The above details have been checked and found correct (**Page No. must be indicated**)  

Place:  
Date:  

Signature of the Tenderer  
(Official seal)  

FOR OFFICE USE ONLY.  
Remarks:
(F) IMPORTANT NOTE:

1. All papers in Envelope No.1 and No.2 should be serially numbered for e.g. if there are ten (10) pages in Envelope No.1 the pages should be numbered as 1/10, 2/10, ..., 10/10 and duly signed & stamped pages should be firmly attached in form of a booklet.

2. All true copies must be attested by Gazetted Officer.

3. Shortcomings, if any in Envelope No.1 (Technical Bid) if not completed within given time limit by indenting officer if desired will result in rejecting tender. (Before the opening of the commercial bid.)

4. Shortcomings, if any will not be informed to the Tenderer by post.

5. Authorisation letter should be in original and from manufacturer directly.

6. The right to accept or reject any or all tenders in part or whole without assigning any reason thereof is reserved with Addl. Director General of Police & Director of Police Wireless, Maharashtra State, Pune – 8 and his decision(s) on the matter will be final and binding to all.

7. Tender Validity up to 120 days.

8. Though any Vendor can participate in the Tender, the Addl. DGP & DPW., M.S., Pune reserves right to select the Vendor who has manufacturing or servicing centre, repairing workshop in Maharashtra.

(G) GENERAL TERMS & CONDITIONS:

1. (a) Samples for the quoted items must be submitted along with Technical envelop.
   (b) Demonstration of the equipment should be presented at Dy.S.P.W. R & D Pune.

2. Tender Samples are not required unless specifically called for. Quotations without samples, where samples are specifically called for, are liable not to be considered.

3. Samples destroyed in test will not be returned and no payment made therefor.

4. Tender Sample: - Analysis Reports on Tender Samples will not be furnished to Tenderers.
5. **Quotations offered by Tenderers:-** Tenderers should if not in a position to quote for entire quantity and for delivery as required, state specifically the quantity which they can deliver at the prices quoted and according to the required delivery. Silence on the points will entail responsibility for supply at quoted prices in full quantities as per required delivery.

6. (a) In the case of stores subject to price fluctuation clause, the details viz. (i) manufacturer’s price works or ex-point of dispatch whether on Rail or Sea (ii) Freight (iii) dues and (iv) other charge including firm’s margin should be clearly and separately stated.
(b) Basis of revision in price if claimed should be accompanied by details of variation. In no other case shall any variation in price be admissible.

7. The Addl. DGP and Director of Police Wireless M.S. Pune does not pledge himself to accept the lowest tender and reserves to himself the right of accepting the whole or any part of the tender or portion of the quantity offered against any item and you shall supply the same at the rate quoted. You are at liberty to quote the whole or any portion of the quantity of any item or state that the rate quoted shall apply if the entire quantity of any such item is taken from you.

8. In the event of the order being placed against any of the tenders, if the Tenderer fails to supply stores according to the terms and conditions of acceptance of tender or fails to replace any stores rejected the Addl. DGP and The Director of Police Wireless or any person on his behalf, within such time as may be stipulated by the Addl. DGP and Director of Police Wireless shall be entitled to purchase such stores from any other source and at such case as the Addl. DGP and Director of Police Wireless shall in his sole discretion thinks fit.

**If action as stipulated above is taken then,**

(i) The offer of the defaulting contractor will be penalized to the extent of the difference in the rates or 10% of the value of the earlier order whichever is higher.
(ii) The defaulting contractor will be penalized to the extent of the differences in the rates or 10% of the value of the earlier order whichever is higher.
(iii) If the defaulting contractor fails to pay the penalty he will be permanently delisted from the list of approved contractors of the Addl. DGP and Director of Police Wireless and the registration deposit of the contractor will be forfeited to government.

9. In the case of non-delivery and/or delayed delivery against an order placed with you, the Addl. DGP and Director of Police Wireless reserves to himself the right to impose such penalty in his sole discretion the thinks fit.

10. (a) **Earners Money Deposit:** - 3% of the Value of the item tendered subject to the maximum of Rs.5000/- by way of Demand Draft drawn in favour of “Addl. Director General of Police & Director of Police Wireless, Pune-8” or document showing exemption from payment of EMD or registration with C.S.P.O / S.S.I. / N.S.I.C. / DGS&D having factory in Maharashtra State only for such Item.
(c) **Security Deposit**: Successful Tenderer should pay Security deposit @3% of the purchase value.

However, the following categories of tenderers are exempted from paying Security Deposit.

i) Supplier registered with D.G.S.&D., having factories in Maharashtra State.

ii) Supplier registered with C.S.P.O. on the list of approved supplier for the value of stores amounting of Rs.25,000/- only.

iii) The S.S.I. Units registered with Director of Industries, upto Rs.50,000/- of order value, However if order value exceeds more than Rs.30,000/- security Deposit will be charged @3% of the order value or Rs.50,000/- maximum.

(c) The Addl. DGP and Director of Police Wireless M.S. Pune may exempt firms of standing, from payment of Earnest Money and/or security deposit in respect of tenders or contracts placed by the office, if the firms produce from the Director General of Supplies and Disposals Mumbai, a certificate to the effect that they are exempted from payment of the Security deposit or Earnest Money in the case of contracts placed with them or tenders rated by Director General of Supplies and Disposal, Government of India. The Addl. DGP and Director of Police Wireless M.S. Pune however, reserves to himself the right to ask for security deposit from them against any contracts placed with them by the office if and when found necessary by him.

11. Tenderers convicted of an offence under the Bombay Prohibition Act, 1949 or the Bombay Opium Act, 1936 will be considered ineligible for being given contracts.

12. **Extension of Time**: (i) As soon as it is apparent that contract dates cannot be adhered to, an application shall be sent to the Addl. DGP and Director of Police Wireless M.S., Pune.

(ii) Without prejudice to the foregoing rights, if such failure to deliver in proper time as aforesaid shall have arisen from any cause which the Addl. DGP and Director of Police Wireless M.S. may admit as a reasonable ground for an extension of the time. (and his decision shall be final) he may allow such additional time, as he considers to be justified by the circumstance of the case.

(iii) Provided always that any failure or delay on the part of subcontractors through their employment may have been sanctioned shall not be admitted as a reasonable ground for any extension of time or for exempting you from liability for any such loss of damage, as aforesaid and provided further that no extension shall be allowed unless application for, if shall, in the opinion of the Addl. DGP and Director of Police Wireless M.S. (Which shall be final) have been made and in his opinion is justified.

(iv) The Addl. DGP and Director of Police Wireless M.S. Pune reserves the right to call for break-up of the quotation were necessary.

(v) The Addl. DGP and Director of Police Wireless M.S. Pune reserves the right to change the quantity as per availability of funds.
13. Tenderer whose tender is accepted will have to supply the tender items as per orders placed within the stipulated periods mentioned in the order for supply, failure to do so a penalty of $\frac{1}{2}$% of the total value of the tender items will have be paid by tenderer per week for late delivery of goods beyond the delivery period till the date of actual supply of the tender item at the site. Maximum penalty of 5% will be charged for delay as above for the supply of goods costing more than Rs.1 lac and 10% of good costing less than Rs.1 lac.

14. Any statutory increase or decrease as an act of State of the Central Government relating to sales and other Taxes shall to be the account of the purchaser by contractor.

15. **Fall Clause:** - It is condition of the contract that all through currency thereof, the price at which you will supply the stores should not exceed the lowest price charged by you to any customer during the currency of the rate contract and that in the event of the prices going down below the rate contract prices you shall promptly furnish such information to us to enable to amend the contract rate for subsequent supplies.

16. Exact earliest and clear delivery period should be quoted.

17. It will be the responsibility of the Tenderers to inform this office within the validity period of the quotation in the event of the stores offered ex-stocks being sold elsewhere. Failure to comply with this instruction shall be construed to mean that the stores are available ex-stock during the validity period.

18. Tenderers should state the place of inspection of the stores offered. The Tenderer will have to bear all expenditure of inspection carried out either by this office or through the third party inspection.

**N.B.** :- Special consideration would be given in the case of Tender quoting the requirements of Maharashtra Government with Indian Standards Specifications and those with quality markings.

19. Goods should be dispatched at carrier’s risk failing which they should be properly covered by transit insurance with Government Insurance Fund, Mumbai 400032. However, the supplier will be responsible until the entire stores contracted for arrival in good condition at destination.

20. Please note that Tender form should be filled in serial order of item Nos.1, 2, 3 etc. and the rates accordingly typed in column No.5 of the printed Tender Form in original and also on the counterfoil the rate of each item and other details should be given as required under each column. If the specifications are different than those prescribed in the Tender, they should be shown on a separate page but the rate for these items should be indicated on the printed form.

Same procedure should be followed for alternative quotations for the same items.

(a) **Packing:** - Packing proposed to be employed should be clearly stated giving details of the charges for all alternative packs.
(b) Failure to observe any of the conditions mentioned above will result in the quotations being summarily rejected.

21. It may be noted by the Tenderers that not more than two alternatives offers can be made against each items. If there are more than two offers, only the lowest two offers will be taken into consideration while scrutinizing the quotations.

22. When the material is to be supplied from outside Maharashtra State, the supplier should note that the store, will be inspected before dispatch and the cost of the inspection will be borne by the supplier as per D.G.S. and D Rules. Quotations where material is being supplied from outside Maharashtra State and if the Tenderer stipulate “Inspection will be done either by the consignee at destination or by the office at Government Cost” such quotations will not be considered.

23. Under I.D.R. Act 1951 for the production of the item in question and, if not, how precisely and from whom they proposed to procure the material and what arrangement are proposed for assembly and supply.

24. Dates quoted in the tender Forms are subject to changes in case there being any holiday abruptly declared by the Government.

25. It is the responsibility of the vendor to take back EMD after finalizing the tender. No interest will be paid on any cost on EMD.

| 10     | Battery Adaptors               | Snap lock system of customized  
  1) a) For Motorola Gp338/339 battery =01  
  b) For Kenwood Tk270,278,370 =01  
  c) ICOM 33GT =01 and 02 universal types.  
  2) Universal = Qty02  
  3) Adaptor for connecting External Jig /Lead Acid Batteries Each adaptor should capable of 6Amp and shall Contain 10 codes to configure analyzer to the correct setting. Reprogrammable with menu functions. Battery adaptors should be equipped with a temperature sensor. |
| 11     | Security level                 | High, password protected.                                                                                                                  |
| 12     | Display                        | 2x40 character LCD with backlight. Each station shall have indications like Run, Ready, Fail signal                                         |
| 13     | Power Failure Recovery         | Shall retain the test data on power failure and shall resume when power is restored. Time of power failure and resumption should be recorded. |
| 14     | Data port                      | RS-232 or USB interfaces for PC and Label Printer.                                                                                           |
| 15     | Environmental                  | Operating Temp. 5° to 35° C and Storage Temp. 20° to 70° C                                                                               |
| 16     | Service Programs               | Shall have the facility of manual and automated service with minimum 10 Groups. Groups can be defined into Basic, Advanced and Custom programs. |
| 17     | Firmware                       | Upgradeable with Application Software over the internet. Life time upgrade subscription should be available.                                |
| 18     | Approvals                      | Approvals tested and approved by ITS or TUV to comply with CSA/UL/CE/PSE standard and Ro-HS compliant.                                   |
| 19     | Warranty                       | Minimum 3 years.                                                                                                                           |
| 20     | Service Support                | 5 Years after warranty period.                                                                                                             |
| 21     | Operating & Technical Manual   | Hard copy and Soft copy should provide.                                                                                                    |
