Dear Family,

We are so very excited to welcome you to the 2010 Strozier – Mack Family Reunion. From the day we won the bid for the reunion, we have taken this task very seriously. The Leila Mack Rivers Family has put their “foot” into making this reunion the biggest and best reunion yet! For the last 2 years, we have planned every little detail. We not just hope but expect that you will enjoy yourself and remember this for the rest of your life. With the Recession still in full effect, we appreciate the ones that were able to make it and miss the ones that could not. Family is the root of all relationships and coming together to enjoy each others time is the best way to show all generations what “Family” truly means.

With the introduction of our theme, “New Beginnings”, we took tradition and flipped it around, stretched it out and colored it purple! It’s not that we don’t love tradition, but as the world changes, we felt if was time for changes in our reunion. We appreciate all the compliments that we have received and look forward to exceeding your expectations over the next 4 days. Throughout the reunion, we want everyone to enjoy the beautiful Orlando and what it has to offer.

In your reunion booklet, you will notice a wealth of information on the daily agenda, a family tree, a map of Orlando, the wonderful ads you purchased and even a page for you to take notes. We sincerely thank everyone that purchased a reunion ad. Without your support, this reunion booklet would not have been possible. Once again, thank you for being a part of our celebration!

Sincerely,

Tara Daniels Slue

When Tomorrow Starts Without Me

When Tomorrow starts without me, and I’m not there to see; If the sun should rise and find your eyes all filled with tears for me; I wish so much you wouldn’t cry while thinking of the many things we didn’t get to say. I turned my back and left it all. I could not stay another day. To Laugh, to Love, to Work or Play; Tasks left undone must stay that way. I found that peace at the close of the day. If my parting has left a void, they fill it with remembered joy. My life’s been full, I savored much Good Friends, Good Times, a Loved one’s touch. Perhaps my time seemed all too brief. So when tomorrow starts without me, don’t think we are far apart, for every time you think of me. I’m right in your heart.

Love, Rebecca Simmons (mom)
