The Tables are Turned: It is Your Turn to Ask the Questions!

- Can you describe what a typical day at this job would be like?
- Which duties are most important for this job?
- Is there a lot of team/project work?
- Is this a new position or am I replacing someone?
- In what ways is a career with your company better than one with your competitors?
- What drew you personally to this job/company?
- What do you like best about your job/company?
- Who are the people I would be working with and what do they do?
- What are the department goals for the year?
- Do you have plans for expansion?
- What is the largest single problem facing your company now?
- How would you describe your company culture?
- What characteristics do the achievers in this company seem to share?
- What is the natural career progression for employees with my skills set?
- What kind of internal and external training do you provide?
- How will I be trained or introduced to the job?
- How would I get feedback on my performance?
- What products or services are in the development stage now?
- Is your company environmentally conscious? In what ways?
- What is the next course of action? When should I expect to hear from you?
