A NEW ERA BEGINS

The year is 1509. King Henry VII, victor of the War of the Roses and founder of the Tudor dynasty, has died. His eldest son Arthur, who was to have taken his place, has also succumbed to illness. And so England’s throne and future now fall to the king’s second son: Henry Tudor.

Henry has chosen the Shire of Mt. Hope as the site of his coronation, and on this glorious festival day our good Lady Mayor has spared no expense. She has prepared music, dancing, acrobats, jousting, and even a game of human chess! And after a day full of revelry and merriment, England’s new King shall be crowned upon the Globe stage with a fantastic celebration to start his new reign.

But not all is well in the kingdom today. There are some who whisper that Henry spends far more time on the tennis court than in his royal court. His new bride, Catherine of Aragon (who only recently had been happily married to his brother Arthur), is herself unsure if this brash young man is up to the task of ruling a nation. And the Duke of Suffolk, Edmund de la Pole, who lost his claim to the throne when his family was bested by Henry VII in the Battle of Bosworth Field, is wondering if perhaps it is not time for a rematch.

Will the young Henry rise to the challenge of being a king? Will he win the heart of his new bride? Will the Lady Mayor’s fervent preparations go off without a hitch? One thing is certain: it promises to be an eventful and glorious festival day!

Have the unique opportunity to meet three of our Amish neighbors in a way never before possible.

Stop 1: Amish Farm at Milking Time
Observe the milking process. Discover “Amish electricity” as you learn that the Amish do not milk cows by hand.

Stop 2: Amish “Cottage Industry”
As farm lands shrink, more Amish turn to home business to balance work and family. We may visit a furniture craftsman, greenhouse, soap artisan, harness shop, canning kitchen, basket weaver, mini-horse farm, or even a carriage maker, for a talk and presentation.

Stop 3: Visit An Amish Home
We’ll go to the home of one of our Amish neighbors for friendly conversation...a chance to sit, chat, and visit the Amish way. It’s not surprising that strangers soon become friends.
