This form is for information only.

NOTE: It is your responsibility to have all required documentation sent to the Board of Nursing. GENERAL INSTRUCTIONS

1. The Michigan Board of Nursing may issue a license by endorsement to an applicant who is currently licensed in another state if that state's licensure requirements are substantially equivalent to those required in Michigan. Michigan requires that all applicants for endorsement have previously taken the NCLEX or SBTPE examination for licensure in another state.

2. Please mark the appropriate type of licensure for which you are applying. Read all instructions carefully and answer all questions on the application including providing details on a separate sheet if necessary. Failure to complete the application correctly, in its entirety may delay the processing of your application. You must provide a complete listing of all states (excluding temporary licenses) in which you have ever held a nursing license whether the license is current or not.

3. Effective October 1, 2008, all applicants for a health profession license or registration in Michigan are required to submit fingerprints and undergo a criminal background check. Please see the attached instructions. The Michigan Board is not able to accept fingerprints that have been obtained for any other purpose. Your license or registration will not be issued until this process is complete.

4. A license application accompanied by the appropriate fee is valid for two years. If an applicant fails to complete the requirements for licensure within two years from the date of filing the application, the application is no longer valid.

5. It is a violation of the Michigan Public Health Code, to practice nursing in Michigan without a license issued by the Michigan Board of Nursing.
