Long description

For guidance on buying a tablet please check our tablet buying guide.

MEDION LIFETAB TABLET P10341

The P10341 – a great tablet for a great price. The Medion P10341 is a well-designed, well-engineered tablet that doesn’t negotiate on looks or functionality.

Display

The screen of the P10341 is a HD display on a 10.1” screen (1280 x 800 pixels) – perfect for taking photographs, reading documents or playing games.

Photos & Video

The P10341 sports a 2MP camera on the back and a 2MP camera on the front – great for photos, video conferencing, selfies and more.

Easy To Use

The P10341 is easy to use from the moment you switch on the tablet for the first time! With Google’s Android 4.4 KitKat – the operating system that runs your device - you will find it intuitive, highly responsive and practically effortless. With a fantastic selection of Apps, games, music and video via the Google Play Store you will never be bored.
MEDION LIFETAB P10341 10.1" HD, 2MP camera, 16GB, WHITE
