Welcome to the 2015-16 School Year! I look forward to the many opportunities a new school year brings and to meeting students who are new to KHS.

Thank you for your assistance and patience with the new registration/fee paying process that we implemented in August. The feedback on the new process was very positive and we were able to move families through much quicker. If you have any feedback please let us know.

Just a reminder- all students also have access to our Activities and Event calendar through their school Google account. This calendar is refreshed on a regular basis and includes the schedule of activities, events and other information. We will email our newsletter monthly but also encourage you to use our web-site, Facebook and Twitter to get current school information.

We also are committed to ensuring all students have a safe opportunity to learn at Kimberly High School. Of the 1502 students at KHS over 100 are new to our school community this year and we want to help them transition to our proud learning community in the Kimberly Area School District. We also will be focusing on trying to create stronger teacher-student and student-student connections with all of our students.

Much of our staff professional development this year will be connected to our goal of helping students become independent problem solvers. Encouraged growth of these characteristics can foster self-reliance and responsibility, both now in school and later in a career.

Thanks for your support of education in our community!

Mike Rietveld, KHS Principal

Reminder: We will have a full day of school on Wednesday, September 2nd. Classes begin at 7:40 a.m.

Based in the LMC, students will have full access to one-on-one writing, editing, proofreading, and revision help with a dedicated writing instructor. This center is designed to aid students not just with English essays but in writing across the curriculum.

Center is available daily during block 3 and Tuesday and Thursday evenings from 5:30 7:00 pm by appointment.
THANKS!

Thanks so much to Joe Harvey, Troy Vandenberg, Chad Anderson, Ken Schultz, Ryan Minten, Dennis Verhagen, Mark Apitz of Buildings and Grounds and their summer crew for taking so much pride in the school's facilities. This is truly a reflection of our community and we thank you for doing such a great job of keeping it looking great. It is not an easy job but it is extremely valuable. We appreciate you!

BOOSTER CLUB

The Kimberly Papermaker Booster Club raises funds to help support KHS athletic facility improvements, athletic equipment, weight room equipment, turf payments, scholarships, Post Prom, and Graduation Celebration.

DID YOU KNOW?

You could be helping our booster club raise funds with the purchases you are ALREADY making?
1. Hundreds of area businesses are offering cash back to our booster club.
2. A percentage of each of your purchases is contributed to our booster club.
3. You simply need to register for FREE at www.ucmission.com. It's easy to help us without spending additional money or volunteering more time. Together we can raise $10,000 per year.

Transcripts required for college applications must be ordered through Parchment at www.parchment.com. A registration code to assist students in creating their account will be sent from Parchment to seniors’ school email addresses.
auditions

Monday, September 7 at 6:00pm or
Tuesday, September 8 at 3:15pm
(You only need to attend one of these times).

Almost, Maine is one of the most produced titles in American theatre over the last ten years. It is a head over heels romantic piece. Every scene is a duet (one scene is a trio) playing on the theme of love. The characters are at many different points in a relationship: first meeting, bogged down in a long-term relationship, broken up, etc. Every scene takes place at the same time on the same night in the lonely dead of winter in northern Maine.

As the show is a series of independent scenes, we are looking to cast 16 or more actors (doubling possible).

Performance dates are November 5-7 and 12-14. Rehearsals begin September 13.

For complete audition information, please see Mr. Wegner in the music wing or visit www.kimberlytheatre.com
Interested in traveling to the beautiful island of Puerto Rico? Well, you have not missed your chance. There will be an informational meeting on September 8 for any interested student that has not already signed up to travel to Puerto Rico in June. The meeting will take place at 6 p.m. in room 33. Students interested in traveling must have completed Spanish II by the end of the 2015-2016 school year. Please see Mrs. McConnell for more details.

SOPHOMORES

Are you interested in purchasing a class ring this year? The Herff Jones rep will be in the commons during all 3 lunch hours on Wednesday, September 16 with a ring display and to answer questions. Stop by and check them out. Then on Wednesday, September 23rd he will be back to take orders during lunch hours in the commons.

LIFE-FORCE ANNUAL KICK-OFF AND COMMITMENT NIGHT

SUNDAY, SEPTEMBER 13th
6:30 PM @ KHS AUDITORIUM
Students, Parents and Staff are welcome!
Speaker, Comedy Sports and Prizes!

JOIN US! LEARN ABOUT LIFE-FORCE AND WHAT WE CAN DO TOGETHER TO MAKE THIS A FUN, SAFE AND SUBSTANCE FREE SCHOOL YEAR.
LIFE FORCE COMMITMENT FORMS WILL BE AVAILABLE AS WELL AS GREAT AMERICA INFORMATION AND SIGN UP SHEETS.

You have an opportunity to make a commitment to yourself, family, school and community. This is about standing up as a leader and being part of the solution to a serious problem that robs teenagers every day of their dreams, goals, potential and lives. Hope to see you Sept. 13!
Why Study Abroad?

What do you gain from a year abroad?

- Learn a new language and become fluent enough to communicate well in that country.
- Opportunity to study a new culture and also learn more about your own culture.
- Serve your country by being an ambassador — especially to young people in other countries.
- Meet people from around the world and make connections that will last a lifetime.
- Increase your independence, confidence and speaking skills.

Why might a High School Exchange (or gap year) have some advantages over a semester abroad during college?

- First — it is much cheaper!!! Rotary provides housing, food and school.
- You live with host families — this gives you a much better perspective of a culture than living in dorms or in flats with other same-aged students.
- Living with a host family is the best way to learn a language — you use it daily!
- High School is one of the most important parts of almost every culture — how a country educates its youth reflects the values and beliefs of the culture.
- Many students feel they are just getting really comfortable with the language at 4 to 5 months and starting to move from studying the culture to being a part of the culture (that is right when college students have to go home from their semester abroad!).
- College semesters abroad can be difficult to schedule and may not fit with some majors.
- Pressure to focus on college studies can seriously detract from the goal of learning a new language and culture.
- But to be honest, almost every student who goes abroad during High School finds a way to make it happen in college too. They get hooked on travel and culture.
- This is a long-term (11 month) youth exchange option.

If you are interested in Rotary Youth Exchange for the Kimberly Area School District, please call Dr. Bob Mayfield, Superintendent of Schools, at (920)788-7900 by September 15, 2015.

For more information, you can also visit these websites: csrcye.org and rye6220.org.

The Kimberly Area School District does not discriminate on the basis of race, color, religion, national origin, (including limited English proficiency), ancestry, creed, pregnancy, marital status, parental status, sexual orientation, homelessness status, sex, including transgender status, change of sex or gender identity, disability, age (except as authorized by law), military status or physical, mental, emotional, or learning disability in any of its student programs or activities.
Student Council Happenings!

Welcome Back KHS!

Freshman Officer elections will take place soon: Nominations forms (complete with parent signature and 10 classmate signatures) are due Sept 4th promptly at 3:05pm to the MAIN OFFICE. Voting will be via student school email the following week and officers will be announced Friday Sept. 11.

With the start of another great school year underway it is never too early to start thinking about HOMECOMING 2015!

**Powder Puff:**
Girls interested in participating in the powder puff football game will need to listen to announcements and/or visit their class advisors for information. (Freshmen, Ms. Jansen, Sophomores, Mrs. Shrode, Juniors, Ms. VanBerkel, Seniors, Mrs. Buchinger). Tee shirts will be sold to any student wanting one. Sales will take place during all lunches Sept 7-11. ALL SHIRTS WILL BE $10.00

Individual classes will set practice times for powder puff games (generally the weekend before) and both the Freshmen vs. Sophomore and Junior vs. Senior games will be played behind the high school at 4:45 pm on Monday, September 28th. (This is to ensure we have enough daylight to finish the games.)

**Parade:**
The parade on Wednesday September 30th begins at 5:15 pm and travels from JRG to the KHS via John Street and Kennedy Avenue.
Student council officers are planning and designing their floats….but we need input from everyone!

**Homecoming Football Game:**
Kimberly High School will play Appleton West at 7:00 pm at Papermaker Field. Come early to hear the amazing KHS pep band and be sure to watch their halftime performance! The Kimberly High School Student Council will sponsor a 5th quarter FIREWORKS show starting immediately after the football game. What a great community event…bring your blankets and enjoy the show on the field!

**Homecoming Dance:**
The Homecoming Dance will be held on Saturday, October 3rd from 8 pm - 12 am. Students will not be allowed in to the dance until 8 pm and will not be allowed to re-enter the dance after 10:00 pm. The dance will have a random breathalyzer for ticket holders upon entry. Tickets will be sold during student lunch hours 3ABC the week of the dance (September 28th through October 2nd).
Students **MUST PURCHASE A TICKET PRIOR TO THE DANCE-NO TICKETS WILL BE SOLD AT THE DOOR.** Tickets are $10 each. All KHS students must be in possession of their school ID to be admitted to the dance.

Guest policy: ONE Non-KHS student may attend as the guest of ONE KHS student. Guests must be 20 years old or under, but must be of high school age. All guests must have a student ID or driver's license to enter the dance and arrive with their KHS date.

Dance dress code is semi-formal.

It is important that all students keep track of how many Elective Points they are earning each grading period. A set amount of E Points are required each quarter (see the quarterly grading sheet link on the main page of www.kimberlyband.com). Stay on top of this so you do not come up short at the end of the term!

Market Day grocery program, which has been Kimberly Music Boosters’ fundraiser of choice for the past 12-1/2 years, has been retired at Market Day’s corporate level. We want to thank everyone who has supported the Music Boosters through this program which had raised $34,436 over the years to help support scholarships, equipment, music programs and teachers in the Kimberly School District. Consequently, we will be looking for a new way to fundraise. If anyone has any suggestions, please share them with Mr. Gall (cgall@kimberly.k12.wi.us) or Mr. Clouthier (cclouthier@kimberly.k12.wi.us) or Doreen Valentine (feb14home@sbcglobal.net).

NEXT MUSIC BOOSTER MEETING: The 2015-2016 In-Tune Music Booster Board and Chair positions are as follows: Tiera Heller, President; Mark Ross, Treasurer; Sheri Manderle, Secretary; Paula Tulenko, Vice President and Publicity Chair; Doreen Valentine, Market Day (Ways and Means) Chair. Please join us for our next Music Booster meeting on Monday, September 21st, at 6:00 pm in the high school band room. This is the perfect opportunity to become involved in this worthwhile organization.

Dear Parent or Guardian:

It is important that our youth have knowledge about human growth and development to understand body changes, maintain a healthy lifestyle, and make healthy, responsible decisions which fit with their personal values and yours. It is important for you to be the primary source for information and education, and our schools will provide support to assist your efforts.

4 year-old-kindergarten through twelfth grade human growth and development objectives are guiding learning in our schools. They were designed by a committee of parents, teachers, administrators, and community members to be developmentally appropriate and were approved by the Board of Education. The objectives for your child's grade level are printed here along with our philosophy for your review. Your child's teachers will provide opportunities throughout the school year for your child to learn these objectives. To provide the best learning situations, we connect this information with other things about which the child is learning. Because of this, human growth and development learning will usually occur throughout the year when it is most appropriate, but there may be times when the learning is more focused.

When the class is viewing a film on human growth and development, the teacher or counselor will notify you in advance so that you can have the opportunity to preview the film. We encourage you to take time with your child to discuss the film together after it is shown in class. This discussion provides another opportunity for you to share your values and expectations and to understand your child's perspectives. We have additional resources to help parents connect and speak with their children about human growth and development issues. For more information about available resources, speak with your child's teacher or counselor.

If you have any questions or concerns about what your child will be learning, please talk with your child's teacher or counselor. If you prefer that your child not participate in human growth and development instruction, you need to make that request in writing to the teacher or school principal in advance and an alternative educational opportunity will be provided for your child during that time. Students whose parents exempt them from instruction related to human growth and development will still receive instruction on other health-related topics such as basic hygiene and sanitation, the effects of controlled substances and alcohol on the human body, symptoms of disease and the proper care of the body. Instruction is also provided for elementary students on effective means by which students may recognize, avoid, prevent and halt physically or psychologically abusive or intrusive situations, such as child abuse, child enticement and sexual abuse.

If you would like more information about the district's health curriculum, including the complete human growth and development curriculum, or the instructional materials, please contact me at (920) 788-7900, Extension 4181.

Sincerely,
Ron Simonis
Director of Curriculum
PHILOSOPHY

The Kimberly Area School District recognizes human growth and development as a lifelong educational process. The responsibility for this education belongs first and foremost to parents, church, and community. The district recognizes the obligation of the schools to support and supplement this aspect of education. Since students are in school for a large portion of their lives, it seems appropriate that the school offer to assist parents in these areas.

This human growth and development program has been planned with the active, constructive involvement of parents, teachers, students, community leaders, and administrators with approval by the School Board.

The Kimberly School District is committed to provide human growth and development instruction as part of a comprehensive education program. Human growth and development instruction refers to the process of growth in the intellectual, physical, emotional, spiritual, and social phases of individuals and their human relations.

Human growth and development should not be an isolated special facet of education. Sequential, well-planned units appropriate for developmental needs will be integrated through the 4K-12 curriculum. Our goal is to provide accurate information in a non-threatening environment which includes dialogue between parents, students, and teachers.

The Kimberly Area School District recognizes its responsibility to promote in our students positive self-concepts, healthy interpersonal relationships, and responsible decision making. This curriculum will help students examine their own attitudes and behavior in relation to the norms and values of parents, church, and community.

OBJECTIVES FOR GRADES 9-12

PHYSIOLOGICAL AWARENESS
1. Recognize and explain physiological changes that occur in the adolescent body, using correct and current terminology.
2. Identify factors specific to preventive health care as it relates to self-examination/care and medical examination.

RISKY BEHAVIORS
1. Present social, educational, economic, physical, legal, spiritual, and psychological consequences of risky behaviors and the impact of teenage pregnancy.

RESOURCES AND SUPPORT
1. Demonstrate the ability to access and work cooperatively with family, friends, school, health care provider, and spiritual leaders when making positive health choices.
RESPONSIBLE DECISION MAKING
1. Demonstrate the ability to utilize various strategies (skills) when making decisions related to health needs and risks of young adults.
2. Evaluate immediate and long-term impact of health decisions on the individual, family, and community.
3. Demonstrate how respect for self and others affects decision making.

RELATIONSHIPS
1. Identify the influence of personal values and beliefs (as well as other outside influences) that impact a relationship.
2. Define various types of relationships (dating, friendships, marriage, mentors, peers, parent/child).
3. Identify the physical, emotional, and social positive/negative consequences experienced by someone who decides to become sexually active.
4. Determine the difference between acceptable, respectful physical contact and sexual harassment.
5. Recognize that pressuring someone into unwanted sexual activity is disrespectful, inappropriate and illegal.
6. Recognize characteristics making up a healthy/nonhealthy relationship.

FAMILY RELATIONSHIPS
1. Recognize kinds of families, ways that families change, and responsibilities of all family members to create health, happiness, and harmony within the family unit.
2. Identify the importance of the individual family unit in establishing and nurturing a value system.
3. Identify and discuss the characteristics and qualities of a healthy family.

OBJECTIVES TO BE DISCUSSED:
1. Discuss and define the different methods of birth control and disease control. Explain the various rates of effectiveness, proper usage (i.e., how they work), physical risks of each method.
2. Discuss how birth control and disease control methods provide no protection from the emotional (heart) and psychological (mind) consequences.
3. Discuss why abstinence is the only responsible choice for teenagers to protect your body, heart, and mind.
4. Discuss your right to “just say no to sex” and demonstrate refusal skills (how to say no) for compromising situations.
5. Discuss the importance of communication with others as it relates to abstinence and contraception (i.e., partner, family, clergy, and health professionals).
6. Identify symptoms of STI’s to enable students to advocate for their own health and the health of others.
7. Distinguish between viral and bacterial STI’s and potential treatments and preventions.

Revised 12/22/2014
Family Move - Outside of the Kimberly Area School District

When a family moves outside of the Kimberly Area School District, students may continue to attend the school where they are currently enrolled if they qualify for a Tuition Waiver (obtained from the district office). Students who qualify for a Tuition Waiver are entitled to continue their enrollment through the waiver period. However, they are required to apply for Open Enrollment during the next Open Enrollment application period if they want to remain in the Kimberly Area School District after the Tuition Waiver has expired.

Family Move - Within the Kimberly Area School District

When a family move occurs within the Kimberly Area School District, students may continue to attend the school where they are currently enrolled even though their residence has changed to another Kimberly Area School District attendance area.

Parents who wish to have their student(s) remain in the same school after a move within the school district, must complete the Attendance Exception Form located on the district website, under Parents→Attendance Area and return it to the district office Attn: Sara Vogel
