Lead The Way.

Online Executive MBA
AN ADVANCED EDUCATION FOR EXECUTIVES

The online Executive MBA program facilitates the continued development of experienced business leaders through comprehensive study of the high-level business topics that are shaping the global business landscape. Highly engaging and fully online, the program features a robust curriculum that cultivates the tangible skills today’s executives find important to successfully analyze and synthesize information.

Executive MBA students learn to craft high-level business strategies to help them succeed on the vanguard of international business, entrepreneurship, and innovation. Featuring a highly collaborative and interactive learning environment that builds lasting business relationships, the program improves the capacity for critical thinking and strategic decision making, while developing a strong foundation in problem solving, ethics, and global leadership.

A PRESTIGIOUS AND PROUD UNIVERSITY

Established in 1890 as the state of Washington’s original land grant university, our history is filled with accomplishment, innovation, and positive impact on business, public policy, society, and the global economy. As a regionally accredited public research university, we have spent more than a century helping transform lives and communities through education. Today, we are redefining the standards of quality for higher education on campus and online.

The WSU Carson College of Business is among just two percent of business schools in the entire world to achieve accreditation from the Association to Advance Collegiate Schools of Business International (AACSB) at the bachelor’s, master’s, and doctoral levels. Our world-class educators are uniquely qualified both academically and experientially – delivering personal attention, applied learning opportunities and live projects taken directly from the real world of business. This combination delivers a highly relevant, advanced business education that can prepare the next generation of managers, leaders, entrepreneurs and innovators for long-term success.

“The online EMBA program helped me transition to a new management position less than 3 months after completing the program.”

INTERNATIONAL FIELD STUDY (OPTIONAL)

The Washington State University Carson College of Business offers online Executive MBA students the opportunity to travel to China and Vietnam for a week-long residency. Those who opt to attend will gain a firsthand perspective on one of the world’s fastest growing economies. Students will travel to the cities of Beijing and Ho Chi Minh City to get an inside look at businesses such as Nike, Boeing, Porsche, Baosteel, Han Kun law firm, and Careers International. Depending on the professional interests of the traveling students, other types of businesses may be included in the itinerary.

Students will also be encouraged to explore the Chinese and Vietnamese culture. Free time will be allotted for personal activities, including the following tours:

- The Great Wall
- Tiananmen Square and the Forbidden City
- Terra Cotta Soldiers Museum
- Everlasting Sorrow Show

Previous participants have found the trip to be rewarding, not only by reinforcing what is learned in class, but also offering an opportunity to network with classmates and foreign business leaders. We hope you will join us on our next journey!

“...In business, it is very helpful to understand cultures and foreign markets. I can say confidently that I gained more insight into the cultures of China and Vietnam through our visit then I ever could have by reading or class alone. It was also interesting to return home and reinforce so many of my international experiences with our International Business class.”
