Lions Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another’s; to be loyal to my clients or customers and true to myself.

WHEREVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

DISTRICT GOVERNOR’S MESSAGE

I want to thank you for giving me the opportunity to serve as your District Governor for 2015-2016. I look forward to visiting each club. My visitation schedule is an aggressive one. I hope to visit most of the clubs by Thanksgiving, thus allowing me the remainder of the year to work with those clubs who need assistance.

Our District declined in membership again year. We had a net loss of 15, ending the year at 866 members. This is an improvement over the previous year when we lost 45 members. However, we must turn around our membership decline. If we continue to lose members each year, at some point in the future there will no longer be a Lions Organization in Virginia. My theme for my year as District Governor is “Growing Lionism”. I will be asking my Zone Chairs, Global Member Team Leader and First and Second Vice District Governors to work with me and with the clubs that are not growing. I will be requesting all Clubs to join the District Team in promoting membership growth for District 24-E this year.

Lions continue to see a decrease in membership in North American. In many clubs, the average age gets older each year and few to no new members are added. As our 1st VDG Marty Alford is fond of saying “we keep doing the same thing year after year, but we continue to expect a different result”. We have very few clubs in District 24-E that have an active, aggressive, effective membership recruitment program. Some of our clubs do not have membership chairs or committees.

When I visit your club, my DG team and I will be asking your club to detail your plan for 2015-2016 regarding your membership recruitment. If you need assistance regarding membership recruitment, my DG team will make plans to assist you.

To be successful, we must all work toward a common goal of Growing Lionism in District 24-E. Together, we can turn things around.

Yours in Lionism,
Lowell Skelton, District Governor
District 24-E

2015-2016 International Theme

**Dignity**
As we strive to serve the need of others, let us always remember to respect the dignity of those we serve.
As we reach out to others with hands of service, let us always remember it is not a handout.

**Harmony**
As we build others up, let us always remember serving others isn't just an act of kindness; it is also a means to building understanding and harmony.

**Humanity**
As we show empathy for the less fortunate in our respective communities, let us extend empathy to all who are suffering around the world.
And as we continue to serve human kind, let us remember that serving humanity is not a duty, it is a responsibility.
I am immensely proud and extremely humbled to be the president of the global leader in humanitarian service—Lions Club International. I wish you 1,000 cranes. But most of all, I hope the service you bestow on others brings you tremendous love and fulfillment, and fills your heart with joy and peace.

Dr. Jitsuhiro Yamada

District Governor's Official Visit

The District Governor (DG) is the highest ranking authority within our District. Accordingly, proper recognition and respect for the Lion who holds this office requires the careful attention of the Clubs within the District.

No one means to be inconsiderate and certainly not rude, but sometimes under certain circumstances we lack the information to guarantee a smooth meeting. The following list of suggestions may prove helpful:

1. Do not have any other programs during the District Governor's official visit. The DG is the program.

2. Have a member (preferably a Past President) meet the District Governor and keep the DG entertained until dinner. It is good practice to have the DG meet all the Lions present.

3. Be sure the DG is seated at the head table, next to the President and to their right. Many times the First Vice District Governor, Second Vice District Governor, Cabinet Secretary, or Zone Chair will accompany the District Governor. In these cases, the President should introduce the lowest ranking officer of those present, who will introduce the next highest officer.

4. The DG should NOT be introduced at any time other than when they are being introduced as a speaker. When the DG is introduced, the members should immediately rise and applaud and should do so again at the conclusion of her/his talk.

5. District Officers are usually treated as a guest of the club.

6. Even though the District Governor will most certainly be a good sport, it is not considered good taste to have the Tail Twister bother her/him to excess.

7. Remember that the DG would like to meet with your entire Board of Directors immediately after your regular meeting. Try to have 100% attendance.

8. Do not hesitate to discuss club problems with your DG. It is her/his job to help solve problems and give new ideas to clubs. Maybe your Club will have ideas that will help other Clubs. Make this meeting with your DG an honest exchange of ideas and information.
