About BFCN

The Black Foundation of Community Networks (BFCN) is a non-profit organization created to network established community resources and groups, to strengthen the Black family unit and to improve student achievement. The organization is based out of Woodbridge, Ontario and serves the communities in the Greater Toronto Area. BFCN has introduced various initiatives such as our Friday Focus Program, our Parent Forum, our annual scholarships and bursaries, our Scholarship Directory, a Community Calendar and extensive resources for members of our community.

Friday Focus is a weekly program implemented to engage the students and parents. The students have the opportunity to improve math literacy, learn Black history and enjoy recreational activities while refining social and life skills. Students gather every Friday evening to participate in this growing program at Woodbridge Public School. The parents engage in a Parent Forum where weekly discussions and workshops take place. Both the students and parents are in a positive learning environment during the course of the program.

Each year BFCN awards two annual scholarships; one for a graduating high school student pursuing post-secondary education in Canada and one for a student already pursuing post-secondary education. These $1,000 awards are granted to students who have achieved academic success and demonstrated community involvement, leadership qualities and financial need. This year, we will be awarding a third award to a student who has overcome adversity. The 4th Annual BFCN Scholarships are due on July 31, 2015.

The BFCN Scholarship Directory is one of our most important initiatives. We believe that every student should have access to an updated, current and informative guide listing various scholarships and bursaries. Each year, thousands of dollars go unclaimed because students are unaware of these available awards. Our hope is that this directory will guide students, parents and educators in the right direction towards earning scholarships to help pay for post-secondary education. We strongly believe that education is important for the advancement and success of our youth in the community. Student achievement is one of our main goals and access to scholarships and resources can help students achieve their academic aspirations.

Together we can strengthen the Black family unit and improve student achievement, one student, one adult, one family at a time.
President’s Message

Dear Students, Parents and Educators,

On behalf of the BFCN Family, I would like to introduce you to the 3rd Annual BFCN Scholarship Directory. We hope that you will find this resource informative, useful and beneficial whether you are a student, parent or educator. We believe that education is one of the keys to success and that all youth should have the opportunity to attain further education in their academic careers. Scholarships and bursaries help makes these goals achievable by financially assisting students.

We created this directory to highlight existing scholarships, bursaries and awards that are available for students pursuing post-secondary education in Canada. We have included 40 scholarships in this directory and we hope that each one is awarded to a youth in our community. Each page represents a different award. A summary of the criteria as well as all the important information including the value and due date can be found under each award. We have also included a personalized checklist at the bottom of each page. However, it is very important to make sure that you read the criteria and instructions of each scholarship very carefully on the organization’s website or application. BFCN is not liable for any inaccuracies which may appear in this document. Any date with an asterisk (*) means that the exact date was not confirmed at the time of publication.

This project is a work in progress and will be updated each year. If you are an organization or an individual who knows of any other scholarships which were not included in this directory, please forward the information to us at info@bfcn.ca. We would love to include them!

For more information regarding this Scholarship Directory or BFCN, please contact us at info@bfcn.ca or at 416-566-2731. Don’t forget to like our page on Facebook and follow us on Twitter!

Thank you for your continued support.

Cheryl Yarde
President
Scholarship Application Tips & Tricks

✓ Confirm that you are eligible for the award and meet all criteria.

✓ Prepare in advance and give yourself enough time to complete the application.

✓ Read the instructions very carefully. One small error can eliminate your application!

✓ Do a practice/rough copy before completing the real application.

✓ Use a black pen ONLY, unless otherwise specified!

✓ Proofread 3 times and then send it to a friend to proofread again!

✓ Ask a professional (e.g. teacher, coach, or employer) that can provide a good reference. Give your references enough time to prepare your reference letters. If possible, ask for the letters to be typed on letterhead.

✓ Order a sufficient amount of transcripts, especially before the school year ends.

✓ Triple-check your application package to ensure all documents are included.

✓ Take note of the Due Date. Does the application need to be received by the date or only post-marked (in the post office by the date)?

✓ Always have enough stamps and envelopes ready to go. Check at the post office! You can also find out if you’re able to submit your application online so you can save money and trees!

✓ Contact the organization a week after sending to ensure receipt of your application.

✓ Write a generic 500 word letter outlining your goals, achievements, academic and career plans. Most scholarships require a letter or essay of some form. If you have a generic one completed, all you have to do is modify it to satisfy the criteria of the scholarship you are applying for!

✓ The tip above also applies for Cover Letters and Resumes!

✓ When writing, be yourself and be honest! Try to set yourself apart from others! Don’t just list your accomplishments or activities. Explain them and demonstrate why they should make you more qualified for an award.

✓ Always write a thank you letter or email, regardless of if you are successful or not!

✓ Have a question? Call BFCN at 416-566-2731 or contact us via email or social media!
Name: 3M National Student Fellowship
Value: $5,000
Available: Varies
Due Date: January 12, 2015
Organization: 3M Canada
Address: Society for Teaching & Learning in Higher Education
Mills Memorial Library
