AGREEMENT

THIS AGREEMENT made and entered into this 18\textsuperscript{th} day of June 2010, effective June 10, 2010 between THE KROGER CO. hereinafter designated as the "Employer," and the UNITED FOOD AND COMMERCIAL WORKERS UNION, LOCAL NO. 876, its successors and assigns, chartered by UNITED FOOD AND COMMERCIAL WORKERS INTERNATIONAL UNION, hereinafter designated as the "Union."

ARTICLE 1 - INTENT AND PURPOSE

The Employer and the Union each represent that the purpose and the intent of this Agreement is to promote cooperation and harmony, to recognize mutual interest, to provide a channel through which information and problems may be transmitted from one to the other, to formulate rules to govern the relationship between the Union and the Employer, to promote efficiency and service and to set forth herein the basic agreements covering rates of pay, hours of work and conditions of employment.

ARTICLE 2 - COVERAGE

The Employer recognizes the Union as the sole and exclusive bargaining agent of all employees of the Employer, including employees of lessees, licensees and concessionaires, including those classifications of employees covered by this Agreement and of any new classifications hereafter established in those food stores in the following counties and any food stores hereafter owned and/or operated and supervised within the present territorial area of the Detroit, Michigan Division, in the counties of Wayne, Macomb, St. Clair, Oakland, Livingston, Washtenaw, Lenawee and
Monroe, (876-1 counties) and Shiawassee, Genesee, Lapeer, Sanilac, Huron, Tuscola, Saginaw, Midland and Bay, (876-2 counties) Michigan, excluding store managers, co-managers, pharmacists, and pharmacist interns as provided under Article 8B herein and meat department employees.

Pursuant to the above, the Employer warrants that he has authority to and shall require the operator of any such concession or leased and/or licensed department to fully apply and comply with the terms and provisions of this Agreement.

Effective 1/1/97, the Company and the Union agree to merge the UFCW Local 876-1 and UFCW Local 876-2 bargaining agreements for the purpose of seniority in the event of a store(s) closing or full-time lay-off.

**ARTICLE 3 - UNION SHOP, CHECK-OFF, DUES**

A. The Union is recognized as the sole representative and bargaining agent for all employees covered by this Agreement in collective bargaining with the Employer. It shall be a condition of continued employment that all employees of the Employer covered by this Agreement shall remain members in good standing and those who are not members on the execution date of this Agreement shall, on the thirty-first (31st) day following the execution date of this Agreement become and remain members in good standing in the Union.

B. It shall also be a condition of continued employment that all employees covered by this Agreement and hired on or after the date of execution shall, on the thirty-first (31st) day following the beginning of such employment, become and remain members in good standing in the Union.
C. New employees, pending their application for, and membership in, the Union as aforesaid, shall with all other employees, be uniformly subject to the provisions of this Agreement, including those pertaining to wages, hours and working conditions; except new employees within sixty (60) days (ninety (90) days for those hired in a new store) of hire may be discharged or disciplined without recourse for any reason whatsoever. The probationary period may be extended an additional thirty (30) days by mutual agreement between the company and the Union.

D. When the Employer needs additional employees, it shall afford the Union equal opportunity with others to nominate or refer suitable applicants, provided that the Employer shall not be required to hire those nominated or referred by the Union.

E. Upon written notice by the Union, the Employer agrees within seven (7) days to discontinue the employment of any employee who fails to become and remain a member of the Union in good standing as provided under this Article.

F. **Check-Off:** The Employer agrees to deduct weekly union dues/fees uniformly required as a condition of acquiring or retaining membership in the Union from the wages of each employee, present and future, as the same shall be due, provided each such employee executes written authorization therefore, in a form authorized by law, and such authorization is turned over to the Employer. The Employer agrees to remit such dues and initiation fees as deducted to the Union.

The Union shall, on or before the tenth (10th) day of each month, furnish to the Employer, a list of member-employees and the amounts due therefore, including dues owing for the succeeding month. The Employer shall, on or before the twenty-fifth (25th)
day of the month, deduct and remit such dues, as authorized, to the Union.

At the time of such remittance of check-off sums, the Employer shall also furnish the Union a list of all persons hired within the previous thirty (30) days (or since the last such list was furnished, whichever is later), including name, address, classification, assigned store and date of hire and social security number, if possible. The Employer shall also furnish from time to time, upon the Union’s request and within two (2) weeks of such request, a seniority list of all employees covered by this Agreement.

G. **Check-Off For The Active Ballot Club:**
The Employer agrees to honor and transmit to the Local Union contribution deductions for the UFCW Active Ballot Club from employees who are union members and who sign deduction authorization cards.

The deductions shall be in the amount specified on the political contribution authorization and deducted weekly and remitted monthly to the Local Union.

H. The phrases “members in good standing in the Union”, “members”, “membership in the Union”, “member of the Union in good standing”, “member-employees” and “Union members” as used in this Article include persons who are members of the Union and persons who elect and maintain non-member status.

**ARTICLE 4 - MANAGEMENT RIGHTS**

The management of the business and the direction of the working forces, including the right to plan, direct and control store operations, hire, suspend, or discharge for proper cause, transfer
or relieve employees from duty because of lack of work or for other legitimate reasons, the right to study or introduce new or improved production methods or facilities, and the right to establish and maintain rules and regulations covering the operation of the stores, a violation of which shall be among the causes for discharge, are vested in the Employer, provided, however, that this right shall be exercised with due regard for the rights of the employees and provided further that it will not be used for the purpose of discrimination against any employee.

**Post-Accident Employee Drug and Alcohol Testing Policy:**
Employer reserves the right for drug testing on accidents that require medical attention. Positive drug testing will result in disciplinary action up to and including discharge. Refusal to take a drug test that is requested by management will be considered insubordination and appropriate disciplinary action will take place.

The basis for which the Company requires a post-accident drug and alcohol test is any accident/injury within the store.

Current levels as established by the Department of Transportation will be utilized as a basis for the results of testing.

All post accident drug and alcohol tests will be performed at an established medical facility or through an oral fluid test done at store level. To ensure privacy, testing at store level shall be performed by management when on duty or associate designated by the Company. Employees shall be required to take only one test, either at the medical facility or at the store.

All circumstances and conditions surrounding an employee suspension will be taken into consideration by the Company upon investigation and determination of final disposition.

Kroger Metro Grocery Contract 2010 - 2013
An employee testing positive will be given seven (7) business days from the date of suspension to be evaluated and enroll, in a certified substance abuse program. Consideration of eligibility for reinstatement will be given to an employee who provides proof of evaluation within seven (7) business days of suspension and successfully completes the recommended treatment.

Reinstatement will be with the written understanding that any future deviation or incident of substance abuse of alcohol related issues effecting their employment will result in immediate discharge.

The above in all disciplinary cases will be on a non-precedent setting basis.

ARTICLE 5 - DISPUTE PROCEDURE

A. The Union shall have the right to designate or elect one (1) steward and one (1) alternate steward for each store.

B. Should any differences, disputes, or complaints arise over the interpretations or application of this Agreement, there shall be an earnest effort on the part of the parties to settle such promptly through the following steps:

Step 1 By conference during scheduled working hours between the Union’s steward and/or the business representative and/or aggrieved employee, or any of them, and the manager of the store.

Step 2 If the grievance is not satisfactorily adjusted in Step 1, the grievance shall be reduced to writing and signed by the employee or employees involved with concurrence of a Union representative, or signed by a Union representative in his be-
half, presented to the Employer, and discussed with reasonable
promptness between the Unions Business Representative and the
territorial store supervisor, or human resources department rep-
resentative of the Employer. A conference shall be conducted
within fourteen (14) days (unless extended by mutual agreement
between the Union and the Employer) between the Union’s busi-
ness representative, and the territory store supervisor or human
resources department representative of the Employer. The Em-
ployer will respond within seven (7) days of the conference. If
not responded to, the grievance shall be considered automatically
denied.

**Step 3** If the grievance is not satisfactorily adjusted in Step 2, it
shall be presented to the Employer, and discussed with reasonable
promptness by an officer or designated Union Representative and
a Representative or Representatives of the Employer.

**Step 4** If the grievance is not satisfactorily adjusted in Step
3, either party may, with reasonable promptness, in writing, re-
quest arbitration, and the other party shall be obliged to proceed
with arbitration in the manner hereinafter provided. The Execu-
tive Board of the Union shall have the exclusive right to deter-
mine whether or not the employee’s grievance shall be submitted
to arbitration by the Union. The parties shall forthwith attempt
to agree upon an impartial arbitrator. If they cannot so agree
within five (5) working days of the request for arbitration, the
party requesting for arbitration may, with reasonable promptness
thereafter, file a demand for arbitration with the American Arbi-
tration Association, in accordance with the then applicable rules
and regulations of the Association. The expenses of the arbitra-
tor, excepting the parties’ own expenses, shall be borne equally by
the Union and the Employer.
C. The arbitrator shall have authority and jurisdiction to determine the propriety of the interpretation and/or application of the Agreement respecting the grievance in question, but he shall not have the power to alter or modify the terms of the Agreement. With respect to arbitration’s involving the discharge or discipline of employees, the arbitrator shall determine if the discharge or discipline was for just cause; and he shall review the penalty imposed, and if he shall determine the Employer’s action to be improper, inappropriate and/or unduly severe, he may vacate it or modify it accordingly.

It is the understanding of the parties to the contract that under the definition of the arbitrators authority set forth in Article 5, Section C of the Collective Bargaining Agreement; the arbitrator does not have the authority to go outside the bounds of the Agreement, although he/she may look outside the agreement where necessary in order to interpret the terms of the Agreement.

He shall have the authority and jurisdiction in cases concerning discharge, discipline or other matters, if he shall so determine, to order the payment of back wages and compensation for an employee which the employee would otherwise have received and/or enter such other and/or further award as may be appropriate and just.

D. Grievances must be taken up promptly and no grievance shall be considered or discussed which is presented later than fourteen (14) calendar days from the time the individual should have known there was a contractual violation with the exception of wage claims. Wage claims shall be limited to twelve (12) months and shall be defined as the following:
a. Overdue progression step increases.
b. Incorrect wage rates.
c. Computer error.
d. Errors in the mathematical calculation of wages or wage rates or failure to pay for holiday, sick pay, vacation, etc.
e. Improper recall of laid-off employees.

In the case of a grievance contesting a discharge, the time limit shall be seven (7) days from the date of written notice of the discharge.

E. No employee shall be discharged or disciplined, except for just cause. Grievances respecting the discharge or discipline of an employee shall be presented and processed in accordance with the grievance procedure hereinabove set forth. Any agreement reached between the Union and the Employer under the grievance procedure by their authorized representatives, which in the case of the Union shall be subject to approval by its Chief Executive Officer, its President, and any decision of the arbitrator under Step 4 shall be final and binding upon the Employer, the Union and the employee or employees involved.

F. It is the intention of the contracting parties that, with the exception of those individual grievance privileges expressly set forth herein, in the redress of alleged violations of this Agreement by the Employer, the Union shall be the sole representative of the interests of employees or groups of employees within the bargaining unit. Subject to individual rights expressly set forth in the grievance procedure of this Agreement, only the Union shall have the right under arbitration procedures or in any judicial or adjudicatory forum, to assert and press against the Employer a claimed violation of this Agreement.
G. Lengthy discussions between employees and representatives of the Union, including the steward, or among themselves, concerning disputes, shall not take place during working hours.

Store stewards shall have sufficient time to investigate and/or work with store management on grievance resolutions during scheduled working hours, including time to make phone calls relative to these duties. Time spent on the phone shall be limited to Union business and shall be limited in duration. Abuses of the above shall be dealt with by conference between the Company and the Union to a mutual agreement.

H. The Employer, including all supervisors, shall grant to any accredited union representative, access to the store for the purpose of satisfying himself that the terms of this Agreement are being complied with, including but not limited to, checking rates of pay, work schedules and time sheets.

I. The Employer shall have the right to call a conference with the officials of the Union for the purpose of discussing its grievances, criticisms, or other problems.

**ARTICLE 6 - NO STRIKE, NO LOCKOUT**

A. During the term hereof, the Union agrees that there shall be no strike or any other interference with or interruption of the normal conditions of the Employer's business by the Union. The Employer agrees that there shall be no lockout.

B. The Employer agrees that it shall not request or demand that employees go through a legitimate picket line. The Union agrees that it will not refuse to cross a picket line unless such has been duly sanctioned by the President of the Local Union, and
until the Employer has been officially notified by the President of
the Local Union.

**ARTICLE 7 - OTHER AGREEMENTS**

The Employer agrees not to enter into any agreements or under-
standings with its employees, individually or collectively, which
in any way conflicts with the terms and provisions of this Agree-
ment.

The Employer agrees that there will be no postings on Company
premises, except by the Company or by the Union provided it is
signed by the Union, officially.

**ARTICLE 8 - OTHER WORK, WORK BY OTHERS**

A. Employees shall perform any work which the Manager
of the store or Zone Manager may direct with the understanding
that when an employee is assigned to a job with a lesser rate, he
will be entitled to his regular rate of pay, unless due to a decrease
of work, he has been regularly assigned to a lower rated job and
desires to resign such job rather than accept a layoff.

B. The Employer agrees to the following exclusions: In
stores employing forty (40) or more members, a maximum of
seven (7) will be excluded.

C-1 To preserve bargaining unit work, the Employer agrees
that no supervisor, store manager, co-manager or any other person
not covered by this Agreement shall perform any work customar-
ily performed by employees covered by this Agreement, except
that they shall be permitted to assist on resets, occasional and un-
scheduled clean up or facing of shelves or end caps, customer re-
quests, holiday promotions, opening of new or remodeled stores, seasonal and specialty displays during the months of November and December and the four (4) weeks preceding Easter, and emergencies not attributed to the Employer, and train employees in connection with this activity. In event of an unexpected and unanticipated increase in customer demand, management shall have the right to perform incidental front end bargaining unit work, excluding operating a check lane register.

C-2 The Employer may utilize any vendor services available to the trade. Current employees will not have their hours reduced as a direct result of the implementation of this provision.

*Reset defined:* To change location, position, facing or allocation of shelf products, tags, shelving and extender product according to a Kroger plan-o-gram as determined by Kroger merchandising departments.

No present employee will have their hours reduced as a direct result of this clause.

In the event of a violation of the above section, the first violation shall be a written warning, a second or subsequent violation the Employer agrees as liquidated damages, to pay two (2) times the top rate of a clerk-cashier, in effect at time of violation, for all such time worked but in no event shall the penalty be less than one (1) hour at two (2) times the clerk-cashier rate. If such violation is reported by a member of the bargaining unit, the liquidated damages shall be paid to the reporting member. When the violation is reported by the Union, such double (2) time damages shall be added to the pay of the most senior employees working less than forty (40) hours in the work week the violation occurs and shall thereafter be rotated amongst such employees by seniority,
working less than forty (40) hours that week. If such pay places the most senior employee over forty (40) hours for that week, such pay in excess of forty (40) hours shall be paid to the next most senior employee working less than forty (40) hours, etc.

D. The Employer may designate persons of its choice as managers in training. The Employer shall notify the Union of the names, assigned stores and date of entry into the training program for all associates who are accepted into the Company’s Management Training Program.

Managers in training who are hired from outside the store shall be on a one hundred eighty (180) day probationary period and shall not be required to become members of the Union until the end of thirty (30) days of employment. During the one hundred eighty (180) day probationary period, they may be terminated for unsatisfactory performance without recourse. Managers in training from the bargaining unit shall be on a one hundred eighty (180) day training period during which time they shall remain members in accordance with the provisions of Article 3, and during which time they shall remain fully subject to the provisions of this Agreement, except as provided in the following sentence. During the one hundred eighty (180) day training period, managers in training shall be excepted from the provisions of Article 8-C hereof, and shall be permitted to perform work of the bargaining unit, provided that said managers in training shall not displace any full-time or part-time employees.

On or before the expiration of the one hundred eighty (180) day training period, the Employer shall do the following, and shall notify the Union accordingly.
(1) Promote the manager in training to store manager, or
(2) Placed in and into the co-manager classification, or
(3) As to a manager in training from outside the bargaining unit, discharge such person or place him in one (1) of the bargaining unit classifications with seniority beginning at time of placement in the bargaining unit classification, or
(4) As to a manager in training from the bargaining unit, disqualify him as a manager in training and return him to his former position, with uninterrupted seniority.

ARTICLE 9 - MAINTENANCE OF STANDARDS

The Employer agrees that all conditions of employment relating to wages, hours of work, overtime differentials and general working conditions shall be maintained at not less than the highest minimum standards in effect at the time of the signing of this Agreement, and the conditions of employment shall be improved wherever specific provisions for improvement are made elsewhere in this Agreement. No employee is to receive a reduction in wages as a result of the signing of this Agreement.

ARTICLE 10 - WORKING CONDITIONS

A. For the purpose of establishing eligibility for full-time benefits as set forth in this Agreement, a full-time person is one who is hired as such, or an employee who averages thirty-six (36) hours or more during their basic work week for twelve (12) consecutive calendar weeks, excluding hours worked on Sundays and Holidays for employees hired prior to 8/9/1987. Full-time employees involuntarily reduced to part-time shall continue to be classified and treated as full-time until they have averaged less than thirty (30) hours per week during their basic work week for
twelve (12) consecutive weeks, excluding hours worked on Sundays and Holidays for employees hired prior to 8/9/1987. For those employees awarded full-time after 6/18/92, the full-time disqualifier is an average of less than thirty-four (34) hours for twelve (12) consecutive weeks.

For the months of July and August part time employees may be scheduled up to forty (40) hours per week and such work will not be counted toward the twelve (12) week qualifier.

During the twelve (12) week qualifying period, employees off for up to one (1) week due to illness and/or layoff shall not be reclassified and the number of weeks worked shall be frozen and upon return to work shall continue as if there was no break for purpose of qualifying.

B-1 **Wages:** Effective during the term of this Agreement, the wage rates and classifications shall be set forth in Appendix A, B and C attached hereto.

Hourly rates of pay and pay schedules as set forth in Wage Schedules "A" attached hereto, shall remain in effect for the life of this Agreement and shall constitute the basis for determination of wage for time worked.

Previous comparable experience may be the basis for determination of employee’s rate of pay.

Previous comparable experience must be shown on the application for employment, otherwise the employee forfeits any claim under this provision. Documentation to support an employee’s previous experience rate shall be provided to the Union upon request.
Claims for rate adjustment based on previous experience must be filed in writing within thirty (30) days from date of employment, otherwise the employee forfeits any claim under this provision.

B-2 Employees shall be paid for all time spent in the service of the Employer.

C-1 **Work Week:** The basic work week for all full-time employees shall be forty (40) hours, which shall be worked in five (5) eight (8) hour days, not necessarily consecutive.

Four (4) ten (10) hour shifts may be permitted by mutual agreement between the Employer and all full-time employees on said shift. This may be cancelled any time by the Employer, the Union, or the employees.

C-2 For employees on the payroll as of August 8, 1987, the work week shall be Monday through Saturday, inclusive. For all employees hired after August 8, 1987, the work week shall be Sunday through Saturday, inclusive.

In the event, an adequate staff cannot be obtained for Sunday and/or holiday work to meet the needs of the business, the Employer can require employees to work in the inverse order of seniority to meet staffing requirements.

D-1 **Work Schedules:** The Employer shall post and maintain a current seniority list of employees employed in the store and the hours of each employee shall be scheduled by the Employer in conformity with this Agreement.

D-2 Work schedules shall be posted in the stores no later than Thursday 6:00 p.m. for the following week. All employees
listed on the schedule for work shall be guaranteed work or pay
provided they report and work as scheduled. Any employee re-
quired to work over his scheduled time any day shall not be re-
quired to take time off later in the work week. This guarantee shall
be inapplicable in the event of fire, flood, civil disturbances or Acts
of God.

D-2 (a) If the schedule of employees is not in conformance
to the employee’s seniority, employees shall have until Saturday
12:00 noon to bring to the store manager’s attention, in writing, the
error in scheduling, and such schedule shall be adjusted prior to the
start of the workweek. In the event an employee fails to report the
scheduling error as outlined above, the schedule will be deemed
acceptable and not subject to a grievance.

D-2 (b) Full-time employees may, in writing, request a reduc-
tion of hours indicating their unavailability for continued full-
time work, and once agreed to, in writing, by the Employer, the
employee shall be placed into the store seniority list for available
hours only and shall receive the hours of work his position on the
seniority list entitles him to.

If the employee at a later date advises the Employer in writing of
his availability for additional hours up to forty (40) hours per week,
the employee may claim additional available hours but may not
claim previously scheduled hours of another employee until hours
become available because of a vacancy or become available on a
regular basis (available hours on a regular basis are hours expected
to exist on a permanent basis for more than thirty (30) days).

Upon receiving the hours as described above, the employee shall
be placed into the store seniority list and hours will be scheduled in
accordance with his seniority.
D-3 The Employer shall recognize the wishes of senior employees’ choice for days off and daily work schedules by seniority based on classifications and demonstrated skill and ability to perform the duties within the store in which they work. Once the choice is made, (more than thirty (30) days) neither the Employer nor employee will arbitrarily change the schedule. The Employer has the right to adjust the schedule weekly to fit the needs of the business.

Assistant Head Cashiers, when scheduled to operate a register or work other than Assistant Head Cashier’s duties at the beginning of their shift and/or for their full shift, shall be scheduled in accordance with their Clerk/Cashier seniority.

D-4 In the event the manager fails to post a work schedule, as required by the preceding section, the schedule last posted shall prevail. The foregoing sentence shall not apply to the week preceding or the week including a holiday, as to each of which weeks a new schedule shall be posted.

D-5 Employees who, in writing have voluntarily limited their availability for work may thereafter claim additional available hours, up to thirty-two (32) hours but may not claim previously scheduled hours of another employee until a vacancy occurs or additional hours become available.

D-6 When scheduling two (2) or more employees for less than an eight (8) hour shift for a similar assignment in the same classification, there shall be a lapse of at least two (2) hours between shifts. The intent of this provision shall be to maximize senior employees’ hours but shall not be construed to guarantee overtime.
D-7 The Employer agrees not to employ two (2) or more part-time employees where it is possible to employ one employee on either a daily eight (8) hour or weekly forty (40) hour basis.

D-8 Part-time employees shall be scheduled for available hours in each department within their store, in accordance with seniority, job classification and demonstrated skill and ability to perform the work. Such employees shall be scheduled for no less than twelve (12) hours per week, nor may they claim more than thirty-two (32) hours per week (Monday through Saturday for employees on the payroll as of 8/8/87; Sunday through Saturday for employees hired after 8/8/87). In no event can part-time employees be scheduled or claim hours so that their total hours worked exceed thirty-two (32) hours (Monday through Saturday for employees on the payroll as of 8/8/87; Sunday through Saturday for employees hired after 8/8/87) per week unless by mutual agreement by the Employer and the employee, and in accordance with store seniority.

Part-time employees, who scheduled weekly hours are below the previous twelve (12) week average for three (3) consecutive weeks, may claim additional hours throughout the store in order to maximize their weekly hours. An employee’s scheduling limitations may affect the Company’s ability to maximize the employee’s schedule.

Schedules can be claimed on a weekly basis only. Employees must have the demonstrated skill and ability for the schedule that they are claiming. Employees who do not have the demonstrated skill and ability to perform the work may request, in writing to their Store Manager and the Union, their interest to have the ability to maximize their hours.
Pharmacy Techs, Pharmacy Clerks, Fuel Center Clerks and Starbucks's Coffee will continue to be scheduled by department and will not be able to claim hours in other departments.

D-9 Employees who work in addition to their scheduled time shall not be compelled to take time off to avoid the payment of overtime. If for any reason it becomes necessary to work an employee in addition to his scheduled time, he shall also be permitted to work the balance of his week as originally scheduled.

D-10 No full-time employee within the department, except night stocking and receiving crews, shall be required to work more than two (2) nights after 7:00 p.m. in any workweek, except as necessary to enable work for the employee's basic work week. Saturday night work shall be uniformly rotated among those full-time employees scheduled to work nights. The Employer shall schedule such employees in the inverse (the word "inverse" used in this Agreement shall mean starting with the least senior) order of seniority to work nights in accordance with the needs of the store. No full-time employee because of his seniority shall force another full-time employee to work a third (3rd) or more nights. The Union has the right to review work schedules. Where they feel this provision has been abused, they shall have the right to consult with the Employer.

D-11 No employee shall be allowed or required to work a split shift.

A split shift is defined as two (2) work periods separated by more than the normal lunch period. For any violation of this provision, the employee shall be paid at the applicable rate of pay from the start of the first (1st) work period to the end of the second (2nd) work period.
D-12 Only management personnel or Department Heads shall be assigned the duty of closing the store in the evening, except only in the event of a bona fide emergency.

D-13 The Employer agrees that he shall have in each store a minimum of six (6) Department Heads in combo stores.

D-14 In the event of a re-grand opening and/or grand opening of a store the Employer may utilize employees to assist up to two (2) week preceding and two (2) weeks following the re-grand opening or grand opening. Current employees within the effected stores will not have their hours reduced as a direct result of the implementation of this provision.

**ARTICLE 11 - OVERTIME AND PREMIUM PAY**

A-1 Overtime: Any employee who works in excess of eight (8) hours in any one (1) day or forty (40) hours in any one (1) week, or thirty-two (32) hours and/or four (4) days during a holiday week shall be paid at the rate of time and one-half (1½) his straight-time hourly rate.

Employees hired after 8/8/87 shall be paid at the rate of time and one-half (1½), after eight (8) hours in any one day or forty (40) hours and/or five (5) days during a holiday week.

Such holiday shall be taken in January 2013 if financial conditions at that time permit. Any trustee dispute/deadlock regarding 7/1/12 rate action shall be referred to final and binding expedited arbitration.

G. The parties agree to make their best efforts to direct the Trustees of the “Health Fund” to adopt as many cost containment measures as practical without reducing existing benefit levels. It is the desire of both parties that such cost containment measures when implemented might require a contribution rate that is less than the contribution rates listed in the Agreement to maintain benefits. However, the existing applicable benefits may be modified by the Trustees only if the proposed modifications are unanimously agreed to by every Employer Trustee (or Alternate) and by every Union Trustee (or Alternate.)

H. The Employer is responsible for reporting the appropriate qualifying status for each employee to the Health Fund Office on a contribution report each month. The Employer accepts that failure to submit timely and correct contribution reports and contribution payments may result in interest, liquidated damages and cost assessments pursuant to the Health Fund’s delinquency collection rules and/or applicable law. The Employer consents to the audit of its payroll records by persons designated by the Health Fund’s Trustees for the purpose of verifying the correctness of the Employer’s contribution payments in accordance with uni-
form audit policies adopted by the Trustees. Any underpayments disclosed by such an audit shall be processed as delinquent contributions pursuant to the Health Fund’s delinquency collection procedures. Contributions must be reported and paid each month, without regard to any prior overpayments. Prior overpayments and mistaken contributions can be claimed by the Employer pursuant to the rules adopted by the Health Fund’s Trustees for refund of mistaken contributions.

M. The new coordination of benefits provision would also extend to dependent coverage and, in that situation the Fund also uses the “birthday rule” to determine which coverage is primary. It is the employee’s responsibility to provide the Fund Office with information necessary to determine whether it will pay on a primary or secondary basis.

T. **Health Care Reform:** The Employer and Union agree to meet and discuss, at the request of either party, the effects of National Health Care Reform legislation and attendant federal regulations on this Health and Welfare article and to make any modifications, and only such modifications, that the Employer and the Union jointly agree are necessary.

nothing herein contained shall be deemed to establish the benefits or beneficiaries of the Fund, which shall be determined by the Trustees thereof, pursuant to the Trust Agreement, as from time to time amended, and applicable Pension Plan, as from time to time amended.

Notwithstanding the provisions of Article 6 of this Agreement, the Union reserves the right to exercise all lawful economic recourse, including strikes or other concerted activities in support of demands for delinquent contributions, if any, owed by the Employer to the United Food and Commercial Workers International Union-Industry Pension Fund. Provided, however such action shall not take place until the Fund Manager notifies the Employer, in writing, of the delinquency.

C. The Employer shall continue to pay a contribution rate of twenty-four cents ($.24) per hour for those Courtesy Clerks that were hired prior to 8/9/1987 and became eligible under prior contracts and through acquisition.

2. Effective with July hours, Employer to update rates in accordance with needed AUCR adjustment to maintain current benefit accruals.
ARTICLE 21 - PREPAID LEGAL SERVICES PLAN

A. The Employer shall participate in and contribute to the Michigan United Food and Commercial Workers Unions and Food Employers Joint Prepaid Legal Services Fund.

ARTICLE 22 - REVIEW OF EMPLOYER RECORDS

In order to facilitate the proper functioning of each employee benefit plan, and to insure that contributions are being made for all employees covered by this Agreement in accordance with the provisions of the Bargaining Agreement, the Employer hereby agrees in accordance with the provisions of the Trust Agreements (Michigan United Food and Commercial Workers Unions and Food Employers Health and Welfare Fund, United Food and Commercial Workers International Union-Industry Pension Fund and Employers Joint Prepaid Legal Services Fund) to the examination of those records deemed necessary by a certified public accountant or by any other representative of the Funds or Union.
ARTICLE 23 – SENIORITY

A. Seniority is the length of continuous employment with the Employer. Seniority shall be dated from the date the employee actually reports for work. Under this definition, the last employee hired shall be the first to be laid off. Recall to work shall be governed by the same principle of seniority.

Absence from work, as set forth in this Agreement, shall not break seniority. Seniority may be broken only by the following:

1. Quit.
2. Justifiable discharge.
3. Layoff of more than one (1) year.
4. Failure to return to work in accordance with the terms of leave of absence.
5. Failure to return to work after a lay-off within one (1) week after receipt of notice from the Employer.

B. For the purpose of this Article, a full-time employee is one who is hired as such or an employee who works thirty-six (36) hours or more per week including all compensable absence pay for twelve (12) consecutive calendar weeks. The first day worked of the twelve (12) weeks, qualifying period, except as provided under Article 10 A., shall be used to determine the seniority dates, health and welfare and vacation eligibility only. No other full-time benefits are payable during the twelve (12) weeks qualifying period. A part-time employee is an employee who regularly works thirty-two (32) hours or less per week. A full-time employee involuntarily reduced to part-time shall continue to be classified and treated as full-time until he has averaged less than thirty (30) hours or less per week (including all compensable absence pay) for twelve (12) consecutive calendar weeks,
less than thirty-four (34) hours or less per week (including all compensable absence pay) for twelve (12) consecutive calendar weeks for those employees awarded full-time after 6/18/92, except as provided under Article 10 A. The Employer shall maintain and furnish from time to time upon the Union’s request a seniority list of all employees covered by this Agreement as follows:

1. Department heads by classification.
2. Full-time employees by classification.
3. Part-time employees by classification.

A Clerk/Cashier faced with a layoff may exercise his or her Clerk/Cashier seniority and previous frozen Courtesy Clerk’s seniority, if any, to displace less senior Courtesy Clerk’s.

Part-time employees shall not accumulate seniority over full-time employees.

A full-time employee (including department head) suffering a reduction of hours or laid off shall have the right to displace a less senior employee of the same job classification.

If there is no junior full-time employee in the same job classification, then such full-time employee shall have the right to displace a part-time employee in the same job classification that will give him the maximum hours of work or displace a full-time employee in a lesser job classification for full-time work based on seniority in the job classification. Part-time employees shall have seniority among other part-time employees under the same conditions enumerated for full-time employees.
Within each seniority list, seniority shall be applied by seniority area within the geographical jurisdiction of the Local Union except in the event of a store closing without a replacement store, a lay off, promotion or transfer seniority shall apply by Local Union jurisdiction. Expand current seniority area to Companywide 876-1 and 876-2 in the event of store closings and full-time layoffs. When a qualified candidate is unavailable in the current seniority area for Department Head or full-time opening, the position shall be posted outside the current seniority area (876-1 and 876-2).

876-1 Seniority Areas
Wayne and Monroe Counties
Macomb and St. Clair Counties
Oakland, Washtenaw and
Livingston County

876-2 Seniority Areas
Midland County
Bay County
Lapeer County

C. When a full-time employee (other than a department head) is involuntarily reduced to part-time, his seniority shall be frozen, and shall pick up their previous full-time seniority date when returned to full-time. When a full-time employee voluntarily reduces himself in writing, his part-time seniority is dated from the original date of hire.

When a department head is involuntarily reduced, he shall be returned to his previous department head classification with his total department head seniority. When a department head voluntarily reduces himself, in writing, he shall be returned to the Clerk/Cashier classification in accordance with his Clerk/Cashier seniority.

In the event a department head is reduced and has no seniority in another department head classification, he shall have the right to use his total years of full-time seniority to displace a Clerk/Cashier.
In the event of absence for a period of one (1) week or more of a Produce Manager, Head Cashier or Head Dairy, a full-time employee shall be appointed to fill the vacancy and shall receive the wage rate of the particular department head he is relieving, but in no event less than twenty cents ($0.20) per hour more than his own rate. Any employee designated by the Store Manager to relieve a Head Grocery, Head Stock, Assistant Head Cashier or Head Delicatessen for a period of one (1) week or more shall receive the rate of the employee he is relieving, but in no event less than twenty cents ($0.20) per hour more than his own rate.

D. **Promotions:**

1. Senior part-time employees shall be promoted to full-time employment over new hires.

2. The most senior employee shall be promoted provided he/she has the demonstrated skill and ability to perform the job.

3. Courtesy Clerks after two (2) years of continuous full-time service and promoted to a Clerk/Cashier classification shall be credited twenty-four (24) months on the Clerk/Cashier Progression.

4. Preferences for Head Cashier openings will be given to employees in the Assistant Head Cashier classification.

5. Temporary vacancies of up to twelve (12) weeks duration (unless extended by mutual agreement) created by vacations, leaves of absence, and short term illness that cannot be filled through the scheduling language will be, if filled by management selection and those temporary vacancies will not be posted.

Job openings for Department Heads shall be posted in the stores for a period of three (3) days. The employee selected shall be promoted.
on a ninety (90) day trial basis during which time the employee may be reduced to his former status for justifiable reasons. An employee who may be reduced to his former status for justifiable reasons shall be disqualified from rebidding for the same department head job classification for one (1) year. The employee shall receive the classified department rate of pay during the trial period. The vacancy created by the promotion shall not be permanently filled until the original trial period is completed, after which the vacant job shall be posted. The temporary appointee shall receive the classified rate of pay. Any employee who wins a job bid and declines to accept the position shall be disqualified from bidding for any Department Head position for a period of one (1) year.

(6) If the bid notice posted either in Local 876-1, 876-2 or Dundee, Milan and Monroe goes unfilled by members in that particular area then it shall be posted in the opposing area before hiring someone outside the bargaining unit. Employees accepting a job bid outside their current seniority area shall retain their seniority and go to the current applicable wages and benefits of the new seniority area.

(7) If the Employer elects to create or replace a full-time non-department head position, he will post a notice in the stores for a period of three (3) days. The senior employee who applies and who has demonstrated skill and ability will be selected for the position.

(8) Employees selected for any Department Head positions will not be eligible to submit an energy clause transfer request during their ninety (90) day probationary period.

(9) The Company and the Union agree that in the event that a part time clerk-cashier is awarded a department head job bid and is subsequently reduced from that position, voluntarily or involun-
tarily, after a ninety day probationary period has expired but before one year in the position, the employee will be returned to their previous part time clerk-cashier position.

Furthermore, it is agreed that in the event that a part time clerk cashier is awarded a department head job and is subsequently reduced from that position, voluntarily or involuntarily, after one year in the position, the employee will maintain full time status in the clerk cashier classification.

Any employee who wins a job bid and voluntarily or involuntarily is reduced within ninety (90) days shall be returned to the store from which they came.

Department heads who have been involuntarily reduced and whose seniority has been frozen (as provided under Section C. above) shall by signing the job posting receive preference for the posted position in accordance with seniority in the posted job classification.

Full-time Clerk/Cashiers, whose seniority has been frozen as provided under Section C. above, shall by signing the job posting receive preference for the posted position in accordance with seniority.

Copies of the job postings and successful bidders signed and dated by the Store Manager or his representative shall be furnished to the Union.

In the event the Employer fails to post notices for promotion and job openings, the aggrieved employee shall be compensated for loss of hours, additional pay and/or both.

Establishing a full time date in the event of a conflict will be done by alphabetical order, as is the industry standard.
E. Transfers: When the transfer of an employee to a different store becomes necessary for justifiable reasons, such transfer shall be made in the reverse order of seniority or on a voluntary basis.

The Employer shall make every effort to assign employees to a store where such transfer shall require the lesser travel time from his home. Such transfer will not be applied in an arbitrary, capricious or discriminatory manner, nor shall it be utilized as a device for creating hardship to the employee in order to provoke his resignation.

Full-time employees who desire to transfer to a store closer to their home shall notify the store manager, in writing, with a copy to the Union one time per calendar year. For the purpose of this article requests expire on December 31st of each calendar year. The Employer agrees to transfer said employee if a permanent full-time vacancy exists in their classification, or if another full-time employee agrees to exchange work shifts with said employee. Such transfers to new or remodeled stores are subject to the mutual agreement of the Employer. If two (2) or more employees request a transfer to a store, seniority shall apply. The intent of this clause is to reduce an employees' travel distance to and from work for the purpose of energy conservation. However, an employee requesting an energy clause transfer must reduce their driving distance by at least fifty (50) miles per week. Employees may not transfer if involved in the disciplinary process.

In the event of a store closing or layoff, part-time employees may exercise their seniority to transfer. Part-time employees' requests for transfers for reasons other than those situations mentioned above should be submitted to the Company in writing.
Union Stewards shall have top seniority with respect to layoffs (a reduction in hours shall be construed as a layoff) in their stores. No Union Steward shall be transferred without the consent of the steward and the Union except in the event of a store closing.

F. **Night Stocking and Receiving Crew:** A full-time employee with two (2) years of service or more may exercise their seniority rights in transferring (a maximum of one [1] employee per store the first week of April and the first week of October each year) to day hours, based on seniority and ability in their store. Once the shift choice is made, neither the employee nor the Employer will arbitrarily change the shift. Such employees must advise the Employer and the Union, in writing, of their desire for day hours. Where two (2) or more employees in the store make this request, seniority shall prevail. Such transfer requests shall be implemented within two (2) weeks of the date of the request.

Transfers made other than each April and October shall be made under the applicable provisions of the Agreement.

Full-time employees shall have the right to refuse a transfer to a night stock and receiving crew job and in the event the employee refuses it, shall be considered an involuntary reduction.

If the Employer assigns a Head Grocery Clerk to a night stocking and receiving crew, the Head Grocery Clerk shall be in addition to the Head Night Stock Clerk.

The Employer agrees to continue to post job bids for the Grocery Department Manager position in accordance with Article 23, Section D of the Labor Agreement between The Kroger Company and UFCW Local 876. Preferences for Department Manager openings will be given to current employees in the Night Stock Department.
Manager classification with at least two (2) years in the position. Employees may not be considered if involved in a progressive disciplinary process.

When two (2) or more employees in the Night Stock Department Manager classification sign the bid for a Department Manager position, the Employer will recognize seniority within their classification as the determining factor when awarding the position, providing they have the demonstrated skill and ability.

ARTICLE 24 - UNION COOPERATION

A. The Union agrees to the reasonable rules and regulations of the Employer in regards to punctual and steady attendance, conduct on the job, and all other reasonable rules and regulations established by the Employer.

B. The Union agrees to cooperate with the Employer in maintaining and improving safe working conditions and practices; in improving the cleanliness and good housekeeping of the stores; and in caring for equipment and machinery.

C. The Union agrees to cooperate in correcting inefficiencies of members, which might otherwise necessitate discharge.

D. The Union recognizes the need for improved methods and output in the interest of the employees and the business, and agrees to cooperate with the Employer in the installation of such methods, in suggesting improved methods, and in the education of its members in the necessity for such changes and improvements.
E. The Union recognizes the need for conservation and the elimination of waste and agrees to cooperate with the Employer in suggesting and practicing methods in the interests of conservation and waste elimination.

ARTICLE 25 – GENERAL

A. It is agreed that in the event any Article, section or clause hereof shall be deemed invalid under applicable law or regulations that the various remaining Articles, sections and clauses of this Agreement shall be deemed severable and of continuing effect insofar as they shall not be affected thereby.

B. No employee or applicant for employment covered by this Agreement shall be requested or required by any representative of the Employer to be the subject of a Polygraph (lie detector) test for any reason whatsoever, nor shall the results of any Polygraph test or opinion based thereon be relied upon by the Employer or be admissible in any arbitration or judicial proceeding for any purpose whatsoever.

C. The Employer and the Union shall not discriminate against any employee for reasons of age, sex, race, religion, sexual orientation, handicap, creed, color, national origin or Union activity.

D. The Employer shall display Union store cards, which shall be furnished by the Union, in each of the Employer’s stores covered by this Agreement. Such cards shall remain the property of the Union and shall be surrendered on demand.

E. The Employer will not schedule meetings so as to conflict with regular or special meetings of the Union.
F. In the event that the Employer contemplates the introduction of major technological changes affecting bargaining unit work, advance notice of such change will be given to the Union. If requested to do so, the Employer will meet with the Union to discuss the implementation of such changes before putting such changes into effect.

In the event a store is scheduled to be closed, the Union will be given thirty (30) calendar days notice, whenever possible, so that they may meet with the Company and seek alternative solutions.

In any discussions that are forthcoming as a result of technological change, both parties are agreed that they will make every effort to arrive at mutually agreeable decisions with regard to those full-time members of the bargaining unit (on the payroll as of the March 5, 2001) who may become displaced as a direct result of the technological change.

G. Effective June 6, 2004, employees required to use their automobile shall be paid at the Company’s prevailing rate for all miles in excess of the mileage between their home and base store. The Employer shall not arbitrarily change the employee’s base store.

Employees who use their automobile for Employer errands shall be paid at the Company’s prevailing rate.

H. The Employer and the Union agree that registers may be located in the following departments: snack bar, floral, pharmacy, lobby, parking lot, and liquor. Such registers shall be for ringing sales for their respective departments. No employee shall be disciplined for encouraging customers to use the front end for purchasing products from outside their department.
ARTICLE 26 - ECONOMIC RELIEF

The Employer may request modification of the economic terms of the contract according to the following procedure:

The Employer may seek economic relief to keep store(s) open or in operations outside the counties of Wayne, Oakland, Macomb, Livingston, Washtenaw and Monroe. The Union shall present the terms of the economic relief to the membership in the affected store unit(s) and/or operation for their vote. The Company and the Union agree that the terms of the Economic Relief Package will not be less than those of the 876-2 wage and working conditions agreement.

ARTICLE 27 – EXPIRATION

This Agreement shall be effective the 10th day of June 2010, and shall continue in full force and effect to and including June 15, 2013, and thereafter from year to year unless either party serves notice in writing upon the other at least sixty (60) days prior to said expiration date or any anniversary thereof that such party desires to terminate this Agreement. It is agreed, however, that where no such termination notice is served and the parties desire to continue this Agreement, but desire also to negotiate any changes or revisions in this Agreement, each party may serve upon the other a notice, at least sixty (60) days prior to said expiration date or any anniversary thereof, advising that such party desires that the parties change or revise designated provisions of this Agreement. Pending negotiations on such proposed changes or revisions, or pending effectuation of changes or revisions which may in fact be negotiated, this Agreement shall continue in full force and effect, provided that the parties reserve the right without further notice, and notwithstanding the provisions of Article 6 hereof, to exer-
cise all lawful economic recourse, including strikes or other concerted activities, in support of demands for change or revision, and to thereupon, by notice to such effect, forthwith terminate this Agreement. All provisions of this Agreement to be effective with ratification except as otherwise specified.

In an effort to have a positive impact on employee turnover, the Company and the Union may discuss and implement certain contract modifications on a test basis. No current employee will be negatively impacted by such modification.

IN WITNESS WHEREOF, the said parties have caused duplicate copies hereof to be executed by their duly authorized officers this 8th day of November 2010.

**Appendix “D”
MISCELLANEOUS NOTES**

**A-1.** The classification “Specialty Clerks” shall apply to employees working in areas of the store listed on the wage page. Subsequent to the effective date of this Agreement, the parties, upon mutual agreement, may place additional Specialty Departments under the terms and conditions of this Agreement. Upon such mutual agreement, all terms and conditions of this Agreement shall apply unless otherwise provided.

**A-2.** Pharmacy Technician classification will remain a separate specialty clerk classification in of itself. Pharmacy technicians certified through a Company sponsored training program may receive up to a one dollar ($1.00) premium per hour above their current hourly rate. Upon satisfactorily completing the required courses premiums will be applied as follows:

- Level One (1) - $0.25
- Level Two (2) - $0.50
- Level Three (3) - $0.25

Company will offer a minimum of one (1) training class per year.
A-3. Lead specialty clerks will retain seniority over other specialty clerks for the purpose of scheduling only. Preferences for Lead Position Openings will be given to current employees with demonstrated skill and ability and seniority in the store in which the opening has occurred. If no current employee demonstrates interest in said position, then the position will be bid in accordance to the normal bidding process.

B. A Clerk/Cashier who is regularly assigned to assist the Head Cashier shall be reclassified Assistant Head Cashier and paid the classification rate on all hours worked in the workweek. Openings for assistant customer service manager positions will be bid per Article 23D. However, Clerk/Cashiers may be utilized to assist with Customer Service Counter duties (i.e. Western Union, postage stamps, lottery tickets, money orders, refunds and exchanges, payroll checks or other customer service duties with the exception of accounting, overrides and banking functions). Seniority shall prevail when assigning such work.

C. Employees classified as a courtesy-clerk may perform only the following duties:

1. Bag or box merchandise after it has been checked out and take it to the customer’s vehicle.
2. Collect push carts and return them to the store.
3. Stock grocery bags in check stands.
4. Clean up check-out lanes and area in front of check-out lanes and entrances, clean-up spills, clean up bottle sorting area.

7. General cleaning inside the store, excluding power equipment.
8. Obtain product from selling area requested by customer being checked out, check prices for customers and replace damaged and/or saleable merchandise accumulated at check-out counters.
9. Tie up cardboard and cartons.

Such employees shall not be assigned to any stocking duties other than outlined above, operate cash registers, take part in unloading of trucks or be members of a night stocking crew.

D. If new job classifications not presently in existence are established, the parties shall, within thirty (30) days, negotiate appropriate wage rates.

E. Rates of pay and pay schedules as set forth in the wage schedule above, shall remain in effect for the life of this Agreement and shall constitute the basis of determination for wages for time worked.

F. The Employer shall post all hours paid for on paycheck stubs.

G. A Fuel Center Clerk’s responsibilities will be to perform all tasks associated with the operation of the Fuel Center as directed by store management.

The Employer agrees to appoint a Lead Fuel Clerk in each Fuel Center that it operates by seniority, skill, and ability. Each Lead will receive a $1.00 per hour premium on their individual rate. The terms of the Collective Bargaining Agreement such as Union Security and Seniority shall apply but Fuel Center Clerks shall
not receive benefits of a monetary nature, except for wages, National Holidays, and vacation as specified. It is understood that benefits such as health and welfare, pension, etc., are of a monetary nature and are not to be provided to the Fuel Center Clerk. Seniority within the Fuel Center shall prevail.

Vacations will be granted per Article 16 of the contract. Supplemental Days will be granted per Article 12 of the contract. National Holiday pay will include six (6) National Holidays as contained in Article 12 and will be earned and paid per Article 12.

Management may perform any tasks necessary to ensure the efficient operation of the center.

A Fuel Center Clerk after six (6) months of service shall be given preference by seniority, together with ability, practicability, and availability, should an opening occur for a part-time store employee. Seniority in their new classification shall begin upon their first day of work in their new classification.

Store Clerks interested in transferring to the Fuel Center Clerk classification, shall put their interest in writing to the Store Manager with a copy to the Union, (their clerk cashier seniority shall be frozen).

In the event of a Department closing, “Fuel Center Clerks,” clerks who worked in another area of the store prior to becoming a “Fuel Center Clerk,” will be allowed to return to their previous department with full seniority. Other “Fuel Center Clerks,” hired as such will be allowed other clerk/cashier work within another department of the store, maintaining full seniority.

If the Company substantially expands the square footage of the fuel center concept, they will agree to meet with the Union to discuss and negotiate new and/or additional terms, if necessary.
H. The parties agree that “Starbucks Specialty Clerk” is added to the Collective Bargaining Agreement. The terms of the Grocery Collective Bargaining Agreement shall apply to the Starbucks Specialty Clerk and to the Starbucks Department. A Starbucks Specialty Clerk’s responsibilities will be to perform all tasks associated with the operations of the Starbucks as directed by store management.

In accordance with the provisions of the CBA, departmental seniority within the Starbucks Department shall be utilized for Starbucks Specialty Clerks. Starbucks Specialty Clerks shall be paid the Specialty Clerk wage rate under the Grocery CBA.

Management may assist in training and when necessary to ensure the efficient operation of the Starbucks Department.

Employees interested in transferring to the Starbucks Department shall put their interest in writing to the Store Manager with a copy to the Union. Employees accepting positions in the Starbucks Department and who complete training shall be required to remain in this classification for the period of one (1) year to retain their previous seniority.

Each Starbucks Department will maintain a Lead Starbucks Specialty Clerk who will receive a $2.00 premium per hour above their current rate. Lead Starbucks Specialty Clerks will retain their seniority over others for the purpose of scheduling.

The Starbucks Specialty Clerk classification will remain a separate specialty clerk classification in itself.
In the event of the closing of a Starbucks Department, the Starbucks Specialty Clerks who worked in another area of the store prior to becoming a Starbucks Specialty Clerk will be allowed to return to their previous department with full seniority. Other Specialty Clerks hired as such will be allowed other Specialty Clerk work in another department of the store, maintaining full seniority.

I. The parties recognize the need for the Boars Head Branded products. The parties further agree that Boars Head requires additional in store monitoring and training with its products and with employees who are responsible for their stores. This in store presence will in no way adversely affect available hours to our deli associates or any other associate in the store—but is necessary for us to carry Boars Head Products.

LETTER OF UNDERSTANDING

Re: Reset Team

It is agreed between the Union and the Company that a reset team will be constructed for the purpose of doing major resets in the Kroger stores for the term of this agreement effective June 10, 2010 through June 15, 2013.

No employee working in any store during the reset will have their hours reduced as a direct result of the reset or reset team. The reset team will consist of approximately 20-30 bargaining unit members.

An informational bid for full-time clerk-cashiers will be posted for three days in the Local 876 Kroger Marketing area. Senior employee who applies and who has demonstrated skill and ability will be selected for the position.

All miles in excess of the mileage between their home stores will be paid per the contract.

The hours shall be determined by the company but the shifts shall consist of five (5) eight (8) hour days or four (4) ten (10) hour days. The employees working on the crew will be identifiable through a special designation (name badges).

Should any prior 1987 member choose to work Sunday, they must sign the Sunday and Holiday list at their home store per the contract.
