Twelve lessons, a new "Keys to the Text" section, and plenty of journaling space make this ideal for individuals or small groups.

Description: We've all heard the phrase, “If something seems too good to be true, it probably is.” As a result, it’s hard for us to accept that the most valuable gift of all, eternal life, is given to us free of charge. Although the Galatians initially accepted the gospel of grace, they were easily seduced into believing that such a valuable gift required additional efforts on their part. This study examines the difference between living as though you have to earn God's favor and living in light of unconditional acceptance.

Description: Topics covered in this study are Divine Creation and Human Corruption, Divine Grace and Human Opportunity, and Divine Purpose and Human Response.

The last 6 weeks of this series, HE SPEAKS TO ME, covers A Simple Relationship, A Single-Minded Worship, A Set-Apart Holiness, A Still Attentiveness, A Sold-Out Hunger, and A Servant Spirit.
