Description: The collections of information in the standard are necessary for implementation of the requirements of the Standards. The Standards specify several paperwork requirements, and who will use the information.

(A) Hazard Assessment and Equipment Selection (1915.152(b)).
Paragraph 1915.152(b) requires the employer to assess work activities to determine whether there are hazards present, or likely to be present, which necessitate the employee’s use of PPE. If such hazards are present, or likely to be present, the employer must: (1) Select the type of PPE that will protect the affected employee from the hazards identified in the occupational-hazard assessment; (2) communicate selection decisions to affected employees; (3) select PPE that properly fits each affected employee; and (4) verify that the required occupational hazard assessment has been performed through a document that contains the following information: Occupation, the date(s) of the hazard assessment, and the name of the person performing the hazard assessment.

(B) Verification That Hazard Assessment Has Been Performed (1915.152(e)(4)). Paragraph 1915.152(e)(4) requires that the employer verify that each affected employee has received the PPE training through a document that contains the following information: Name of each employee trained, the date(s) of training, and the type of training the employee received.

DEPARTMENT OF LABOR

Employment and Training Administration

Senior Community Service Employment Program

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice of Procedures for Recapture and Reobligation of Unexpended Program Year Grant Funds.

SUMMARY: The Employment and Training Administration interprets Federal law requirements pertaining to the 2000 Amendments to the Older Americans Act (OAA), Pub. L. 106–501, for the administration of the Senior Community Service Employment Program (SCSEP) authorized under Title V of the Act. These interpretations are issued in Older Worker Bulletins transmitted to SCSEP grantees. The Older Worker Bulletin described below is published in the Federal Register in order to inform the public.

Older Worker bulletin No. 03–04 advises SCSEP grantees of the procedures for the recapture and reobligation of unexpended Program Year SCSEP grant funds, as authorized under section 515(c) of the OAA. The recaptured funds will retain their original fiscal identity—e.g., recaptured Program Year 2001 funds will still be considered as Program Year 2001 funds when reobligated.

The Employment and Training Administration is authorized to reobligate such funds within two succeeding Program Years to be used for incentive grants technical assistance or grants or contracts for any other SCSEP program. The operating instructions in Older Worker bulletin No. 03–04 are issued to SCSEP grantees as guidance provided by the Employment and Training Administration in its role as administrator of Title V of the OAA.

Pending the issuance of regulations implementing the provisions of the 2000 Amendments to the OAA, the procedures in Older Worker Bulletin No. 03–04 constitute the controlling guidance for SCSEP grantees relative to this section of the Amendments.

Signed at Washington, DC this 27 day of May, 2003.

Emity Stover DeRocco,
Assistant Secretary of Labor.

Attachment: Older Worker Bulletin No. 03–04.
