- would not adversely affect Clubs having their registered Grounds in the immediate vicinity of the proposed location, and
- would enhance the reputation of the Competition and promote the game of association football generally.

Any Club wishing to share a Ground or intending to move to a new Ground must obtain the written consent of the Board. Any Ground sharing for a period exceeding thirteen (13) weeks must be in writing and a written agreement must first be approved by the Board before being entered into and (except in an emergency) must be completed by 31 March in any year to be effective for the following Playing Season. The Board shall establish a procedure for inspecting Clubs’ grounds from time to time to ensure that the grade attained by that ground is maintained.

2.6 The Competition and the FA shall determine a time scale whereby all Clubs in membership must attain the grade provided for in the Criteria Document. The grade applicable for each Club for the commencement of a Playing Season shall be that existing at the previous 31st March, such grading to be ascertained by an inspection carried out on or before 31st March or as soon as practicable thereafter. Any Club not maintaining the grade set for the Competition may be relegated at the end of the Playing Season to a step determined by The FA. Any delay in inspection shall in no way release a Club from its obligation to have its ground ready for inspection. If for any reason a Club’s existing ground, or any new ground in which it proposes to play its home matches in the season following inspection, is not available for grading by 31st March prior to commencement of the relevant season then the Club must, by the 31st March, submit to the Board in writing its proposals for a venue for its home matches in the following season (“alternative proposal”), such alternative proposal to be considered (and if appropriate) approved at the next Board Meeting after 31st March. The alternative proposal must, inter alia, contain documentary evidence in support of any ground sharing arrangements and evidence that the proposed ground is demonstrably suitable at a level which the relevant club will be competing. The alternative proposal may not be for a continuation of any ground share arrangement if the Club has had a ground sharing
arrangement for the previous 2 seasons, or any part thereof, even if those arrangements have related to more than one ground.

Any approval of the alternative proposal will be subject to the issue of a grading certificate. The Board will use all reasonable endeavours to inspect the ground after receiving the alternative proposal and prior to the Board meeting, but if it is unable to do so then any approval of the alternative proposal will be subject to the issue of a satisfactory grading certificate. In the event of a Club not having received a grading certificate by 31st March and not having had its alternative proposal approved at the relevant Board Meeting, it shall be relegated forthwith at the end of the playing season to a level determined by The Football Association.

Clubs in membership of the Competition on 1st April in any season will have until 31st May in that season to meet in full the criteria of membership of the Competition.

2.21 The Competition and each Club must be committed to promoting inclusivity and to eliminating all forms of discrimination.

2.22 The Competition and each Club does not and must not by its rules or regulations or in any manner whatsoever unlawfully discriminate against any person within the meaning and scope of the Equality Act 2010 or any law, enactment, order or regulation relating to discrimination (whether by way of age, gender, gender reassignment, sexual orientation, marital status, race, nationality, ethnic origin, colour, religion or belief, ability or disability, or otherwise).

If the Rule provides that the penalty for such a breach is in the discretion of the Board then the notice shall also state as such. If the penalty set by Rules is not a financial penalty then such penalty must still be referred to in the Notice of Charge.

All breaches of the Laws of the Game Rules and Regulations of the Football Association shall be dealt with in accordance with FA Rules by the appropriate Association prior to any action by the Competition in accordance with FA Regulations.

4.5 All fines and charges imposed by the Board shall be received by the Company within twenty-eight (28) days of the date of notification of imposition (unless otherwise ordered). Any Club or person breaking this Rule shall be liable to such penalties as the Board may impose.

The definition of “interested” shall be the same as provided for by the Rules of the FA Challenge Cup Competition in force from time to time.
6. REGISTRATION OF PLAYERS

6.1 A Qualifying Player Registration
The Football Association’s rules will apply in respect of all matters concerning players.

6.1.1 A Player is one who has signed a Registration Form supplied by the Competition (such signature to be witnessed by a second person) and where:-

- the form has been completed and signed by an Officer of the Club and
- has been approved and registered by the Competition and
- a registration number has been allotted.

A Player will only be eligible to play in a match organised by The National League if his registration form; transfer form, or loan transfer form, has been received by The National League not less than four hours before the scheduled kick-off of the match in which the player is required to play and found to be in order, and so registered. It is the responsibility of all Clubs to ensure any player signing a registration form has, where necessary, the required International Clearance Certificate and in the case of Contract Players, including those on loan, must have approval from The Football Association. Clubs are also responsible for all players being correctly registered before fielding any player. Failure to do so constitutes misconduct and the Club will be charged with fielding an ineligible player.

Registration forms will be made available to Clubs by The National League and charged in accordance with the fees tariff. The status of a player must be clearly stated on the Registration Form. The Registration Form must be received at the Competition Office within five days of having been signed by the Player. The registration of a Player will be valid from the date of registration to the end of that Playing Season only or, if in the case of a Contract or Loan Player whose contract or loan expires before the end of the Playing Season, for the term of the said contract or loan.

6.1.2 A Player may only play under his correct status. Any change of a Player’s status during the currency of a registration must be notified to the Competition within five (5) days of the change of registration being affected.

In the event of a Player changing his status with the same Club either from Contract to Non-Contract or from Non-Contract to Contract then that Player must sign a new registration form and be re-registered. In default the Player re-registering will be ineligible to play in a match under the jurisdiction of the Competition and Rule 6.9 will be applied in such circumstances where a Club is found guilty of playing a Player who has changed status without re-registering.

A Player whose registration under Contract is cancelled by mutual consent and immediately re-registered by the same Club or a different Club on a non-contract basis shall not subsequently be registered as a Contract player with the Club for which his Contract was cancelled, within three months of the date of the cancellation except with the consent of the Board.

6.1.3 The Board shall have the power to make application to refuse or cancel the registration of any Player charged and found guilty of undesirable conduct subject to the right of Appeal to the FA or the relevant County Football Association. Undesirable conduct shall mean an incident of repeated conduct, which may deter a participant from being involved in this Competition. Application should be made to the parent County of the Club the Player is registered with.
(Note:- action under this clause shall not be taken against a Player for misconduct until the matter has been dealt with by the appropriate Association, and then only in cases of the Player bringing the Competition into disrepute and will in any case be subject to an Appeal to the Football Association. For the purposes of this Rule, bringing the Competition into disrepute can only be considered where the Player has received in excess of 112 days suspension, or 10 matches in match based discipline, in a period of two years or less from the date of the first offence.)

6.1.4 The Board shall also have the power the place an Embargo on the registration, transfer or loan transfer of Players by any Club deemed to be in breach of these Rules. Where a Club has been subject to an Embargo that is ongoing (if applied by the Competition or another) then the Embargo shall continue to apply until the Club can demonstrate to the satisfaction of the Board that the circumstances that resulted in the Embargo no longer apply.

6.2 Registration Period

6.2.1 In any Playing Season the Registration Period for that season for The National League, National League North and National League South Clubs shall be the period commencing at midnight on the last day of the immediately preceding Playing Season and ending at 5.00pm on the fourth Thursday in March next following.

6.3 Player Status
The status of a player may be:
- Contract Player - All contracts shall be in the full name of the Club. If the Club is a corporate body the contract must state the full name of the company and also include the company registration number.
- Non-Contract
- Work Experience
- Scholar
- Short Term Loan
- Long Term Loan
- Youth Loan

6.4 Registrations and Registration Procedures
6.4.1 A Player will only be eligible to play in a match organised by the Company under these Rules if the appropriate form(s) is (are) received by the Company (including by facsimile or electronically) at least four (4) hours before the scheduled kick-off time of such match. No Player whose registration, including Loan registrations, is received less than four (4) hours before the match organised by the Company in which he is required to play will be eligible. Any loan registration must also be approved by the Football Association before that Player can be considered eligible to play.

Where a registration form is sent to the Company by facsimile or electronically, e.g. email, the originating form must subsequently be received by the Company within five (5) days of the sending of the facsimile or electronic transmission. In default of this Rule the player shall not be eligible to play in the Competition unless and until a valid registration form is received. The form when received must contain the same information as that received by facsimile or email. It is an offence to falsify a competition form.

The registration of a Player by facsimile or electronic transmission is not automatically valid and it is the responsibility of the Club to ensure the player is NOT registered with any other Club. When the Player involved was previously registered with another Club it is necessary for that Club to complete the standard Competition transfer form or to have completed the standard Competition cancellation of registration form prior to or at the same as the registration to the new Club.

Any Club found to have been in breach of any part of Rule 6.4.1 will be deemed to have played an ineligible player and will be dealt with in accordance with Rule 6.9.

6.4.2 Each Club must have at least eleven (11) Players registered fourteen (14) days before the start of each Playing Season.

6.4.3 A registration form, when submitted to the Competition, must be accompanied by the financial details, i.e. the appropriate page of the contract for Players under written contract or the standard Competition form for Players not under written contract.

6.4.4 In the event of a Player signing registration forms for more than one Club, priority of registration shall decide for which Club he is entitled to play. The Club submitting the latter form shall be notified of the prior registration of the Player, and the circumstances under which the registration forms were signed shall be investigated by the Board. Any Player found to have signed registration forms for more than one Club, or any Club found to have knowingly induced a registered Player of another Club to sign a registration form, shall be dealt with by the Board in such a manner as it shall think fit.

6.4.5 Except when specific approval has been given by the Board a Club cannot sign or transfer more than one Player, contract or non-contract, from another Club at any one time unless a period of 14 days has elapsed between each signing.

6.4.6 If a non-contract Player also registers for a club not in membership of the Competition, his registration for the Competition may be retained by the Club.

6.4.7 A Club may register any number of Work Experience players but only two (2) may play in any one match, in accordance with FA Rules.

6.4.8 A Club may name up to a maximum of five (5) players on a Team Sheet who are either Short Term Loan, Long Term, Youth Loan or Work Experience.

6.4.9 The Company may, at its discretion, refuse any further registration of players, i.e. place under a registration embargo, any Club which has not completed payment of a transfer or loan arrangement made with another Club (or club) or arranged for the payment to be adequately secured. The Club (or club) which holds the Player’s Contract will continue to pay the Player in accordance with his Contract.

6.5 Transfers
6.5.1 The transfer of a registration of a Player under written Contract from one Club to another must be in writing, on the Competition transfer form, signed by the Contract Player and the two Clubs, and the form must be forwarded to the Company for approval and registration. Such Contract Player does not become a bona-fide Player of the Club seeking his transfer until the form has been approved and registered by the Competition. The registration of a Contract Player whose Contract is cancelled by mutual consent shall be automatically cancelled upon receipt by the Competition of a copy of the relevant FA form. Where a Club cancels the registration of a Player, Contract or Non-Contract, for any reason whatsoever, the Club must notify the Competition immediately, in writing or on the relevant Competition form. To be valid such notification must be signed by an authorised signatory of that Club.

6.5.2 The transfer of a registration of a Non-Contract Player from one Club to another must be in writing, on the Competition transfer form, signed by the Non-Contract Player and the two Clubs, and the form must be forwarded to the Company for approval and registration. Such Non-Contract Player does not become a bona-fide Player of the Club seeking his transfer until the form has been approved and registered by the Competition. A Non-Contract Player whose registration for a Club is cancelled or transferred for any reason whatsoever cannot, without the consent of the Board, return to his original Club until a minimum of fourteen (14) days has elapsed from the date of the cancellation or transfer.

6.5.3 A Club cannot register the transfer of a Contract Player or Non-Contract Player unless that Player has been registered with the transferor Club for at least 14 days, unless that Player is a goalkeeper.

6.6 Temporary Transfers (Loans)

6.6.1 Short Term Loans, Youth Loans and Long Term Loans of Contract players shall be allowed to or from Clubs in membership of:

The player being taken on loan, including Youth Loan, must sign a Competition contract registration form which will be valid for the full period of the loan, including any extension to the loan period. The Competition’s standard cancellation form must be used to prematurely end the temporary transfer period. The temporary registration for the borrowing Club will automatically be deemed to be cancelled upon maturity of the temporary transfer period.

Where a Short Term Loan, or Youth Loan expires, and is not renewed simultaneously, any subsequent Short Term Loan, or Youth Loan of that Player to the same Club will be subject to a minimum duration of 28 days.

No more than four (4) Players (Short Term, Long Term or Youth) may join one Club from another Club (or club) in any Playing Season. An additional Youth Loan Player may be added to this figure.

6.6.2 Short Term Loan Transfers – A Club can have up to a maximum of twelve (12) Short Term Loans during a Playing Season. The minimum period of a Short Term Loan transfer must be twenty-eight (28) days with a maximum of ninety-three (93) days in any one Playing Season.

The Competition shall not approve more than two (2) Short Term Loan transfers to or from any one Club, including Premier League and Football League Clubs, at any one time.

On completing the National League System Temporary Transfer Form or FA form H3, a Club must send the original to the FA, one copy to the Company, and a third copy to the secretary of the League with which the player is registered.

To extend the period of any Short Term Loan transfer a further National League System Temporary Transfer Form or FA form H3 must be completed and copies sent as directed above. If the Short Term Loan transfer is extended only the Club for whom the Player was originally registered will be allowed to cancel the agreement at any time within the extension period, i.e. after 28 days. In the case of a goalkeeper Clubs may mutually agree, if they so wish, to include a recall clause in the agreement to enable the Club for who the Player was originally registered to recall the Player at any time during the loan period. Players other than goalkeepers may not be recalled within the first month, i.e. 28 days, of any loan.

Any Short Term Loan transfer which may terminate after the last day for registrations may be extended for a further period provided the maximum period of 93 days is not exceeded.
Short Terms Loan Transfers which become permanent before their expiry date shall not count against a Club’s quota of days or Players.

6.6.3 Long Term Loan Transfers – Clubs may have up to a maximum of six (6) Long Term Loan Transfers of any age during a Playing Season.

Long Term Loan Transfers shall be for a full Playing Season; or from any date prior to 31st August to any date between 1st and 31st January; or from any date between 1st and 31st January (the January transfer window) to the end of the Playing Season.

A Player on Long Term Loan may not be recalled, except for a goalkeeper or where the Player is to be transferred permanently by the Club (or club) holding his registered contract. A Player other than a goalkeeper so recalled cannot be permitted to play for the Club (or club) holding his registration after such recall until the end of the Playing Season. Players so recalled can only be replaced by a further Long Term Loan with permission from the Company. Long Term Loan Transfers will not count against the number of Short Term Loan Transfers.

To extend the period of any long term loan transfer a further National League System Temporary Transfer Form or FA form H3 must be completed and copies sent as directed above.

The Competition shall not approve more than two (2) Long Term Loan transfers to or from any one club, including Premier League and Football League Clubs, at any one time.

6.6.4 Youth Loan Transfers
Youth Loan Transfers apply to:
- Scholars in their second or third (if that option is exercised) year of their Scholarship agreement, or
- Contract Players aged 20 or under on 1 July immediately preceding the Playing Season in question.

Where the Rules of the relevant League permit, unlimited Youth Loan Transfers shall be allowed to or from Clubs in membership of the National League (National Division only), the Premier League and the Football League. Players may also be sent on Youth Loans to Leagues at Steps 1 to 4 of the National League System.

At Steps 1 to 4 of the National League System, Youth Loans are permitted at any time during the Registration Period.

It shall be a condition of any Youth Loan involving a Scholar or a Contract Player to whom Football League Youth Rules apply that for the duration of the period of the Youth Loan the Player continues to fully comply with the programme of education in place for that Player.

A Player registered on a Youth Loan may, provided it is agreed between the two clubs and the Player, continue to train with and/or play for his loaning Club (or club) in any match other than matches played as part of the Premier League Competition, Football League Competition, Football League Cup, FA Cup or Football League Trophy (i.e. First Team matches.) Participation by the Player in First Team matches for the borrowing Club shall take precedence.

Any days on which the Player participates in a Reserve Team match and/or attends any training sessions for the loaning Club (or club) shall still count towards the period of the Youth Loan.

6.9 Playing an Ineligible Player

Any Club found to have played an ineligible Player in a match or matches shall, save for exceptional circumstances, have any points gained from that match or matches deducted from its record, up to a maximum of 12 points, and have levied upon it a fine. - a Club having an amount under dispute with HMRC

In such circumstances, the Board of The National League reserves the right to request any supporting documentation and to impose any additional or varied reporting requirements on such Clubs as it deems appropriate.

The PSB shall contain details of any Existing Loans and the cost of servicing the same, or a provision for repayment if an Existing Loan is repayable before the end of the PSB Period.

The PSB shall also contain details of any actual or proposed Permitted Loans and the cost of servicing the same and any provision for repayment should the Permitted Loan be repayable before the end of the PSB Period.

In order to be eligible to participate in the Competition for the Playing Season included within the PSB Period for which it has been prepared, the IFRP must give a Club’s PSB either:

a) Unqualified Approval; or
b) Qualified Approval.

Unqualified Approval shall be given by the IFRP when, in its sole opinion, the PSB is considered to be reasonably financially viable.

Where a Club has been unable to obtain Unqualified Approval for its PSB, it may be given Qualified Approval. Qualified Approval may be given by the IFRP when, in its sole opinion, it assesses that the Club’s ability to meet all costs in its PSB, including opening liabilities falling due for repayment, is in doubt.

Any proposed Permitted Loans shall be set out within the PSB or MSB as appropriate.

A Club must confirm to the Competition (in such format as determined by the Competition from time to time) within five working days of receipt that the Permitted Loan has been received by it.

In the event of any Permitted Loan(s) not being paid to the Club in cleared funds within five working days of the prescribed date or dates contained in the PSB or MSB, then the Club shall be subject to such sanctions as the Board deems fit including but not limited to an Embargo. This provision shall not apply if the Club has provided a revised budget to the Competition demonstrating that there is no longer any requirement for the Permitted Loan(s).

Mid-Season Budget (‘MSB’) 

Should a Club wish to introduce a Permitted Loan after the Approval (whether Qualified or Unqualified) of the PSB, they are required to submit a MSB to cover the period from the receipt of the Permitted Loan until not earlier than the end of the PSB Period.

The IFRP must give any MSB either:

In deciding whether to grant approval (whether Qualified or Unqualified) to the MSB, the IFRP shall apply the same criteria as those detailed for the PSB above.

A Club shall be obliged to submit an application for repayment of any Permitted Loan to the Competition which shall (acting in conjunction with the independent Financial Review Panel ("IFRP") issue its decision as soon as reasonably possible and, in any event no later than 14 days from submission of the request.

In considering such an application the IFRP will require the Club to demonstrate to its complete satisfaction that the repayment of the Permitted Loan will not in any way prevent it from fulfilling its financial obligations for the remainder of the PSB Period.

No application will be considered if there are arrears of any other Club debts or if the Club cannot demonstrate that any other Existing or Permitted Loan which would fall due for repayment before the end of the PSB Period cannot be satisfied, nor will any application be considered unless all other Club debts that have fallen due for payment by the date of repayment have been paid or satisfied in full.

A Club shall be obliged to advise the Competition in writing within five working days of repayment of any Permitted Loan.

Emergency Loans

At any point after the approval (whether Qualified or Unqualified) of a PSB or MSB, Clubs are permitted to introduce certain loans ('Emergency Loans') without submitting an MSB to the Competition. Subject to the exception of point below, a Club will only be permitted to receive an Emergency Loan when each and all of the following criteria are met:

That the Club notifies the Competition by email of its intention to receive an Emergency Loan, such notification to include all of the following information as a minimum:

Upon receipt of notification from the Club, at least two members of the IFRP must approve the Emergency Loan. The Club shall not be permitted to introduce the Emergency Loan until such approval is notified to it.

A Club is permitted to introduce an Emergency Loan without complying with the criteria set out above providing that such a Loan is:

All Clubs shall be required to cooperate fully with the IFRP in respect of the powers delegated to it by the Board.

Where a Club breaches any of the above regulations in relation to Permitted Loans, Emergency Loans and other ancillary matters, it is under an ongoing obligation to advise the Competition of the fact and circumstances of the breach(es) immediately.

Any Club found to be in breach of the above regulations shall be subject to such sanction as the Board may decide.

3. Position of a League in the National League System

3.1 The current structure of the NLS is set out below:

The Leagues currently at Steps 5, 6 and 7 are set out at the end of the Regulations.
Any league wishing to become part of the NLS must apply to The Association by 31st December in the relevant year in such form and/or providing such information as shall be required by the LC from time to time. The decision as to whether or not a league should be admitted to the NLS shall be made by the LC which will then decide on the Step at which the League will play.

Any League wishing to propose an adjustment to its position within the NLS must apply in writing to the LC by 31st December in any year for such proposal to be determined by the LC in order, if approved, to have effect in the following Playing Season.

Rules and Regulations for Promotion and Relegation

The LC shall provide for the seasonal promotion, relegation or lateral movement of Clubs. A League must be committed to promoting and relegating Clubs at the conclusion of each Playing Season.

Detailed Promotion and Relegation Issues

The criteria for entry to the NLS and the criteria for ground/stadium facilities and the criteria for participation in Play Off Matches shall be determined by the LC. All criteria so determined shall be published by The Association from time to time.

At the conclusion of each Playing Season, the following procedures will apply to promotion/relegation subject to the application of the Rules:

Step 1 and Step 2

The following does not apply to promotion from Step 1.

The Clubs finishing in the bottom four places at Step 1 at the end of the Playing Season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 2 for the following Playing Season. They will be replaced by the Clubs finishing in 1st position in each of the divisions at Step 2 together with a further two Clubs determined by a series of Play Off Matches. Where a Club finishes in 1st position but does not meet the criteria for participation at the next Step, the Club finishing in 2nd position shall be promoted and the Club finishing in the next eligible position shall take part in the Play Off Matches. Where a Club finishes in a Play Off Position but does not meet the criteria for participation in Play Off Matches the Club finishing in the next eligible position shall take part in the Play Off Matches. The Play Off Matches shall be played so that in each Step 2 division the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other. The aggregate winners will play each other and the winner of that match will be promoted. If there are only three eligible Clubs then the highest placed shall receive a bye to a second match where it will play the winner of the other Play Off Match and the winner of that match will be promoted. Clubs finishing below position 7 will not be considered for Play Off Matches.

Step 2 and Step 3

The Clubs in the bottom three places in each of the two divisions at Step 2 at the end of the Playing Season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 3 for the following Playing Season. They will be replaced by the Clubs finishing in 1st position in each of the divisions at Step 3 together with a further three Clubs determined by a series of Play Off Matches. Where a Club finishes in 1st position but does not meet the criteria for participation at the next Step, the Club finishing in 2nd position shall be promoted and the Club finishing in the next eligible position shall take part in the Play Off Matches. Where a Club finishes in a Play Off Position but does not meet the criteria for participation in Play Off Matches the Club finishing in the next eligible position shall take part in the Play Off Matches. The Play Off Matches shall be played so that the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other. At Step 2 the aggregate winners will play each other and the winner of that match will be promoted and at Step 3 the winners of each first match will play each other and the winner of that match will be promoted. If there are only three eligible Clubs then the highest placed shall receive a bye to a second match where it will play the winner of the other Play Off Match and the winner of that match will be promoted. Clubs finishing below position 7 will not be considered for Play Off Matches.

The promoted Clubs will be placed in a feeder pool and placed in the most geographically appropriate division at Step 2.

Step 3 and Step 4

The Clubs in the bottom four places in each of the three divisions at Step 3 at the end of the Playing Season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 4 for the following Playing Season. They will be replaced by the Club finishing in 1st position in each of the divisions at Step 4 together with a further six Clubs to be determined by a series of Play Off Matches. Where a Club finishes in 1st position but does not meet the criteria for participation at the next
Step, the Club finishing in 2nd position shall be promoted and the Club finishing in the next eligible position shall take part in the Play Off Matches. Where a Club finishes in a Play Off Position but does not meet the criteria for participation in Play Off Matches the Club finishing in the next eligible position shall take part in the Play Off Matches. The Play Off Matches shall be played so that the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other. The winners of each match will play each other and the winner of that match will be promoted. If there are only three eligible Clubs then the highest placed shall receive a bye to a second match where it will play the winner of the other Play Off Match and the winner of that match will be promoted. Clubs finishing below position 7 will not be considered for Play Off Matches.

The promoted Clubs will be placed in a feeder pool and placed in the most geographically appropriate division at Step 3.

Step 4 and Step 5

At the end of the Playing Season the Clubs in the bottom two places in each of the four divisions at Step 4 administered by the Northern Premier and Southern Leagues, together with the Clubs in the bottom three places in each of the two divisions administered by the Isthmian League will be relegated and placed in the most geographically appropriate League at Step 5. Irrespective of any provision contained within the Rules the Clubs finishing in bottom position in each of the six Step 4 divisions will be relegated and will not be reprieved. These Clubs will be replaced by the fourteen most suitable Clubs from the Leagues at Step 5 as determined by the LC. The suitability shall be determined as the Club finishing in 1st position in each Step 5 League which meets the entry criteria and wishes to be considered for promotion. In the event of the 1st placed Club not being eligible, the Clubs finishing in 2nd or 3rd position shall be subject to the same criteria. In usual circumstances, no more than one Club will be promoted from any one League. The Clubs to be promoted from Step 5 will be allocated to the most geographically appropriate division at Step 4.

If vacancies remain, consideration will be given to reprieving those Clubs other than bottom placed clubs relegated from Step 4 who will be ranked according to the average number of points gained per games played and the Club with the highest average shall be reprieved first. In the event of Clubs having an identical record the Club to be reprieved shall be determined by the LC.

Any Club seeking promotion from Step 5 to Step 4 must make application to the Association on the prescribed form, copied to their existing League, by 30th November in the relevant year. The application must be accompanied by the appropriate application fee, as determined by the LC, which is non refundable. Applicant Clubs must achieve a minimum E Grade by 31st March in the Playing Season when promotion is sought.

Step 5 to Step 6 and Step 6 to Step 7

The promotion and relegation of Clubs between Steps 5, 6 and 7 shall be dealt with as follows.

Movement of Clubs between Steps 5, 6 and 7, where a League operates at each Step, shall be included in their constitutional rules and regulations. Irrespective of any provision contained within the Rules, the Clubs finishing in bottom position in each of the fourteen Step 5 divisions will be relegated to Step 6 and will not be reprieved, as determined by the LC.

Clubs seeking promotion to Step 5 from a League at Step 6 which is not linked to Step 5, must make application using the prescribed form direct to the Association, copied to their existing League, by 31st December in the relevant year. Each application must be accompanied by the agreed application fee, as determined by the LC, which is non refundable.

Clubs seeking promotion to Step 6 from a League at Step 7 which is not linked to Step 6, must make application using the prescribed form direct to the Association, copied to their existing League, by 31st December in the relevant year. In order to be considered for promotion Clubs must finish in 1st position in their Step 7 league. If the Club finishing in 1st position does not wish to be promoted or fails to meet the entry criteria then the club finishing in 2nd position will be eligible for promotion. If the club in 2nd position does not seek promotion or fails to meet the entry criteria then clubs down to 5th position may be considered for promotion provided that they meet the appropriate entry criteria. Clubs finishing below 5th position will not be considered for promotion and only one club will be considered from each League. Each application must be accompanied by the agreed application fee, as determined by the LC, which is non refundable.

5.3 Where a vacancy occurs within the NLS the following procedures will apply:-

5.3.1 (a) Where a Club notifies its intention to resign from its League at the end of the Playing Season, then a vacancy is created on the date the notification of intention to resign is formally accepted by that League.
In all cases, the Club will be placed in the bottom position in that division.

In cases where the vacancy is created prior to the end of the Playing Season, the vacancy will be filled by the best ranked Club in that same division.

In cases where the vacancy is created after the end of the Playing Season but before the League's AGM, the vacancy will be filled in accordance with Regulation 5.3.2 below.

5.3.1 (b) Where, during the course of the Playing Season, a Club notifies its intention to resign from its League with immediate effect or where a Club is removed from the League for any other reason, then the playing record of that Club will be expunged and a vacancy is created on the date the resignation or removal is formally accepted or recorded by that League.

In all such cases the Club will be placed in the bottom position in that division and the vacancy will be filled by the best ranked Club in that same division.

5.3.2 Where a vacancy occurs at Step 1 following the completion of a Playing Season the best ranked Club in a relegation position in that division is reprieved.

Where a vacancy occurs at Steps 2 and 3 following the completion of a Playing Season the best ranked Club in a relegation position across the particular Step is reprieved. The ranking to be determined by the average points gained per game played and comparable league position. The Club with the highest average shall be reprieved first. In the event of Clubs having an identical record the Club to be reprieved shall be determined by the LC.

Where a vacancy arises and clubs at Step 4 are to be reprieved, the four clubs in 21st position in the Northern Premier and Southern Leagues and the two clubs in 22nd position in the Isthmian League would be ranked by the average points per game played. In the event of all of the above six clubs being reprieved and there are further vacancies available the next two places would be allocated to the clubs in 23rd position in the Isthmian League ranked on the average points per game played.

5.3.3 Where a vacancy occurs after the date of a League AGM then a League is not able to replace the Club(s) concerned for the following Playing Season.

5.3.4 In the event that for any reason whatsoever there are more vacancies in a division before the end of a Playing Season than relegation places in that division, the question of relegation and reprieves shall be dealt with at the sole discretion of the LC.

5.4 Only internal changes to the constitution of a League are allowed following the holding of a League’s Annual General Meeting.

5.5 Clubs are not allowed to enter into a ground share agreement in order to gain promotion or to retain membership at a particular Step where the Club has failed to attain or maintain the relevant Grade.

5.6 Ground grading requirements will be in accordance with the Rules.

In order to be considered for promotion, the following requirements will apply.

Step 1 - Clubs must comply fully with the requirements of Grade A.

Step 2 - Clubs competing at Step 2 must comply fully with the requirements of Grade B. To be considered for promotion to Step 1 or to be included in the Play Off Matches, Clubs must meet the requirements of Grade B together with any additional requirements by 31st March in the year in which they seek promotion. Clubs must also attain Grade A by 31st March in the year following promotion.

- Planning permission for floodlights
- Funding applications submitted if required
- Quotations/estimates for the work to be carried out
- A development/business plan
- That by 30th September following promotion the floodlights are installed and in working order. Failure to install floodlights in working order by 30th September following promotion will result in a sanction being imposed at the discretion of the League of which the Club is a member. If by 31st March in the year following promotion the floodlights are still not installed then the Club will be a relegated Club and be dealt with accordingly.

5.7 If a Club is relegated for not achieving the required Grade for the Step at which it is playing it will not be eligible for promotion again until it has attained the required Grade for the Step to which it wishes to be promoted. The Club must have that Grade at 31st March in the year in which it seeks promotion.

6. The Movement of Clubs within the National League System other than by Promotion or Relegation

6.1 Movement of a Club from participation in one League to another is not permitted other than by promotion and relegation or otherwise as set out in League Rules save with the approval of the LC.

It may be necessary from time to time to move Clubs laterally at the same Step. Each year the LC will consider whether any lateral movements may be necessary at each Step; if so the Clubs likely to be affected shall be notified and given the opportunity to present a case if that Club does not wish to be moved laterally. The final decision shall rest with a sub-committee of the LC. This sub-committee may include members of Step 5 or Step 6 Leagues if appropriate. Any appeal shall be to the LC using members who have not been involved in the original decision. The decision of that appeal shall be final and binding subject only to Arbitration under FA Rule K.

In coming to its decision the LC will have regard to any representations made by any party, the distance to be travelled by any Club to be moved compared to the distance travelled in the Playing Season prior to movement; the financial impact on the Club to be moved, the frequency with which the Club has been moved in the past; the number of Clubs both in the division to which the Club is to be moved and in the division from which the Club is moved, and any other matter that it considers to be relevant.

6.2 Any Club proposing to move from one League to another must make application in writing to The Association on or before 31st March in each year to be effective for the following Playing Season. In the event of such application being successful the League from which the Club is moving shall not levy a financial penalty on that Club.

6.3 (i) If a Club (whether a Members’ Club or a Company) is wound up, liquidated, or is removed from its League or withdraws from football competition (‘the Former Club’), and a new Club (‘the New Club’) is established which wishes to be placed within the NLS, then unless otherwise determined by the LC, it will be allowed to make an application only to join a League/division at Step 5 of the NLS unless the Former Club was in either Step 4 or Step 5 when the event which caused it to cease its membership occurred in which case it must re-join the NLS at a minimum of two Steps below the level at which it was at the time the event occurred, or withdrew from football competition, whichever is lower. Where the Former Club was a member of The FA Premier League or Football League then the LC shall at its absolute discretion determine in which League the New Club shall be placed for the following Playing Season and will set out at its complete discretion the requirements to be met by the New Club.

In order for consideration to be given to the placement in the NLS of the New Club in the following Playing Season, an initial application must be received by the LC by 1st March or within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, if such date is later than 1st March.

The full application accompanied by all necessary documents including evidence of security of tenure having been granted to the New Club and affiliation to a County Football Association must be received by 31st March or within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, if such date is later than 1st March. The application shall be copied to the League of which membership is being requested. The application will be determined by the LC.
In considering any application, the LC will set out at its sole discretion the requirements to be met by the New Club.

In the event of more than one application being received within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, the LC will consider at its discretion which application will be considered in accordance with this Regulation.

6.3 (ii) If a Club is removed from its League and wishes to remain in the NLS it shall apply to the LC within two working days of it receiving written notification of its removal from its League. The LC will consider such application and will place the Club in what it considers at its sole discretion to be the most appropriate League/division for the following Playing Season.

6.4 If a Club (whether a Members’ Club or a Company) ceases to be a member of its league and that Club (that is not a New Club as defined at 6.3 above) wishes to be placed within the NLS for the immediately following Playing Season, then unless otherwise determined by the LC, it may be allowed to make an application to join a League/division below the most recent League/division of which the Club was a member.

In order for consideration to be given to the placement in the NLS by the Club in the immediately following Playing Season, an initial application must be received by the LC in accordance with the procedures set out at 6.3 above. The application shall be copied to the League of which membership is being requested. The application will be determined by the LC at its absolute discretion.

In considering any application, the LC will set out at its sole discretion the requirements to be met by the Club in determining whether to approve the application.

6.5 If two or more Clubs (“the Merging Clubs”) are proposing a transaction or series of transactions that result in the merging or consolidation (“the Proposed Merger”) of those Clubs into one Club (“the Merged Club”) then a formal application to do so must be received by the LC and the league(s) of which the Merging Clubs are members by 31st December to be valid for the following Playing Season.

A Deed of Agreement, which shall be legally binding on all parties must be submitted to The Association by 31st March in the year immediately following receipt of the application. The LC shall determine at its absolute discretion where the Merged Club is to be included in the NLS for the following Playing Season subject to the provisions of item 6.5.5 below.

In arriving at its decision the LC may apply the following minimum criteria:

6.5.1 The requirements of Standardised Rule 2.9 for the current Playing Season must be met by each of the Merging Clubs. If one or more of the Merging Clubs is subject to an insolvency event then Standardised Rule 2.9.2 shall be applied to such club(s), otherwise Standardised Rule 2.9.1 shall be applied;

6.5.2 The proposed playing name of the Merged Club must be acceptable to the LC; and

6.5.3 The Merged Club must have security of tenure to a ground that meets the relevant ground grading requirements;

6.5.4 Any other criteria that the LC may from time to time deem to be appropriate;

6.5.5 The Merged Club will ordinarily be placed at the lower of the Steps at which the Merging Clubs ended the Playing Season in which the application is made. For the purposes of this Regulation, if one of the Merging Clubs has finished that Playing Season in a relegation place, then they will be deemed to have ended the Playing Season at the Step to which they would have been relegated without the Proposed Merger proceeding.

Any decision regarding whether a proposed transaction or series of transactions falls to be considered under this Regulation shall be determined by the LC at its absolute discretion

7. Placement of a Club into a League

7.1 Usually a club can only enter the NLS at Step 7. However, in exceptional circumstances a League may seek approval from the LC to receive a club not currently in membership of a League within the NLS provided that there is: (a) a vacancy within its constitution (b) the club meets the entry criteria and (c) promotion and relegation issues have been satisfied. Such request must be received by no later than 1st March.

7.2 Reserve teams, including a team from a club or Club which is not considered by the LC to be sufficiently separate from another club or Club, will not be permitted to compete above Step 6 in the NLS. There must be a minimum of two Steps between a first and reserve team. This does not apply at Steps 6 & 7. No two teams from the same Club can play at the same Step. Reserve teams currently at Step 5 can remain unless relegated, once relegated they will not be permitted to be promoted back to Step 5.
7.3 Teams from Higher Education or Further Education establishments are not permitted to compete above Step 5. This does not prevent any such establishment forming a Club which complies with all entry criteria and which is separate from the establishment itself.

7.4 Where a Club moves from one League to another, for whatever reason, the League from which it is being moved must provide the League to which the Club is being moved with a certificate confirming that the Club being moved does not owe any money or other property of any nature to the League from which it is being moved. The Club being moved cannot compete in its new League until such certificate has been provided and the onus will be on the Club being moved to ensure that it has cleared all indebtedness to its previous League.

8. Procedures for the Determination of any Matter, Dispute or Difference by the Leagues Committee

8.1 The LC may adopt such procedures for the determination of any matter, dispute or difference as it considers appropriate and expedient, having regard to the aims and objectives set out at Regulation 1. The LC may require the attendance at a meeting or the written observations of any League or Club, as it considers appropriate to assist its determination.

8.2(a) Any dispute or difference between a League and a Club relating to promotion and relegation issues, lateral movement and/or other eligibility criteria must be referred for determination to the LC; such determination shall be final and binding subject only to Arbitration in accordance with Rule K.

8.2(b) Any decision of the LC shall be subject to a right of appeal to an Appeal Board. The decision of that Appeal Board shall be final and binding on all parties.

All referrals of appeals shall be conducted in accordance with the Regulations for Football Association Appeals save for appeals in relation to Ground Grading decisions where the procedures are outlined in 8.2(c) below.

8.2(c) Procedures for Ground Grading Appeals

(i) The ratification of the Ground Grading decision must be sent in writing within 14 days of the final decision date, currently 31st March.

(ii) Appeals in relation to Ground Grading Appeals must be submitted to The FA Judicial Services Department within seven days from the date of the written decision outlining the Grounds of Appeal, with a copy to The FA Leagues & Clubs Department.

(iii) The Ground Grading Technical Panel will appear before an Appeal Board with the Appellant to respond to the application and there is no requirement to make a formal response in writing.

(iv) In all cases the Ground Grading Technical Panel will submit any documentation including the Ground Grading report that was considered by the Ground Grading Technical Panel in relation to the Ground Grading decision, (which the appellant would already have received).

(v) Dates would be set annually in advance by the Judicial Services Department for the hearing of Ground Grading appeals and details of the dates would be notified to all Clubs in the correspondence from the Ground Grading Technical Panel notifying the decision of the Ground Grading assessment.

(vi) All Ground Grading Appeals are to be heard by the end of April each year.

8.3 The LC may, at its discretion, delegate the resolution of any matter, dispute or difference arising under these Regulations to any body it considers to be appropriate (including a sub-committee or commission which may include members of council not on the LC or a body constituted by a County Football Association).

9. Arbitration

The fact of participation in the NLS and signifying agreement to be bound by the Regulations shall constitute an agreement between each League and Club to refer to Arbitration any challenge in law arising out of, or in relation to, the Regulations in accordance with the provisions of FA Rule K.

10. Precedence

In the case of conflict between the Regulations for the Operation of the National League System and the Rules, the Regulations take precedence.

APPENDIX H

EMBARGO

Embargo means a ban on a Club signing, re-signing, exercising an option to sign, extending a contract, converting a loan into a permanent transfer, converting a short term loan into a long term loan, loaning or seeking in any way to register a player whether on a contractual or non-contractual basis or as an amateur, trainee, academy, work experience or schoolboy associate other than within any of the Embargo Terms and Exemptions hereinafter contained.

Embargoed Club means any Club subject to an Embargo

An embargo may be imposed pursuant to any of the relevant preceding or subsequent Rules and Regulations or Appendices but in any event shall be imposed:

(a) where a Club has undergone an Insolvency Event
(b) where a Club has been served with a winding-up petition which has not been satisfied in full or to the satisfaction of the petitioning creditors as evidenced by written agreement or
(c) where a Club has either defaulted on such an agreement or has omitted or incorrectly reported its failure to adhere to the terms of any agreement.

Any embargo is without prejudice to any other penalties that the Competition may wish or be entitled to impose pursuant to any other Rule or Regulation or Appendix in relation to any matter giving rise to the right to impose an embargo including but not limited to any default, or any agreement reached with creditors or failure to report the default or incorrectly reporting the Club’s adherence to any agreement with creditors.

Embargo Terms and Exemptions

1. Prior to the start of the season an Embargoed Club will be permitted to sign up to 16 players. The complement of registrations must comprise entirely non-contract players save that it may include players under existing written contract, or players listed on the retained list at the end of the previous season where an option has been exercised prior to the implementation of the embargo.

2. In the event of the playing squad of any Embargoed Club falling below 16 registered players of whatever status then any of its then existing registered players who is the subject of a short term loan agreement may have that agreement renewed/extended up to the maximum permitted period of 93 days.

3. In the event of any Embargoed Club having more than 16 registered players then subject to the exceptions hereinafter contained no short term loans may be renewed or extended.

4. In the event of any Embargoed Club having its playing squad fall below 16 registered players and where none of the registered players are on short term loans then the Embargoed Club shall be entitled to sign and register a sufficient number of non-contract players to bring the total of its squad up to 16.

5. An Embargoed Club shall in any event not be entitled to change the status of any of its registered players without the prior permission of the Board nor shall it be entitled to engage any new player under the permitted exemptions, on terms better than those of any player whose departure gave rise to the right to sign any other player.

6. An Embargoed Club shall not be permitted to improve the existing terms of any its registered players.

7. In the event of an Embargoed Club having a squad of 16 or less players, of whatever status, satisfying the Competition that any of those players have a long term injury (for this purpose a long term injury shall mean an injury supported by satisfactory medical evidence which may either be a medical certificate from the player’s own Doctor or a letter signed by either a State Registered Physiotherapist or a Member of the Chartered Institute of Physiotherapists stating that the player or players will be unavailable for selection for a period of not less than 14 days) then it shall be entitled to sign a replacement player or players as the case may be on a non contract basis but subject to the provisions of Clause 5 hereof and for a period not to exceed the certification of the long term injury or injuries. A new player registered under this clause must not be nominated on the Team Sheet for any match at the same time as the player he has been signed to replace, and must not be engaged on more favourable terms than the player he has been signed to replace.

8. Where the number of eligible players falls below 11, or 11 excluding a goalkeeper, due to suspensions, a Club may make application to the Board to sign non-contract player(s) to ensure a team of 11, including a goalkeeper, can be fielded.

9. In the event of an Embargoed Club having no fit goalkeeper (again as evidenced by medical certificates) then it shall be entitled to register a goalkeeper for an initial maximum period of 28 days. A goalkeeper
registered under this clause must not be nominated on the Team Sheet for any match at the same time as the goalkeeper he has been signed to replace, and must not be engaged on more favourable terms than the goalkeeper he has been signed to replace.

10. In any event if an Embargoed Club’s squad falls below 16 because of exceptional circumstances then it shall have the right to make a written application to the Board of the Competition for its consent to sign sufficient players to bring the number of its squad up to 16 and the Board acting in the interest of the integrity of the Competition shall have the right at its absolute discretion to permit the Embargoed Club to sign sufficient players on non-contract or short term loans to bring the number of its playing squad up to 16 fit players applying the criteria set out in the Exemptions above.

11. Any event being a breach of any Competition Rule (including but not limited to the late delivery of a FRI form) which may give rise to the imposition of an Embargo, shall give the Board the right to impose that Embargo with immediate effect. The Board will in any event procure that a written request for a personal hearing in respect of such a decision will be heard within 7 days of receipt of the request from the Club, notwithstanding the Club’s immediate right of Appeal in accordance with Rule 17.4. Pending any such request for a personal hearing, or any subsequent appeal to The Football Association, the Embargo will remain in place.

12. In the event of an Embargo being imposed pursuant to any breaches of the FRI regulations then the Embargo will not be lifted until 7 days after full compliance by the Embargoed Club with the FRI regulations in force from time to time.

13. In the event of any Club failing to comply fully with any agreement with HMRC, whether formal or informal, or the terms of any CVA then apart from any other obligations and penalties within these Rules and Regulations it shall be obliged to inform the Competition forthwith of such failure or contravention and the defaulting Club shall be placed under an immediate embargo. If the Club fails to advise the Competition upon becoming aware of such an event then it shall be subject to such penalty as the Board may impose in its entire discretion including but not limited to deduction of points, fines, suspension and expulsion.

APPENDIX I

MATCH DELEGATE

The administrative procedure will be as follows: The Football League will appoint a Match Delegate to all matches. Some days before the match, the Match Delegate should contact you by letter advising you of his appointment and requesting the appropriate tickets, e.g. car park, admittance, etc (for your guidance, the Football League for their games suggest a maximum of TWO complimentary tickets per Match Delegate). The Club Secretary should then either send the tickets by return post, or place them at the gate on match day as mutually agreed. If Match Delegate does NOT follow the above procedure please inform the Secretary. Please allocate at the ground seating ticket(s) within or adjacent to the Directors’ Box which provide an uninterrupted view of the playing area. On his arrival at the ground the Match Delegate will call at your office to collect a match programme and confirm with you that the referee is as printed in the programme. There will be pre-match contact between referee and Match Delegate and at the conclusion of the game on both occasions in the match official’s dressing room.

1 HOSPITALITY - The National League requests that the club hospitality be afforded to the Match Delegate but not necessarily in the boardroom. Boardroom hospitality shall be at the sole discretion of the club chairman.

2 Would you please stress to your club directors and club officials that it is totally inappropriate to engage the Match Delegate in conversation appertaining to the match.

3 If your game is postponed for any reason please be CERTAIN to “stand down” the Match Delegate, if known, as well as the three match officials.

4 Please ensure that your Programme Editor when compiling the programme identifies each assistant referee by one of the flag colours. The identification should read “yellow trim” or “red trim”.

5 Should you encounter any difficulties with the Match Delegate’s scheme, please do not hesitate to contact the Secretary.

APPENDIX J

STANDING ORDERS - RULES OF DEBATE

1 Each member on speaking shall rise and address the chairman and his speech must be relevant to the issue. The question of relevance shall be decided by the chairman. If two or more members shall
rise to speak at the same time, the chairman shall decide who has the priority to speak.

2 When the chairman arises to speak no one shall continue standing or speaking until the chair has been resumed.

3 A member shall not speak more than once on any motion amendment or point of order except by permission of the Chairman or by leave of the meeting, subject to the right of reply to the mover of the original motion.

4 The mover of every original resolution or motion shall have the right to reply to objections or queries raised against the resolution or motion.

5 Any motion or amendment once made and seconded shall not be altered or withdrawn without the consent of the chairman or meeting, without discussion.

6 When an amendment is moved on a proposition, no further amendment shall be moved until the first is disposed of, but any number of amendments may be brought forward in succession. If an amendment is affirmed it shall form the proposition under consideration, whereupon further amendments can be moved. The mover of the amendment which is affirmed shall be entitled to speak in reply in the event of further amendments being proposed.

7 An amendment shall be either: (a) to leave out words; (b) to insert words; or (c) to omit words in order to insert others.

8 No member shall be permitted to move or second more than two amendments on any motion.

9 Members will be allowed up to a maximum time of five minutes to speak on any motions or amendments or points of order, except with the permission of the chairman.

10 The decision of the chairman upon any point of order shall be final.

APPENDIX K

KICKS FROM THE PENALTY MARK

1 The referee shall choose the goal at which all of the kicks shall be taken.

2 The referee tosses a coin, and the team whose captain wins the toss decides whether to take the first or second kick.

3 The referee will record the names of the players who have taken the kicks from the penalty mark, in order to ensure that the provisions of article 7, below, are adhered to.

4(a) Subject to the terms of the following paragraphs (c) and (d) both teams shall take five kicks.

4(b) The kicks shall be taken alternately.

4(c) If, before both teams have taken five kicks, one has scored more goals than the other could, even if it were to complete its five kicks that taking of kicks shall cease.

4(d) If, after both teams have taken five kicks, both have scored the same number of goals, or have not scored any goals, the taking of kicks shall continue, in the same order, until such time as both have taken an equal number of kicks (not necessarily five more kicks) and one has scored a goal more than the other.

5 The team which scores the greater number of goals, whether the number of kicks taken is in accordance with the terms of the foregoing paragraph 4(a), 4(c) or 4(d), shall qualify for the next round of the Competition, or shall be declared winner of the Competition, as the case may be.

6(a) With the exception referred to in the following paragraph (b), only the players who are on the field of play at the end of the match, which shall mean at the end of extra time in so far as a match in which extra time is authorised is concerned, and any who, having left the field temporarily, with or without the referee's permission, are not on the field of play at that time, shall take part in the taking of the kicks.

6(b) Provided that his team has not already made use of the maximum number of substitutes permitted by the Rules of the Competition under which the match was played, a goalkeeper who sustains an injury during the taking of the kicks and who, because of the injury, is unable to continue as goalkeeper, may be replaced by a substitute.
7 Each kick shall be taken by a different player, and not until all eligible players of any team, including the goalkeeper or the named substitute by whom he was replaced in terms of paragraph 6(b) as the case may be, have each taken a kick may a player of the same team take a second kick.

8 Subject to the terms of paragraph 6, any player who is eligible may change places with his goalkeeper at any time during the taking of the kicks.

9(a) Other than the player taking the kicks from the penalty mark and the two goalkeepers, all players shall remain within the centre circle whilst the taking of kicks is in progress.

9(b) The goalkeeper who is a colleague of the kicker shall take up position within the field of play, outside the penalty area at which the kicks are being taken, behind the line which runs parallel with the goal line and at least ten yards from the penalty mark. 10 Unless stated to the contrary in the foregoing paragraphs 1 to 8, the Laws of the Game, and the International Board decisions relating thereto, shall, in so far as they can, apply at the taking of the kicks. N.B. In the event of the light failing before the end of the taking of kicks from the penalty mark, the result shall be decided by the toss of a coin.

APPENDIX O

MOVEMENT OF CLUBS

In the event of there being less than the maximum number of clubs (6, 2 each from the Isthmian, Northern Premier, Southern Football Leagues, Premier Divisions) eligible for promotion, relegation will be adjusted accordingly insofar as the number of clubs to be relegated from National League North or National League South (as the case may be) shall be reduced by the shortfall in clubs eligible for promotion as aforesaid. The Board in reaching its decision as to which club shall not be relegated (which would otherwise have been relegated from either National League North or National League South as the case may be) shall first take cognisance of the League into which relevant clubs would have been promoted but for the ineligibility. The best placed club which would otherwise have been relegated from that League (be it National League North or National League South) shall not be relegated. The decision as to into which League a club would have been promoted had it been eligible shall be that of the Board which will be final and binding on all interested clubs. In the event of two clubs in the relevant division (be it National League North or National League South) having identical playing records, then a playoff on a neutral venue will take place to decide which of those clubs shall be saved from relegation. If no clubs are eligible or wish to be promoted, no clubs will be relegated from National League North and/or National League South as the case may be. In the case of a member club (full or associate) not being placed in a relegation position wishing to resign from the Company (and consequently the Competition) or having been removed from membership of the company under the Articles of Association of the Company either during the season or at the end of the playing season (and prior to the Company's Annual General Meeting) then the club (or clubs as the case may be) in the highest relegation position in that the League from which the member club as aforesaid shall have resigned or been removed shall not be relegated. If 2 clubs which should otherwise have been relegated, have identical playing records then a playoff on a neutral venue will take place to decide which club shall not be relegated. As a result of any club or clubs not being relegated from The National League either to National League North or National League South ("the Saved Clubs") then the club (or clubs) in the highest placed relegation position (or positions) in the League which would have received the Saved Clubs will not be relegated. If 2 clubs would have been relegated with identical playing records, then a playoff on a neutral venue will take place to decide which club shall not be relegated. Again, the decision of the Board as to into which League (i.e., National League North or National League South), the Saved Clubs would have been relegated will be subject to the decision of the Board whose decision shall be final and binding on all interested clubs. In the event of there being less than the maximum number of clubs eligible for promotion, relegation will be adjusted in accord with the procedure adopted by the International Football Association Board. All rounds up to and including the semi final will be drawn on a geographical basis with the date for each round and the Final Ties being decided by the Board of Directors.
