Cleaning Services

Extend the life of your floors with Cintas’ Deep Clean Service!

Deep cleaning with greater heat, pressure and extraction removes more dry particulate soil than any other method. 90% of spots can be removed using proper hot water extraction.

Carpet, Upholstery and Drape Cleaning

Bring your carpet back to life with the Cintas Carpet Cleaning Service. Carpets need hot water extraction performed regularly to remove all residue left behind by other cleaning methods, Cintas will clean your carpet and revive it back to its best condition!

- Extraction system allows carpet to dry within a couple of hours
- 24-hour follow-up to ensure satisfaction
- Deodorizes as well as sanitizes
- Optional fiber protectant resists stains longer

Tile, Concrete & Grout Cleaning

Restore your tile and grout flooring to its original luster with the Cintas Tile and Grout Cleaning Service. Let the Cintas professionals clean your tile floors with their powerful, truck-mounted cleaning system. A specially formulated cleaning solution, along with their high-pressure steam rinse, will clean your tile and grout and restore it back to its original beauty!

Air Conditioner Coil Cleaning

Maximize savings by maximizing your A/C Efficiency. Cintas’ Deep Clean A/C treatment will minimize any downtime at your facility by giving you flexible scheduling to meet your needs. Plus, your satisfaction is guaranteed!

- Lower your energy bills with a more efficient system
- Extend the life of your A/C with regular maintenance
- Improve the overall experience of your facility with cleaner air quality

For a Free On-Site Assessment with a Cintas Representative visit www.cintas.com/customer_applications/cps/
