EXCLUSIONS:

1. All diseases/injuries which are pre-existing when cover incepts for the first time. For this purpose, the date of inception of the initial mediclaim policy taken from any of the Indian insurance companies shall be taken, provided the renewals have been continuous and without any break. However, this exclusion will be deleted after three consecutive continuous claim free policy years provided there was no hospitalisation for the pre-existing ailment during these three years of insurance.

2. Any disease other than those stated in 3 herein contracted by the insured person during the first 30 days from the commencement date of the policy. This condition shall not, however, apply in case of the insured person having been covered under this scheme or group insurance scheme with any of the Indian insurance companies for a continuous period of preceding 12 months without any break. This shall also not apply if (a) in the opinion of a panel of medical practitioners constituted by the Company, the insured person could not have known of the existence of the disease or any symptoms or complaints thereof at the time of making the proposal for insurance (b) the insured had not taken any consultation, treatment or medication in respect of the hospitalisation for which claim has been lodged under the policy prior to taking the insurance.

3. During the first year of the operation of the policy with any of the public sector insurance companies, the expenses on treatment of diseases such as cataract, benign, prostatic, hyperthrophy, hysterectomy for menorrhia or fibromyoma, hernia, hydrocele, congenital internal disease, fistula in anus, piles, sinusitis and related disorders are not payable. If these diseases (other than congenital internal disease) are pre-existing at the time of proposal they will not be covered even during subsequent period of renewal. If the insured is aware of the existence of congenital internal disease before inception of the policy, the same will be treated as pre-existing, however, subject to exclusion 1.

4. Injury/disease directly or indirectly caused by or arising from or contributed to invasion, act of foreign enemy, war like operations (whether war be declared or not).

5. Circumcision unless necessary for treatment of a disease not excluded hereunder or as may be necessitated due to an accident, vaccination or inoculation or change of life or aesthetic treatment of any description, plastic surgery other than that as may be necessitated due to an accident or as a part of any illness.

6. Cost of spectacles and contact lenses, hearing aids;

7. Dental treatment or surgery of any kind unless requiring hospitalisation;

Convalescence, general debility, run down condition or rest cure, congenital external disease or defects or anomalies, sterility, venereal disease, intentional self injury and use of intoxicating drugs/alcohol.

8. All expenses arising out of any condition directly or indirectly caused to or associated with Human T-Cell Lymphotrophic Virus Type-III(HTLB-III) or LAV or the Mutants Deficiency Syndrome or any syndrome or condition of a similar kind commonly referred to as AIDS.

9. Charges incurred at hospital or nursing home primarily for diagnosis, x-ray or laboratory examinations or other diagnostic studies not consistent with or incidental to the diagnosis and treatment of positive existence of presence of any ailment, sickness or injury for which confinement is required at a hospital/nursing home.

10. Expenses on vitamins and tonics unless forming part of treatment for injury or diseases as certified by the attending physician.

11. Treatment arising from or traceable to pregnancy (including voluntary termination of pregnancy) and child birth(including cesarean section).

12. Injury or disease directly or indirectly caused by or contributed by nuclear weapon/materials.

14. Domiciliary hospitalisation benefits are not covered under the policy.
