Section – A: Introduction

Shri Purohit Ji, Shri Shiva Gopal Mishra Ji, other delegates from the Federation, and my colleagues, I welcome you all to this PNM which is the first of its kind to me as Member Staff. At the outset, I would like to mention that AIRF has been playing a significant role in maintaining harmonious Industrial Relations over Indian Railways and hope that this spirit will continue in the years to come.

2. In the year 2013, we have achieved visible milestones. The opening of the Pir Panjal tunnel has provided the much awaited Rail connectivity to the Kashmir valley.

3. A new Rail Coach Factory at Rae Bareilly has come on stream.

4. So far performance of the Indian Railways is concerned, we have seen a growth of 8.8% in freight earnings and 18% in passenger earnings over the corresponding period of the previous year. Overall earning growth has been 11.6% which is substantially lower than budgeted growth of 16% over 2012-13. On the other hand, Ordinary Working have risen by 17.6% as against 9.8% provided for. Thus, in the year, there is deficit of ₹9835 crores. While the pace of earning needs to be picked up further, expenses need to be contained.

5. Post 6th CPC, the cadre restructuring exercise of Group ‘C’ staff on the Railways, Production Units have been carried out with a view to rationalize the cadres and also to provide better promotional opportunities to Group ‘C’ staff. Cadre restructuring of 52 Group ‘C’ categories have since been issued and about 1.5 lakh staff will be benefited.

6. With the issue of instructions on 03.07.2013 for enblock merger of Sr. P. Way Supervisors with JE/ P. Way, about 4,500 posts of Sr. P. Way Supervisors on Indian Railways have been merged with JE/ P. Way.

7. I am pleased to state Ministry of Railways has approved a cashless scheme for RELHS beneficiaries to take treatment in recognized private hospitals in emergencies. This would also be available in all CGHS and Railway empanelled private hospitals select cities where such empanelment has been done. A Committee has been constituted to formulate the procedure for implementation of the scheme.

8. To overcome the shortage of doctors in Railways a scheme for engagement of retired Railway doctors on contract basis (CMPs) for a period of two years subject to a maximum age of 65 years has been initiated. Further, subject to certain conditions the CMPs engaged can continue upto a period of eight years instead of seven years period as stipulated earlier.

9. Railways have been recruiting staff in Grade Pay ₹1800/- on annual basis. During 2012–13, a panel of about 69,000 have been made available to Zonal Railways. Further notification for 40,330 vacancies from open market were notified in July 2012 and Written Test for the same has been completed.

10. On the demand of the Federations on LARSGESS scheme certain important decisions have been taken which will benefit more staff:-

   i) Written examination has been dispensed with for recruitment of wards of Gangmen and the specified Safety Categories in GP 1800 from retirement/ recruitment cycle of July – December 2013 onwards.
ii) Second chance in Aptitude test has been allowed for recruitment of wards of Loco Pilots as ALP to those who have passed the written test but could not clear the Aptitude test from retirement/recruitment cycle of July-December 2013 onwards.

iii) The wards of employees in specified safety categories in GP 1900 (other than drivers) shall be adjudged by an Assessment Committee consisting of 3 JAG officers at Divisional level instead of Assessment Committee of 3 SAG officers at Zonal level from retirement/recruitment cycle of January-June 2014 onwards.

11. The issue regarding up gradation of certain percentages of apex Group ‘C’ scale posts to Group ‘B’ Gazetted posts, had been under consideration. A proposal for upgradation of 3335 posts, subject to uniform upper ceiling limit in respect of each individual Railway Unit, from apex Group ‘C’ scale post to Group ‘B’ has been formulated. After approval of the Hon’ble Minister for Railways, the said proposal has been forwarded to Ministry of Finance/ DOP&T for their approval.

12. In 2012–13, all non–gazetted railway employees (excluding RPF/ RPSF personnel) were sanctioned Productivity Linked Bonus for 78 days. This benefited about 12.37 lakh employees. Group ‘C’ and ‘D’ RPF/ RPSF personnel were sanctioned ad hoc bonus equivalent to 30 days emoluments for the financial year 2012–13.

13. I am happy to inform that the number of consequential train accidents decreased from 131 to 121 in 2012–13 registering a decline of 7.6% over the previous year. In the current year during April to December, 2013 also, the number of consequential train accidents has decreased from 92 to 87 in comparison to the corresponding period of the previous year. Concerted efforts by all the departments needs to be made for improving the work culture and training among all Railway Staff.

14. Railway being a service oriented organization have rightly taken up the scouts and guides activities as a major staff welfare policy.

15. The performance of our sportsmen at National and International level has been praiseworthy. They have brought laurels to country in Wrestling, Junior Women Hockey and Badminton.

15.1 At the National level, Indian Railways teams won National titles in five sports discipline and stood runner ups in four, during January to December, 2013. Shri Dharmender Dalal (Wrestler) has been honoured with Arjuna Award 2013 and Shri Anil Mann with Dhyanchand Award 2013.

16. To meet today’s challenges, the biggest strength is our competent human resource capital. The Railwaymen have traditionally been our inherent strength. Our Industrial relations have been exemplary and we need to nurture it together.

17. Before concluding, I would like to assure you that staff grievances will receive due attention and utmost priority. I am looking forward to a meaningful discussion during the course of which I am sure we will be able to resolve as much issues as possible.
