SUBJECT: Updated June 2015 Regents Examination Schedule

At its December 2014 meeting, the Board of Regents approved the provision of one additional opportunity in June 2015 for those students receiving Algebra I (Common Core) instruction that began prior to September 2014 to take, at the school's discretion, the Regents Examination in Integrated Algebra in addition to the Regents Examination in Algebra I (Common Core) to meet the requirement for graduation and to use the higher score for transcript purposes. This change is intended to provide the same flexibility for students enrolled in four-semester “stretch” courses as had previously been available to students enrolled in two-semester courses or three-semester “stretch” courses.

Consequently, the June 2015 Examination Schedule has been revised to include the Regents Examination in Integrated Algebra on Thursday, June 18, 2015 at 9:15 a.m. To accommodate the inclusion of this additional exam, the Regents Examination in Physical Setting/Earth Science has been changed to Friday, June 19, 2015 at 9:15 a.m. For the revised June 2015 Regents Examination Schedule, please see the attached schedule marked “UPDATED 12/16.” This schedule supersedes any previously released schedule for the June 2015 examination period.

Thank you for everything you do to help ensure that the students of New York State graduate from high school ready for college and their careers.
EXAMINATION SCHEDULE: JUNE 2015

This schedule supersedes any previously released schedule.

Students must verify with their schools the exact times that they are to report for their State examinations.
