are not admitted to the test, you will forfeit your test fee. It is your responsibility to ensure that your ID documents are up to date and available on testing day.

Test Center Procedures and Regulations

General Guidelines
- Test center administrators will not honor requests for schedule changes.
- Dress so that you can adapt to any room temperature.
- Friends or relatives who accompany you to the test center are not allowed to wait in the test center or be in contact with you while you take the test. Except for ETS-authorized observers, visitors are not allowed in the testing room while testing is in progress.
- You will be required to write (not print) and sign a confidentiality statement at the test center. If you do not complete and sign the statement, you cannot test and your fees will NOT be refunded.
- Your picture will be taken and reproduced at your testing station and on your score report. Be sure the correct photograph is displayed on your assigned testing station.
- You must answer at least one question in each Reading and Listening section, write at least one essay, and complete at least one Speaking task every time you take the test to receive an official score report.
- A booklet of blank paper (scratch paper) is provided for you to use during the test. All scratch paper must be returned to the test center administrator at the end of the testing session.
- If at any time during the test you have a problem with your computer, or need the test administrator for any reason, raise your hand.
- Testing premises are subject to videotaping.

Verifying Your ID
You must present valid and acceptable identification documents. See “Identification Requirements” on pages 9–10 for acceptable identification documents. Identification verification at the test center may also include:
- thumb printing
- photographing/videotaping
- other forms of electronic ID confirmation
If you refuse to present ID and/or have your ID verified, you will not be permitted to test and you will forfeit your test fee.

Personal Items
Personal items other than identification documents are not allowed in the testing room. This includes cell phones, PDAs, BlackBerry® devices, and any other electronic or photographic devices. You will not have access to your personal items during the test or during breaks. Before the test, you will receive instructions from test center staff regarding where you must deposit personal items. You will be required to follow the procedures set by the test center for storage of your cell phone or any electronic or photographic device you bring to the test center. If you take personal items into the test room, they will be collected by the test center staff. If you fail to follow the directions of the test center staff, you will not be permitted to take the test. Any violation of this procedure during the test or breaks may result in cancellation of your scores, dismissal by the test center staff, or banning from future testing. Test centers and ETS assume no responsibility for personal items or devices that you choose to bring into the test center.
SEATING
The test administrator will assign you a seat.

TIMING
- The maximum time allotted for untimed sections before the test is 30 minutes. The purpose of untimed sections before the test is to become familiar with important information that will make your Internet-based testing experience as convenient as possible. The time you spend on untimed sections should not be used for any other purpose. Infractions will be reported to ETS, and the test administrator is authorized to dismiss you from the test administration if you fail to follow the test administrator’s directions.
- The Reading or Listening section of a test may include some extra questions. However, the available testing time for the entire test is the same for everyone.
- You may pace yourself with your own watch, but the computer is the official timekeeper.
- Watch alarms and clocks on cell phones are not permitted.
- You will not be permitted to continue the test or any part of it beyond the established time limit.

TAKING A BREAK, LEAVING YOUR SEAT
- There is a mandatory 10-minute break midway through the testing session. If you exceed the time allotted, you may be dismissed or your score may be canceled.
- To leave your seat at any time other than the break, raise your hand. Timing of the test section will not stop. If you must leave the testing room, you are required to show the administrator your identification document(s) before you leave the room and when you return.
- You cannot have access to your cell phone during the test or during breaks.

DELAYED OR RESCHEDULED TESTS
Weather conditions or other circumstances beyond the test administrator’s or ETS’s control may require a delayed start or the rescheduling of your test. If your test session is canceled or if it is later determined that your scores could not be reported, you can:
- Retest free of charge OR receive a full refund of the original test fee.
- Seek reimbursement from ETS for reasonable and documented expenses (for yourself only) associated with traveling to the test center.
- To request reimbursement, contact TOEFL Services within 30 days of your original test date. Reimbursement requests must include your:
  - name
  - date of birth
  - mailing address
  - daytime telephone number
  - e-mail address
  - original test date
  - registration number
  - a brief description of what occurred at the test center

ETS will determine the appropriateness of the request. Approved reimbursements are made in U.S. dollars.

DISMISSAL FROM A TEST CENTER
The test administrator is authorized to dismiss you from a test session and/or your scores may be canceled for violations such as, but not limited to, the following:
- Attempting to take the test for someone else or having someone take the test for you
- Failing to provide acceptable identification
- Obtaining improper access to the test, part of the test, or information about the test
- Using or having a telephone or cell phone in your possession during the test session or during breaks.
- Using any aids in connection with the test, such as mechanical pencils, pens, pages, beepers, calculators, watch calculators, books, pamphlets, notes, rulers, highlighter pens, stereo or radios with headphones, cell phones, watch alarms, stop watches, dictionaries, translators, PDAs, Blackberry devices, and any handheld electronic or photographic devices
- Creating a disturbance (disruptive behavior in any form will not be tolerated; the test administrator has sole discretion in determining what constitutes disruptive behavior)
- Attempting to give or receive assistance. Communication in any form is not permitted during the test administration. Discussion or sharing of test content during the test administration, and/or during breaks is prohibited. Discussion or sharing of test content after the test is also prohibited.
- Removing or attempting to remove any test content, scratch paper, or notes relating to the test. Under no circumstances may test content or any part of the test content be removed, reproduced, and/or disclosed by any means (e.g., hard copy, verbally, electronically) to any person or entity.
- Referring to, looking through, or working on any test, or test section, when not authorized to do so, or working after time has been called
- Tampering with the computer
- Leaving the test room or test center vicinity without permission during the test session or during breaks
- Taking a weapon or firearm into the test center
- Taking food, drink, or tobacco into the testing room
- Taking excessive or extended unscheduled breaks during the test session. Test administrators are required to strictly monitor unscheduled breaks and report test takers who take excessive or extended breaks.
- Failing to follow any of the test administration regulations in this Bulletin, given by the test administrator, or specified in any test materials

Although tests are administered under strict supervision and security measures, testing irregularities may sometimes occur. Please contact ETS as soon as possible to report any observed behavior that may lead to an invalid score—for example, someone copying from another test-taker, taking a test for someone else, having access to test questions before the exam, or using notes or unauthorized aids.

All information is held in the strictest confidence.

DISMISSAL FROM A TEST CENTER (continued)

ETS reserves the right to take all action—including, but not limited to, barring you from future testing and/or canceling your scores—for failure to comply with test administration regulations or the test administrator’s directions. If your scores are canceled, they will not be reported, and your fees will not be refunded.

SCORES AND SCORE REPORTING

Examinee Score Record/Official Score Reports

Your TOEFL test payment entitles you to:
► one printed and one online examinee score record
► up to four official score reports that ETS will send directly to the institutions or agencies you designate when registering for the test

Score report recipients can be added or deleted through the TOEFL iBT online registration system until 10 p.m. (local test center time) on the day prior to the test date. ETS will send an examinee score record to you and official score reports to your designated institutions 15 business days after you take the test. The printed score record that is mailed to you will contain all of the final section scores as well as your total score.

Score Report Posting and Mailing

Scores are posted on the TOEFL iBT online registration system 15 business days after the test date (with a few exceptions) and then mailed to you and your designated score recipients. You will need your user name and password to view your scores online. You will not receive an unofficial score at the end of the testing session. Score report posting and mailing dates are in the Learners and Test Takers section of the TOEFL Web site. Test results cannot be given any earlier. Allow 7 to 10 days for delivery of mail within the continental United States and additional time for delivery to other areas.

ETS will send the examinee score record to you at the address available on the test date. If the postal service returns your score record as undeliverable, TOEFL Services will send it again only if there is a new address on file. If your address changes after you take the test, go online and update your profile or contact TOEFL Services (see “Contact Information, General Inquiries” on page 5).

For a fee, you may also request additional official score reports for institutions you did NOT identify when you registered to test. Your request may be made online, by phone, mail, or fax. You may order additional score reports through the TOEFL iBT online registration system or by using the Score Report Request Form in the back of this Bulletin. This form can also be downloaded from the Learners and Test Takers section of the TOEFL Web site.

Interpreting Your TOEFL iBT Scores

Your scores are based on your performance on the questions in the test. You must answer at least one question in each Reading and Listening section, write at least one essay, and complete at least one Speaking task to receive an official score report. For the Internet-based test, you will receive four scaled section scores and a total score:
► Reading (0–30)
► Listening (0–30)
► Speaking (0–30)
► Writing (0–30)
► Total Score (0–120)

In addition to numeric scores, your examinee score record also includes performance feedback that indicates your performance level and a description of the kinds of tasks that test takers within the reported score range can typically do.

Canceling Your Scores

At the end of the test session, you will be given the option to cancel your scores. You cannot cancel your score for one section of the test and have the scores for the remaining sections reported. Although you have the option to cancel your scores, consider very carefully before doing so. Your scores will be reported to institutions only at your request. If you cancel your scores, they will NOT be reported to you or any institutions, and no refund will be made. Canceled scores are not added to your permanent record. If you wish to take the test again, you must reregister and submit another test payment.

Canceled scores can be reinstated if your request is received at ETS within 10 days after your test date. You may call, fax, or mail a written request to TOEFL Services (see page 5 for contact information). The fee for TOEFL iBT score reinstatement is US$20. Your request should include your:
► Name
► Date of birth
► Daytime phone number
► Registration number
► Payment

Scores will be reinstated and reported online approximately two weeks after receipt of your request. Your scores will be mailed to you and your designated institutions shortly thereafter.

NOTE: Test centers do not provide receipts or printed scores for the test.

Thank you for registering to take the TOEFL iBT. If you have provided an e-mail address, confirmation of this registration will be sent to your e-mail address. If you have not provided an e-mail address, confirmation will be sent via the postal service. Do NOT send your registration form more than once. This will help avoid extra processing by TOEFL Services and unnecessary charges to you.
Ordering Additional Official Score Reports

You can have official score reports mailed to institutions you did not identify when you registered to test. Additional score reports can be ordered online through the TOEFL online registration system or by completing the Score Report Request Form in this Bulletin. This form is also available on the TOEFL Web site. You will receive an acknowledgement confirming that your score reports were mailed.

The Score Report Request Form will be returned to you if you do not include complete and accurate information and the correct fee. Designated institutions cannot be changed or deleted after you submit the request. No refunds will be made.

Requests for Rescores

You can request that the Writing and Speaking section scores of your test be reviewed through a rescore process up to three months after your test date. You may make this request for either the Writing or Speaking section, or you may request that both sections be included in the rescore process. Only one request per administration can be submitted. You cannot request a review of the Speaking section and then at a later time request a review of the Writing section. The fee for a Writing or Speaking section rescore process is US$60. The fee to have both sections included in the rescore process is US$120.

TOEFL iBT Speaking and Writing sections are reviewed by scoring specialists in the rescore process. If the rescore process confirms your score, you will be notified by letter. If the review results in a change in your score, you will receive a revised examinee score record. Revised official score reports will also be sent to the institutions that you designated as score recipients. These revised scores will become your official scores.

Complete the Rescore Request Form in the back of this Bulletin and send it, with the required fee, to the address on the form. If you are paying by credit/debit card, you may fax the form.

The results of the score review process will be available approximately three weeks after TOEFL Services receives your Rescoring Request Form and fee.

Other Score-Related Information

SCORE VERIFICATION

Institutions have the ability to verify examinee score records sent directly to them from examinees. If there is a difference between the official scores recorded at ETS and those on the score record you provided, the institution will be requested to send ETS a copy of the score record you submitted. At the written request of the institution official, ETS will report the official scores, as well as any previous scores recorded for you within the last two years. ETS or its authorized representative will also provide information about your scores at the request of an institution or agency that has a copy of your examinee score record.

ACCEPTABLE SCORES

Each institution that requires TOEFL scores decides for itself what scores or ranges of scores are acceptable. These requirements vary from institution to institution, depending on such factors as your field of study, your level of study (graduate or undergraduate), whether you will be a teaching assistant, and whether the institution offers special courses in English as a foreign or second language. There is no specific passing or failing score. If you have questions about how your scores have been used or interpreted, contact the institutions or agencies that received your test results directly.

TEST SCORE DATA RETENTION

Individually identifiable TOEFL test scores are retained in a database for only two years. After two years, all test-taker information and scores are removed. If you took the TOEFL test more than two years ago, you will have to take the test again to have scores sent to you, an institution, or agency.

HOW LONG ARE SCORES VALID?

TOEFL scores are valid for two years. Because language proficiency can change considerably in a relatively short period of time, scores more than two years old cannot be reported or verified.

If you took the TOEFL test more than two years ago and need to submit scores to an agency or institution, you must take the test again to have your scores reported.
CONFIDENTIALITY OF SCORES

The TOEFL program recognizes the right of examinees to privacy with regard to information that is stored in data or research files held by Educational Testing Service and the program’s responsibility to protect information in its files from unauthorized disclosure. ETS or its authorized representative may share examinee score data with institutions or agencies for verification purposes.

TOEFL test score data and writing and speaking responses that may be used at any time for informational, research, statistical, or training purposes are not individually identifiable.

Information retained in TOEFL records is the same as the information printed on the examinee’s score record and on the official score reports. Official score reports will be sent only to those institutions or agencies designated by the examinee when he or she registered to test, on a Score Report Request Form submitted at a later date, or otherwise specifically authorized by the examinee.

Scores are not to be released by institutional recipients without the explicit permission of the examinee.

TEST QUESTION INQUIRIES

Language specialists prepare TOEFL test questions. These specialists follow careful, standardized procedures developed to ensure that all test material is of consistent high quality. Each question is reviewed by several members of the ETS staff. The TOEFL Committee of Examiners, an independent group of professionals in the fields of linguistics, language testing, and language teaching that reports to the TOEFL Board, establishes overall guidelines for the test content and specifications. After test questions have been reviewed and revised as appropriate, they are selectively administered in trial situations and assembled into tests. The tests are then reviewed according to established ETS and TOEFL program procedures to ensure that all possible versions of the test are free of cultural bias. Statistical analyses of individual questions ensure that all items provide appropriate measurement information.

Although ETS employs extensive quality control checks throughout the development of test questions and the preparation of final tests, typographical errors or flaws in questions may occasionally occur. If you suspect a problem with a test item, you may write to the TOEFL Test Question Inquiries, Educational Testing Service, Rosedale Road, Princeton, NJ 08541-0001, USA, or send a fax to 1-609-683-2600 immediately after taking the test. Please include the name of the test, the section of the test, the test date, the name of the center where the test was taken, and, if possible, the number of the test item being questioned. If you have a complaint about the test content or the testing facilities, write to TOEFL IBT Complaints (see “Test Center Complaints,” page 5) within three days after the test date. Be sure to give the date of the test, the name of the test center, and the city and country in which you tested.

ETS Score Cancellation Policy

ETS strives to report scores that accurately reflect the performance of every test taker. Accordingly, ETS’s standards and procedures for administering tests have two primary goals: giving test takers equivalent opportunities to demonstrate their abilities, and preventing any test takers from gaining an unfair advantage over others. To promote these objectives, ETS reserves the right to cancel any test score when, in ETS’s judgment, a testing irregularity occurs, there is an apparent discrepancy in a test taker’s identification, the test taker engages in misconduct, the test taker attempts to use the work or ideas of others as their own in the essay section of the test, or the score is invalid for another reason. Reviews of scores by ETS are confidential. When, for any of the above reasons, ETS cancels a test score that has already been reported, it notifies score recipients that the score has been canceled, but it does not disclose the reason for cancellation except when authorized to do so by the test taker and in certain group cases.

TESTING IRREGULARITIES

“Testing irregularities” refers to problems with the administration of a test. When testing irregularities occur, they may affect an individual or groups of test takers. Such problems include, without limitation, administrative errors (such as improper timing, improper seating, defective materials, and defective equipment); improper access to test content; and other disruptions of test administrations (such as natural disasters and other emergencies). When testing irregularities occur, ETS may decline to score the test or may cancel the test score. When in ETS’s judgment it is appropriate to do so, ETS gives affected test takers the opportunity to take the test again as soon as possible without charge.

IDENTIFICATION DISCREPANCIES

When, in ETS’s judgment or the judgment of test center personnel, there is a discrepancy in a test taker’s identification, the test taker may be dismissed from the test center. In addition, ETS may decline to score the test or may cancel the test score and you will forfeit your test fee.

MISCONDUCT

When ETS or test center personnel find that there is misconduct in connection with a test, the test taker may be dismissed from the test center, or ETS may decline to score the test or may cancel the test score. Test takers whose scores are canceled because of misconduct will forfeit their test fees. Misconduct includes, but is not limited to, noncompliance with the “Test Center Procedures and Regulations” on pages 10–12 of this Bulletin.
PLAGIARISM

ETS reserves the right to cancel the scores of test takers when, in ETS’s judgment, there is evidence that an essay includes, for example, text or ideas that are substantially similar to that found in other TOEFL responses or quotations or paraphrasing, without attribution, of language or ideas from published and unpublished sources. Such responses do not reflect the independent speaking or compositional writing skills that the test seeks to measure.

INVALID SCORES

ETS may also cancel scores if, in its judgment, there is substantial evidence that they are invalid for any other reason. Evidence of invalid scores may include, without limitation, unusual answer patterns and/or inconsistent performance on different parts of the test. Before canceling scores pursuant to this paragraph, ETS notifies the test taker in writing about its concerns, gives the test taker an opportunity to submit information that addresses ETS’s concerns, considers any such information submitted, and offers the test taker a choice of options. The options include voluntary score cancellation or arbitration in accordance with ETS’s standard Arbitration Agreement. In addition, the test taker is sent a copy of the booklet Why and How Educational Testing Service Questions Test Scores, which explains this process in greater detail. (This booklet is available to any test taker at any time upon request from the ETS Office of Testing Integrity. Call 1-800-353-8570 or e-mail TSReturns@ets.org.)

NOTE: The arbitration option is available only for tests administered in the United States.

TEST DATES

Test dates are available in the Learners and Test Takers section of the TOEFL Web site. Not all test dates are offered in all locations. To find out which test dates are offered at centers in your area, go to the TOEFL iBT online registration system.

TOEFL iBT introduction dates have not yet been set for some countries. When these countries are ready to implement TOEFL iBT, a message will be posted on the TOEFL Web site. To provide continued access for TOEFL and TSE test takers in these areas, ETS will offer the TOEFL paper-based test (TOEFL pBT) and, as needed, the TSE test until the TOEFL iBT can be delivered.

TEST LOCATIONS

The most current information regarding test locations for TOEFL iBT is in the Learners and Test Takers section of the TOEFL Web site at www.ets.org/toefl. Test takers should also check the TOEFL iBT online registration system because test centers are added daily to the testing network. Information regarding test center availability is subject to change without notice.
The Regional Registration Centers (RRCs) and the countries associated with each region are listed below. If there is no test center in your country, TOEFL iBT may not be available in your area. See the TOEFL Web site at www.ets.org/toefl for a listing of TOEFL paper-based test centers.

Note: When calling an RRC that is located outside the country from which you are calling, you must dial the international access number. E-mail addresses are for informational requests only.
