Where power meets convenience

With a powerful processor and ample RAM, the Ricoh MP C3003/MP C3503/MP C4503/MP C5503/MP C6003 enables your entire workgroup to produce impressive, fast-paced output. Streamline workflow and simplify execution with the one-click, preset interface driver or optional Adobe® PostScript® 3™ driver. When quality is the first choice

The MFP recalibrates as documents are processed for more stability with minimal color deterioration. Every page is delivered with crisp, vibrant, affordable color using patented PxP®-EQ toner at up to 1200 dpi — even on thicker paper stocks up to 300 gsm/110 lb. cover. Paper capacity is an astounding 4,700 sheets with optional sources and the standard paper tray accepts a wide range of paper sizes, including envelopes. Plus, optional SRA3/12.6" x 17.7" support gives in-house graphic designers the ability to print crop marks for full-bleed printing.

How organizations maintain better print control

Choose the optional Fiery® Controller for compelling, professional-grade output — including photos, brochures, flyers and more — on a wider range of paper stocks. Ideal for graphics-intensive environments, the controller offers exceptional enhanced spot-color reproduction with RGB, CMYK and PANTONE® colors. Plus, its easy-to-use Command WorkStation utility simplifies even the most complex print tasks, so documents can be created, reprinted or combined with ease.
Customization for faster, smarter workflow

Capture and share documents
Choose the Ricoh MP C3003/MP C3503/MP C4503/MP C5503/MP C6003 to share your best ideas in better ways. Monochrome and color scanned documents can be sent to multiple recipients with Scan-to-Email/Folder/URL/FTP. Compress file sizes for full-color scans and send them easily without compromising image quality. Take advantage of centralized Distributed Scan Management (DSM) while following specific preferences and rules to automate document tasks and improve productivity. The innovative MFP also lets you send faxes directly from a PC and automatically routes inbound faxes to e-mail addresses or network folders for fast, secure delivery.

Work quickly, efficiently
Greater productivity comes automatically with the Ricoh MP C3003/MP C3503/MP C4503/MP C5503/MP C6003.
