The Mpumalanga Department of Education awaits applications from suitably qualified and experienced persons for appointment to positions funded through the DORA Infrastructure Conditional Grant, as set out below. Please note that this advertisement is available for viewing on the Departmental website at www.mpumalanga.gov.za/education/, select the Vacancies icon.

CHIEF DIRECTOR: PHYSICAL RESOURCES MANAGEMENT

Salary: An all-inclusive remuneration package of R 1 042 500 p.a. The package can be structured according to the individual’s personal needs. The successful candidate will have to sign an annual performance agreement, annually disclose his/her financial interests and be subjected to a security clearance. Shortlisted candidates will be subjected to a technical exercise that intends to test relevant technical elements of the job.

Following the interview and technical exercise the selection panel will recommend candidates to attend a generic managerial competency assessment (in compliance with the DPSA Directive on the implementation of competency based assessments) The competency assessment will be testing generic managerial competencies using the mandated DPSA SMS competency assessment tools.

Requirements:
A Degree in Built Environment (an undergraduate qualification (NQF level 7) as recognized by SAQA or post graduate in Management as well as 5 to 8 years experience as a Senior Manager. Preference will be given to a Built Environment Degree. Proven outstanding managerial and service delivery competency. In depth knowledge and understanding of the relevant policy frameworks including the Public Service Act and Regulations, PFMA and Financial Regulations. Extensive and credible experience in the application of systems, processes, procedures and best practices in the areas of physical resources and facilities management. Proven communication and interpersonal skills at all levels. Sound analytical and problem solving skills. Planning, organising and project management skills. Excellent leadership and managerial skills. Ability to develop logical frameworks and other models. Ability to develop and adhere to work schedules and to work under pressure. Developed computer literacy. Willingness to travel and work beyond normal working hours. Valid driver's license. Shortlisted candidates will be subjected to a relevant technical exercise.

Duties:
Manage the infrastructure portfolio of the Department. Ensure the development, planning, implementation, monitoring, assessment and co-ordination of policy and systems for the rendering of physical resource- and facilities management services in the Province. Manage the forming of strategic partnerships with relevant stakeholders. Develop and manage strategies, policies, systems, norms/standards and plans related to the provision of physical resources and associated equipment. Manage the delivery and maintenance of the entire infrastructure program for the department. Manage the budget allocated for infrastructure construction and procurement of goods & services. Facilitate the development, implementation, monitoring and evaluation of physical resource programmes. The appointee will be a member of the management echelon of the Department of Education, and will be expected to contribute at that level. Promote a culture of efficiency and quality. Empower staff within the component through coaching, development and skills transfer. Ensure compliance, implementation and maintenance of national and provincial policy frameworks in the responsible areas of activity. Ensure mission effectiveness and operational efficiency through effective and efficient resources management, including the human resources, finance, equipment and systems of the component. Provide strategic leadership and guidance.
