December 2014

Dear Taxpayer:

Our office strives to provide complete, easy-to-use information for all Electronic Funds Transfer (EFT) customers. This booklet provides an overview of our TEXNET system and how to transmit payment information.

With this system, you can electronically transfer your payment from your bank account directly to the Comptroller’s office. This saves time and ensures your payment is properly applied to your tax account.

Legislation lowered the threshold for mandatory electronic payments from $100,000 to $10,000 for certain taxes. Taxpayers who paid $10,000 or more are required by law to transmit payments to the Comptroller’s office electronically. The taxes affected by this law are Sales Tax, Direct Pay, Natural Gas, Crude Oil, Franchise, Gasoline, Diesel Fuel, Hotel Occupancy, Insurance Premium, Mixed Beverage Gross Receipts, and Motor Vehicle Rental. Sales Tax filers who remit less than $100,000 for Sales Tax can make their electronic payments by credit card or WebEFT via WebFile. They can also pay electronically via the Internet or telephone if they enroll in TEXNET.

Taxpayers who paid $100,000 or more for a specific tax are required to transmit payments using the TEXNET system.

For additional information on electronic payments, visit our website at comptroller.texas.gov/webfile or please call us at 1-800-442-3453 or direct at 512-463-3630.

General Information

Who must pay electronically
Texas Sales, Direct Pay, Crude Oil, Natural Gas, Franchise, Gasoline, Diesel Fuel, Hotel Occupancy, Insurance Premium, Mixed Beverage Gross Receipts and Motor Vehicle Rental, taxpayers who paid $10,000 or more in a single tax category during the previous state fiscal year (Sept. 1 through Aug. 31) must pay by Electronic Funds Transfer (EFT). The Comptroller's office determines who meets this requirement by annually reviewing prior-year payments. Taxpayers who must pay by EFT will be informed at least 60 days prior to the due date. Taxpayers or licensees who paid less than $10,000 in a single tax category during the previous state fiscal year may voluntarily pay by EFT.

Who must file and How to file returns electronically
Texas Sales, Direct Pay, Crude Oil, Natural Gas, Mixed Beverage Gross Receipts, Hotel, Motor Vehicle Rental, Insurance Premium and Fuels tax filers who paid $50,000 or more during the previous state fiscal year are required to file their return data electronically. International Fuels Tax Agreement (IFTA) taxpayers who paid $100,000 or more during the previous state fiscal year are required to file their return data electronically. Taxpayers paying less than $50,000 may voluntarily file their return electronically. Please visit our website Comptroller.Texas.Gov for more information.

How to pay electronically
WebEFT (electronic check) and credit card payments are available via WebFile (Comptroller.Texas.Gov) for taxpayers paying less than $100,000 per year.

TEXNET, the State of Texas Financial Network, is designed as a method to receive ACH debit or ACH credit payments. TEXNET is a payment-only option. Tax returns must still be filed.

Taxpayers using Electronic Data Interchange (EDI) can transmit their tax return and tax payment in one transaction.

Automated Clearing House (ACH) options
With your approval, ACH Debit authorizes the state to debit your account and credit the state’s bank account. ACH Debit transactions can be transmitted via TEXNET, WebEFT and EDI.

ACH Credit authorizes your account to be debited through your financial institution software and credit the state bank account.

Security
The Comptroller’s office operates and maintains the Electronic Reporting and Payment System, which provides high standards of safety and security for funds and payment information. All banking information entered into the TEXNET System is strictly confidential.

File Early – Pay Later in One Easy Transaction!

Mandatory electronic taxpayers who pay over $50,000 annually for certain taxes must also electronically file their return/report data.

The Comptroller’s office has developed two free programs you can use to meet the electronic reporting requirement – WebFile or Electronic Data Interchange (EDI). These programs allow you to file your return early and set the ACH Debit payment date for the due date. Those making ACH Credit payments can continue using bank software for their payments.

Tax filers not required by law to remit payments via EFT may voluntarily file their return/report data electronically using either WebFile or EDI.

WebFile
WebFile is available for sales tax and other taxes. This Web-based system enables taxpayers to electronically file a tax return and submit an electronic payment (by credit card, electronic check or the TEXNET payment system). Taxpayers paying by TEXNET and using WebFile must comply with the TEXNET rules and complete the payment transactions before 6:00 p.m. (CT) on the bank business day before the due date. For more information about WebFile, access Comptroller.Texas.Gov.

Electronic Data Interchange (EDI) (Sales, Direct Pay, Crude Oil, Natural Gas, IFTA and Fuels Taxes)
EDI reporting is designed for taxpayers with a large number of outlets or taxing authorities and for tax professionals filing multiple returns. Our free EDI software can be downloaded from our website, Comptroller.Texas.Gov, by selecting the Start Now button, Electronic Data Interchange (EDI) link and the desired tax type. The software allows you to import data from a spreadsheet or manually enter the data. There is an online testing and approval process. Once approved, you can file your return and use the payment feature in EDI to make your mandatory EFT payment. Transactions with payments must be completed by 2:30 p.m. (CT) on the bank business day before the due date. EDI payments comply with electronic payment requirements.

You can also comply with the electronic reporting requirement by using approved commercial EDI software or writing your own program. You must contact your vendor to make sure they have been approved. To assist in writing your own program, you can download the file layouts from our website comptroller.texas.gov/taxinfo/etf/edimaps/.

Failure to comply with the mandatory electronic reporting requirement can result in a 5% penalty being assessed.

Payments – ACH Debit via TEXNET

WHEN TO ACCESS THE TEXNET SYSTEM – You must access the TEXNET System before 6 p.m. (CT) no later than the bank business day before the due date. You will be given a trace number to track your payment. Transmission of payment information by this deadline is required to ensure timely posting of your payment. Refer to the due date schedule on pages 4-5. For assistance, call the TEXNET hotline at 1-800-531-5441, ext. 3-3010.

In the event your payment information is transmitted to the TEXNET System after 6 p.m. (CT) on the bank business day before the due date, the payment will be posted to your account on the next business day AFTER the due date. This will be considered a late payment and could result in the loss of timely filing and/or prepayment discounts or in the assessment of penalty.

Warehousing offers you the option of making tax payment requests up to 30 days in advance of the tax due date. The TEXNET System will store the tax payment request and your account will be debited on the tax due date you indicate.

FILING TAX RETURNS – You MUST file your tax return with the Comptroller’s office on or before the due date for the type of tax you are reporting.

DEBIT BLOCKS – Some financial institutions allow ACH Debits to be blocked. If you have a debit block on your account, please provide our company identification numbers to your financial institution.

Payments – ACH Credit via TEXNET

You may send your tax payments from your financial institution using an ACH Credit origination service. Contact your financial institution to determine if they offer this service, any applicable fees and their ACH processing timelines.

How it Works
1. Enroll in the TEXNET Electronic Payment Network at https://texnet.state.tx.us. On the welcome page, click on the “Click here for Account Activation” link; complete all entries and when asked, select the ACH credit with addenda payment option.
2. The payment must be formatted in the CCD+ or CTX format and include an addenda record in the TXP format. An example of the addenda format is on the next two pages.
3. Initiate a test transaction to verify the receiving account information and addenda format are correct. You may send any amount, such as one cent ($0.01) with the appropriate addenda record. Any funds received will be credited to your account as an early payment. Call the TEXNET hotline at 1-800-531-5441, ext.3-3010 with the transaction date and amount to inquire if your payment was received and the format was correct.
4. Funds must be deposited in our bank account on or before the due date.
5. File your tax return on or before the due date.

Specific Instructions – ACH Credit via TEXNET

WHEN TO MAKE PAYMENT – Payment must be received by the Comptroller’s office on or before the due date of the tax. If your payment is not received by the due date, it will be considered late and penalties could be assessed. Refer to the due date schedule on pages 4-5.

WHEN TO CONTACT YOUR BANK – You MUST instruct your bank to initiate the transfer of funds to the Comptroller’s account for receipt on or before the due date.

FILING TAX RETURNS – You MUST also file your tax return with the Comptroller of Public Accounts on or before the due date. If your Sales and Use Tax Prepayment is transmitted by EFT, then do not mail the prepayment return (Form 01-118) to the Comptroller.

- Bank name: JPMorgan Chase
- Routing #: 111000614
- Account name: Comptroller of Public Accounts
- Account #: 00100000414

Missed Your TEXNET Payment Deadline?

When payment information for ACH Debit transactions cannot be submitted before 6 p.m. (CT) on the bank business day before the due date, or when ACH Credit with addenda transactions cannot be originated for settlement on the due date, you must use the following procedure to ensure a timely payment:

**IMPORTANT:** This procedure is to be used ONLY in case of a missed TEXNET payment deadline. Failure to comply with TEXNET rules may result in the assessment of a penalty equal to 5% of the payment amount. You must be enrolled in the TEXNET Electronic Payment Network to be eligible to send a wire transfer payment.

1. **Call the Comptroller's office to report payment information as early as possible** on the payment due date by calling the TEXNET hotline at 1-800-531-5441, ext. 3-3010. *This call is very important – without it, we will not have the necessary information to apply the payment to your tax account.*

2. Instruct your financial institution to **wire transfer your payment** to:
   - **Bank name:** Texas Comptroller of Public Accounts
   - **Routing #:** 114900164
   - **Account name:** Texas Comptroller of Public Accounts
   - **Account #:** 883083001

The Comptroller of Public Accounts is the receiving bank and is located in Austin, Texas. **You must include your 11-digit Comptroller taxpayer identification number in the wire, as well as company name, contact person and/or phone number.**
Penalty Information

Penalties
Late EFT payments are subject to the same penalties and loss of timely filing and/or prepayment discounts as any other late payment. Also, failure to follow the EFT requirements could result in an additional 5% penalty assessment.

A due date schedule can be obtained from our website comptroller.texas.gov/taxinfo/etf/eft.html, under Forms. To have a due date schedule faxed to you, call 1-800-531-1441 and enter form 00843. When a due date falls on a weekend or holiday, it is important to originate the ACH transaction no later than the bank business day before the weekend or holiday.

Proof of Payment
If a payment is received after the due date, and the taxpayer and the financial institution do not think they are responsible for the delay, one of the following items must be furnished:

- the trace number provided by the TEXNET System when using ACH Debit;
- the bank-assigned ACH trace number when using ACH Credit with addenda; or
- the Federal Reserve Bank wire transfer reference number when using the missed TEXNET payment deadline procedure.

If the Comptroller’s office determines that the taxpayer did attempt to transfer the payment in a timely manner, payment records can be corrected upon receipt of appropriate documentation. Please call the TEXNET Hotline at 1-800-531-5441, ext. 3-3010 for assistance.
