November 2003

The man behind the president (part 2): John B Wilding, ICES president
Darrell Smart
December/January 2004

Confronting the present to face the future: Roger Knowles, President, QSi
Darrell Smart
July/August 2004

Pure malt of a man: Robert Fleming, ICES President
Darrell Smart
November 2004

The lawnmower man: In conversation with the ICE’s youngest ever president, Colin Clinton
Darrell Smart
February 2005

Bringing home the bacon: John MD Bacon, ICES president
Darrell Smart
November 2005

On song with Gordon Masterton, ICE President
Darrell Smart
February 2006

Preparing the next generation: Robin Jones, the new SURCO Director of Training
Darrell Smart
April 2006

Mister Ed: Ed Danson, ICES President
Darrell Smart
November 2006

Right on Q: Quentin Leiper, president of the ICE
Darrell Smart
December/January 2007

The constructor: ICES CEO, Chris Deighton
Darrell Smart
February 2007

Mister ICES: Kevin Blackwell, ICES retiring chief executive
Darrell Smart
March 2007

Environmentally friendly: Mike Sutton, ICES President
Darrell Smart
November 2007

The theodolite is mightier than both pen and sword: CES meets ICE president David Orr
Darrell Smart
February 2008

The world according to Steve: Part 1
New ICES president, Steve Jackson
Darrell Smart
November 2008

The world according to Steve: Part 2
New ICES president, Steve Jackson
Darrell Smart
December/January 2009

Arrested development: Taking ICES from good to great
New ICES CEO, Bill Pryke
Darrell Smart
February 2009

True Olympian: John Armitt CBE FREng FICE, Chairman of the Olympic Delivery Authority
Darrell Smart
February 2009

Old mother Thames: Jean Venables, president of the ICE
Darrell Smart
March 2009

The top 40: Civil Engineering Surveyor’s celebratory lunch for past presidents and chairmen
Darrell Smart and Abigail Tomkins
March 2009

Life through a lens: Interview with Mark Brender, GeoEye
Abigail Tomkins
December/January 2010

Breaking free: ICES presidential interview with Ken Hall
Darrell Smart
December/January 2010

En garde: Interview with Graham Watts OBE, Construction Industry Council
Abigail Tomkins
February 2010
Tackling corruption in construction: Interview with Chandrashekar Krishnan, Executive Director of Transparency International UK
Abigail Tomkins
March 2010

A man for all systems: Interview with Paul Jowitt, president of the Institution of Civil Engineers
Abigail Tomkins and Darrell Smart
April 2010

Q&A on the NEC supply: Interview with Nigel Shaw, chair of the ICE’s specialist NEC panel
Darrell Smart
April 2010

This is civil engineering: The Hoover Dam Bypass. Interview with Dave Zanetell, Project Manager, Federal Highway Administration
Abigail Tomkins
June 2010

Life in the fast lane: Interview with Graham Mills, President of The Survey Association
Darrell Smart and Abigail Tomkins
July/August 2010

A certain voice: Rosemary Beales, National Director of the Civil Engineering Contractors Association
Abigail Tomkins
December/January 2011

Bettering the journey into work: Interview with Rodney Bennion MRICS FCIOB FRSA, Chairman, Construction Youth Trust
Abigail Tomkins
February 2011

The man who: Peter Hansford, 146th president of the Institution of Civil Engineers
Darrell Smart and Abigail Tomkins
March 2011

UNNC: Teaching overseas
Interview with Professor Gethin Roberts, University of Nottingham Ningbo, China
Darrell Smart
May 2011

Things that go bump in the night: Introducing Jason Smith, new ICES president
Darrell Smart and Abigail Tomkins
June 2011

All that jazz
Darrell Smart interviews Richard Coackley, ICE President
February 2012

Leader of the pack
CES editor, Darrell Smart, chats with the new ICES president, Alan Barrow
October 2012

Speeding up the pace of change
Heather Bryant, HM Chief Inspector (Construction) Health & Safety Executive, meets Darrell Smart and Abigail Tomkins
September 2013
