The printed version of the catalog is provided as a guide. The official catalog is online at the college web site. Consult the online catalog for the most up to date information. NMSU-A reserves the right to change at any time and without notice any item contained in this publication, including program offerings and content, course offerings and descriptions, procedures, policies, and regulations.
Thank you for choosing NMSU Alamogordo (NMSU-A) for your educational needs. We are a comprehensive community college offering a strong liberal arts program for those seeking an Associate of Arts or Associate of Science degree. We also have state of the art career and technical programs designed to prepare you to enter the world of work or to upgrade your skills that will keep up with a changing workforce.

If you are planning to pursue a four-year degree, NMSU-A is a great place to start. We have excellent faculty and staff, and our average class sizes are smaller than what you will find at most universities. We are also an excellent value. You can earn credits toward more advanced degrees and save money at the same time. NMSU-A is a member of the NMSU system. Therefore, we have two four-year degrees that you can also access right here in Alamogordo: the Bachelor’s degree in Elementary Education and the Bachelor’s degree in Nursing.

If you are interested in a career that does not require a four-year degree, we offer many programs that will help you prepare to enter those fields. We have the latest facilities and highly qualified instructors in the areas who will assist you with your programs.

Our Student Services staff is excellent, and they are committed to helping you with information and services that will help you with registration, advising, financial aid, counseling and academic accommodations. Please make sure you meet with your advisor on a regular basis so you know your path to degree completion. Our honorary student group, Phi Theta Kappa (PTK), asks you to sign their Completion Wall. Your signature designates your commitment to degree completion.

NMSU-A is a Quality Matters (QM) institution. The QM Program is a nationally recognized peer review process that certifies the quality of online courses. Colleges and universities across the nation use the QM process to develop, maintain and review online courses. When you enroll and complete an online course from NMSU-A, you know you have enrolled in a quality course.

Our web page is now fully accessible on mobile devices. Please be sure to visit the page at www.nmsua.edu. The NMSU system is also moving towards a more common look for all web pages within the system. Please stay tuned on this one, and if you have any questions, please do not hesitate to ask us for assistance.

87 INDEX
The purposes of NMSU’s community college campuses are to make two years of college education available to students in their home environment; to provide a high quality program of education for all students, both full-time and part-time; and to provide career technical courses.

The community colleges provide lower division general education courses of the same quality and kind as are offered on the Las Cruces campus. Courses offered for transfer credit are coordinated with the appropriate department and college at the Las Cruces campus, can be transferred to other two-year and four-year colleges and universities, and are consistent with Veterans Administration and Social Security Administration regulations. Students attending a community college of NMSU are enrolled as New Mexico State University students and may change campuses if they meet Las Cruces campus admissions requirements.

New Mexico State University Alamogordo (NMSU-A) is situated in the foothills, at the base of the Sacramento Mountains. This vantage point overlooks the city of Alamogordo and the Tularosa Basin. The service area of the college includes Holloman Air Force Base (HAFB), White Sands Missile Range, and stretches beyond the view to include the Mescalero Apache Reservation and approximately twenty villages and towns in Otero County. Much of the south central New Mexico region benefits from the convenient location of the campus.

NMSU-A was established in 1958 with an initial enrollment of 278 students. The classes were held at night on the Alamogordo High School campus. The objective of this post-secondary educational venture was to serve the military and civilian personnel from HAFB, as well as students from the local non-military population.

Over the years enrollment has expanded. At the same time, the number and the character of students’ objectives have also grown. The basic two-year traditional university-credited education has been expanded and enriched. NMSU-A has evolved from offering only two-year traditional education courses to providing career/technical programs and courses for personal enrichment as well as selected bachelor completion programs through New Mexico State University (NMSU) Las Cruces Distance Education.

NMSU-A is a two-year comprehensive community college dedicated to the concept of high-quality, cost-effective education that meets the needs of a diverse community. While some students continue to value the long established core courses, others seek alternatives to the traditional liberal arts education.

The mission of New Mexico State University Alamogordo is to provide quality learning opportunities for individuals in the diverse communities we serve.

NMSU-A is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools. The latest accreditation visit to the campus by the Higher Learning Commission was in February, 2013. The HLC may be contacted at the Higher Learning Commission, 230 South LaSalle Street, Suite 7-500, Chicago, IL 60604-1411, (800) 621-7440, or info@hlcommission.org.

In addition to taking basic courses toward a bachelor degree, NMSU-A students can pursue the following associate degrees and certificates:

**ASSOCIATE DEGREE PROGRAMS**
- Arts
- Criminal Justice
- Early Childhood
- Education
- Fine Arts
- General Engineering
- General Studies
- Prebusiness
- Science
- Social Services

**ASSOCIATE IN APPLIED SCIENCE DEGREE PROGRAMS**
- Automotive and Hybrid Technology
- Biomedical Equipment Technology

Web Mastery

Gainful Employment Disclosure: At public and private not-for-profit institutions, gainful employment programs are Title IV-eligible certificate programs. Effective July 1, 2011, the U.S. Department of Education requires schools with Gainful Employment programs to disclose certain information about these programs. This information can be found at http://nmsua.edu/documents/gainful-employment-disclosure.pdf

Course Completion Certificates: NMSU-A offers course completion certificates in Nursing Assistant and Phlebotomy. Course completion certificates indicate that the student has successfully completed requirements of the course and is eligible to take a national certification exam. Course completion certificates are not recorded on transcripts, do not become part of a student’s permanent academic record, and are not eligible for federal financial aid.

Abitur Program: Family members of German military stationed at HAFB can complete the Associate of Arts and the Abitur requirements concurrently at NMSU-A. The Abitur program was jointly designed by NMSU-A and the German Air Force to bridge the differences between the German and American educational systems. It was initially approved in 1997 and was formally approved by the German Ministry of Education in October 2002. For further information regarding admissions requirements, contact the Vice President for Student Success located in the Student Services Building. Once admitted to the university, visit with an Academic Advisor for degree and course information.

ADMISSIONS

A student may be accepted for undergraduate admission to NMSU-A as a degree-seeking student or a nondegree student under the policies and conditions as set forth in this section.

DEGREE-SEEKING ADMISSION

REGULAR STUDENT (first time at any college)

Requirements for admission as a regular student include the following:

• Formal application for admission. A $20 non-refundable admission fee payable upon application.
• An official transcript of the student's high school credits or General Education Development (GED) scores. Transcripts must be sent directly from the high school or GED Testing Center to:
  NMSU Alamogordo
  Admissions & Records Office

Students who attended a college or university while in high school must request to have official transcripts forwarded directly to the Admissions Office by the Registrar of each college or educational institution previously attended.

Note: If the high school transcripts or GED test results do not provide adequate information for a final admission’s decision, NMSU-A may require the applicant to submit official results of the American College Testing (ACT) Program test battery.

Qualifications for admission to New Mexico State University Alamogordo include:

• Graduation from any state high school or academy in the United States accredited by a regional accrediting association or approved by a state department of education or state universities, or
• A minimum of a GED diploma (in English; minimum score 450).

Home School Students: Students enrolled in a home school program may be accepted to NMSU Alamogordo if they meet the requirements for regular admission. In addition, the home school educator must submit a signed transcript or document that lists the courses completed and grades earned by the student as well as indicate the date the student completed or graduated from the home school program. Home school students who are New Mexico residents and wish to participate in the Lottery Success Scholarship program are required to submit official New Mexico GED (in English) test results.

TRANSFER STUDENT

Transfer students from other colleges or universities may be admitted to NMSU-A if they have at least a C (2.0) cumulative grade point average (GPA) and are eligible to return to the college or university last attended.

Requirements for admission as a transfer student include the following:

• Formal application for admission. A $20 non-refundable admission fee payable upon application.
• Transfer students from other colleges or universities must submit a degree (regular) application, an official transcript from all colleges previously attended (this includes Community College of the Air Force), and an official copy of their high school or GED transcript.
• High school transcripts and GED scores will be waived when a student has completed 30 academic semester hours at a previously attended regionally accredited college/university. However, these transcripts may be required for Financial Aid.

Any transfer student who has less than a 2.0 cumulative GPA (Grade Point Average) from his/her previous college(s) and/or vocational school(s) must submit a letter of appeal to the Admissions Appeal Board for admission to NMSU-A.
Transcripts: All transcripts must be sent directly to the NMSU-A Admissions & Records Office by the Registrar of each institution attended. A student who conceals the fact that he/she has attended another college or university and who does not have the Registrar submit a transcript for each institution, whether or not credit was earned, will be subject to immediate suspension.

Transfer of Credits at NMSU: NMSU evaluates courses from post-secondary institutions that are regionally accredited or are candidates for regional accreditation. Transfer students will receive full credit for course work completed with a grade of C or better, provided the classes are similar or equivalent to courses offered at NMSU. A transfer student may, on the basis of an evaluation of his or her transcripts, receive credit for courses taken at other institutions in which a grade of D was received. However, NMSU does not accept the transfer of courses with D grades that satisfy basic academic competency (basic skills) in English and mathematics. NMSU will not accept transfer credit for four-credit basic skills courses (such as ENGL 111G and CCDM 114N) when the incoming course carries less than three credit hours. Also, colleges or departments may choose to accept only courses graded C or higher in their programs for both transfer and native students. Any lower-division course from another institution receiving transfer credit from NMSU at the 300 or above level will still count as a lower-division course. Transcripts will be re-evaluated when students transfer from one NMSU college to another.

Each college determines which transferred courses are applicable toward a degree or a minor.

Grades earned in courses taken at other institutions are not included in the calculation of the NMSU GPA, except for grades earned by approved National Student Exchange students.

Evaluation of Transfer Credits: Once a student is admitted to NMSU-A, transcripts are forwarded to the Registrar’s Office at NMSU Las Cruces for evaluation. Credits from non-accredited institutions may be evaluated by the student’s academic dean after the student has completed two semesters in full-time status with satisfactory grades.

CLEP credits, DANTES, USAFI, transfer, and course challenge credits cannot be used as part of the student’s last 15 semester credits of an associate degree. No more than six credits of courses in religion will be transferred.

Currently enrolled students must obtain prior approval from their academic dean before work taken at another institution may apply toward meeting graduation requirements.

Transferring Courses to Fulfill the New Mexico General Education Common Core: During the 2005 New Mexico Legislative session, Senate Bill 161, consistent with requirements of state law (Chapter 224 of the Laws of New Mexico, 1995 as amended) was signed into law to further enhance and facilitate the articulation of general education courses among New Mexico’s colleges and universities. In accordance with policies established by the New Mexico Higher Education Department, designated general education core courses successfully completed at any regionally accredited public institution of higher education in New Mexico are guaranteed to transfer to any New Mexico public institution. Students who have decided on a major and/or an institution at which to complete their studies should consult with an Academic Advisor at that particular institution to determine the most appropriate course selections. Students enrolling for the first year of study at a New Mexico college or university and considering possible transfer into a certificate and/or degree program at another institution are encouraged to take the courses approved for transfer during their freshman and sophomore years of study.

The core matrix of approved courses guaranteed to transfer and meet general education requirements at any New Mexico college or university can be found on the New Mexico Higher Education Department web site at www.hed.state.nm.us. Courses are listed by institution, whether university or community college, under each of the five general education areas. The courses for New Mexico State University are listed in the required courses section of this catalog.

Transferring Courses within Degree Programs: To facilitate the transfer of courses within certain degree programs, New Mexico colleges and universities have collaborated to develop transferable discipline modules. These are composed of an agreed upon number of hours and courses. When discipline module courses are taken in addition to the 35-hour general education core, the total number of hours in a transfer module is approximately 64.

For information on the transferable discipline module for Business, see the Las Cruces catalog College of Business chapter. For information on the transferable discipline module for Early Childhood Education, see the College of Education chapter. Information on all available statewide transfer modules can be found on the New Mexico Higher Education Department web site at www.hed.state.nm.us.

Student Responsibility: Planning for effective transfer with maximum efficiency is ultimately the student’s responsibility. Responsible transfer planning includes early and regular consultation with the intended degree-granting institution to assure that all pre-transfer coursework will meet the requirements of the desired degree.

Transfer Credit Appeal Process: All New Mexico public post-secondary institutions are required to establish policies and practices for receiving and resolving complaints from students or from other complainants regarding the transfer of coursework from other public institutions in the state. A copy of NMSU’s transfer credit policy may be obtained from the Office of the Registrar or from the Deputy Secretary for Academic Affairs, Higher Education Department, 2048 Galisteo St., Santa Fe, NM 87505-2100.

Out-of-State Students and Legal Jurisdiction: By applying for admission/enrollment, both the student and parents agree that New Mexico law prevails and all litigation will be in
federal court in New Mexico or in state court in Dona Ana County, New Mexico.

NONDEGREE ADMISSION

Nondegree admission is designed to meet the needs of mature, part-time students who do not wish to pursue a degree at this university. Courses taken in this status may not be used to meet university admission requirements.

Students on nondegree status are not eligible to receive financial aid or student employment; nor are they eligible to participate in student government or intercollegiate athletics; nor are they eligible to receive benefits from any veterans’ program.

Students interested in using nondegree credit for initial teacher certification or recertification in a new field need to contact the College of Education. Transcripts from previous institutions, high school, and/or results of college entrance exams may be required to assure readiness for university-level courses. A $20 non-refundable, non-degree application fee is required. Nondegree students may not transfer more than 30 credits from this status to any undergraduate degree program with the exception of students participating in a high school concurrent enrollment program.

Nondegree students are subject to the same university regulations as regular students.

Nondegree Special Admission Programs for High School Students

Dual Credit for High School Students: Students who attend a public high school, a charter school, or a state supported school are required to participate in a college experience if their entrance to high school is 2009-2010 school year or later. High school students may complete the requirement by taking: 1) an Honors course, 2) an Advanced Placement (AP) course, 3) an Online course through the high school and/or, 4) an approved Dual Credit college course at NMSU-A. This program is designed to enhance and supplement the high school curriculum, not duplicate or replace it; therefore, there may be limitations on class choice.

High school students who wish to take college courses at NMSU-A must meet the following requirements: Sophomores with a 3.75 or better GPA for academic courses; 2.5 GPA or higher for technical/vocational courses. Juniors and Seniors with a 3.0 GPA or higher for academic courses; 2.0 GPA or higher for technical/vocational courses. The course a student is allowed to take is based on their GPA, placement assessment results, and the courses authorized by their high school.

All first-time Dual Credit students will be required to take COLL 101 (College/Life Success) as their first course before any other courses can be taken.

Students participating in this program at NMSU-A will have their tuition and general fees waived by the college. Students will be responsible for lab fees and any other course specific fees. For approved courses (each high school will have a specific list), students must visit with the Dual Credit college advisor. Grades for courses taken at the college will be sent to the appropriate high school and are required to be transcribed on the high school transcript.

Early Admit: High school students attending a private school may participate through the Early Admit Program. Also, high school students who wish to take college courses but do not want their grade on the high school transcript may also be admitted as Early Admit students. These students must meet the same eligibility requirements as Dual Credit students (see above). However, these students will be required to pay their tuition, fees, and purchase the book for the class.

Home school students who choose to participate in college courses must meet the same requirements mentioned above and will be required to pay their tuition, fees, and purchase the book. These students will be required to provide the college with a graded transcript. This transcript must provide a graded (A-F) transcript showing courses, course levels, grade level, and grades signed by the home school program evaluator. Students must also meet the GPA requirements for each grade level.

READMISSIONS

Former students of NMSU who have not attended an NMSU campus for more than two consecutive terms are required to make formal application for readmission. Applications must be submitted to the Admission & Records Office at least five working days prior to registration. Readmission does not require an additional admission fee.

A grade report or unofficial transcript from previous institutions may be required at the time of readmission to show eligibility to return to colleges/universities previously attended.

Readmission to Degree-Seeking Status: A student who is seeking readmission and whose last NMSU admission status was degree-seeking (regular) must complete a degree-seeking readmission form. Additionally, if the student has attended other institutions during an absence from NMSU, the student must have official transcripts forwarded directly to the Admissions & Records Office by the registrar of each institution and must be eligible to return to the college or university last attended. Academic admission status at the time of readmission will normally be determined by previous NMSU academic standing. However, academic performance at other institutions attended during the applicant’s absence from NMSU may be considered when determining the student’s academic admission status.

Readmission to Nondegree Status: A student who is seeking readmission and who previously attended NMSU-A under a nondegree admission status must complete a nondegree readmission form. However, if the student wants to be readmitted under a degree (regular) status, the student must request a change-of-status at the time of readmission.

CHANGE OF ADMISSION STATUS

A nondegree student in good academic standing (2.0 GPA or above) may apply for change-of-status from nondegree to degree (regular) admission by completing a change-of-status application and meeting the requirements for degree (regular)
admission status. Nondegree students **may not apply more than 30 credits** earned under the nondegree status to any NMSU undergraduate degree program with the exception of students participating in a high school concurrent enrollment program.

All documents required for the change-of-status must be in the Admissions & Records Office by the dates posted in the current semester Registration Guide located at [http://nmsua.edu/](http://nmsua.edu/). If all documentation is not received by that date, then the change-of-status will be reviewed for processing the next semester of the student’s enrollment.

Any transfer student who has less than a 2.0 cumulative GPA from his/her previous college(s) and/or vocational school(s) must submit a letter of appeal to the Admissions Appeal Board for a change-of-status to degree-seeking.

---

**INTERNATIONAL
STUDENT ADMISSION**

The general policies of the university as outlined in this catalog apply to international as well as domestic students. However, some special policies required by federal laws apply only to international students. Some admission and tuition exceptions have been developed for international military and their family members stationed in New Mexico. Contact the Admissions Coordinator for details.

An international student is any individual attending NMSU while present in the United States on a non-immigrant student visa. Legal immigrants or refugees must present documentation of their status either to Admissions or the International Student Services (ISS) office on the NMSU Las Cruces campus.

**U.S. Citizenship and Immigration Services (USCIS):** Some of the more important rules as established by the United States Department of Homeland Security are:

1. Each student must maintain full-time student status for both the fall and spring semesters.
2. International students may not work off campus without authorization. On-campus employment may be authorized under certain conditions.
3. All international students must maintain an up-to-date record in the Office of Student Success. This record must indicate the student’s current living address and local phone number.
4. Prior to admission, a prospective international student must demonstrate the following:
   - Academic ability to succeed in the chosen course of study;
   - Adequate financial support to complete the chosen course of study; and
   - Adequate command of the English language to maintain legal status as a full-time student for the fall and spring semesters.

---

**University Procedures for International Students**

**Scholastic Ability:**

1. Prospective undergraduates must have completed a minimum of 12 years of schooling and/or submit official diploma or completion certificate.
2. Official transcripts showing the classes taken and grades earned for the school years 10, 11, and 12 must be submitted. No hand-carried documents will be accepted, unless received in a sealed envelope.
3. The scholastic average for the last three years of high school must be equivalent to 2.5 on a 4.0 scale. International students are not admitted on a probationary basis.
4. Graduation from a high school in the United States does not automatically qualify an international student for admission to NMSU. The student must also submit official transcripts from his/her foreign secondary school.

**Financial Support:** No financial aid is available from NMSU. The university reserves the right to demand advance deposit of funds for any period deemed reasonable prior to granting admission. An international student can never qualify for residency and must pay nonresident fees.

1. Each prospective international student must submit a current financial support document with his or her application.
2. This document must show that 1) the person providing the financial support has the necessary funds, and 2) the funds can be transferred from the student’s home country to the United States.

**Per New Mexico Senate Bill No. 375, international military and their family members who are stationed in New Mexico through the NATO agreement may be classified as in-state for tuition purposes.**

**English Language Proficiency:** NMSU requires a minimum score of 520 (paper-based)/173 (computer-based)/68 (internet-based) on the Test of English as a Foreign Language (TOEFL) for all international students, both nondegree and degree-seeking. A waiver of the TOEFL requirement may be considered for:

1. Students who are native speakers of English.
2. Students completing high school in the United States who 1) have attended the high school for at least two full semesters and 2) have scored in at least the 75th percentile in English on the ACT program. Students admitted to the community college campus without the required ACT score in English may request a waiver if they have attended high school in the United States for two full years and have graduated from the high school.
3. Students transferring from a junior college, college, or university in the United States who have earned a minimum of 30 acceptable semester credits (45 acceptable quarter credits) with a GPA of 2.0 or better. Acceptable
Applicants should review the following website for complete information concerning the TOEFL examination, international student to meet the TOEFL requirement. The university reserves the right to require any prospective international student to meet the TOEFL requirement.

For complete information concerning the TOEFL examination, applicants should review the following website www.toefl.org. International students are not admitted to the university for the sole purpose of studying English.

Prior to enrollment, each international student is administered an English screening examination. Based on the results, the student is either assigned to one of the special English classes for international students or is excused from special English instruction. The student may then be required to complete one or more regular English classes as required for a particular degree. Completion of basic English courses at other U.S. institutions does not automatically satisfy this requirement.

**Admission Restrictions:** Although NMSU does not set a quota for the total number of international students, there may be several factors that would prohibit admission even though the student meets all general requirements.

1. The dean of a chosen college and the department head of a chosen major or the president of a Community College campus may refuse to grant admission.
2. There may be a disproportionate number of international students or a disproportionate number of a particular nationality in one department or college.
3. Academic Advisors may not be available.
4. International students may be nondegree if admitted as exchange students, or as part of a special program, or as holders of visas that allow incidental studies related to their current non-immigrant status.
5. Non-native speakers of English normally are not admitted for summer sessions.
6. University Community College campuses reserve the right to refuse admission to international students if the appropriate immigration and English-language support services are not available.
7. Preference for admission to the Community College campuses is shown to students who graduate from high school in the United States.
8. University Community College campuses reserve the right to set limits on the number of international students admitted to their respective campuses based on the percentage of international students within an academic program.

All application materials, including the application for admission; letters of recommendation; all transcripts or national examination scores and/or transcripts from colleges or universities (with an English translation); all test scores including the TOEFL; and proof of adequate financial support must be submitted to the NMSU-A Office of Admissions & Records for:

- Fall semester ................................................... by March 1
- Spring semester ............................................... by October 1

**Miscellaneous Regulations**

1. All international students must have health insurance. Students who do not purchase insurance from NMSU must present evidence of similar coverage. Students without insurance will not be allowed to register.

2. Upon arrival on campus, new international students are not permitted to register until all requirements are met, including attending orientation and taking the English screening examination. All international students are required to report to the Office of Student Services, 2nd floor, Student Services Building, Alamogordo, New Mexico.

3. All international students are required to carry a minimum of 12 credits (exception can be made for international military stationed in New Mexico and their dependents).

### TUITION, FEES, AND OTHER EXPENSES

The published costs are for one semester. The university reserves the right to change any of the charges without notice. Updated information can be found at [http://nmsua.edu](http://nmsua.edu).

**TUITION AND FEES**

**RESIDENTS In-District (NM residents living in ZIP CODE areas of 88310, 88311, 88325, 88330, 88337, 88342)**

- **Full-time enrollment (12-18 credits) per semester** $984.00
  - ($78.00 Tuition per credit plus $4.00 Student Fee per credit)
  - Total cost per credit $82.00
- Each credit over 18 credits - **$82.00 per credit**
- Part-time enrollment (1-11 credits) - per credit **$82.00**
  - ($78.00 Tuition per credit plus $4.00 Student Fee per credit)

**RESIDENTS Out-of-District (NM residents not living in the In-District ZIP CODES listed above.**

- **Full-time enrollment (12-18 credits) per semester** $1164.00
  - ($93.00 Tuition per credit plus $4.00 Student Fee per credit)
  - Total cost per credit - $97.00
- Each credit over 18 credits - **$97.00 per credit**
- Part-time enrollment (1-11 credits) per credit - **$97.00**
  - ($93.00 Tuition per credit plus $4.00 Student Fee per credit)

**NON-RESIDENTS**

- **Full-time enrollment (12-18 credits) per semester** $2640.00
  - ($216.00 Tuition per credit plus $4.00 Student Fee per credit)
- Each credit over 18 credits - **$220.00 per credit**
Part-time enrollment (7-11 credits) per credit - **$220.00**  
($216.00 Tuition per credit plus $4.00 Student Fee per credit)  
Part-time enrollment (1-6 credits*) per credit - **$97.00**  
($93.00 Tuition per credit plus $4.00 Student Fee per credit)  
*During a regular semester, non-resident students enrolling for 6 or less credits are charged out-of-district resident tuition rates.

**ACTIVE DUTY MILITARY AND DEPENDENTS**

**Note:** To qualify for these rates, active duty military and their dependents must submit an approved Resident Tuition Application to the NMSU-A Office of Admissions and Records. See catalog section, Resident, Non-Resident Status.

Full-time enrollment (12-18 credits) per semester **$984.00**  
($78.00 Tuition per credit plus $4.00 Student Fee per credit)  
Each credit over 18 credits - **$82.00** per credit  
Part-time enrollment (1-11 credits) per credit - **$82.00**  
($78.00 Tuition per credit plus $4.00 Student Fee per credit)  

**DURING SUMMER ONLY, NON-RESIDENTS PAY RESIDENT OUT-OF-DISTRICT TUITION.**

**ADDITIONAL FEES**

The following are ADDITIONAL FEES that will be assessed to the student.

**Payment Plan Fee:** For payment plan options, go to [http://nmsu.edu/~uar/paymentplan.htm](http://nmsu.edu/~uar/paymentplan.htm). Fees vary based on the plan.

**Matriculation Fee:**  
$20 first time NMSU students (non-refundable)  
$50 first time international students (non-refundable)

**Late Registration Fee:**  
$25 assessed for late registration (non-refundable)

**Degree Application Fee:**  
$25 for each associate degree  
$10 for each certificate

**Late Degree Application Fee:**  
$25 additional fee (non-refundable)

**Lab Fees:** Various courses have lab fees attached. Go to [http://nmsua.edu/business-office/tuition-fees/](http://nmsua.edu/business-office/tuition-fees/) for a listing of fees.

**Online Course Fee:** Each credit of an online course has an additional $25.00 fee.

**Student Printer Usage Fee:** A special general student printer usage fee will be assessed at the rate of $0.10 black & white per page, $0.25 color per page. At the beginning of each semester, (excluding summer), every NMSU-A student receives $5.00 (50 pages) fee. Additional printing may be purchased at the Business Office. All printing accounts will be terminated at the end of summer with no reimbursement of unused funds. These printer access and printing fees apply to general printing carried out in the computer lab, library, and academic support center. Printing, as a requirement in the classroom, will be covered under applicable class fees rather than general fees.

**Resident, Non-Resident Status:** Resident or non-resident status shall be determined according to a uniform definition established for all New Mexico institutions by the New Mexico Higher Education Department and administered by the Registrars of the various institutions. Additional information is available in the Office of Admissions & Records in the Student Services Building.

**Non-resident active duty and foreign military personnel** stationed in New Mexico and their family members are considered in-district for tuition purposes. Active duty personnel and their dependents who attend NMSU or one of its community colleges for the first time or who return after an absence from NMSU must pick up an Application for Active Duty Military Tuition Residence from the HAFB Education Office or the Office of Admissions & Records and return the completed application to the NMSU-A Admissions & Records Office or the NMSU-A office at HAFB at the time of admission or readmission.

**American Indian nations, tribes or pueblos.** All out-of-state members of an American Indian nation, tribe, or pueblo, located wholly or partially in New Mexico, regardless of the residence of the member prior to acceptance at a post-secondary educational institution, shall be eligible to pay the in-state tuition rate. These include members of the following tribes or pueblos: Jicarilla Apache, Mescalero Apache, Taos pueblo, Picuris pueblo, Ohkay Owingeh, Santa Clara pueblo, Nambe pueblo, Navajo tribe, San Ildefonso pueblo, Pojoaque pueblo, Tesuque pueblo, Cochiti pueblo, Jemez pueblo, Santo Domingo pueblo, San Felipe pueblo, Zia pueblo, Santa Ana pueblo, Sandia pueblo, Isleta pueblo, Laguna pueblo, Acoma pueblo, Zuni pueblo, and the Ute Mountain tribe.

**Senior Citizens:** New Mexico residents, 65 or older, who register on the first day of class after degree seeking students have registered for required courses, will be assessed the reduced tuition rate of $5.00 per credit hour with no university approved required fees. Senior citizen students will still be responsible for any applicable course fees. Per state law, senior citizens who take more than 6 credits must pay full price for all credits based on in-district or out-of-district residency. Senior citizen students may register prior to the first day of class, based on the designated registration time noted in the semester registration guide, but they will be assessed the full NMSU tuition plus university approved required fees and will be responsible for any applicable course fees. Contact the Admissions & Records Office for more information.

**Late Registration Penalties:** A late registration penalty of $25 will be assessed for course registrations processed during a term’s late registration time period. Failure to make scheduled payment with the University Accounts Receivable on due dates may result in additional liability.
Payment of Charges: By enrolling in classes at NMSU, a student makes a financial commitment to pay the tuition and fee charges associated with that enrollment. The enrollment action constitutes a financial obligation between the student and NMSU and all proceeds of this agreement will be used for education purposes and constitutes an education loan pursuant to 11 U.S.C. § 523(a) (8). Terms and Conditions of Course Registration are posted on the NMSU website and available in each term’s registration guide. Payments can be made by mail, web, telephone, or in person at the Business Office. Cash, checks, money orders and limited types of credit cards are accepted. Term charges can be paid in full or paid by using a payment plan. For payment plan options, go to http://www.nmsu.edu/~uar/paymentplan.htm. Fees vary based on the plan. All financial aid received must be paid toward balances owed. Additional penalty charges may be assessed for failure to make payments when due. NMSU-A reserves the right to deny a payment plan to any student who has a poor credit rating or who has been negligent in making payments to the University for previous debts. Course reservations may be cancelled if payment arrangements for past due dates are not completed by the deadlines as outlined in a term’s registration guide. Academic credits, transcripts, and diplomas will be withheld until all financial obligations are paid. Students are prohibited from registering for a term until all previous debts due to the University are paid in full.

Tuition Adjustments, Refund, and Forfeitures: Any student officially dropping or withdrawing from a course or courses during a term may receive tuition and fee adjustments as outlined in the current class schedule. Lab fees are refundable in full but only during the 100% refund period. No tuition adjustments will be made on classes of less than five weeks’ duration unless the student withdraws from the course prior to the first day of class; no refunds will be given after the class begins. Non-attendance does not constitute official course drop or withdrawal. All charges due to the University must be paid before refunds will be permitted. In cases of academic or disciplinary suspension, eligibility for tuition adjustments will depend on the conditions of the suspension and will be entirely at the discretion of the university. Should unforeseen circumstances beyond the reasonable control of the University result in curtailing classes or otherwise withdrawing services that are a normal function of NMSU, refunds of any nature will be at the discretion of the University administration.

Dishonored Financial Transactions-Checks, Credit Cards, ACH Transactions: The university charges a penalty on all dishonored cash instruments. Personal checks will not be accepted from students who have had previously dishonored checks.

FINANCIAL AID
The mission of the Office of Student Financial Aid and Scholarship Services is to improve access to higher education by providing comprehensive financial assistance and information to all students and the NMSU-A community. Although primary responsibility for educational costs rests with the student and his/her family, NMSU-A, the federal government, and the state of New Mexico all contribute to assist students pursuing higher education.

The Financial Aid Office administers an extensive program of grants, scholarships, and loans. The awarding of grants and loans is based on need, while the awarding of scholarships is based mainly on academic ability and, in some cases, financial need. Assistance in the form of work is available through the Federal College Work-Study Program and the New Mexico Work-Study Program.

All financial aid awards are based on information provided by the student and parents, availability of funds, and eligibility requirements. Any award may be revised based on changes in enrollment, cost of attendance, family contribution, or failure to meet satisfactory academic progress. Withdrawals or reductions in enrollment may affect an award or any future awards. Financial aid will not pay for audited courses.

The student should apply annually for financial assistance by March 1. To apply, students must complete the Free Application for Federal Student Aid (FAFSA) application online at www.fafsa.ed.gov.

To receive financial aid you must demonstrate the following:

That you are qualified to obtain education by:
• Having a high school diploma or a recognized equivalent such as a General Educational Development (GED) certificate or
• Completing a high school education in a home-school setting approved under state law.

If you were enrolled in college in an eligible program or career school prior to July 2, 2012, you may show you are qualified to obtain a higher education by:
• Passing an approved ability-to-benefit test (if you don’t have a diploma or GED, a college can administer a test to determine whether you can benefit from the education offered at that school);
• Completing six credit hours or equivalent course work toward a degree or certificate (you may not receive aid while earning the six credit hours)
• Be enrolled or accepted for enrollment as a regular student working toward a degree or certificate in an eligible program. (You may not receive aid for correspondence or telecommunications courses unless they are part of an associate’s or bachelor’s degree program.)
• Be a U.S. citizen or eligible noncitizen (state funded scholarships are available to undocumented students).
• Have a valid Social Security number. If you don’t have a Social Security number, you can find out more about applying for one at www.ssa.gov.
• Make satisfactory academic progress (SAP).

The university reserves the right to deny a payment plan to any student who has a poor credit rating or who has been negligent in making payments to the University for previous debts. Course reservations may be cancelled if payment arrangements for past due dates are not completed by the deadlines as outlined in a term’s registration guide. Academic credits, transcripts, and diplomas will be withheld until all financial obligations are paid. Students are prohibited from registering for a term until all previous debts due to the University are paid in full.

Tuition Adjustments, Refund, and Forfeitures: Any student officially dropping or withdrawing from a course or courses during a term may receive tuition and fee adjustments as outlined in the current class schedule. Lab fees are refundable in full but only during the 100% refund period. No tuition adjustments will be made on classes of less than five weeks’ duration unless the student withdraws from the course prior to the first day of class; no refunds will be given after the class begins. Non-attendance does not constitute official course drop or withdrawal. All charges due to the University must be paid before refunds will be permitted. In cases of academic or disciplinary suspension, eligibility for tuition adjustments will depend on the conditions of the suspension and will be entirely at the discretion of the university. Should unforeseen circumstances beyond the reasonable control of the University result in curtailing classes or otherwise withdrawing services that are a normal function of NMSU, refunds of any nature will be at the discretion of the University administration.

Dishonored Financial Transactions-Checks, Credit Cards, ACH Transactions: The university charges a penalty on all dishonored cash instruments. Personal checks will not be accepted from students who have had previously dishonored checks.

• Be enrolled or accepted for enrollment as a regular student working toward a degree or certificate in an eligible program. (You may not receive aid for correspondence or telecommunications courses unless they are part of an associate’s or bachelor’s degree program.)
• Be a U.S. citizen or eligible noncitizen (state funded scholarships are available to undocumented students).
• Have a valid Social Security number. If you don’t have a Social Security number, you can find out more about applying for one at www.ssa.gov.
• Make satisfactory academic progress (SAP).
Financial Aid Satisfactory Academic Progress: Federal regulations require that financial aid recipients meet certain academic standards to be eligible for federal financial aid. To ensure that financial aid recipients are making satisfactory academic progress, academic transcripts are reviewed at the end of each term to determine eligibility for the next term. All terms of attendance are reviewed, including periods in which the student did not receive financial aid. All transfer credit hours are taken into account when satisfactory progress is reviewed. The Financial Aid SAP standards are not the same as NMSU’s Academic Standards of Progress criteria.

1. Qualitative Progress: Undergraduate students must maintain a cumulative GPA of at least 2.0 (a C average).
2. Completion Rate: Students must complete a minimum of 70 percent of all course work (registered credit hours) attempted at NMSU. Any course with a grade of withdraw (W), incomplete (I), repeats (RR), failure (F), audit (AU), (U) unsatisfactory, or no credit (NC) is not considered completed course work. Repeated courses are included in the calculation.
3. Maximum Time Frame: Students must complete their program within 150 percent of the credit hours required by the program. Students who have reached the maximum allowable time will be suspended from receiving financial aid. Developmental/remedial hours are excluded from this calculation. Total attempted hours including repeated courses and transfer course work are included in the student’s maximum time frame calculation.
4. Recipients of financial aid grants and loans who drop credits or withdraw may be required to return all or a portion of awarded Title IV funds. Further information regarding the return of Title IV funds is available on the NMSU web site at http://fa.nmsu.edu/resources/return-of-title-iv-funds/.

Financial Aid Suspension: Students are suspended from receiving financial aid if they do not meet satisfactory academic progress standards. Students on financial aid suspension will not receive any form of federal or state financial aid (grants, loans, work-study). Financial aid eligibility is reinstated when all standards of satisfactory progress are met.

The Appeals Process: Students suspended from financial aid may appeal the suspension if there are mitigating circumstances affecting their progress. Students who would like to appeal the suspension must submit an appeal form available at http://fa.nmsu.edu and all required documentation to the Office of Student Financial Aid. A committee will review the appeal and may grant reinstatement of financial aid based on mitigating circumstances that directly contributed to deficient academic performance. Appeals are evaluated on a term-by-term basis. All appeals, including relevant documentation, must be submitted by the semester deadline based on the current semester of enrollment.

RESOURCES FOR STUDENTS

ACADEMIC

Academic Support Center: The Academic Support Center offers free assistance in writing, accounting, reading, various sciences, and mathematics. Tutors are available to assist students with problems or concerns that they may have in any of these subject areas. The Academic Support Center has day, evening, and weekend hours. The writing center also provides an online writing center service to students.

Adult Education: The Adult Education (AE) program of NMSU-A provides services and instruction to adults in GED, English as a Second Language (ESL), basic reading, math, English, work place skills, vocabulary development, basic computer skills, and citizenship in group classes or on an individual basis. Assessments and GED pretests are given at the AE Office on an individual basis. The Literacy Volunteers of America, Otero County Literacy Council, Inc., in partnership with AE Advisory Board (sponsored by the AE program), can provide volunteer tutors to work one-to-one with adult non-readers and non-English speaking adults. All these services are provided free of charge to adults. Adult Education is located in the Tays Center (575) 439-3812.

Degree Audit: Students have access to the Degree Audit System (STAR) available through their student online account at https://my.nmsu.edu. To self check progress toward a degree, students must select the college, the degree, and the year they meet the requirements. See an Advisor for assistance, if necessary.

GED and Test Proxy: The Student Services Office serves as the GED Center for Alamogordo and the surrounding community service area. GED tests are given regularly on the NMSU-A campus.
Holloman Air Force Base (HAFB): Classes are offered at HAFB in two 8-week sessions for the fall and spring semesters and two 5-week sessions for the summer semester. Classes are open to active duty military, their dependents, DoD civilians, and community members. Academic and admission information is available in the NMSU-A Office located in the Education Services Office - HAFB Learning Center, Bldg. 224/Suite 213.

HAFB Vehicle Pass: Students who do not have access to HAFB must first register for class and then request a Holloman Air Force Base Access Request Form from the NMSU-A Admissions & Records Office. Procedures for obtaining the base vehicle pass can be found at http://nmsua.edu/holloman/obtaining-access-to-hafb/

Learning Technology Center: The Learning Technology Center helps students adjust to online learning. At the beginning of each semester and before the second 8 week classes start, the LTC offers student workshops on Canvas access, navigation, and how to effectively interact with the variety of tools used in Canvas.

Library: The David H. Townsend Library provides information services and research assistance to NMSU-A students, faculty, and staff, as well as to community residents. The library has over 20 computers available and also checks out laptops to students which can be taken anywhere in the library building. The library provides access to about 28,000 ebooks and over 12,000 electronic journals and magazines. In addition, the library has available in print format approximately 40,000 books, 90 journal and magazine subscriptions, and over 2,000 videos. The library also provides study space and group study rooms. Research assistance is available on a “drop in” basis, as well as through tours and class sessions. For hours and additional information please see the library web site at http://nmsua.edu/library.

Online Classes and Distance Learning Education: For students wanting to earn college credits but whose busy lifestyle doesn’t permit them to take all classes in a face-to-face setting, NMSU Alamogordo offers a wide variety of online classes. A list of NMSU-A online classes may be found at http://nmsua.edu/classes. Information can also be obtained from Academic Advisors at (575) 439-3720.

Additionally, courses are offered face-to-face in Alamogordo, Cloudcroft, Tularosa, Mescalero, HAFB, and some area high schools. Classes and workshops for community organizations are received by interactive video.

Some upper-division classes are received by NMSU-A through two-way interactive video technology. For detailed information on distance education and weekend programs distributed by the NMSU Las Cruces campus, visit the Office of Distance Education web site at http://distance.nmsu.edu.

Placement Assessment: A placement assessment in math, writing, and reading is required prior to registration for all new degree-seeking students or those students who plan to take any math or English course(s) unless the student has passed the required prerequisite course with a C or better. Those students who have taken the ACT/SAT may be able to use their scores instead of the placement assessment. See an Advisor to determine if ACT/SAT scores are applicable.

Placement assessment results will determine what level of math, English, and/or reading course(s) the student will be required to take. Any student testing into a developmental reading course must take the appropriate level course.

If the math or English scores are more than one year old, the individual is required to retake the placement assessment for appropriate placement. A copy of placement assessment results will be available in the Advising Office for advising and registration.

Assessments are offered at various hours and days. Check with the Advising Office for the current schedule. Placement assessments are FREE; however, a fee of $15 is charged to send the scores to another college or university.

Resource Centers: The Language Lab Resource Center provides tutoring and assistance in Spanish and German languages.

Student Holds - Academic Advisor’s Hold: All students who are new to the NMSU-A campus and all students classified as freshmen (including transfer students) must see an Advisor to have their New or Freshman Student Hold lifted. This is to assure that beginning students have selected appropriate classes that meet their placement assessment results, have met prerequisites, and are aware of the services available to them. Holds are lifted in the Office of Advising & Career Services. Students may contact an Advisor by phone (439-3720), by email at advisingnmsua@nmsu.edu, or in person in the Advising Office in Student Services.

CAMPUS

Bookstore: The NMSU-A Bookstore, operated by Barnes and Noble, is located on the lower level of the Student Services Building. The Bookstore sells required course textbooks, both new and used. Students are offered a charge account during fall and spring semesters only. Refunds on books purchased are granted with a receipt until the week after classes start. After that time, proof of the dropped class is required. Refunds will not be given for books or software that have been unwrapped. At the end of the spring and fall semesters a textbook buyback is available; dates will be posted around campus.

The Bookstore is open during posted hours. For questions, please contact (575) 439-3609 or visit www.nmsubookstore.com.

Children on Campus: NMSU-A is an institution of higher education. Therefore, parents are urged to leave children at home and/or in the care of an adult. Children must ALWAYS be attended by a responsible adult when on campus. Leaving children unattended (on the patio, in the Student Union, in lounges, outside classrooms, etc.) is not permitted. Children are permitted in classrooms at the instructor’s discretion. Children must not be permitted to disrupt classes.
Computer Centers: NMSU-A has four computer labs located in the Science Center, the Professional Technical Building, the Academic Support Center, and the Library. The labs are open to all registered students. Computer labs are open at varying times so check for posted hours in each location. Printer access and printing fee information can be found in the Tuition and Fees section of this catalog. All computer labs are equipped with computers to assist visually impaired students. Any student needing special computer needs must go through the campus Accessibility Services Coordinator. The Computer Center web page is http://nmsua.edu/its.

ID Cards: All students must have an NMSU-A ID card. Cards are available in the Office of Admissions & Records located in the Student Services building. The card is required to check books out of the library, allows students into school events, and gives a discount to students for some activities. The card contains the Banner Student ID Number. Students should have the number readily available for all activities and services on campus.

Small Business Development Center: “Building New Mexico’s Economy One Business at a Time.” The Small Business Development Center (SBDC) located at NMSU-A provides free, confidential counseling to small business owners and prospective entrepreneurs in the areas of business planning, evaluation, marketing, management, financial analysis and loan package preparation. The SBDC assists with all aspects of starting and managing a business, as well as finding solutions to challenges faced by existing business owners and entrepreneurs. The Alamogordo SBDC is part of the New Mexico SBDC Network, consisting of 19 centers throughout the state. Free and low-cost training and workshops are also available. Through a vast network of local, state and federal resource partners, the Alamogordo SBDC is able to provide clients and students with access to numerous business resources. For more information on small business counseling and training opportunities, please call the SBDC at (575) 439-3660 or visit online at https://www.nmsbdc.org.

Student Safety: NMSU-A strives to provide a safe campus for students. There are three security guards who alternate day, evening, and weekend shifts. They maintain an office in the Physical Plant. Upon request, campus security officers will escort students, faculty, and/or staff to their automobiles during evening hours.

Safety procedures, campus crime statistics, and drug and alcohol policies are routinely updated on the NMSU-A web page.

Lost and found items are maintained in the security office located in the Physical Plant.

Campus Emergency Notification System: NMSU-A has instituted Everbridge, a mass notification emergency messaging system. With this system all employees and students who have a Banner ID are automatically notified via text message, phone call, or email.

Student Center: The Student Center serves as a central recreational and leisure area for the NMSU-A student population. It houses a TV room, Veterans lounge, a recreation room with game tables, a quiet study room, and work areas for student organizations. A conference room is available for student meetings and must be scheduled through the Student Government President.

STUDENT

Admissions & Records: The Admissions & Records Office receives and processes all NMSU-A admissions applications and supporting documents. All registration, course drop/adds, and university withdrawal transactions are processed at this office. The NMSU-A Admissions & Records Office provides forms to order official transcripts from the NMSU Las Cruces campus. Residency requirements and applications, student privacy act information, NMSU-A catalogs and general enrollment procedures are also available from the Admissions & Records Office. Web registration is available from any computer with internet access at https://my.nmsu.edu.

Academic Advising: NMSU-A offers centralized academic advising on a drop-in basis or by appointment. Advisors provide academic advising services to all students and prospective students for programs offered at NMSU-A as well as advising information for students transferring to the Las Cruces campus. Academic Advisors provide pre-enrollment information, course selection assistance, degree plan requirements, and college transfer information. The Advisors also provide course approval verification to students enrolled in financial assistance programs such as Veterans Programs and other state and federally funded programs. Individuals may also contact Advisor-on-Line at advisingnmsua@nmsu.edu.

Career Planning/Job Search Assistance: The Career Center provides career assessment, career planning advisement, occupational information, career and job search workshops, and job search support and assistance (i.e., resumes, cover letters, job search tips). To support this effort, Career Services’ AggieCAREER Manager database system can be utilized when searching for jobs related to one’s academic major, or for temporary, seasonal work and community jobs, while being an NMSU student. In addition, CareerBeam is a free service computer program provided by the Career Center designed to create resumes based on your major and career goals. All students may use the Career Center resources which include occupational and job skills videos, a collection of career and job hunting books, catalogs, periodicals, and assessment inventories such as the Choices Interest Profiler. The Job Board includes job listings from local, regional and national companies seeking student employees. Visit the Career Center web page at http://nmsua.edu/career or call (575) 439-3720 for more information.

Counseling: Counseling services are available on the campus for currently enrolled NMSU-A students. The counseling office is located in the Student Center or by calling...
Access to education for students with disabilities is provided by the Accessibility Services Department (ASD). This department assists individuals with documented disabilities to obtain appropriate academic accommodations. Students with sensory, mobility, learning, or other recognized impairments are encouraged to apply for services through this office. Students who seek assistance are encouraged to contact the NMSU-A Accessibility Services Coordinator at (575) 439-3724 prior to enrollment in classes to obtain the “Petition for Accommodation” form. Services may include: assistance in obtaining textbooks in e-format, alternative testing accommodations, and assistance in locating tutors, readers, note takers, and American Sign Language interpreters.

Available adaptive equipment includes computers with speech synthesizers, windows eye, movie caption, large print software, portable enhanced vision machines, talking calculator, MP3 recorders, Braille printer, FM assistive listening device, and a microscope for the visually impaired. Additional information is available on our web page at: http://nmsua.edu/asd/.

NMSU-A Complaint Procedure Regarding Accessibility Issues: NMSU-A has adopted an internal procedure providing for the prompt and equitable resolution of complaints alleging any action prohibited by Section 504 of the Rehabilitation Act of 1973 (29 USC § 691 2993, Section 504) or of the Americans with Disabilities Act of 1990 (ADA), which prohibits discrimination on the basis of disability.

Students are encouraged to attempt to resolve any problems or complaints they might have at the local college level first. Students should initially contact the NMSU-A Accessibility Services Coordinator, (575) 439-3724, in an effort to resolve problems related to the need for, or provision of, special accommodations, as well as those that are related to access needs or the equalization of learning opportunity. The next level of appeal is the Vice President for Student Success.

Informal Complaint Procedure: The student may wish or choose to resolve the complaint on an informal basis, i.e., mediation, a letter to the professor, a telephone call, or some resolution amenable to the student. A written confidential record of the final outcome or resolution will be retained at the NMSU-A Student Success Office.

For further information, contact:
Accessibility Services Coordinator (575) 439-3724 or
Vice President for Student Success (575) 439-3716

Formal Grievance Procedure: All discrimination complaints made to a person in a position of authority must be reported to the Director of the Office of Institutional Equity/EEO at the O’Loughlin House, 1130 East University Avenue, Las Cruces, immediately, regardless of whether or not permission was given by the party subjected to the discrimination. Completion of the EEO Grievance Form is required within 15 working days after the occurrence or within 5 working days following the informal complaint process (unless extenuating circumstances warrant exception). The grievance will be accepted or denied in writing by the Director of the Office of Institutional Equity/ EEO (or designee). If denied, the complainant may appeal in writing to the Executive Vice President and provost (or designee) within 5 working days of the receipt of written denial letter. If accepted, the party charged will be provided with a copy of the complaint documents and will be extended 10 working days to respond. The complainant will be provided a copy of the response, and may amend the initial grievance within 2 working days to provide any additional documentation. The Director of the Office of Institutional Equity/EEO (or designee) will investigate relevant issues, secure appropriate statements, and prepare a report for administrative review. All employees and students should be aware that the university is prepared to take action in a timely manner to prevent and remedy such behavior and those individuals who engage in such behavior are subject to disciplinary action. All individuals are required to cooperate with any investigation in response to an allegation of unlawful harassment. Refusal to cooperate in an investigation may result in disciplinary action in accordance with university policy. Any disciplinary action may be appealed through the appropriate procedure.

The Internal Discrimination Complaint Form can be downloaded from the website http://www.nmsu.edu/~eeo/discrimination-grievance.html or picked up at the NMSU-A Accessibilities Department, Student Services Building, room 206 and sent to the OIE (Office of Institutional Equality) address listed below:

Office of Institutional Equity/EEO
1130 E. University
MSC 3515 P.O. Box 30001
Las Cruces, NM 88003
Office: (575) 646-3635
Fax: (575) 646-2182

WESTERN INTERSTATE COMMISSION FOR HIGHER EDUCATION (WICHE)

NMSU collaborates with the Western Interstate Commission for Higher Education (WICHE) in recommending graduates of the university for programs in dentistry, graduate library studies, occupational therapy, optometry, osteopathy, podiatry, public health, and veterinary medicine in universities of other western states. The State of New Mexico subsidizes the education of New Mexico residents when approved for training in these fields in other states. This subsidy is a loan-for-service program which permits New Mexico residents to attend state-supported institutions at in-state tuition rates and...
private institutions at approximately one-third the standard tuition cost if they practice in New Mexico for an equal number of years after graduation. This program is contingent upon funding by the state legislature. For further information write the Certifying Officer for New Mexico: WICHE's Student Exchange Program, New Mexico Higher Education Department, 2048 Galisteo St., Santa Fe, NM 87505-2100.

New Student Orientation: Orientations are held spring and fall of each academic year. Newly admitted students, attending NMSU-A for the first time, are expected to attend an orientation. Orientation offers new students an opportunity to learn about services, resources, academic expectations, strategies for success, and student organizations.

Retention and Student Success: The Office of Retention and Student Success offers the following programs and service designed to promote student success: New Student Orientation, attendance/early alert support, academic-related skills assessment and support (problem solving, success planning) and student programming. This office is also responsible for facilitating and coordinating student retention planning efforts and probationary student advising.

Student Conduct: The policies and procedures related to student conduct are published annually in the Student Handbook which is available free of charge to all students. The Vice President for Student Success serves as the NMSU-A Discipline Officer for student misconduct. The Vice President for Academic Affairs serves as the Hearing Officer for academic misconduct. The Student Handbook can also be located on the web site http://nmsua.edu/students/.

STUDENT ORGANIZATIONS & ACTIVITIES

The Vice President for Student Success advises and assists in the coordination of activities and events sponsored by student organizations. Activity approvals and contracts for these events are processed by this office as well as student organization chartering.

Advocates for Children and Education (ACE) - ACE was chartered in 2009. The organization’s purpose is to further professional interest in education and to strengthen student and professional training through experience outside the classroom and in the local community. All current NMSU and NMSU-A students interested in educational issues are welcome. There are also honorary memberships for alumni.

Alpha Nu Beta Chapter of Phi Theta Kappa (PTK) - PTK was chartered in 1986 and is a growing academic honorary organization on the NMSU-A campus. Students who meet the minimum eligibility criteria may be invited to become members. To be eligible for membership, a student must carry a GPA of 3.5 or above, must be currently enrolled at NMSU-A, and must demonstrate leadership qualities.

Art Club/Student Media Solutions (SMS) - This organization was chartered in 2012 to provide multimedia (Animation, Film, Web Design, Graphic Design, Photography, Fine Arts, and Theater) students within NMSU-A the opportunity for experience before graduation.

League of United Latin American Citizens (LULAC) - LULAC was chartered in 2013. The primary purpose of the student organization is to encourage education completion and graduation. Other purposes include the promotion of Hispanic cultural arts, music, and history; practice parliamentary procedure; and to promote the Alamogordo community and educational programs of NMSU-A and the communities it serves.

Native American Student Group (NASG) - NASG membership includes Native American as well as Non-Native American students, faculty, and staff. The organization strives to foster and promote a greater understanding of the Native American community within the academic environment and to educate people about Native American cultural traditions.

Science, Technology, Engineering and Math Club (STEM) - STEM was chartered in 2012. The purpose is to facilitate opportunities for current STEM (Science, Technology, Engineering, Math) students in the fields of academic support, student success, and professional development as well as incorporating community and student body groups alike for the exploration of technological endeavors and expanding the communal perspective in regards to the integration of services with technology and scientific research.

Social Science Club (SSC) - The SSC was founded in 1998 and invites all students interested in the social sciences to become members. Along with discussions about how the social sciences can work for everyone, field trips are taken each semester to places of interest, local group meetings, and occasionally to places just to have fun. This club is interested in environmental and social concerns.

Student Veterans of America-Alamogordo (SVAA) - The purpose of SVAA is: 1) to organize full-time and part-time students of this campus who have served or are currently serving in any of the Armed Forces of the United States, 2) to help build and maintain morale through social and academic activities on campus and in the community, 3) to conduct fundraising events for worthy charities. Spouses and dependents of current or past United States Armed Forces members are welcome.

NMSU-A Student Government (NMSU-ASG) - The NMSU-A Student Government is the recognized student governing organization. It is comprised of senators elected by chartered student organizations and by At-Large Senators elected by NMSU-A students. Student Government Senators play an important role on this campus. The At-Large Senators and Student Organization Senators jointly appropriate funding to student organizations, decide on major purchases to benefit the student body, represent the student body at major campus events, serve on campus-wide committees, and serve in an advisory capacity to the campus administrators.
RECOGNITION OF ACADEMIC ACHIEVEMENT

Crimson Scholars Program: Crimson Scholars is a benefit and recognition program for academically superior students who have a cumulative 3.5 GPA and are taking three or more credits per semester. Crimson Scholars receive a number of benefits, including: 1) automatic eligibility of all Honors Courses, 2) early registration, 3) extended library check-out privileges, 4) special advising, 5) notation on college transcript, 6) recognition in the commencement program, and 7) a lapel pin.

To be eligible for the Crimson Scholars Program, students must be degree-seeking.
- Entering freshmen must have either: a minimum ACT standard composite score of 26 or a minimum SAT score of 1170 or a 3.75 or better high school GPA.
- Currently enrolled students must have a minimum cumulative GPA of 3.5 for 3 or more credits* at NMSU.
- Transfer students must have a 3.5 cumulative GPA from their previous institution(s) or complete 3 or more credits* at NMSU for eligibility.
*does not include I or audit course designations at NMSU.

To maintain Crimson Scholar status:
- Freshmen entering on an ACT score must maintain a cumulative GPA of 3.5 and complete three or more credits per semester to continue in the program.
- Sophomores, juniors, and seniors must maintain a minimum cumulative GPA of 3.5 and be currently enrolled in a total of 3 or more credits* per semester at NMSU or any NMSU community college to retain their Crimson Scholars status.
*does not include I or audit course designations at NMSU.
- Crimson Scholars whose GPA drops below the required cumulative 3.5 or drops below the three credit minimum will be dropped from the program. If in the following semester, the student’s cumulative GPA and credits again meet the minimum requirement, the student will automatically be reinstated.

In recognition of the student’s academic achievement, a statement designating “Crimson Scholar Graduate” is placed on the student’s transcript after completion of 90 credit hours as a Crimson Scholar and a minimum cumulative GPA of 3.5.

REQUIRED COURSES

THE NEW MEXICO GENERAL EDUCATION COMMON CORE

General Education at NMSU provides all students with a broad foundation and common framework upon which to develop knowledge and skills, social consciousness and respect for self and others, thus enabling them to function responsibly and effectively now and in the future. General education courses at NMSU can be identified by the G suffix.

The New Mexico General Education Common Core includes designated general education courses guaranteed to transfer to any New Mexico public college or university. A complete list of approved courses can be found on the New Mexico Higher Education Department web site at www.hed.state.nm.us. The current approved NMSU courses are listed below under each of the five general education areas.

In accordance to state law (Chapter 21, Article 1B NMSA 1978), the New Mexico Higher Education Department has established policies to guarantee successful transfer of completed core courses between New Mexico postsecondary public institutions.

Note: Not all courses listed below are taught at NMSU Alamogordo.

The Common Core Requirements:
AREA I: COMMUNICATIONS (Select 9-10 credits; one course from each sub group)

English Composition - Level 1
ENGL 111G, Rhetoric and Composition .......................... 4
ENGL 111GH, Rhetoric and Composition, Honors........... 4
SPCD 111G, Advanced ESL Composition .......................... 4

English Composition - Level 2
ENGL 203G, Business and Professional Communication..... 3
ENGL 211G, Writing in the Humanities and Social

Alternatives to Meeting General Education Requirements:
Students taking nine or more credits in a specific subject area, even though the courses are not designated as general education courses, will have met the general education requirements for that subject area. For example, a student may complete ART 150, 155 and 156 (9 hours) and thereby satisfy one course from the Area V: Humanities and Fine Arts category, even though none of those courses carries a G suffix. Please check with the advising office.

MILITARY AND VETERANS PROGRAMS (MVP)

NMSU is a veteran and military-friendly university which strives to provide the best possible service to our current and former servicemembers as they pursue their educational goals. NMSU Military and Veterans Programs promotes lifelong learning and professional development for veterans, active-duty military and their families, assisting them in their higher education goals by offering:

- Affordable, in-state tuition rates for active-duty military personnel and dependents living at regional military installations
- Affordable, in-state tuition rates for veterans receiving U.S. Department of Veterans Affairs education benefits
- Easily transferable credits that count toward degrees at NMSU
- Facilitation of all Department of Defense Tuition Assistance Benefits
- Courses taught online and at locations on and near regional military installations
- Innovative technology and course delivery methods
- Internships for veterans
- Student advocacy at every level, from admissions to graduation
- Resource materials from a variety of veteran and military service organizations
- Priority Registration for all Military and Veteran Students
- Veterans on Campus Training by Kognito, training faculty and staff on our student veterans and the unique value they bring to campus
- Salute Honor Society for student veterans
- Connection with student organizations
- A tradition of quality education

NMSU degree programs are approved by the State Approving Agency Directory at the New Mexico Higher Education Department. Eligible students may receive education benefits from the U.S. Department of Veterans’ Affairs.

For further information, contact Veterans Programs at 2400 N. Scenic Drive Alamogordo, NM 88310, veteransNMSUA@nmsu.edu or (575) 439-3705

Veterans Lounge: The Veterans lounge is open to all student veterans and their dependents. The lounge is a quiet place to decompress and regain your focus. To request a key, please speak with the Veterans Programs office, or fill out the online request form at http://nmsua.edu/student-services/veterans-programs/. You will need to provide proof of veteran or dependent status.

For further assistance, contact the NMSU-A Veterans Programs at (575) 439-705, (575) 439-3714 or email veteransNMSUA@nmsu.edu

Veterans Priority Registration: Veterans Priority Registration will go into effect after proof of service has been shown to the Veterans Programs Office. Acceptable proof of service is:
- DD214
- Veterans Affairs’ ID
- NM Driver License indicating Veteran Status.

New Students are not eligible for Veterans Priority Registration until proof of service has been provided.
Responsibility of Veteran Students

Students must be pursuing a degree in a specific program to be eligible for benefits. Admission procedures for veterans and other eligible persons are the same as for all students. Academic advisors must submit degree plans to Military and Veterans Programs prior to certification. For continued certification, students must submit a “Concise Student Schedule” to the MVP office every semester.

Veterans must notify the MVP office when any of the following occurs:

• Dropping or adding course(s)
• Withdrawing from course(s)
• Discontinuing regular class attendance
• Changing programs (academic majors)

VA education benefits are payable for regular attendance in courses that are part of the veteran’s program (major) curriculum. VA educational benefits are not payable for:

• Classes not attended regularly
• Repeating a course for which a passing grade was received
• Classes for which credit is received through successful completion of a proficiency test or grade by examination
• Classes taken on an audit basis
• Classes that are dropped or withdrawn from
• Classes taken that are not part of the veteran’s program (major) curriculum

For further information, contact Veterans Programs at 2400 N. Scenic Drive Alamogordo, NM 88310, (575) 439-3705, or email veteransNMSUA@nmsu.edu.

Costs:

Active-Duty: Active-duty military personnel (Armed Forces), stationed in New Mexico or at Fort Bliss, Texas may complete a “Resident Tuition Application for Active Duty Military” waiver to qualify for in-state tuition. Spouses and minor children of active-duty personnel who are stationed in New Mexico and Fort Bliss, Texas who are not otherwise entitled to claim in-state residency, may apply for in-state tuition by submitting a “Resident Tuition Application for Active-Duty Military” waiver to the Military and Veterans Programs office. Applications are available by contacting Veterans Programs at 2400 N. Scenic Drive Alamogordo, NM 88310, (575) 439-3705 or email veteransNMSUA@nmsu.edu.

Veterans: Veterans receiving U.S. Department of Veterans Affairs education benefits are eligible for in-state tuition through the Veterans In-State Tuition Act by submitting a “Non-Residency Tuition Application for Veterans of the U.S. Armed Forces” waiver. For further information concerning approved programs and application process, eligible persons should contact Veterans Programs at 2400 N. Scenic Drive Alamogordo, NM 88310, (575) 439-3705, or email veteransNMSUA@nmsu.edu.

Veteran students enrolled under the following programs are responsible for their tuition and fees in the same manner as a nonveteran student:

• Montgomery GI Bill-Active Duty (CH30)
• Dependents (CH35)
• Montgomery GI Bill-Selected Reserve (CH1606)
• Reserve Educational Assistance Program (REAP)

Tuition and fees of students enrolled under the Vocational Rehabilitation Program (CH31) will be paid by the U.S. Department of Veterans Affairs under contract with the university.

Dependents Receiving VA Educational Benefits

Per NM 2015 HB 427: A spouse or child of a veteran of the armed forces is entitled to pay tuition and fees at the rate provided for New Mexico residents; provided that the spouse or child is eligible for benefits pursuant to the federal Post-9/11 Veterans Educational Assistance Act of 2008 or any other federal law authorizing educational benefits for a veteran and the dependents of a veteran. Applications are available by contacting Veterans Programs at 2400 N. Scenic Drive Alamogordo, NM 88310, (575) 439-3705, or email veteransNMSUA@nmsu.edu.

Regulations:

Note: These regulations apply to all campuses of NMSU and are effective with the publication of this catalog. Tuition amounts, fees, and similar items subject to annual review and change are all effective with the current catalog.

GoArmyEd: Soldiers must first be admitted to NMSU before they may enroll in any classes at NMSU. Please be aware of our admission/registration process:

1. Soldiers must apply online to be admitted,
2. login to my.NMSU.edu to register for classes, and
3. create Course Planner and Request TA through GoArmyEd.

It is important to request TA for the same class and section number as enrolled in NMSU for tuition and grading purposes. If a class is not in GoArmyEd, contact the Military Programs Coordinator immediately and ask to create the class in GoArmyEd. Only enrollments verified through the GoArmyEd portal will be eligible for Tuition Assistance (TA). It is the soldier’s responsibility to process all class withdrawals through both GoArmyEd and NMSU systems in accordance with institutional policies and procedures. For further information, contact Veterans Programs at 2400 N. Scenic Drive Alamogordo, NM 88310, (575) 439-3705, or email veteransNMSUA@nmsu.edu.

Air Force Portal: Airmen can request information from the Education Office on base by calling 575-572-3971.

Credit for Military Service: New Mexico State University will award academic credit to United States military personnel for courses and Military Occupational Specialties
should adhere to the curriculum of that program. Failure to do so will result in the student being certified for less than full-time status or becoming liable for an overpayment.

Military Withdrawal: The following steps must be taken by all New Mexico State University students called up for active duty who wish to withdraw from all their classes:

1. Veterans Programs. VA students ordered to Active Duty must provide a copy of orders to the Veterans Programs Office to assist in reporting accurate information to the VA Regional Office, student should also provide, in writing, last day of class attendance.

2. NMSU-A Office of Admissions and Records. All students presenting their orders to the Office of Admissions and Records, (575) 439-3855, will receive a military withdrawal from classes and a full tuition and fees refund for that semester.

3. Bookstore. Students who still have their receipts for textbooks purchased the semester in which they are called to active duty will be given a full refund for these textbook purchases when they present their orders. (575) 439-3609.

Note: The NMSU-Las Cruces Military and Veterans Program processes all Military Withdrawal and will use the documentation submitted to determine eligibility.

REGULATIONS

These regulations apply to all campuses of NMSU and are effective with the publication of this catalog. Tuition amounts, fees, and similar items are subject to annual review and changes are effective with the current catalog.

University Credits: The unit of university credit is the semester hour, which is the equivalent of one hour’s recitation or a minimum of two hours of practice per week for one semester.

Class Rank (Classification): A student’s classification depends upon the number of credits completed toward graduation. Sophomore rank is achieved with successful completion of 28 credits; junior rank, 62 credits; senior rank, 94 credits.

Class Load: The normal load in a regular semester is 16-18 credits in all colleges of the university. An overload is more than 18 credits. A normal load during the summer term is the same number of credits as there are weeks in the session.

Written permission for the student to register for an overload must be obtained from the Vice President for Student Success. To be eligible to take an overload, the student must have a 2.5 cumulative GPA, with no grade less than a C for the two preceding semesters. A one-credit course in physical activity may be taken without being included in the calculation for determining an overload.

Freshmen will not be permitted to assume an overload.
Students may enroll for correspondence or extension courses only upon approval of the Vice President for Student Success. Such courses must be counted as part of a student’s class load. No more than 30 credits in extension and correspondence courses will be accepted toward graduation. Correspondence course information is available in Advising & Career Services located in the Student Services Building.

**Basic Academic Skills:** Students who plan to continue their education at the Las Cruces campus must meet the Basic Skills Requirements in English and mathematics before they are eligible to attend NMSU Las Cruces classes.

NMSU requires all students to demonstrate basic academic skills in both English and mathematics to ensure that they have the abilities to succeed in upper-division courses numbered 300 or higher. First-time students must meet both of these requirements before enrolling in any upper-division courses. Transfer students with 45 or more credits will be allowed to enroll in upper-division courses for one semester. After that point, they must meet both of these requirements before enrolling in upper-division courses. The options for satisfying basic skills in English and mathematics are listed below.

Completion of basic skills requirements will not necessarily satisfy university general education requirements in English and mathematics. Students should consult the “General Education Courses and Requirements” section in this chapter for details.

**English Basic Skill Requirement Options**

- **30 ACT English Score** - Students may satisfy basic skills requirements in English by scoring 30 or higher on ACT English exams. However, students must still earn credit for ENGL 111G by one of these options:
  - ENGL 111G or ENGL 111GH - Students may satisfy English basic skills by passing ENGL 111G or ENGL 111GH with a grade of C or higher.
  - CLEP Credit - Students may earn credit for ENGL 111G or ENGL 111GH by taking the College Level Examination Program subject exam in freshman college composition with a score of 57 (top quartile) or higher. See “Credit by College Level Placement Examination” later in this chapter for details.
  - Advanced Placement Credit - Students may receive advanced placement credit for ENGL 111G or ENGL 111GH by scoring 3, 4, or 5 on the English Advanced Placement Exam. See “Advanced Placement” later in this chapter for details.
  - Transfer Credits - Students may receive credit for ENGL 111G by transferring 3 or more credits of college-level English composition with a grade of C or higher from a nonaccredited institution, and by writing a theme which is judged adequate by the Department of English.
  - SPCD 111G - International students who took the TOEFL examination must complete SPCD 111G with a satisfactory grade.

- **Developmental Courses** - Students who score 12 or below on the ACT English exam must pass two developmental English courses (CCDE 105N, CCDE 110N) before enrolling in ENGL 111G. Students who score 13 to 15 on the ACT English exam must pass one developmental English course (CCDE 110N) before enrolling in ENGL 111G. Developmental courses are included on the transcript and will be included in the calculation of the GPA; however, credits in developmental courses will not count toward a degree.

**Mathematics Basic Skills Requirement Options**

- **23 ACT Mathematics Score** - Students may satisfy basic skills requirements in mathematics by scoring 23 or higher on ACT mathematics exams. However, students must still fulfill the general education math requirement.

  - Coursework - Students scoring below 23 on ACT mathematics exams may satisfy basic skills in mathematics by earning a grade of C or higher in one of the following courses or course combinations: (a) CCDM 112N and CCDM 113N; (b) CCDM 114N; (c) MATH 111 and MATH 112G; (d) any mathematics course numbered 120 or above. New students are placed in these courses according to their high school GPAs and their ACT scores in mathematics. However, new engineering students must take the mathematics placement exam (MPE), and any new student may choose to take the MPE to test towards a higher placement. Placement does not earn academic credit, and placement in a mathematics course numbered 120 or higher does not satisfy the basic skills requirement.
  - Basic Skills Exam - Students may take the Basic Skills Exam, which is offered twice a semester by the Department of Mathematical Sciences. A passing score will meet the basic skills requirement, although it will not appear as credit on the student’s transcript.
  - Advanced Placement Credit - Students may receive credit for courses which may satisfy basic skills in mathematics by taking the math Advanced Placement Exam. See “Advanced Placement” later in this chapter for details.
  - Developmental Courses - Students who score below 23 on the ACT mathematics exam and whose score on the math placement exam, if taken, does not qualify them for placement into university-level mathematics courses will be placed into the appropriate development mathematics course or courses (CCDM). Placement into CCDM course(s) is dependent upon the student’s ACT score and high school GPA. Students must pass the CCDM course or courses before enrolling in university-level mathematics courses. Developmental courses are included on the
transcript and will be included in the calculation of the GPA; however, credits in developmental courses will not count toward a degree.

**Satisfactory Progress:** A full-time student is making satisfactory progress when the cumulative number of credits earned at NMSU, divided by the number of semesters attended at NMSU, equals at least 12. Part-time students must earn a proportional number of credits in the same time period for purposes of financial aid. In the case of new freshmen, this definition will not be applied until the beginning of the third semester of enrollment; however, for all other students it will apply after one semester of enrollment. All students at the end of their second academic year must have a cumulative 2.0 GPA.

**University Grading System:** Grade reports are not automatically mailed to students. Students can access grades and credits on the web by accessing their mynmsu account at my.nmsu.edu. Once accessed, grade reports can be ordered and will be mailed to the student’s grade address on file. It is the responsibility of the student to provide updated grade addresses to the Admissions Office. At the request of the student, the instructor will provide information on progress in the course prior to the last day to drop a course.

The NMSU system of grading is expressed in letters, which carry grade points used in calculating the cumulative GPA:

<table>
<thead>
<tr>
<th>Letter Grade</th>
<th>Grade points per unit of Credit</th>
</tr>
</thead>
<tbody>
<tr>
<td>A+</td>
<td>4.0</td>
</tr>
<tr>
<td>A</td>

</table>

*An S grade is a grade satisfactory to the professor and is normally equivalent to the letter grade of C or higher.

In computing the overall GPA, the total credits in which grades of A, B, C, D, or F have been assigned is divided into the total number of grade points earned.

A course for which only CR, but no letter grade, is given and a course in which an S grade is earned may be counted toward graduation but is not computed in the GPA.

**Prerequisite:** A prerequisite is an enurable entry requirement for a particular course. Students must have successfully completed the prerequisite before enrolling in the subsequent course.

**Corequisite:** A corequisite is a course that is required to be taken in conjunction with another course.

**Repeating Courses:** A student may repeat a course taken at this university in which a D or F grade has been earned. A computable grade (excluding I, W, RR, AU, CR, S, or U) in a repeated course may be substituted in the calculation of the GPA, though the original grade also remains on the transcript. The first occurrence with a C or better grade will count in earned hours. Future attempts will not count in earned hours. If a student repeats a course eligible for grade substitution in which they have earned a D and then fails the course, the second grade of F will not be substituted for the original grade.

Neither credits nor grade points may be earned by repeating a course for which a grade of C or higher has already been received.

**Incomplete Grade:** The grade of I is given for passable work that could not be completed due to circumstances beyond the student’s control. The following regulations apply to removing or changing an I grade.

1. Instructors may assign I grades only if the student is unable to complete the course due to circumstances beyond the student’s control that develop after the last day to withdraw from the course. Examples of appropriate circumstances include documented illness, documented death or crisis in the student’s immediate family, and similar circumstances. Job related circumstances are generally not appropriate grounds for assigning an I grade. In no case is an I grade to be used to avoid assigning a D, F, U, or RR grades for marginal or failing work.

2. To assign an I grade, the instructor must complete the I Grade Information Form. The form must be signed by the student and the instructor. The form must be delivered to the Admissions & Records Office. The instructor will state in writing on the I Grade Information Form the steps necessary to complete the remaining coursework, or the instructor may indicate that the student will be required to re-enroll in the course to receive credit (in which case the I grade will not be removed). The student will sign the document, and the Admission’s Office will send a copy of the document to the student’s official permanent address as recorded in the Registrar’s Office.

3. The student is entitled to have the I grade removed from their transcript only if the student completes the remaining coursework as specified on the I Grade Information Form, in a manner satisfactory to the instructor. The work must be completed within 12 months after the I grade is assigned and prior to the student’s graduation, or within a shorter period of time if specified by the instructor on the I Grade Information Form. If the student fails to complete the coursework, the instructor may change the I grade to
any appropriate grade (including D, F, or U) provided that the instructor stated that this would occur on the I Grade Information Form.

4. I grades can be removed from the student’s transcript by the instructor only during the 12-month period following assignment of the I grade or prior to the student’s graduation, whichever comes first. To remove an I grade, the instructor must complete a Change of Grade Form and file the form with the Admissions & Records Office. The instructor may assign whatever grade is appropriate for the entire course. This may include grades of D, F, or U. The correct form must be signed by the instructor and the Division Head. An I grade not changed by the assigning instructor within 12 months and prior to graduation shall remain an I grade thereafter.

5. A student may re-enroll and receive credit for any course for which an I grade was previously received; however, retaking the course will not result in a removal of the I grade from the student’s transcript and the student must pay regular tuition for the course.

The effect of removing an I grade on a student’s academic standing (scholastic warning, probation, or suspension) depends on the date the transaction is officially recorded on the student’s academic record. If the transaction is recorded before the student begins another semester, the grade replacing the I is included in the GPA calculation that establishes the student’s academic standing. If the transaction is recorded after the student begins another semester, the new grade’s effect on academic standing is based upon its inclusion with grades for the semester in which the student is enrolled.

RR Grade (Required Repeat): The RR grade applies only to designated skill development undergraduate courses approved by the University Curriculum Committee and indicates the student has made substantial progress toward completing the requirements of the course. It carries neither penalty nor credit. The student must re-enroll and successfully complete the course in order to earn credit. The grade of RR may be received only once in any given course, and it remains on the student’s transcript.

S/U Option: Students with 28 credits at NMSU under traditional grading, with an overall average of 2.5 or better, may exercise the S/U option. The following limitations apply:
1. No more than 7 credits per semester or 4 credits per summer session.
2. Not to exceed a total of 21 semester credits.

These limitations do not apply to honors courses or courses officially designated S/U.

Each course under this option must be requested during registration. Eligibility must be determined by an Academic Advisor and certified by the student. The course must be taken outside the major. If the student changes majors, the new major department may require a traditional grade for a course previously passed with an S grade. The traditional grade change is made by the instructor or by a course challenge if the original instructor is no longer with the university.

Eligibility for S/U grading must be re-established after adjusted credit has been approved.

Nondegree students who do not meet the above requirements may take courses under the S/U option. However, these courses may not be applied toward an undergraduate degree at NMSU.

Each academic college of the university may designate courses in which the grading will be on a basis of S or U for all students enrolled in the courses. Credits in such courses are not included in the 21-credit limitation or the 7-credit-per-semester limit.

Grade Point Average: A student’s NMSU semester and cumulative GPAs will be based solely on courses taken at an NMSU campus or under an approved National Student Exchange.

Independent Studies: Independent study courses (including directed reading and special topics courses which do not carry a subtitle) are for students capable of self-direction who meet the requirements for the S/U option, i.e., if the students are not eligible for the S/U option, they are not eligible for independent study. Each college determines the maximum number of credits that may be earned in independent study courses.

Adjusted Credit Option: The adjusted credit option allows students who obtain a low GPA (less than a 2.0 cumulative) during their first few semesters to get a fresh start. This option may be used only once and is not reversible. All courses carrying a grade of S, CR, C, or better earned prior to the grading period in which the student requests the adjusted credit option (including transfer courses) are included as adjusted credit. All allowable credits are designated on the permanent academic record as “adjusted credit” and are omitted from the calculations of the cumulative GPA.

A fee of $10 is required for the submission of an adjusted credit option application. Application forms are available in Advising & Career Services located in the Student Services Building. Students applying for this option must pay the $10 fee at the NMSU-A Business Office. In addition, students must:
1. Not hold a baccalaureate degree;
2. Be currently enrolled as a degree-seeking or nondegree undergraduate student;
3. Have a cumulative GPA of less than 2.0 at NMSU;
4. Have successfully accumulated fewer than 60 transfer plus NMSU credits;
5. Exercise the option only during the fall or spring semester before the last day to withdraw from the university; and
6. Pass an additional 30 graded credits before they may be awarded an associate degree.

Other courses taken during the period of credit adjustment are not calculated in the cumulative GPA. The repeat rule for the
courses starts anew for students who have taken the adjusted credit option.

Credits covered by this option are shown on the transcript with an appropriate notation, and all coursework attempted is shown. In no circumstances will a transcript of this record be issued that does not include all courses attempted at this university.

Probationary status and eligibility for on-campus employment is not affected by the exercise of the adjusted credit option.

Students are eligible for university honors if the criteria for university honors are met for all courses taken at NMSU or one of its community colleges after the period of adjusted credit.

Credit by College Level Examination Program (CLEP): Prior to or during a student’s enrollment at NMSU, or any of its community colleges, credits may be earned through the College Level Examination Program (CLEP) of the College Entrance Examination Board. CLEP is a national program of credit by examination that offers the opportunity to earn credits for college level achievement wherever or however one has learned.

Earned CLEP credit will be treated as transfer credit without a grade, will count toward graduation, and may be used in fulfilling specific curriculum requirements.

Current NMSU CLEP Policy as well as test schedule information is available at Advising & Career Services in the Student Services building.

Note: CLEP credits, DANTES, USAFI, CCAF transfer, and course challenge credits cannot be used as part of the student’s last 15 semester credits of an associate degree.

Advanced Placement (AP): Students who have completed college level courses in secondary schools and have taken the Advanced Placement Examinations of the College Examination Board with resulting composite scores of 3, 4, or 5 may receive college level credit. The amount of credit and the equivalent university courses for which credit will be granted will be determined by the head of the department in which the course is offered. Such credit will be treated as transfer credit without a grade, will count toward graduation, and may be used in fulfilling specific curriculum requirements.

Credit for Military Service: See section Military and Veterans Programs.

Credit by Examination: Any enrolled student with a cumulative GPA of at least 2.0, currently attending classes, may, with permission of the appropriate department, challenge by examination any undergraduate course in which credit has not been previously earned except an independent study, research or reading course, or any foreign language course that precedes the final course in the lower-division sequence. The manner of administering the examination and granting permission shall be determined by the department in which the course is being challenged.

Students may not enroll in a single course, challenge it by examination, and drop it during the Drop/Add period, unless they enroll in an additional course.

In exceptional cases in which a student demonstrates outstanding ability in a course in which he/she is already registered, he/she may be permitted to challenge the course.

A student pursuing an associate degree will not be allowed to take special examinations for credit to meet the last 15 semester credits required for the associate degree.

Students desiring to apply for special examination may obtain the necessary forms from Advising & Career Services located in the Student Services Building. The fee for challenging a course is the same as the cost of tuition per credit hour.

A grade of C or better is required for credit and will be recorded on the student’s record as CR. Courses may not be challenged under the S/U option.

The special examination privilege is based on the principle that the student, exclusively, has the responsibility for preparing for a special examination.

Audits: A regularly enrolled student may register for any course prior to the last day of registration as an auditor without credit with the consent of NMSU-A Admissions & Records Office, provided the space is not required for regular students. The tuition and fees are the same as for credit courses. Audit courses are not considered in determining the maximum load except for students on probation.

A student may not change from credit to audit after the last day to register but may withdraw and continue to attend with the permission of the instructor.

Changes in Registration: Registration changes may be processed only in accordance with university regulations and with appropriate signatures. It is the responsibility of the student to initiate official withdrawal from a course.

Forms are available from the NMSU-A Admissions & Records Office. Courses may not be added or dropped after the cutoff date indicated in the university calendar, with the exception of petitions for retroactive withdrawal processed in accordance with Policy 6.92. For refund policy, see http://uar.nmsu.edu/withdrawals/.

When a student officially drops a course, the W grade is assigned as follows:

1. No grade is assigned during the registration period.
2. A W grade is assigned to any student who officially drops a course during the first half of its duration. A student may not officially withdraw from a course after this time.
3. A grade of W is assigned in all courses to any student officially withdrawing from the university prior to the last three weeks of classes.

A student found insufficiently prepared to carry a regular course may be transferred to a more elementary course in the same field any day before the last day to officially withdraw from an individual course.
Any person attending under Veterans Educational Assistance or Financial Aid should notify the Office of Financial Aid and Veterans Programs if dropping or adding courses changes enrollment status for benefits.

**Administrative Withdrawals:** When an administrative withdrawal from a course is initiated for a student who is representing the university at an official out-of-town event, the withdrawal will become effective upon the return of the student to the university from that event or five class days after the signed drop slip arrives in the dean’s office, whichever is sooner.

**Military Withdrawal:** See Military and Veterans Programs section of catalog.

**Student Medical Withdrawal:** A medical withdrawal applies to a student who becomes seriously ill, injured, or hospitalized and is therefore unable to complete an academic term for which they are enrolled. The attending physician must provide a letter on official letterhead with an original signature, stating the date(s) within the semester that the student was under medical care and that the student must withdraw because of the medical condition. This letter must be submitted within the semester or no later than one academic year after the end of that term for which the withdrawal is being requested.

Once the information is reviewed a determination will be made if the student is eligible for consideration of tuition or other refunds (Students receiving funds awarded by the University Financial Aid and Scholarship Services should be aware of policies regarding withdrawal from the University). At the Las Cruces campus, medical withdrawal begins at the Registrar’s Office. At all other campuses, medical withdrawal begins at the Student Services Office. Applicable dates are published on the approved university academic calendar or under important dates at http://registration.nmsu.edu.

Students who withdraw from all courses for the semester should do so in person through the Admissions’s Office. Students who are unable to come in person may submit an e-mail using their NMSU e-mail account to advisingnmsu@nmsu.edu.

A student who withdraws from all classes for the semester will retain access to their NMSU account per current policy but will lose access to other services and privileges available to enrolled students.

Financial information concerning drops and withdrawals can be found at http://uar.nmsu.edu/withdrawals/. Financial Aid Recipients should contact the Financial Aid Office before withdrawing. Students receiving funds awarded by the University Financial Aid and Scholarship Services should be aware of policies regarding withdrawal from the University.

The Federal Higher Education Act requires the University to calculate a Return of Federal Student Aid Funds for students who withdraw (officially or unofficially) from all classes on or before the 60 percent attendance point in the semester. Using a pro-rata schedule, the percentage of the semester attended is used to calculate the amount of the student’s earned versus unearned Federal student aid funds. The unearned portion of Federal student aid funds will be returned to the appropriate aid program(s). Students withdrawing from classes are responsible for payment of any balance due after the required return of Federal student aid funds.

**Attendance, Student Performance, and Attendance Alerts:** Students are expected to attend regularly all classes for which they are registered. Valid reasons for missing classes neither relieve the student of the responsibility of making up the work missed nor of contacting the instructor about making up any missed work. Specific class attendance requirements are determined by the instructor of the course.

In extreme cases, upon recommendation of the instructor, the Vice President for Student Success, with concurrence of the Vice President for Academic Affairs, may drop a student for persistent absences or for persistent failure to complete
assignments. Similarly, a student may also be dropped from a class for engaging in behavior that interferes with the educational environment of the class. Any student who has been dropped from a class shall have the right to appeal that decision through the Student Academic Grievance Policy.

Only enrolled students, for credit or audit, are permitted to attend classes. However, a student who has officially withdrawn from a course may continue to attend the course with the permission of the instructor for the remainder of the semester.

Students not enrolled for credit or audit may visit individual classes only with instructor permission.

Instructors also notify Academic Advising of attendance and academic issues that affect a student’s opportunity for success through the use of the QuickConnect system. There are two major reasons 1) to help the student succeed in classes and 2) to meet Federal and State laws which require that universities report non-attendance to the Financial Aid Office and other funding agencies. Instructors will submit an online QuickConnect referral and indicate the specific concern about the student’s academic progress. Students will be encouraged to monitor their academic progress and take appropriate steps to be successful in their course work. Academic Advising will contact the student to discuss the instructors’ concern and identify options to be successful in their course work.

Privacy Rights: The following information has been designated as directory information and is subject to release to the public under the Buckley Amendment (PL 98-380), “The Family Educational Rights and Privacy Act of 1974” (FERPA):

- Student’s name, address, email address, telephone listing, date and place of birth, major field of study, classification, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent, previous educational agency or institution attended by the student.

Students can prohibit the release of directory information to the public by bringing a photo ID to the Office of Admissions & Records located in the Student Services Building and by submitting a written request. Such requests must be made by the end of late registration for any semester. It will NOT prohibit the release of directory information to entities of the university which have a “need to know” to accomplish their required official tasks. It will NOT prohibit a university department from including the student’s name on mailing lists for distribution of materials that are essential to his/her enrollment at the University. Students who are also University employees should be aware that filing this restriction will result in suppression of both employee and student information.

The authorization to restrict directory information remains in effect until the student revokes it. The authorization has no affect on directory information released prior to the completion of the request.

Other information regarding disclosure of student data is posted at the Office of Admissions & Records in compliance with the Act.

Requests for withholding directory information must be filed in writing with the Office of Admissions & Records.

Students have the right to:

1. Inspect and review the student’s education records within 45 days from the day the University receives a request for access. Students should submit to the Director of Admissions & Records and the Vice President for Student Success, a written request that identifies the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. Request an amendment of the student’s education records that the student believes is inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his/her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. Consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is defined as a person employed by the University in an administrative, supervisory, academic, or support staff position (including law enforcement unit and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility.

Upon request, the University discloses educational records without consent to officials of another school in which a student seeks or intends to enroll.
4. File a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:
   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, S.W.
   Washington, DC 20202-4605

**Social Security Numbers in Student Records:** As required by law, social security numbers are collected from prospective and current students who 1) wish to be employed on campus or 2) wish to receive financial aid. Further, the University is mandated by federal tax regulations to provide tuition and fee payment information to the student and the Internal Revenue Service, so that applicable educational tax credits may be computed. The social security number is a confidential record and is maintained as such by the University in accordance with FERPA.

**Outcomes Assessment - Evaluating Your Academic Experience:** New Mexico State University is committed to providing its students with a quality education and a supportive learning environment. Assessment is a process of rigorous review followed by implementation of changes to enhance and improve the quality of education students receive at NMSU. For assessment to be effective, students must be actively aware of, and engaged in, assessment activities. Faculty and staff at NMSU will communicate to students the value and implications of assessment. For their part, students will provide feedback on personal, professional and academic development. Students are expected to participate in all types of assessment when asked to do so. Types of assessment activities include class assignments, course projects, exams, exit interviews, standardized tests, surveys, focus groups, etc. Data gathered through these assessments will be published only in aggregate form. Efforts will be made to inform students of assessment results and the program improvements implemented as a result of assessment.

**Academic Appeals:** Procedure for Initiating Grievance Complaints: This procedure has been established to provide a method to resolve undergraduate student grievances at the lowest administrative level in a fair and expeditious manner. For the purpose of this procedure, grievances are limited to alleged violations of university policy or procedures by the University or its employees, disputes with faculty and/or alleged unfair treatment. Usually this method is used to appeal a grade the student feels was not justified.

**Note:** Under no condition should these policies be used when the student has allegedly violated the University Code of Conduct or a contractual agreement, and at no hearing should either party have a lawyer.

Any student who believes that he or she has been unjustly treated within the academic process may proceed as far as necessary in the steps detailed below. Should the alleged grievance not involve a faculty member or course, the student is to appeal directly to the Division Head in whose area the alleged grievance occurred.

1. **Appeal to faculty member:** The student is to submit a written appeal to the faculty member within thirty (30) days after the start of the semester following the semester in which the alleged grievance occurred. Semester in this case refers to fall and spring only. If the alleged grievance occurs during the summer session, the student is to submit an appeal no later than thirty (30) days into the fall semester following the summer session in which the alleged grievance occurred. The faculty member and the student are to discuss the problem. The faculty member will submit a written report outlining his or her decision to the student and Division Head within ten (10) working days of receipt of the student’s written appeal.

2. **Appeal to the Division Head:** If a decision satisfactory to the student cannot be reached, the student may submit a written appeal to the Division Head in which the course in question is taught. This is to be done within ten (10) days of receipt of the faculty member’s written decision. The faculty member, the Division Head, and the student are to meet to discuss the problem. The Division Head will send a written response outlining his/her decision to the student and the faculty member within ten (10) working days of this meeting.

3. **Appeal to the Vice President for Academic Affairs (or designee):** If a satisfactory decision cannot be reached among the Division Head, the faculty member and the student, the student or the faculty member may submit a written statement of appeal to the Vice President for Academic Affairs (or designee). This is to be done within ten (10) working days after receipt of the written decision by the Division Head. The Vice President for Academic Affairs may request a written recommendation from the college Academic Appeals Board. Should this be the case, the Academic Appeals Board will conduct a hearing with the student and faculty member (not necessarily at the same time) to review the merits of the appeal. They may also ask for supporting evidence for or against the appeal. The Academic Appeals Board will submit the written recommendation to the Vice President for Academic Affairs within five (5) working days following the conclusion of their process. The Vice President for Academic Affairs may meet with the student, faculty member, and Division Head to discuss the appeal (not necessarily at the same time). The Vice President for Academic Affairs will submit a written response outlining his or her decision to the student, faculty member, Division Head, and campus President within ten (10) days of the last meeting.

4. **Appeal to the campus President (or designee):** The campus President may, at his or her discretion, review the appeal upon the written request of the student or faculty member and render a final decision. An appeal to the campus President is the last step in the appeals process.
and the campus President’s decision cannot be appealed further. Should the campus President choose not to review the appeal, the decision of the Vice President for Academic Affairs is final.

5. **Exceptions to the time involved:** The Vice President for Academic Affairs or designee may waive the normal time frame for appeals for compelling reasons. Regardless of circumstances, academic appeals must be initiated with the course instructor within two years of the completion of the course or summer session in which the course was taken.

6. **Enrollment:** A student need not be enrolled at the University to initiate an appeal.

**Academic Appeals Board:** An Academic Appeals Board will be appointed by the Vice President for Academic Affairs to hear student appeals. The Appeals Board will consist of three faculty members and two students.

**Maintenance of Records:** Instructors and/or divisions shall keep records used to compute individual grades for two years after the completion of a course. If a grade has been appealed, these records shall be kept for at least two years after completion of the appeal. Divisions may require that records be kept for longer periods.

**Academic Misconduct:** Students at NMSU-A are expected to observe and maintain the highest academic, ethical, and professional standards of conduct. Any student found guilty of academic misconduct shall be subject to disciplinary action. Academic misconduct includes, but is not limited to, the following actions:

1. Cheating or knowingly assisting another student in committing an act of cheating or other forms of academic dishonesty;
2. Plagiarism, which includes, but is not necessarily limited to, submitting examinations, themes, reports, drawings, laboratory notes, undocumented quotations, computer-processed materials, or other material as one’s own work when such work has been prepared by another person or copied from another person;
3. Unauthorized possession of examinations, reserved library materials, or laboratory materials;
4. Unauthorized changing of grades on an examination, in an instructor’s grade book, or on a grade report; or unauthorized access to academic computer records; and
5. Nondisclosure or misrepresentation in filling out applications or other University records in, or for, academic departments or colleges.

**Academic Standing:** The following academic regulations apply to all NMSU-A students.

**Note:** See section on Incomplete, I, grades to determine the effect of removal of I grades on academic standing.

**Academic Warning, Probation, and Suspension:** When students do not maintain adequate academic standing, they begin a progression of Academic Warning to Academic Probation I and II, and finally to Academic Suspension. Each state imposes more structure and limitations on the student in order to help the student return to normal academic standing. The intent is not to punish, but to help the student return to normal academic standing and success. Since some of these limitations involve limitations on the number of credit hours, students on Probation II or Suspension may be subject to loss of financial aid. It is the responsibility of the student to determine the impact of their changed academic standing on their financial aid.

Notification to students of academic warning, probation, or suspension appears on the student’s grade report at the end of each grading period.

**Academic Warning:** An Academic Warning is issued only once, the first time a student’s cumulative GPA falls below a 2.0 while in good academic standing.

While under Academic Warning the following restrictions apply:

1. The student may be required to enroll in a 3-hour special study skills/time management course specifically designed for students on Academic Warning for the first time, or an equivalent approved by the Vice President for Academic Affairs.
2. Students will be required to enter into a contract with their Advisor, approved by the Vice President for Academic Affairs, that places further stipulations on Academic Warning. The contract may include, but is not limited to, the following:
   - The student may be required to take at least one repeat course to try to greatly improve their GPA.
   - Except for the special study skills/time management course, the student’s coursework may be restricted to required courses for the degree.
   - The student may be required to get tutoring help.
   - The student may be required to see an Academic Advisor on a specified time schedule.
   - The number of hours for which a student may register may be restricted (due to extenuating circumstances such as the student’s workload commitments).

The Vice President for Academic Affairs may place the student on Academic Probation I should the student not adhere to the stipulations of the contract.

If the student’s semester GPA is less than a 2.0, and the cumulative GPA remains below a 2.0 at the end of the semester on Academic Warning, the student is placed on Academic Probation I. If the semester GPA is greater than 2.0 but the cumulative GPA is still less than 2.0, the student will remain on Academic Warning. If the cumulative GPA is greater than a 2.0 at the end of the semester, the student is returned to good academic standing.

**Summer Courses:** A student may use summer classes to try to get warning or probationary status removed. Under
no circumstances may a student on Academic Warning or Academic Probation be allowed to register for an overload. Academic Warning status is continued if the student withdraws from the university.

Probation or suspension status applies to all subsequent enrollments.

**Academic Probation:** There are two stages in Academic Probation.

**Academic Probation I:** This occurs when a student under Academic Warning has a semester GPA less than 2.0, and the cumulative GPA remains below 2.0 at the conclusion of the semester or if the student maintains a semester GPA greater than 2.0 while on Academic Probation I but the cumulative GPA is still less than 2.0.

**Under Academic Probation I the following conditions apply:**

1. The student cannot enroll in more than 13 hours of coursework during the semester.
   
   **Note:** Students falling below 12 credits in any one semester may jeopardize their eligibility for financial aid. Should this occur, students should see their Academic Advisor as soon as possible to try to implement corrective measures.

2. The student will enter into a contract or individualized education plan with the student’s Advisor and approved by the Vice President for Academic Affairs, that places further stipulations on Academic Probation I. The Vice President for Academic Affairs may place the student on Academic Probation II or Academic Suspension should the student not adhere to the stipulations of the contract.

3. Students on Academic Probation I receiving educational benefits from the Veterans’ Administration must obtain counseling from the Office of Veterans’ Programs.

   The student must maintain a semester GPA equal to or greater than 2.0 until such time that the cumulative GPA is greater than 2.0 at which time the student goes back to good academic standing. Until the latter happens, the student remains on Academic Probation I. The student will be placed on Academic Probation II if unable to maintain a 2.0 semester GPA, and the cumulative remains below a 2.0 GPA, while under Academic Probation I.

**Academic Probation II:** Issued when a student falls below a semester 2.0 GPA, and the cumulative remains below a 2.0 GPA, while on Academic Probation I. Or, if the student maintains a semester GPA greater than 2.0 while on Academic Probation II but the cumulative GPA is still less than 2.0.

1. The student cannot enroll in more than 7 hours of coursework during the semester.

2. As with rule 2 under Academic Warning and Academic Probation I and at the discretion of the Vice President for Academic Affairs, the student will be required to enter into a contract with their Advisor, and approved by the Vice President for Academic Affairs, to place further stipulations on Academic Probation II.

   The Vice President for Academic Affairs may place the student on Academic Suspension should the student not adhere to the stipulations of the contract.

   The student must maintain a semester 2.0 GPA or higher until the cumulative GPA reaches a 2.0 or higher at which time the student is placed on good academic standing. A student unable to maintain a semester GPA of 2.0 or higher, and the cumulative remains below 2.0 GPA, while under Probation II will be placed on Suspension.

**Transfer Students:** Students admitted under special provisions whose transcripts indicate less than a 2.0 GPA are admitted on Academic Probation I.

**Continuing in Probationary Status:** Students may continue to enroll while on Academic Probation I or II provided they maintain a semester GPA of 2.0 or higher. They are continued on that same level of Academic Probation if they withdraw from the university while on Academic Probation.

**Removal of Academic Probation:** Such academic standing is removed when the cumulative GPA is raised to 2.0 or higher, with the following exceptions:

1. A transfer student may not remove probation by summer class work alone;

2. If an I grade is removed after the student has enrolled, the new grade’s effect on academic standing is based on its inclusion with grades for the term for which the student is enrolled; and

3. Exercise of the Adjusted Credit Option does not change academic status until subsequent grades are earned.

**Academic Suspension:** When a student does not achieve a semester 2.0 GPA or higher, and the cumulative remains below a 2.0 while under Academic Probation II, the student is placed on Academic Suspension. Students under Academic Suspension are not allowed to take NMSU-A courses while under suspension. Students under Academic Suspension must sit out a minimum of one (1) semester and then petition the Vice President for Academic Affairs to be removed from Academic Suspension. At this time, the suspension status will be evaluated for possible removal. Should the suspension be lifted, the student is placed on Academic Probation II until such time that the cumulative GPA equals or exceeds a 2.0. At the discretion of the Vice President for Academic Affairs, the student will enter into a contract approved by the Vice President for Academic Affairs and the student’s Academic Advisor setting stipulations to have the suspension removed. Failure to adhere to the contract will return the student to Academic Suspension.

Under certain conditions, a student may be readmitted at NMSU or one of its community colleges under regular status while under Academic Suspension when satisfactory progress has been demonstrated at another college or university. Credits
earned at another university or college while under Academic Suspension from NMSU or another university or college will be accepted at NMSU only after the student demonstrates satisfactory progress over a period of two semesters after being readmitted to NMSU.

Acceptance of transfer credits that count toward degree requirements is still governed by the rules established by the student’s respective college or campus.

**Effect of Summer Attendance:** Students suspended at the close of the spring semester may have their Academic Suspension rescinded if they attend the summer session at NMSU or one of its community colleges. Such attendance must raise the combined spring semester and summer GPA to 2.0 or better.

A certification of eligibility to attend summer sessions at NMSU or one of its community colleges after a spring semester Academic Suspension is available to the suspended student who wishes to attend summer sessions at other institutions.

**Disciplinary Probation and Suspension:** NMSU-A expects all students to regard themselves as responsible citizens on campus and in the community.

Repeated misconduct and major violations will cause the student to be subject to immediate suspension or expulsion from the university.

The general rules and regulations applicable to students are in the “Student Code of Conduct” of the Student Handbook or can be obtained from Advising & Career Services.

---

**GRADUATION REQUIREMENTS**

The ultimate responsibility for planning an academic program in compliance with university, college, and departmental/program requirements rests with the student. In addition, the student bears ultimate responsibility for understanding all matters of the Undergraduate Catalog.

In order to graduate, students must fulfill requirements of a degree plan in a catalog that is no more than six years old at the time of their graduation and is no older than the year when the student began higher education coursework at NMSU.

Note: The degree plans in this catalog are effective summer, 2015, and are in effect through the spring semester 2021.

**ASSOCIATE DEGREE**

To earn an Associate Degree at the NMSU Alamogordo Campus, a student must:

- Have regular degree-seeking admission status.
- Complete a minimum of 66 credits hours or more as specified in each degree. (Courses with an “N” suffix do not apply to any degree.)
- Have a cumulative GPA of 2.0 in all courses taken at NMSU.
- The last 15 credit hours must be taken through NMSU-A or any NMSU campus. College Level Examination Program (CLEP), DANTES, USAFI, transfer credit, or course challenge credits cannot be used as part of the student’s last 15 semester credits.

**CERTIFICATE**

To earn a Certificate at the NMSU Alamogordo Campus, a student must:

- Have regular admission status.
- Have at least a 2.0 grade point average.
- The last 15 credit hours must be taken through NMSU-A or any NMSU campus. College Level Examination Program (CLEP), DANTES, USAFI, transfer credit, or course challenge credits cannot be used as part of the student’s last 15 semester credits.

**Deadline for Course Substitutions and Waivers:**

Latest date for substitution or waiver of required courses for degree candidates is two weeks after the last date of registration for regular or summer terms.

**COLL 101 (College/Life Success) Waiver Policy:**

All New Mexico State University Alamogordo associate degrees require 1-3 credits of COLL 101 for graduation. Waived credits do not count in minimum credit requirements for degrees and students must still meet minimum credit requirements for the degree earned; however, students who meet one of the following criteria may waive COLL 101 (paperwork must be submitted by deadlines noted above):

- A composite ACT score of 21 or higher; or a composite SAT score of 1500 or higher (M, W, and Cr); or a SAT score of 990 or higher (M, Cr); or a composite PSAT score of 150.
- Compass scores of English 85 and Math 59 (Algebra domain) or higher.
- 28 hours of college transfer credit with a 3.0 GPA or higher.
- A minimum of an associate degree.

**Filing Notice of Degree Candidacy:** Degree candidates are required to file an Application for Degree and pay the degree application fee for each degree sought. Applications for Associate Degrees are available online through the MyNMSU website. Appropriate fees are assessed during the online process ($25 for each associate degree). Applications for Certificates must be picked up in Advising & Career Services and submitted to the NMSU-A Business Office with the appropriate fee ($10 per certificate). Applications must be completed and submitted by the deadline for the semester/session. There is an additional $25 late fee for applications filed after the deadline date. No applications will be accepted after the late fee deadline.

If degree requirements are not completed during the semester or session for which the student paid the fee, the degree will be denied and the student must reapply and pay the appropriate fee.
A student must specify the catalog year as indicated under “Graduation Requirements.”

**Attendance at Commencement:** The Vice President for Student Success confirms eligibility to participate in commencement exercises held at the close of the spring semester. Eligible candidates (registered for final degree requirements, as certified by an Academic Advisor) and degree recipients from the previous summer, fall, or current spring semester may participate in the ceremony which is held at the end of every spring semester. Participation in commencement does not, in itself, mean that a student is considered an NMSU-A graduate. In order to receive a degree, a student must fulfill university requirements. The degree will reflect the graduation date from the application for degree in which all degree requirements were met.

**Diplomas:** Diplomas will be mailed to graduates approximately eight weeks after final grades have been processed by the Registrar’s office, concluding a final degree audit by the individual Colleges. The diploma will be mailed to the address specified on the degree application, unless an address change has been requested before the end of the semester.

The name on the diploma will reflect the student’s current official NMSU records. Name changes are processed only for currently admitted students. The degree title and major(s) will be printed on the diplomas, in accordance to the degree application award, determined by the academic colleges. Academic honors will also be printed on the diplomas below the degree and major(s).

All fees and bills owed the university must be paid in full before a student may receive a diploma or transcript of credits.

**Recognition of Degrees and Certificates:** Degrees and certificates earned are recorded on the student’s academic record.

**Transcript of Credits:** An official transcript, the University’s certified statement of the student’s complete NMSU academic record in chronological order by semester and year, includes coursework, grades, and degrees earned. Credit hours earned through transfer work are not listed in detail, but do appear as cumulative totals. Transcripts are available as digitally signed PDFs or printed copies. Transcripts can be ordered online at [http://mytranscript.nmsu.edu](http://mytranscript.nmsu.edu). A fee is charged.

The name on the transcript will be the same as on the official NMSU records. Name changes are processed only for current students. No transcript will be released if the student is in debt to the university.
ASSOCIATE OF ARTS

The Associate of Arts degree represents the completion of the first two years of most bachelor’s degree programs in the College of Arts & Sciences. Students following the Associate of Arts degree are advised to select courses that fulfill the New Mexico Common Core Requirements required for all bachelor degree programs at New Mexico State University. This information is available in the NMSU catalog or on the web site at www.nmsu.edu. Since approximately half of the requirements for the Associate of Arts are met with elective courses, it is recommended that students plan these electives to meet other requirements for their bachelor’s degree, such as the second language requirement or specific requirements within the major.

Undecided students are advised to follow this degree plan because it is flexible and will help structure their selection of classes until they decide on a major.

A grade of C- or better is required in each course that fulfills the New Mexico Common Core Requirements.

TOTAL CREDITS REQUIRED FOR DEGREE: 66

NM Common Core/General Education Requirements (36 credits)
(NM Common Core Classes listed on page 19)

Area I: Communications (10 Credits)
ENGL 111G Rhetoric and Composition (4 cr.)
ENGL 203G Business and Professional Communication (3 cr)
OR ENGL 211G Writing in the Humanities and Social Sciences (3 cr)
OR ENGL 218G Technical and Scientific Communication (3 cr)
COMM 253G Public Speaking (3 cr.)
OR COMM 265G Principles of Human Communication (3 cr.)

Area II: Mathematics (3-4 Credits)
Any MATH or STAT 100-200 G course listed in the NM Common Core list.
(Note: Student’s subsequent transfer degree major should guide the selection of the math course.)

Area III: Laboratory Sciences (8 Credits)
Any two Lab Science 100-200 G courses listed in the NM Common Core list.

A total of five courses must be chosen between the Humanities/Fine Art and the Social/Behavioral Sciences.

Area IV: Social/Behavioral Sciences (6-9 Credits)
Any two to three Social/Behavioral Sciences 100-200 G courses from two to three different disciplines in the NM Common Core list.

Area V: Humanities/Fine Art (6-9 Credits)
Any two to three Humanities/Fine Arts 100-200 G courses from two to three different disciplines in the NM Common Core list.

Recommended Second Language Elective (8 credits)
Any 111-112 Second Language sequence offered at NMSU campuses**

Campus Requirement (4 credits)
COLL 101 College Success (1 cr.)
C S 110 Computer Literacy (3 cr.)

Electives: To bring total credits to 66
A maximum of 9 credit hours of applied coursework may be counted towards graduation. In addition, a maximum of 9 credits of PE and PE P courses can apply to the degree. Please see an advisor to determine which courses are considered “applied” coursework.

**See your advisor for exact number of second language credits your selected major may require. Almost all College of Arts and Sciences majors required at least two semesters of a language; some require four semesters. New Mexico State University recommends that students take their language requirements as soon as possible and in sequence. See your advisor or the NMSU catalog for exceptions to the language requirements.
AUTOMOTIVE AND HYBRID TECHNOLOGY
Associate in Applied Science Degree and Certificates

This program is designed for students who intend to enter the automotive workforce, establish a commercial business in the automotive field, and/or to prepare for the Automotive Service Excellence (ASE) Certification.

A grade of C- or better is required in all courses for the degree and certificates.

BIOMEDICAL EQUIPMENT TECHNOLOGY
Associate in Applied Science Degree

This degree is intended to provide skills and training for students to become Biomedical Equipment Technicians who install, maintain, and repair medical equipment. Employment for Biomedical Technologists is available from hospitals, medical equipment manufacturing/service corporations, doctor’s offices, and other facilities that utilize medical equipment.

This degree focuses on the fundamentals of electronics, PC hardware maintenance (A+), networking (Network+), wireless systems to include telemetry, and several biomedical related courses. The biomedical courses provide training in biomedical equipment fundamentals to include: Anatomy, equipment diagnosis and repair, medical imaging, medical safety and standards, and preparation for the Certified Biomedical Equipment Technician certification exam. Students will also be required to complete three internships at medical facilities.

Grades of C- or better are required in ET, OEBM, MATH and Science courses.

MATH 120 waived for students who have taken the mathematics placement examination with recommendation for MATH 121. When a 3 credit math course is waived, three additional credits of approved electives are required.

OEBM 200 requires special registration procedures.
BUSINESS OFFICE TECHNOLOGY
Associate of Applied Science Degree and Certificate

This program prepares students with necessary skills to seek employment in the secretarial and clerical fields. Students are prepared for positions in business, industry, or government at local, state, or national levels. Students completing certificates may continue for the associate’s degree.

A grade of C- or better is required in all courses for the degree and certificate.

CRIMINAL JUSTICE
Associate Degree

The Associate Degree in Criminal Justice introduces the graduate to three facets of the Criminal Justice System (e.g., Police, Courts, and Corrections). This degree plan is broadly interdisciplinary in nature embracing the study of the humanities, law, and natural, behavioral, and social sciences. The curriculum seeks to balance theoretical inquiry with applied knowledge.

Students wishing to pursue the Bachelor Degree in Criminal Justice at NMSU should see an Academic Advisor regarding the best choices for electives.

A grade of C- or better is required in all Criminal Justice courses and any courses filling the NM Common Core/General Education Requirements.

TOTAL CREDITS REQUIRED FOR DEGREE: 68

General Education/NM Common Core Requirements (33 credits)

Area I: Communications (10 credits)
ENGL 111G (4 cr.)
ENGL 211G OR 203G OR 218G (each 3 cr.)
COMM 253G OR 265G (3 cr.)

Area II: Mathematics (3 credits)
MATH 210G (3 cr.)
OR approved math alternative (3-4 cr.)
(Students should consult an advisor regarding Math alternatives that can be used to fulfill requirements.)

Area III: Laboratory Science (8 credits)
ASTR 105G OR 110G (4 cr.)
BIOL 101G/GL OR 111G/GL OR 211G/GL (4 cr.)
CHEM 110G OR 111G OR 112G (4 cr.)
GEOG 111G (4 cr.)
GEOL 111G (4 cr.)
PHYS 110G OR 211G/GL OR 212G/GL (4 cr.)

Area IV: Humanities/Fine Art (6 credits)
HIST 101G OR 102G OR 201G OR 202G OR 211G OR 212G
ENGL 244G
PHIL 101G OR 201G OR 211G
ART 101G OR ART 110G OR MUS 101G OR MUS 201G OR THTR 101G

Area V: Social/Behavioral Science (6 credits)
ANTH 120G OR 125G OR 201G
C EP 110G
PSY 201G
ECON 201G OR 251G OR 252G
GOVT 100G OR 110G OR 150G OR 160G
SOC 101G OR 201G
WS 201G OR 202G

Criminal Justice Core Requirements (15 credits)
C J 101G Introduction to Criminal Justice (3 cr.)
C J 205 Criminal Law I (3 cr.)
C J 210 The American Law Enforcement System (3 cr.)
C J 230 Introduction to Corrections (3 cr.)
C J 250 Courts and the Criminal Justice System (3 cr.)

Second Language Requirements for Associate Degree: (6-8 credits)
1) Completion of a second language through the 112 level or 2) Completion of a second language through the 213 level for native speakers or 3) Fulfilling one of the alternatives (see an advisor for specifics)

Campus Requirements (4 credits)
COLL 101 College Success (1 cr.)
C S 110 Computer Literacy (3 cr.)

Electives (to bring total to 68)
(A maximum of 9 credit hours of applied coursework may be counted toward graduation. PL S (Paralegal Studies) courses can never replace or substitute for a Criminal Justice (C J) course but may be used as electives within the 9-credit applied course limit. Please contact an advisor to determine which courses are considered “applied” coursework.)
**EARLY CHILDHOOD**  
Associate Degree

This degree is designed to prepare highly qualified students to become teachers, assistant teachers, or family day care providers in professional child care for children ages birth through eight years. Students may choose to continue their education at any four year institution in New Mexico. Students in the Early Childhood Education program will gain a broad understanding of the specific needs of young children and develop strategies for meeting those needs. This degree will also fill the criteria for the most highly qualified professional in an early childhood position under No Child Left Behind. This degree transfers into a Bachelor’s Degree in Early Childhood from the College of Education. Note: A GPA of 2.5 is required for application to the NMSU Teacher Education program.

Note: Any education course more than seven years old taken at NMSU or at another institution will not be counted toward the student's undergraduate program. A student may ask for a review of this time limit by the appropriate department. The department head and/or faculty may recommend accepting a course that is seven years old with approval from the Dean’s office. Any course not approved must be repeated by the student.

Courses marked with an (**) are available online from NMSU Grants. Check with Advisor.
A grade of C- or better is required in all Early Childhood Education courses and any courses filling NM Common Core/General Education Requirements.

**TOTAL CREDITS REQUIRED FOR DEGREE: 69**

### General Education/NM Common Core Requirements (36 credits)

- ECED 245 Professionalism (2 cr.)
- ECED 255 Assessment of Children and Evaluation of Programs (3 cr.)
- ECED 265 Guiding Young Children (3 cr.)

### Campus Requirement (1 cr)
- COLL 101 College Success (1 cr.)  *(Alamogordo Only)*
EDUCATION
Associate Degree

The Associate in Education is designed to prepare the student for work as a teacher’s aide, substitute teacher, or other paraprofessional in elementary or secondary schools. The curriculum is also designed for maximum application of credits to the Teacher Education Program (TEP) at NMSU for those students planning to complete the Bachelor’s Degree in Education. Students pursuing a Bachelor’s Degree in Education must apply to the Teacher Education Program (TEP). Admission is competitive: NMTA Basic Skills test score and a cumulative GPA of 2.5 or higher.

Note: Any education course more than seven years old taken at NMSU or at another institution will not be counted toward the student’s undergraduate program. A student may ask for a review of this time limit by the appropriate department. The department head and/or faculty may recommend accepting a course that is seven years old with approval from the Dean’s office. Any course not approved must be repeated by the student.

A Bachelor of Science in Elementary Education completion program is available on the Alamogordo campus via ITV and online instruction through the College of Education in Las Cruces.

*Courses with an (*) are pre/co-requisites for Teacher Education Program (TEP)

Students must have an overall GPA of 2.5 and a C- or better in all courses.

TOTAL CREDITS REQUIRED FOR DEGREE: 68

ELECTRONICS TECHNOLOGY
Associate in Applied Science

The Associate in Applied Science in Electronics Technology prepares the graduate for an entry-level position in the electronics industry. Employment opportunities include a wide range of careers in research and development, computer service, manufacturing, and communication industries. Electronic technicians develop, manufacture, and service electronic equipment using sophisticated measuring and diagnostic equipment. Students may apply the associate’s degree coursework to a Bachelor’s Degree in Engineering Technology (Electronics program) offered at NMSU Las Cruces.

A grade of C- or better is required in all E T and math courses.

Emergency Medical Services (EMS) Intermediate
Associate of Applied Science

Emergency Medical Services (EMS) professionals such as Emergency Medical Technicians (EMT) provide pre-hospital emergency care to individuals who experience a sudden illness, injury, or trauma. They work under protocols approved by a physician medical director to recognize, assess, and manage medical emergencies and transport critically ill or injured patients to acute health care facilities such as hospitals. They are employed by hospitals, ambulance services, fire departments, police departments, and other agencies that have a public safety component as their missions. The EMS curriculum (OEEM) follows national standards and the new Mexico Joint Organization of Education (JOE) requirements.

Emergency Medical Services Licensure: After successful completion of the EMT Basic course, students are eligible to take the New Mexico State EMT Basic licensing and/or National Registry examination.

For specific prerequisite and co-requisite requirements contact the EMS Department in the Math and Science Division at 439-3863.

FINE ARTS
Associate Degree

This degree is designed to prepare students to work as professional artists, or to transfer to NMSU Las Cruces to complete a Bachelor of Arts (BA) or Bachelor of Fine Arts (BFA) degree in their chosen career field in Art, including drawing, painting, ceramics, or sculpture. Each area of concentration provides specialized training in studio and conceptual processes and allows students to complete all the required coursework for the first two years of study.

The Fine Arts Associate Degree provides a tangible level of expertise and academic recognition for that achievement. Although many of our students do not intend to move on to the BA or BFA degree, they can complete an associate’s degree in their chosen art field. NMSU-A has developed a top notch art department with state of the art technology and instructors with exceptional credentials and experience.

It is recommended that students take Fine Arts core requirements, specifically ART 150, 155, 156, and begin pathway requirements in their first year.

A grade of C- or better is required in the NM Common Core/General Education requirements and Art courses.

TOTAL CREDITS REQUIRED FOR DEGREE: 67

General Education/NM Common Core Requirements (36 credits)
(NM Common Core Classes listed on page 19)

Area I: Communication (10 Credits)
ENGL 111G Rhetoric and Composition (4 cr.)
ENGL 203G Business & Professional Communication (3 cr.)
OR ENGL 211G Writing in the Humanities and Social Sciences (3 cr.)
OR ENGL 218G Technical and Scientific Communication (3 cr.)
COMM 265G Principles of Human Communication (3 cr.)
OR COMM 253G Public Speaking (3 cr.)

Area II: Mathematics (3 Credits)
MATH 210G Mathematics Appreciation (3 cr.)
OR MATH 121G College Algebra (3 cr.)

Area III: Laboratory Science (8 credits)
Any two Lab Science 100-200 G courses listed in the NM Common Core list.

Area IV: Social/Behavioral Science (6 credits)
Any two to three Social/Behavioral Sciences 100-200 G courses in the NM Common Core list.

Area V: Humanities/Fine Art (9 credits)
ART 295G Introduction to Art History I (3 cr.)
ART 296G Introduction to Art History II (3 cr.)
(ART 295, and 296 can be taken in any order.)
Any additional three credits Humanities/Fine Arts G course in the NM Common Core list.

Campus Requirement (4 credits)
COLL 101 College Success (1 cr.)
C S 110 Computer Literacy (3 cr.)

Fine Arts Degree Requirements (15 credits)
ART 150 Drawing 1 (3 cr.)
ART 155 2-D Fundamentals (3 cr.)
ART 156 3-D Design and Process (3 cr.)
ART 260 Introduction to Painting (3 cr.)
ART 275 Introduction to Ceramics (3 cr.)

Pathways (12 credits)
Ceramics/Sculpture OR Drawing/Painting

Ceramics/Sculpture Pathway
ART 151 Drawing II (3 cr.)
ART 265 Introduction to Sculpture (3 cr.)
ART 276 Ceramics IB (3 cr.)
ART Elective (3 cr.)

Drawing/Painting Pathway
ART 151 Drawing II (3 cr.)
ART 261 Painting Methods, Techniques and applications (3 cr.)
ART 262 Aspects of Painting (3 cr.)
ART Elective (3 cr.)
GENERAL ENGINEERING
Associate of Science Degree

The Associate of Science Degree in General Engineering prepares the student for transfer to a four-year institution to earn a Bachelor of Science degree in Engineering. The first four semesters of classes are similar throughout the various engineering fields. The student must work closely with an Advisor to select the best options for a successful transition to the four-year institution of his/her choice.

A grade of C or better is required in all courses for the degree.

TOTAL CREDITS REQUIRED FOR DEGREE: 66

General Education/NM Common Core
Requirements (41 credits)
(NM Common Core Classes listed on page 19)

Area I: Communications (10 credits)
ENGL 111G  Rhetoric and Composition (4 cr.)
ENGL 218G  Technical and Scientific Communication (3 cr.)
COMM 253G  Principles of Human Communication (3 cr)
  OR COMM 265G  Public Speaking (3 cr.)

Area II: Mathematics (8 credits)
MATH 191G  Calculus and Analytic Geometry I (4 cr.)
MATH 192G  Calculus and Analytic Geometry II (4 cr.)

Area III: Laboratory Sciences (8 credits)
CHEM 111G  General Chemistry I (4 cr.)
PHYS 215G  Engineering Physics I (3 cr.)
PHYS 215GL  Engineering Physics I Lab (1 cr.)

Area IV: Social/Behavioral Science (9 credits)
ECON 251G  Principles of Macroeconomics (3 cr.)
Six additional credits from the Social/Behavioral Science G courses in the NM Common Core list.

Area V: Humanities/Fine Arts (6 credits)
Any two Humanities/Fine Art 100-200 G courses in the NM Common Core list.

Related Requirements (8 credits)
Select at least 8 credits:
CHEM 112G  General Chemistry II (4 cr.)
PHYS 216G & 216GL (4 cr.)
GEOL 111G  Survey of Geology (4 cr.)
  OR C E 160 Geology for Engineers (4 cr)
Other Approved Lab Science (4 cr.)

Engineering Core Requirements (15 credits)
Group I (Select at least 9 credits)
ENGR 100  Introduction to Engineering (3 cr)
DRFT 109  Computer Drafting Fundamentals (3 cr)
  OR C E 109  Computer Drafting Fundamentals (3 cr)
  OR E T 109  Computer Drafting Fundamentals (3 cr)
  OR DRFT 114  Intro to Mechanical Drafting/Solid Modeling
  (3 cr)
ENGR 111  Matlab Programming (3 cr),

Group II (Select at least 3 credits)
C E 233  Mechanics-Statics (3 cr)
E E 280  AC and DC Circuits (4 cr)
MATH 291G  Calculus and Analytic Geometry III (3 cr)
C E 151  Intro to Civil Engineering (3 cr)
  OR G EN 151  Intro to Geologic Engineering (3 cr)
E E 161  Computer Aided Problem Solving (4 cr)

Campus Requirements (select at least 2 credits)
COLL 101  College Success (1-3 cr.)
And any additional course to meet or exceed 2 credit requirement if needed.

**GENERAL STUDIES**

**Associate Degree**

The Associate in General Studies degree program is intended for those wishing to tailor an Associate Degree to their own specific needs. It allows students to include courses from a variety of program areas. Any General Studies degree plan must be approved by the Vice President for Student Success.

The Associate in General Studies is not intended to be a substitute for the Associate of Arts or Associate of Science degree programs, which prepare students for transfer to bachelor degree programs.

**NOTE:** Students who have previously earned an Associate Degree from NMSU Alamogordo or from any other institution are ineligible to receive the Associate in General Studies degree. Similarly, the Associate in General Studies degree will not be awarded concurrently with any other Associate Degree offered by NMSU Alamogordo.

**TOTAL CREDITS REQUIRED FOR DEGREE: 66**

Requirements for this degree are:

- Complete a total of 66 credits (excludes noncredit courses such as any “N” suffix course);
- Complete ENGL 111G and COLL 101 with a C or better;
- Achieve a 2.0 cumulative GPA;
- and

  - Complete the last 15 hours from an NMSU campus (cannot be CLEP, ACT, challenge credit or credit from another college/university or correspondence school.)
GRAPHIC DESIGN
Associate in Applied Science and Certificate

The Associate in Graphic Design emphasizes the use of computers in a creative, art-centered, technologically challenging, conceptually-based framework. The degree is designed to prepare students for immediate entry into the job market or for transfer to four-year degree programs in art or other disciplines at the NMSU campus in Las Cruces. At least 53 of the 69 credits in this program will apply to a typical Bachelor’s Degree in Fine Art and other majors at the NMSU Las Cruces campus and many will transfer to other 4-year institutions. A course in HTML and Java strongly recommended.

Students must earn a grade of C- or better in all courses for both the degree and the certificate.

TOTAL CREDITS REQUIRED FOR DEGREE: 69

INFORMATION TECHNOLOGY
Associate in Applied Science and Certificate

This degree is designed to provide training and skills required for employment in the Information Technology (IT) career field. Employment for IT is available from the expanding computer service industry. This industry is one of the nation’s fastest growing employment industries. Information technologists install, maintain, administer, and manage a computer network. This degree focuses on networking fundamentals such as network communication devices and protocols, network operating systems, personal computer (PC) hardware and software principles, PC and network security, support center operations and database management tools.

All Information Technology majors are required to complete a 2-credit internship program within the sophomore year. The Network Operating Systems courses (I, II, III) **must be completed** in numerical order.

Students may apply the associate’s degree coursework to a bachelor’s degree in Information and Communication Technology (ICT) offered at the Las Cruces campus. The Bachelor of Information and Communication Technology is available through the College of Distance Education from the Las Cruces campus. Most of the coursework can be completed through electronic classes with few visits to the Las Cruces campus. More information is available in the Advising Office.

**Grades of C- or better are required in ET, OECS, and Math courses.**

**TOTAL CREDITS REQUIRED FOR DEGREE: 67**

OCCUPATIONAL BUSINESS
Associate of Applied Science Degree

The curriculum is designed for students who wish to prepare for entry-level positions. The required courses focus on the fundamentals of business operations giving special consideration to basic accounting practices, basic business law, economics, fundamentals of marketing, and management of human resources. To complete the degree, the student must take the required courses listed below and 15 credits from an approved field of concentration.

A grade of C- or better required in all courses.

TOTAL CREDITS REQUIRED FOR DEGREE: 68

ACCT 200 (3 cr.) and BOT 205 (3 cr.)
OR ACCT 221 (3 cr.) and BOT 205 (3 cr.)
OR ACCT 221 (3 cr.) and ACCT 222 (3 cr.)

MGT 201 Introduction to Management (3 cr.)
PSY 201G Introduction to Psychology (3 cr.)
OR SOC 101G Introductory Sociology (3 cr.)

Approved Elective (3 Credits)
Choose from NM Common Core list of G courses located on page 19: Anthropology, English, History, Government, Philosophy or Psychology

Fields of Concentration (15 Credits)
The field of concentration is designed to fit the individual needs of the student. Courses are selected by the student and approved by the Business Program Coordinator. Established fields are Business Office Technology, Financial Services, General, Real Estate, Small Business Enterprises, Microcomputers for Business, Photographic Trades, Information Technology, and Web Master. Other fields are possible with approval of Program Coordinator. See an advisor for historical samples that may help with course selections.

Certificate in Leadership Skills
The Leadership Skills Certificate prepares students in leadership roles in the workplace or in community organizations.

TOTAL CREDITS REQUIRED FOR CERTIFICATE: 16

ENGL 111G Rhetoric and Composition (4 cr.)
COMM 253G Public Speaking (3 cr.)
ECON 201G Introduction to Economics (3 cr.)
OR GOVT 100G American National Government (3 cr.)

BMGT 140 Principles of Supervision I (3 cr.)
OR BMGT 240 Human Relations (3 cr.)
PARALEGAL STUDIES
Associate of Applied Science Degree and Certificate

The Paralegal Studies program is designed to give the paralegal a broad background in many different areas of the law. Through practical "how to" courses, students learn about the legal system, acquire skills used in law offices, and are taught the professional and ethical responsibilities of a paralegal. Certificate courses apply to the associate’s degree.

PL S courses, even with the same title, will not replace or substitute for Criminal Justice courses on the Criminal Justice degree plan. Note: A maximum of 6 credits of PL S 221 and 222 may be applied toward a degree.

A grade of C or better is required in all PL S courses and the General Education required courses.

TOTAL CREDITS REQUIRED FOR DEGREE: 67-69

ACCT 221 Financial Accounting (3 cr.)

PREBUSINESS
Associate Degree

Students who earn this degree will have completed the first two years of any four-year business degree offered at the NMSU Las Cruces campus. This program provides the basics in accounting and economics. Students should see an Academic Advisor for bachelor’s degree requirements. Students must meet the basic skills requirement in English and math and have sophomore status prior to admission to junior-level courses on main campus. Transfer students may take one semester upper division courses if they have 45 or more transfer credits. After that they must meet the basic skills requirements.

A Bachelor of Business Administration in General Business is available through the College of Distance Education from the Las Cruces campus. Some courses require a visit to the Las Cruces campus; however, most of the classes use electronic means for delivery. Check with an advisor for more information.

The only courses that may be taken under the S/U option are electives.

A grade of C- or better is required in all course marked with an *.

Area II: Mathematics (12 Credits)
MATH 120* Intermediate Algebra (3 cr.)
(Students who place out of MATH 120 must take an additional 3 credits of general elective outside the College of Business Administration and Economics.)
MATH 121G* College Algebra (3 cr.)
OR MATH 230 Matrices and Linear Programming (3 cr.)
MATH 142G Calculus for the Biological and Management Sciences I (3 cr.)
STAT 251G Statistics for Business and the Behavioral Sciences (3 cr.)

Area III: Laboratory Sciences
(Select two courses, 8 Credits)
ASTR 105G, 110G; BIOL 101G/GL, 111G/GL, 211G/GL; CHEM 110G; GEOG 111G; GEOL 111G; PHYS 110G

Area IV: Social/Behavioral Science (6 credits)
Each course three credits
ANTH 120G, 125G; CJ 101G; GOVT 100G, 110G, 150G, 160G; PSY 201G; SOC 101G, 201G

Area V: Humanities/Fine Art (6 credits)
HIST 101G, 102G, 201G, 202G
ENGL 244G
ART 101G, 110G; THTR 101G; MUS 101G, 201G

PreBusiness Core Requirements (18 credits)
ACCT 221 Financial Accounting (3 cr.)
ACCT 222 Management Accounting (3 cr.)
(ACCT recommended for Sophomore year)
C S 110 Computer Literacy (3 cr.)
OR BCIS 110 Introduction to Computerized Information Systems (3 cr.)
BUSA 111 Business in a Global Society (3 cr.)
ECON 251G Principles of Macroeconomics (3 cr.)
ECON 252G Principles of Microeconomics (3 cr.)
(ECON should not be taken by beginning freshmen or students without algebra skills.)

Campus Requirement (1 credit)
COLL 101 College Success (1 cr.)

Electives to total 66
A maximum of 8 credits is allowable from the following three categories combined: occupational education ("OE" prefix), music organizations, intercollegiate athletics.

Students interested in a bachelor’s degree from the College of Business should consider taking FIN 210, MKTG 203 and BLAW 230 as electives. These courses meet bachelor degree requirements as lower division credit.
## RENEWABLE ENERGY SYSTEMS TECHNOLOGY

The Associate of Applied Science Degree in Renewable Energy Systems Technology is designed for students who intend to enter the alternative energy career field.

**NOTE:** Students must complete OETS 104 or receive appropriate Compass test score before entering the program.

**Grades of C- or better are required in all TCEN courses.**

**TOTAL CREDITS REQUIRED FOR DEGREE: 66**

**SCIENCE**

**Associate Degree**

The Associate of Science degree can be earned through five pathways. The degree is designed to give students a solid foundation in basic science and will transfer to a four year institution. Each pathway also includes coursework from one or more science disciplines. This degree differs from the Associate of Arts degree in that there is a heavy emphasis in math and science, which is required for any Bachelor of Science degree. This degree meets all the New Mexico Common Core requirements necessary to complete a bachelor degree. In order to earn an Associate of Science degree, the student must earn at least 16 credits in laboratory sciences.

A grade of C- or better is required in all the NM Common Core/General Education courses. A grade of C- or better is also required in math and science courses to meet the prerequisite requirements to qualify for the higher level classes.

**TOTAL CREDITS REQUIRED FOR DEGREE: 66**

**General Education/NM Common Core Requirements (44 credits)**

*(NM Common Core Classes listed on page 19)*

**Area I: Communications (10 Credits)**
ENGL 111G Rhetoric and Composition (4 cr.)
ENGL 218G Technical and Scientific Communication (3 cr.)
COMM 265G Principles of Human Communication (3 cr.)
OR COMM 253G Public Speaking (3 cr.)

**Area II: Mathematics (3-4 Credits)**
MATH 121 College Algebra (3 cr.)
OR MATH 190G Trigonometry and Precalculus (4 cr.)
OR MATH 191G Calculus and Analytic Geometry I (4 cr.)

**Area III: Laboratory Sciences (16 credits)**

**Biology Pathway**
BIOL 111G & 111GL (4 cr.)
BIOL 211G & 211GL (4 cr.)
CHEM 111G (4 cr.)
CHEM 112G (4 cr.)

**Environmental Pathway**
E S 110G (4 cr.)
BIOL 111G & 111GL (4 cr.)
CHEM 111G (4 cr.)
CHEM 112G (4 cr.)

**Geology Pathway**
GEOL 111G (4 cr.)
CHEM 111G (4 cr.)
CHEM 112G (4 cr.)
PHYS 211G & 211GL (4 cr.)

**Health Pathway**
BIOL 111G & 111GL (4 cr.)
BIOL 211G & 211GL (4 cr.)
BIOL 221 & 221L (4 cr.)
CHEM 110G

**OR CHEM 111G (4 cr.)**

**Area IV: Social/Behavioral Sciences (6-9 credits)**
Any two to three Social/Behavioral Sciences 100-200 G courses in the NM Common Core list.

**Area V: Humanities/Fine Art (6-9 credits)**
Any two to three Humanities/Fine Arts 100-200 G courses in the NM Common Core list.

**Campus Requirement (1-3 Credits)**
COLL 101 College Success (1-3 cr.)

**Electives: To bring total credits to 66**

*Recommended electives for each pathway:*

**Biology Pathway**
MATH 191G (4 cr.)
PHYS 211G & 211GL (4 cr.)
PHYS 212G & 212GL (4 cr.)

**Environmental Pathway**
BIOL 211G & 211GL (4 cr.)
GEOL 111G (4 cr.)
MATH 191G (4 cr.)
MATH 192G (4 cr.)
PHYS 215G & 215GL (4 cr.)

**Geology Pathway**
MATH 191G (4 cr.)
MATH 192G (4 cr.)
PHYS 215G & 215GL (4 cr.)

**Health Pathway**
STAT 251G (3 cr.)

*An additional five courses must be chosen between the Humanities/Fine Art and the Social/Behavioral Sciences.*
SOCIAL SERVICES
Associate Degree

The Associate in Social Services is designed to prepare students for careers in social service or community health agencies as paraprofessionals. In addition, because of the large New Mexico Common Core component, the degree also helps prepare the student for a successful transition into a bachelor’s program in Social Work or other majors.

The bachelor degree requirement for foreign language requires a grade of C or better grades through the 212 level in any foreign language. If the student is a native speaker, the requirement is met with 113, 213 and 214 sequence in the language. If the student has taken one or two years of a foreign language in high school, they should take the language placement test to determine the level of course in which they should begin. See an advisor.

Students interested in the Las Cruces campus Bachelor Degree in Social Work program may also be interested in the Associate in Social Services. Students planning to pursue a Bachelor’s Degree in Social Work must apply for the Social Work Program. Students (particularly transfer students) should contact the Social Work Advisor in Las Cruces for advising and for the application packets.

Students must earn a grade of C or better in all General Education/NM Common Core and Social Service courses.

TOTAL CREDITS REQUIRED FOR DEGREE: 66

General Education/NM Common Core
Requirements (39 credits)
(NM Common Core Classes listed on page 19)

Area I: Communications (10 credits)

ELECTIVE (1 cr.)

Option Area (6 credits)
Choose either Paraprofessional or Social Work

Paraprofessional Option
Select two of the following courses from two different disciplines.
ANTH 201G Introduction to Anthropology (3 cr.)
OR ANTH 203G Intro to Language and Cultural Anthropology (3 cr.)
GOVT 100G American National Government (3 cr.)
OR GOVT 110G Introduction to Political Science (3 cr.)
C J 250 Courts and the Criminal Justice System (3 cr.)
HL S 150G Personal Health and Wellness (3 cr.)
W S 201G Introduction to Women’s Studies (3 cr.)
OR W S 202G Representing Women Across Cultures (3 cr.)

NMSU School of Social Work Option
SPAN 211 Intermediate Spanish I (3 cr.)
SPAN 212 Intermediate Spanish II (3 cr.)
CERTIFICATES, CERTIFICATIONS, OR CAREER PREPARATION

New Mexico General Education Common Core Requirement Certificate of Completion

The State of New Mexico General Education Common Core Requirement Certificate represents the completion of the basic course requirements that transfer to any bachelor program at state four-year colleges or universities. It also satisfies most of the requirements in the Associate of Art degrees offered at NMSU-A. (NM Common Core Classes listed on page 19)

**TOTAL CREDITS REQUIRED FOR CERTIFICATE: 37**

**Area I: Communications (10 credits)**
- ENGL 111G Rhetoric and Composition (4 cr.)
- ENGL 203G Business and Professional Communication (3 cr)
  - OR ENGL 211G Writing in the Humanities and Social Sciences (3 cr)
  - OR ENGL 218G Technical and Scientific Communication (3 cr.)
- COMM 253G Public Speaking (3 cr.)
  - OR COMM 265G Principles of Human Communication (3 cr.)

**Area II: Mathematics (3-4 credits)**
- Any MATH 100-200 G course listed in the NM Common Core list.
  - OR STAT 251G Statistics for Business and Behavioral Sciences (3 cr.)

**Area III: Laboratory Sciences (8 credits)**
- Any two Lab Science 100-200 G courses from two different departments listed in the NM Common Core list.

**Area IV: Social/Behavioral Sciences (6-9 credits)**
- Any two to three Social/Behavioral Sciences 100-200 G courses in the NM Common Core list.

**Area V: Humanities/Fine Arts (6-9 credits)**
- Any two to three Humanities/Fine Arts 100-200 G courses in the NM Common Core list.

**Campus Requirement (1 Credit)**
- COLL 101 College Success (1 cr.)

Certificate in Photographic Technology

This program is designed to provide basic coursework that will prepare students to work in the photographic field. Recipients of this certificate will be better prepared to seek positions in industry, business, or private enterprise, or to enhance an active amateur career.

**TOTAL CREDITS REQUIRED FOR CERTIFICATE: 28**

- ART 101G Orientation in Art (3 cr.)
- ART 161 Digital Imaging I (3 cr.)
- ART 272 Digital Imaging II (3 cr.)
- CMT 115 Digital Photography and Imaging I (3 cr.)
- CMT 216 Digital Photography and Imaging II (3 cr.)
- COLL 101 College Success (1 cr.)
- ENGL 111G Rhetoric and Composition (4 cr.)
- OEPT 100 Photographics I (3 cr.)
- OEPT 120 Photo Finishing and Presentation (2 cr.)
- OEPT 155 Portraiture (3 cr.)

**Camera Requirements:**
A digital SLR camera of at least 10 mpx and a 35mm SLR film camera with manual controls are required for this certificate. Other miscellaneous accessories and materials are required. A list is available from the photography instructor upon request.

Course Completion Certificates

Course completion certificates indicate that the student has successfully completed requirements of the course and is eligible to take a national certification exam. Although credit is given for the course, no certificate designation appears on the transcript and the certificate does not become part of a student’s permanent academic record. Course completion certificates are not eligible for federal financial aid.

**Nursing Assistant Course Completion Certificate:** This certificate requires successful completion of NA 101, Nursing Assistant Theory and Lab (6 credits)

**Phlebotomist Basic Course Completion Certificate:** This certificate requires successful completion of NA 109, Phlebotomist Basic (4 credits)
APPRENTICESHIP PROGRAMS
Associate of Applied Science Degree
Construction Technologies Electrical Option & Certificate of Completion

The electrical apprenticeship program provides training through a combination of learning experiences, both on the job and in the classroom. This program is approved by the State Apprenticeship Council and the U.S. Department of Labor. Apprentices typically spend at least 2000 hours per year learning on the job as paid employees of a sponsoring organization, and a minimum of 144 hours per year in related classroom instruction. The term of an apprenticeship depends on the job being learned. For most highly skilled crafts, such as electrician, plumber, or machinist, it is four years. Once an apprentice has completed the program and has passed the appropriate examinations, he/she is considered a journeyperson.

NMSU Alamogordo provides the related classroom instruction for the Electrical Apprenticeship Program, sponsored by businesses and organizations in the community.

Special Admissions Requirements:
Apprentices must gain hands-on experience on the job. For this reason, admittance to some classes is limited to students who are registered apprentices.

HOW TO READ THE COURSE LISTINGS

Courses are titled in the following style:

ACCT 221. Financial Accounting 3 cr.
ACCT 200. A Survey of Accounting 3 cr.
A ST 251G. Statistics for Business and the Behavioral Sciences 3 cr.

Course Number Designation:
100-199 – Freshman courses
200-299 – Sophomore courses
300-399 – Junior courses
400-499 – Senior courses

Semester Designations: At the end of some course descriptions is a code indicating the semester in which the course is taught. Meanings of the codes are:
(F) - Offered in the Fall semester.
(F & Sp) - Offered in the Fall and Spring semester.
(F & SP) - Offered in the Fall and Spring semester.
(F odd) - Offered Fall semester of odd numbered years.
(F even) - Offered Fall semester of even numbered years.
(Sp odd) - Offered Spring semester of odd numbered years.
(Sp even) - Offered Spring semester of even numbered years.

Additional Notes:

When the letter "N" is added as a suffix to the course number, the course credits are not applicable to certificates, associate, or bachelor degrees. The CCD courses are only offered on the Community College Campuses.

Consult with an Academic Advisor regarding courses that have different prefixed/course numbers but the same course titles as these classes are often considered duplications.

Students may not receive credit for a lower level course which is a prerequisite to a higher level course for which credit has been received or which is being taken for credit.

A ST- APPLIED STATISTICS

A ST 251G. Statistics for Business and the Behavioral Sciences 3 cr.
Techniques for describing and analyzing data; estimation, hypothesis testing, regression and correlation; basic concepts of statistical inference. Prerequisite: C or better in MATH 120. Same as STAT 251G. (F & SP)

ACCT- ACCOUNTING

ACCT 200. A Survey of Accounting 3 cr.
Emphasis on financial statement interpretation and development of accounting information for management. For engineering, computer science, and other non business majors. Prerequisite: one C S course or consent of instructor. Community Colleges only. (F & SP)

ACCT 221. Financial Accounting 3 cr.
Interpretation and use of financial accounting information for making financing, investing, and operating decisions. (F & SP)

ACCT 222. Management Accounting 3 cr.
Development and use of accounting information for management decision making. Prerequisite(s): ACCT 221. (F & Sp)

AHS- ALLIED HEALTH SCIENCE

AHS 108. Disabilities Support Services 4 cr. (3+2P)
Beginning level preservice preparation for providing in-home care for individuals with disabilities. Restricted to: Community Colleges only. Crosslisted with: NA 108

AHS 116. Math for Health Occupations 3 cr.
Principles of math and pharmacology necessary for administration of medications. Prerequisite(s): CCDM 114N or equivalent. Restricted to: Community Colleges only.

AHS 120. Medical Terminology 3 cr.
Study of medical terminology as it relates to understanding diseases, their causes and effects, and the terminology used by the medical specialties. Stress is placed on medical terms, their use, spelling, English translation, and pronunciation. Same as NURS 150 and BOT 150.

AHS 140. Essentials of Anatomy and Physiology 4 cr. (3+3P)
Essentials of anatomy and physiology for those considering a career in health as well as those interested in understanding their own body and the basics of health.

AHS 153. Introduction to Anatomy and Physiology I 4 cr. (3+3P)
Survey of human anatomy and physiology. Prerequisite: high school biology or high school chemistry, or CHEM 110G, or consent of instructor.

AHS 154. Introduction to Anatomy and Physiology II 4 cr. (3+3P)
Continuation of OEHO 153. Prerequisites: CHEM 110G and OEHO 153, or consent of instructor.

AHS 202. Legal and Ethical Issues in Health Care 3 cr.
Consideration of legal and ethical issues in modern health care delivery.

AHS 295. Introduction to Allied Health 1 cr.
An introductory course that covers a multidisciplinary focus needed for success in the allied health care environment. Topics include health care delivery systems and allied health careers, history of health care, law and ethics pertaining to health care, personal qualities of health care workers, confidentiality and reportable incidents. This course will also cover an orientation into safety and infection control, core measures and quality assurance, perspective payment system, customer service, current trends in health care and communication, skills to be a patient/client educator and a member of the Health Care team. Open to all students wanting to explore the allied health care industry. Restricted to Community Colleges campuses only.

ANTH- ANTHROPOLOGY

ANTH 115. Native Peoples of North America 3 cr.
General survey of the ethnology of selected native American groups. (F)

ANTH 118. Introduction to Historic Preservation 3 cr.
Introduction to historic preservation, its history, goals, methods, legal basis, and economic importance. Explores public role in decision-making. Community Colleges only. (Fall Alternate Years)

ANTH 120G. Human Ancestors 3 cr.
Evolutionary history of the human species from its origin in the primate order, with primary emphasis on the evolution of humankind during the past three million years. Examination of the social lives of apes and consideration of similarities to and differences from them. Biological foundations of human behavior, emphasizing thought, movement, and interaction. (Sp)
64 Course Descriptions

ANTH 125G. Introduction to World Cultures 3 cr.
Examine cross-cultural diversity and human universals through the lens of anthropological inquiry. Explore human thought and behavior in contemporary world cultures covering kinship, economic patterns, power structures, and religious practices and beliefs. The impact of culture’s influence on everyday life is emphasized. (F)

ANTH 201G. Introduction to Anthropology 3 cr.
A multicultural examination of the principles and philosophies of the visual arts and the ideas expressed through them. (F & SP)

ART 150. Drawing I 3 cr.
Introduction to the skill of seeing through exercises that emphasize careful drawing from the still life and utilize a range of drawing materials and techniques. Outside assignments required. (F & SP)

ART 151. Drawing II 3 cr.
Continued emphasis on drawing from observation by focusing on still life and other subject matter. Covers a range of materials, techniques and concepts. Outside assignments. Prerequisite(s): ART 150. Restricted to ART and CMI majors. (F & SP)

ART 155. 2-D Fundamentals 3 cr.
Introduction to two-dimensional space emphasizing visual elements and design principles as they apply to composition. A variety of materials are used in the studio projects and sketchbook exercises. Developing knowledge in vocabulary, color theory and skill in translating ideas into design are encouraged. Restricted to Community Colleges campuses only. (F)

ART 156. 3-D Fundamentals 3 cr.
Compositional organization of three-dimensional space explored through a broad range of visual exercises. Resourceful and creative problem solving encouraged. Restricted to Community Colleges campuses only. (SP)

ART 160. Computer-Based Illustration 3 cr.
Introduction to the principles of computerized drawing and design. Using the basic concepts, drawing tools, and vocabulary of Adobe Illustrator. Prerequisite: ART 150, ART 155, or consent of instructor. (F)

ART 161. Digital Imaging I 3 cr.
Work with basic concepts, tools, and vocabulary of Adobe Photoshop to create effective visual communication. Includes selection tools, cloning,copying and pasting, color correction, image restoration, filters, and special effects. Community Colleges only. (F)

ART 163. Digital Graphics 3 cr.
Importing and exporting images and text into various desktop publishing formats. Exploring imaging, drawing, and page layout applications. Introduction to typography. Prerequisite: ART 161. (F)

ART 165. Web Page Design 3 cr.
Introduction to the creation of well-designed and organized Web sites. Emphasis on building creative but functional user-friendly sites. Introduction to HTML, Flash, Java Script, and Web-authoring software. Prerequisite: ART 161. Community Colleges only. Same as OEPT 165. (SP)

ART 250. Introduction to Drawing 3 cr.
Introduction to drawing with a focus on technical, structural, and methodological skills. Subjects include still life and live figure models.

ART 252. Aspects of Drawing 2-3 cr.
Continued work in drawing with emphasis on personal creative endeavor. Prerequisites: ART 150, ART 151, and ART 250. Community Colleges only.

ART 255. Introduction to Graphic Design 3 cr.
Introduction to the principles of visual communication and digital media, letterforms, typography and identity marks. Projects produced using conventional and digital tools. (SP)

ART 260. Introduction to Painting 3 cr.
Introduction to basic skills of painting through various exercises that emphasize working from observation. Prerequisite(s): ART 250 or ART 150.

ART 261. Painting Methods, Techniques and Applications 3 cr.
The investigation of formal aspects of painting, an examination of painting techniques, and an exploration of various methodologies regarding form and content as applied to critical thinking skills through medium of paint. Prerequisite(s): ART 150, ART 260.

ART 262. Aspects of Painting 2-3 cr.
Varied painting media: continued development of painting skills. Prerequisites: ART 150, ART 155 (for art majors), ART 260, or consent of instructor.

ART 265. Introduction to Sculpture 3 cr.
Beginning sculpture students “explore space” while learning new processes and skills, including mold making, welding and woodworking.

ART 267. Art Portfolio Preparation 3 cr.
Refine general marketing strategies, personal portfolio and resumes. Define, target, and penetrate personal target markets. Students develop individual promotional packages. Prerequisites: ART 163, ART 169, and ART 272, or consent of instructor. (SP)

ART 268. Advanced Computer-Based Illustration 3 cr.
Design custom graphics and create special effects with filtering, special effects on type, graphing, technical illustrations, and three-dimensional drawing using Adobe Illustrator. Prerequisites: ART 157, ART 160, and ART 161, or consent of instructor. (SP)

ART 270. Introduction to Photography 3 cr.
Introduction to photography with digital cameras with emphasis on basic camera operation, picture composition, image processing and digital workflow. A DSLR Camera and laptop are required. (F)

ART 271. Introduction to Film and Darkroom 3 cr.
Introduction to silver based photographic materials, film development, enlargement printing and darkroom work. Students will work with a range of cameras including: medium format, toy and pinhole. Emphasis on understanding the syntax of silver halide photographic materials. Development of conceptual vocabulary and the creation of images with thematic unity. May be repeated for a maximum of 6 credits. Prerequisite(s): ART 270. (SP)

ART 272. Digital Imaging II 3 cr.
Refining of individual creative styles and technical skills using Adobe Photoshop. Emphasis on input and output predictability, and working with large file productions. Community colleges only. Prerequisite(s): ART 161. Restricted to: Community Colleges only. (SP)

ART 275. Introduction to Ceramics 3 cr.
Introduction to the technical processes and conceptual concerns of working with the ceramic material. Students will explore various methods of forming with earthenware to make both functional and expressive works out of clay.

ART 276. Ceramics I, B 3 cr.
Beginning ceramics, complementary half to ART 275. (ART 275 and ART 276 do not need to be taken consecutively.) Basic building techniques of coil, slab, and throwing are introduced. High-fire and low-fire clays are used.

NMSU Alamogordo 2015-2016
ART 295G. Introduction to Art History I 3 cr.
Specific subjects and credits to be announced in the Schedule of Classes. No more than 9 credits toward a degree. Prerequisite: consent of instructor.

ART 295G. Introduction to Art History II 3 cr.
An introduction to the principles of art history within a chronological framework of the art of the Western World. All media will be discussed. From prehistoric times to the fourteenth century. (F & SP)

ASTR 110G. Introduction to Astronomy 4 cr. (3+2P)
A survey of the universe. Observations, theories, and methods of modern astronomy. Topics include planets, stars and stellar systems, black holes and neutron stars, supernovas and gaseous nebulae, galaxies and quasars, and cosmology. Emphasis on physical principles involving gravity, light and optics (telescopes). Generally non-mathematical. Laboratory involves use of the campus observatory and exercises designed to experimentally illustrate principles of astronomy. This lecture/lab course satisfies the New Mexico Common Core Area III: Lab Sciences requirement. (F & SP)

AUTO 115. Automotive Engine Repair 5 cr. (2+6P)
Focus is on theory, diagnosis, and service of automatic transmissions, clutch assemblies, differentials, drivelines, axles, and manual transaxles. Emphasis is placed on diagnosis and operation of electronic engine control systems. Restricted to Community Colleges only. (F)

AUTO 122. Automotive Brakes 4 cr. (2+4P)
Focus is on theory, diagnosis, and service of drum, disc, and anti-lock braking systems, brake component machining, hydraulic component reconditioning, friction and hardware replacement. Restricted to Community Colleges only. (Sp)

AUTO 124. Automotive Heating and Air Conditioning 4 cr. (2+4P)
R12 and R134A air conditioning systems maintenance diagnosis and repair. R12 to R134A conversion procedures. Troubleshooting automatic temperature controls and leak detection. Restricted to Community Colleges only. (Sp)

AUTO 129. Automotive Steering and Suspension 4 cr. (2+4P)
Diagnosis/service of suspension components including shocks, springs, ball joints, manual and power steering systems and four wheel alignment are some areas covered. Restricted to Community Colleges only. (Sp)

AUTO 203. Engine Performance II 4 cr. (2+4P)
Study of engine management systems and emission control systems, their function and relationship to vehicle performance and air pollution. Emphasis is placed on the analysis and repair of non-compliant vehicles. Restricted to Community Colleges only. (F)

AUTO 205. Manual Drive Train and Axles 4 cr. (2+4P)
Operation, diagnosis, maintenance, repair or replacement of manual transmissions, clutch assemblies, differentials, drivelines, axles, and manual transaxles. Restricted to Community Colleges only. (Sp)

AUTO 206. Automatic Transmissions 5 cr. (2+6P)
Operation, diagnosis, maintenance, and repair of automatic transmissions including rear wheel drive, front wheel drive, and electronically controlled transmissions and transaxles. Restricted to Community Colleges only. (Sp)

AUTO 207. Power Train Removal and Replacement 4 cr.
Course reviews the removal and installation of major automotive components including the engine assembly, transmission assembly, differential and four wheel drive units. Restricted to: Community Colleges only.

AUTO 208. Introduction to Alternative Fuels 3 cr.
Course will familiarize student with conditions that are resulting in the alternative fueled vehicle movement as well as the design and safety precautions unique to each alternative fuel. Propulsion systems covered include electric vehicles, bio-fueled vehicles, hybrid-electric vehicles and hydrogen powered vehicles, along with other emerging technologies as appropriate. Prerequisite(s): AUTO 113 and AUTO 114. Restricted to: Community Colleges only. (F & SP)

AUTO 209. Hybrid Vehicle Service Techniques 3 cr.
Designed for experienced automotive technicians, this course will cover safety procedures, design, operational overview and service techniques as well as minor diagnosis and repair of all classifications of hybrid-electric vehicles. Each student must possess legal Class '0' high voltage gloves and liners to attend this class. Prerequisite(s): AUTO 113 and AUTO 114. Restricted to: Community Colleges only. (Sp)

AUTO 210. Hybrid Vehicle Service Techniques 3 cr.
Supervised cooperative work program. Student is employed in an approved occupation and supervised and rated by the employer and instructor. Student will meet in a weekly class. Graded S/U. Prerequisite: consent of instructor.

B A- BUSINESS ADMINISTRATION

B A 104. Introduction to Business 3 cr.
Survey and integration of functions in business organizations within their social and economic environment. Community Colleges only. (F)

Appraisal of business functions within the framework of a small business organization. (F)
BIOL 101G. Human Biology 3 cr.
Introduction to modern biological concepts. Emphasis on relevance to humans and their relationships with their environment. Cannot be taken for credit after successful completion of BIOL 111G or BIOL 211G. Appropriate for non-sciences majors. Requires successful completion of BIOL 101GL in order to meet the NM Common Core Area III Laboratory Science requirements. (F & SP)

BIOL 221. Introductory Microbiology 1 cr. (3P)
Laboratory course to accompany BIOL 221 or BIOL 219. Prerequisite: BIOL 221 or BIOL 219. (F & SP)

BIOL 250. Special Topics 1-3 cr.
Specific subjects to be announced in the Schedule of Classes. May be repeated for a maximum of 6 credits. Community Colleges only.

BIOL 262. Human Pathophysiology I 3 cr.
The first in a two-course sequence that covers changes in body physiology that result from disease or injury. Includes a general introduction to pathophysiology as well as an overview of altered cellular and tissue biology, injury, inflammation, and neoplasia. Students will also explore deviation from fluid, hemodynamic, and endocrinologic balance. Topics related to the science of pathophysiology, including pathology, pathogenesis, etiology, epidemiology, and clinical manifestations, are also discussed throughout the course where relevant. Prerequisite(s): Grade of C or higher in BIOL 225 and BIOL 226. Grade of C or higher in microbiology is recommended. Restricted to Community Colleges campuses only.

BIOL 263. Pathophysiology II 3 cr.
The second in a two-course sequence that covers changes in body physiology that result from disease or injury. This course focuses on the pathophysiology of the nervous, cardiovascular, lymphatic, respiratory, digestive, and reproductive systems. Topics related to the science of pathophysiology, including pathology, pathogenesis, etiology, epidemiology, and clinical manifestations, are also discussed throughout the course where relevant. Prerequisite(s): Grade of C or higher in BIOL 225, BIOL 226, and BIOL 262. Grade of C or higher in microbiology is recommended. Restricted to Community Colleges campuses only.

BMGT 205. Customer Service in Business 3 cr.
Establishes concepts of service quality in relationship to business success and maximization of returns to the organization. Explores techniques for delivering quality and service in a variety of business settings. Restricted to: Community Colleges only. (F)

BMGT 210. Introduction to Business 3 cr.
Terminology and concepts of the business field. Role of accounting, computers, business management, finance, labor, and international business in our society. Restricted to: Community Colleges only. (F)

BMGT 112. Principles of Banking 3 cr.
Banking in today's economy: language and documents of banking, check processing, teller functions, deposit function, trust services, bank bookkeeping, loans, and investments. Restricted to: Community Colleges only. (F)

BMGT 140. Principles of Supervision I 3 cr.
Principles of supervision emphasizing planning, organization, rating of employees and procedures to develop good morale. Introduction to interpretation of case studies. Restricted to: Community Colleges only. (SP)

BMGT 205. Customer Service in Business 3 cr.
Establishes concepts of service quality in relationship to business success and maximization of returns to the organization. Explores techniques for delivering quality and service in a variety of business settings. Restricted to: Community Colleges only. (F)
NMSU Alamogordo 2015-2016

BOT 210. Marketing 3 cr. (2+2P)
Role of marketing in economy, types of markets, product development, distribution channels, pricing, promotion of goods, market research, consumer motivation, and management of marketing process. Prerequisite(s): BOTG 110. Restricted to: Community Colleges only. (Sp)

BOT 216. Business Math 3 cr.
Application of basic mathematical procedures to business situations, including percentage formula applications, markup, statement analysis, simple and compound interest, and annuities. Prerequisite(s): CCDM 103N or satisfactory math score on ACT. Restricted to: Community Colleges only. (Sp)

BOT 232. Personal Finance 3 cr.
Budgeting, saving, credit, installment buying, insurance, buying vs. renting a home, income tax statement preparation, investment, and estate disposal through will and trust. Restricted to: Community Colleges only. (F)

BOT 240. Human Relations 3 cr.
Human interactions in business and industrial settings. Motivation and learning experiences as related to problems of the worker and supervisor. Practical applications of human behavior. Prerequisite(s): CCDM 105N or higher or BOT 105 or higher. Restricted to: Community Colleges only. (Sp)

BOT 245. Bank Investments 3 cr.
Covers nature of bank investments, relationships of investment management to other functional areas of the bank, and factors that affect investment strategies and decisions. Prerequisite(s): BMGT 112 or consent of instructor. Restricted to: Community Colleges only. (Sp)

BOT 275. Small Business Planning 3-4 cr.
How to start a small business based on a formal business plan. Includes feasibility study and legal requirements. Restricted to: Community Colleges only. (F)

BOTS- BUSINESS OFFICE TECHNOLOGY

BOT 101. Keyboarding Basics 3 cr. (2+2P)
Covers correct fingering and mastery of the keyboard to develop skillful operation. Formatting basic business letters, memos, and manuscripts. (F & SP)

BOT 102. Keyboarding: Document Formatting 3 cr. (2+2P)
Designed to improve keyboarding speed and accuracy; introduce formats of letters, tables and reports. A speed and accuracy competency requirement must be met. Prerequisite: BOT 101 or consent of instructor. (F)

BOT 106. Business Mathematics 3 cr. (2+2P)
Mathematical applications for business, including training in the touch method of the 10-key calculator. Prerequisite: CCDM 103N or adequate score on math placement exam. (Sp)

BOT 110. Records Management 3 cr.
Principles, methods and procedures for the selection, operation and control of manual and automated records systems. (F)

BOT 202. Keyboarding Document Production 3 cr. (2+2P)
Further development of keyboarding speed and accuracy. Production of complex letters, memos, tables, reports and business forms. A speed and accuracy competency requirement must be met. Prerequisites: BOT 102 and BOT 109, or consent of instructor. (F & SP)

BOT 203. Office Equipment and Procedures I 3 cr. (2+2P)
Office organization, telephone techniques, equipment and supplies, handling meetings, human relations, mail procedures, and travel. Prerequisites: BOT 213 or BOT 214 or consent of instructor. (F & SP)

BOT 205. Microcomputer Accounting I 3 cr. (2+2P)
Introduction to automated accounting systems on microcomputers. Prerequisite: working knowledge of computers and accounting or consent of instructor. (F)

BOT 206. Microcomputer Accounting II 3 cr. (2+2P)
Microcomputer accounting applications, integrating spreadsheets, word processing, graphics, and database. Prerequisites: BOT 121 and OCCS 315, or consent of instructor. (Sp)

BOT 207. Machine Transcription 3 cr. (2+2P)
Creating office documents using transcribing equipment and microcomputer software. Emphasis on proofreading, editing and grammar. Prerequisites: minimum keyboarding of 45 wpm and C or better in BOT 105 or BOT 109 or equivalent and BOT 211 or BOT 213. (F & SP)

BOT 213. Word Processing I 3 cr. (2+2P)
Operation and function of a word processor. Specific equipment to be announced in the Schedule of Classes. Prerequisite: BOT 101 or keyboarding proficiency as demonstrated through completion of BOT 122, BOT 123, and BOT 124 or equivalent. (F & SP)

BOT 214. Word Processing II 3 cr. (2+2P)
Advanced operation and functions of a word processor. Specific equipment to be announced in the Schedule of Classes. Prerequisite: BOT 213 or consent of instructor. (F & SP)

BOT 220. Internship in Business Office Technology 2 cr.
Experience in a supervised office position. Student must work at least eight hours per week. Prerequisites: sophomore standing and consent of instructor. May be repeated for a maximum of 4 credits. (F & SP)

BOT 239. Personal Development 3 cr.
Development of a marketable, employable office systems person, to include interview, voice, manners, and apparel. (F)

BUSINESS ADMINISTRATION AND ECONOMICS

BUS 111. Business in a Global Society 3 cr.
Overview of the global environment of business and the development of business as an integrative, cross-disciplinary activity. (F & SP)

C E - CIVIL ENGINEERING

Engineering mechanics using vector methods. Prerequisites: MATH 192G and cumulative GPA of 2.0. Corequisite: PHYS 215G. (Fall Odd)

C E 256. Environmental Engineering and Science 3 cr.
Principles in environmental engineering and science: physical chemical systems and biological processes as applied to pollution control. Prerequisite(s): CHEM 111 and MATH 191G. Crosslisted with: E E 256

C E 256 L. Environmental Science Laboratory 1 cr. (1P)
Laboratory experiments associated with the material presented in C E 256. Corequisite: C E 256. Same as E E 256L.

C EP- COUNSELING & EDUCATIONAL PSYCHOLOGY

C EP 110G. Human Growth and Behavior 3 cr.
Introduction to the principles of human growth and development throughout the life span. (F & SP)

C EP 210. Educational Psychology 3 cr.
Psychological foundations as they apply to the learner in the classroom setting. (Sp)

C J- CRIMINAL JUSTICE

C J 101G. Introduction to Criminal Justice 3 cr.
Examination of crime and justice within the broader social and cultural context of U.S. society from interdisciplinary social science perspectives. Includes critical analysis of criminal justice processes and the ethical, legal, and political factors affecting the exercise of discretion by criminal justice professionals. (F & SP)
COURSE DESCRIPTIONS

CCDM 105 N. Mathematics Preparation and Pre-Algebra 5 cr. (4+2P)
Rules, principles, and doctrines of criminal liability in the United States. The historical development, limits, and functions of the substantive criminal law. (F & SP)

CCDM 205. Criminal Law I 3 cr.
C J 103 N. Pre-Algebra 4 cr. (3+2P)
Introduction to correctional philosophy, theory, and practice. Instructional and non-institutional alternatives available in the corrections process. (Sp)

C J 210. The American Law Enforcement System 3 cr.
C J 221. Fundamentals of Criminal Investigation 3 cr.
Investigation procedures from crime scene searches, collection of evidence, and case preparation. Community Colleges only. (Note: students completing C J 221 may not take C J 321.) (F)

C J 230. Introduction to Corrections 3 cr.
Development of correctional philosophy, theory, and practice. Instructional and non-institutional alternatives available in the corrections process. (Sp)

C J 250. Courts and the Criminal Justice System 3 cr.
Structures and functions of American courts. Roles of attorneys, judges, and other court personnel; operation of petit and grand juries, trial and appellate courts. (Sp)

C J 293. Field Experience in Criminal Justice 3-6 cr.
Field experience in a public criminal justice agency or equivalent private sector organization. Supervised internship experience, conferences, and observations. Prerequisites: C J 101G, prior arrangement and consent of instructor and a GPA of 2.0 or better in major. Restricted to majors. Community Colleges only. (F & SP)

C S- COMPUTER SCIENCE

C S 110. Computer Literacy 3 cr.
This course provides a broad introduction to computing, including computer and information technology concepts; economic and social implications of technology; database management, spreadsheet, word processing, and presentation applications. (F & SP)

CCDE-DEVELOPMENTAL ENGLISH

CCDE 105 N. Effective Communication Skills 4 cr. (3+2P)
Instruction and practice in basic communication, to include written and oral presentations. Develops thinking, writing, speaking, reading, and listening skills necessary for successful entry to college and university classes. Provides laboratory. RR applicable. (F & SP)

CCDE 110 N. General Composition 4 cr. (3+2P)
Instruction and practice in preparation for college-level writing. Students will develop and write short essays. Provides laboratory. Prerequisite: CCDE 105N (C or better) or equivalent. RR applicable. (F & SP)

CCDM-DEVELOPMENTAL MATHEMATICS

CCDM 100 N. Mathematics Preparation for College Success 1-4 cr.
Mathematics skills course designed for college students with math skills insufficient for success in CCDM 103N. May be repeated for a maximum of 4 credits. RR applicable. (F & SP)

CCDM 103 N. Pre-Algebra 4 cr. (3+2P)
Fundamental mathematics operations and arithmetic computations. Introduction to algebra and applied geometry. Provides laboratory and individualized instruction. RR applicable. (F & SP)

CCDM 105 N. Mathematics Preparation and Pre-Algebra 5 cr. (4+2P)
A total immersion course that combines CCDM 100N and CCDM 103N using tutorials, manipulatives, and classroom instruction. Completion of this class is equivalent to the completion of CCDM 100N and CCDM 103N. Prerequisite(s): Math Placement Exam. Restricted to: Community Colleges only. (F & SP)

CCDM 114 N. Algebra Skills 4 cr. (3+2P)
Fundamental algebra operations: algebraic expressions, solving linear equations, systems of equations and application of linear equations. Provides laboratory instruction. Completion of CCDM 112N and CCDM 113N is equivalent to completion of CCDM 114N. Graded: Traditional with RR. Prerequisite(s): Grade of C or better in CCDM 103N or equivalent. Restricted to: Community Colleges only. (F & SP)

CCDM 113 N. Developmental Algebra II 4 cr. (3+2P)
Fundamental algebra operations, polynomials, factoring, solving quadratics by factoring, rational expressions, exponents and radical expressions (continuation of CCDM 112N). Provides laboratory instruction. Completion of CCDM 112N and CCDM 113N is equivalent to completion of CCDM 114N. Graded: Traditional with RR. Prerequisite(s): Grade of C or better in CCDM 112N or consent of instructor. Restricted to: Community Colleges only. (F & SP)

CCDM 112 N. Developmental Algebra I 4 cr. (3+2P)
Fundamental algebra operations, algebraic expressions, solving linear equations, systems of equations and application of linear equations. Provides laboratory instruction. Completion of CCDM 112N and CCDM 113N is equivalent to completion of CCDM 114N. Graded: Traditional with RR. Prerequisite(s): Grade of C or better in CCDM 103N or equivalent. Restricted to: Community Colleges only. (F & SP)

CCDR- DEVELOPMENTAL READING

CCDR 110 N. Effective College Reading 3 cr. (2+2P)
Provides a variety of strategies for effective reading and studying at the college level. Emphasis on reading across disciplines. Course earns institutional credit but will not count towards degree requirements. Graded: Traditional with RR. Prerequisite(s): COMPASS score 64 on reading section. Restricted to: Community Colleges only. (F & SP)

CCDS- DEVELOPMENTAL SKILLS

CCDS 109 N. Study Skills for Reading 1-3 cr.
Individualized reading skill strategies necessary for success in college classroom. May be repeated for a maximum of 3 credits. Graded traditional or S/U.

CCDS 111 N. Study Skills for Math 1-3 cr.
Individualized study skill strategies necessary for success in the math classroom. May be repeated for a maximum of 3 credits.

CCDS 113 N. Study Skills for English 1-3 cr.
Individualized study skill strategies necessary for success in the composition classroom. May be repeated for a maximum of 3 credits.

CHEM- CHEMISTRY

CHEM 110G. Principles and Applications of Chemistry 4 cr. (3+3P)
A survey of the properties and uses of the elements and their compounds. In addition to classical chemistry, attention is paid to the materials from which consumer products are made, to the production of energy, and to environmental considerations. Prerequisite: 3 years of high school math or CCDM 114N. (F & SP)

CHEM 111G. General Chemistry I 4 cr. (3+3P)
Descriptive and theoretical chemistry. Prerequisite: (1) grade of C or better in MATH 120 or a Mathematics Placement Exam Score adequate to enroll in mathematics courses beyond MATH 120; and (2) one of the following: B or better in a second semester high school chemistry course; or grade of at least C in CHEM 100, or an enhanced ACT score of at least 22. CHEM 111G/112G are General Education alternative to CHEM 110G. (F)
COURSE DESCRIPTIONS

NMSU Alamogordo 2015-2016
CHEM 112G. General Chemistry II 4 cr. (3+3P)
Descriptive and theoretical chemistry. CHEM 111G/112G are General Education alternative to CHEM 110G. Prerequisite(s): CHEM 111G. (Sp)

CHEM 211. Organic Chemistry 4 cr. (3+3P)
A one-semester survey for students requiring a brief coverage of important classes of organic compounds. Prerequisite: CHEM 112G or CHEM 114.

CMT- CREATIVE MEDIA TECHNOLOGY

CMT 115. Digital Photography and Imaging I 3 cr. (2+2P)
Principles and techniques of photography using digital equipment with an emphasis on lighting, focus, and composition. (F)

CMT 130. Introduction to Web Design 3 cr. (2+2P)
Introduction to web development. Techniques, theory, and design. Incorporates HTML and industry-standard web editing software in developing various web sites. Restricted to: Community Colleges only. (Sp)

CMT 145. Image Processing I 3 cr. (2+2P)
Design and creation of digital graphics using a raster or bitmap program for use in print, multimedia, video, animation and web. May be repeated for a maximum of 6 credits. (F)

CMT 155. Selected Topics 1-4 cr.
Specific titles to be announced in the Schedule of Classes. May be repeated for a maximum of 18 credits. Same as OEGR 155. (F & SP)

CMT 190. Digital Video Production I 3 cr. (2+4P)
A hands-on study of the tools and techniques used to produce the independent video. Through the production of various short projects, the student explores how the ideas of the writer/director are translated into a visual story. May be repeated for a maximum of 6 credits. (Sp)

CMT 216. Digital Photography and Imaging II 3 cr. (2+2P)
Provide understanding and skills needed for advanced digital capture, editing, optimizing and manipulating photographic images for print, web and multimedia applications. The course will prepare students to make more advanced technical and more refined aesthetic decisions relative to specific photographic applications. Prerequisite(s): CMT 115. Restricted to: Alamogordo campus, Carlsbad campus, Dona Ana campus. (F)

CMT 221. Internship 1-3 cr.
Work experience that directly relates to a student's major field of study that provides the student an opportunity to explore career paths and apply knowledge and theory learned in the classroom. Internships may be paid or unpaid. Students are supervised/evaluated by both the employer and the instructor. May be repeated up to 9 credits. Consent of Instructor required. Prerequisite(s): Consent of instructor. S/U Grading (S/U, Audit). Restricted to Community Colleges campuses only. (F & SP)

CMT 223. Media Production Services 1-3 cr.
A design studio environment in which students obtain real-world experience while providing service to college and non-profit associations with faculty supervision using a variety of media. Can be used with permission to fulfill cooperative requirement. Prerequisite: CMT 180 or ART 163. May be repeated for a maximum of 6 credits. (Sp)

CMT 230. Web Design II 3 cr. (2+2P)
Creating and managing well-designed, organized web sites using HTML and web development software. May be repeated for a maximum of 6 credits. Prerequisite(s): CMT 130. Restricted to: Community Colleges only. Cross-listed: OEGR 230 (F)

CMT 255. Special Topics 1-4 cr.
Specific topics to be announced in the Schedule of Classes. May be repeated for a maximum of 18 credits.

COURSE DESCRIPTIONS

CMT 275. Advanced Web Techniques 3 cr. (2+2P)
Creating and managing complex web sites using advanced techniques and tools. Prerequisites: CMT 145 and CMT 230. May be repeated for a maximum of 6 credits. Restricted to: Community Colleges only. (Sp)

COLL-COLLEGE STUDIES

COLL 101. College/Life Success 1-3 cr.
Provides students with an opportunity to cultivate the skills, values, and attitudes necessary to become confident, capable students, and contributing community members. Topics include time management, memory techniques, relationships, health issues, money management, and college and community resources. (F & SP)

COLL 103. Managing Your Money 1 cr.
Principles and strategies for effective money management. Includes financial goal setting, both short and long term. Explores the relationship between career and income earning potential. Explores issues of credit and debt management and prevention of identity theft. (F & SP)

COLL 108. Academic Reading and Study Skills 1-4 cr.
Introduction to and practice with strategies for effective reading and studying at the college level. Provides laboratory. (F & SP)

COLL 155. Special Topics 1-4 cr.
Covers specific study skills and critical thinking topics. Specific titles to be listed in the Schedule of Classes. May be repeated for a maximum of 8 credits.

COMM- COMMUNICATION STUDIES

COMM 253G. Public Speaking 3 cr.
Principles of effective public speaking, with emphasis on preparing and delivering well-organized, logical, and persuasive arguments adapted to different audiences. (F & SP)

COMM 265G. Principles of Human Communication 3 cr.
Study and practice of interpersonal, small group, and presentational skills essential to effective social, business, and professional interaction. (F & SP)

COMM 285. Survey of Communication Theory 3 cr.
Exploration of major theories, concepts and methods of research in the study of human communication. Primarily for majors. (F)

COMM 291. Special Topics 1-3 cr.
Specific subjects and credits to be announced in the Schedule of Classes. May be repeated for a maximum of 12 credits.

DRFT- DRAFTING

DRFT 109. Computer Drafting Fundamentals 3 cr. (2+2P)
Introduction to computer-aided drafting. Principles and fundamentals of drafting using the latest version of AutoCAD software. Crosslisted with: CE 109 and ET 109 (Sp)

E E- ELECTRICAL ENGINEERING

E E 280. DC and AC Circuits 4 cr. (3+3P)
Electric component descriptions and equations; Kirchhoff’s voltage and current laws; formulation and solution of network equations for dc circuits; ideal op-amp circuits. Complete solutions of RLC circuits; steady-state analysis of ac circuits, ac power; introduction to frequency response techniques. Prerequisite(s): C or better in MATH 192G and PHYS 216G. (Fall Even)

E S- ENVIRONMENTAL SCIENCE

E S 110G. Introductory Environmental Science 4 cr. (3+3P)
Introduction to environmental science as related to the protection, remediation, and sustainability of land, air, water, and food resources. Emphasis on the use of the scientific method and critical thinking skills in understanding environmental issues. (F & SP)
E T 220. Internship 1-6 cr. (F & SP)
Internship requiring an approved number of hours of varied and progressive experience in the field of study. The scope and other requirements of the internship are stated in an individualized syllabus and through a memorandum of understanding between the faculty mentor and the industry partner. Prerequisite: Consent of instructor. May be repeated for a maximum of 6 credits. (F & SP)

E T 230. Introduction to Servo Systems 1 cr. (2P)
Introduction to Servo Systems. Topics include uses of servos in the industry, servo types, loop gains and frequency response, software control systems, damping, feedback, encoders, synchros and resolvers. Prerequisite(s): E T 246. Restricted to Community Colleges campuses only. (Sp)

E T 236. Electrical Machines 3 cr. (3+3P)
Steady-state characteristics of electrical machines: induction, synchronous machines, electric drives. Applications and analysis. May be repeated for a maximum of 6 credits. (F & SP)

E T 237. Digital Logic Design 3 cr. (3+3P)
Introduction to computer programming concepts as applied to engineering technology. Includes basic logic design, algorithm development, debugging and documentation. History and use of computers and their impact on society. Satisfies general education computer science requirement. Prerequisite(s): E T 182. (Sp)

E T 238. Microprocessor Systems 3 cr. (3+3P)
Digital electronics and microcomputer systems. Application of computer concepts and microprocessor interfaces. May be repeated for a maximum of 6 credits. (F & SP)

E T 253. Networking Operating Systems II 3 cr. (3+1P)
Introduction to a computer network operating system. May not be used as part of an E T degree program on main campus. Prerequisite(s): E T 256. Restricted to Community Colleges campuses only. (F)

E T 254. Networking Operating Systems I 3 cr. (3+1P)
Introduction to a computer network operating system. May not be used as part of an E T degree program on main campus. Prerequisite(s): E T 253. Restricted to Community Colleges campuses only. (Sp)

E T 255. Networking Wireless Communication 3 cr. (3+1P)
An introduction to wireless networking and communications. Some of the topics covered are protocols, transmission methods, and IEEE 802.11 standards. Wireless LAN (WLAN) fundamentals, devices, and security, cellular telephony, broadband, and satellite communications. Prerequisite: E T 273. (Sp)

E T 256. Networking Operating Systems III 3 cr. (3+1P)
Introduction to a computer network operating system. May not be used as part of an E T degree program on main campus. Prerequisite(s): E T 255. Restricted to Community Colleges campuses only. (Sp)

E T 262. Software Technology I 3 cr. (2+2P)
An introduction to computer programming concepts as applied to engineering technology. Includes basic logic design, algorithm development, debugging and documentation. History and use of computers and their impact on society. Satisfies general education computer science requirement. Prerequisite(s): E T 182. (Sp)

E T 263. Software Technology II 3 cr. (2+2P)
Principles in environmental engineering and science: physical chemical systems and biological processes as applied to pollution control. Prerequisite(s): CHEM 111G and MATH 191G. Restricted to: Main campus, Alamogordo campus, Grants campus, Carlsbad campus. Crosslisted with: C E 256

E T 265. Environmental Science Laboratory 1 cr. Laboratory experiments associated with the material presented in E S 256. Corequisite: E S 256. Same as E T 256L.

E T 276. Electronic Communications 3 cr. (3+2P)
Antennas, transmission devices, A-M and F-M transmission and detection, pulse systems, microwave systems. Prerequisite(s): E T 246 and MATH 235. (Sp)

E T 282. Digital Electronics 4 cr. (3+3P)
Applications of digital integrated circuits, multiplexers, counters, arithmetic circuits, and microprocessors. Prerequisite(s): E T 182. Pre/ Corequisite(s): E T 190 or E T 191. (F)

E T 286. Fundamentals of Security 3 cr. (3+1P)
Examines the field of information security within a real-world context of issues faced by today's IT professionals. Prerequisite(s): E T 283 or consent of instructor. (F)

E T 290. Networking Wireless Communication 3 cr. (3+1P)
This course provides an introduction to wireless networking and communications. Some of the topics covered are protocols, transmission methods, and IEEE 802.11 standards. Wireless LAN (WLAN) fundamentals, devices, and security, cellular telephony, broadband, and satellite communications. Prerequisite: E T 273. (Sp)
E T 291. PC Forensics and Investigation 3 cr.
Introduction to computer forensics and investigative fundamentals. Topics include understanding computer forensic and investigation law and requirements, processing crime and incident scenes, and the extraction, preservation, analysis and presentation of computer-related evidence. Prerequisite(s): E T 120 or E T 122. (Sp)

E T 292. Network Explorer 1 & 2 4 cr. (2+4P)
Introduction to routers and routing, including router-user interfaces, components and configuration, IOS versions, naming, software backups, TCP/IP protocol suite, IP addressing and subnetting, RIP and IGRP. Consent of Instructor required. Restricted to Alamogordo campus only.

E T 293. Network Explorer 3 4 cr. (2+4P)
Introduction to switching and intermediate routing, including VLANs, spanning tree protocol, routing and routing protocols, security, and troubleshooting. Consent of Instructor required. Restricted to Alamogordo campus only.

E T 294. Network Explorer 4 4 cr. (2+4P)
Introduction to WAN technology basics, including WAN devices; encapsulation formats; PPP components; session establishment; authentication; ISDN uses, services, and configuration; and frame-relay technology and configuration. Consent of Instructor required. Restricted to Alamogordo campus only.

ECED 115. Child Growth, Development, and Learning 3 cr.
This basic course in the growth, development, and learning of young children, prenatal through age eight, provides students with the theoretical foundation for becoming competent early childhood professionals. (F & SP)

ECED 125. Health, Safety, and Nutrition 2 cr.
This course provides information related to standards and practices that promote children’s physical and mental well being sound nutritional practices, and maintenance of safe learning environments. (Sp)

ECED 135. Family and Community Collaboration 3 cr.
This beginning course examines the involvement of families and communities from diverse cultural and linguistic backgrounds in early childhood programs. Ways to establishes collaborative relationships with families in early childhood settings is discussed. Prerequisite(s): ECED 115 and ENGL 111G. (F)

The beginning curriculum course places play at the center of curriculum in developmentally appropriate early childhood programs. It addresses content that is relevant for children birth through age four and developmentally and culturally sensitive ways of integrating content into teaching and learning experiences. Information on adapting content areas to meet the needs of children with diverse abilities and the development of IFSP’s and IEP’s is included. Consent of instructor required. Prerequisite(s): ECED 115 and ENGL 111G. Corequisite(s): ECED 220.

ECED 220. Early Childhood Education Practicum I 2 cr.
The beginning practicum course will provide experiences that address curriculum content that is relevant for children birth through age four in developmentally and culturally sensitive ways. Consent of instructor required. Prerequisite(s): ECED 115 and ENGL 111G. Corequisite(s): ECED 215.

ECED 225. Curriculum Development and Implementation II 3 cr.
The second curriculum course focuses on developmentally appropriate curriculum content in early childhood programs, age 3 through third grade. Development and implementation of curriculum in all content areas, including literacy, numeracy, the arts, health and emotional wellness, science, motor and social skills, is emphasized. Information on adapting content areas to meet the needs of children with diverse abilities and the development of IEP’s is included. Consent of instructor required. Prerequisite(s): ECED 115, ENGL 111G. Corequisite(s): ECED 230.
ELA - EDUC LEADERSHIP & ADMIN

ELA 101. Freshman Orientation 1 cr.
Introduction to the university and to the College of Education. Discussion of planning for individualized education program and field experience. Graded S/U. (F & SP)

ELA 250. Introduction to Education 2 cr.
An overview of the American education system with emphasis on organization, governance, law, demographics, and professional practice. (F & SP)

ENGL- ENGLISH

Credit for ENGL 111G is a prerequisite for every English course numbered 200 or above.

ENGL 111G. Rhetoric and Composition 4 cr.
Skills and methods used in writing university-level essays. Prerequisite(s): ACT standard score in English of 16 or higher or a Compass score 76 or higher; for those scoring 13-15 in English on the ACT or 35-75 on the Compass, successful completion of a developmental writing course; for those scoring 12 or below on the ACT standard score in English or 34 or below on the Compass, successful completion of two developmental writing courses. (F & SP)

ENGL 203G. Business and Professional Communication 3 cr.
Effective writing for courses and careers in business, law, government, and other professions. Strategies for researching and writing correspondence and reports, with an emphasis on understanding and responding to a variety of communication tasks with a strong purpose, clear organization, and vigorous professional style. (F & SP)

ENGL 211G. Writing in the Humanities and Social Sciences 3 cr.
Theory and practice in interpreting texts from various disciplines in the humanities and social sciences. Strategies for researching, evaluating, constructing, and writing researched arguments. Course subtitled in the Schedule of Classes. (F & SP)

ENGL 218G. Technical and Scientific Communication 3 cr.
Effective writing for courses and careers in sciences, engineering, and agriculture. Strategies for understanding and presenting technical information for various purposes to various audiences. (F & SP)

ENGL 220G. Introduction to Creative Writing 3 cr.
Examines classic and contemporary literature in three genres. Various forms, terminologies, methods and technical aspects of each genre, and the art and processes of creative writing. Prerequisite: ENGL 111G. (F)

ENGL 244G. Literature and Culture 3 cr.
Intensive reading of and discussion and writing about selected masterpieces of world literature. Emphasizes cultural and historical contexts of readings to help students appreciate literary traditions. Core texts include works by Homer, Dante, and Shakespeare, a classic novel, an important non-Western work, and modern literature. (Sp)

ENGL 299. Special Topics 1-3 cr.
Emphasis on a literary and/or writing subject chosen for the semester. Repeatable for an unlimited credit under different subtitles.

ENGR- ENGINEERING

ENGR 100. Introduction to Engineering 3 cr. (2+3P)
An introduction to the various engineering disciplines, the engineering approach to problem solving, and the design process. Projects emphasize the importance of teamwork, written & oral communication skills, as well as ethical responsibilities. Prerequisite(s)/Corequisite(s): MATH 190G. (F)

ENGR 111. Mathematics for Engineering Applications 3 cr.
An introduction to engineering mathematics and basic programming skills needed to perform elementary data manipulation and analysis. Consent of Instructor required. Prerequisite(s)/Corequisite(s): MATH 190G. Prerequisite(s): MATH 121G. (Sp)

ENGR 198. Special Topics in Engineering 1-3 cr.
Directed individual study of topics in engineering. Written reports covering work required. Prerequisite: consent of academic dean. May be repeated for a maximum of 6 credits. Restricted to engineering majors. Graded S/U.

FIN- FINANCE

FIN 210. Financial Planning and Investments 3 cr.
Individual financial planning and related financial markets and institutions. Community Colleges only. (Sp)

FWCE- FISHERY, WILDLIFE AND CONSERVATION

FWCE 110. Introduction to Natural Resources Management 3 cr.
Introduction to managing natural resources with an emphasis on historical and current issues affecting the management of renewable natural resources. (Sp)

GEOG- GEOGRAPHY

GEOG 111G. Geography of the Natural Environment 4 cr. (3+3P)
Introduction to the physical processes that shape the human environment: climate and weather, vegetation dynamics and distribution, soil development and classification, and geomorphic processes and landform development. (F & SP)

GEOG 112G. World Regional Geography 3 cr.
Overview of the physical geography, natural resources, cultural landscapes, and current problems of the world’s major regions. Students will also examine current events at a variety of geographic scales. (F & SP)

GEOG 295. Introduction to Climate Science 4 cr. (3+3P)
Examines fundamentals and related issues of Earth’s climate system, climate variability, and climate change. Develops solid understandings of Earth’s climate system framed in the dynamic, Earth system based approach to the science.

GEOL- GEOLOGY

GEOL 111G. Survey of Geology 4 cr. (3+3P)
Covers the fundamental principles of physical geology, including the origin of minerals and rocks, geologic time, rock deformation, and plate tectonics. (F & SP)

GEOL 212G. The Dynamic Earth 4 cr. (3+3P)
Introduction to earth systems. Geology and the solid earth, geologic time and earth history, water and the world oceans, atmosphere and weather, the solar system. Community Colleges only. (F & SP)

GER- GERMAN

GER 111. Elementary German I 4 cr.
German for beginners. Stress on speaking skills. (F & SP)
GER 112. Elementary German II 4 cr.
German for beginners and students with one year of high school
German. Stress on speaking skills. Prerequisite: C or better in GER
111. (Sp)
GER 211. Intermediate German I 3 cr.
Speaking, reading and writing. Prerequisite: C or better in GER 112.
GER 212. Intermediate German II 3 cr.
Speaking, reading and writing. Prerequisite: C or better in GER 211.

GOVT- GOVERNMENT
GOVT 100G. American National Government 3 cr.
Class critically explores political institutions and processes including:
the U.S. constitutional system; legislative, executive and judicial
processes; political parties, elections, media, policy making, civic
participation, popular and group influence (F & SP)
GOVT 110G. Introduction to Political Science 3 cr.
This class covers fundamental concepts such as justice, sovereignty
and power; political theories and ideologies; and government systems
that range from democratic to authoritarian. (F & SP)
GOVT 150G. American Political Issues 3 cr.
Major contemporary problems of American society and their political
implications.

HIST- HISTORY
HIST 101G. Roots of Modern Europe 3 cr.
Economic, social, political, and cultural development from earliest
times to about 1700. (F & SP)
HIST 102G. Modern Europe 3 cr.
Economic, social, political, and cultural development from 1700 to
the present. (F & SP)
HIST 110G. Making History 3 cr.
General introduction to history: how historians carry out research and
develop interpretations about the past.
HIST 201G. Introduction to Early American History 3 cr.
History of the United States to 1877, with varying emphasis on social,
political, economic, diplomatic, and cultural development. (F & SP)
HIST 202G. Introduction to Recent American History 3 cr.
History of the United States since 1877, with varying emphasis on social,
political, economic, diplomatic, and cultural development. (F & SP)
HIST 261. New Mexico History 3 cr.
Economic, political, and social development of New Mexico from
exploration to modern times. Community Colleges only. (F)
HIST 269. Special Topics 1-3 cr.
Specific subjects to be announced in the Schedule of Classes.
Community Colleges only. May be repeated for a maximum of 12
credits.

HNDS- HUMAN NUTRITION AND DIET
HNDS 251. Human Nutrition 3 cr.
Principles of normal nutrition. Relation of nutrition to health. Course
contains greater amounts of chemistry and biology than HNDS 163.
Open to nonmajors. (F & SP)

LING- LINGUISTICS
LING 200G. Introduction to Language 3 cr.
Traditional fields of language study (sound, grammar, meaning) and
newer ones (language as social behavior, language and cognition,
language variation, animal communication). (F)
COURSE DESCRIPTIONS

MATH 190G. Trigonometry and Precalculus 4 cr. (3+2P)
Elementary functions used in the sciences with emphasis on trigonometric functions and their inverses. Polar coordinates. Complex numbers and Euler’s formula. Analytic geometry and vectors. Prerequisite: adequate score on Mathematics placement exam or a C or better in MATH 121G (see note at beginning of this section). (F & SP)

MATH 191G. Calculus and Analytic Geometry I 4 cr.
Limits and continuity, theory and computation of derivatives, applications of derivatives, extreme values, critical points, derivative tests, L’Hospital’s Rule. Prerequisite(s): C or better in MATH 190G. (F & SP)

MATH 192G. Calculus and Analytic Geometry II 4 cr.
Riemann sums, the definite integral, antiderivatives, fundamental theorems, techniques of integration, applications of integrals, improper integrals, Taylor polynomials, sequences and series, power series and Taylor series. Prerequisite(s): C or better in MATH 191G. (F)

MATH 210G. Mathematics Appreciation 3 cr.
Mathematics and its role in the development and maintenance of civilization. Prerequisites: High school algebra, and an adequate score on the Mathematics Placement Examination. (F & SP)

Probability, statistics, ratios, and proportional relationships. Experimental and theoretical probability. Collecting, analyzing, and displaying data, including measurement data. Multiple approaches to solving problems involving proportional relationships, with connections to number and operation, geometry and measurement, and algebra. Understanding data in professional contexts of teaching. Taught primarily through student activities and investigations. Prerequisite(s): C or better in MATH 112. (F)

MATH 291G. Calculus and Analytic Geometry III 3 cr.
Vector algebra, directional derivatives, approximation, max-min problems, multiple integrals, applications, cylindrical and spherical coordinates, change of variables. Prerequisite: grade of C or better in MATH 192G. (Spring Even)

MGT- MANAGEMENT

MGT 201. Introduction to Management 3 cr.
Covers the functioning and administration of different types of complex organizations. Concepts and theories of management and organizational behavior. (F)

MKTG- MARKETING

MKTG 203. Introduction to Marketing 3 cr.
Covers processes, functions and principles in the current marketing system. Includes role of marketing in the economy, types of markets, product development, distribution channels, pricing and promotion strategies, market research and management of the processes. Community Colleges only. (Sp)

MUS- MUSIC

MUS 101G. An Introduction to Music 3 cr.
An introduction to music for the non-music major to encourage the enjoyment of listening to and understanding the world’s great music from the past to the present. (F & SP)

MUS 110. Fundamentals of Music 2 cr.
Sight singing, ear training, beginning harmony. For students with little or no theory background. May be taken for a maximum of 4 cr. (F & SP)

MUS 130. Applied Music 1-2 cr.
Private or group instruction for non-music majors, secondary instruments, and music majors preparing for 200-level applied music. May be taken for unlimited credit. (F & SP)

MUS 161. Concert Choir 1 cr.
Campus choir composed of both music and non-music majors. Emphasis on vocal techniques, sight-singing, and basics of choral musicianship. May be taken for unlimited credit.

NA- NURSING ASSISTANT

NA 101. Nursing Assistant Theory and Lab 6 cr. (5+3P)
Nurse aide skills with emphasis on a bio-psychosocial-cultural approach to client care. Practice of these skills is provided in the laboratory as well as at a clinical site. Successful completion of the course prepares and qualifies the student to take the NACES certification examination. Prerequisite(s): (Reading Compass score of 81 or greater or CCDR 110N with C or better) and (English Compass score of 76 or greater or CCDE 110N with C or better) and (Math Compass score of 50 or greater or CCDM 105N with C or better). Restricted to: Community Colleges only.

NA 108. Disabilities Support Services 4 cr. (3+2P)
Beginning level preservice preparation for providing in-home care for individuals with disabilities. Crosslisted with: AHS 108. Prerequisite(s): NA 101 or NA 104 or Consent of Instructor. Restricted to: Community Colleges only.

NA 109. Phlebotomist Basic 4 cr. (2+4P)
This course provides the latest information, techniques, skills, and equipment for blood and specimen collection based on the standards of the Clinical and Laboratory Standards Institute, Needlestick Prevention Act, Joint Commission 2008 National Patient Safety Goals, OSHA and CDC. An advanced skills lab is included in the course to provide a hands-on practice experience and a 30 hour practicum in a supervised work environment collecting blood and specimens on actual patients for laboratory tests. Attendance is mandatory. Prepares students for employment as a phlebotomist in health care settings. Requires a C or better to pass. Upon successful completion of the course, student has the opportunity to test for National Healthcareer Certification. Consent of Instructor required. Prerequisite(s)/Corequisite(s): BIOL 154 or BIOL 225. Restricted to Community Colleges campuses only.

NA 110. Electrocardiogram Technician Basic 4 cr. (3+3P)
Prepares students for employment as an Electrocardiogram Technician. Includes basic theory of the cardiovascular system, cardiac rhythm interpretation, 12 lead ECG lead placement, and ECG equipment trouble shooting. The course includes an advanced skills laboratory for hands-on practice and 16 hours of supervised clinical in the work environment assisting with ECG testing. Attendance is mandatory. Course requires a grade of C or better to pass. Upon successful completion of course, student has the opportunity to test for National Healthcareer Certification. Prerequisite(s): BIOL 154 OR BIOL 225 & BIOL 226. Restricted to Community Colleges campuses only.

NA 111. Alzheimer/Dementia Care Focus 3 cr.
Students will learn respectful care of Alzheimer/Dementia persons while ensuring their dignity, maximizing safe independence focusing on strengths and abilities. Prerequisite(s)/Corequisite(s): NA 104 or NA 101. Restricted to: Community Colleges only.

NSC- NATURAL SCIENCE

NSC 121. Integrated Natural Sciences I 4 cr. (3+3P)
Concepts in astronomy, biology, chemistry, geology, and physics; connections between the sciences. Process of scientific investigation studied by inquiry into contemporary scientific problems. Designed to meet the needs of elementary education majors. Corequisite: MATH 111 or equivalent.
OECS - OCCUPATIONAL EDUCATION COURSES

Students enrolling in any O prefix courses will be advised that they are not intended to replace or substitute for any approved courses which are part of baccalaureate degree programs at New Mexico State University without approval of the appropriate dean and that any request for substitution may be denied. Requests for substitution must be considered on an individual basis by the dean of the college if a student elects to pursue a bachelor’s degree.

OEBS- BIOMEDICAL TECHNOLOGY

OEBS 140. Applied Human Biology for Biomedical Technology 3 cr.
Essential human biology, anatomy, physiology and medical terminology for biomedical equipment technicians. Focus on the vocabulary necessary for effective communication in the hospital environment as part of the health care team. Restricted to: Community Colleges only. (F)

OEBS 141. Medical Electronics and Safety in Healthcare 3 cr.
Introduction to the biomedical equipment technology field. Operation of common biomedical equipment to include pressure and temperature systems, infusion devices, patient monitors, and other physiologic and patient systems. Hospital safety and health regulations explained. Prerequisite(s): OEBS 140. Restricted to Community Colleges campuses only. (Sp)

OEBS 200. Biomedical Internship 3 cr. (9P)
Practice working in industry as a biomedical electronics technologist. Students work on a variety of medical equipment and job tasks. An employer evaluation, student report, and a minimum of 100 work hours are required. May be repeated for a maximum of 6 credits. May be repeated up to 9 credits. Consent of Instructor required. Prerequisite(s): OEBS 140 and OEBS 141. Restricted to Alamogordo campus only. (F & SP)

OEBS 211. CBET Exam Preparation 1 cr.
An overview of the Certified Biomedical Equipment Technician exam. Topics include anatomy and physiology, electronics principles, safety issues, equipment operation, and equipment troubleshooting. Prerequisite(s): Corequisite(s): OEBS 241 AND OEBS 240. Restricted to Community Colleges campuses only. (Sp)

OEBS 240. Medical Imaging Systems 3 cr.
The fundamentals of diagnostic radiography equipment will be explored. Principles of an x-ray system will be explained including the x-ray generation, image formation and film processing. Focus will be on both safety and quality. Prerequisite(s): OEBS 140. Restricted to Community Colleges campuses only. (F)

OEBS 241. Advanced Medical Electronics 3 cr. (3+1P)
Advanced study in biomedical equipment to include cardiovascular, pulmonary, telemetry and other critical life support systems. Prerequisite(s): OEBS 141. Restricted to Community Colleges campuses only. (Sp)

OECS - COMPUTER TECHNOLOGY

OECS 101. Computer Basics 1 cr.
Hands-on instruction to introduce computer use and commonly used software. Graded S/U. (F & SP)

OECS 105. Introduction to Information Technology 3 cr.
Introduction and application of basic information technology skills using personal computers including operating systems, common office application software, and the impact of technology on the economy and society. Restricted to: Community Colleges only. (F & SP)

OECS 110. Introduction to Power Point 1 cr.
An introduction to Power Point software to develop business presentations. Includes concepts of basic presentation methods and graphic design principles. Students will create and deliver presentations using text, charts, digitized images, and sound. Prerequisites: BCIS 110, C S 110, or OECS 105.
OECS 252. Project Management 3 cr.
Utilization of project management software to establish, control and coordinate timelines, budgets, and work teams. Introduction to methods and principles of oriented project management emphasizing team-based performance.  (F & Sp)

OECS 255. Special Topics 1-4 cr.
Topics to be announced in the Schedule of Classes.  (F & Sp)

OEEM- PARAMEDIC

OEEM 101. CPR for the Health Care Professional 1 cr.
Students learn identification and response to airway and circulation emergencies, including use of a SAED and accessing the EMS system. This course is taught using the American Heart Association guidelines for course completion. Required: grade of C or better.

OEEM 115. First Responder Prehospital Professional 3 cr.  (2+3P)
Provides training in prehospital medical and traumatic emergencies. Prerequisite: consent of instructor. Corequisite: OEEM 101. Requires a C or better to pass. Restricted to majors.

OEEM 120. Emergency Medical Technician Basic 6 cr.
EMT-Basic skills to include care of soft tissue and muscular/skeletal injuries, circulatory, nervous, general medical and respiratory emergencies. Requires a C or better to pass. Corequisites: OEEM 101, OEEM 120L, OEEM 121 or consent of instructor. Requires a C or better to pass.

OEEM 121. Emergency Medical Technician Basic Field/Clinical 1 cr.  (3P)
Covers the patient care experience provided through assigned shifts in the hospital and/or ambulance setting. Corequisites: OEEM 101 or OEEM 120, and OEEM 121, or consent of instructor. Requires a C or better to pass.

OEEM 150. Emergency Medical Technician Intermediate 5 cr.
Theory of the roles, responsibilities and scope of practice of the EMT-Intermediate. Assessment and management of respiratory, cardiac, trauma, environmental, behavior, reproduction, and childhood emergencies. Prerequisites: current EMT-basic license, pretest and consent of instructor. Corequisites: OEEM 150L and OEEM 151. Requires a C or better to pass.

OEEM 150 L. Emergency Medical Technician Intermediate Lab 2 cr.  (6P)
EMT-Intermediate skills development with an emphasis on assessment, skills competency and team-work in patient care in the prehospital setting. Corequisites: OEEM 150L and OEEM 151L. Requires a C or better to pass.

OEEM 151. Emergency Medical Technician Intermediate Field/Clinical 2 cr.  (6P)
Patient care experience provided through assigned shifts in the hospital and/or ambulance setting. Prerequisite: consent of instructor. Corequisites: OEEM 150 and OEEM 151L. Restricted to: Community Colleges only.

OEEM 155. Special Topics 1-6 cr.
Specific topics to be listed in Schedule of Classes. May be repeated for a maximum of 10 credits.

OEEM 218. Pediatric Advance Life Support for the Healthcare Professional 1 cr.
Identify and respond to life threatening pediatric emergencies. Taught using the American Heart Association guidelines for course completion. Prerequisite: OEEM 101. Graded S/U.

OEEM 219. Advance Cardiac Life Support for the Healthcare Provider 1 cr.
Identify and respond to life threatening cardiac emergencies. Taught using the American Heart Association guidelines for course completion. Prerequisite: OEEM 101. Graded S/U.

OEET- ELECTRICAL TRADES

OEET 112. Math Study Skills for Electrical 1 cr.
Reinforce practical uses of math relating to electrical apprenticeship applications. The student will be introduced to electrical mathematical formulas during the problem-solving steps required for electrical circuit design and analysis. May be repeated up to 4 credits. Prerequisite(s)/Corequisite(s): OEET 151 OR OEET 152. Restricted to: Community Colleges only.

OEET 151. Electrical Apprenticeship I 6 cr.
Apprenticeship responsibilities and benefits as well as first aid and CPR will be covered. Hand tools, electrical theory, and the regulations imposed by national codes and OSHA. Students will apply theory taught in their jobs. Prerequisite: consent of instructor.  (F)

OEET 152. Electrical Apprenticeship II 6 cr.
OMH’s law circuit sizing and service panel sizing will be covered in detail. Other topics include low voltage systems, heating and air conditioning circuits, alarm systems and smoke detectors. Prerequisites: OEET 151 and consent of instructor.  (Sp)

OEET 153. Electrical Apprenticeship III 6 cr.
Various electrical measuring devices will be covered in detail. Inductance, transformers, capacitance, and simple motors will be studied. Prerequisites: OEET 152 and consent of instructor.  (F)

OEET 154. Electrical Apprenticeship IV 6 cr.
Theory and application of three-phase transformers and autotransformers. Electrical distribution using switchboards, panelboards, and circuit breakers. Prerequisites: OEET 153 and consent of instructor.  (Sp)

OEET 251. Electrical Apprenticeship V 6 cr.
Commercial/industrial applications for electricians. Blueprint interpretation, commercial construction types and processes, wiring methods, wiring materials, and motor controls. Prerequisites: OEET 154 and consent of instructor.  (F)

OEET 252. Electrical Apprenticeship VI 6 cr.
In-depth commercial applications to include commercial/industrial service calculations, mobile home parks, multi-family dwellings, and commercial fire/security systems. Prerequisites: OEET 251 and consent of instructor.  (Sp)

OEET 253. Electrical Apprenticeship VII 6 cr.
Control devices in commercial/industrial applications; emphasis on logic in-line diagrams, time delay starters, reversing starters, and manual/magnetic solenoids. Prerequisites: OEET 252 and consent of instructor.  (F)

OEET 254. Electrical Apprenticeship VIII 6 cr.
Miscellaneous topics for the journeyperson electrician to include power distribution/transmission, solid state controls and relays, photoelectric and proximity controls and programmable controllers. Prerequisites: OEET 253 and consent of instructor.  (Sp)

OEGS- GEOGRAPHIC INFORMATION SYSTEMS

OEGS 181. Introduction to Geographic Information Systems 4 cr.  (3+3P)
Introduction to GIS using ArcView software. Application of GIS to environmental assessment, analysis of natural hazards, site analysis, resource management, land use planning, and other practical applications. Prerequisite(s)/Corequisite(s): C S 110. Restricted to Community Colleges campuses only.

<tbody>
<tr>
<td>OEGS 187</td>
<td>Geographic Information Systems Applications</td>
<td>4 cr.</td>
<td>Continuation of OEGS 181, focusing on applications. Prerequisite(s): OEGS 181. Restricted to Community Colleges campuses only.</td>
</tr>
<tr>
<td>OEGS 231</td>
<td>Geographic Information Systems Spatial Modeling</td>
<td>3 cr.</td>
<td>Spatial GIS modeling, with a focus on raster modeling. Prerequisite(s): OEGS 187. Restricted to Community Colleges only.</td>
</tr>
<tr>
<td>OETS 117</td>
<td>Writing for Technicians</td>
<td>3 cr.</td>
<td>Prerequisite: appropriate placement test score. Does not substitute for ENGL 111G. Restricted to: Community Colleges only.</td>
</tr>
<tr>
<td>OETS 104</td>
<td>Basic Mathematics for Technicians</td>
<td>4 cr.</td>
<td>Fundamental mathematical concepts and computations including measurement, ratio and proportions, and pre-algebra as it relates to technical programs.</td>
</tr>
<tr>
<td>OETS 155</td>
<td>Portraiture</td>
<td>3 cr.</td>
<td>Hands-on study of professional photography involving people.</td>
</tr>
<tr>
<td>P E 102</td>
<td>Beginning Weight Training</td>
<td>1 cr.</td>
<td>Introduction to basic principles and techniques of weight training.</td>
</tr>
<tr>
<td>P E 112</td>
<td>Beginning Volleyball for Men</td>
<td>1 cr.</td>
<td>(F &amp; SP)</td>
</tr>
<tr>
<td>P E 113</td>
<td>Beginning Volleyball for Women</td>
<td>1 cr.</td>
<td>(F &amp; SP)</td>
</tr>
<tr>
<td>P E 128</td>
<td>Aerobic Dance</td>
<td>1 cr.</td>
<td>Designed to increase knowledge of the human body’s responses to exercise, enhance the level of muscular development, and cardiovascular endurance through exercise in water.</td>
</tr>
<tr>
<td>P E 130</td>
<td>Beginning Swimming</td>
<td>1 cr.</td>
<td>Designed to increase knowledge of the human body’s responses to exercise, enhance the level of muscular development, and cardiovascular endurance through exercise in water.</td>
</tr>
<tr>
<td>P E 131</td>
<td>Aqua Aerobics</td>
<td>1 cr.</td>
<td>Designed to increase knowledge of the human body’s responses to exercise, enhance the level of muscular development, and cardiovascular endurance through exercise in water.</td>
</tr>

<td>P E 173</td>
<td>Running Fitness</td>
<td>1 cr.</td>
<td>Basic fitness knowledge techniques and training methods of fitness running are practiced and refined.</td>
</tr>
<tr>
<td>P E 202</td>
<td>Intermediate Weight Training</td>
<td>1 cr.</td>
<td>Intermediate training and skill techniques in weight lifting. Prerequisite(s): P E 102 or consent of department head. (F &amp; SP)</td>
</tr>
<tr>
<td>P E 205</td>
<td>Walking Fitness</td>
<td>1 cr.</td>
<td>Basic fitness techniques and training methods of fitness walking are practiced and refined.</td>
</tr>
<tr>
<td>P E 212</td>
<td>Intermediate Volleyball-Men</td>
<td>1 cr.</td>
<td>Prerequisite: P E 112 or consent of department head.</td>
</tr>
<tr>
<td>P E 213</td>
<td>Intermediate Volleyball-Women</td>
<td>1 cr.</td>
<td>Prerequisite: P E 113 or consent of department head.</td>
</tr>
<tr>
<td>P E 228</td>
<td>Intermediate Aerobic Dance</td>
<td>1 cr.</td>
<td>Aerobic dance at a high intensity level with a more in-depth study of the body’s physiological response to exercise. Prerequisite: P E 128 or consent of department head.</td>
</tr>
<tr>
<td>P E 276</td>
<td>Intermediate Aqua Aerobics</td>
<td>1 cr.</td>
<td>A continuation of basic fitness to increase knowledge of the human body’s responses to exercise, enhance the level of muscular development and cardiovascular endurance through exercise in water.</td>
</tr>
<tr>
<td>PHIL 101G</td>
<td>The Art of Wondering</td>
<td>3 cr.</td>
<td>Introduction to some of the main problems of philosophy, with an emphasis on critical thinking. Philosophy conceived as an aid to living in this world with oneself and with others.</td>
</tr>
<tr>
<td>PHIL 136G</td>
<td>The Quest for God</td>
<td>3 cr.</td>
<td>An effort to understand the religious life; a consideration of some of the traditional approaches to God and what it means to be religious. (Fall Alternate Years)</td>
</tr>
<tr>
<td>PHIL 201G</td>
<td>Introduction to Philosophy</td>
<td>3 cr.</td>
<td>Selected problems within the main branches of philosophy: metaphysics, theory of knowledge, ethics. Practice given in critical thinking. (F &amp; SP)</td>
</tr>
<tr>
<td>PHIL 211G</td>
<td>Informal Logic</td>
<td>3 cr.</td>
<td>Logical analysis of ordinary language, construction of definitions, argumentation, analysis of fallacious modes of thought and basic rhetorical considerations. (Spring Alternate Years)</td>
</tr>
<tr>
<td>PHILS 100</td>
<td>Introduction to Health Science</td>
<td>1 cr.</td>
<td>An overview of professional career opportunities in the realm of health science as well as the functional roles of practice, education, administration, and research. Some field trips will be required. (F &amp; Sp)</td>
</tr>
<tr>
<td>PHILS 150G</td>
<td>Personal Health and Wellness</td>
<td>3 cr.</td>
<td>A holistic and multi-disciplinary approach towards promoting positive lifestyles. Special emphasis is placed on major problems that have greatest significance to personal and community health. Topics to include nutrition, stress management, fitness, aging, sexuality, drug education, and others. (F &amp; Sp)</td>
</tr>
<tr>
<td>PHYS 110G</td>
<td>The Great Ideas of Physics</td>
<td>4 cr.</td>
<td>Conceptual, quantitative, and laboratory treatments of the great ideas and discoveries that have influenced lives and changed perceptions of nature, from Johannes Kepler’s laws of planetary motion and Isaac Newton’s and Albert Einstein’s laws of motion and gravity to the modern concepts of the quantal structure of nature and the big bang universe. (F &amp; SP)</td>
</tr>
<tr>
<td>PHYS 211G</td>
<td>General Physics I</td>
<td>3 cr.</td>
<td>Non-calculus treatment of mechanics, waves, sound, and heat. Knowledge of simple algebra and trigonometry is required. (F &amp; SP)</td>
</tr>
<tr>
<td>PHYS 211GL</td>
<td>General Physics I Laboratory</td>
<td>1 cr.</td>
<td>Laboratory experiments in topics associated with material presented in PHYS 211G. Prerequisite(s)/Corequisite(s): PHYS 211G. (F &amp; SP)</td>
</tr>
</tbody>
</table>
COURSE DESCRIPTIONS

PL S 221. Internship I 2-4 cr.
Work experience that directly relates to a student’s major field of study that provides the student an opportunity to explore career paths and apply knowledge and theory learned in the classroom. Internships can be paid or unpaid. Students are supervised/evaluated by both the employer and the instructor. Prerequisite(s): PL S 221. Restricted to Community Colleges campuses only. (F & SP)

PL S 222. Internship II 1-3 cr.
Continuation of PL S 221. Each credit requires specified number of hours of on-the-job work experience. Prerequisite(s): PL S 221. Restricted to Community Colleges campuses only. (F & SP)

PL S 231. The Law of Commerce for the Paralegal 3 cr.
Law of contracts, negotiable instruments, bank transfers, secured transactions, debtor-creditor relations, agency, and business types and their formation. Students will study the relevant statutes as well as draft documents associated with these types of legal practice. Prerequisite(s): PL S 160. Restricted to: Community Colleges only. (F)

PL S 274. Legal Research and Writing for the Paralegal I 3 cr.
Legal memoranda, briefs, and pleadings will be prepared and written based on the student's original research. Research materials and techniques will be identified and studied; introduction of computer usage in legal research. Prerequisite: PL S 160 and ENGL 111G. (F)

PL S 275. Tort and Insurance for the Paralegal 3 cr.
Primary legal principles of tort and insurance law and means of establishing insurance plans, types of torts and insurance, as well as use of specific forms and procedures relating to these areas. Prerequisite: PL S 160. (F)

PL S 276. Wills, Trusts, and Probate for the Paralegal 3 cr.
Cases and statutes dealing with wills, trusts, and probate. Emphasis on preparation and drafting of documents and the application of the law and documents to the client's problems. Prerequisite: PL S 160. (Sp)

PL S 277. Family Law for the Paralegal 3 cr.
Methods of conducting client interviews and drafting of pleadings and research relative to families. Laws relating to marriage, divorce, custody, support, adoption, name change, guardianship, and paternity. Prerequisite: PL S 160. (Sp)

PL S 278. Litigation for the Paralegal 3 cr.
The law of procedure and evidence will be considered through rules and cases. Case situations will be used to identify and solve problems. Prerequisite: PL S 160. (Sp)

PL S 279. Legal Research and Writing for the Paralegal II 3 cr.
Continuation of PL S 274. Advanced training in legal research problems with a focus on analysis, writing, and preparation of sophisticated legal memoranda and documents. Prerequisite: PL S 274.

PL S 280. Interviewing and Investigation for the Paralegal 3 cr.
Techniques of legal interviewing and investigation with emphasis on development of human relations and communication skills. Prerequisite: PL S 160. (F)

PSY- PSYCHOLOGY

PSY 201G. Introduction to Psychology 3 cr.
Methods and principles of behavior. Topics include human evolution and development, biopsychology, perception, learning, thinking, motivation, social interaction, and the diagnosis and treatment of abnormal behavior. (F & SP)

PSY 266. Applied Psychology 3 cr.
Explanation of the psychological principles of everyday living. Emphasizes motivation, learning of intelligent behavior, and applications of psychology to social issues. Community Colleges only. (F)

S WK- SOCIAL WORK

S WK 221G. Introduction to Social Welfare 3 cr.
A broad overview of current social problems and the role of social agencies and community members in addressing these problems. (F)
SOC- SOCIOLOGY

SOC 101G. Introductory Sociology 3 cr.
Introduction to social theory, research, methods of analysis, contemporary issues in historical and cross-cultural contexts. Covers groups, deviance, inequality, family, gender, social change, and collective behavior. (F & SP)

SOC 201G. Contemporary Social Problems 3 cr.
Introduction to the fundamentals of social analysis through the analysis of contemporary American social problems. Emphasis on methods of analysis and cross-national comparisons showing that the social problems studied are common to all societies. Covers racism, violence, poverty, crime, health care, and substance abuse. (F & SP)

SOC 262. Issues in Death and Dying 3 cr.
Major personal and social issues related to the process of dying in our culture. Community Colleges only. (Sp)

SOC 263. Human Sexuality 3 cr.
Introduction to cultural and personal aspects of human intimacy, sexuality and the life cycle, sexual variation, and sexually transmitted diseases. Community Colleges only. (F)

SOC 273. Sex and Gender 3 cr.
Analysis of changes, behaviors, and stereotypes of women and men in contemporary Western societies. Same as WS 273. (Sp)

SPAN- SPANISH

SPAN 101. Beginning Spanish Conversation 3 cr.
Beginning conversation and intensive oral practice for non-degree seeking students, and SPAN 111 and SPAN 112 students who desire additional conversational practice. This course does not count toward the NMSU second language requirement and is not open to native Spanish speakers without permission of instructor. Restricted to: Community colleges. (Spring, Alternate Years)

SPAN 111. Elementary Spanish I 4 cr.
Spanish for beginners. Not open to Spanish-speaking students except by consent of instructor. Prerequisite: language placement and assessment by departmental examination. (F & SP)

SPAN 112. Elementary Spanish II 4 cr.
Spanish for beginners. Not open to Spanish-speaking students except by consent of instructor. Prerequisite: language placement and assessment by departmental examination or C or better in SPAN 111. (F & SP)

SPAN 211. Intermediate Spanish I 3 cr.
Speaking, reading and writing. Not open to Spanish-speaking students except by consent of instructor. Prerequisite: language placement and assessment by departmental examination or C or better in SPAN 111. (F & SP)

SPAN 212. Intermediate Spanish II 3 cr.
Speaking, reading and writing. Not open to Spanish-speaking students except by consent of instructor. Prerequisite: language placement and assessment by departmental examination or C or better in SPAN 211. (F & SP)

STAT- STATISTICS

STAT 251G. Statistics for Business and the Behavioral Sciences 3 cr.
Techniques for describing and analyzing data; estimation, hypothesis testing, regression and correlation; basic concepts of statistical inference. Crosslisted with: A ST 251G. Prerequisite(s): C- or better in MATH 120. (F & SP)

TCEN- ENVIRONMENTAL AND ENERGY TECHNOLOGY

TCEN 111. Photo Voltaic Basic Electrical Principles 4 cr. (3+2P)
Focuses on resistance, current, voltage, and power in AC and DC circuits; measurements; computations of series and parallel circuits; circuit analysis; and troubleshooting with basic test equipment as applied to renewable energy systems. Prerequisite(s)/Corequisite(s): OETS 104. Restricted to Community Colleges campuses only. (F)

TCEN 112. PV Power Generation Design Fundamentals 3 cr. (2+2P)
A study of photo voltaic design basics, photo voltaic (PV) Cells, modules, and system components; electrical circuits; grid-tied/ grid-interactive PV system design and sizing for use on homes: solar electric products and applications; and understanding energy conversion from sunlight to electricity, and working with solar conversion equipment. Pre/ Corequisite(s): TCEN 111. Restricted to Community Colleges campuses only. (F)

TCEN 113. OSHA 10 Hour Construction Hazard Identifications 1 cr.
Intended for entry-level participants to provide instruction on a variety of construction safety and health standards. Topics include Introduction to OSHA, Electrical, Ladder, Excavation, Scaffold, and Forklift Hazards, Fall Protection, Materials Handling, Personnel Protective Equipment and Confined Space Entry Hazards. Meets OSHA 10-Hour Requirements. (F)

TCEN 115. Wind Power Generation Design Fundamentals 3 cr. (2+2P)
Course covers wind turbine module descriptions and functions and wind system installation, operation, and troubleshooting. Additional topics include wind energy harvesting and the conversion process from the generator system to electricity. Restricted to: Community Colleges only.

TCEN 121. Electrical Installation Fundamentals I 4 cr. (3+2P)
Covers electrical safety with an introduction to electrical circuits, devices, equipment, best practices, and theory relating to the National Electrical Code (2011). No electrical background required. Prerequisite(s)/Corequisite(s): TCEN 113. Restricted to: Community Colleges only.

TCEN 220. Roofing Materials and Methods 3 cr. (2+2P)
Covers application techniques and estimation of asphalt and wood roofing products and accessories including gutters and flashing. Presents roof penetration, roof loading issues, and energy system installation requirements for mounting photo voltaic or solar thermal systems. Prerequisite(s): TCEN 112. (F & SP)

TCEN 221. Photo Voltaic Grid Tie Installation 2 cr. (2+1P)
Concentrates on providing the student photo voltaic installation information necessary to tie into the electrical grid system. In addition, teaches the student how to layout an installation for maximum performance using standard industry tools such as a Solar Path Finder. Conduit bending, wiring, roof penetrations are also part of the course. Prerequisites(s): TCEN 112. (Sp)

TCEN 222. Photo Voltaic National Electrical Code Principles 2 cr. (2+1P)
Focuses on all sections of the National Electrical Code and local code requirements applicable to photo voltaic electrical installation. A partial list of areas covered is chapters one through four and section 690, Solar Photovoltaic Systems of the National Electrical Code. Prerequisite(s): TCEN 112. Pre/Corequisite(s): TCEN 222. (Sp)

TCEN 225. Electrical Installation Fundamentals II 4 cr. (3+2P)
Covers electrical load calculations, feeders and circuits, transformers and electrical motors, commercial services, basic electronic theory, and fundamentals of crew leadership. Prerequisite(s): TCEN 121. Restricted to: Community Colleges only.

TCEN 231. Wind Turbine Maintenance I 3 cr. (2+2P)
Course includes an introduction to wind energy to include turbine safety, wind tower climbing, and electrical wiring specific to wind energy systems. Prerequisite(s): TCEN 121 and TCEN 111. Restricted to: Community Colleges only.
TCEN 246. Building Auditor Fundamentals 3 cr. (2+2P)
Course covers alternating current (AC) and three-phase systems applied to wind systems. Topics include circuit breakers, fuses, switching devices, wind power distribution systems, and an introduction to bearings and hydraulic system maintenance. Prerequisite(s): TCEN 231. Restricted to: Community Colleges only.

TCEN 241. Solar Thermal Principles/Installation and Maintenance 3 cr. (2+2P)
Course presents the theory, installation, operation, and maintenance of solar hot water (SHW) systems. Topics include the types of systems to choose, the costs associated with SHW installation and operation, and system sizing requirements. Prerequisite(s): TCEN 225. Restricted to: Community Colleges only.

TCEN 245. Building Weatherization Fundamentals 3 cr. (2+2P)
Provides an overview of the materials and techniques used to reduce building thermal loss. A basic knowledge of HVAC ducting and piping systems is also introduced. The knowledge and techniques learned from the course provide the skills necessary to perform building weatherization installations. Prerequisite(s): TCEN 113, TCEN 221, and TCEN 246. Restricted to: Community Colleges only.

TCEN 250. Photo Voltai System Integrator Fundamentals 3 cr. (2+2P)
Teaches the student project management fundamentals for working with homeowners, businesses, government, contractors, and manufacturers to design, build, and install complete alternative energy systems. Covers photovoltaic, small wind, and micro-hydro system design, permitting, budgeting, and cost estimating requirements. Prerequisite(s): E T 125. Pre/Corequisite(s): TCEN 221. Prerequisite(s): TCEN 113. Restricted to: Community Colleges only.

TCEN 251. Advanced Photo Voltai On/Off Grid Installation 3 cr. (2+2P)
Photo Voltai advanced topics to include panel racking and installation, battery storage, charge controllers, mechanical integration of arrays on buildings, and key elements involved in choosing a mounting system. Prerequisite(s): TCEN 222. (Sp)

TCEN 252. NABCEP Entry-Level Exam Review 1 cr.
Course presents knowledge, key terms, and concepts of photovoltaic systems and solar hot water systems as related to the NABCEP Entry-level exam. This exam is for those wanting to enter the workforce in either solar thermal or solar PV. Scheduling and taking the exam is the responsibility of the student. Consent of Instructor required. Restricted to: Community Colleges only. (Sp)

TCEN 253. Photo Voltai System Troubleshooting and Maintenance 3 cr. (2+2P)
Covers photovoltaic system troubleshooting and maintenance topics to include equipment, electrical, and installation problem areas. Prerequisite(s): TCEN 222. Pre/Corequisite(s): TCEN 251. (Summer Only)

Student will receive industry-related renewable energy experiences at an approved industry location. Typical areas of hands-on practices will be installing solar PV, solar hot-water systems, or wind energy systems. May be repeated up to 6 credits. Consent of Instructor required. Restricted to: Community Colleges only.

Covers gathering of customer site specific information to include the analysis, needs, and energy usage for the purpose of advising the customer with the most appropriate renewable energy solutions. Topics include site analysis, conceptual design, financial costs, and proposal preparation. Corequisite(s): TCEN 222. Restricted to Community Colleges campuses only.
PERSONNEL
PERSONNEL

President

Jimeno, Cheri, President, NMSU-A; Ph.D., Utah State University

Administration

Carstens, Ryan, Vice President for Academic Affairs; Ed.D., University of Texas - Austin
Garcia, Juan, Vice President for Student Success; Ed.D., University of Texas - Austin
Salinas, Antonio, Vice President for Business and Finance; B.A., New Mexico State University

Exempt Staff

Ackall, Viviane, Accessibility Services Coordinator; M.A., Jones International University
Aragon, Paul, Financial Aid Advisor; B.A., New Mexico State University
Aranda, Elizabeth, Administrative Assistant, Senior
Bacon, Jeffrey, Program Operations Director; M.S., New Mexico State University
Beavers, Linda, Curriculum Services Coordinator; B.A., University of New Mexico
Bond, Gary, Instructional Consultant, Intermediate; M.A., New Mexico State University
Cerra, Sarah, Manager, Lab Instruction; M.S., Iowa State University
Cook, Donna, Associate Vice President of Extended Programs; M.A., Sul Ross State University
Duran, Sierra, Manager, Small Business Development Center; M.A., New Mexico State University
Fechner, Mary, Administrative Assistant, Special/Executive; A.A., New Mexico State University
Flores, Larry, Assistant Manager, Facilities Service
Garcia, Brenda, Human Resources Operations Unit Coordinator; A.A., New Mexico State University
Garcia, Judy, Administrative Assistant, Senior; A.Pre-Bus. New Mexico State University
Gonzalez, Maria, Academic Success Support Center Coordinator; B.S., New Mexico State University
Hernandez, Elma, Admissions Advisor; B.A., New Mexico State University
Hille, David, Web Developer, Associate; M.A., New Mexico State University
Hillis, Gregory, Institutional Researcher, Lead; M.S., Salve Regina University
Jaskolowski, Russell, Multi-Media Specialist
Jenkins, Sharon, Director, Library Services; Ph.D., University of North Texas
Kinney, Lee, Buyer, Senior; B.B.A., New Mexico State University
Kommer, Richard, Security Coordinator
McDonald, Barbara E., Academic Support Center Coordinator HAFB; M.Ed., University of Oklahoma
McKenzie, Vandeen, Deputy Chief Student Affairs; Ed.D., University of South Florida
Montgomery, Nancy A., Manager, Facilities Service; M.S., Troy State University
Patton, Jeremy, Director, Admissions; M.S.C.P., Troy State University
Peña, Rose, Student Program Coordinator; B.A., New Mexico State University
Ross, Becky, Director, Allied Health; M.S.N., New Mexico State University
Saenz, Maria, Director, Adult Basic Education/Academic Skills Center; M.A., New Mexico State University
Sanders, David, Systems Analyst, Intermediate; B.A., New Mexico State University
Strawderman, Judith, Teacher, Intermediate; M.Ed., Grand Canyon University
Viscarra, Miguel, Tutor, Senior; B.A., New Mexico State University
Academic Division Heads

Cal, Mark,  Math, Engineering, Science, & Health; Ph.D., University of Illinois at Urbana-Champaign  
TBA,  Humanities, Social Sciences, and Education;  
Yancey, Bryan,  Professional Occupations and Technologies, Fine Arts; M.F.A., Claremont Graduate School

Regular Faculty

Adams, John B.,  College Professor of Graphic Arts; B.F.A., Academy of Art College  
Aguilar-Morgan, Catherine A.,  Professor of Math; M.S., NM Institute of Mining and Tech  
Allred, Tanya,  Associate Professor of English; M.A. New Mexico State University  
Baca, Ernestine,  Professor of Physical Education; Ed.D., New Mexico State University  
Baldwin, Carrie,  Associate Professor of Economics; M.A., Syracuse University  
Breding, Connie J.,  Associate Professor of Theater Arts; M.A., University of North Dakota  
Cook, Susan,  College Professor of Business and Business Office Technology; M.A. Troy State University  
De Vargas, Sonja,  College Associate Professor of German; M.A., University of New Mexico  
Delgado, Janet,  College Assistant Professor of Mathematics; M.S., New Mexico Highlands University  
Eisele, Rita L.,  Associate Professor of Mathematics; Ph.D., Indiana State University  
Elser, Glenda,  Associate Professor of Computer Science; M.S., Montana State University  
Eydenberg, Francis M.,  Professor of Physics; M.S., University of Southern California  
Furphy, Michael,  Instructor of Automotive Technology; A.A.S., Community College of Southern Nevada  
Gallagher, James D.,  Professor of Communication; Ph.D., University of Washington  
Gonzalez-Gonzalez, Jose,  Professor of Spanish; M.A., New Mexico State University  
Grundhoffer, Elizabeth,  Assistant Professor of English; M.A., New Mexico State University  
Haley, John D.,  Professor of History; M.A., New Mexico State University  
Hill, Joyce A.,  Professor of Education; Ph.D., New Mexico State University  
Holmes, Steven,  College Professor of Engineering Technology; B.S., New Mexico State University  
Irving, Sara,  College Professor of Art; M.F.A., New Mexico State University  
Keith, Mary E.,  Associate Professor of Criminal Justice and Paralegal Studies; J.D., University of Houston Bates College of Law  
Klinger, Robert J.,  Assistant Professor of Astronomy; M.S. University of Illinois-Urbana  
Lombraña, Vicente,  Professor of Biology; Ph.D., New Mexico State University  
Lopez-Gallagher, Kim T.,  Associate Professor of History and Government; M.A., St. John’s College  
McGowan, Wayne,  Professor of Chemistry; M.S., University of Denver  
O’Neill-Armendarez, Erin,  Assistant Professor of Developmental Writing; Ph.D., University of Louisiana-Lafayette  
Placencio, Matthew A.,  Assistant Professor of Engineering Technology; B.I.C.T., New Mexico State University  
Reid, Karen,  Associate Professor of Psychology/Counseling and Education Psychology; Ph.D., University of Nevada  
Ricksecker, Anne,  Director Institution Effectiveness/Instructor of Education; M.A., Austin Peay State University  
Roark-Diehl, Kathy L.,  Professor of English; M.A., New Mexico State University
