It’s perfect for clubs and organisations that may be too small to arrange their own outings or you can gather together a group of friends and share out the saving! You need to make your booking direct with us and please note that for concert and theatre tours, your free place will be for the coach seat only. If you have your own tickets for an event or you’re looking for a convenient way to visit friends or family, then please ask for a ‘Fare only’ seat. They’re available on many of our all-inclusive packages, most day trips to London, events and concerts – and for visits to National Trust, English Heritage, HHA and RHS properties.

Some of our extra special tours may include a set menu meal. Vegetarian options are usually available by prior arrangement, so please don’t hesitate to ask for further details.

A one-way ticket?

If there is a particular show or event you’d like to see, why not give us a call or send an e-mail to check whether or not we are intending to feature it? If it’s not already on sale, we will then let you know if we add it later! Destinations we hope to have on sale soon include the Strictly Come Dancing live shows and the Rolling Stones Exhibition at The Saatchi Gallery!

“Could you please give many thanks to both Ken the driver for his faultless driving abroad and especially Derek for the Ypres Salient tour we have just been on. It was our first time on a touring coach trip and I must say what a brilliant service it was”

“I would just like to say that we had a fantastic trip to see Jersey Boys in London. Your driver Carl was excellent and very friendly. We wouldn’t have asked for better seats in the theatre. Thanks for a great day out we will certainly book with Shaw’s again”

“We have returned from the Dorset gardens trip and feel we must let you know how we enjoyed the trip. Lee the driver was fantastic both in interesting info and very safe thoughtful driving. The coach was always immaculate”

<td>This year’s concert commemorates the 75th anniversary of the Battle of Britain, with the Bands of the Royal Air Force presenting an evocative and rousing evening of musical entertainment that captures the essence of 1940’s Britain and tells the story of how the spirit and capability of those who took part endures in the professionalism of the people who make up today’s RAF. Compered, as usual, by either Ken Bruce, Alan Dedicoat or Lynn Bowles from Radio 2.</td>

We reserve the right to withdraw any excursion due to lack of support or circumstances beyond our control. Any such cancellation would usually be made no later than one week before departure and, in this instance, your fare would be refunded in full and this would be the limit of our liability.

**Child Fares**
Usually apply from ages 3 to 16 inclusive, but age limits may vary on some tours. Children under 3 can usually travel free if they do not require a seat on the coach. Under 16’s must be escorted by an adult.

**Coach Seating**
Seat numbers are usually allocated in order of booking but we hold two front seats for ‘Registered Disabled’ passengers and also reserve the right to alter seating arrangements if necessary.

**Coach Tickets**
Please hand your coach ticket to the driver when you board. Admission tickets for shows, concerts, etc. will normally be given to you by our driver during the journey.

**Departure Times**
During the journey, our driver will announce departure times from each stop. Please make sure you note these details carefully. If you are late, we will have to leave without you, to avoid inconvenience to the other passengers. If that should happen, we will not be liable for any costs you incur. We will always try to contact you on your mobile phone if you have given us the number).

**Health & Safety**
If you wish to board the coach with items other than normal hand luggage or suitcases, please obtain our consent at the time of booking. We reserve the right to refuse permission to board if we consider a passenger has any items or equipment that will be detrimental to the health and safety of our staff and/or other customers. Our drivers are not allowed to take any action that may put at risk their health, safety, welfare or the legal requirements for a break in duty. Smoking is not permitted on board.

**Meeting Friends**
We always try to park in a convenient, central location, whenever possible, but sometimes arrangements may have to be amended on the day. May we suggest that you plan to meet at a well-known landmark or café and also exchange mobile phone numbers?

**Mobile Phones**
If you need to use a mobile whilst on the coach, please keep your conversation as quiet and as brief as possible to avoid distracting your driver and to minimise disturbance to other passengers.

**Pets**
Assistance dogs are welcome on board our tours but other animals are not allowed.

**Special Care for Disabled Customers**
Some excursions may involve long journeys or long walks and some visitor attractions (especially theatres) may have steps and no lifts. We make a special effort to help less able customers and if you tell us about your disability before you book, it will help us to help you. On each tour, two front seats are reserved for the use of a Registered Disabled passenger and their companion. At your own risk, we are happy to carry a limited number of wheelchairs, walkers and scooters, although they cannot be secured in the luggage compartment and we cannot be held responsible for any damage to them. Wheelchair and scooter users must be accompanied by someone who is able to take charge of the chair (or scooter) and, where appropriate dismantle and reassemble it, disconnect any batteries and load it into the luggage area. No individual piece of equipment should weigh more than 15 kgs and Schedule 3 scooters are not permitted under any circumstances. Our drivers are happy to provide general assistance but cannot provide help that extends to the lifting and carrying of any passenger or their wheelchair or scooter, nor to act as carers for any customer.

**Your Health**
You may wish to consult your doctor, before undertaking a coach journey of more than 3 hours, if you have ever had DVT or pulmonary embolism; a family history of clotting conditions; an inherited tendency to clot; cancer, or treatment for cancer in the past; undergone major surgery in the last 3 months; had hip or knee replacement within the last 3 months; ever suffered from a stroke, heart or lung disease.

It is always our intention to operate an excursion in accordance with the published itinerary, but we reserve the right to cancel or amend any excursion, should circumstances make this necessary, either prior to or during an outing. We cannot accept liability for changes that are made necessary by events or actions by persons beyond our control.

All arrangements made for meals, visits, theatre, etc., and for the use of road vehicles, trains, or any other means of conveyance operated by persons or bodies other than ourselves, are made by us as agents for and on behalf of our passengers and on the express conditions that we will not be responsible for any loss, damage, injury, delays or inconvenience caused to or sustained by passengers other than by the negligence of the Firm and its employees who are under the direct control of the Firm. Any terms and conditions imposed by such other contractors through the Firm shall be binding on the passengers as if they had directly contracted such services. The allocation of theatre and event seats is at our discretion and maybe subject to change. We cannot guarantee specific locations and theatre castings always remain subject to change. No refunds will be given in the event of anyone not appearing.

All special offers are subject to the Firm’s rules and conditions that are currently in force and our day excursions are operated subject to our standard terms and conditions of carriage, a copy of which is available from our office. We also reserve the right to pass on any increases in costs that are outside our control, e.g. VAT, fuel prices, etc.

**Complaints**
If you have a complaint during a tour, please inform our driver in the first instance so that he/she may do his/her best to assist you. If you wish to make further representation on your return, please write to us within 21 days after the date of travel. We will not respond to any complaints received later than this time.

Pick up points in Huntingdon (outside Dunelm Millshop in Ermine Street) or Buckden (outside the Lion Hotel in the High Street) are offered on certain tours.

For customers in Stanground, we can offer an additional set-down point opposite the Fenman (on Whittlesey Road) on routes 2, 3 and 7, which you should request in advance when making your reservation.

In Stamford, the landlord of the Danish Invader (in Empingham Road) has kindly given permission for our customers to use his car park in return for a small donation to his chosen charity. Please put your donation in an envelope, write your car registration number on the envelope and post it through the pub letterbox – and please be sure to park your car at the back of the pub.

We can also offer limited free parking facilities at our garage in Maxey, but please remember that you park at your own risk and you need to pre-book a space at the time you make your reservation.

If you would like further information about timings for any of our tours before you book then please ask—we are only too happy to help!
