determining the need and number as well as the person who will act as Foreman, in requiring all employees to observe the employer's and/or owner's rules and regulations not inconsistent with this agreement, in requiring all employees to observe all safety regulations, and in discharging employees for proper cause. No overtime shall be paid until (40) hours in the workweek or (10) hours in the workday have been worked. The overtime rate shall be paid at time and one-half (1½) the regular straight-time rate. Sundays and Holidays shall be paid at the overtime rate per the site Local Union's Inside Construction Agreement. **SURETY BOND**

Each Employer shall furnish a surety bond in the amount of $5,000.00 for first one (1) to five (5) employees; $1,000 for each additional employee; Maximum $12,000.00 to secure payment of all amounts due on account of payroll and fund deduction, contribution, and reporting obligations of the Employer required by this Agreement. An employer who wishes to perform work under the terms of multiple 4th District Recovery Agreements may bond at the rate of $20,000.00 at their home region. The bond may be written to cover all regions. By doing so, the employer may perform work in all 4 regions.
REFERRAL

CONSTRUCTION ELECTRICIAN REFERRAL PROCEDURE

1. In the interest of maintaining an efficient system of production in the Industry, providing for an orderly procedure of referral of applicants for employment, preserving the legitimate interests of employees in their employment status within the area and of eliminating discrimination in employment because of membership or non-membership in the Union, the parties hereto agree to the following system of referral of applicants for employment.

2. The Site Local Union shall be the sole and exclusive source of referral of applicants for employment.

3. The Employer shall have the right to reject any applicant for employment.

4. The Site Local Union shall select and refer applicants for employment without discrimination against such applicants by reason of membership or non-membership in the Union and such selection and referral shall not be affected in any way by rules, regulations, bylaws, constitutional provisions or any other aspect or obligation of Union membership policies or requirements. All such selection and referral shall be in accord with the following procedure.

5. The Local Unions shall maintain a register of applicants for employment established on the basis of the Groups listed below. Each applicant for employment shall be registered in the highest priority Group for which he qualifies.

CONSTRUCTION ELECTRICIAN

GROUP I. All applicants for employment who have 8,000 hours experience in the trade, are residents of the Site Local Union’s geographical area, as described herein, constituting the normal construction labor market, have been certified as a Construction Electrician by a duly constituted Inside Construction Local Union of the I.B.E.W. or have been certified as a Construction Electrician by any Inside Joint Apprenticeship and Training Committee, and, who have been employed in the trade for a period of at least six months in the last four years in the Site Local Union’s geographical area covered by the normal construction market as defined in the Inside Collective Bargaining Agreement of the referring Local Union.
Group I status shall be limited to one Local Union at one time. An applicant who qualifies for Group I in a local union shall be so registered electronically and remain on Group I in that local union unless and until the applicant designates another local union as his or her Group I local union. If an applicant qualifies for Group I status in a local union other than his or her home local union and designates that local as his or her Group I local union, the business manager of the new Group I status local union shall by electronic means notify the business manager of the applicant’s former Group I status local union.

GROUP II All applicants for employment who have 8,000 hours experience in the trade and who have been certified as a Construction Electrician by a duly constituted Inside Construction Local Union of the I.B.E.W. or have been certified as a Construction Electrician by any Inside Joint Apprenticeship and Training Committee.

GROUP III All other applicants for employment.

6. If the registration list is exhausted and the Site Local Union is unable to refer applicants for employment to the Employer within 48 hours from the time of receiving the Employer's request, Saturdays, Sundays and holidays excepted, the Employer shall be free to secure applicants without using the Referral Procedure but such applicants, if hired, shall have the status of "temporary employees".

7. The employer will promptly notify the Business Manager of the names, recommended classifications and social security numbers of such “temporary employee” and send the “temporary employee” to the Site Local Union for processing. The Local Union will then immediately refer those employees back to the recruiting employer with the appropriate classification. Any questions or disputes regarding this clause shall be referred to the Northern Ohio Labor Management Committee.

8. "Resident" means a person who has maintained his permanent home in the above defined geographical area of the Site Local Union for a period of not less than one year or who, having had a permanent home in this area, has temporarily left with the intention of returning to this area as his permanent home.
9. The Union shall maintain an Available for Work List, which shall list the applicants within each Group in chronological order of the dates they register their availability for employment.

**RE-REGISTRATION**

10. An applicant who has registered on the Available for Work must renew his application every 30 days or his name will be removed from the List.

11. An applicant who is hired and who receives, through no fault of his own, work of forty hours or less shall, upon re-registration, be restored to his appropriate place within his Group.

12. Employers shall advise the Business Manager of the Site Local Union of the number of applicants needed. The Business Manager shall refer applicants to the Employer by first referring applicants in Group I in the order of their place on the Available for Work List and then referring applicants in the same manner successively from the Available for Work List in Group II, and then Group III. Any applicant who is rejected by the Employer shall be returned to his appropriate place within his Group and shall be referred to other employment in accordance with the position of his Group and his place within his Group.

**EXCEPTIONS**

13. The only exceptions which shall be allowed in this order of referral are as follows:

**SKILLS**

a) When the Employer states bona fide requirements for skills and abilities in his request for applicants, the Business Manager shall refer the first applicant on the register possessing such skills and abilities.
WORKER RECALL

b) An employer shall have the right to recall for employment any former Construction Electrician employee that the employer has laid off, provided that:

1) The former employee is in the highest level Group on the referral list contained in this agreement containing applicants available for work, regardless of the individual’s position on the list;
2) The recall is made within 90 days from the time of layoff;
3) The former employee has not quit his most recent employer under this agreement within the two weeks prior to the recall request;

FOREMAN CALL BY NAME

c) On projects covered by this agreement, the employer shall have the right to call a Foreman by name under the IBEW standard inside referral procedure or the referral procedure contained within this agreement provided:

1) The employee has not quit his previous employer that is signatory to this agreement within the previous two weeks.
2) The employer shall notify the business manager in writing of the name of the individual who is to be requested for employment as a Foreman. Upon such request, the business manager shall refer said Foreman provided the name appears on the highest-priority group.
3) When an applicant for employment is called as a Foreman, he must remain as a Foreman for one hundred & sixty (160) hours and may only work on jobs covered by the scope of this recovery agreement.

APPEALS COMMITTEE

14. An Appeals Committee is hereby established composed of one member appointed by the Union, one member appointed by the Employer or the Association, as the case may be, and a Public Member appointed by both these members.

15. It shall be the function of the Appeals Committee to consider any complaint of any employee or applicant for employment arising out of the administration by the Local Union of Sections 4 through 13 of the Agreement. The Appeals Committee shall have the power
to make a final and binding decision on any such complaint which shall be complied with by
the Local Union. The Appeals Committee is authorized to issue procedural rules for the
conduct of its business but it is not authorized to add to, subtract from, or modify any of
the provisions of this Agreement and its decisions shall be in accord with this Agreement.

16. A representative of the Employer or of the Association, as the case may be, designated to
the Union in writing, shall be permitted to inspect the Referral Procedure records at any
time during normal business hours.

**REPEATED DISCHARGE**

17. An applicant who is discharged for cause two times within a 12-month period shall be
referred to the neutral member of the Appeals Committee for a determination as to the
applicant's continued eligibility for referral. The neutral member of the Appeals Committee
shall, within three business days, review the qualifications of the applicant and the reasons
for the discharges.

18. The neutral member of the Appeals Committee may, in his or her sole discretion:

1) require the applicant to obtain further training from the JATC before again being
   eligible for referral;
2) disqualify the applicant for referral for a period of four weeks, or longer, depending
   on the seriousness of the conduct and/or repetitive nature of the conduct;
3) refer the applicant to an employee assistance program, if available, for evaluation
   and recommended action; or
4) restore the applicant to his/her appropriate place on the referral list.

19. A copy of the Referral Procedure set forth in this Agreement shall be posted on the Bulletin
Board in the offices of the Local Union and in the offices of the Employers who are parties
to this Agreement.

In the event there is a shortage of qualified applicants, the employers and the Local Union agree
to participate in Job Fairs and Industry Nights to address the issue.

An individual Employer who fails to remit as provided above shall be additionally subject to having his agreement terminated upon seventy-two (72) hours’ notice in writing being served by the

The payment shall be made by check or draft and shall constitute a debt due and owing to NEAP on the last day of each calendar month, which may be recovered by suit initiated by NEAP or its assignee. The payment and the payroll report shall be mailed to reach NEAP not later than 15 calendar days following the end of each calendar month.

The individual Employer hereby accepts, and agrees to be bound by, the National Electrical Annuity Plan Agreement and Trust.

An individual Employer who fails to remit as provided above shall be additionally subject to having his agreement terminated upon 72 hours notice in writing being served by the Union, provided the individual employer fails to show satisfactory proof that the required payments have been paid to the appropriate collection agent.

The failure of an individual employer to comply with the applicable provisions of the National Electrical Annuity Plan Agreement and Trust shall also constitute a breach of his labor agreement.

**NECA/ IBEW FAMILY MEDICAL CARE PLAN**

The individual Employer shall contribute and forward monthly to the IBEW Family Medical Care Trust Fund an amount as the amount set forth in Appendix “A” which he is obligated to pay to the
employees in this bargaining unit, and a completed payroll report prescribed by the Northern LMC, Inc. The payment and payroll report shall be mailed to reach the Trustees or their designated agent not later than 15 calendar days following the end of each calendar month. The individual Employer hereby accepts, and agrees to be bound by, the NECA/BEW Family Medical Care Trust Fund Agreement and Trust.

RECOVERY AGREEMENT COLLECTION AGENT

The parties agree to the establishment of the Northern LMC, Inc. for the purpose of increasing portability of the Construction Wireman and Construction Electrician workforce. The Northern Ohio Labor Management Committee shall establish the Northern LMC, Inc. contributions to all Funds and entities listed on Attachment “A” are subject to the provisions of the Northern Ohio Recovery Agreement and its Collection Agent’s operating agreement. An Inside Journeyman Wireman is required on the project as the fifth (5th) worker or when apprentices are used. On projects utilizing Inside Journeyman Wiremen, apprentices or portability of these classifications, an employer must sign the Inside Collective Bargaining Agreement of the site Local Union.
CODE OF EXCELLENCE

The parties to this Agreement recognize that to meet the needs of our customers, both employer and employee must meet the highest levels of performance, professionalism, and productivity. The Code of Excellence has proven to be a vital element in meeting the customers’ expectations. Therefore, each IBEW local union and NECA chapter shall implement a Code of Excellence Program. The program shall include minimum standards as designed by the IBEW and NECA.
