A MESSAGE FROM THE CAMP LEADERSHIP TEAM…

Dear Unit Leader,

Welcome to the 47th summer of Camp Chief Little Turtle Boy Scout Resident Camp. This summer camp experience for our youth is one of the most important and cherished parts of the scouting program. The purpose of Scout Camp is what happens inside the campers. What they take home with them in their memories, in their new purposes, in their improved or newly acquired skills, in their friendships, and in their appreciations. It is the mission of Camp Chief Little Turtle to serve others by helping to instill values in young people and in other ways to prepare them to make ethical choices over their lifetime in achieving their fullest potential through the outdoor program.

Camp Chief Little Turtle is a full service resident Boy Scout Camp and home to its 1200 acres of unspoiled woodland that serves as the ultimate laboratory for the experience of Scout summer camping. A fully trained and prepared staff is on hand at camp to deliver a wide variety of programs in Aquatics, First Year Camper Program, Ecology Conservation, Field Sports, Handicraft, Outdoor Skills, Shooting Sports, Buckskin program, Top Scout program, and High Adventure programs such as Project Cope, Climbing, and Repelling. Challenging merit badges and activities for the older scouts are supported through multiple program areas throughout the Camp.

Camp Chief Little Turtle is always committed to the facilities at our property and truly believe that you will have the privilege to use our facilities that are second to none such as our Little Turtle Traders, a full service Trading Post offering snacks, refreshments, and general merchandise. A 290 seat air conditioned dining hall that takes care of all your culinary needs, wireless internet for our adults to keep tabs on all their needs in an air condition building and a first-class shower house with indoor plumbing to support your summer experience.

The Staff and I are extremely excited about the program additions and changes being made for this season. The Anthony Wayne Area Council continues to strive for excellence to expand and experiment with different programs based on feedback we seek from adults and youth to keep our scouts coming back year after year. It is my hope that you take advantage of our First Year Campers Program, Merit Badges, including multiple Eagle required badges and programs for all campers young and advanced.

We want you and other adult leaders to have fun too! Thank you for your investment in time by spending your vacation with your scouts at Camp Chief Little Turtle. The Staff and I promise to work as diligently as we can to bring your Scouts the finest summer camp experience possible. Please read this camp guide carefully and feel free to contact me if there are any questions of if you need additional information.

I look forward to seeing you!

Long ago, when Chief Little Turtle was a young man, he discovered white men clearing the land and building log homes along the Pigeon River. Concerned, he spoke with the tribe’s Medicine man who told him to fast and cleanse his body. After several days, the Great Spirit appeared to Little Turtle in the form of a Great Blue Heron.

The Heron told him to craft a bow and four arrows, each with a different color arrowhead. One was to be white, one yellow, one black and one red. From the highest hill, he was to shoot the arrows in the four directions, north, south, east and west. That land would one day return to the state it was during the time of the Indians.

In the 1960’s the Anthony Wayne Area Council Boy Scouts were seeking a new camp. Hearing of a property north of Fort Wayne, the committee went to visit. While walking the east boundary, a stone caught the eye of Bill Hall and Dr. Art Hoffman. Digging it out, they discovered a black arrowhead. Taking this as a good sign, the Board bought the property.

While building the south entrance, Cook Lockheed discovered a yellow arrowhead. And most recently, Ranger Jack Zeiger found a white arrowhead nestled in the roots of a tree while clearing the site at Deer Camp on the north end. The fourth arrowhead is believed to be in Wilderness Camp on the west side.

While the fourth arrowhead has never been found, our quest continues. It has come to symbolize reaching for lofty goals, gaining new knowledge and working together with our friends and fellow Scouts. All of this is done while having fun and testing our Scouting skills.

UNDER NO CIRCUMSTANCE WILL A MEDICAL FORM BE ACCEPTED BY THE CAMP PERSONNEL WITHOUT THE SIGNATURE OF A LICENSED PRACTITIONER (MD, DO, Nurse Practitioner or Physicians Assistant). PLEASE NOTE THE FOLLOWING CHANGES FOR 2013: School sports physicals are no longer accepted.

Please address all questions regarding health forms to the Scout Office: Attention: Council Program Assistant or Camp Director prior to arriving at camp. Medical exams will not be provided at camp.

FIRST-AID: The camp provides a fully trained Health Officer on call 24 hours a day. Arrangements have been made for care at Cameron Memorial Hospital in Angola. All injuries requiring additional treatment will be sent to Cameron Memorial Hospital. According to BSA policy the camp must insure that injuries receive full medical attention in a timely manner. The camp will notify parents if additional treatment is required. All injuries (no matter how small) must be reported to the camp Health Officer. Proper records and treatment must be maintained. All injuries are to be treated by the medical staff.

INCIDENT REPORTS & MEDICAL BILLS: The Boy Scouts of America medical insurance does not automatically cover medical bills. 1) The Troop Leader must complete an Incident Report Form with the camp medical staff. 2) All medical bills must be submitted to the person’s family insurance. 3) Any portion not covered by the family insurance may be submitted to the BSA Insurance by providing all medical bills and insurance statements to the Anthony Wayne Area Council. The Boy Scouts of America medical insurance is a secondary insurance coverage. It is primary coverage for those members without medical insurance. For further information on medical claims please contact the Council Office.

MEDICATION LOCK BOX PROCEDURES

Attention all Scouts and Scouters with medication needs during your stay at Camp Chief Little Turtle. CCLT is implementing a new procedure for the storing and distribution of medications, as well as streamlining the medication distribution process.

♦ Upon arrival at camp all medications will be reviewed by the Health Officer during check-in of unit physicals. Medication not requiring refrigeration or temperature controlled storage will be placed in a Medication Box, a lockable storage container to be kept at the unit’s campsite.
♦ Each unit will have a Designated Unit Leader who will be assigned a key to the Medication Box.
♦ Medication Boxes must be stored in a locked location, such as a unit trailer or leader vehicle.
♦ Each day the Designated Unit Leader will be required to complete the Medication Distribution Log. This log will be reviewed by the Health Officer periodically throughout the week.
♦ Each Scout will need a completed Medication Form, form available prior to camp as well as at camp.
♦ At check-out all medications must be returned to the scout(s) from both the campsite Medication Box and the Health Officer. All Medication Boxes, Medication forms and Medication Distribution Logs must be returned to the Health Officer.

All prescription and over-the-counter medications must be in their ORIGINAL container. Medications not provided in their Original Container WILL NOT be accepted. Scouts on medications must have a completed medication record sheet signed by their parent upon arrival. Form available on the council website www.awac.org. or CCLT website www.awaccamps.org. Those with epi-pens, inhalers, etc. should bring TWO, marked with Scout’s full name. An extra shall be kept in the Medication Box as a precaution. Medications needing refrigeration will be kept in the Health Office.
MEDICATION LOCK BOX PROCEDURES

CCLT is continuing the same procedure, as we have in the last several years, for the storing and distribution of medications, as well as streamlining the medication distribution process.

♦ Upon arrival at camp all medications will be reviewed by the Health Officer during check-in of unit physicals. Medication not requiring refrigeration or temperature control will be placed in a Medication Box (camp provided), a lockable storage container to be kept at the unit’s campsite.

♦ Each unit will have a Designated Leader who will be assigned a key to the Medication Box.

♦ Medication Boxes must be stored in a locked location, such as a unit trailer or leader vehicle.

♦ Each day the Designated Unit Leader will be required to complete the Medical Distribution Log. This log will be reviewed by the Health Officer periodically throughout the week.

♦ Each Scout will need a completed Medication Form with parents signature upon arrival to camp.

♦ At check-out all medications must be returned to the scout(s) form both the campsire Medication Box and the Health Officer.

All medications must be in their ORIGINAL container. Medications not provided in their ORIGINAL CONTAINER WILL NOT BE ACCEPTED. Those with epi-pens, inhalers, etc. should bring TWO, marked with Scout’s FULL NAME. An extra shall be kept in the Medication Box as a precaution. Medications needing refrigeration will be kept in the Health Office.

Electrical needs for medically assisted devices

All Scouts & Scouters needing electricity for medical assisted devices need to notify the Council Office no later than your two-week out meeting. Camp can provide battery charging in the administration office during the day with your provided battery. No electricity is available at the campsites. Please submit the form found in the health form packet.

Dietary Form

All Scouts & Scouters having special dietary needs should complete & submit the Dietary Form included in the Health Form packet. The kitchen staff will take these needs under advisement & contact the person/parent with any necessary questions the kitchen staff may have.
CUB SCOUT PROGRAM

Cub Scout Summer Camp Program Philosophy:

It is the goal of the Cub Scout Summer Camp Staff to give your scouts’ an exciting, fun and educational experience while at Camp Chief Little Turtle. The activities that scouts will work on are meant to be fun with a purpose. While Cub Resident Camp activities will cover a wide variety of Wolf and Bear requirements, it is not our intention for scouts to walk away with completed ranks or activity pins. Focusing merely on advancement, the program would be limited in variety from year to year. We believe that scouts’ come to camp to have a great time and to do things they may not have an opportunity to do elsewhere. Each unit leader will, however, receive at the end of the week a complete list of requirements that were completed while they were at camp. Webelos Resident Camp, however, focuses on Activity Badges and each scout will have the opportunity to earn at least 3 badges while at camp in addition to having fun!

Cub/Webelos camp with their pack in the same campsite. Cub/Webelos will divide into their age-appropriate programs and activities.

Rotation Schedule: All dens within in campsite will travel as a group to each program station. Each campsite will visit all six program centers one time, with exception to the waterfront which they will visit twice, in the two day period. The rotation schedule on the following page is tentative and WILL change based on the number of scouts in campsites. Smaller campsites will be paired together for the swimming session to allow for maximum utilization of the program center. Every effort will be made to keep group size to a maximum of 30 youth.

**CCLT PRE-CAMP SWIM TEST PROCEDURE**

Complete a Unit Swim Classification test. This test must be lead by an adult approved by the Council (unit leader and conducted by a recognized/certified instructor or administrator). Record the results of the Swim Classification test on the form provided. Details on the requirements for the Swim Classification test are found on the following forms. Any Scout not listed on the Unit Swim Classification Test Form will be labeled a non-swimmer until he completes a swim classification test at camp. **CERTIFICATION MUST BE CURRENT.**

Upon arrival in camp we will confirm your unit roster and your unit will be able to proceed to with the remaining orientation. Those that have completed the swim test will not need to complete a swim check at camp.

**SPECIAL NOTE:** When swim tests are conducted away from camp or at the point of activity, the Camp Aquatics Director shall at all times reserve the authority to review or retest all participants to ensure that standards have been maintained.

**Unit Swim Classification Test Information**

The Boy Scouts have developed new guidelines concerning the swim classification testing, which you usually do Sunday afternoon at check-in at summer camp. **You now will be able to complete your units swim classification test prior to coming to camp.** The following steps must be followed to complete the unit swim classification test prior to camp.

1. The swim classification test must be conducted by one of the following individuals: Aquatics Instructor, BSA (BSA Camp School Trained); Aquatic Supervisor, BSA (BSA Camp School Trained); BSA Lifeguard; certified lifeguard; swimming instructor or swim coach. When the unit goes to summer camp, each individual will be issued a buddy tag under the direction of the Camp Aquatics Director.

2. **Attach a copy** of the certificate card of certifying instructor, to the unit swim classification record.

3. Complete the classification test after January 1st, of the summer camp year. (Any illness or injury to a Scout or Scouter between the swim test and camp needs to be addressed at camp).

4. Bring unit swim classification record to camp or have it to turn in at the two-week prior meeting.

**Swim Classification Procedures**

The Swim classification of individuals participating in a Boy Scout of America activity is a key element in both Safe Swim Defense and Safety Afloat. The swim classification tests should be renewed annually and no more than 6 months prior to summer camp. Traditionally, the swim classification test has only been conducted at a long-term summer camp.

All persons participating in BSA aquatics are classified according to swimming ability. The classification tests and test procedures have been developed and structured to demonstrate a skill level consistent with the circumstances in which the individual will be in the water. The Swimmer’s Test demonstrates the minimum level of swimming ability for recreational and instructional activity in a confined body of water with a maximum 12-foot depth and with shallow water footing or a pool or pier edge always within 25 feet of the swimmer.

The various components of each test evaluate the several skills essential to the minimum level of swimming ability. Each step of the test is important and should be followed as listed below:
Unit Swim Classification Test Record

Unit number___________________ Date of swim test___________________

**SWIMMER’S TEST:** Jump feet first into water over the head in depth, level off, and begin swimming. Swim 75 yards in a strong manner using one or more of the following strokes: side stroke, breast stroke, trudgen, or crawl; then swim 25 yards using an easy resting back stroke. The 100 yards must be swum continuously and include at least one sharp turn. After completing the swim, rest by floating.

**BEGINNER’S TEST:** Jump feet first into water over the head in depth, level off, swim 25 feet on the surface, stop, turn sharply, resume swimming as before, and return to starting place.

**SPECIAL NOTE:** When swim tests conducted away from camp or at the point of activity, the Camp Aquatics Director shall at all times reserve the authority to review or retest all participants to assure that standards have been maintained.

WORKERSHIP PROGRAM and APPLICATION

Since its founding, a primary aim of Scouting has been to teach self-reliance and promote a strong work ethic. Just as important, perhaps, is the goal that no Cub Scout, Boy Scout, Venture Scout, Sea Scout, Varsity Scout or Explorer Scout be prevented from participating in a Scouting activity because of lack of funds. The Workership program helps us achieve these objectives.

Each year partial Scout camp fees are awarded to those Scouts who wish to go to camp but are unable to pay. This money is given in return for some form of service to the school, church, synagogue or the scout’s chartered institution.

To participate the Scout must:

1. Identify a “good turn” work project. This should be a project of the scout’s own choosing.
2. Unit Service projects, such as Scouting for Food, do not qualify, nor do service projects completed as part of a Scout’s advancement program count for Workership Projects. Projects should involve a significant number of hours and effort on the scout’s part, appropriate for his age.
3. Secure his Scout Leader’s approval that the project is worthwhile.
4. With his unit leader, fill out the Workership application and submit to Council Camping Director, Anthony Wayne Area Council, 8315 W. Jefferson Blvd., Fort Wayne, In 46804. You may also email to Chuck.Walker@Scouting.org or fax to 260-436-1824. Please keep a copy for your records.
5. Submit the application no later than April 5, 2014.
6. Approval of the project by his leader must be received before any work is begun.
7. Complete the project as agreed to the satisfaction of the unit leader.
8. The unit leader is responsible to see that the project is completed and will verify project completion at camp.
9. Workerships can be awarded for up to 50% of early bird camp fee. Workerships are awarded strictly on the “honor system”. No proof of income is required, although the program is designed to help a low-income youth who could not otherwise afford to go to camp.
10. Properly approved and completed Workership projects will result in credit applied in the Scout’s name toward the camp for which he completed the Workership.
11. Those who wish to contribute to the Workership Fund may do so by sending their contribution to:

   Council Camping Director, Anthony Wayne Area Council, 8315 W. Jefferson Blvd., Fort Wayne, In 46804. Please indicate that you would like your contribution to go to the Council Workership Fund.

As a Village Coordinator, you are an intricate part of the Cub/Webelos Scout Resident Camp. You are responsible for assisting your Village (campsite) in making their camping experience an enjoyable and memorable time.

A few of your duties are helping to check your Village into camp on arrival day, assigning sleeping tents, and helping your campers through the rest of the camp orientation. You are responsible for campsite and after-hours activities for your Village, maintaining a safe and healthy campsite for the campers under your care, and for coordinating all of the other Pack leadership that may be sharing the campsite with your unit. You are the communication link between the Camp Program Director and the Camp Staff. Those Scouters chosen to be Village Coordinators will attend camp for free (please note: your son must fully pay for camp). Coordinators will also receive a Camp Staff T-shirt.

In addition to the above duties as Village Coordinator you will be expected to attend the Village Coordinator Training at 10 am on the day your unit arrives at camp. Lunch will be provided to Village Coordinators following the training. Village Coordinators who do not attend this training will lose all privileges as discussed above. You will also be expected to be ready to assist campers in your Village as they arrive beginning at 1 pm.

Completing this application does not guarantee placement as a Village Coordinator. Applicants will be selected based on previous experience, qualifications and need. Early applications will also be considered over later ones. Those that are chosen will be notified by email prior to May 1, 2014.

If you understand and agree to the above duties and responsibilities, sign and date this form below.
