FROM THE PRINCIPAL’S DESK

Dear Eisenhower Family:

April springs us into the fourth and final quarter of the school year! Thank you for joining us for the Spring Parent/Teacher Conferences that were held last month. Face to face contact with teachers, along with checking on the PowerSchool Parent Portal, is a formula for student success as we keep the lines of communication open. Third quarter ends on Friday, April 1st. Watch for notification after spring break letting you know when grades are finalized in PowerSchool. We have the full Fourth Quarter of school when we return from Spring Break.

IMPORTANT REMINDERS FOR SENIORS:

Colleges remind seniors that admission next fall is contingent upon successful completion of this senior year. Many seniors have already been accepted into college, attended an orientation and have a dorm room assignment. Seniors fail to believe that their admission can be rescinded if their grade point drops. However, a high school senior is not fully admitted until their second semester transcripts are received. If a student’s grade point dips below the requirement, admission could be withdrawn. The senior year of high school should be used to prepare for their upcoming freshman year of college. It is the student’s responsibility to stay focused and avoid senioritis that could lead to lower grades.

Senior Honor’s Night will be Wednesday, May 25th in the PAC. Invitations will be sent to the homes of those students that will be recognized.

Graduation will be at 1:00 p.m. on Saturday, June 11, 2016 (tentatively). Mandatory practice for seniors at the Palace will be Friday, June 10th at 7:00 a.m. Be sure seniors do not schedule college visits or work for that morning as practice is mandatory if your senior wants to participate in the graduation ceremony at the Palace.

IMPORTANT REMINDERS FOR JUNIORS:

The first portions of the MME, which are the SAT and Work Keys tests, will be given the week we return from Spring Break. Testing will run Tuesday, April 12th and Wednesday, April 13th. The M-Step portion of the test will be April 19th and 20th. This test is a graduation requirement for UCS.

IMPORTANT REMINDER FOR SOPHOMORES:

Sophomores will take the PSAT test on Wednesday, April 13th.

IMPORTANT REMINDERS FOR ALL PARENTS AND STUDENTS:

Please see page 2 of this newsletter for the complete schedule for April 12th and 13th.

Take the opportunity to visit the UCS College Fair. It will be held Wednesday, April 16th at Henry Ford II High School from 6:30 – 8:00 p.m.

Spring is the season for outdoor sports as well as planning for next year’s classes. Student schedules are being collected for the 2016/2017 school year. Eisenhower’s expectation is that every student will pursue some type of post-high school educational endeavor. Thus, a rigorous high school class schedule will be extremely beneficial to ready our students for the competitive global economy.

Spring Break is April 4th – April 8th. Classes resume on Monday, April 11th. Please help our students keep focus on academics and encourage our students to do their best all the way through June!

Let’s hope we have nice April showers to bring out those lovely May flowers.

GO Eagles!

Nanette Chesney, Principal
Dear Eisenhower High School Students and Parents:

I want to make you aware of an important change to our school calendar on April 12th and 13th. During those days, we will be administering state assessments for 10th and 11th grade students. The restructured schedule will provide our students the proper environment for success on the state assessments.

Please note the following changes to our school calendar:

**Tuesday, April 12, 2016: 11th GRADE TESTING**
7:10 a.m. - 1:00 p.m.

- **NO SCHOOL** for all 10th and 12th graders
- All MST/CSI classes are cancelled
- All shared-time programs are cancelled
- Lunch **WILL NOT** be served to students on this day

**Wednesday, April 13, 2016: 10th and 11th GRADE TESTING**
7:10 a.m. - 11:45 a.m. (Standard Testing Time)
7:10 a.m. 1:00 p.m. (Non-Standard Testing Time)

- **NO SCHOOL** for 12th grade students
- 10th graders will be dismissed following the completion of the PSAT 10 testing.
- 11th graders will be dismissed following the completion of WorkKeys testing.
- All MST/CSI classes are cancelled
- All shared-time programs are cancelled
- Lunch **WILL NOT** be served to students on this day

For more information regarding these assessments, refer to the following links:
SAT, PSAT 10, and PSAT 8/9: [https://collegereadiness.collegeboard.org/state-partnerships/michigan](https://collegereadiness.collegeboard.org/state-partnerships/michigan)

Sincerely,

[Nanette Chesney]
Principal

WINNING THE SCHOLARSHIP AWARD

Searching for and finding scholarships is only the first half of the process. You still need to apply for each scholarship you are trying to win. Applying for scholarships can be time consuming and takes dedication and motivation. But the thousands of dollars you could receive make the effort worthwhile. Below are some hints to help you apply for and win scholarships.

BE PROACTIVE

No one is going to track you down to give you a scholarship; you need to do the legwork yourself. So when you find awards with eligibility criteria that you can meet, contact the provider and request a scholarship application packet. Whether you have to request the application via email, phone or by sending in a self-addressed stamped envelope, do it. There's just no other way to get the ball rolling than to be proactive and assertive in requesting information for yourself.

BE TIMELY

Almost all scholarship providers set deadlines, and you MUST adhere to them. Make sure you have all materials submitted before the deadline. If the scholarship deadline is approaching and you have not yet even received the application packet that you requested four weeks earlier, follow up with the provider and request the application packet again. You do not want to miss a deadline, as most scholarship providers do not consider late applicants.

BE ORGANIZED

Good organizational skills can really pay off - literally! Keep your applications ordered by deadline date and give yourself plenty of time to complete them and send them in well before the due date. Keep letters of recommendation and transcripts on hand so you don't have to obtain new ones every time they are required for an application. Make copies of your completed applications before sending them in, and file them in folders labeled with the deadline date and the mailing address and phone number of the scholarship provider. Call before the deadline to see if your scholarship application was received. If it got lost in the mail, (the postal service is not perfect!) you still have an extra copy you can send in.

BE PERSISTENT

The scholarship search process doesn’t just happen overnight. You must be diligent about looking for new scholarships to apply for. Plan to spend several hours each month reviewing the scholarship programs with deadlines approaching, preparing application packets, and getting the applications in the mail on time. And then the cycle should begin again, finding scholarships, sending away for application information, and applying in an organized, timely manner.

BE POSITIVE

Finally, believe in yourself and in your chances of winning a scholarship. Hard work and time spent on the scholarship process will pay off eventually. Keep your chin up and think about how great the reward will be if you can land even one of the scholarships you're trying for! After all, your education depends on it!  *Expert Advice provided by ScholarshipExperts.com.*

PERSONAL CURRICULUM (PC) AND FLEX OPTIONS: WHAT ARE THESE?

The Michigan Legislature has provided an opportunity for students to slightly modify the State of Michigan graduation requirements. These modifications are called Personal Curriculums (PC) and Flex Options. A student and his/her parent or guardian may request either a Personal Curriculum or a Flex Option for reasons below. Paperwork for both options must be completed as part of the consideration to this process.  *See your counselor for details.*

**PERSONAL CURRICULUM**

- Students who are interested in earning additional credits in math, science, English Language Arts or World Language
- Students who demonstrate a need to reduce the Algebra II requirement in the MMC
- Students transferring from out-of-state or nonpublic schools after completing two years of high school
- Students with an IEP

**FLEX OPTIONS**

- Student may replace PE requirement with 2 semesters of Marching Band or two season on a school-sponsored sport.
- Second year of World Language may be replaced with a CTE Program or an additional VPAA credit.
10TH ANNUAL COLLEGE FAIR!
April 13, 2016
6:30 p.m.—8:00 pm
HENRY FORD HIGH SCHOOL

HOW DO YOU GET THE MOST OUT OF COLLEGE FAIRS???

College reps, as well as college students, admissions counselors, and faculty, genuinely enjoy talking to high school students. They like to share their ideas about their college, and they all appreciate students who have thought about the college and want to know more than is in the course catalog, in the view book, or on the website. They like thoughtful questions, and their answers can help you make a good college match. **Ask a few questions that are of interest to you in the following categories:**

**STUDENTS:**
- How would you characterize the majority of students?
- From what economic background are the majority of students?
- Are there clubs, activities, or housing that are minority related?
- What do students like most about the college? Like least?
- Has the student government made any real contributions to the school? How do you get into student government?
- What political, social, or academic issues concerned students last year? How did the administration react? What was the resolution?

**SOCIAL LIFE AND CAMPUS ACTIVITIES:**
- What do students do for fun?
- What is the role of fraternities and sororities on campus? If I didn’t want to join, could I have a satisfactory social life?
- What are the dominant social groups on campus? Do the groups get along with one another? Have there been any problems?
- What role do team sports play in the social life of the college? What happens on football or basketball weekends?
- Is there a good balance of academics, social life, and extracurricular activities?
- What were the social or cultural highlights last year?
- What is the role of the campus newspaper?
- Is there an alcohol problem and, if so, how is the college handling it? What is the incident of binge drinking? Do students feel safe on campus?

**CAMPUS FACILITIES**
- Is there something I should know about housing that will help me with my choice?
- What are the types of food plans? All you can eat? Vegetarian? Kosher?
- What kinds of facilities does the student center have? Is it a magnet for student activities? Are there other campus hangouts?
- How would you rate the fitness center?
- Is there a doctor, nurse, psychologist or career counselor on campus? What is the waiting period for appointments?
- Is the office of special services adequate to the demand?
- How good is the campus security?
- What have the student experiences been at the library?
- Is the library well equipped with technological needs?

**COMMUNITY OFF CAMPUS**
- What is there to do in town? How would I get there?
- Do many students find employment opportunities off campus?

**ACADEMICS AND FACULTY**
- What is distinctive about education here?
- What is the most popular major on campus? Why?
- How would you characterize the academic pressure and workload?
- Are there research possibilities with the faculty? In what areas?
- What are the strengths and weaknesses of the advising system?
- What is the quality of the student and faculty relationships? Is the faculty interested in and accessible to students after class?
- Are curriculum changes in the works? How will that affect my college years?
- Are any departments being cut back or discontinued within the next couple of years?
- Are any new programs scheduled for the next four years?

Remember, you will only get out of the college fair what you put in! **ASK QUESTIONS!**

(Compliments of College Counseling Sourcebook, 4th Edition. The College Board)
TIME MANAGEMENT TIPS FOR STUDENTS

Managing your time well is an important element of success—especially if you are a student. If you set priorties and manage your time, you have a better chance of achieving your goals. Here are some tips for taking control of your time and organizing your life.

- **Make a To-Do List Every Day**  Put things that are most important at the top and do them first.
- **Use spare minutes wisely**  When you are commuting on the bus, use the time to get some reading/studying done.
- **It is OK to say NO**  If your friend asks you to go to a movie on Thursday night and you have an exam the next morning, realize that it is okay to say no. Keep your short and long term priorities in mind!
- **Find the Right Time**  You will work more efficiently if you figure out when you do your best work. For example, if your brain handles math better in the afternoon, don’t wait to do it until late at night.
- **Review your notes everyday**  Reviewing helps you reinforce what you have learned so you need less time to study before a test. You will also be ready if you get called on in class or have a pop quiz!
- **Get a good nights sleep**  Your brain needs rest to perform at its peak. Lack of sleep makes the day seem longer and your tasks more difficult.
- **Communicate your schedule to others**  If phone calls or text messages are proving to be a distraction, tell your friends that you are not available.
- **Become a Taskmaster**  Give yourself a time budget and plan your activities accordingly. Figure out how much free time you have each week before you add any commitments.
- **Don’t waste time agonizing**  Instead of agonizing and procrastinating, just do it. Wasting an entire evening worrying about something that you are supposed to be doing is not productive and can increase your stress.
- **Determine your priorities**  You cannot do everything at once! Establish the importance of each item. Then set realistic goals that are attainable.

The State of Michigan-Student Financial Bureau is able to assist students to pay for their post-secondary education. Check out these sites to be on top of the most current information to help pay for college!

**DUAL ENROLLMENT: IS IT RIGHT FOR YOU?**

If you are anticipating Dual Enrollment for the 2016-2017 school year, please see your counselor. Dual Enrollment applications are due the first week of June. Course selections must be approved by a UCS designee and minimum requirements for Dual Enrollment must be met. These requirements are described on the application. Your counselor is available to answer additional questions on Dual Enrollment.

**KNOW YOUR TEENAGER: TIPS FOR TALKING TO TEENS ABOUT DRUGS**

Research shows that better skills can decrease conflict, increase influence and produce more successful conversations with your teen around important issues like drug and alcohol use. And better conversations mean better outcomes. Here are some specific skills parents can implement when tackling the topic of drug use with their teens:

**Keep your best motive's in mind.** When we feel upset, we become angry or fearful, and as a result our motives change. Without realizing it, we begin to focus on punishing, being right, or keeping the peace rather than healthy problem solving. Before talking to your teenager about drugs, pause for a moment and ask the following question: “What do I really want?” This pause can help you get your motives in check from simply “keeping the peace” through to silence being a powerful influence on your teen.

**Confront with facts, not judgments.** When you present the facts, you obligate your teen to respond to the information. When you use judgments or accusatory language, it appears you intend to simply humiliate or punish, and your teen feels no obligation to engage in the conversation. Replace, “You’re a liar, and I won’t stand for this” with “Over the past week I have noticed alcohol missing from the garage refrigerator. Your dad and I haven’t moved it or drunk it. I just looked there a few days ago so it must have disappeared recently. As far as I know, you are the only one who has been home.”

**Make it Safe.** Teens may become defensive during your crucial conversations less because of what you are saying than because why they think you are saying it.

- ✔ State what you don’t intend and what you do intend.
- ✔ Be flexible about when you talk, but not about whether you talk.
- ✔ Respecting your teens’ timetable for talking does not mean you are no longer the parent. If he or she doesn’t want to talk now, show respect by being flexible—within reason. If they don’t want to talk at all, help him or her understand why it is important to talk and why it is required.
- Discuss, agree on, and stick with boundaries. If you talk about rules around curfews, choice of friends, and your expectations of knowing where your teen is before he or she is tempted to make bad choices, it is much easier to enforce them later. Then when boundaries are violated, hold your teen accountable consistently. If it’s a boundary, it should always be a boundary. **Evaluate the dialogue.** You’re aiming for a two-way, face-to-face conversation that gives your teen room to disagree with you and communicate a different point of view. After the conversation, ask yourself who did most of the talking. If your teen did not do at least 25 percent of the talking, you did not ask enough questions—or you didn’t create enough safety to allow your teen to participate fully.

11911 Clinton River Road

6:30 p.m. - 8:00 p.m.
REQ UESTING TRANSCRIPTS AND SCHOOL DOCUMENTS:

Below are tasks that students must complete in order to request the transcripts and recommendations from teachers to be sent electronically to schools:

1) Log onto Family Connection.
2) Establish an appropriate email address that will be used only for the college process.
3) **For students applying to schools USING THE COMMON APP, you should register with the Common App after August 1st.**
   a. Enter the high school information and add at least one college, and sign the FERPA release Authorization on the Common App.
   b. Complete the Common App Matching process in Family Connection. This links Family Connection to your Common App account. If you do not complete this process, Naviance prevents the high school from electronically submitting school forms.
   c. Add colleges to the ‘Colleges I’m Applying To’ list in Family Connection. (If you click on the Dashboard you will see all of your colleges listed).
4) **For students applying to schools NOT USING THE COMMON APP:**
   a. Select the *Colleges* tab in Family Connection.
   b. Click the *Transcripts* link, listed in the *Resources* section of the tab.
   c. Click *Request transcripts* for the type of transcript you are requesting.
   d. Enter the necessary information. This will differ based on the destination of the transcript. You can request transcripts to NCAA here as well.
   e. Click *Request Transcripts* at the bottom of the page.
5) Meet with teachers who will be writing your recommendation. Request materials for college application in Family Connection (teacher recommendation/transcripts). **Request teachers to write recommendations as early as possible!** As part of your request, you must tell teachers which schools they should send a recommendation to. If a school only requires 2 (max) recommendations and you ask 3-4 other recommenders, only the first 2 can be uploaded in eDocs. Pay special attention to how many recommendations can be submitted to each university! Only send teacher recommendation requests through Naviance. Do not send them through the Common App.
6) If a student has a Common APP school on his list in Family Connection, the student needs to indicate if he is applying via Common App or not.
7) Return to Family Connection frequently to update your college results.
8) Request a final transcript for a college after the application is marked as accepted in Family Connection. You can mark an application as accepted from the Colleges tab of the student folder in the Application Details section and select Accepted using the Result drop-down menu. A student can mark an application as accepted from the *Colleges I’m Applying To List* in Family Connection. The student clicks the pencil icon in the Results column and updates the result as Accepted. When the student goes to request a transcript, he or she will see a Request Final Transcript section.
TO REQUEST A TEACHER LETTER OF RECOMMENDATION, THE STUDENT SHOULD COMPLETE THE FOLLOWING STEPS:

(Important- Request teachers to write recommendations as early as possible! We cannot send the school documents or the transcript until they have uploaded their recommendation!)

1) From the Colleges I’m Applying To list, go to the Teacher Recommendations section.  
2) Only send teacher recommendation requests through Naviance. Do not send them through the Common App.  
3) Click the Add/Cancel Requests link.  
4) Choose a teacher from the drop-down menu.  
5) Enter a personal note, optional.  
6) Repeat steps 3 and 4 for up to four teachers.  
7) Click the Update Request button to complete the request.  
8) **IMPORTANT!!!!** As part of your request, you must tell teachers which schools they should send a recommendation to. If a school only requires 2 (max) recommendations and you ask 3-4 other recommenders, only the first 2 can be uploaded in eDocs. Pay special attention to how many recommendations can be submitted to each university!

DETERMINING WHICH COLLEGES ACCEPT ONLINE TRANSCRIPTS

Log into Naviance, click on the ‘colleges’ tab, then click on ‘colleges I’m applying to “Colleges I’m Thinking About.” Find the column labeled ‘Submissions.’ You will see one of three symbols. Identifying whether the college accepts online transcripts:

- College accepts paper transcripts only; must provide envelope/label
- College accepts online transcripts; no envelope/label necessary
- Common Application college accepts online transcripts; no envelope/label necessary

If a college offers the choice of their own application or the Common Application, we recommend using the Common Application. If you have questions, please see your counselor.

COLLEGES I’M APPLYING TO LIST

Adding colleges to the Colleges I’m Applying To list in Family Connection is a great way for students to let school staff members know which colleges they are applying to. When a student adds a college to the list, the student is added to the Application Manager in Naviance.

To add an active application, the student should complete the following steps:

1) Click the Colleges tab.  
2) Click Colleges I’m Applying To.  
3) Click Add to This List.  
4) Click Lookup.  
5) Find a college he or she is applying to and click the link with the college name.  
6) The college is added to the College column. The student should continue adding colleges until they are all added.  
7) Indicate the type of application, if a transcript is needed and whether the application has been submitted.  
8) Click Add Colleges.

DOCUMENT REQUESTS

Students can request the following college application materials in Family Connection:

- Transcript  
- Teacher Letter of Recommendation
I’m “JUST” GOING TO MACOMB…
WHAT ARE MACOMB SELECTIVE ADMISSIONS?

Macomb Community College offers programs and certifications that prepare students for good paying and in-demand jobs. However, many of those educational offerings are Selective Admissions programs. The application process for these programs require pre-requisites, high grade point averages, placement testing, and in some instances, recommendations. All Selective Admission programs accept a limited number of applicants.

Selective Admissions programs are:

- Clinical Laboratory Technology
- Health Information Technology
- Nursing
- Occupational Therapy Assistant
- Physical Therapist Assistant
- Respiratory Therapy
- Surgical Technology
- Veterinary Technician

All new students applying to Macomb must take a Placement Test. The Placement Testing evaluates skills in math, reading and English. This evaluation will be used to assist advisors and counselors in proper course selection as they work with students. The goal of placement testing is for students to be successful in their college coursework. However, students applying to Selective Admissions programs may have to take additional tests, such as the HESI for the Nursing program.

All students who intend to apply to Macomb must:

1. Complete and submit a Macomb Community College application.
2. When student ID is received, complete the online freshmen orientation course.
3. After completing the freshmen orientation online course, go to Macomb Center or South campus to the placement exam. Appointments are not necessary.

Students who intend to enroll in a Selective Admissions program must comply with all requirements and submit all documents by the deadlines to be considered for admissions.

Macomb is conducting Selective Admission Seminars to provide parents and students the information needed to insure that all requirements and applications are completed in a timely manner for selective programs. For information regarding those Seminars, please go to http://www.macomb.edu/future-students/apply-admissions/ selective-admissions/index.html.

Questions? Contact Mrs. Pugliese, Career Development Facilitator, at (586) 797-1372 or Dyann.Pugliese@uticak12.org.
Seniors,

Graduation is just around the corner. Soon you will be making several decisions concerning your future. Deciding on a career, college, or a vocational program is not an easy task.

The following is a list of a few of the resources available to you here at Eisenhower and in the community to help guide you through this transition.

1. Make an appointment with your school counselor. Come to the appointment with a list of your questions and concerns. Feel free to bring a parent with you.

2. Make an appointment with Mrs. Pugliese Career Development Facilitator Her office is in the Counseling Center Phone: (586) 797-1372 E-mail: Dyann.Pugliese@UticaK12.org

3. Contact : Liz Rogala Transition Coordinator for Utica Schools Utica High School Phone: (586)797-2302 E-mail: Elizabeth.Rogala@UitcaK12.org

4. Macomb Community College Offers support through their Special Service Counseling Center

   Center Campus: Building (G) room 131 Phone: (586)286-2237

   South Campus Building (H) room 316 Phone: (586)445-7461

5. Baker College of Clinton Township Offers Support through their Learning Support Service Department Phone: (586)790-9697 Email: annette.looser@baker.edu

Hope these suggestions and contacts are helpful. Good luck!

D. Kreft
The Annual
Utica Community Schools
K-12 FINE ARTS FESTIVAL

Junior Sabrina Adragna has been honored for her exemplary volunteer service with a President’s Volunteer Service Award. The award, which recognizes Americans of all ages who have volunteered significant amounts of their time to serve their communities and their country, was granted by The Prudential Spirit of Community Awards program on behalf of President Barack Obama. Mrs. Bronson, Student Council Advisor, Dr. Jones-Lau, Counselor and Mrs. Stiff, English Teacher recommended Sabrina for national honors this past fall in recognition of her volunteer service. Volunteer activities were judged on criteria including personal initiative, creativity, effort, impact, and personal growth.

Eisenhower Varsity Hockey team has won the Divisional I Regional Championship for the 2015-16 hockey season. They ended their season at States in Ann Arbor at U of M’s Yost Area. Bob Hall, Coach.

The Macomb United Figure skating team competed at the State Competition in Novi. Eisenhower members include Brianna Vono, Jessica Pierce, Keegan Snow, and Andra Kotsonis. IB students on the B team are Morgan Franks and Roksolana Sudyk. The team is divided into A team and B team and both teams qualified for the state competition this year. Only A team qualified last year. Jessica Pierce competed at the individual level as well. She competed at the Senior Freestyle Level and brought home the Bronze medal! Macomb United B team took home the silver medal. Keegan and Andra were members of the B team. Congratulations!

Congratulations all five choirs qualified for states! Choir Director, Julia Holt.

- Malow 7/8 Grade Choir - Excellent
- Malow 8/9 Grade Choir - Excellent (perfect score in sight-reading!)
- Eisenhower Eagle Voices - Excellent
- Eisenhower Women’s Chorus - Excellent with Superior Distinction (they received a perfect score from three out of four judges!)
- Eisenhower Show Choir - Excellent with Superior Distinction (perfect score in sight-reading!)
Senior Madison TenHopin won at States on March 11, 2016 in Power Lifting at Mona Shores High School in Muskegon, Michigan! Madison took a State Record for her 300 lb. squat (old record was 280 lbs.), another State Record for her 175 lb. bench (old record was 155 lbs.) and dead lifted 340 lbs. Her 815 lb. total also took a State Record! There were 30 girls in her weight class and 400 girls total. Her parents David and Kim TenHopin couldn’t be more proud. Madison trains with Burt Beauchamp at his gym Cross Fit Edge 94 at 25 Mile and Shelby.

Congratulations to IKE’s Science Olympiad Team for winning 2nd place at the Macomb St. Clair Tournament. They missed 1st place by 4 out of 500 points! In addition, Hunter Allen, Stephen Ogden, Jack Bugbee, and Tessa Peruzzi won $500 scholarships from TRW!

1st place
Astronomy – Kevin Shaughnessy, Stephen Ogden
Bridge Building – Tessa Peruzzi, Allister Ho
Dynamic Planet – Connor Schury, Kevin Shaughnessy
Experimental Design – Sydney Labon, Angela Shehu, Hunter Allen
Geologic Mapping – John Novak, Kevin Shaughnessy
Hydrogeology – Allister Ho, Jacob Jensen
It’s About Time – Jamie Beck, Stephen Ogden
Wright Stuff – Hunter Allen, Jack Bugbee

2nd place
Air Trajectory – Jamie Beck, Stephen Ogden
Chem Lab – Jacob Jensen, Allister Ho
Disease Detective – John Novak, Anna Olson
Electric Vehicle – Nicholas Krsstevski, Jack Bugbee
Game On – Jacob Jensen, Nicholas Krsstevski
Invasive Species – Angela Shehu, Tessa Peruzzi
Protein Modeling – Maddie Anthony, Anna Olson, Connor Schury
Source Code – John Novak, Jacob Jensen

3rd place
Anatomy & Physiology – Connor Schury, Angela Shehu
Wind Power – Hunter Allen, Nicholas Krsstevski

4th place
Forensics – Tessa Peruzzi, Jack Bugbee

Louise LaFaive, Eisenhower’s DECA Advisor will be taking Nicholas Krett, Allison Chriss, Jacob Oyster and Anthony (AJ) Warner to the DECA International Career Development Conference (ICDC) in Nashville, Tennessee from April 23rd to April 26th. Nicholas won roll play medals for automotive services marketing at States and Allison, Jacob and AJ are going for the School-Based Enterprise.

2009 Eisenhower Graduate and America’s Got Talent contestant Alicia Michilli sang at the Evening of Excellence Benefit for Scholarship and the Arts at the Palazzo Grande on March 10th. Alicia then came to visit the Eisenhower choir classes the next day. She sang various selections from her CD and sang with several of the students.
The Macomb County 35th Annual Secondary Student Art Show is at the Anton Art Center from March 12th—April 9th. Eleven of Eisenhower art students have 14 works of art on display. Below is a sampling of their art. Allison Soffa, Carla Villalvazo, Gabriella Braun*, Alexa Dyer, Gariella Borbolla, Robina Rranza, Tyler Empson, Brenna Noyes, Guillano Romano, Daniella Pipitone, and Kristina Tomic. Josephine Braun, Nancy Druia and Jennifer Ramirez Art Teachers.

*Award winner.
“It’s your day!”

Birthday Kit Order Form

Honor someone special with a surprise treat on his or her birthday! Parents or friends schedule a kit to be delivered to the student on his or her birthday or other special day. Kits include a balloon bouquet, a bag of sweet treats, a card, and delivery during school hours on the specified date. Birthday kits are $10 and checks can be made payable to “Eisenhower Key Club”. Thank you for your support!

KEY CLUB: A Month in Review

Our Key Club members were very busy this past month volunteering in the community! Some of our bigger projects were Valentines for Veterans, Teens for Jeans, IHOP Pancake Day for Children’s Miracle Network, the annual Induction Ceremony, and Service Leadership Conference.

The senior members of Key Club were honored at the Induction Ceremony, and all members and the new board were duly inducted for next year. The club will continue to be active through April, but service never ends. Key Club members are encouraged to continue logging their service hours through the summer. Seniors, however, have a deadline of March 24th to have their hours counted for the Medallion that can be worn at Graduation. Regular club meetings will continue on Thursdays at 6:45 a.m. in the ECC.

RESULTS OF THE KEY CLUB ELECTIONS FOR 2016-2017

President-Georgia Densmore
Vice President-Ashley DiGiovanni
Secretary-Nick Sinistaj
Treasurer-Katie Proffitt
Bulletin Editor-Sabrina Adragna

SLC/AWARDS

The weekend of March 11th-13th, nine Key Club members and their advisor attended the Michigan District Service Leadership Conference Meeting in Traverse City, where over 400 members from other Key Clubs around the state join together to share their leadership within their club and how it impacted their schools. This conference was a remarkable experience and Eisenhower High School’s Key Club brought home some awards.

★ 1st Place Major Emphasis Award for our work with the Eliminate Project. We had a month long fundraising effort with the E’lemon’ate Challenge.
★ 2nd Place Project HOPE (Helping Other People Eat) for our ongoing food drive for local food pantries.
★ Santino Martoni was awarded $1000 scholarship from Kiwanis International Foundation.
★ Linda-Ann Heldt, our Kiwanis Advisor from Utica-Shelby Kiwanis Club, was named Kiwanis Advisor of the Year.

SHOE DRIVE:

Now through April 14th, send in gently used pairs of shoes to the Key Club, which meets on Thursday mornings. Shoes can also be dropped off in the commons by the media center.
The month of March truly epitomizes what the Eisenhower Instrumental Music Program is all about! The month started off with MSBOA District Band Festival, with the Concert and Symphonic Bands each performing on March 10th and the Wind Ensemble performing on March 11th. These groups traveled to Anchor Bay HS where they each performed 3 difficult music selections. A panel of judges then graded and critiqued each group in Performance and Sight-Reading. Many months of practice and hard work culminated with high ratings for each group! We are so happy that the Concert and Symphonic Bands each earned a 2nd Division and the Wind Ensemble earned a 1st Division!

March 19th was MSBOA State Solo and Ensemble Festival, which took place at Chippewa Valley HS. Students that qualified from Districts voluntarily played solos and/or ensembles of their choice and were judged on stringent musical criteria. Congratulations to all these fine musicians!

The Instrumental Music Department also strives to support the UCS Elementary and Jr. High Music Programs. The Elementary Cluster Concert was held in February, and the Jr. High Clinic Concert was held March 21st. Both of these events were held in our beautiful Performing Arts Center and featured over 600 talented young musicians. The High School Music Department welcomes the students and wants to encourage these fine young musicians to continue in their instrumental musical pursuits!

On March 24th the Eisenhower Jazz Ensemble had the honor of performing at Cliff Bell’s in downtown Detroit! Our talented group of musicians was invited to this historic venue to open for the renowned group, “The Scott Gwinnell Jazz Orchestra.” The Eisenhower Jazz Ensemble has maintained a busy schedule this year and gained incredible experiences while taking advantage of wonderful opportunities such as this!

Finally, on March 30th Eisenhower proudly hosted the MSBOA State Jazz Festival! This event featured performances from bands across the area and they were all judged using stringent MSBOA standards. Again, congratulations to another stellar group of musicians!

Moving into April and May, Instrumental Music students will begin preparing for the 2016/17 Marching Band Season, as they apply for and audition for leadership positions. Look for more details by checking on www.ikebands.com.

On Thursday May 12th, all Bands and Ensembles will each perform in the Spring Band Concert, the final performance of the year! All bands are under the direction of Mr. Christopher Traskal and Mrs. Lawanda Parker.

Keep up with Eisenhower Instrumental Music on Facebook (www.facebook.com/ikehsbands), Twitter (www.twitter.com/ikebands) and on www.ikebands.com. Check in and see what the bands have to offer!

**Charity Sports**

On Friday, April 1st student council will be running a fun activity filled day to raise money for the Cassie Hines Shoe Foundation. The days’ schedule goes as follows:

1st hour  Pep Assembly
2nd-3rd hour Senior boys v. Teachers basketball game
4th hour  Free Throw contest, the winner will receive a gift card to Chilis
5th hour  Seniors boys v. Teachers volleyball
6th hour  Junior boys v. Teachers volleyball

To participate, the whole class must donate all for a great cause!

**Mr. Ike**

This annual pageant for senior boys involves a variety of events and tasks to eventually crown one boy Mr. Ike. These events include lip syncing, talent portion, group dancing, outfit of choice, and a formal section. All of the money raised will be given to the senior class and Relay for Life. The more student involvement raises more money for prom as well as for a beautiful organization researching to find a cure for cancer. The competition will be held in Ike’s PAC on April 21st at 7:00 p.m.

**States**

Student Council will be traveling up to Traverse City from April 16th to the 18th to meet with other councils in Michigan. This weekend-long gathering strengthens our leadership skills and allows us to share ideas with other councils so each council can further improve their schools environment.

**Relay for Life**

We will be starting to raise money for the Relay for Life foundation from now until the event on May 21st. Donations to this organization go into research to finding a cure for cancer, any and all donations are accepted and appreciated.

**New EBoard**

On March 17th, Council elected their 2016-2017 Executive Board positions. Congratulations to all elected or appointed.

President: Danielle Anthes
Vice President: Alex Jasukaitis
Secretary: Sabrina Adragna
Treasurer: Courtney VanOphem
Parliamentarian: Alex Cole
Technology Manager: Evan Esper
Historian: Georgia Densmore
Underclassmen Representatives: Kaylee Heid and Hannah Kadets

**Freshman Interviews**

The new and old Executive Boards will be interviewing the current freshman and incoming class of sophomores to be accepted into Student Council.

---

**National Honor Society**

**2015-2016 National Honor Society Executive Council**

- President—John Burke
- Vice President—Avianna Arapovic
- Secretary—Katie Meyers
- Treasurer—Kaitlyn Cody
- Parliamentarian—Hannah Campbell
- Historian—Christina Thomas

---

**General Meetings**

Meetings are usually schedule at 6:40 a.m. and are conducted in the Eisenhower PAC. Dates for the meetings are:

- April 13th
- May 4th
The Athletic Booster Club supports all sports (fall, winter and spring) at Eisenhower High School. The purpose of our club is to raise funds to supplement all sports beyond what the school district can provide. The Booster Club runs the concessions at the varsity, junior varsity and freshman football games and boys and girls basketball games. We also run the 50/50 Raffle at varsity football games and sponsor male and female senior athletes with $500 scholarships. We also throw the best party in Shelby Township, the Annual Spring Auction. Check out our website at www.eisenhowerathletics.com for more details. Then click on ‘Booster Club’ to visit the Booster Club links. Come on out and join the IKE Booster Club and make a difference.

MEMBERSHIP

The membership cost for a family per school calendar year is only $10 ($5 for alumni families). You can go to the Eisenhower Booster Club website at www.eisenhowerathletics.com, go to the forms section and download a membership form.

2015-2016 IKE BOOSTER CLUB BOARD MEMBERS

Ed Gehle—President
Steve Noyes—Vice President

EISENHOWER HIGH SPORTING EVENT EXPECTATIONS

Athletic events and after-school functions are an extension of the school day. All school rules apply and proper behavior is expected. Inappropriate behavior at ANY after-school event will NOT be tolerated.

SENIOR CITIZEN ATHLETIC PASS

Local senior citizens are invited to take advantage of “Friday Night Lights” and all other home athletic games with a Utica Community Schools lifetime pass.

The pass gives residents 62 years and older free admission to UCS home athletic events at all junior high school and high schools. The pass is not valid at tournaments hosted by the Michigan High School Athletic Association that are held at UCS sites. Passes are available for free at athletic events, UCS secondary schools or by calling 586-797-1078.

9TH GRADE / FRESHERMAN SPORTS

9th graders participate in sports through Eisenhower’s sports program. Check the IKE website for further information or contact Eisenhower’s Athletic Director: Kevin Donahue kevin.donahue@uticak12.org

For information about the IKE Booster club, follow this link: http://www.ikeboosterclub.org
Dwight D. Eisenhower Memorial

Dwight D. Eisenhower Memorial in Washington D.C.

There is a movement in Washington to build a Dwight D. Eisenhower Memorial in Washington DC. It is scheduled to open in 2017. A link to the site is http://www.eisenhowermemorial.org/.

Dwight D. Eisenhower Memorial will inspire future generations with the 34th President’s devotion to public service, leadership, integrity, and democracy.

Senior All Night Party

Senior All Night Party

The Senior All Night Party is a parent sponsored event with the goal of keeping all the Seniors safe on the night of Graduation. It is a fun filled event that will create life time memories!

Parent Volunteers Needed

The committee for the 2016 Senior All Night Party is looking for volunteers! We need help on planning committees and donation committees. We are blessed that we have many committee chair positions returning to help again with this year’s party.

Co-Chair Position Available

We are looking for a senior parent to assist at the chair position for the Senior All Night Party. There are many volunteers staying on to assist again this year, but we need a leader! Please come to one of our meetings, to see the great things that this party provides to our graduating seniors.

Meetings are Scheduled as follows—All Meetings are at 7:00 p.m.:

- Tuesday, April 19th
- Wednesday, May 11th

Seniors, don’t miss out on the LAST time that you will see your whole class. Food, inflatable games, Casino, hypnotist shows, caricature artists, psychic readers, prizes, and so much more!

Contact Christine Suhy for registration or ticket questions csuh26@gmail.com or contact Dave TenHopen at (586) 677-5959 or dten@comcast.net for SANP questions.

Office 365 is Free! for Jr. High & Sr. High Students

Utica Community Schools is providing access to Microsoft Office 365 at no cost for all UCS Jr. High and Sr. High School students!

Office 365 is a collection of tools that combines cloud features with Office 2013 and Office 2016. It helps you do your best work, the way you want to, wherever you are. Work from virtually anywhere, on almost any device. That means more powerful tools for creating, better ways to work together, and easier ways to share!

UCS students will receive cloud file storage, Office Online, secure document sharing, real-time cloud collaboration, and FREE copies of Office for any of their devices!

Get schoolwork done across your devices

With Office 365, you can install the latest version of Microsoft Office on multiple PCs, Macs, and tablets so you can work any way you want. When you save files on OneDrive, you can continue working on the same file across all of your devices.

Student copies of office include full versions of Word, Excel, PowerPoint, Outlook, OneNote, Publisher, and Access on up to 5 personal PCs or Macs. Also included are Office apps on other personal devices including Android, iPad®, and Windows tablets. To get your FREE Office 365 access, just complete and return a signed copy of the ‘Student Online Agreement’ form to your school.

To learn more about some of the features of Office 365 visit LearnOffice365.Uticak12.org

OneNote

Create digital notebooks. Update with any device.

Use OneNote to take amazing notes, get homework done faster, and share notes or projects with your friends. Capture ideas in whatever form they come in—type, handwrite, or sketch! Clip links and webpages, insert photos and videos, embed tables, attach files and more!

Check it out at onenote.com/students
UCS Office 365 for Secondary Students

- Get FREE Office and OneDrive cloud storage just for being a student at Eisenhower High School. Get started here. Office.com/GetOffice365

Students Get Office for FREE!

Everyone at Eisenhower High School is united behind a single goal – to prepare our students for success in life. To help do that, we’re providing Office to every one of our students free of charge. This automatically updatable, subscription-based software ensures your child will always have the latest version of Word, Excel, PowerPoint, OneNote, and more. We believe that providing our students with free access will enable them to better prepare for their future.

Students will be able to:

- Install Office on up to 5 personal PCs and Macs, plus 5 tablets
- Use cloud storage OneDrive
- Collaborate in real-time with other students using Office Online
- Gain valuable skills on the popular Office software
- Use the same programs as the staff to ensure full file fidelity

This offer is available to all students at Eisenhower High School. Students can get their complimentary Office by visiting Office.com/GetOffice365 and follow the on-screen instructions. Visit install Office on your PC or Mac with Office 365 (http://aka.ms/Y0o21h) for installation assistance.
There is no cost to sign up—just five minutes of your time.

KROGER COMMUNITY REWARDS PROGRAM
HELP EISENHOWER HIGH SCHOOL EARN $’S EVERY TIME YOU SHOP!

Note: Kroger resets all of the Community Rewards designations on May 1st of each year. ALL participants are required to go online to re-designate their school of choice.

PLEASE FOLLOW THESE INSTRUCTIONS:

1. Register online at www.krogercommunityrewards.com. Have your Kroger Plus Card handy. If your card is already registered online, click on SIGN IN and go directly to Step 6 on the next page.

2. Click on CREATE AN ACCOUNT in the upper right corner of the screen. Once you select your specific Kroger store successfully, the Kroger Plus Card screen appears.

3. After completing the Kroger Plus Card screen successfully, the Sign Up to Receive Special Offers by E-mail screen appears. The selections on this screen are OPTIONAL. Once you click on save and continue the Confirm Your Kroger.com Account Information screen appears.

4. Click on *I HAVE READ AND AGREE TO THE TERMS AND CONDITIONS. The One Last Step to Activate Your Kroger.com Account appears asking you to check your e-mail inbox and follow the instructions to complete the activation process.

5. Go to your e-mail inbox and click on the LINK IN THE BODY OF THE E-MAIL and sign-in with your E-MAIL ADDRESS and PASSWORD to activate your account.

Continued with Step 6 on the next page.
Kroger Rewards, cont’d

Kroger Community Rewards Program
Help Eisenhower High School Earn $’s Every Time You Shop!

6. Click on My Account in the upper right corner of the screen.

7. Scroll to the bottom of the Account Settings and click on Community Rewards then click on Edit Community Rewards Program Information. Once you enter your address information, the Kroger Community Rewards screen will display. Step 1 is to Find Your Organization, enter 90887 and click search. Dwight D. Eisenhower High School information should appear. Select it and click on Save Changes and click on Logout.

8. Go Shop—every time you swipe your Kroger Plus Card, a portion of your purchase will benefit Eisenhower High School. It will state this on the bottom of your receipt.

9. Finally, we would be grateful if you would pass this along to your family and friends!

Thank You
UTICA COMMUNITY SCHOOLS LAUNCHES “UCS MEANS SUCCESS”

DISTRICT TO HIGHLIGHT SUCCESS STORIES OF THE PEOPLE AND TRADITIONS IN ITS COMMUNITY

Utica Community Schools (UCS) has initiated the “UCS means SUCCESS” program to highlight the community’s strong tradition of educational excellence.

The district is encouraging submission of success stories from students, alumni, business owners, senior citizens and members of the greater community to share though videos, social media, local newspapers, school newsletters and the UCS Web site.

“I see firsthand the amazing things happening in our schools every day,” said Dr. Christine Johns, superintendent of Utica Community Schools. “We can all take pride in UCS for its tradition of academic excellence and its integral role in our community. We’re launching the ‘UCS means SUCCESS’ program to celebrate our strong tradition of pride and excellence and share our stories with the community.”

A few examples of UCS success this year include:

✦ UCS students consistently score higher on tests than the state average.
✦ The UCS graduation rate of 90 percent is nearly 14 points higher than the state average.
✦ All four UCS high schools – Eisenhower, Henry Ford II, Stevenson and Utica – are ranked among America’s best high schools by Newsweek magazine.
✦ UCS is a destination district for homebuyers. Realtors advertise a Utica Community Schools location as a strong selling point for homes.
✦ Utica Academy for International Studies was named Michigan’s most academically challenging high school by the Washington Post for the second year in a row.
✦ UCS was named one of the nation’s best communities for music education in 2014.

“The quality of our schools helps protect home and property values and attract new businesses and families to our community,” said Dr. Johns. “Realtors repeatedly speak of the strengths of Utica Community Schools as a reason families move to this area.”

“Our success is a result of a tremendous team effort on the part of students, teachers, parents, support staff, local businesses and the greater community. I look forward to celebrating the impact of UCS through this exciting effort.”

PLEASE VISIT www.UCSmeansSUCCESS.org to hear students, alumni, families, senior citizens, business people, and others share their experiences and thoughts about our schools. Submit your own UCS success story on the web site or by calling Tim McAvoy at (586) 797-1107.

We look forward to hearing from you!
**SUBMITTING A UCS VOLUNTEER FORM**

If you are volunteering for any UCS activity, the UCS Volunteer form must be completed and submitting to Alicia Singer in the front office prior to the event.

**PLEASE RETURN COMPLETED FORM TO YOUR CHILD’S SCHOOL**

As a prospective volunteer of the Utica Community Schools, I understand that it is the school district’s policy to secure Conviction Criminal History information as part of their screening process using the information provided below:

<table>
<thead>
<tr>
<th>LAST (as shown on your license)</th>
<th>FIRST (as shown on your license)</th>
<th>Middle Initial</th>
</tr>
</thead>
</table>

Maiden Name/Namess Previously Used: 

Daytime Phone: Other Phone: 

Birthdate: Race: Gender: 

MICHIGAN Driver’s License No: (State ID not accepted) 

School Name: EISENHOWER HIGH SCHOOL 

Student(s) Name: Student(s) Grade: 

Volunteer For: 

(List teacher, activity, specific fieldtrip and date attending) 

Please submit 2 weeks prior to activity

Please be advised that if you have been convicted of a FELONY, volunteer activity will be prohibited.

Have you ever been convicted of a felony? 

Yes No 

Are there any felony charges currently pending against you? 

Yes No 

If yes, please explain the nature of conviction and date of conviction:

University Center “best of both worlds” for young go-getters

Tammie Willis and Matthew Baffo, shown in photos to the right, are 30-somethings who have accomplished a great deal in a very short time. And both credit Macomb and its University Center with helping them do so.

Willis, earned bachelor and master degrees in social work from Wayne State University just last year and is now working at Wayne State as an Academic Advisor and on her Ph.D. She took all her pre-requisites at Macomb before transferring into Wayne State’s program at the University Center.

“I was working midnights at a factory in Clinton Township, so I would work all night and then leave my job and go right to my classes,” related Willis. “I was pretty tired some days, but the midnights allowed me to have my schedule open during the day. “I went full time and got through in two years.”

Baffo, one of “four under 40” savvy executives to watch according to Macomb Now Magazine, graduated from Walsh College with a Bachelor of Business Administration Degree in 2008 and has been named First State Bank Mortgage Officer of the Year—twice.

“My experience at Macomb’s University Center and Walsh College couldn’t have worked out better,” said Baffo.

Find your inner star in a summer workshop

This summer, you could wish upon a star or you could learn how to become one at a performing arts workshop at the Macomb Center for the Performing Arts on Macomb’s Center Campus.

Workshops are offered in Drama, Show Choir, Flute, Clarinet and Children’s Chorus in July and August. Each one is taught by theater professionals, and music and dance educators, against the backdrop of a professional theater. And you will take home a free T-shirt to remember the experience.

Drama Workshop: Immerse yourself in the creative process, learning about basic acting skills, cooperation, concentration, movement and story development. Then wrap it all up with a performance for family and friends.

July 18 -22 • Grades 1-2: $120, Grades 3-12: $195
Show Choir Workshop: Develop your abilities under the expertise of vocal clinicians and choreographers, who will prepare you for a Broadway-style performance at the end of the week.

July 31 – Aug. 6 • Grades 7-12: $250
Flute Workshop: Discover what the “flute world” is all about in this program emphasizing the importance of technique, proper breathing, practice routines, repertoire and study materials. Then display all that you have learned during a recital at the end of the week.

Aug. 8-12 • Grades 6-12: $180
Clarinet Workshop: Immense yourself in intensive musical training, designed to develop your skills on the clarinet. You will learn clarinet fundamentals through discussion, warm-ups, exercises and workbook activities.

Aug. 8-12 • Grades 6-9: $150
Children’s Chorus Workshop: Expand upon what you have already learned in your school or church choir with additional training and experience. You will receive individual instruction in music theory, technique and sight singing.

Aug. 22-26 • Grades 2-8: $95

Work-study student finds “right environment” at Macomb

Joe Romo-Puerta knows his way around the globe, visiting family in Spain and Mexico and possessing a passport that has been stamped in France and Germany as well. But when he started attending Wayne State University after graduating from Groves Points North High School, he was a bit lost about what he wanted to do.

Michigan Transfer Agreement (MTA) is a deal maker

Macomb’s promise that credits earned in its courses transfer to four-year colleges and universities is backed up by the Michigan Transfer Agreement (MTA). The MTA assures the transfer of 30 credits in general education requirements from any Michigan community college to participating colleges and universities.

All public universities except Michigan State University participate in the MTA, as well as the following private ones:
- Baker College
- Davenport University
- Lawrence Technological University
- Madonna University
- Spring Arbor University
- Walsh College

“Michigan Transfer Agreement (MTA) is a deal maker because it is recognized by all public universities except Michigan State University,” said Romo-Puerta.

University Center “best of both worlds” for young go-getters

“I majored in biology, and thought I might want to get into the medical field,” says Romo-Puerta, “but after an anatomy class, I wasn’t so sure.”

Deciding that he needed to explore his options before committing to a major, Romo-Puerta switched to Macomb.

“Another student at Wayne told me that Macomb’s credits would transfer and there was nothing to worry about,” says Romo-Puerta. “I decided to quit wasting time and money and find out what it was I wanted to do.”

After a few semesters at Macomb, Romo-Puerta is leaning toward a business administration or marketing degree. He is hoping his work-study position in Macomb’s Marketing Department, for which he receives a paycheck, flexible schedule and a realistic view of what the field is like, will help him make the decision. Meanwhile, he has gladly watched his grade point average rise to As and Bs.

“I never used to be a study kind of guy,” relates Romo-Puerta. “But with the great professors here and the work-study position that helps me stay focused, this has put me in the right environment.”
POWERSCHOOL NOTIFICATIONS

POWERSCHOOL E-MAIL SYSTEM
TO KEEP PARENTS INFORMED

The PowerSchool e-mail system allows us to regularly send important school notices directly to you. To register for these updates, please log on to your PowerSchool account and sign up under the “E-Mail Notifications” tab.

Our goal is to have 100 percent of our parents enrolled in this system so that we can keep you better informed and reduce the use of paper in our school. Your help with this effort is greatly appreciated!

1. Log into PowerSchool.
2. Click on the Email Notification tab.
Result: The Email Notifications screen displays.

3. Click on in the box(es) to the left of the information you want to receive.
4. Select how often you want the notification. Daily is not recommended.
5. Click in the box to the right of Send now.
6. Enter the email address you want the notification(s) sent to. Enter up to three e-mail addresses separated by commas.

Note: Please enter your email address even if you do not wish to have notifications sent at this time. Teachers can use this information to contact you, if necessary.

7. Click on Submit.

IMPORTANT:

- The display of assignment due dates and the frequency of posted grades may vary across teachers. All teachers will post grades for progress reports and report cards. Individual teachers may update grades on a more frequent basis.

- If you have a concern regarding your child’s grades we ask you to follow the steps below:
  a. Speak with your child.
  b. Have your child talk to their teacher.
  c. Refer to the teacher’s grading policy.
  d. Contact the teacher via email or phone.
  e. Contact the school administration via email or phone.

- Attendance concerns may be addressed by contacting your child’s Associate Principal.
STUDENT SCHOOL MEALS ACCOUNT – LOW BALANCE ALERT AVAILABLE

EMAIL ALERT OPTION:

Parents can visit the PowerSchool Parent Portal if they wish to opt in to receive an email alert when their child’s meal account balance falls below $10. Easy to follow directions will appear on the PowerSchool screen as shown below. For questions, please contact UCS Food and Nutrition Services at foodservice@uticak12.org or call (586) 797-1180.
POWERSCHOOL MOBILE APP

There is a PowerSchool Mobile app which is available for free. You will need the UCS District Code “NKDJ” to complete the installation process along with your PowerSchool username and password. Parents must create a user friendly username and password from the UCS district issued Access ID and password before installing the PowerSchool Mobile App.

A great feature of the PowerSchool Mobile app is the dashboard. The Dashboard shows current classes, grades, assignments, attendance, and more (lists a variety of other screens, including announcements and settings).

TO INSTALL POWERSCHOOL MOBILE APP, YOU WILL NEED:
1. UCS DISTRICT CODE
2. USERNAME
3. PASSWORD

Tap the > next to teacher's name to see the teacher's email address.

Tap the > next to the email address to email the teacher.

If you tap More, a list of a variety of other screens displays, including:

Announcements screen:
- Swipe to the left to view the next announcement.
- # of announcements indicated by dots at the bottom of the screen.

Settings screen includes FAQs about the app.

Computer and Small Electronic Community Recycling Day

Monday April 25—Fri April 29, 2015
Eisenhower High School
Drop off in Front Office between 7:15am and 3pm

Have an old computer or other electronic that is unused and in your way? The green team at Eisenhower wants you to collect those old electronics and help our school! Our Eisenhower community has an great opportunity to safely and properly dispose of computers and small electronics. Computer Recyclers, a Michigan firm works with many other schools and non-profits. They will collect our product at no charge! They also guarantee that no component will end up in a landfill and ALL information will be destroyed!

Items Accepted for Eisenhower High School Event:

- Desktop PCs and Workstations
- Monitors: LCD Only
- Keyboards, Mice and Scanners
- Ink Cartridges New and Used
- (Please bag leaking cartridges)
- Video and Projection Equipment
- Calculators: Desk and Handheld
- Computer Drives, CD, DVD, Hard, Floppy
- Misc Electronic Small Items
- Batteries, bagged please (Auto OK)

- Notebooks, Laptops, and Tablet PCs
- Printers; Both Ink and Laser
- Laptop Bags
- Phones; Cell, PDAs Business, and Home Audio Equipment (Stereo Receivers, Speakers, Etc)
- Cameras; Both Old Style and Digital
- Home Media, Servers, External Hard Drives,
- Cord/Wire; Computer, Electrical, Cable
- Small Household Appliances; Toasters, Irons, Etc)

***NO TVS! NO CRT MONITORS!***

Electronics contain many hazardous materials that can contaminate groundwater if placed in landfills. They also consist of valuable resources, such as precious metals, copper, and engineered plastics, all of which require considerable energy to process and manufacture. Recycling electronics recovers valuable materials, rather than manufacturing them, conserves natural resources, and results in lower environmental emissions (including greenhouse gases). Do Your Part! All hard drives collected at this event will be destroyed, N.C.T.

For additional information contact:
EISENHOWER HIGH SCHOOL
Email: BRGYDIA.DERIESERKA@UTICAK12.ORG
Phone: (586) 797 1300 ext 1475
Contact Name: Mrs. Deriemaker
EMERGENCY CARDS

Please be sure to keep your student’s emergency card up to date. In the event of an emergency, we need your student’s information to be accurate. It is important that any health issues are listed on the card. Any changes in address or phone number contacts need to be made through the front office staff.

Inclement Weather—School Closing

Inclement weather or building problems sometimes bring unexpected school closings. At Utica Community Schools there are several ways parents can be informed about these unanticipated days.

Utica Community Schools will implement the use of School Messenger, our mass parent communication system, to make telephone calls to parents/guardians informing them of school closing information. It is important that we have updated contact phone numbers. Please make sure that you notify the main office if there are any changes.

For parents connected to the Internet, the district’s web page, www.uticak12.org, lists school closings under the Emergency School Closing button listed on the UCS Home page.

School closing information is broadcasted on radio stations WJR 760 and WWJ 950. Television stations airing school closing information are: UCS TV, Channel 2 (WJBK), Channel 4 (WDIV), and Channel 7 (WXYZ).

RESET Kroger REWARDS NOW

Kroger resets all of the Community Rewards designations on May 1st of each year. ALL participants are required to go online to redesignate their school of choice. See pages 29 and 30 of this newsletter for instructions.

COPY ROOM VOLUNTEERS NEEDED

The Eisenhower Copy Room is looking for a few volunteers.

DUTIES

Duties include:
♦ Completing copy orders for teachers
♦ Laminating
♦ Hole-punching

If interested, please email Ms. Dawn Surma at to ikecopyproom@gmail.com with availability and or questions. Training can be provided if needed. Thank you.

UCS SMOKING POLICY

In accordance with local, state and Federal law, Utica Schools enforces tobacco and smoke-free environment on all district property and in all district facilities twenty-four hours per day and seven days per week.
**NONDISCRIMINATION IN EDUCATION**

In compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Title II of the Americans with Disabilities Act of 1990, the Elliot-Larsen Civil Rights Act and the Persons with Disabilities Civil Rights Act, it is the policy of Utica Community Schools that no person shall, on the basis of race, color, religion, national origin or ancestry, sex, age, disability, height, weight, or marital status be excluded from participation in, be denied the benefits of, or be subjected to discrimination during any instructional opportunities, programs, services, job placement assistance, employment or in policies governing student conduct and attendance. Any person suspecting a discriminatory practice should contact the Executive Director of Human Resources at Utica Community Schools, 11303 Greendale, Sterling Heights, MI 48312 or call (586) 797-1000.

---

**MISSION**

The mission of Eisenhower High School is to foster academic and personal excellence. The staff along with parents and community will prepare students with the knowledge and skills to compete in a technological and global world. The safe and nurturing environment at E.H.S. in conjunction with a rigorous comprehensive curriculum will prepare students for graduation not only to succeed in college and careers but also to become informed, responsible citizens who respect diversity and value life-long learning.

---

**VISION**

Eisenhower High School is committed to providing *Excellence in Education* for all students. The school will design programs and learning experiences that promote academic achievement and the personal and social growth of every student. As a richly diverse community of learners that values all its members, Eisenhower High School will assume a central role in the community by linking parents, local agencies and businesses to the school.
