Introduction

Welcome and congratulations! You are now a provider of chore services for the Aged and Disabled Medicaid Waiver program and/or the Social Services Block Grant program.

As a Department of Health and Human Services (DHHS) -approved service provider, you'll have an important role in your community. You’ll be helping persons who are aged or have disabilities to have choices in how to live and where to live.

Some persons who are aged or have disabilities want to live in their own home or apartment. However, they may need some help with chores. You’ll be helping these persons with their chores.

As a DHHS-approved service provider you’re not an employee of the State. Rather, you’re an “independent contractor”—an individual or agency that contracts with the client to do certain tasks. You're paid a reasonable rate by DHHS -- on behalf of the client.
Section 2

How to Become a Chore Service Provider for DHHS

Working for a person who is aged or has disabilities is a serious responsibility. These clients will depend on you to help them with their daily needs and safety. To be approved by DHHS, a provider must:

1. Agree to background checks, including:
   - Criminal history
   - Adult protective services registry
   - Child central registry
   - Sex offender registry
   - License Information System

2. Meet the standards listed in the Service Provider Agreement and the chore provider agreement. The Services Provider Agreement is a legally binding document describing the services you are to provide, the maximum rate you are allowed, your responsibilities and the responsibilities of Department staff. The Chore Provider Agreement is a legally binding document that describes the specific qualifications necessary to become a chore service provider for the Department.

A “Resource Developer” will explain these requirements to you. Resource Developers recruit and monitor service providers. You can find a Resource Developer at a local DHHS office, an Area Agency on Aging, an Independent Living Center, or a League of Human Dignity office.

Every DHHS-approved service provider must meet “general standards.” These standards are found in the Service Provider Agreement. Your Resource Developer will provide this form, and talk through the standards with you.

To be a DHHS-approved service provider you must agree with the following statements:

1. I’ll follow all DHHS regulations.

2. I’ll bill only for services which DHHS authorized, and which I have actually provided.

3. I’ll submit my bill only after the service is provided. I’ll submit my bill within 90 days after I’ve provided the service.

4. I’ll accept payment as payment in full. I will not charge the client more than the rate that DHHS authorized. I will not charge the HHS client a rate that is more than what I charge private-pay customers.

5. I must not bill for services if I’m the legally responsible relative:
   - Spouse of a client
   - Parent of a minor child who is a client
6. I must not discriminate against any employee, applicant for employment, or program participant or applicant because of race, age, color, religion, sex, handicap, or national origin.

7. I'll keep records for six (6) years from the date I provided the service. The records must support and document all my claims.

8. If federal, state, or local officials want to review my service records, I must allow it.

9. I'll keep current any license or certificate required for my service.

10. I'll provide services as an “independent contractor.” I understand that I’m not an employee of DHHS or the State of Nebraska.

11. I understand that any false claim, statement, document, or concealment of material fact may be prosecuted under applicable state or federal laws.

12. I respect every client’s right to confidentiality. I must safeguard confidential information. I understand that if a client’s confidentiality is violated, my provider agreement may be terminated immediately.

13. I understand and accept responsibility for the client’s safety and property.

14. I will not transfer this agreement to anyone else. I’m the only person authorized to provide service under this provider agreement. I must not authorize someone else to provide service under my agreement with DHHS.

15. I must operate a drug free workplace.

16. I must not use any federal funds received to influence agency or congressional staff. (Your resource developer can explain this.)

17. I must not engage in criminal activity that may be harmful to my client or put my client in danger. I do not have a record of a criminal conviction.

18. I will allow DHHS to conduct registry checks on me. That includes the Adult Protective Services Central Registry, the DHHS Child Central Register of Abuse and Neglect, the Nebraska Sex Offender website, and the License Information System.

19. I have the knowledge, experience, skills, and/or abilities necessary to perform the task(s) authorized.

20. I must report changes to appropriate DHHS staff. That is, I'll tell my client’s DHHS worker if I’m no longer able, or willing, to provide service. I’ll tell DHHS if I know about any changes in my client’s well-being.

21. I must report any suspected abuse or neglect of the client to law enforcement and/or DHHS staff.
22. I must submit a completed and signed IRS Form W-9. (That's the form that lets the IRS know your correct tax identification number.)

**Chore providers must meet requirements**

In addition to the general standards for all service providers, chore service has its own requirements. These requirements are found in the Chore Provider Agreement. Your resource developer will provide this form, and talk through the requirements with you. You must certify that:

1. I’m free of any communicable diseases.
2. I can physically do the work required to provide the authorized services. I am willing to provide a physician’s verification, if requested.
3. I know basic first aid and know how to get medical help if the client has an emergency.
4. If using and storing any of the client’s equipment, appliances, tools or supplies, I will use reasonable caution and care.
5. I will provide my own tools and equipment necessary to do my authorized tasks and duties if the client does not provide them.
6. I’m able to recognize signs of distress or illness in clients.
7. I’m willing to talk with the client and/or family about emergency procedures in the client’s home
   - Such as the location of medical supplies, emergency phone numbers, etc.
8. If I am younger than age 18, I must:
   - Provide two references from adults (not relatives)
   - Parent or legal guardian gives permission and co-signs the Service Provider Agreement

**Chore agencies have additional standards**

**Agency providers must:**

1. Employ chore staff based upon their qualifications, experience, and demonstrated abilities;
2. Provide training to ensure that chore staff is qualified to provide the necessary level of care;
3. Agree to make training plans available to the Department; and
4. Ensure adequate availability and quality of service.

If you are a chore service agency, as opposed to an “individual” service provider, you should review the complete regulations on DHHS chore service providers. These regulations are available, on-line, at the DHHS public website.

Section 3

Chore Services and Provider Responsibilities

Each client may need help with a different set of chore tasks. Your Resource Developer or the client’s Services Coordinator or DHHS Worker will explain the specific tasks you’ll do for each client. The services you provide may be a range of activities including general household tasks necessary for maintaining and running a person’s home when that person is unable to perform some or all of them. They allow persons who are aged or have disabilities to maintain the highest possible degree of independence in the least restrictive environment. The client’s Services Coordinator or DHHS Worker will determine the appropriate funding source and authorize appropriate services for each client. Based on program guidelines and the assessed needs of the client, the potential services include:

- Bill paying (AD Waiver only) – assisting in organizing and/or paying bills
- Essential shopping – getting food, clothing, or personal care items
- Food preparation – prepare meals necessary to maintain the independence of the client with supplies provided by the client
- Housekeeping activities – cleaning and caring for household equipment, appliances, or furnishings, using supplies provided by the client
- Laundry - washing, drying, ironing, folding, and storing laundry in the client’s home; or using laundromat services for the client. The client will provide the soap and money for the laundromat
- Personal care – (AD Waiver only) - Assistance with activities of daily living including bathing, shaving, grooming, eating, mobility, toileting, and transfers. For Social Services Block Grant assistance is limited to activities of daily living including bathing, grooming, shaving and shampooing, eating, mobility, transfers and toileting
- Simple home repairs and maintenance (AD Waiver only) – making minor repairs to the house, furnishings or household equipment, removing snow or ice, and cleaning water drains.
- Supervision (AD Waiver only) – Staying with the client for part of the day when s/he would otherwise be alone and performing non-medical activities which are necessary for the health and safety of the client
- Specialized Procedures (AD Waiver only) – performing tasks such as insertion and care of catheters, irrigation of any body cavity, application of dressings involving prescription medication and sterile techniques, giving injections into veins, muscles or skin, drawing up insulin syringes, administration of oxygen, or other health maintenance activities covered by the Nebraska Nurse Practice Act (Neb Rev. Stat. §71-1, 132.30) ONLY when under the direction of a competent adult client or the direction of a caregiver of an incompetent adult.
The client’s Services Coordinator (AD Waiver only) may authorize full time or live-in housekeeping when the client is living alone or living alone with minor children, or when the circumstances of eligible individuals living together require that level of assistance. As a full time housekeeper you may provide any or all of the above services as determined appropriate by the Services Coordinator/DHHS Worker.

If you are a full-time or live-in housekeeper, you must provide:

- service to only one household at a time,
- be available 24 hours a day to provide the authorized chore activity, and
- bill only for the days services are actually provided.

The ‘Service Authorization’

For DHHS to pay you for a service, a worker must first “authorize” you to do the service. You’ll receive a written, service authorization for each client. It will state what type and how much service you’re authorized to provide. Don’t start providing service until you have a written service authorization in-hand! Be sure the services you provide are within the authorization dates.

Can an individual provider ‘subcontract’ a service authorization?

No. You are the person who passed the background checks and signed the provider agreement. Only you must provide the service under that agreement. You cannot pay someone else to provide the contracted service.
Section 4

Billing DHHS for Services

What rate will I get paid as a DHHS-approved chore provider?

If you are providing services for an AD Waiver client, rates shall be established by DHHS Central Office Staff based on available funding. Rates may be by the hour, partial day, day or occurrence. HHSS Central Office has the authority to set maximum Chore rates, based upon available funding.

If you are providing services for a Social Services Block Grant client, rates are set by the Department and they are not negotiable. Rates are by the hour day or occurrence.

How do I get paid?

Your Resource Developer will explain how you’ll bill for services. Basically:

1. You’ll record your services – dates, times, and tasks performed -- on a form provided by your Resource Developer. Submit a separate time sheet for each client.
2. Your client must also sign that you did the service as billed.
3. You’ll submit your billing along with your time sheet. Your Resource Developer will tell you where to submit it.
4. Department staff will check the billing to assure there are no errors, and process it for payment.
5. When the billing is approved, you’ll receive a check in the mail. (You may also opt for a direct deposit to your bank account or a debit card.)
6. A payment takes about 14 days from when the local office receives it.

Does DHHS withhold Social Security tax?

DHHS withholds Social Security taxes (Federal Insurance Contribution Act, FICA) from provider payments in some situations. Individual providers (not associated with an agency) who provide in-home services and are paid a federally determined amount for services provided to one client are subject to FICA taxes.

DHHS acts on behalf of the client as an agent to withhold the mandatory taxes from the provider’s earnings and pays the client’s matching share to the Internal Revenue Service (IRS). DHHS withholds the tax from all affected providers. If the provider’s earnings, payments do not reach the mandatory annual amount, the amount that has been withheld is refunded to the provider.
Will I have to keep records?

Yes. As a DHHS-approved service provider you must retain the following material for six years:

1. Copies of your time sheets and billings that support what services you provided, for each client you served.
2. Your Service Provider Agreement with DHHS.
Section 5

My Rights and Responsibilities

Service provider rights and responsibilities
DHHS-approved service providers have certain rights and responsibilities, depending on the program. For example, providers of AD Waiver services are Medicaid providers and have the following rights and responsibilities:

1. The responsibility to maintain compliance with all applicable provider standards and to report any changes that may effect this compliance;
2. The right to have provider standards correctly and consistently applied;
3. The responsibility to provide correct and current information about the Social Security number or federal identification number;
4. The right and responsibility to inform Services Coordination or Resource Development staff when there is a change in the client’s situation which may require a change in the client’s Plan;
5. The responsibility to provide quality services;
6. The responsibility to treat the client with respect, to be dependable, and to schedule service delivery with the client and to notify the client of any changes;
7. The right to receive information needed to do the job;
8. The responsibility to keep client-specific information confidential;
9. The responsibility to provide services according to the authorization provided by the client’s Services Coordinator and to bill only for services authorized and provided.
10. The right to receive notice when service authorization will end before the originally-stated end date.
11. The right to complain or to file an appeal if the provider agreement is denied or terminated.

What if I need to change my service provider agreement?

Providers must report/request changes to existing service agreements. Minor changes, such as an address change which does not affect the service location, may be changed manually and initialed by Resource Development staff on the original agreement.

A change in provider name, FID number, or Social Security number requires a new agreement and signature.

A provider and Resource Developer must sign and date a modification to the agreement or a written amendment to change the existing service agreement to:
1. Add a service; or
2. Change a rate.

Where can I find regulations governing home care/chore?

If you want to learn more about being a DHHS service provider, you can read the regulations on-line. Several programs offer the chore service. Two such programs are:

- Title 473 – Social Services for Aged and Disabled Adults
Go to http://www.hhs.state.ne.us/reg/t743.htm

You can find the regulations on Chore Service in Chapter 5.

- Title 480 -- Home and Community-Based Waiver Services.

Go to http://www.hhs.state.ne.us/reg/t743.htm
You can find the regulations on Chore Service by clicking on Chapter 5. Then, scroll down to 480 NAC 5-004.05.

List account number(s) here (optional)

Part I  Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II  Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends on your tax return. For real estate transactions, Item 2 does not apply.
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out Item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, Item 2 does not apply.

For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester’s form if it is substantially similar to this Form W-9.

For federal tax purposes you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign ‘estate’) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a “saving clause.” Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax on scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester, or
2. You do not certify your TIN when required (see the Part II instructions on page 4 for details), or
3. The IRS tells the requester that you furnished an incorrect TIN, or
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividend accounts opened after 1983 only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened before 1983).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

**Penalties**

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

**Specific Instructions**

**Name**

If you are an individual, you must generally enter the name shown on your social security card. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

**Sole proprietor.** Enter your individual name as shown on your social security card on the "Name" line. You may enter your business, trade, or "doing business as" (DBA) name on the "Business name" line.

**Limited liability company (LLC).** If you are a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Treasury regulations section 301.7701-9, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line. Check the appropriate box for your filing status (sole proprietor, corporation, etc.), then check the box for "Other" and enter "LLC" in the space provided.

**Other entities.** Enter your business name as shown on required Federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

**Note.** You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

**Exempt From Backup Withholding**

If you are exempt, enter your name as described above and check the appropriate box for your status, then check the "Exempt from backup withholding" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

**Note.** If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

**Exempt payees.** Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2).
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,
Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see How to get a TIN below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see Limited liability company (LLC) on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity’s EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.socialsecurity.gov/onlineservices/ss-5.pdf. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses/ and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write “Applied For” in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing “Applied For” means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.
Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see Exempt From Backup Withholding on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. “Other payments” include payments made in the course of the requester’s trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, and the District of Columbia to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.

INSTRUCTIONS

WHO MAY ISSUE A RESALE CERTIFICATE. Form 13, Section A, is to be issued by persons or organizations making purchases of property or taxable services in the normal course of their business for the purpose of resale either in the form or condition in which it was purchased, or as an ingredient or component part of other property.

WHO MAY ISSUE AN EXEMPT SALE CERTIFICATE. Form 13, Section B can only be issued by persons or organizations exempt from payment of the Nebraska sales tax by qualifying for one of the six enumerated Categories of Exemption (see below). Nonprofit organizations that have a 501(c) designation and are exempt from federal and state income tax are not automatically exempt from sales tax. Only the entities listed in the referenced regulations are exempt from paying Nebraska sales tax on their purchases when the exemption certificate is properly completed and provided to the seller. Organizations claiming a sales tax exemption may do so only on items purchased for their own use. Items purchased by an exempt organization that will be resold must be supported by a properly completed Nebraska Resale Certificate, Form 13, Section A.

Indicate the category which properly reflects the basis for your exemption. Place the corresponding number in the space provided in Section B. If category 2 through 6 is the basis for exemption, you must complete the information requested in Section B.

Nebraska Sales and Use Tax Reg-1-013, Sale for Resale – Resale Certificate, and Reg-1-014, Exempt Sale Certificate, provide additional information on the proper issuance and use of this certificate. These and other regulations referred to in these instructions are available on our Web site: www.revenue.ne.gov/legal/regs/istaxregs.

Use Form 13E for purchases of energy sources which qualify for exemption. Use Form 13ME for purchases of mobility enhancing equipment on a motor vehicle.

CONTRACTORS. Form 13, Section C, Part 1, must be completed by contractors operating under Option 1 or Option 3 to document their tax-free purchase of building materials or fixtures from their suppliers. Section C, Part 2, may be completed to exempt the purchase of building materials or fixtures pursuant to a Purchasing Agent Appointment. Form 17. See the contractor information guides on our Web site www.revenue.ne.gov for additional information.

WHERE TO FILE. The Form 13 is given to the seller at the time of the purchase of the property or service or when sales tax is due. The certificate must be retained with the seller’s records for audit purposes. Do not send to the Department of Revenue.

WHEN NO NUMBER IS REQUIRED. A purchaser who completes Section A and is engaged in business as a wholesaler or manufacturer is not required to provide an identification number. Section B does not require an identification number when exemption category 1, 2, or 3 is indicated.

PROPERLY COMPLETED CERTIFICATE. A purchaser must complete a certificate before issuing it to the seller. To properly complete the certificate, the purchaser must include: (1) identification of the purchaser and seller, (2) a statement as to whether the certificate is for a single purchase or is a blanket certificate, (3) a statement of basis for exemption including completion of all information for the basis chosen, (4) the signature of an authorized person, and (5) the date the certificate was issued.

PENALTIES. Any purchaser who gives a Form 13 to a seller for any purchase which is other than for resale, lease, or rental in the normal course of the purchaser’s business, or is not otherwise exempted from sales and use tax under the Nebraska Revenue Act, shall be subject to a penalty of $100 or ten times the tax, whichever amount is larger, for each instance of presentation and misuse.

Any purchaser, or the agent thereof, who fraudulently signs a Form 13 may be found guilty of a Class IV misdemeanor.

CATEGORIES OF EXEMPTION

1. Purchases made directly by certain governmental agencies identified in Nebraska Sales and Use Tax Reg-1-012, Exemptions, Reg-1-072, United States Government and Federal Corporations; and Reg-1-093, Governmental Units, are exempt from sales tax. A list of specific governmental units are provided in the above regulations. Governmental units are not assigned exemption numbers.

Sales to the United States government, its agencies, and corporations wholly owned by the United States government are exempt from sales tax. However, sales to institutions chartered or created under federal authority, but which are not directly operated and controlled by the United States government for the benefit of the public, generally are taxable.

Purchases that are NOT exempt from Nebraska sales and use tax include, but are not limited to, governmental units of other states, sanitary and improvement districts, urban renewal authorities, rural water districts, railroad transportation safety districts, and county historical or agricultural societies.

2. Purchases when the intended use renders it exempt as set out in paragraph 012.02D of Reg-1-012, Exemptions. Complete the description of the item purchased and the intended use as required on the front of Form 13. Sellers of repair parts for agricultural machinery and equipment cannot accept a Form 13 to exempt such sales from tax.

3. Purchases made by organizations that have been issued a Nebraska Exempt Organization – Certificate of Exemption are exempt from sales tax. Reg-1-090, Nonprofit Organizations; Reg-1-091, Religious Organizations; and Reg-1-092, Educational Institutions, identify such organizations. These organizations will be issued a Nebraska state exemption identification number. This exemption number must be entered in Section B of the Form 13.

4. Purchases of common or contract carrier vehicles and repair and replacement parts for such vehicles.

5. Purchases of manufacturing machinery or equipment by a manufacturer for use predominantly in manufacturing. This includes the installation, repair, or maintenance of such qualified manufacturing machinery or equipment.

6. A sale that qualifies as an occasional sale, such as a sale of depreciable machinery and equipment productively used by the seller for more than one year and the seller previously paid tax on the item. The seller must sign and give the exemption certificate to the purchaser. The certificate must be retained by the purchaser for audit purposes. See Reg-1-014.01.
