MEMORANDUM FOR ALL BUREAU INMATES

FROM: Charles E. Samuels, Jr., Director

SUBJECT: Expectations

As Director of the Federal Bureau of Prisons, it is my responsibility to ensure the safety, security and good order of all 117 prisons, 38,000 staff, and 217,000 inmates. It is also my responsibility to provide you opportunities for self-improvement. In this message, I will explain some of the ways I intend to carry out my duties and also explain my expectations for how you carry out your responsibilities. Over the past few weeks, I have reminded all staff of the BOP’s core values: respect, integrity and correctional excellence. This means that everyone is to be treated with dignity and respect: staff, inmates, visitors, and members of the public. You are expected to demonstrate respect as well, to staff, to your fellow inmates and to the rules in place at the prison. You may want to reread the inmate rights and responsibilities information to be sure you are familiar with the expectations we have for you. Inmates who disrespect the rules by engaging in prohibited activities (especially the most serious prohibited acts including possession of intoxicants, weapons, or other contraband) pose a serious threat to the safety and security of the institution and will be subjected to disciplinary action. Participation in any type of gang activity will not be tolerated. In an attempt to ensure the environment is safe for all, inmates who participate in behavior which disrupts the orderly running of the institution may be considered for institutions with greater controls, such as higher security facilities or special management units. You are expected to behave responsibly and to live peacefully with other inmates, regardless of their background or culture.

Nearly all of you will release from prison one day and return to the community. We want you to be prepared to be a productive, law-abiding member of society. Accordingly, we will help you make the best possible use of your time in prison to learn skills, get treatment, build a resume, etc. Regardless of how many days, months, or years you may have time to serve, it is critical that you begin your preparation for reentry today! Ideally, preparation for reentry begins on the first day of incarceration. The Bureau of Prisons has developed tools to identify your needs and programs to address these needs, in the areas of education, work, recreation, health services, psychology, religious services, and more. The career resource centers at every institution can help you in many ways, and the full-time Mentor Coordinators can connect you with mentors while incarcerated who can continue to assist you after release. Staff can and will assist you to get on the path to a successful community reentry, but you must accept responsibility for your own future; you must work hard at the programs recommended for you and make every effort to prepare for release.

The staff of the BOP understand that incarceration can be a difficult experience and that some inmates are overwhelmed by feelings of hopelessness. If you or someone you know is feeling or talking about a sense of hopelessness or suicide, please bring this to the attention of a staff member as soon as possible; the staff are there to help you. Seeking help is a sign of your strength and determination to prevail. Helping yourself or a fellow inmate in a time of crisis is the right thing to do.

MEMORANDUM FOR ALL BUREAU INMATES  
FROM: C.~Samuels, Jr., Director  
SUBJECT: Suicide Prevention  

As Director of the Federal Bureau of Prisons, I am committed to ensuring your safety, the safety of staff and the public. I am also committed to providing you with programs and services that can contribute to your ability to successfully reenter society. In this message, I would like to specifically address your state of mind, an important part of your overall well-being. Incarceration is difficult for many people; many individuals experience a wide range of emotions—sadness, anxiety, fear, loneliness, anger, or shame. At times you may feel hopeless about your future and your thoughts may turn to suicide. If you are unable to think of solutions other than suicide, it is not because solutions do not exist; it is because you are currently unable to see them. Do not lose hope. Solutions can be found, feelings change, unanticipated positive events occur. Look for meaning and purpose in educational and treatment programs, faith, work, family, and friends. Bureau staff are a key resource available to you. Every institution is staffed with psychologists who provide counseling and other supportive mental health services. Anytime you want to speak with a psychologist, let staff know and they will contact Psychology Services to make the necessary arrangements. Psychologists are not the only Bureau staff available to provide you support. Your unit officer, counselor or case manager, work supervisor, teacher, and treatment specialist are available to speak with you and provide assistance, as are the other staff in the institution, including recreation specialists and lieutenants. Help is available. Every day, inmates across the Bureau find the strength and support to move ahead in a positive direction, despite their challenging circumstances. You may be reading this message while in a Special Housing Unit or Special Management Unit cell, thinking your life is moving in the wrong direction. But wherever you are, whatever your circumstances, my commitment to you is the same. I want you to succeed. I want your life to go forward in a positive direction—a direction personally fulfilling to you, but also a direction which ensures the safety of the staff and inmates who interact with you each day. I know your road ahead is not an easy one. Be willing to request help from those around you.

INTRODUCTION

This handbook was developed to provide inmates with information concerning the rules of this facility during their initial orientation to the institution. More detailed information on the policies and regulations may be obtained by referring to Bureau of Prisons (BOP) Program Statements and Institution Supplements, available in the Law Library or by consulting a member of your Unit Team. In the event any information in this handbook conflicts with BOP Program Statements or Institution Supplements, the policies and regulations set out in the BOP Program Statements will prevail.

Admission and Orientation:

You will attend the Institution A&O Program within four weeks upon entering general population. You will hear lectures from each department regarding their specific operations.

Unit Management: The functions of the unit staff are to assist you with program goals formulation, release planning, personal problem solving, and to provide you with a clean, safe place to reside while you are incarcerated. To accomplish this, you must contribute to your own individual and unit progress and make every effort to treat others with respect and concern. Violations of institution rules or regulations will not be tolerated.

The Unit Team is comprised of the Unit Manager, Case Manager, Counselor, and Unit Secretary. They work closely with the Unit Officers, Psychology, Education, and other departments in the institution.

After initial classification, inmates will meet formally with the Unit Team every 180 days until they are within one year of their release date. Inmates with less than one year remaining will meet with the Unit Team every 90 days.

Inmates are required to attend Initial Classification. Failure to attend will result in the issuance of an Incident Report.

Unit staff are accessible for seeing inmates. Inmates are encouraged to ask questions or seek assistance from the assigned unit staff.

Schedule of Unit Services and Activities: (Step 3.8.1)
A Schedule of Unit Activities and Programs is posted on each unit bulletin board throughout the institution to inform you of that particular units unit based activities and programs developed and implement by the Unit Manager.

Provisions for Housing Disabled Inmates: (Step 3.8.1b)
For those inmates that have disabilities, see your unit managers for any housing or other needs you feel are necessary.

Articles for Hygiene: (Step 3.8.1e)
Any inmate who is need of hygiene items, see your unit team within the unit you are staying.
**Inmate Request To Review Central File:** (Step 1.5.4)
An inmate seeking to review his Inmate Central File shall submit a request to his Case Manager via Inmate Request to Staff Member. The inmate’s request will be acknowledged and will be permitted to review the file whenever practicable. All file reviews must be done under constant and direct staff supervision. Those materials which have been determined to be non-disclosable shall be removed from the folder before inmate review. An entry shall be made on the Inmate Activity Record (BP-381) to show the date the inmate reviews the file. The staff member monitoring the review shall initial the entry and the inmate shall be asked to initial it.

**Unscheduled Program Reviews:** (Step 1.5.4)
Pursuant to CFR 524.14, upon request of either the inmate or staff, a Program Review may be advanced. An inmate must provide a compelling rationale to the Unit Team demonstrating his need for an unscheduled Program Review. The Unit Manager is the approving official.

**Unmonitored Legal Telephone Calls:** (Step 2.3.1)
In the event unmonitored legal correspondence is not practicable, an inmate may request an unmonitored legal telephone call. Unmonitored legal calls will be scheduled in advance through your Unit Manager.

**Postage For Indigent Inmates:** (Step 3.5.1)
An inmate who has neither funds nor sufficient postage, and upon verification of this status by staff, may be provided the postage stamps for mailing a reasonable number of letters at government expense to enable the inmate to maintain community ties. The request for postage will be made to the Unit Manager.

**Inmate Savings Account:** (Step 1.5.6)
If an inmate wishes to establish a savings account, a member of the unit team shall assist the inmate in establishing an account at a local commercial bank. Any interest accrued in the savings account is accrued in the inmate's name and becomes part of the account. Inmates should be advised that once the funds are placed in the savings account, they may only be withdrawn upon release, except in case of an emergency. Passbooks and other documents relating to the savings account shall be retained in the inmate's central file and given to him upon release. Arrangements must be made with the savings facility to mail statements regarding deposits, interest payments, and withdrawals directly to the inmate.

**Access to Diplomatic Representative:** (Step 2.2.2)
Pursuant to Program Statement 5140.34, Transfer of Offenders to or from Foreign Countries, an inmate who is qualified for and desires to return to his or her country of citizenship for service of a sentence imposed in a United States Court shall indicate his or her interest by completing and signing the appropriate form and forwarding it to the Warden at the institution where the inmate is confined.

**Unit Based Programs:** (Step 3.8.2c)
All inmates may sign up for any class via an Inmate Request to Staff form. Any inmate
not following the posted unit rules and regulations will be subject to disciplinary action.

**Consular Visits:** (Step 2.2.2)
When it has been determined that an inmate is a citizen of a foreign country, the Warden must permit the consular representative of that country to visit on matters of legitimate business. The Warden may not withhold this privilege even though the inmate is in disciplinary status. The requirement for the existence of an established relationship prior to confinement does not apply to consular visitors.

During the initial application process, unit staff will suggest the inmate contact the nearest foreign consular office to advise them of his or her desire to be considered for treaty transfer. Foreign officials normally have documents for the inmate to complete and return to the local consulate and can also assist the inmate in providing proof of citizenship. Consular officials may request to visit the inmate at the institution.

**Financial Responsibility Program:**
The Bureau of Prisons strongly encourages you to satisfy your legitimate financial obligations (e.g., committed fines, non-committed fines, court assessments, child support, etc.). As part of the initial classification process, your unit team will provide you with the opportunity to develop a financial plan for satisfying these obligations. During subsequent program reviews, your unit team will consider your willingness and dedication to addressing your legal financial responsibilities. You should make every effort to satisfy your financial obligations by paying the maximum amount. You may either make a single payment or repetitive payments to satisfy your debt. Participation in the Financial Responsibility Program (FRP) is a factor which will be assessed when considering you for various programs, including halfway house placement, lower bunks, and telephone use.

**Furloughs/Bedside Visits/Funeral Trips:** Bedside visits and funeral trips may be considered when an immediate family member is either seriously ill, in critical condition, or has passed away. The Warden will make a decision regarding a bedside visit or funeral trip, dependent upon your custody classification, current events, past record, and adjustment while at the facility. Immediate family is defined as Mother, Father, Sister, Brother, Spouse, Son or Daughter.

**Residential Release Center:** BOP contracts with organizations in the community to provide pre-release services for inmates nearing release. These "half-way houses" have been very successful, so it is anticipated that all inmates who need to participate in a Residential Release Center (RRC) program will be evaluated for placement. The RRC program emphasizes responsibility, steady employment, counseling activities, and a gradual reintegration into the community.

**Town Hall Meetings:** Open Forum Meetings conducted by the Unit Manager are held at least monthly, after the 4:00 PM count. The purpose of these meetings is to advise inmates of new policy statements, program changes, and upcoming events which affect the entire population. It also allows inmates the opportunity to discuss suggestions they
may have concerning their environment. Also, problem areas may be discussed at this time.

It is the inmate’s responsibility to voice his opinion at each meeting in a proper manner. Individual problems will not be discussed in this group forum.

**Administrative Remedy:** The Bureau of Prisons has a formal complaint system referred to as the Administrative Remedy System. Inmates having a complaint which cannot be resolved informally should see their counselor for an **ADMINISTRATIVE REMEDY FORM (BP 9)**. After the complaint has been discussed, and if the complaint cannot be resolved with a Unit staff member, inmates may fill out the form and turn it into their counselor. A department head will investigate the complaint and recommend a proper response to the Warden. The Warden will prepare the final reply and return copies of the form. If an inmate wishes to appeal the Warden's response, he may do so on a BP-10 to the Regional Director. All Discipline Hearing Officers appeals are filed directly on the BP-10 form to the Regional Director. Inmates may appeal further to the Office of General Counsel, Bureau of Prisons, Washington, D.C., via a BP-11, if dissatisfied with the BP-10 response. Unit staff will explain the Administrative Remedy System and answer any questions about these procedures.

**Release Clothing:**
Inmates who desire release clothing to be sent in upon release or transfer to a halfway house, should make a request to their Counselor, no earlier than 30 days prior to their departure date from the institution. This clothing will be issued on the day of departure.

**Grooming and Sanitation:**
Appearance is important in making a positive impression on others, as well as providing you with a feeling of general well-being and personal satisfaction. You are expected to maintain a neat personal appearance at all times. There is no limitation on hair style and length of hair; however, inmates may have long or short hair and not a combination of both. In addition, hair will be clean and neatly groomed at all times. Beards and moustaches are permitted.

You will be held responsible for the condition of your living area. Beds are to be made properly, areas cleaned, trash emptied and lights turned off before work call. Nothing is to be taped or nailed to walls or furnishings.

**Counts:** The BOP and FCC Coleman-Medium are responsible for the accountability of all inmates. Official counts are timed to avoid interference with inmate activities. All inmates are required to adhere to the following policy concerning counts.

Inmates are to be in their own room during all counts. At the 10:00 AM, 4:00 PM, and 10:00 PM counts, inmates are to be in their room standing by their assigned bunk. Inmates will not move about, talk, operate radios or television sets during count. Noise and movement is distracting to those counting. Inmates on an authorized "out-count" (i.e., Food Service, Commissary, Recreation, etc.) will provide their name, register number, and assigned housing unit to the official conducting the count.

**Accountability Checks:** Unofficial institution and unit counts and census counts are held at other times and are subject to the same policy.

**Controlled Movement:** Between the hours of 6:00 AM to 8:30 PM, at other than open compound movement times, the compound will be under controlled movement during each move. All inmates must be present at their destination when movement is announced closed.

Inmates will not be permitted access to the compound between the hours of 8:40 PM and 6:00 AM unless under the direct supervision of a staff member. Once an inmate’s assigned housing unit has been released for mainline he is permitted the option to go to the mainline, laundry, commissary, education or recreation. Housing units doors will remain unlocked during open movements.

**Shakedowns and Contraband:** Contraband is defined as anything: 1) not purchased in the commissary, 2) not issued to an inmate by the institution, 3) not accepted into the institution through Receiving and Discharge, 4) belonging to another individual, 5) being in excess of the authorized amount. BOP and FCC Coleman-Medium policy states that inmates and their property may be searched at any time by a staff member. This procedure is not intended as undue harassment, but is necessary to maintain a safe institutional environment.

A receipt will be given for personal property confiscated during a shakedown. The inmate has seven days from this date to prove ownership of the item(s) in question. Form 40’s and receipts are necessary to prove rightful ownership through the Lieutenant’s Office.

Inmates may not receive any personal property (including radios, watches, etc.) from another inmate for any reason - including the release or transfer of an inmate.

**Identification Cards:** Upon arrival at FCC Coleman-Medium each inmate is given an identification card. This identification card must be in an inmate’s possession at all times when outside of his housing unit. Inmates without identification cards are subject to being issued an Incident Report.

**Call-Outs and Accountability:** Call-out sheets are prepared and distributed daily to all housing units and work details. All inmates are responsible for reviewing these sheets daily and reporting promptly for all scheduled appointments. Work supervisors must be notified prior to departing for an appointment. Inmates are responsible to report to their call-out on the hour prior to their appointment. Incident Reports may be issued to inmates missing scheduled appointments. Inmates found in unauthorized areas are considered out of bounds and are
subject to an incident report.

**Inmate Personal Appearance:** Inmates at FCC Coleman-Medium are issued clothing, including green shirts and pants. Institution clothing must be worn at all times with the following exceptions: 1) after 4:00 PM, 2) all day on weekends and holidays, 3) to, from, and on the recreation yard, 4) in the housing unit. Inmates will be required to wear green institution clothing to the Dining Hall during the lunch meals, (Monday through Friday). Shirts will be tucked in, and no hats will be worn between the hours of 7:00 AM and 4:00 PM. During the breakfast, evening meal, weekends, and holidays, inmates may wear their personally owned clothing, including shorts. However, at no time will inmates be permitted to wear, sleeveless shirts, or hats/caps while in the Dining Hall. All inmates are required to wear shoes and socks and shirts/T-Shirts must be tucked into the trousers and trousers will be pulled up around the waist (NO SAGGING) prior to entering the Dining Hall. Clothing should be worn in a tasteful manner in accordance with FCC Coleman-Medium and BOP Policy. Inmates in possession of altered or damaged clothing are subject to disciplinary action and may be required to reimburse the BOP for all damages to clothing. Alterations of institution clothing are only authorized to be performed in the institution clothing room. Basic toiletry items are issued by the institution, but additional items may be purchased from the Commissary.

**Inmate Job Assignments:** There are inmate work assignments available at FCC Coleman-Medium to meet institutional needs. Many of these jobs also provide excellent on-the-job training opportunities and an opportunity to establish positive work habits. Upon completion of the Admissions and Orientation Program, all inmates are assigned to a mandatory 90 day work detail by the unit team, according to the institution's priority needs at the time. Requests for future job changes will be handled through the Unit Team with assignments made for at least 90 days based on institution need, (consideration will be given to the inmate's programming assessment and past work experience). An inmate may request to change jobs by submitting an Inmate Request to Staff Member form. The form will need the signature of the releasing and new supervisor. Submission of this request may not guarantee job change approval.

**Personal Property:** Inmate personal property must be stored in accordance with their housing unit regulations and may not be stored so as to present a fire, safety, or security hazard.

**Smoking Policy:** THERE IS NO SMOKING ALLOWED BY ANY INMATES IN THE FEDERAL BUREAU OF PRISONS.

**Visiting Information: (Step 1.2.3.b)**

Inmates may submit to their Correctional Counselor, a list of immediate family members with whom they wish to visit. Immediate family members are normally approved once verification is made from the inmate=s Presentence Report.

Friends and acquaintances are approved for visitation, within BOP Policy guidelines by the inmate=s Correctional Counselor and the Unit Team. Visitors will be sent a questionnaire which must be completed and returned to the inmate=s Correctional Counselor. Inquires may
be made of local authorities to determine the general character of potential visitors. A copy of the approved visiting list will be furnished to each inmate within ten days of assignment to his permanent housing unit.

Inmate’s should follow proper procedures, to have his attorney placed on their regular visiting list. However, an inmate may request to visit with other attorneys through his unit team. Visits by clergy may be arranged by a Chaplain and approved on a special basis. The Unit Team and/or Chaplain must be given adequate advance notice to make necessary arrangements for either attorney or clergy visits.

Inmates are allowed unlimited immediate family members, visits normally up to (10) friends and associates (not including children under 16) on their approved visiting list. The Warden may make an exception to this provision where warranted. Changes to an inmate’s approved visiting list may be requested during the inmate Program Reviews.

One time special visits may be approved by the Unit Manager on a case by case basis. To request a special visit the inmate must submit an Inmate Request to Staff Member form to his Correctional Counselor at least one week prior to the requested visit. The Request form must include the name and address of the person he wishes to have visit, their relationship, and any other pertinent information.

**Frequency of Visits:** Inmates at FCC Coleman will be allowed seven visits during a calendar month.

The number of inmate visits will be maintained by the Visiting Room Officer, via the computerized Visiting Program. The Visiting Room Officer will record each visit. Legal visits are exempt from the point system. Inmates should not schedule visits until they have an approved visiting list provided by their Correctional Counselor or Unit Team.

**Visiting Hours are as follows:**

- **Mondays/Thursdays/Fridays & Holidays**
  8:00 AM to 3:00 PM

- **Saturdays/Sundays**
  8:00 AM to 3:00 PM

- **Thursdays** (Inmates housed in the Special Housing Unit will be allowed to visit on Thursdays only)
  8:00 AM to 3:00 PM

Visitation will be held in the institution Visiting Room. Every effort will be made to maintain the visiting area as pleasant, sanitary and informal as possible. Inmates and their visitors are expected to conduct themselves in a quiet and orderly manner. Handshaking, kissing, and embracing may take place at the beginning and end of each visit; however, such behavior is prohibited at other times during the visit. Visitors are expected to dress appropriately and may be denied permission to enter the institution if the Operations Lieutenant or Duty Officer determines they are dressed inappropriately. Ultimately, all inmates are responsible for the
conduct of their visitors during the visit.

Inmates are required to wear their green uniforms (shirt must be tucked in,) belt, and boots issued to them by the institution. If an inmate has a soft shoe pass, R&D will issue a pair of shoes to be worn in visitation.

The only items an inmate may bring into the visiting room are (1) comb, (1) handkerchief, (1) wedding band, (1) prescription glasses, (1) religious medallion. No hats, watches or other jewelry will be allowed into the visiting room.

You will not be allowed to enter the Visiting Room without your commissary card. Failure to bring your card to the visiting room will delay your visit.

**Location/Directions:** The Federal Correctional Complex, Coleman, Florida, is located approximately 62 miles northeast of Tampa, Florida. It is located on county road 470, approximately eight miles west of U.S. Highway 27.

The visitor will be present during the time when all items are being searched. The visitor may be required to pass a walk through metal detector. Routine care includes cleaning, permanent fillings and dentures. Dental open house will be conducted the second Wednesday of each month in the Health Services lobby.

Idle or Convalescence
It is occasionally necessary to restrict an inmate's activities for health reasons without hospitalizing the inmate. In such cases, the inmate will be placed on "Idle" or "Convalescent" status.

1. "Idle" - An inmate must remain in his quarters except to go to meals, medication line, religious services, approved visits, medical call-outs, sick-call, clothing exchange, and commissary on the scheduled night. In such cases when the idle slip is marked "bed rest", the inmate is restricted to his bed for medical reasons.

2. "Convalescent" - The inmate does not participate in any work assignment, but he is not restricted to his quarters. He may not participate in activities such as handball, baseball, football, softball, basketball, weight lifting, any organized sport, or other strenuous activity. He may engage in activities such as chess, checkers, and cards. If the inmate is enrolled in a school program, he must attend class unless specifically excused by written statement on the "Convalescent" form.

Medical Restriction - If medically indicated, an inmate will be placed on work/athletic restriction following his initial physical examination or upon discovery of a change in medical status (i.e., disease or injury).

Any medications that are found past the expiration date and/or not in the appropriate containers will be considered contraband. Non-restricted medications with prescribed refills available will be refilled if the refill form is completed and dropped off at the pharmacy refill box. These refill forms should be dropped off at the pharmacy refill box during the morning (6:00 AM) pill line. Refills will be available for pick-up during the 11:30 AM - 12:00 PM pill line ONLY. Refills are only provided Monday through Friday, excluding holidays. You

Visitation during an outside hospitalization is subject to approval by the Health Services Administrator, Captain, and Unit Manager.

Inmate CoPayment Program: The Inmate Copayment Program applies to anyone in an institution under the Bureau’s jurisdiction and anyone who has been charged with or convicted of an offense against the United States, except inmates in inpatient status at a Medical Referral Center (MRC). All inmates in outpatient status at the MRCs and inmates assigned to the General Population at these facilities are subject to copay fees. You must pay a fee of $2.00 for health care services, charged to your Inmate Commissary Account, per health care visit, if you receive health care services in connection with a health care visit that you requested, except for services described in section C., below.

These requested appointments include Sick Call and after-hours requests to see a health care provider. If you ask a non-medical staff member to contact medical staff to request a medical evaluation on your behalf for a health service not listed in section C., below, you will be charged a $2.00 copay fee for that visit.

You must pay a fee of $2.00 for health care services, charged to your Inmate Commissary Account, per health care visit, if you are found responsible through the Disciplinary Hearing Process to have injured an inmate who, as a result of the injury, requires a health care visit.

We will not charge a fee for:

1. Health care services based on health care staff referrals;
2. Health care staff-approved follow-up treatment for a chronic condition;
3. Preventive health care services;
4. Emergency services;
5. Prenatal care;
6. Diagnosis or treatment of chronic infectious diseases;
7. Mental health care; or

If a health care provider orders or approves any of the following, we will also not charge a fee for:

- Blood pressure monitoring;
- Glucose monitoring;
- Insulin injections;
- Chronic care clinics;
- TB testing;
• Vaccinations;
• Wound Care; or

Your health care provider will determine if the type of appointment scheduled is subject to a copay fee. **Indigency:** An **indigent inmate** is an inmate who has not had a trust fund account balance of $6.00 for the past 30 days.

If you are considered indigent, you will not have the copay fee deducted from your Inmate Commissary Account.

If you are NOT indigent, but you do not have sufficient funds to make the copay fee on the date of the appointment, a debt will be established by TRUFACS, and the amount will be deducted as funds are deposited into your Inmate Commissary Account.

You may seek review of issues related to health service fees through the Bureau’s Administrative Remedy Program (see 28 CFR part 542).

Psychology Services: Psychology Services at FCC Coleman-Medium operates much like a community mental health center. In addition to conducting routine initial intake screenings on all inmates admitted to the facility, Psychology Services staff provide crisis intervention services, brief counseling, individual and group therapy, and psycho-educational groups to inmates who are interested in these programs.

Psychology Services conducts all psychological evaluations on inmates, whether they are requested by the Federal Courts or other Bureau of Prisons Staff.
Other services provided to inmates include HIV counseling and segregation reviews. In addition, Psychology Services coordinates the Suicide Prevention Program. This includes selecting, training, and monitoring a cadre of inmates who serve as Suicide Inmate Companions.

**Sexually Abusive Behavior Prevention and Intervention:** An overview for offenders.

**Your Right to be Safe from Sexually Abusive Behavior**
While you are incarcerated, **no one has the right to pressure you to engage in sexual acts.**
You do not have to tolerate sexually abusive behavior or pressure to engage in unwanted sexual behavior regardless of your age, size, race, ethnicity, or sexual orientation.

**Your Role in Preventing Sexually Abusive Behavior**
Here are some things you can do to protect yourself and others against sexually abusive behavior:
# Carry yourself in a confident manner at all times. Do not permit your emotions (fear/anxiety) to be obvious to others.
# Do not accept gifts or favors from others. Most gifts or favors come with strings attached to them.
# Do not accept an offer from another inmate to be your protector.
# Find a staff member with whom you feel comfortable discussing your fears and concerns.
# Be alert! Do not use contraband substances such as drugs or alcohol; these can weaken your ability to stay alert and make good judgments.
# Be direct and firm if others ask you to do something you don’t want to do. Do not give mixed messages to other inmates regarding your wishes for sexual activity.
# Stay in well lit areas of the institution.
# Choose your associates wisely. Look for people who are involved in positive activities like educational programs, psychology groups, or religious services. Get involved in these activities yourself.
# Trust your instincts. If you sense that a situation may be dangerous, it probably is. If you fear for your safety, report your concerns to staff.

**What to do if you are Afraid or Feel Threatened**
If you are afraid or feel you are being threatened or pressured to engage in sexual behaviors, you should discuss your concerns with staff. Because this can be a difficult topic to discuss, some staff, like psychologists, are specially trained to help you deal with problems in this area. If you feel immediately threatened, approach any staff member and ask for assistance. It is part of his/her job to ensure your safety.

**What to do if you are Sexually Assaulted**
If you become a victim of a sexually abusive behavior, **you should report it immediately to staff** who will offer you protection from the assailant and refer you for a medical examination and clinical assessment. You do not have to name the inmate(s) or staff assailant in order to receive assistance, but specific information may make it easier for staff to know how best to respond. You will continue to receive protection from the assailant, whether or not you have
identified him or her (or agree to testify against him/her).

Even though you may want to clean up after the assault it is important to see medical staff BEFORE you shower, wash, drink, eat, change clothing, or use the bathroom. Medical staff will examine you for injuries which may or may not be readily apparent to you. They can also check you for sexually transmitted diseases, pregnancy, if appropriate, and gather any physical evidence of assault. The individuals who sexually abuse or assault inmates can only be disciplined and/or prosecuted if the abuse is reported.

**How to Report an Incident of Sexually Abusive Behavior**

It is important that you **tell a staff member if you have been sexually assaulted**. It is equally important to inform staff if you have witnessed sexually abusive behavior. You can tell your case manager, Chaplain, Psychologist, SIS, the Warden or any other staff member you trust. BOP staff members are instructed to keep reported information confidential and only discuss it with the appropriate officials on a need to know basis concerning the inmate-victim’s welfare and for law enforcement or investigative purposes. There are other means to confidentiality report sexually abusive behavior if you are not comfortable talking with staff.

- **Write directly to the Warden, Regional Director or Director.** You can send the Warden an Inmate Request to Staff Member (Cop-out) or a letter reporting the sexually abusive behavior. You may also send a letter to the Regional Director or Director of the Bureau of Prisons. To ensure confidentiality, use special mail procedures.

- **File an Administrative Remedy.** You can file a Request for Administrative Remedy (BP-9). If you determine your complaint is too sensitive to file with the Warden, you have the opportunity to file your administrative remedy directly with the Regional Director (BP-10). You can get the forms from your counselor or other unit staff.

- **Write the Office of the Inspector General (OIG)** which investigates allegations of staff misconduct. OIG is a component of the Department of Justice and is not a part of the Bureau of Prisons. The address is:

  **Office of the Inspector General**  
  P. O. Box 27606  
  Washington, D.C. 20530

**Understanding the Investigative Process**

Once the sexually abusive behavior is reported, the BOP and/or other appropriate law enforcement agencies will conduct an investigation. The purpose of the investigation is to determine the nature and scope of the abusive behavior. You may be asked to give a statement during the investigation. If criminal charges are brought, you may be asked to testify during the criminal proceedings.

**Counseling Programs for Victims of Sexually Abusive Behavior**

Most people need help to recover from the emotional effects of sexually abusive behavior. If you are the victim of sexually abusive behavior, whether recent or in the past, you may seek counseling and/or advice from a psychologist or chaplain. Crisis counseling, coping skills, suicide prevention, mental health counseling, and spiritual counseling are all available to you.
Management Program for Assailants

Those who sexually abuse/assault others while in the custody of the BOP will be disciplined and prosecuted to the fullest extent of the law. If you are an inmate assailant, you will be referred to Correctional Services for monitoring. You will be referred to Psychology Services for an assessment of risk and treatment and management needs. Treatment compliance or refusal will be documented and decisions regarding your conditions of confinement and release may be effected. If you feel that you need help to keep from engaging in sexually abusive behaviors, psychological services are available.

What is sexually abusive behavior? According to federal law (Prison Rape Elimination Act of 2003) sexually abusive behavior is defined as:

a. Rape: the carnal knowledge, oral sodomy, or sexual assault with an object or sexual fondling of a person FORCIBLY or against that person’s will;

Inmates who are interested in any psychology programs should submit an Inmate Request to Staff Member form. Please note that Psychology Services staff do not typically involve themselves with issues such as phone calls, transfers to other institutions, and lay-ins.
Psychology Services staff also are not able to prescribe medication. Inmates are encouraged to see the Health Services Department about medication issues.

**Inmate Systems Department (ISM):** The Inmate Systems Management Department is responsible for carrying out the duties related to the Records Office, Mail Room, and Receiving and Discharge (R&D.). Their hours of operation are 7:30 AM to 4:00 PM, Monday through Friday.

**Records Office:** An inmate’s sentence is normally computed within 30 days from the date of commitment, by the Designation and Sentencing Computation Center (DSCC). Normally, the sentence computation data record will be prepared and distributed to inmates prior to classification by the Unit Team. The sentence computation data sheet is the official record of your sentence and provides a complete breakdown of your sentencing information.

**Jail Time:** Jail credit is controlled by Title 18 USC 3568 or 18 USC 3585 for CCCA guideline sentences, which states "the Attorney General shall give any such person credit toward service of his sentence for any days spent in custody in connection with the offense or act for which sentence was imposed." Jail time must be certified by all detaining authorities having custody at the particular time.

**Statutory Good Time:** Statutory Good time (SGT) is controlled by Title 18 USC 4161, for offenses committed prior to November 1, 1987. The rate of SGT is determined by the length of sentence imposed.

**Extra Good Time:** Extra Good Time is controlled by Title 18 USC 4162, for offenses committed prior to November 1, 1987. The "projected satisfaction date" at the bottom of the sentence computation is the projected release date, giving credit for all extra good time available to earn. Extra good time is earned at the rate of 3 days per month for the first 12 months, and then at the rate of 5 days per month. All extra good time is prorated as to the number of days you are in earning status.

**Good Conduct Time:** Good Conduct Time is controlled by Title 18 USC 3624(b). Good Conduct Time is applied to those sentenced after November 1, 1987, and affects sentencing under Sentencing Reform Act (SRA), Violent Crime and Law Enforcement Act (VCCLEA) or Prisoner Litigation Reform Act (PLRA). Good Conduct Time is the amount of time they may be credited toward the service of a sentence on a term of imprisonment of more than one year, other than term of life. Good Conduct Time is based on the time in custody that you actually serve. Good Conduct is automatically credited at the time the sentence computation is prepared. The "projected satisfaction date" at the bottom of the sentence computation sheet is the projected release date giving credit for all Good Conduct Time which could be credited based on the time to be actually served on the sentence.

**Violent Crime Control & Law Enforcement Act of 1994 (VCCLEA) Sentences:** Sentences with an offense date between September 13, 1994 and April 25, 1996, shall have GCT awarded
based upon exemplary compliance with institutional disciplinary regulations. If any exemplary conduct is not maintained, no credit or a lesser GCT credit will be applied towards the projected release date. Credit toward the sentence shall not be vested unless the prisoner has earned or is making satisfactory progress toward a high school diploma or an equivalent degree. Credit that has not been earned may not later be granted. Credit will be awarded 15 days after the end of each year of the sentence, with credit for the last year or portion of a year prorated and credited within the last six weeks of the sentence.

**Prison Litigation Reform Act of 1995 (PLRA):** Sentences with an offense date beginning April 26, 1996, shall have GCT awarded based upon exemplary compliance with institutional disciplinary regulations. If an exemplary conduct is not maintained, no credit or a lesser GCT credit will be applied towards the projected release date. Credit towards the sentence shall not be vested unless the prisoner has earned or is making satisfactory progress toward a high school diploma or an equivalent degree. Credit that has not been earned may not later be granted. Credit awarded toward a sentence shall vest on the date the prisoner is released from custody.

**US v.s. GONZALEZ:** Based upon the recent decision of the Supreme Court, sentences pertaining to the application of the firearm penalty provisions under 18:USX9249(c)(1) will be systematically reviewed for accuracy and recomputed when required. Essentially, the change dictates that the firearms charge will be served as the Court orders, rather than serving the mandatory 5 year term prior to any other term. The review will be performed whenever a prisoner is transferred to another institution or upon the request of the inmate to the Records Office.

If you have questions concerning your sentence computation, detainer, writs, mail or personal property, you need to submit an Inmate Request to Staff Member (COP OUT). The Records Office is also responsible for documenting the receipt of detainers and assisting inmates in connection with procedures under the Interstate Agreement on Detainers Act. When a detainer is received, the notice of untried indictment, information, or complaint and the right to request disposition will be prepared. Inmates will be scheduled to come to the Records Office for information and/or instructions on legal rights and proceedings. Procedures under the Interstate Agreement on Detainer Act apply only to untried indictments, information, or complaints. State parole violators or probation violators are not covered under these provisions.

**Mail Room:** The Mail Room processes all incoming/outgoing mail Monday - Friday. Mail is not processed on weekends or Holidays. If a private carrier delivers mail on the weekend or a holiday, it is not processed until the next working day. It will be held for the mail room officer to process.

Mail depositories are located within each housing unit. All outgoing general mail will be unsealed, in the depository. The Special/Legal mail needs to be hand carried to the R&D between the hours of 10:45 A.M. and 12:00 Noon. It is the responsibility of the inmate to advise any attorney of this procedure. If not properly marked and identified as special mail, correspondence will be treated as general correspondence and opened and inspected.

Clearly identified mail from the chambers of a judge and from a member of the United States Congress will not require the special mail marking, but will be processed as "Special Mail" and opened in the presence of the inmate.

Correspondence: With some exceptions, you may write to anyone you choose. You may not write to inmates in State institutions, unless you have received approval from the Wardens of both institutions. Inmates may correspond with inmates in other Federal institutions with the approval of Unit Managers at each institution. A copy of this approval must be on file in the mailroom in order for you to receive your correspondence.

There is no limit as to the number or length of letters that you write or receive, but it is expected that you will protect this privilege by keeping them to a reasonable amount. Inmates will not be permitted to seal outgoing correspondence.

You may send correspondence by first class, priority, fourth class, registered, certified, or insured mail, and may request a return receipt by placing the required postage stamps on same. Postage stamps, in different denominations, can be purchased through the inmate commissary.

Open House Hours: Open house for mail issues will be conducted on Wednesdays and Fridays, 11:00 AM-12:30 PM, in R&D.

Receiving and Discharge (R&D): All commitments and discharges are processed in R&D. Photographs and fingerprints are taken for Bureau of Prisons and FBI use. All intake/discharge papers are completed in R&D. Upon commitment to this institution, a personal ID card will be issued to you. This must be produced when making a purchase from the commissary. A fee of $5.00 will be charged for replacement of a lost ID card, which will be issued when staff time permits. You will also be required to carry this card any time you are outside of your housing unit and to produce it to institution staff upon request.

You may address any concerns regarding R&D during Open House hours on Wednesdays and Fridays, 11:00 AM - 12:30 PM, in R&D.

Food Service: Meals are served cafeteria style at FCC Coleman-Medium. Food is becoming a national and international concern; inmates should do their part to control waste. There is no smoking allowed in Food Service for both safety and sanitation reasons.

There are two serving lines. When an inmate arrives at the dining hall, he is expected to go to the rear of a line and wait his turn. "Jumping in Line" is a discourteous practice and will not be tolerated at this institution.
At no time will any type of food be taken out of Food Service. At no time will an inmate be permitted to eat from behind the line. Food with pork or pork derivatives are of concern to some inmates. These items are identified on the menu board by an "X" and on the menu by an asterisk (*).

Due to the large population and limited time allowed for serving, inmates are encouraged to complete the meal within twenty minutes and leave the dining area, as the tables and seats are needed for others.

Meals are served at the following times:

**Inmate Telephone System:** Upon arrival at FCC Coleman-Medium, each inmate will be provided with a copy of the inmate telephone system inmate guide and a copy of the Telephone Request Form. Inmates may request up to thirty (30) numbers be put into the phone system. Once the inmate completes the request form he must submit to Unit Staff for approval. Once the Unit Staff approves the list, it will be forwarded to the ITS supervisor to input the numbers into the phone system. Inmates will also have collect call access. All inmates will be given a phone access code (PAC). This code will be established for an inmate upon arrival. The access code will be provided to the inmate by the Unit Counselor upon entry of the inmate=s telephone numbers into the ITS system.

If it is determined that negligence on the part of the inmate has compromised his PAC number, the inmate will have to pay a fee of $5.00 to help defray the cost of establishing a new PAC number.
Inmates can purchase phone credits from the commissary sales unit. You will not be able to place a call if you do not have enough money in your phone account. All phone credits will be transferred into your ITS account by 12:00 PM the next working day.

Inmates should make every effort to expend all telephone credits before transfer or release. If an inmate would like a copy of his/her telephone account statement, the cost is $3.00 per 30 day period.

All calls will be limited to (15) fifteen minutes. At the end of fourteen minutes a tone will warn the caller there is only (1) minute remaining on the call. After fifteen minutes, the call will automatically be disconnected.

Shortly after your arrival, a Phone Access Code (PAC) will be issued along with dialing instructions. Your PAC will be issued to you in a confidential manner, and you are responsible for the security of your PAC. You should never share your PAC with another inmate, as you are personally responsible for its use, or misuse. If you feel your PAC has been compromised, you should take action to get your PAC changed through your unit team. The charge for replacement of a PAC is $5.00.

All telephones are subject to monitoring and recording, with the exception of a properly placed and authorized legal call. The telephones provided in the units are designed for direct dialing and has collect calling access. Inmates are responsible for paying the cost of their own telephone calls by purchasing I.T.S. credits through the inmate TRULINCS computer system. All telephone numbers called must be placed on your approved telephone list. Lists will be compiled through the TRULINCS system. You may have up to thirty (30) numbers on your approved list.

Inmates needing to make an unmonitored attorney telephone call will request approval from the Unit Manager by submitting AAn Inmate Request form, which shall include the name, telephone number, date and time of the requested call and indicate why other means of communication are not feasible. An inmate is responsible for expenses of inmate telephone use. Phone calls to an attorney will be made COLLECT ONLY. The inmate should ensure that his/her attorney’s phone system is set up to except collect calls.

Telephones will be available between the hours of 6:00 a.m. and 9:00 p.m. daily, with the exception of times during counts. There will be no forming of lines or congestion in the phone area as consideration should be given to other inmates who are waiting to use the phones. Use of the telephones will not interfere with work schedules, counts or other programs. It is prohibited to use an inmate telephone in any housing unit which is not your assigned living quarters.

Only one inmate telephone in the housing units will be available during work hours. P.S. 5264.07, Telephone Regulations for Inmates, dated January 31, 2002, states in part, Inmates access to telephone will be limited...Monday through Friday, not including holidays. Inmates are expected to be at their work assignments and must not use the telephone during their work
hours. Policy further states, For inmates who work varied shifts...institutions may leave one telephone per unit available for inmates on days off, or evening shift, such as food service workers, UNICOR workers, etc.

Third Party/three-way calls, relaying messages from a third party via a cell phone, conference calls, use of another inmates PAC (Phone Access Code) to place a call, talking on the telephone during a call placed by another inmate, use of an automated forwarding service, and talking in code, are all prohibited by policy. Any of these actions, or any other conduct which interferes with the inmate telephone monitoring system, or the ability of staff to monitor inmate calls, will result in disciplinary action.

Inmates found in possession of an electronic communication device, such as a cellular telephone, phone charger, pager, two-way radio, or any other related equipment, may be charged with a violation of code 108, Possession, Manufacture, or Introduction of a Hazardous Tool, or code 199, most like code 108, and will be subject to available sanctions, if found to have committed the prohibited act.

Inmates may not place calls to telephone numbers for which all the actual expenses for the call cannot be directly and immediately deducted from the inmate's account. Examples include telephone calls to 1-888, 1-900, 1-976, or credit card access numbers.

Safety Department:

Hazard Communication Program

In 1983 the Occupational Safety and Health Administration issued a standard entitled "Hazard Communication" (29 CFR 1910 1200). This regulation states the minimum standards to which an employer must adhere for communicating to employees information about chemical related hazards in the workplace. Hazard Communication is better known as the "Right-to-Know Law". This simply means that an employee has the right to know the potential hazards of any chemicals in the work place.

The Hazard Communication Program for the Bureau of Prisons will apply to all departments using hazardous materials as part of a manufacturing process, maintenance operations, projects and daily operations within a department.

Material Safety Data Sheets:

It shall be the responsibility of each department using an identified hazardous material to obtain and maintain the material safety data sheets in an area which will be readily accessible to staff and inmates when they are in their work areas. The MSDS will be maintained in the safety department and updated as needed. An annual review of the MSDS master file shall be conducted by Safety Staff to ensure that it is current and documentation of the review will be maintained in the MSDS master file.

Uniform Basic Safety Regulation:

Inmate Training. All staff and inmates will be provided a safe work area, proper equipment with which to work, and detailed instruction in the safe way to accomplish work. Each inmate will sign a BP-169 regarding the basic safety rules and regulations. A copy of the signed form will
be placed in the inmates central file.

**Initial Job Orientation Training.**

Each inmate will receive familiarization training upon initial job assignment and monthly training will be given on safety topics relevant to the work by the supervisor. The goal of these sessions is heightened safety awareness. These sessions should cover work being performed, machinery, and tools of the specialty. These sessions are not intended to replace initial or continuous training, but to increase job efficiency through injury reduction. The BP-182 form or local equivalency may be used to document the monthly training. Originals are to be forwarded to the Safety Department monthly.

**Inmate Compensation and Handbook:**

Regulation Governing Inmate Accident Compensation Procedures. These Regulations are published in 28 CFR Section 301-101 through 301.319. Pursuant to the authority granted at 18 U.S.C. 4126, the procedures set forth in this part govern the payment of accident compensation, necessitated as the result of work-related injuries, to Federal prison inmates. Compensation may be awarded via two separate and distinct programs. A physical must be completed 45 days prior to release or 45 days after release to be paid by injured party.

**A.** Inmate Accident Compensation may be awarded to former Federal inmates or their dependents for physical impairment or death resulting from injuries sustained while performing work assignments in the Federal Prison Industries, Inc., in institutional work assignments involving the operation or maintenance of a federal correctional facility, or in approved work assignments for other federal entities.

**B.** Lost-time wages may be awarded to inmates in Federal Prison Industries, Inc., paid institutional work assignments involving the operation or maintenance of a federal correctional facility, or in approved work assignments for other federal entities for work-related injuries resulting in lost time from the work assignments.

**Medical Attention:** Whenever an inmate is injured while in the performance of an assigned duty, regardless of the extent of the injury, the inmate shall immediately report the injury to his official work detail supervisor.

**Investigation and Report of Injury:** The work detail supervisor shall complete an Inmate Injury Report (BP-140), on all injuries reported by the inmate, as well as injuries observed by staff. Staff will then forward the original and remaining copies of the injury report to the institution Safety Manager for review.

**Lost Time Wages:** The institution Safety Manager shall present the BP-140 to the Institution Safety Committee at the Committee's next regularly scheduled meeting. The Safety Committee shall make a determination if the injury is work related.

**Facilities Department:** The Facilities Department mission is the design, construction and maintenance of FCC Coleman. The department consists of approximately forty trades persons, three general foremen, and one Facility Manager. Upon complete activation, the
Facilities Department will employ approximately three hundred inmate workers involved in all areas of construction and maintenance.

Inmate Conduct: All inmates are responsible for their personal conduct. The BOP and FCC Coleman-Medium have established rules and regulations, and each inmate is expected to observe and comply with all rules and regulations. Inmates violating rules or regulations are subject to disciplinary action. Inmates are expected to be courteous and respectful of the rights of others, including staff and other inmates.

Aiding another person to commit any of these offenses, attempting to commit any of these offenses, and making plans to commit any of these offenses, in all categories of severity, shall be considered the same as a commission of the offense itself.

When the prohibited act is interfering with a staff member in the performance of duties (Code 198, 298, 398, or 498), or Conduct Which Disrupts (Code 199, 299, 399, or 499), the DHO or UDC, in its findings, should indicate a specific finding of the severity level of the conduct, and a comparison to an offense (or offenses) in that severity level which the DHO or UDC finds is most comparable. For example, "We find the act of ________ to be of High Security, most comparable to prohibited act 212, Engaging in a Group Demonstration."

**Aiding another person to commit any of these offenses, attempting to commit any of these offenses, and making plans to commit any of these offenses, in all categories of severity, shall be considered the same as a commission of the offense itself.**

When the prohibited act is Interfering with a staff Member in the performance of Duties (Code 198, 298, 398, 498,) or Conduct Which Disrupts (Code 199, 299, 399, 499,) the DHO or UDC, in its findings should indicate a specific finding of the severity level of the conduct and a comparison to an offense (or offenses) in the severity level which the DHO or UDC finds is most comparable. For example, "We find the act of , to be of High Security, most comparable to the prohibited act, Engaging in a Group Demonstration."

**DISCIPLINARY PROCESS:** There are varying degrees or levels of misconduct. Each incident is dealt with on an individual basis. A staff member observing a violation of a rule or regulation may elect to either write an Incident Report or , if a minor violation, resolve the matter informally. An inmate receiving an Incident Report will be summoned to the Lieutenant's Office where he will be given a copy of the Incident Report. The Lieutenant will advise the inmate as follows: "You have the right to remain silent. You are advised of your rights to remain silent at all stages of the disciplinary process, but are informed that your silence may be used to draw an adverse inference against you at any stage of the institutional disciplinary process. You are also informed that your silence alone may not be used to support a finding that you have committed a prohibited act." The Lieutenant will investigate the Incident Report by interviewing the accused inmate and all witnesses to the incident. Following the interview, an
inmate may be released to the general population, placed on Unit Restriction or placed in The Special Housing Unit.

UNIT DISCIPLINARY COMMITTEE: The Unit Disciplinary Committee (UDC) is empowered to impose minor sanctions in response to violations of institution rules and regulations. When an alleged violation warrants consideration for other than minor sanctions, the charge is referred to the Discipline Hearing Officer (DHO) for hearing and disposition. An inmate whose charge is referred to the DHO may be retained in Administrative Detention or other restrictive status but will have no final status imposed by the UDC.

A. If charged with violating an institutional regulation, the inmate shall normally be given a written copy of the charges against him within 24 hours of the alleged infraction or from the time staff becomes aware of the inmate's alleged involvement in the infraction.

B. An inmate charged with a violation is normally entitled to a hearing before the UDC within three working days (excluding weekends and holidays) of the time staff become aware of the inmate's alleged involvement in the infraction.

C. An inmate charged with a violation is entitled to be present at the hearing, except during deliberation or when institution security would be jeopardized.

D. The UDC will afford the charged inmate an opportunity to make a statement and to present documentary evidence in his defense.

E. The charged inmate will be given a written copy of the decision and imposition of disciplinary action.

DISCIPLINARY HEARING OFFICER: The DHO conducts hearings, makes findings, and imposes appropriate sanctions for incidents of inmate misconduct referred by the UDC. The DHO will not hear any case not referred by the UDC. Some general procedures include:

A. An accused inmate will ordinarily be given written advance notice of charges against him a minimum of 24 hours before the appearance before the DHO. This requirement may be waived by the accused inmate.

B. An accused inmate will be provided the services of a full-time staff member of his choosing as his representative for the DHO Hearing. If the staff member selected declines or is not available at the specified time, the accused inmate will be given the option of selecting another staff member to represent him or waive the appearance for a reasonable length of time until the desired staff member is available. The inmate may also elect to continue the hearing without a staff representative.

C. The accused inmate shall be permitted to call witnesses and to present documents on his behalf, providing calling of witnesses or documents disclosed would not jeopardized institution security.

D. The accused inmate shall be permitted to be present during the entire hearing, except
during deliberation or when institution security may be jeopardized. If the accused inmate has escaped from custody, the DHO will conduct a hearing in the inmate's absence at the institution from which the inmate escaped. When the inmate is returned to custody, he will be scheduled for an in-person hearing before the DHO.

The DHO may take the same action as the UDC. In addition, the DHO is empowered to recommend disciplinary transfer, forfeiture of good time, withholding of good time, or placement of the inmate in Disciplinary Segregation. Any time an inmate has a pending parole date, the DHO may advise the US Parole Commission of the institution's recommendation regarding the parole action. When the DHO or UDC determines that an inmate did not commit a prohibited act, the inmate's central file will be expunged of the Incident Report with no subsequent effect.
