NICOA is, a 501(c)(3) membership and service organization, founded in 1976 by members of the Tribal Chairman’s Association. Late Honorable, Wendell Chino, was the driving force behind the first NICOA Conference on Aging. Mr. Chino served as the President of the Mescalero Apache Tribe of New Mexico, and the Chairman of the Tribal Chairman’s Association, and also served as the Honorary Chairman of the National Indian Council on Aging. His eloquent, inspirational speech calling for action on behalf of AI/AN Elders was the motivation for the creation of NICOA.

NICOA decided to promote the values of selflessness, integrity, and caring by searching for those individuals who devote their lives in service to others, like Wendell Chino. NICOA shares our creation story so that people of all ages may be inspired by Wendell Chino and people like him that aspire to make life better for others.

NICOA honors caring Americans with a long-standing commitment to advocacy to help improve the comprehensive health, social service and economic well-being of AI/AN Elders.

What characteristics and accomplishments are you looking for in a NICOA Award candidate?
Honoring Our Elders Award recipients are role models who exemplify an extraordinary commitment to public service and social responsibility. Recipients should come from all walks of life, but are united in their deep concern for AI/AN Elders. We seek to honor those who have demonstrated selflessness, exhibited a long-term commitment to service and the betterment of aging services, and who have had a significant impact on the lives of AI/AN Elders in their community, Tribal Nation, and/or nationally. We particularly look for those who have worked with an organization that is centered on serving AI/AN Elders, as well as those whose efforts will last beyond their lifetime.

What are the guidelines to be nominated for the Honoring Our Elders Award?
We classify our Honoring Our Elders Award winners as those candidates who are nominated by a NICOA dues paying member. Only NICOA members may nominate a candidate. If you are uncertain of your membership status, please call 505-292-2001. Any person that fits the characteristics and accomplishments above are eligible for nomination. Nomination forms must be complete and received or post marked by July 7, 2014.

How do I nominate someone for an Honoring Our Elders Award?
Simply complete the form on the front of this sheet and submit it, along with a written (500 word) summary explaining why you think your nominee should be recognized, and the names and phone numbers of people to contact regarding your nominee’s activities. We recommend that a nomination form be supported by two (2) letters of recommendation, one from an upstanding community member and another from a NICOA member. It is beneficial to include newspaper articles, letters, and any additional information to support your nomination. Nominations are accepted each NICOA biennial conference year; however, if a nomination arrives after the deadline, we will consider the nominee for the next biennial conference year.

What is the Honoring Our Elders Award nomination process?
All of the nominations we receive are acknowledged, reviewed, and evaluated. The NICOA nomination committee and staff review every nomination we receive, research those with potential, and provide the NICOA Board of Directors with a broad sampling of finalists. An official ballot is prepared and distributed to our Board of Directors to be voted on. The board then selects one (1) award recipient from each of the three categories, by secret ballot. Once an award recipient is selected, we must confirm with the nominee that they can be present to accept their award at our official ceremony. Finalists not chosen as award recipients can be considered for the award in subsequent years. NICOA will provide a complementary membership, conference registration and complimentary room for two at the Phoenix Sheraton Downtown, for the nights of September 3 & 4, 2014, for each of the three award finalists only. If the finalist is unable to attend in person we will arrange for your award to be shipped to you or presented to your designated conference attending representative. Because NICOA pays for the conference at cost we are not able to offer complimentary travel to Phoenix, AZ. NICOA will notify the awardee in advance to allow reasonable time to arrange for sponsorship from the local community and or Tribe if applicable, for travel and other costs. The complimentary room offer is for the finalist only, and not valid for the conference attending representative.

How are Honoring Our Elders Award recipients honored?
Recipients are invited to a special ceremony held on September 4, 2014 where they are honored for their acts of caring for AI/AN Elders. We present to each winner a beautiful award to display and a framed certificate. Recipients are also profiled in the NICOA Quarterly Newsletter and NICOA Website. Awardees are inducted into the Honoring Our Elders Wall of Fame located in the NICOA National Office, at 10501 Montgomery Blvd., NE. Suite 210, Albuquerque, NM 87111.

Guidelines for Submission of Resolutions
National Indian Council on Aging

A NICOA resolution is a statement adopted by its members to drive change. It indicates opposition or support for a change in government policy. It often requests money for programs, projects or to support policy specific to issues that impact American Indian and Alaska Natives Elders. NICOA works with the National Congress of Americans Indians* to present a political resolution.

The resolutions passed by the NICOA voting members cover a broad range of aging topics and are equally important for providing direction to the organization and serve as advocacy tools with policy makers.

- NICOA resolutions should include concise background information providing the reasoning for the position or action that you want NICOA to take.

- The resolution should address only one topic or issue. The resolution should be complete, so that when adopted it becomes a clear and formal expression of the NICOA Elders.

- NICOA resolutions should be aging related in nature to advocate for the interests of all American Indian and Alaska Native Elders. Resolutions that focus on regional, state or Tribal specific issues are not in order.

- A resolution endorsed by NICOA shall be the policy of NICOA until it is withdrawn or modified by subsequent resolution.

- Resolutions certified by NICOA are passed before a duly called biennial meeting of the National Indian Council on Aging membership at which a quorum is present.

- Each resolution must be submitted by a voting member of NICOA and must indicate the initiating individual or entity.

- The region submitting the resolution must select a NICOA voting member to introduce and defend the resolution before the resolutions committee and or before the voting members of the duly called biennial meeting of NICOA.

- (See sample resolution at www.nicoa.org).

- Resolutions must be submitted to the NICOA Executive Director 45 days before the NICOA Biennial meeting (July 18, 2014). Late resolutions submitted at the biennial meeting will not be accepted for consideration. The Resolutions committee must be provided sufficient time to review the resolutions to ensure that they are in order.

Resolutions must be submitted 45 days prior to the NICOA biennial meeting (July 18, 2014) of its membership.
