Component grade boundaries - June 2009 exams

GCE (AS) new specifications

Here you can see the scaled mark component grade boundaries for GCE AS new specification units.

Generally, GCE units consist of just one component so no scaling is necessary. In these instances the scaled mark grade boundaries are the same as the raw mark grade boundaries. Where units consist of two components the sum of the component grade boundaries is equal to the overall unit grade boundary.

Uniform mark grade boundaries can be found in Appendix A of the Uniform Marks Leaflet
