Advocacy successes, by country 2005–15

IPPF’s advocacy creates an enabling environment to increase access to services, promote sexual rights and gender equality, and reduce stigma and discrimination. Member Associations make a significant difference to the lives of millions by advocating for changes to laws and policies in support of sexual and reproductive health and rights, and opposing those that are harmful.

From 2005 to 2015, Member Associations and collaborative partners contributed to 816 policy and/or legislative changes in support of sexual and reproductive health and rights in 151 countries.

Advocacy successes, by theme 2015

Member Associations and collaborative partners contributed to 82 policy and/or legislative changes in support of sexual and reproductive health and rights in 48 countries.
