CREW LEADER / EQUIPMENT OPERATORS – WESTERN, NY

National Fuel currently has employment opportunities for Crew Leader/Equipment Operators. Candidates must be available to work in the Buffalo Metropolitan Area as well as other Western New York work locations.

A Crew Leader/Equipment Operator will work as part of a construction crew and will be responsible for the installation of gas mains and services as well as the operating of excavation equipment, primarily a Loader/Hoe or a mini-excavator. In addition, the Crew Leader/Equipment Operator will assist in other excavation, installation and maintenance operations that include:

- manual excavation
- plastic pipe fusion
- mechanical fitting work
- lubrication and minor vehicle upkeep
- manual recordkeeping which will include updating operating records.

Candidates must possess a high school diploma or equivalent. Prior experience in the operation of a Loader/Hoe or equivalent is required. The physical capability to work outdoors in all types of weather and the ability to work in and around hazards and difficult to reach areas is required. In addition, candidates must possess a valid New York State driver’s license. Prior experience working in the natural gas industry would be a plus for this position.

Please email or mail your resume and cover letter making sure to reference Position #14-040NY – Crew Leader/Equipment Operator in your correspondence to the address listed below. Resumes must be received in our office by August 11, 2014.
