The congregation is encouraged to attend this service by wearing the clothes in which you go to work! This year we will be meeting in the Gathering Place!

Many of us wear clothes or uniforms that identify where we work and what our role is in a particular job.

You will also be given an opportunity to wear a “name tag” that identifies what your occupation or job is when you enter church. What about those retired? You may put a past occupation etc... How about a stay-at-home mom or dad!? Those are all roles we do in God's Kingdom and you will put that identity down.

Coffee Time will be held right after the service in the Gathering Place.
Recently my children and grandchildren came to Sully to celebrate Easter. Our house was jam packed with pillows and shoes, food (lots of food) and a dog thrown in for good measure. It also happened to be my granddaughter Jenae’s birthday on Easter!

Going back to my office desk following that filled weekend, I found on my desk a note that read “Happy Breathday Jenae”! This note had been written by another granddaughter exercising her newly developed 1st grade spelling ability!

I looked at that note for a minute and looked again. What struck me was the word “breath”! Yes, it was the wrong spelling for “birthday” but it had great significance for me as we had just celebrated Easter!

That first Easter morning celebrated the breath that filled the newly arisen Jesus Christ our Lord. The breath of our Savior announced that death was beaten! Jesus Christ was alive!

I was again reminded of that life changing moment that God gave to us! It brought me back to a verse from Job I learned long ago! Job 33:4 says, “The Spirit of God has made me, and the breath of the Almighty gives me life.”

This month I urge you to look around you and see God’s breath in you in a new fresh way! We often foolishly think that we are in control of the air that fills our lungs! Use your days wisely! Give God the glory and live your life with the love that bears witness to the God who has made you with the Easter message each morning!

Happy Breathday!

In Christ!

Pastor Wayne

In the metaphors of the church as a bride, a building, and a body, we learn that our life as a community of disciples proceeds from within the life of the God who is Father, Son, and Holy Spirit. These three metaphors unfold the mystery of Christ’s intimate relationship with His beloved church.

Prayer: “Dear Lord, let us be constantly reminded of our part in your plans for this church. To serve, worship, praise and to encourage others new to their faith. Continue to show us the mysteries of your Spirit and direct us in your ways.”
I read a book a few years back called “Faith Legacy: Six Values to Shape Your Child’s Journey” and it suggested that when your child is older you should plan and take a road trip with them to instill values, life lessons and faith into your child. After reading this, I made a promise to myself that I would one day take such a road trip. As Kolby has grown, I decided why not take more than one trip like this so this Spring Break that is exactly what we did. We traveled up to Northwest Iowa for a few days and it was quite an adventure! We stopped at a hobby card shop, sporting goods store, ate at Buffalo Wild Wings and experienced wild, very un-spring like weather on our journey. It snowed 14 inches while we were up North and it had all melted by the time we left!

You might be asking yourself, why is he writing this? What is it I want you to know? It is simply this, if you still have children at home, plan a road trip with your child. You will learn so much about your child! On this trip alone, I learned many things about my son I didn’t know before we left. But most importantly, it gave me an opportunity to share with him different values and interests I have. Also, it is hard to go a whole road trip without at least one conversation on faith and who God is. Jesus understood this perfectly I believe.

Even though Jesus and His disciples didn’t have a car to make such a trip, we see throughout the Bible that they were constantly moving from town to town. We get to see glimpses of Jesus’ teaching on the road like the woman at the well, Zacchaeus in the tree or the meal with tax collectors and sinners. Imagine if that is just a glimpse into what Jesus taught though. How many conversations happened on the road from town to town we didn’t see or Jesus’ teachings that weren’t written down.

Deuteronomy 6:4-9 says:

“These commandments that I give you today are to be on your hearts. 7 Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. 8 Tie them as symbols on your hands and bind them on your foreheads. 9 Write them on the doorframes of your houses and on your gates.”

Take this literally please. Teach the love of Jesus in your homes and on the road. Take a road trip with your kids or if you don’t have children, take a trip with your close friends. Share the legacy of faith not only at home but also outside of it. Leave a legacy of faith out in the world.

Baby Blessing Class—Save the Date!! On April 17th there will be a Baby Blessings class being taught in the Wing after church. This class will look at tips, resources and other faith-filled ideas to help your blossoming family implement a strong foundation of faith in the home. Invitations will be in mailboxes next week!
On March 6th the Faithwalkers lead the morning worship service through praise songs, testimonies and 3 different drama skits. The theme for the morning was God’s Story is Our Story. The youth worked hard putting the service together. Planning and leading the service is an excellent way for the youth to learn what it takes to put a worship service together. Thank you to all who participated and those who worshipped with us!!

Faithwalkers Youth group is in need of 2 hogs for the pancake breakfast that will be held on July 4, 2016. If you are able to help please contact John Roozeboom at 641-521-2080 or jjboom@partnercom.net or John Kramer at 641-594-4369 or jkramer@netins.net.

Working alongside the staff of Center of Hope are dedicated volunteers from area churches. As Sioux Falls has a large Native American population, nearly 40 percent of Center of Hope visitors are Native Americans, many of whom are Native American.

**Up Close and Personal**

Brett Rockvam was called to ministry after serving 20 years in the building trade industry. After involvement with "Restored 2 Life" church beginning in 2005, Brett volunteered at Center of Hope for two years before being hired as Ministry Assistant. He served the Center with management of programs and finance. During this part-time job, Brett continued his education obtaining a Bachelor's Degree in Business Management. Brett then attended Sioux Falls Seminary for two years, earning a Certificate of Theology in 2010. Since then, Brett has been a full time staff member as Ministry Director.

A delicious breakfast of caramel French toast, mini muffins, caramel rolls, coffee and juice were served by our Fellowship Committee. The tables were decorated with flowers and cards for anyone to sign to be sent to our shut-ins. Thank you to everyone who helped make Easter breakfast great!
Lynnville Sully high school is where Jim and Marlis both graduated. They had one date in high school and began dating more seriously after they graduated. Jim Van Zante grew up around the Lynnville area having been born to Wilbur (deceased) and Harriet Van Zante. He grew up in a family of boys with his brothers Arlyn, Merle, and Lloyd attending Sully Christian grade school and L-S high school. Marlis was also raised around Lynnville in a house with her parents Cornie (deceased) and Wanda Dunsbergen. She, with her siblings, Carna Simmons, Melvin Dunsbergen and Curtis Dunsbergen started their education at the Black Oak Country School as well as Lynnville Sully. In 1972, Jim and Marlis were married at First Reformed by Rev. Wayne Tripp.

Their family has been blessed with two sons, who are grown and their families also attend First Reformed. Jason is married to Michelle and they have two children Tyler 16 and Megan 13, who live west of Sully. Cory has a daughter named Mia, 5 and they also live west of Sully.

Marlis has grown up going to First Reformed church and she and Jim enjoy the friendliness, sincerity, the family atmosphere, the fellowship and the fact the congregation genuinely cares about each other as a church family. One of Marlis’ treasured memories growing up in this church was the “King’s Helpers” program for girls. Margaret Vande Krol and Luella Kammarad led the group and they did a wonderful job of bringing them to Christ through Bible memorization, relevant discussion, and directing plays the girls then performed.

Jim and Marlis along with son Cory own and operate Sully Construction. Jim has been in the soil conservation business for over 45 years. Marlis has retired from Verizon where she worked for 30 years and she is currently the bookkeeper for the family business. Traveling during the winter keeps them busy, as well as going to the grandchildren’s activities.

A big Thank you to Jim and Marlis Van Zante for letting us get to

Summary of Legacy Project March 28, 2016

By: Jerry Kunce, Chairman of the Finance/Fund Raising Committee

Several have asked the length of time it took from the start of the Legacy Project until completion, including paying off our loan with The Reformed Church of America Church Growth Fund, Inc. It depends on what date the project officially started. I believe the official starting date should be May 6, 2012, when the Legacy Addition was approved by the congregation. The approval rate was 82%. There was planning and collecting of funds before the May 6th date.

Our source of borrowed funds was The Reformed Church of America Church Growth Fund, Inc. which was based on two parts. One part was a construction loan which gave us up to 18 months, or completion of the project at 4.5% before converting to a 21 year primary loan. The first six years of the fixed primary loan was at 4.5%. The interest on the remaining 15 years was to be determined at the end of the six year period.

We had completed our move into the Legacy Addition, and had our dedication ceremony on November 17, 2013. This move determined the necessity of moving from a construction loan to our fixed primary loan. Our six year fixed primary loan started December 1, 2013.

By February 28, 2013, we had taken in $475,386.52 including the $109,685.61 from the original building fund, 42.4% of total budget.

On March 7, 2013, we started borrowing on our construction loan. The amount was $75,000.00. From April 30, 2013, until September 30, 2013, we borrowed an additional $350,000.00 bringing the total loan to $425,000.00.

The total fixed primary loan along with interest has been paid off as of March 31, 2016.

Starting on May 6, 2012, and ending on March 31, 2016, the Legacy Project was completed and the loan paid off just short of four years from congregation approval until paying off the loan.

We used borrowed funds for a period of three years and twenty-four days. March 7, 2013 until March 31, 2016, the date the loan was paid off.

Glory be to God
Thanks to the congregation, the many volunteers, and the community.
We also want to thank the staff for their support and help.

Your Finance/Fund Raising Committee; Bryan DeJong, Jason Van Zante, Jeff Vander Molen, Jerry Kunce, Joel Jansen, John Terpstra, Mike Rozendaal, and Monica Nikkel

**DID YOU KNOW**…a “new membership” class is taught in the Spring and Fall by Pastor Wayne. All ages are welcome to attend to learn what it means to become a member of Sully FRC and how the church can help them in their spiritual walk with God. One of the topics discussed is tithing. The church gives envelopes for tithing to anyone that has made profession of faith. The intent of the envelopes is to be a visual reminder to give back to God by tithing as part of intentional stewardship.
Thank you so much for all your kind prayers and congratulations on baby Rowyn! We truly are blessed with a great church family! Thank you for the meals they truly helped so much!

Cole, Shelly, Bentlee, Paisley and Rowyn Vos
