Provided the amount covered is not exceeded, we will pay the reasonable cost of towing your car to the nearest repairer or place of safety if it cannot be safely driven. The amount we will pay to transport your car will depend on where the accident takes place and what transport options are available.

The use of your car causes damage to someone else’s property (legal liability)

Call Just Car (as soon as possible) on 13 13 26

We cover your legal liability for any loss or damage to other people’s property and loss or damage consequent upon damage to other people’s property resulting from the use of your car during the period of cover. The use of a caravan or trailer attached to your car is also covered.

We will pay up to a total of $20,000,000 for all claims arising from the one event.

Any person using your car with your permission and who complies with the terms and conditions of this policy is covered.

Your employer or principal is covered if you are driving your car in the course of your employment or agency, and you are covered under this policy for business use of your car or the use of your car is private use.

We do not pay for loss or damage to property owned by you or any person ordinarily living with you.

Your car has been damaged in an accident caused by:

- an uninsured motorist, or
- fire or theft and you have extended your policy to cover fire and theft

Call Just Car (as soon as possible) on 13 13 26. Report any theft to police immediately

Just Car chooses the repairer and arranges your repairs

When your car is damaged, we will arrange the repair work for you and choose the repairer who will do the work.
We ordinarily require two independent competitive quotes from repairers we recommend. If you choose, you can provide one of the quotes from a repairer you select. Our assessor will review the quotes, including any quote from a repairer you select, and what is necessary to properly repair your car. We will choose the repairer who has submitted the more competitive and complete quote and that will be the repairer who repairs your car.

When the repair is complete, you will be advised your car is ready for collection.

**Your car has been stolen and you have extended your policy to cover fire and theft**

**Report the theft immediately to the police and to Just Car (13 13 26)**

We allow 14 days for your car to be found from when you reported its theft to us. If your car is found damaged within the 14 days from when you reported its theft to us, and we are satisfied your claim is in order, and your car:

- can be repaired, we will arrange the repair. See ‘Your car has been damaged...’ page 12.
- cannot be repaired, see ‘If your car cannot be repaired’ page 15.

If it is not found within the 14 days, and we are satisfied your claim is in order, we declare your car a write-off and pay the amount covered. See ‘What happens when we make a write-off payment’ on page 15.

**Further information about repairing your car**

**Inspecting and repairing your car**

You must make your car available to us if we decide to inspect or repair it. If requested by us, you must take your car or allow it to be towed to a place nominated by us. You must not authorise the repair of your car without our written authority.

**Your contribution to repair work**

If the repair of your car leaves it in a better condition than before it was damaged, we may ask you to contribute to the repair cost. If we ask you to contribute we will always explain why, tell you how much it will be and how to pay it.
Where replacement parts are required for the repair of your car and your car is...

**within its manufacturer’s standard new car warranty period:**

New OEM (original equipment manufacture) parts will be used except for the replacement of windscreens and window glass for which Australian Design Rule compliant parts may be used.

**outside its manufacturer’s standard new car warranty period:**

We will use parts that are consistent with its age and condition. This may include new, non-OEM, OEM-equivalent and/or recycled parts.

**When parts for your car are delayed or no longer available**

Where replacement parts are required for the repair of your car and they are delayed (for example, if they need to be imported from overseas) or if they are no longer available, we may pay you what it would have cost us to repair your car with those parts had they been available in Australia.

**Sub-contracting repairs**

We or the repairer we authorise to repair your car may sub-contract some of the repairs.

**Secure compliance labels**

If your car is fitted with a secure compliance (or car security) label which is damaged, we will try to source a replacement from the manufacturer. If we cannot source it, we will still repair your car without replacing such a label.

**The Just Car Lifetime Repair Guarantee**

The quality of the workmanship, any sub-contracted repairs and the materials authorised by Just Car in the repair of your car will be guaranteed for its life. The parts used in the repair will be the same type as those explained on this page.

If you are concerned about the quality of the repair of your car, you must call us on 13 13 26 and you must make your car available to us. You must not authorise rectification work without our written authority.

We will inspect the repair and arrange any necessary rectification work.
If your car cannot be repaired

Sometimes cars are so badly damaged they would not be either safe or economical to repair.

If, in our opinion, the damage to your car is so great that it would not be safe or economical to repair, we will declare your car a write-off and pay the amount covered. See ‘The cover’ on pages 6-7 for details.

What happens when we make a write-off payment

When we make a write-off payment, we pay the amount covered and this policy comes to an end. Because our payment meets all our obligations to you in full:

- there is no refund of any portion to the premium. We retain your car unless you wish to keep it. ‘Your car’ includes all insured options, accessories and modifications and unless the law where you live provides otherwise, the value of any unexpired portion of your car’s registration and Compulsory Third Party (CTP) insurance,
- if you wish to retain your car in its damaged condition, its salvage value will be deducted from our payment,
- you will first need to pay us any additional premium owing. When we make a write-off payment, we will deduct this amount from the payment we make.

If someone else has a financial interest in your car, we will pay them what they are entitled to and pay you any balance.

When we agree to make a write-off payment, we will post you a cheque for the amount covered or deposit it directly into your nominated bank account.

What happens when you want to keep your car insured after we have paid you the cost of repairing it

If we have paid you the cost of repairing your car (other than by making a write-off payment) and you want the cover this policy provides to remain unchanged, you must have your car properly repaired and present it to us in a safe and roadworthy condition for our inspection. If we agree that your car has been properly repaired and is in a safe and roadworthy condition, the cover this policy provides will remain unchanged until the end of the period of cover. If you do not obtain our agreement, we may deny or reduce any claim you make after we have paid you the cost of repairing your car.
YOUR RESPONSIBILITIES WHEN YOU CLAIM ON YOUR POLICY INCLUDE:

Not admitting liability
You must not make any admissions or settle any claims without our prior written consent.

Giving assistance – information, notices, negotiating, defending and settling claims
In this section “you” means you and, if you were not driving, the driver of your car.

You must give us the information and assistance we reasonably request in evaluating the cause, extent and value of any claim. This may include:

- providing us with full details of the claim in writing, including name(s) and address(es) of the driver(s) of and registration number(s) of any vehicle(s) involved in the accident or event.
- providing contracts of sale, receipts or other evidence of ownership.
- providing written statements.
- providing other relevant documents.
- undergoing an interview or interviews about the circumstances of the claim.
- appearing in court and giving evidence.

The information you give must be honest, correct and complete.

You must assist us to recover any part of the claim from the person responsible for the accident or event which results in a claim.

You must promptly deliver to us any relevant letters and notices that come into your possession. This includes promptly telling us if you become aware of any demands, court proceedings or offers of settlement.

We shall be entitled, but not obliged, to defend or represent you in any legal proceedings relating to an accident or event which may give rise to a claim against us and to control, settle and deal with those proceedings as we see fit.
We will pay the legal and other reasonable related costs of defending any claim made against you, provided we appoint the solicitors who will defend the claim and we have told you in writing that we will pay their costs.

You must assist us in all our endeavours to negotiate, defend or settle any claim made under this policy and to exercise for our benefit your legal right of recovery against any other party.

If you fail to assist us, or do not abide by any of these terms, we may reduce or refuse to pay your claim or be entitled to recover from you any monies paid under the claim.

An excess on your policy is the amount you have to pay towards each claim. If your claim is for more than one occurrence, the excess(es) applicable to each occurrence will be payable.

The excesses that apply to your policy are shown on your insurance schedule and updated on your renewal notice. They are also described in our Just Car Third Party Property Damage Car Insurance – Premium, Excesses & Claims Guide. See page 17 for how to access the Guide. IMPORTANT GENERAL INFORMATION

When we quote you a premium

When we quote you a risk premium for insuring your car, some of the factors we take into account include:

- the insurance history, driving history and the age of the people who will be driving your car,
- what you use your car for and where your car is usually kept,
- any accessories fitted or modifications made to your car,
- whether you have extended your policy to cover fire and theft,
- the value, age, make and model of your car (if cover extended to fire and theft).

Government taxes and charges are added to the risk premium we quote. The total of these amounts is the premium we charge you.

For more information about the factors we take into account, you can read our Just Car Third Party Property Damage Car Insurance – Premium, Excesses & Claims Guide. It is available on our website at justcarinsurance.com.au (under the ‘Customer Centre’ section then ‘Policy Documents’) or call us on 13 13 26 if you would like us to send you a free copy.

Excesses may be payable on any claim you make on this policy. See page 18 for further details.

Paying your premium

The notices we issue at the commencement, agreed change to, and each renewal of your policy show the various payment methods available to you.

A change to your policy details (for example change of address or change of regular driver) may affect the premium you need to pay for the remainder of your period of cover. If a refund of $10 or more is payable, we will send you a cheque or credit your payment card account. Any extra premium needs to be paid by you within 14 days. If you do not pay the additional premium, we may reduce your period of cover to correspond with the amount you have already paid.
Changing your address details
If you change your insured address (the address where your car is normally kept overnight), please call us and we will:

- update your details and tell you if there is any difference in the terms and conditions of your policy as it applies to your new address;
- refund or charge you any difference between the premium you paid and the premium we charge for the remainder of your period of cover for cars insured at your new address. If a refund of $10 or more is payable, we will send you a cheque or credit your payment card account;
- send you a new policy schedule to confirm the change.

If you do not tell us of a change of insured address and you make a claim, we will ask you to pay any increased premium or we will reduce the claim by that amount.

Renewing your policy
When we offer to renew your policy:

- we will send you a notice before the policy expiry date;
- we will tell you in writing if there are any changes to the policy;
- we may require an additional premium if you make a claim in the short period between the time we calculated the renewal premium and the expiry of your policy, or if you tell us about changes to your policy details in that period and we tell you they will increase your renewal premium. If the additional premium is not paid, we may reduce the period of cover to match the reduced amount you have paid.

Cooling off period and cancelling this policy
Federal law lets you cancel your policy within 21 days of its purchase. Just Car also lets you cancel your policy at any time.

In both cases, so long as you haven’t made a claim, we will refund you the unexpired portion of the risk premium component of your total premium, as well as a pro-rata refund of any taxes and charges to which you are entitled to by law, less a $30 processing charge.

To cancel your policy, please call us on 13 13 26. We can only cancel your policy by giving you written notice in accordance with the Insurance Contracts Act 1984.
Government taxes and charges

Just Car shows on receipts any government taxes and charges such as GST, stamp duty and fire services levy that are payable in addition to your risk premium. See “When we quote you a premium” on page 19.

GST

The amount covered for your car and the legal liability cover we provide both include GST. Any amounts we pay under “The benefits” include GST.

The privacy of your personal information

We are committed to protecting the privacy of your personal information.

We collect your personal information so that we can provide our products to you, which may include managing an insurance claim. If you don’t provide us with the information we ask for, we may not be able to provide you with our services.

We may give your personal information to other parties, including other insurance companies, service providers, investigators, government agencies and other companies which are part of the Suncorp Group, of which we are a member.

You can access the personal information we hold about you, or ask us to amend it if it’s wrong, by contacting us (see page 5 for our details). Sometimes we will not allow you access, for example when a claim is under investigation. We will tell you if this is the case.

For full details about how we deal with your personal information read our ‘Protecting your personal info’ brochure on our website at justcarinsurance.com.au or call us on 13 13 26 if you would like us to send you a free copy. If you have a concern about your privacy, please tell us. See page 24 for details of our complaint resolution process.

Period of cover means the current period for which we have agreed to provide you with insurance cover. The current period is shown on the most recent of your insurance schedule and renewal notice, and any receipt we may send to you. When we make a write-off payment, the period of cover comes to an end. See also page 15.

Policy means this PDS (including any supplementary PDS) and your policy schedule.

Your policy schedule comprises the notices we give you which show the particular details and the current status of your policy. These notices are the most recent of your insurance schedule and renewal notice, and any receipt we may send you.
Your insurance schedule sets out the information you have given us on which we have based our decision to insure you as well as the individual details of your policy. We will send you an updated insurance schedule whenever you advise us of a change in this information or these details.

**Use.** The types of use of your car that we insure are:

**Private use:** Use of your car for –
- social, domestic and pleasure purposes, and
- commuting to/from work and incidental business use where you are not using your car during your full-time, part-time or casual working period as an integral means of earning an income.

**Business use:** Use of your car –
- during your full-time, part-time or casual working period as an integral means of earning an income that you have told us about and we have agreed in writing to cover, and
- for social, domestic and pleasure purposes.

Private use and business use both cover the private use of your car in conjunction with repairing, servicing and demonstration for private sale provided you or a regular driver listed on your policy schedule are the driver or a passenger when the car is demonstrated.

**Write-off.** Your car is declared a write-off when, in our opinion, it is so badly damaged that it would not be either safe or economical to repair or when it has not been found within 14 days of you reporting its theft to us and we are satisfied your claim is in order.

You and your mean the person or person(s) named as the insured in your policy schedule.

Your car means the car described in your policy schedule and includes the manufacturer’s standard options and accessories fitted to it and other options, accessories and modifications that you have told us about and we have agreed in writing to cover.

Report insurance fraud
Insurance fraud is not a victimless crime. It imposes additional costs on honest policyholders and wastes valuable resources of our community. This means it affects everyone.

We actively pursue fraudulent and inflated claims in order to keep your premium low. Fraudulent claims will be investigated and may be reported to the police.

Help us fight insurance fraud by reporting:
- inflated car repairs.
- staged car accidents.
- false car claims.
- car fires which may have been intentionally started, including by someone known to you.

To report suspected insurance fraud, call 1300 881 725 (local call cost).
