HOME BUYER BOOT CAMP

Get Ready to Acquire the Home You Desire

Mickey Whitney & Jen Benoit, Mortgage Consultants; Charles River Bank

In today’s fast moving real estate market, you need to be prepared to come out on top. Build your credit knowledge and strengthen your understanding of the home buying process so you end up with the right house at the right price. Whether you are a first-time home buyer or have bought a home before, there are new federal regulations effective in October 2015 that impact the home buying process. This FREE educational boot camp will focus on real life scenarios that will demystify the entire process. Mortgage Consultants Mickey Whitney (NMLS# 782138) and Jen Benoit (NMLS#1185923) each have 10 years of experience in banking and lending at Charles River Bank. They will also explain how new government rules might impact your home financing. Joining them is a panel of local real estate experts including a Realtor®, Real Estate Attorney, and Home Inspector, who will help you forge the way. You will leave with valuable information and tools to acquire the home you desire. Food and refreshments will be served. Attendees receive a $100 credit (one per loan) towards closing cost.

To Register: Email info@charlesriverbank.com or call James at 508-232-1115. Space is limited.

ORGANIZING & ARCHIVING YOUR DIGITAL PHOTOS New

Lisa Sheehan

Did you recently receive a fancy new camera? Is it time to learn how to use all of the buttons and dials? This class will explore some of the automatic and manual features of your digital camera. You will learn how to use these features to take photographs that you are proud to add to your family photo album, wall or greeting card. Whether you photograph with a film or digital camera, composition is the visual language of photography. In this one-day class, we will move beyond simply taking pictures, to studying the many elements that go into creating a successful photograph. This course will touch on light, shapes, forms, lines, patterns, colors and angles and more to help you develop your ‘photographer’s eye’. To get the most out of this class, please bring your camera, manual, charged battery, notepad and pen. Class limited to 10 students.

Course # CS1-16 1 session
Saturday, May 7
9:00am-12:00pm
