COMMUNITY RESOURCE DIRECTORY OF HOPKINS COUNTY

This directory has been compiled by the United Way and the Hopkins County Health Department for the Inter-agency of Hopkins County and other interested agencies and service providers. The Directory also meets two objectives for the KY-ASAP (Kentucky Agency for Substance Policy.) Objectives 2A and 9C call for the identification and review of various community resource guides and provide the latest and most accurate ATOD (alcohol, tobacco and other drugs) information for inclusion.

The majority of agencies listed in this directory are non-profit and public service agencies. However, a few for-profit and non-profit private agencies are listed under categories where we receive numerous calls for help but have a limited number of referral agencies. No endorsement by the United Way, Hopkins County Health Department, or Interagency Council is intended either by the inclusion or exclusion of any agency or organization. Monies from the KY-ASAP and the Inter-Agency paid for the printing cost of 100 directories.

In order for this directory to remain an effective and valid resource, it must be maintained with accurate and current information. Your cooperation in notifying us of any changes or additions, either by telephone or in writing, is needed. We depend upon agencies and organizations to notify us so that we may offer correct information to our callers as well as for updating the directory.

We also request that you contact us when the directory does not furnish the information you need. Records of unsolved problems provide the community with knowledge of unmet needs and help establish priorities for new activities.

The directory is divided into three sections:
- Alphabetical list of agencies
- Subject index
- Agency and Program listing

Please make changes by calling, faxing, e-mailing, or mailing the corrections to
- United Way at (270) 821-3170; FAX (270) 821-3175; e-mail uwhcann@bellsouth.net; PO Box 366, Madisonville, KY 42431
- Hopkins County Health Department, Deloris Padgett, (270) 821-5242, Ext. 228; FAX (270) 825-0138; e-mail Delorisj.Padgett@KY.gov; Hopkins County Health Department, PO Box 1266, Madisonville, KY 42431

          Madisonville, KY 42431

Phone:  (270) 821-4909

FAX:  (270) 821-1056

Hours:  8 am – 4 pm, Monday – Friday

Contact:  Carolyn Ferrell, Executive Director
Purpose
At a time when Kentucky's schools and their students are expected to reach proficiency by 2014, the Badgett Cooperative's mission is to provide professional learning opportunities to school leaders and teachers in an effort to help them meet this goal. Professional development deepens teachers' content knowledge, provides research-based instructional strategies, and prepares teachers to use various types of classroom assessments. Professional development for school leaders provides guidance and thoughtful insight to help them succeed as they work with teachers to improve classroom teaching and learning.

Services:
At a time when the need for effective professional development for all school personnel is at the forefront, the Badgett Cooperative provides opportunities ranging from three-hour "Lunch Bunch" sessions to intensive five-day Scholastic Audits. Services are tailored to meet the needs of individual districts and their schools. The Badgett Cooperative provides the training required for elected members of SBDM councils and for the selection of principals. The Cooperative provides content-based training in reading, math, science, social studies, as well as the arts, and process-based training in curriculum alignment, assessment, school improvement, instructional strategies, and leadership. As a service to member schools, the Cooperative has a trained team of educators who can perform Scholastic Audits, which offer school-wide findings and recommendations for improvement based on nine standards. The cooperative's library offers over 2000 titles of the latest educational books and journals. The cooperative's grant writer provides leadership and assistance in the location, conceptualization, preparation, and processing of grant proposals, which benefit participating districts. The Cooperative receives grants for such activities as working with Aspiring Women Superintendents from KY, IN, and TN. The Badgett Cooperative serves fourteen school districts that seek assistance relating to the education of migrant students. The Badgett Cooperative is experienced at bringing national experts into western Kentucky. At the same time, the Cooperative encourages local educators to share their knowledge and success with others by presenting sessions themselves.

Geographic Area:
Member school districts include Hopkins, Dawson Springs, Caldwell, Henderson, Webster, Muhlenberg, McLean, and Trigg. The Badgett Cooperative serves as home to the regional migrant office, serving fourteen school districts. For 'open' sessions, non-member participants come from all of western Kentucky.

Purpose/Types of Service: Big Brothers/Big Sisters assist children in their social, emotional, and character development by providing carefully screened volunteers who serve as friends and mentors.

Community-Based Program: One-to-one or couples matches. Matched according to interests and personalities. “Matches” spend quality time together every week at times that fit their schedule. Each match is monitored and nurtured by professional staff.

School Based Mentoring: One-to-one services provided to elementary age children on site during school hours. Gives children the opportunity to improve their learning skills and self-esteem by matching them with adults who serve as mentors and friend.

Group Outings: Offered throughout the year for “Bigs” and “Littles” and children waiting to be matched.

High School Buddy Program: One-to-one services provided to elementary age children by qualified high school juniors and seniors. High school “buddies” meet with the student at the school site and serves as a positive role model, guide, tutor, and friend by helping the child improve school performance and self-concept.

Geographic Area of Service: Hopkins and Muhlenberg Counties

Eligibility/Application Procedure:
- Community based: Clients primarily from single-parent homes ages 6 – 12. Requires a written application, school questionnaire, parent and child interviews, orientation, and child abuse education and prevention training. Volunteers must complete an inquiry, application, reference questionnaire, background check, office interview, home visit, and child abuse education and prevention training.
- School based: Clients recommended by school, parent permission, and child interview. Mentors complete the same process as community based excluding the home visit.
- High School Buddies: Clients same as school based. Buddies must have a 3.0 GPA, school recommendation, same process as community based excluding home visit.

Cost of Services to Clients: None

State/National Affiliations: Kentucky BB/BS Association and Big Brothers/Big Sisters of America.

Service/Purpose of Agency: Provides information and referral, ABI Waiver Program, TBI Trust Fund, newsletter, training

ABI Waiver Program
The Acquired Brain Injury Medicaid Waiver Program is designed to provide intensive services and supports to adults with acquired brain injuries as they work to re-enter community life. Services can only be provided in community settings. Fourteen services are funded. To qualify for services an individual must have an acquired brain injury; be between the ages of 21 – 65 years,
meet nursing facility level of care; be expected to benefit from waiver services; and be financially eligible for Medicaid services. Note that special financial eligibility criteria for Medicaid are applied for this program. To apply for services, it is necessary to work with a case manager. For a listing of case managers, contact the Brain Injury Services Unit.

**TBI Trust Fund:**
The Traumatic Brain Injury Trust Fund, governed by a nine member Board of Directors, can provide supports and services to children and adults with brain injuries. The Trust Fund cannot be used to pay for institutionalizations, hospitalizations, and medications. Benefits are limited to $15,000 per person per year, with a lifetime maximum of $60,000. To apply or assistance call 1-800-509-6277.

Purpose: The program will serve family caregivers who provide care to people over 60 years of age. It will also serve grandparents and other older relatives who provide care to children up to age 18.

Types of Service:
- Information and assistance in locating and obtaining services for caregivers
- Caregiver counseling
- Organization of support groups in local communities
- Caregiver training to help with problem solving and decision making
- Respite care to allow caregivers a temporary break from daily pressures of caregiving, for example, in-home services, adult day care, or occasionally, a residential setting
- Services to supplement care being provided

Geographic Area of Service: Pennyrile area (Caldwell, Christian, Crittenden, Hopkins, Livingston, Lyon, Muhlenberg, Todd, and Trigg counties.)

Cost: No fee

Family Resource and Youth Service Centers

Mission: The FRYSC’s mission is to enhance student’s abilities to succeed in school by developing and sustaining partnerships that promote:
• early learning and successful transition into school
• academic achievement and well-being;
• graduation transition into adult life.

Purpose/Types of Service: The intent is to enhance students’ abilities to succeed in school by assessing children, youth, and families in meeting some of their basic needs. Services will be especially beneficial for those youngsters who are at risk of not performing well in school. All children, youth, and their enrolled in school are eligible for services, regardless of the income of their families.

Family Resource Centers (FRCs)
Serve children from birth through age 12 (Elementary schools) and provide:
• Full-time preschool child care for 2 and 3 year-olds
• After school child care for children ages four through twelve (full-time child care is provided during the summer and on other days when school is not in session);
• Families in Training for new and expectant parents through groups meetings, home visits and child development monitoring;
• Parents and Child Education (PACS) or similar family literacy program
• Support and training for child day-care providers
• Health services or referrals to health service

Youth Service Centers (YSCs)
Serve children over 12 (middle and high schools) and provide:
• Referrals to health and social services
• Employment counseling, training and placement
• Summer and part-time job development
• Drug and alcohol abuse counseling
• Family crisis and mental health counseling

Eligibility/Application procedure: Open to everyone. Referrals through school system, other agencies or by direct contact to the Centers.

State/National Affiliations: Dept. of Education/Cabinet for Human Resources

Note: Family Resource Centers accept clothing for students.

**Service:** Inpatient Alcohol and Drug Treatment for adults and adolescents, Intensive outpatient services for adults. Specialized treatment is available through many distinct programs that serve children, youth, ages four and above and adults. Treatment is provided by an interdisciplinary team consisting of licensed psychiatrists, social workers, therapists, nurses, activities therapists and mental health technicians.

**Acute Programming**

**The Rainbow Unit** serves children 4-12 years of age suffering from psychological and behavioral problems. Children participate in a highly structured treatment program that provides education, recreation and therapy.

The Adolescent Unit provides treatment to male and female adolescents ages 13-17 who suffer from varied diagnoses including depression, suicidal contemplation, aggressive and destructive behaviors and ADHD. This program encourages self-esteem, development of new coping skills, and independence through educational instruction, activities therapy and counseling.

The Adult Treatment Program offers adults a supportive, encouraging environment for the treatment of emotional and psychological problems including depression, anxiety, bi-polar and post-traumatic stress disorders. We teach patients coping skills that allow them to return home and to work quickly and successfully.

**Substance Abuse Treatment**

YES (Youth Empowered for Sobriety Treatment Program) treats male and female youth ages 12-17 for alcohol and/or substance abuse addiction

**Clean and Serene Adult program**

Offers adults dealing with chemical dependency issues inpatient treatment in our 4-bed inpatient unit. The program can be individualized to provide treatment based on the client’s needs in regards to length of stay and treatment focus. This program offers groups for the patient and family that focus on educating them about addiction, as well as links the patient with the appropriate community resources that are available upon discharge.

**Residential Treatment**

Sivley House provides treatment in a residential setting to male youth ages 12 to 17. Each program’s goal is to allow the resident to return to home, school and community by helping identify the problems, developing a treatment plan, and staying on course to help achieve set goals.

**Outpatient Services**

**Adult Chemical Dependency Intensive Outpatient Program – New Directions**

Adult patients with chemical dependency issues are able to participate in this program that meets four evenings per week as well as Saturday for family educational sessions. The focus is on maintaining sobriety while assisting the
patient in developing the necessary skills for accessing available support resources and making the lifestyle changes required to succeed in the recovery process. While participating in treatment, the patient is able to continue to work or attend school, minimizing the disruption to everyday family live.

Website: www.FocusMinistries1.org

Purpose/Type of Service: FOCUS Ministries, Inc. is a not-for-profit organization
devoted to offering hope, encouragement, education, and assistance to women who are struggling in difficult circumstances, especially dysfunctional marriages, spousal abuse (domestic violence), separation, or divorce. One of our goals is to educate people about domestic violence through the distribution of a monthly newsletter and numerous informational brochures, speaking engagements, seminars, and workshops on domestic violence, and training of support group leaders, pastors, churches and business. We provide a lending library of resources and offer materials at no charge for those who cannot afford them. Our brochures and informational pieces are free of charge, and are distributed throughout the U.S. and Canada. We have support groups in six states, and many others are being planned.

Domestic Violence support group: Monthly support group meetings on the 2nd and 4th Thursday of each month from 6 pm to 8 pm at Focus Women’s Center at 34 W. Noel, Madisonville, KY. There is no charge for those to attend.

Focus Women’s Center is an educational facility for all women with lending library, classes in cooking, crafts, parenting, etc. lay counseling, Bible Studies, etc.

Phone/e-mail support: We provide support via phone calls, e-mail, and regular mail, as well as meeting women one-on-one at various locations.

Cost: Free

State and National Affiliations: AACC (American Association of Christian Counselors)

Note: Focus Ministries accepts women’s clothing for their “Dress for Success Program.”

Geographic Area of Service: State of Kentucky
Kentucky Department for the Blind
Independent Living Services

Address: Paducah Field Office
220 N. 8th Street, Suite E.
Paducah, KY 42001

Phone (s): (270) 575-7315; Toll-free (800) 334-6945
           Toll-free (877) 592-5463

FAX: (270) 575-7987

Office Hours: 8 am – 4:30 pm, Monday – Friday

Contact Person: Jo Coffey

Purpose/Types of Service: To serve the citizenship of Kentucky who is functionally blind or worse. If blindness interferes with the person’s ability to live independently, and if services from the center for independently living can increase independence, the person is eligible for service. There is no age limit and gainful employment need not be a goal. We treat each case as a separate and special case. Together with the blind person, we look at the blindness-related problems and work towards ways of solving them. We also work with the families of blind persons. WE DO NOT OFFER ANY CASH ASSISTANCE TO ANY CLIENT.

Eligibility/Application Procedure: Any functionally blind citizen of the Commonwealth of Kentucky referred by a doctor. Anyone can refer a person for contact by the Center for Independent Living, and the counselor will contact each referral. It is the responsibility of the counselor to determine if a referral is eligible for services.

State/National Affiliations: We are a division within the Kentucky Department for the Blind, and the Workforce Development Cabinet.
Kentucky Department of Vocational Rehabilitation (KYDVR)

Address: 1071 Thornberry Drive  
Madisonville, KY 42431

FAX: (270) 824-7597

Office Hours: 8 am – 4:30 pm, Monday - Friday

Contact Person: Jean T. Powell

E-mail: JeanT.powwell@ky.gov

Website: www.Kydvr.state.ky.us/indes.htm

Purpose/Types of Service: To assist individuals with handicaps in securing appropriate employment within their capabilities.

- Comprehensive vocational evaluation
- Work adjustment and skills training in Rehab.
- Counseling and guidance facilities
- Job seeking skills training
- Rehab engineering and assistive aids and
- Job placement assistance technological devices
- Occupational licenses, tools
- Training at approved schools equipment and supplies
- Consultations about changes needed at the job
- Transportation (training) site
- Physical and mental restoration

Geographic Area of Service: The local office serves Caldwell, Crittenden, Hopkins, and Muhlenberg Counties. There are 59 local offices throughout Kentucky

Eligibility/Application Procedure: The individual must have permanent, functional limitations that presents a substantial barrier to employment. Furthermore, any services can only be provided if there is a reasonable expectation that the person can return to work after provision of needed service. Contact the local office and schedule an appointment with a counselor.

State/National Affiliations: State of Kentucky
Kentucky Farmworker Programs, Inc. (KFP)

Address: 755 Industrial Drive (located at JobNet)
           Madisonville, KY 42431

Phone: (270) 821-9966 Ext. 225

FAX: (270) 925-1394

Office Hours: 8 am – 4:30 pm, Monday – Friday

Contact Person: Mona Simms

E-mail: mona.simms@ky.gov

Purpose/Types of Service:
1) Alternatives to Agricultural labor – Provide services to seasonally employed farm workers and their families who wish to seek alternative job opportunities to seasonal farm work, which will equip them to compete in other labor markets and to secure stable year around employment providing an income above the poverty level.

2) Improve agricultural lifestyle – Provide services necessary to improve the well-being of seasonally employed farm workers and their families who remain in the agricultural labor market and/or to upgrade their skills to enable them to take advantage of job opportunities created by changing agricultural technology.

Geographic Area: Western Kentucky

Cost: None

Funding: KFP is directed by a governing board consisting of seasonal farm workers and/or their representatives. Funds for services and staff are awarded by the U.S. Department of Labor, and all policies of the agency conform to Federal requirements, standards and regulations.

State/National Affiliations: U.S. Department of Labor, Pennyrile Area Development District (PADD)

Kentucky Foster Grandparent Program
Address: 23634 Dawson Springs Road  
Dawson Springs, KY 42408

Phone: (270) 797-3771, Ext. 159

FAX: (270) 797-3592

Office Hours: 8 am – 4:30 pm, Monday – Friday

National Website: http://www.seniorcorps.org/joining/fgp/

Purpose/Types of Service: To provide part-time volunteer opportunities (with a stipend) for low-income persons age 60 and over. Grandparents serve as a positive role model, and provide support and assistance to both children and developmentally disabled adults. Grandparents volunteer in sites throughout Hopkins, Caldwell, and Christian counties.

Eligibility/Application Procedure: Interested individuals may call for additional information and to receive an application. Income guidelines to apply and applicants cannot be a part of the current work force.

State/National Affiliations: The Foster Grandparent Program is a federal program sponsored by the National Senior Service Corps.

Types of Services: Support and evaluation of hospital newborn hearing programs; family support and resources; provider education; educational programs for expectant parents, nurses, physicians, audiologists and others about early hearing detection and intervention.

Geographic Area of Service: 44 Counties in Western Kentucky; 19 Birthing Hospitals

Ages of Clients Served: 0 – 3

Application Procedure: None

Cost of Service to Clients: None

Purpose: The mission of Kentucky Legal Aid (KLA) is to assist and to enable low-income families, as well as the elderly, disabled and other vulnerable individuals in South Central and Western Kentucky, to resolve legal problems that are barriers to self-sufficiency, and to provide these individuals an opportunity for an improved quality of life. KLA utilizes attorneys and other staff to provide direct legal assistance; coordinates referrals to volunteer (pro bono) attorneys; and also addresses these client needs through programs for Benefits Counseling and Domestic Violence Assistance.

Service: To provide civil legal services to low-income eligible persons. Assistance is not given in criminal matters. Consumer/finance, education, Employment, Family, Juvenile, Health, Housing, Income Maintenance, Individual Rights, Wills, Estates and other miscellaneous services. Provides legal aid for low-income clients, and assistance to persons over the age of 60 who need wills, Advance Directives (living will) and power of attorney.

Eligibility: 125% of the Federal Poverty Guidelines, or a senior citizen over 60 or married to someone over 60.

Application Procedure: Senior Citizens can either contact the toll-free intake Number of (866) 452-9243 or meet with a staff member once a month at the senior center in their home county. To make an appointment for legal aid at the Regional Senior Citizens Center, 200 N. Main, Madisonville, KY call (270) 821-9173.

Kentucky Talking Book Library

Address: PO Box 818
        Frankfort KY 40602

Phone(s): Toll-free (800) 372-2968; (502) 564-8300, ext 276

FAX: (502) 564-5773

Contact: Richard Feindel, Branch Manager

Hours: 8 am - 4:30 pm, EST, Monday - Friday

Website: http://www.kdlap.ky.gov/libsupport/ktbl.htm

Mission: Our mission is to provide library service to individuals who have a visual or physical disability that prevents them from using standard print materials.

Cost: We send books on tape and Braille books through the mail at no cost to our patrons.

Eligibility for Service: Anyone who has difficulty reading standard print material or who is unable to hold a book and turn the pages is eligible for our service. The condition may be temporary or permanent, as long as a competent authority endorses the application. Dyslexia or other reading disabilities may qualify an individual for service as long as the condition is the result of an organic dysfunction. A statement signed by a medical doctor is needed to certify these patrons as eligible.

How to Apply: To obtain an application, call our toll-free number (1-800-372-2968) or download one from our website. In addition to basic information about the patron, each application must be signed by competent authority certifying that the individual qualifies for our service. Librarians are considered competent authority, along with health professionals, teachers, social workers, and government agency staff, but only medical doctors may certify reading disabilities. We will be glad to provide your library with applications to keep on hand. Once we receive an application for service, we will contact the person by letter or telephone. Each patron is assigned to one of our 3 librarians, who will explain how the service works.

Services: We have more than 50,000 titles in Braille and on cassette tape that are selected to appeal to people of all ages and with a wide range of interests. We have popular fiction such as Romances, Westerns and Mysteries, and non-fiction such as Biographies, History and Religion. Patrons may call our toll-free telephone number (800-372-2968) to request books by title, author or subject

Playback Equipment: The Talking Book Library will provide patrons with a specially
created cassette player on which to listen to our books. Our books are recorded on standard audiocassettes designed to play at half commercial speed (15/16 IPS) and using four tracks. This configuration can pack up to six hours of reading time onto one cassette. This allows us to use fewer tapes and to protect the author's copyright, since they will not play on regular cassette players. These players are specially designed for those who are blind. They have large keys with raised symbols. An instruction tape comes with it. Special attachments, such as headphones, pillow speakers and sound amplifiers are available by special request. Repairs or replacement will be made at no cost to the patron. Call us for instructions on how to return or exchange a player. If one of our cassette players is returned to your library, call us and we will send you a postage-free box in which to send it to us.

Mission: To provide assistance to those who face loss of sight due to the need for surgical treatment without regard to race, color, creed, age, sex, or national origin provided that they are unable to pay or receive adequate assistance from current government agencies or similar sources and to provide funds for research in curing diseases of the eye.

Purpose of Agency/Service: Research, surgical treatment and hospitalizations to those who suffer from diseases or injuries to the eye. Cross-eyes, which occurs in children under 16, is one affliction that can lead to blindness if not treated properly.

Geographic Area of Service: United States

Ages of Clients Served: Eligible adults

Eligibility: Anyone who has been a resident of the United States for one year, regardless of age, race, creed, sex or national origin, who is unable to pay. The patient does not pay anything. Most physicians and hospitals cooperate and do not charge an excess charge.

Affiliations: Knights Templar Eye Foundation, Inc. is a Co-Sponsor for the EyeCare America Seniors EyeCare Program, a public service of the American Academy of Ophthalmology.

KY-ASAP (Kentucky Agency for Substance Abuse Policy)

State/National Affiliations: Registry of International Association of Laryngectomees
Lifeline and Link-up for BellSouth Customers in Kentucky

*Lifeline*

**Address:** Bell South RSC, 4th floor  
304 Pine Ave., Albany, GA 31702

**Phone:** Toll-free (888) 757-6500, press 6, then press 3

**FAX:** (229) 435-6289

**Web Site:** www.lifelinesupport.org

**Service/Purpose of Agency:** Lifeline is a government program that offers qualified people a discount (up to $13) on their monthly local telephone bill.

**Geographic Area Served:** United States

**Ages of Clients Served:** Adults

**Eligibility Requirements:** Individuals may qualify for Lifeline if they participate in any of the following programs:
- Food Stamps
- Low Income Home Energy Assistance Programs (LIHEAP)
- Medicaid
- Federal Public Housing Assistance (Section 8)
- Supplemental Security Income (SSI)

**Application Procedure:** Call for information. Proof of eligibility will be required. Lifeline can only be used for the main telephone line in your household. The name on your phone bill must match the name of the participant who is eligible in the program.

**Affiliations:** Federal Government program

*Link-Up Kentucky*

**Phone:** 557-6500 (this is a local call from anywhere in BellSouth’s service area in KY

**Service/Purpose of Agency:** Link-Up helps household pay the installation charge for telephone service. This program pays some of the cost of installing local services in your home, but Link-Up does not cover the cost of wiring inside your home. Link-Up will pay 50% off of your installation charges. The maximum benefit is $30.

**Eligibility Requirements:** If you qualify for Lifeline, you also qualify for Link-Up.
Restrictions: Link-up can only be used for charges for activating main phone service or moving existing service to a new address. You must provide proof of eligibility before the service can be activated. Link-Up does not apply to activation charges paid prior to application of the program.

Being a lifeline or Link-Up customer does not protect an individual from being disconnected if you fail to pay your telephone bill.

The First Baptist Church in Madisonville, 246 N. Main Street, (270) 821-3611, provides free telephones for individuals who cannot afford any phone service. The free phone enables them to call 911 in the event of an emergency. For further information call Dennis Barker at (270) 322-8366. The church also accepts donations of used, working phones.

Local PAT Supervisor

E-mail: srice@hopkins.k12.ky.us

Sponsor: Hopkins County FRYSC Consortium

National Website: www.patnc.org

Service/Purpose of Agency: Parents as Teachers (PAT) is an international early childhood parent education and family support program serving families throughout pregnancy until their child enters kindergarten, usually age 5.
- The program is designed to enhance child development and school achievement through parent education accessible to all families. It is a universal access model.
- Recognizing that all families can benefit from support, Parents as Teachers families come in all configurations, from all socio-economic levels, and from rural, urban and suburban communities.
- The program is adaptable to fit community needs. It is a national model, but a local program. Family participation is voluntary.
- The Parents as Teachers National Center, Inc. (PATNC) develops curricula, trains early childhood professionals, and certifies parent educators to work with parents to provide them with parenting support and information on their developing child.

Vision: All children will learn, grow and develop to realize their full potential.

Mission: To provide the information, support and encouragement parents need to help their children develop optimally during the crucial early years of life.

Program Goals:
- Empower parents to give their children the best possible start in life.
- Provide children a solid foundation for school and life success.
- Increase parent knowledge of child development and appropriate ways to stimulate their children’s intellectual, language, social, and physical development.
- Increase parent feelings of competence and confidence.
- Enhance parent-child interaction and strengthen family relationships.
- Prevent child abuse and neglect.
• Provide for early detection of developmental problems.
• Develop strong partnerships between parents and schools.
• Core Values
• The early years of a child's life are critical for optimal development and provide the foundation for success in school and in life.
• Parents are their children's first and most influential teachers.
• Established and emerging research should be the foundation of parent education and family support curricula, training, materials and services.
• All young children and their families deserve the same opportunities to succeed, regardless of any demographic, geographic or economic considerations.
• An understanding and appreciation of the history and traditions of diverse cultures is essential in serving families.

Prescription Drug Assistance Programs

SSI (Supplemental Security Income)
Individuals who receive SSI also receive a "prescription drug card" which entitles them to the prescription drugs on the Medicaid formulary. There is a $1 charge per
medication. People receiving SSI usually receive food stamps and Medicaid. Medicaid helps pay doctor and hospital bills. To receive SSI, individuals must be elderly (65+ or older), blind (totally blind or have very poor eyesight), or have a disability (a physical or mental problem that is expected to last at least a year or result in death). They may be able to get SSI if their monthly income is less than $564 for one person or $846 for a couple (2004 guidelines). Resource limits are $2,000 for one person or $3,000 for a couple. Social Security administers the SSI program. Call their local number at (270) 825-9125 or the toll-free number at (800) 772-1213 to set up an appointment or visit their Internet site at www.ssa.gov.

**Spend Down**
The KY Medicaid program provides medical assistance to individuals meeting income, resource, and technical eligibility requirements. The income limit is $217 and resource limit is $2,000 for one. If the income exceeds $217, spenddown eligibility may exist.

The spend down program provides time-limited medical assistance to individuals by using medical expenses to meet excess income amounts. Eligibility is determined on a quarterly basis using the month of application and two subsequent months, or the three months prior to the application month. Medical expenses incurred during the quarter or owed from any prior period may be used in the spend down program. The local Cabinet for Health and Family Services administers the program. The local number is (270) 824-7555. You may also visit their Internet site at [http://www.chs.ky.gov/dms/](http://www.chs.ky.gov/dms/)

**The Veteran’s Administration (VA)** provides free or low-cost ($7) prescriptions for veterans who have been honorably discharged from the military. Veterans must enroll with the VA, be seen by a VA doctor, and receive the prescriptions from VA hospitals and pharmacies by mail. Contact the VA toll-free at 1(877) 222-8387 or [www.va.gov](http://www.va.gov) for information.

The VA Clinic in Evansville, IN is located at 500 E. Walnut St. (812) 465-6202. The Outpatient VA Clinic in Clarksville, TN is located at Gateway Medical Center, Suite 110, 1731 Madison Ave. (931) 221-2172. Eligibility is based on income and VA disability criteria.

*Bring the following to your screening interview:*
  - “DD-214” discharge paper
  - prescription bottles or prescriptions from current physicians
  - proof of last year’s income, resources and medical expenses
  - service award letter
  - spouse’s social security number and birth date
  - marriage date
  - medical records from private physician if available

**TRICARE**
Military retirees who have served at least 20 years are eligible for low cost prescriptions (as are their dependents). Retirees must be registered with the Defense Enrollment Eligibility Reporting System (DEERS). Prescriptions can be obtained by mail order and from both network and non-network pharmacies. Contact TRICARE toll-free at 1 (877) 363-6337 or [www.tricare.osd.mil](http://www.tricare.osd.mil).
Medicare Supplemental Insurance
Three of the standardized Medicare supplement policies have prescription drug benefits. Plans H and I provide for 50% of the cost of drugs up to a maximum of $1250 (after a $250 deductible). Plan J provides for 50% of the cost of drugs, up to a maximum of $3000 after a $250 deductible. Visit this Internet site at www.medicare.gov/MGCompare/Home.asp.

Health KY / KY Physician’s Care offers services to individuals who are over 18 with no medical coverage such as Medicaid, Medicare, Veteran’s Benefits, private, or group insurance, etc. 2004 Income requirements follow the 100% poverty level MA Scale:

The local Cabinet for Community Based Services administers the program. Physician services are limited, but eligible recipients can receive some prescription medications from participating pharmacies. For a listing of the prescription drugs covered under Health Kentucky visit their Internet site at www.healthkentucky.org/druglist.pdf. (Pharmaceutical companies include Pfizer, Lilly, AstraZeneca, Abbot, Bristol-Myers Squibb, etc.). To find a list of participating pharmacies call (502) 254-5117 or visit their site at www.healthkentucky.org/pharmacylist.pdf.

Pharmacy and Drug Discount Cards
The following companies offer discounts for eligible persons:

- **Together Rx Card.** Seven drug manufacturers are offering a new prescription drug discount card for seniors without prescription drug coverage. The Together Rx Card is free to Medicare beneficiaries whose incomes are less than $28,000 or $38,000 for couples. Companies participating in the card include Abbott Laboratories, AstraZeneca, Aventis, Bristol-Myers Squibb Co., Ortho-McNeil, Janssen, GSK (GlaxoSmithKline), and Novartis. To receive an application, visit the Internet site at www.together-rx.com or call toll-free (800) 865-7211.

- **Pfizer for Living Share Card**
  The program offers one simple card and three healthy benefits. Participants will pay $15 for up to a 30-day supply of most Pfizer drugs. If on Medicare, participants may qualify to pay only $15 for each Pfizer drug. The Share Card can be used at participating pharmacies. You can be part of the Share Card Program if you are enrolled in Medicare, have no prescription drug coverage, and are not eligible for Medicaid or any other drug benefit plan funded by the state, and your
gross income is less than $18,000 a year or $24,000 for couples. To enroll, call toll-free (800) 717-6005 or visit www.pfizer.com on the Internet.

- **LillyAnswers**
  LillyAnswers(SM) is designed to help the eligible Medicare beneficiaries gain access to critical prescription drugs. The Lilly-Answers card allows eligible participants to pay a flat fee of $12 for a 30-day supply of any (excludes controlled substances as well as products not distributed by retail pharmacies) Lilly retail drug. Beneficiaries qualify for the card if they have no drug insurance and their annual income is below $18,000 (individual) or $24,000 (household). Call toll-free (877) 795-4559.

- **GlaxoSmithKline** discount card for Medicare enrollees with no prescription drug coverage and incomes less than $30,000 ($40,000 for couples). Note that GlaxoSmithKline is included in the Together Rx card; however, the Orange Card has higher income limits. Persons interested in the Orange Card should call toll-free (888) 672-6436.

**Medication Assistance for Individuals with Rare Disorders**

**NORD’s Medication Assistance Programs**
NORD (National Organization for Rare Disorders) eligible patients are provided with cost-free medications. For a listing of the 1,100 rare diseases or more information about NORD, visit http://www.rarediseases.org/nord/programs/medication

**Medication Assistance for AIDS Patients**

**Kentucky AIDS Drug Assistance Program Contact and Eligibility**
Assistance may be available if the household income is at or below 300% of the current Federal Poverty Level, cash assets are less than $10,000, the individual is a resident of KY, and there is the lack of a third party payer. The program could have a waiting list or be full. Call the AIDS hotline at 1 (800) 221-0446 or visit their Internet site at http://publichealth.state.ky.us/hiv-aids-care-coord-program.htm

**Medication Programs Through Pharmaceutical Companies**

- Many pharmaceutical companies dispense drugs to needy individuals. Your physician must send the paper work in. The drugs are sent to the physician to be given to the patient. Visit the three websites listed below:
  - www.needymeds.com
  - www.phrma.org/ (PhRMA) Program, or call toll-free (800) 762-4636 for a list of participating manufacturers
  - www.financialassistancenetwork.org/prescrip.htm
Delta Medication-Assist
This program is currently run through the Hopkins County Health Department. It may be moved to the Hopkins County Community Clinic in the future. Individuals must meet financial criteria and complete an application that must be signed by you and your physician. Bring in your latest tax return and last month check stub (if applicable), along with your written prescription. Income guidelines vary depending on pharmaceutical companies. The normal wait time is usually from five to seven weeks. The contact person is Nancy Franklin at (270) 821-5242, Ext. 252.

Older adults could be eligible for other discounts or government programs. Visit this Internet site at http://www.benefitscheckuprx.com/

Medications through Clinical Studies
Health organizations specializing in clinical studies need volunteers for their Programs. These volunteers are often compensated for their participation, in addition to receiving free medications. Two organizations currently conduct clinical studies in Madisonville, KY. Anyone meeting the guidelines can participate in the studies. The organizations are as follows:
- Commonwealth Biomedical Research, (270) 825-8345, Dr. Bret Wittmer 240 East Ayr Parkway, Madisonville, KY 42431 (Behind Integra Bank and Backyard Burgers.)
- Trover Center for Clinical Studies, (270) 825-6678, Tonya Piper, RN 435 N. Kentucky Ave., Madisonville, KY 42431

Drug Discount cards start in 2004 for eligible people. It is a temporary card that will go through December 2005. Individuals may sign up for the discount card in May 2004 - through 2005 for $30 a year.

People in greatest need will receive the benefit and save 10 – 25%. Eligibility Guidelines in 2004 for the Discount Card are $12,569 for a single person or $16,862 couple. If guidelines are met an individual may qualify for a $600 credit on their discount card. Individuals cannot qualify for the discount card if they already have drug coverage from Medicaid, TRICARE for Life and any Employer group health plan.

RiverValley Behavioral Health Hospital
(Inpatient Adolescent Treatment)
Address:  1000 Industrial Drive
          Owensboro, KY 42301 (Daviess County)
Phone (s):  Outside Daviess County Toll-free (800) 755-8477;
Purpose/Types of Service: Provide inpatient hospital treatment for children suffering from mental-emotional disturbance. Upon admission, each child receives a comprehensive medical, psychiatric and psychological assessment, developmental history, recreation assessment, and an educational evaluation. Our team then develops a treatment program focusing on the specific needs of the child.

Ages of Clients Served: Children ages 9 - 17

Geographic Area Served: Kentucky and surrounding states

Admission Procedure: Admission can be initiated 24 hours a day, seven days per week.

Methods of Payment: RiverValley Behavioral Health Hospital is approved for most commercial health insurance plans and Kentucky and Indiana Medicaid. Our business office can provide information on assessing financial aid as well as benefits or coverage. The business office can assist Kentucky residents in accessing Medicaid payment, which is frequently available in the absence of private insurance.

Licensure or affiliations: Licensed by the Kentucky Cabinet for Human Resources

Ownership: Non-Profit

Contact Person: Bobbi A. Richardson, Victim Advocate / Counselor designated to Hopkins County
Helen Kinton, Executive Director

E-mail: dyrcc@hesenergy.net

Purpose of Agency: Sanctuary’s mission is threefold: to protect, to educate, and to heal. Because our first concern is to offer protection and safety for women and children who are victims of family violence, we offer a comprehensive shelter program for battered women and their dependent children 24 hours a day, seven days a week.

Types of Service: Our second concern is to offer counseling and education, which will enable victims to break the cycle of violence. Services are available such as a 24-hour crisis line; emergency shelter; counseling; casework services; advocacy, drug and alcohol casework.

Geographic Area of Service: Sanctuary is mandated by the Commonwealth of Kentucky to serve the nine counties of the Pennyrile Area Development District.

Eligibility/Application Procedure: Any person who is experiencing or has experienced verbal, emotional, physical, or sexual abuse in a dating relationship or marriage, can take advantage of the services provided by Sanctuary, Inc. It is better to call first.

Cost of Service to Clients: None
**State/National Affiliations:** Kentucky Domestic Violence Association, National Coalition Against Domestic Violence; National Victim Center.

**Note:** Sanctuary accepts women's and children's clothing, and toiletries.

Contact Person: Leon Johnson, Program Director

Hours: 9 am – 5 pm, Monday thru Friday, EST

Service/Purpose of Agency: To develop public awareness that there are assistance options that allow senior citizens (as well as the permanently disabled) to remain independent in their own homes. Without this awareness and assistance, the family may prematurely choose a nursing home, or make an unnecessary retail purchase of power mobility equipment.

Ages of Clients Served: Adults

Requirements: The patient must not be able to walk, and must not be able to self-propel a manual wheelchair in the home. Patient must be capable of safely operating the controls of a power wheelchair.

Application Procedure: Attending physician, physical therapist or occupational therapist will determine the medical necessity for a Power Wheel chair, and complete the necessary forms. Once medical necessity has been established, your physician will sign a prescription for your wheel chair. Case Workers and Case Managers may call for an Application for clients.

Financial Criteria: The patient must have Medicare Part-B coverage. (No HMO’s or patients residing in nursing facilities or on Hospice are eligible). If a patient does not have insurance that provides 100%^ coverage of the power wheelchair, we will still be able to provide them with the equipment at no cost under this program, due to financial hardship. If the patient does not meet all the requirements of the program, help may still be able through our donation program. We accept donations of Power Wheelchairs.
Serenity House, Inc.

**Address:** 845 Sunset Drive (Turn left off of Noel between Sharkey’s West Side Service and Saturday Adventist Church) Madisonville, KY 42431

EIP – Early intervention program May refer generically to a type of program, or specifically to the early intervention program funded by the Kentucky Division of Substance Abuse, which is aimed at high-risk youth and delivered through the Regional Prevention Centers.

ETS – Environmental tobacco smoke

FAE – Fetal alcohol effects Term that has been used to describe children who have all of the diagnostic features of fetal alcohol syndrome, but at less severe levels. In 1996, the Institute of Medicine dropped this term in favor of ARBD and ARND.

FAS – Fetal alcohol syndrome Disorder related to drinking during pregnancy, characterized by growth deficiencies, central nervous system problems, and certain facial features. Affected individuals may have problems with learning, memory, attention span, communication, vision, and/or hearing.

FRYSC – Family Resource and Youth Services Centers System of units in some Kentucky schools to provide various resources for students and their families, such as after-school child daycare, parent and child education, referral to health and social services, and drug and alcohol abuse counseling.

GHB – Gamma Hydroxy Butyrate Central nervous system depressant that has been popular in the dance music scene.

GMH – Short form for KY-ASAP GMH Local Board, covering Grayson, Meade, and Hardin counties Note that the letters “GMH,” and not the names of the counties, are part of the board’s name, in contrast with the names of other multi-county boards.
HHS – (U.S. Department of) Health and Human Services

HIDTA – High Intensity Drug Trafficking Area Designation under which special federal funds are allocated to link local, state, and federal drug enforcement efforts in geographic areas of major drug production, manufacturing, importation, or distribution. The HIDTA Program operates under the Office of National Drug Control Policy.

HLAY – Here’s Looking At You K-12 prevention program.

IOM – Institute Of Medicine Health and science policy research organization under the National Academy of Sciences.

KAODEP – Kentucky Alcohol and Other Drug Education Program Educational program for DUI offenders, developed by Kentucky treatment professionals.

KASPER – Kentucky All Schedule Prescription Electronic Reporting Database for tracking prescriptions for controlled substances in Kentucky.

KCBPP – Kentucky Certification Board for Prevention Professionals Body that determines whether applicants have met the requirements to be designated as a certified prevention professional or prevention associate.

KIDS Now – Kentucky Invests in Developing Success Kentucky initiative with a focus on reducing the number of babies born with alcohol, tobacco, and other-drug-related birth defects. Funds are provided by the state Division of Substance Abuse and the Kentucky Medicaid program for outreach to pregnant women and the provision of ATOD screening, prevention, and treatment services.

KIP – Kentucky Incentives for Prevention Special federal grant program implemented on the state level and in 19 Kentucky communities. Funding ended in 2002.

KTOS – Kentucky Treatment Outcome Study Examines outcomes for substance abuse clients who receive treatment in Kentucky’s 14 Community Mental Health Centers and affiliated substance abuse agencies. Conducted annually through a state Division of Substance Abuse contract with the University of Kentucky Center on Drug and Alcohol Research.

KY-ASAP – Kentucky Agency for Substance Abuse Policy

KY-ACTION – Alliance to Control Tobacco In Our Neighborhoods Umbrella organization for several tobacco reduction agencies and advocates in Kentucky.

KYSAPS – Kentucky Youth Substance Abuse Prevention Strategy

LBC – local board coordinator Term has been replaced with “field representative.” Field representatives provide field assistance to KY-ASAP local boards and prospective boards through a partnership between the state Division of Substance abuse and certain area development districts.
MADD – Mothers Against Drunk Driving

MARS – Management Administrative Reporting System Used in Kentucky state government.

MHMR – (Kentucky Department of) Mental Health/Mental Retardation Also known as DMHMR.

MSA – Master Settlement Agreement Landmark legal settlement between 46 states and the tobacco industry intended to compensate the states for health costs attributed to tobacco use.

MST – Multi-systemic therapy Mental health intervention for high-risk youth.

MTF – Monitoring the Future Ongoing study of the behaviors, attitudes, and values of American secondary school students, college students, and young adults. Conducted at the Institute for Social Research at the University of Michigan.

NACA or NACoA – National Association for Children of Alcoholics

NASADAD – National Association of State Alcohol/Drug Abuse Directors

NCADI – National Clearinghouse for Alcohol and Drug Information Part of the federal Substance Abuse and Mental Health Administration.

NCLB – No Child Left Behind Federal education law under which Safe and Drug-Free Schools and Communities funds are authorized.

NIAAA – National Institute on Alcohol Abuse and Alcoholism Part of the National Institutes of Health.

NIDA – National Institute on Drug Abuse

NOT – Not On Tobacco American Lung Association program to help teens quit smoking.

NREPP – National Registry of Effective Prevention Programs Maintained by the federal Center for Substance Abuse Prevention.

OJJDP – Office of Juvenile Justice and Delinquency Prevention Part of the Office of Justice Programs within the U.S. Department of Justice.

ONDCP – (White House) Office of National Drug Control Policy
Operation UNITE – Unlawful Narcotics Investigation Treatment and Education
Federally funded anti-drug initiative covering 29 counties of U.S. Rep. Hal Rogers’
district in eastern Kentucky.

PDFA – Partnership for a Drug-Free America Non-profit coalition of communications
industry professionals that produces a national anti-drug campaign.

PDFY – Preparing for the Drug-Free Years Prevention program targeting families with
children 8-13-year-olds.

PES – Prevention Enhancement Site These sites provide specialized prevention
services to Kentucky’s Regional Prevention Centers and communities. Funded by the
state Division of Substance Abuse.

PIRE – Pacific Institute for Research and Evaluation National organization with an
office in Louisville.

PRI – Prevention Research Institute Lexington-based non-profit agency. Developed
the Prime for Life programs.

PSA – Public Service Announcement Brief commercial aired on radio or television at
no charge.

PTA – Parent Teacher Association

PTO – Parent Teacher Organization

RADAR – Regional Alcohol and Drug Awareness Resource National Clearinghouse
for Drug and Alcohol Information’s network of prevention organizations. Kentucky’s
Regional Prevention Centers serve as regional RADAR Network Centers.

RAG – (Champions) regional action group

RBS – Responsible Beverage Service Techniques that involve recognizing signs of
intoxication and slowing or refusing service to patrons who may be intoxicated, and
recognizing and refusing sales of alcohol to underage youth. Server Training in Alcohol
Regulations (STAR) and Training for Intervention Procedures (TIPS) are examples of
RBS training programs.

REACH – Resources for Education, Adaptation, Change and Health Inc. Louisville-
based agency with which the Kentucky Division of Substance Abuse contracts for
technical assistance, prevention planning, and evaluation.

RFP – Request for proposals

RPC – Regional Prevention Center
RY – Reconnecting Youth School-based prevention program for youth in grades 9-12 at risk for dropping out of school.

SADD – Students Against Drunk Driving

SALIS – Substance Abuse Librarians and Information Specialists International organization based in California.

SAMHSA – Substance Abuse and Mental Health Administration Agency within the U.S. Department of Health and Human Services.

SAP – Student Assistance Program

SDFSC – Safe and Drug-Free Schools and Communities Category of funds provided to states by the U.S. Department of Education. Also called “Title IV.”

SECAPT – Southeast Center for Applied Prevention Technology

SF or SFP – Strengthening Families Program involving family skills training sessions for children 6-12 years old and their families.

SIG – State incentive grant Provided to states by the Center for Substance Abuse Prevention to strengthen prevention infrastructure. Kentucky’s grant created the Kentucky Incentives for Prevention project and established the KIP school survey.

SMART Moves – Skills Mastery and Resistance Training After-school prevention program proprietary to the Boys and Girls Clubs of America.

SQUADS – Study, Question, Understand, Debrief, Success Program to teach youth how to be advocates for tobacco policy issues.

STAR – Server Training in Alcohol Regulations Training seminar developed by the Kentucky Alcoholic Beverage Control.

Synar – Not an acronym. The Synar Amendment, named for the late Congressman Mike Synar, is a federal law requiring states to restrict and reduce youth access to tobacco products or risk losing block grant funding for alcohol and drug programs.

TA – Technical assistance

TAADUI – Talking About Alcohol – Driving Unimpaired Educational program developed by the Prevention Research Institute for DUI offenders.

TAP – Tobacco Awareness Program Voluntary cessation program for youth.

TATU – Teens Against Tobacco Use Peer-led program to teach young people about tobacco use and to become advocates for tobacco-free communities. Sponsored by the American Lung Association.
TEG – Tobacco Education Group Curriculum often used with students who have violated policies on tobacco use.

TGFD – Too Good For Drugs School-based prevention curriculum for K-12 students.

TIPS – Training for Intervention Procedures Responsible beverage service training program.

TLC – Teen Leadership Conference

TND – Project Towards No Drug Abuse School-based prevention curriculum for high school students.

TNT – Project Towards No Tobacco Use Classroom-based curriculum for ages 10-15.

TOT – Training of trainers

TWYKAA – Talking With Your Kids About Alcohol Former Prevention Research Institute program for parents.

TWYSAA – Talking With Your Students About Alcohol Former Prevention Research Institute program that was used with fifth-grade and middle school students.

WIC – (Special Supplemental Nutrition Program for) Women, Infants, and Children Federally funded program that provides supplemental foods, nutrition counseling, and referrals to health care for low-income pregnant women, new mothers, infants, and children under 5.

YRBSS – Youth Risk Behavior Surveillance System Consists of national, state, and local school-based surveys of ninth- through 12th-graders to measure priority health risk behaviors.
Substance Abuse Questions and Answers

How do I know if someone is using drugs?

It is important to know the signs and symptoms related to the use of drugs. Different drugs produce different symptoms in individuals. For more information, please refer to the following web site from the National Institute on Drug Abuse: http://www.drugabuse.gov/DrugPages/

How can I help a loved one stop using alcohol or other drugs?

Intervention is a process of helping someone recognize how their use of alcohol or other drugs is affecting both themselves and others. There are many ways to intervene with a substance abuser, although at times it can seem very difficult. For more information about intervention, contact the Intervention Resource Center at 1-888-421-4321 or: http://www.interventioninfo.org/

What symptoms should I look for when someone is trying to get off drugs?

Withdrawal symptoms vary, according to how much and what type of drug the person has been using. For a complete listing, refer to the following web site: http://www.drugabuse.gov/DrugPages/DrugsofAbuse.html

Where can I get some help for my drug problem?

There are many resources in the Commonwealth of Kentucky. Please refer to our online treatment directory for a facility near you: http://dmhmrs.chr.state.ky.us/sa/resdir.asp

How do I make an appointment at a treatment center?

Contact the center directly to schedule an appointment. The initial phase of treatment includes an assessment, or evaluation.
How much does treatment cost?

It depends on the type of treatment you are involved in and on how long you remain in treatment. State-funded treatment programs generally use a sliding scale to determine fees. Fees are based on income and family size. Some private insurance will pay for treatment.

How can I tell if a treatment program will help?

That depends on the motivation of the person seeking help, as well as the "fit" between the individual and the program. Here are some questions you can ask when considering a treatment program: http://www.samhsa.gov/centers/csat/content/12tips/index.html
When considering a treatment program for adolescents, consider asking the following questions: http://www.brooklane.org/whitepgs/children/chsubabs.html

What are the rules governing the operation of a substance abuse treatment program or methadone program?

Please refer to state regulations: www.lrc.state.us/kar/TITLE908.HTM

What are the requirements to become a certified alcohol and drug counselor?

Kentucky follows the guidelines established by the CADC Board. Information about the guidelines can be obtained on the following web sites:
www.state.ky.us/agencies/finance/occupations/alcoholdrug/
www.healthed.eku.edu/CADC.htm

Where can I get the training and/or education to become a certified alcohol and drug counselor?

You might check with the community colleges or other universities in your area to see if they offer courses on counseling or addiction counseling. The Division of Substance Abuse co-sponsors an annual conference on addictions held the third week of July at Northern Kentucky University. Training hours and certification training is conducted during this weeklong intensive conference. For more information about the Kentucky School of Alcohol and Other Drug Studies or other Division of Substance Abuse sponsored training events, please refer to "Conference/Events" and "Training" sections of our web site.

How can I become a volunteer working with alcoholics and/or drug addicts?

Many centers in the Commonwealth use volunteers in a variety of capacities. Contact the Regional Mental Health Center in your area and ask for the substance abuse program director. Here is the link to those centers:
http://dmhmrs.chr.state.ky.us/CMHC/

You might also check the following web sites:
www.thehealingplace.org
**Where can I get information about obtaining grants for providing or developing substance abuse services?**

*Please check the following web sites for information on funding resources:*

- www.jointogether.org
- www.samhsa.gov/funding/funding.html
- http://fdncenter.org/

---

**Substance Abuse – Warning Signs of Meth Use**

The warning signs of Meth use are as follows: hyperactivity, wakefulness, loss of appetite, incessant talking, extreme moodiness and irritability, repetitious behaviors such as picking at skin or pulling out hair, false sense of confidence and power, aggressive or violent behavior, and loss of interest in previously enjoyed activities. As effects of the drug wane, the user may sleep for extended periods (24 - 48 hours or more) and exhibit prolonged sluggishness and severe depression.

The paraphernalia of meth use may be observed: syringes, razor blades, drinking straws cut down to 3 - 4”, small zipper-closure plastic bags (1 - 2” square), and small glass pipes.

**Warning signs of meth dealing**

In addition to the signs of use, signs of meth dealing include: lots of traffic – people coming and going at unusual hours, especially at night; residences with windows blacked out, and amounts of cash, for example renters who pay their landlords in cash.

**Warning signs of meth manufacturing**

At a site where methamphetamine is being manufactured, one would likely notice signs of use and dealing, in addition to smelling strong odors (often described as smelling like cat urine) observing large amounts of trash, canisters of denatured alcohol, camping fuel, muratic acid, and/or lye, multiple packages of over-the-counter medications containing pseudoephedrine (most often cold/allergy tablets or diet aids), coffee filters stained red (from red phosphorous used to accelerate the manufacturing process), rock salt, plastic tubing and glass jars, flasks, or cookware.

Most of these items have legitimate household uses, but the typical consumer will not possess ten cans of camping fuel or 20 packages of cold medication.

**Methamphetamine is...**
- A powerfully addictive stimulant that dramatically affects many areas of the central nervous system. The drug can easily be made in clandestine laboratories from relatively inexpensive over-the-counter ingredients and can be purchased at a relatively low cost. These factors make methamphetamine a drug with a high potential for widespread abuse.

- Sometimes referred to as "speed," "meth," and "chalk." In its smoked form it is often referred to as "ice," "crystal," "crank," and "glass."

- Comes in many forms and can be smoked, snorted, injected or orally ingested.

- A white, odorless, bitter tasting crystalline powder that can be easily dissolved in water or alcohol. [http://www.drugabuse.gov/DrugsofAbuse.html](http://www.drugabuse.gov/DrugsofAbuse.html)

Trooper Island
Kentucky State Police

Address of Post: Western Kentucky Parkway
               Nortonville, KY 42442

Address of Trooper Island: Trooper Island is located in a secluded corner of Dale Hollow Lake near the Cumberland and Clinton County line in Kentucky, where an island was leased from the U.S. Army Corps of Engineers, and a non-profit charitable corporation was formed.

Phone at State Police Post: (270) 676-3313

State Police Office Hours: 8 am – 4 pm, Monday – Friday

Website: www.Kentuckystatepolice.org

Mission of Trooper Island: The camping program is dedicated toward the development of one’s self image. Building the physical body through nutritious food and exercise, developing mental capabilities with classroom study and providing spiritual growth through non-denominational chapel services.

Trooper Island Camp was developed by the Kentucky State Police as part of a long range program of public service to the youth of Kentucky: a place where the
tensions and turmoil of our everyday lives can be forgotten; and for one week young people can be given a touch of hope and desire of a better tomorrow.

**The Nortonville State Police Area covers the following counties:** Caldwell, Christian, Crittenden, Hopkins, Todd, Muhlenberg, and Webster Counties.

**Eligibility/Application Procedure:** Call Officer Stu Recke, Public Information Officer

**Ages:** Boys and girls, ages 10 – 12, are selected from each of the sixteen post areas. Each Trooper selects children that may not otherwise have the opportunity to attend a camp.

**Cost:** There is no cost to the campers who attend Trooper Island and there are no restrictions based on race, creed or color.

Volta Program (A New Beginning)
Substance Abuse Treatment Center

Address: PO Box 2200
2400 Russellville Road
% Western State Hospital, Hopkinsville, KY 42241

Admissions Phone: (270) 889-6025, Ext. 406 (day)

Hours for Referrals: 9 am – 4 pm, Monday – Friday

FAX: (270) 886-8944

Website: www.lrc.state.ky.us/KAR/908/003/150.htm

Service: Inpatient Alcohol and Drug Treatment

Geographic Area: Priority will be given to those persons living in the eight counties served by the Pennyroyal Mental Health Department regardless of their involvement with the Mental Health System. If beds are not immediately available, those persons will be placed on a Pennyroyal Area waiting list.

Policy:
The Volta Program is a twenty-eight (28) day, non-medical, voluntary treatment center for alcohol or other substance abuse. As this center is funded through state money, it is operated under the guidelines set forth by state and federal regulations. The following are guidelines adhered to:
1. No person is refused admission on the basis of ability to pay
2. Does not discriminate on the basis of race, color, national origin, sex, age, religion, or disability and provides, on request, reasonable accommodations including auxiliary aids and services necessary to afford an individual with a disability an equal opportunity to participate in all services, programs, and activities.
3. Referrals are accepted from all sources on a voluntary basis.
4. Referrals who do not meet the criteria for admission will be offered an alternate source of treatment.
5. Each individual is expected to participate fully in all phases of the program. Failure to do so will result in discharge from the program.

Admission Criteria:
1. Should have a presenting problem of alcoholism or other substance abuse.
2. Must be at least 24 hours free of alcohol and/or mind/mood altering medication, (i.e. tranquilizers, sedative, hypnotic, or street drugs.)
3. Should be 18 years of age at time of admission.
4. The applicant must be in reasonably good physical condition, able to participate fully in the program when reasonable accommodations are made.
5. Should have change of clothing, including bathrobe and toilet articles. Applicant must have sufficient funds for his return to place of residence.
6. If medication, for a physical problem has been prescribed then a sufficient supply of medication should be brought with the applicant and meet the approval of the Volta Program physician.

Referral for Appointment: When making contact, approximately one week prior to the bed availability, a VOLTA counselor will complete a VOLTA Referral Form. In the event the potential client is not able to be present for treatment on the day they are scheduled, they will be moved to the bottom of the waiting list. They will be instructed to contact the Admissions Counselor (270) 889-6025, ext. 407 on the last working day prior to their appointment no later than 10 am to confirm the appointment. Failure to do so will result in being moved to the bottom of the waiting list. The prospective client or referral source will be given in instruction as to how much clean time they need and what will be necessary for the potential client to bring with them to the admission appointment. Failure to produce those necessary items will result in the termination of the admission process and the applicant will be moved to the bottom of the waiting list. A referral source should send a completed Release of Information with the potential client if they expect a report or any information on their status.
