Important dates
Autumn semester Monday 7 March – Saturday 2 July 2016
Spring semester Monday 25 July – Saturday 12 November 2016

ABOUT

Experience-based learning
University of Technology Sydney (UTS) courses are renowned for their experience-based approach. You’ll gain hands-on experience both in the classroom and out in industry. Through UTS, you can access industry-standard facilities, engage with real-life scenarios, and undertake internship opportunities. This ensures you’ll be more attractive to employers.

Industry networks
UTS’s strong industry links will help you develop your skills, gain valuable experience and make contacts to boost your career opportunities. Benefit from industry-run competitions and develop solutions to real business problems. You’ll also learn from teachers who are themselves experts in their field, meaning you access to the most current industry expertise.

We’re rising up in the rankings
2014 saw UTS climb considerably in all three major international rankings; the only Australian university to have done so. We are currently ranked as Australia’s number 1 young university in the Times Higher Education 100 under 50 rankings, 2015. We’re also rated Sydney’s top young university by QS World University Rankings for high performance in research, graduate employability, teaching quality and infrastructure. We also joined a prestigious group of top 250 ranked universities in the world in the Times Higher Education’s Rankings, jumping up more than 100 places. Not bad for a university that’s only 25 years old.

Australia’s newest and most innovative campus
The UTS City campus has undergone a major transformation to achieve its vision of creating a world-class, interconnected campus with an identifiable heart; a place where students want to study, learn and socialise. Three iconic new buildings and several major refurbishments of existing buildings opened in 2015, including a new UTS Business School, designed by world-renowned architect Dr Frank Gehry.

The UTS campus is also Sydney’s only university whose entire campus is located in the heart of Sydney, only 10 minutes by foot from Central Station, Sydney’s primary hub for train and bus interchanges. UTS is also located within the creative industries precinct, home to 70 per cent of Sydney’s creative and digital industries.

ADMISSION REQUIREMENTS
To be eligible for admission to an undergraduate course at UTS you must satisfy at least one of the minimum admission requirements (matriculation) listed in the categories below, and be selected for enrolment in competition with other applicants:

- completed an Australian Year 12 or equivalent with an ATAR of 69.00 (not including bonus points)
- completed a TAFE Tertiary Preparation Certificate, AQF Diploma or Advanced Diploma
- completed one full-time year of tertiary studies.

For detailed admission requirements for all UTS courses, visit www.uts.ac/admreq2016.

Subject prerequisites and assumed knowledge
UTS does not have HSC subject prerequisites for any of its courses. Each faculty identifies assumed knowledge and/or recommended studies, which you are advised to have achieved before you begin the course. Refer to the course descriptions.

Australian secondary studies
You must have an Australian Year 12 with a minimum ATAR of 69.00 (not including bonus points and inpUTS eligibility) or overseas equivalent. This includes studies accumulated over consecutive years with the approval of the appropriate state education board. Read page 377 for information on current school leaver requirements.

Offers made to applicants who have an ATAR below the published cut-off
UTS has a number of alternative pathways for admission, which may allow 2015 Year 12 applicants to receive an offer to a course even though they have an ATAR below the published cut-off. They include:

- Educational Access Scheme (inpUTS)
- special admission on the basis of elite athlete or performer status
- Australian Aboriginal and Torres Strait Islander Special Entry Scheme (Jumbunna)
- Year 12 Bonus Scheme
- UTS Schools Recommendation Scheme.

For details about UTS Special Admissions schemes, read the relevant section on the following pages.

Year 12 Bonus Scheme
For a select number of courses, UTS will award bonus points to applicants undertaking the 2015 NSW HSC based on performance in subjects relevant to their course preferences. For further details about the Year 12 Bonus Scheme, including the selected NSW HSC subjects and maximum number of bonus points awarded, visit www.undergraduate.uts.edu.au/apply.

The Year 12 Bonus Scheme also applies to 2015 interstate Year 12 and International Baccalaureate applicants.

Applicants must achieve a minimum ATAR of 69.00 before Year 12 bonus points apply.

Australian tertiary studies
UTS recognises the following qualifications and studies as satisfying minimum admission requirements for undergraduate studies:

- at least one year of full-time study or equivalent in a degree course at an Australian university or college of advanced education (ie one year of full-time study is the credit value of subjects determined by your institution to satisfy the completion of your degree in the minimum time permitted)
- completed TAFE Associate Diploma, Diploma, Advanced Diploma, Tertiary Preparation Certificate (TPC)
- completed Australian Qualifications Framework (AQF) Diplomas and Advanced Diplomas from private providers.
Applicants with a record of exclusion or failure

If you have a record of failure or exclusion in your previous studies, you must declare those studies in your UAC application.

In addition, you must submit a statement directly to UTS explaining the circumstances relating to the failed results/exclusion and why you believe you can now succeed at university-level studies. Failure to submit a statement may affect your eligibility for admission.

This statement should be submitted in letter format, supported by relevant documents, and list the UTS course codes for which you have applied at the time of submitting the statement.

Send your statement to the Admissions Manager, Student Administration Unit, UTS, PO Box 123, Broadway NSW 2007 or deliver it to the Student Centre, Level 2, Building 10 by no later than Monday 30 November 2015 (for Autumn 2016) or Friday 10 June 2016 (for Spring 2016).

DO NOT include the failure/exclusion statement as part of your UTS personal statement or portfolio submission.

If your exclusion or failure was caused by circumstances beyond your control, you may be able to apply for the Educational Access Scheme (inpUTS) – read information under ‘Educational Access Schemes’ on this page for further details. You will still need to submit a failure/exclusion statement to the Admissions Manager.

Overseas qualifications

If you are an Australian citizen or permanent resident applying with an overseas secondary qualification, refer to tables 7 and 8 in Part 1.

If you have other overseas qualifications, visit www.uac.edu.au/admreq2016 for information on admission requirements. UTS will consider equivalent overseas qualifications for admissions purposes. If you are unsure about the Australian equivalent of your overseas qualification, consider using the UAC Qualifications Assessment Service for assessment of your overseas qualifications before applying.

If you have secondary or tertiary qualifications from countries where English is not the standard language of instruction, you must provide evidence of English proficiency. For requirements, refer to UAC’s website at www.uac.edu.au/undergraduate/admission/elp.shtml. No application for admission will be considered until English language proficiency has been demonstrated.

Alternative entry and pathways

If you do not have any of the formal educational qualifications outlined in the above categories, you may consider the following pathways for entry to UTS.

UTS:INSEARCH

UTS:INSEARCH is the premium pathway provider to The University of Technology Sydney (UTS) and is an important part of the UTS community. The strong educational relationship between UTS:INSEARCH and UTS means that UTS:INSEARCH students benefit from UTS’s academic standards, world-class facilities and reputation for excellence. UTS:INSEARCH offers a broad choice of higher education Diploma programs that can fast-track students into the second year (depending on the UTS:INSEARCH Diploma of a UTS degree. All UTS:INSEARCH students also benefit from the following:

- courses that are designed in collaboration with UTS faculties
- dedicated academic support and supportive learning environment
- small class sizes
- access to UTS’s state-of-the-art facilities
- FEEL-Help for eligible students.

UTS:INSEARCH Diploma programs

UTS:INSEARCH Diplomas are offered as extended 16-month, standard 12-month or accelerated 8-month programs. UTS:INSEARCH Diplomas prepare students for UTS undergraduate degrees and are ideal for students who didn’t quite get theATAR needed for their desired UTS degree. Many Diplomas are guaranteed entry (depending on the course chosen) into the second year of a UTS degree upon successful completion of their Diploma with the required grade point average.

Students can choose from Business, Communication, Design and Architecture, Engineering, Information Technology or Science.

Articulation

Australian students graduating from a UTS:INSEARCH Diploma are guaranteed a place in the corresponding undergraduate degree at UTS if they achieve a pre-specified grade point average in their UTS:INSEARCH Diploma. For enquiries call 1800 896 994 or email courses@insearch.edu.au. For more information, visit www.insearch.edu.au.

Special Tertiary Admissions Test (STAT)

If you are 20 years of age or older on Tuesday 1 March 2016, and do not otherwise qualify for entry to UTS, you may apply for admission on the basis of the STAT. STAT is accepted by all UTS faculties except Law.

For further details on the times and locations of STAT, read section 8 in Part 1.

Tertiary Preparation Certificate/TAFE qualifications

If you have completed a TAFE Tertiary Preparation Certificate (TPC), you will be considered for admission on the basis of your Tertiary Entrance Score. If you have completed a TAFE Advanced Diploma or Diploma, you will be considered for admissions on the basis of your grades achieved in the Advanced Diploma or Diploma. For further information on specific course admission requirements, visit www.uts.edu.au/admreq2016.

Limited ATAR

UTS accepts the NSW Limited ATAR for admission purposes to all courses – refer to section 7.6 in Part 1.

SCHOOLS RECOMMENDATION SCHEMES

The Schools Recommendation Scheme (SRS) is available to support Australian Year 12 students who might otherwise miss an offer at UTS. If you are attending a school that is nominated within the UAC EAS school lists (SO1C or SO1E) or you can demonstrate financial hardship through an EAS application you may be eligible for an offer through the UTS SRS.

The UTS SRS considers your ATAR alongside the feedback of your school, and will make 300 places available to students who meet a minimum ATAR of 69.00, or 80.00 for Law. If successful you will be supported through a range of UTS programs, including financial, personal and academic programs.

For further information about the UTS SRS visit www.srs.uts.edu.au.

To apply visit www.uac.edu.au/srs.

EDUCATIONAL ACCESS SCHEMES

inpUTS

The inpUTS educational access scheme could assist you in gaining access to your preferred course at UTS. If your education has been disrupted for longer than six months you may be eligible for an entry concession of 10 points on any UTS course. inpUTS is open to domestic applicants from both school and non-school pathways and considers a range of circumstances including family, personal and financial circumstances. If you are an attending an EAS-identified school (SO1C or SO1E) you will be considered for inpUTS automatically.

To be eligible you must meet a minimum ATAR of 69.00, or equivalent, and apply to UAC by the designated closing dates. If successful you will be supported through a range of UTS programs including financial, personal and academic.

For further information about inpUTS visit www.10points.uts.edu.au.

To apply visit www.uac.edu.au/eas.

EQUITY SCHOLARSHIPS

UTS offers two types of Equity Scholarships: the UTS Diversity Access Scholarships (DAS) and Commonwealth Indigenous Scholarships, which are open to all eligible applicants applying to or enrolled at UTS.

All UTS Equity Scholarships applications are processed centrally through UAC. Read section 6.6 in Part 1 for further information on Equity Scholarships.

UTS also offers a number of merit and merit-equity scholarships; for details, visit www.uts.edu.au/study/scholarships.

SPECIAL CONSIDERATION

Elite Athletes and Performers

The Special Admissions – Elite Athletes and Performers scheme considers the impact of national/state level competition and performance commitments on recent academic performance and provides approved applicants with 5 bonus points, in addition to their ATAR, for selection. To be considered under the Elite Athletes and Performers Scheme, you must achieve a minimum ATAR of 69.00 (not including bonus points).

How to apply for Special Admissions – Elite Athletes and Performers scheme

All applicants applying under the Special Admissions – Elite Athletes and Performers scheme still need to apply through UAC and satisfy any additional application requirements outlined in the course descriptions.

Application for the Elite Athletes and Performers scheme is made directly to UTS, with further information, including application forms, available at www.uts.edu.au/future-students/undergraduate/essential-information/educational-access-schemes. Applications close Friday 30 October 2015.
ABORIGINAL AND TORRES STRAIT ISLANDER AUSTRALIANS

Jumbunna Indigenous House of Learning provides a pathway to all Australian Aboriginal and Torres Strait Islander applicants seeking entry to courses at UTS through our Direct Entry Program. Applications for the scheme are available from www.uts.edu.au/future-students/indigenous/getting-uts/direct-entry-program and can be submitted at any time.

Applicants are invited to join Jumbunna for a pre-testing event the day before the assessment process commences. The date is yet to be determined.

Testing will take place in July and September during school holidays. Applicants must still apply through UAC before the start of the program. UAC processing charges increase after Wednesday 30 September 2015.

Scholarships for Aboriginal and Torres Strait Islander students

In collaboration with UTS:Insearch a limited number of tuition fee scholarships are available to Indigenous students wishing to undertake study. Entry is based on participation in the Direct Entry Program; applicants who are interested in attending UTS:Insearch as a pathway to UTS do not need to complete a UAC application. For more information about what is offered at UTS:Insearch visit www.utsinsearch.edu.au.

UTS offers Start Up scholarships to all Aboriginal and Torres Strait Islander students completing their first undergraduate degree. In addition, there are a number of undergraduate scholarships available for Indigenous students, which can be found at www.uts.edu.au/future-students/scholarships.

For further information about the Direct Entry Program, relocating and housing and scholarships, visit the ‘Information for Indigenous Australians’ page at www.uts.edu.au/future-students/indigenous. You can join in the conversation with Jumbunna on Facebook at www.facebook.com/UTSJumbunnaIHL or email atsirecruitment@uts.edu.au.

INTERNATIONAL FEE-PAYING APPLICANTS

Some international fee-paying applicants apply through UAC, others apply directly to UTS. Read sections 1.4 and 1.5 in Part 1 for further information on how to apply. For further information, call UTS International on (02) 9514 1531 or visit www.uts.edu.au/international.

BRIDGING COURSES

UTS offers a range of bridging courses for students who do not meet the assumed knowledge requirements for their preferred courses. Most of the courses are offered in late January/early February, between enrolment and the start of semester. Bridging courses in Physics, Chemistry and Mathematics are available to all new students undertaking degree studies. For further information, visit www.uts.edu.au/future-students/science/essential-information/bridging-courses.

ENROLMENT

Acceptance of offer

To accept an offer of enrolment you must accept your offer online and register to enrol at www.start.uts.edu.au at the time you receive your UAC offer.

Advanced standing/Academic credit

If you receive a UTS offer of enrolment and you have completed appropriate subjects in an approved course at a recognised tertiary institution, you may apply for credit for relevant subjects in your chosen UTS course. UTS does not determine credit until an offer of admission is accepted. For further information, visit www.uts.edu.au/current-students/managing-your-course.

Deferment of offer

Refer to Table 6 in Part 1.

Fees and charges

All students must pay a student contribution for a Commonwealth-supported place (CSP) – read section 6.2 in Part 1. In addition, a Student Services and Amenities Fee (SSAF) is payable for each autumn and spring semester.

FINANCIAL ASSISTANCE

Youth and student allowances

For information about the Centrelink benefits available to full-time and part-time students, read section 6.5 in Part 1 of this Guide or visit www.humanservices.gov.au/centrelink.

Loans

UTS offers small interest-free loans to enrolled students through the Student Services Unit. Programs for local students on low incomes provide small grants, assistance with computer access, purchasing textbooks and budgeting advice.

Scholarships

UTS offers over 1,000 scholarships each year. Scholarships are awarded for a variety of reasons including academic achievement, sporting excellence, or as support for students who have experienced disadvantageous circumstance. UTS also awards a range of industry-sponsored scholarships, including the co-operative scholarships available in B Accounting and B Information Technology. Recipients of these scholarships receive $46,500 over the duration of the degree, along with invaluable work experience with UTS industry partners.

UTS Vice-Chancellor’s Scholarships

The UTS Vice-Chancellor’s Scholarships are awarded to students based on academic achievement. The Vice-Chancellor’s Outstanding Achievement Scholarships are awarded to the top five school leavers commencing in any UTS undergraduate degree, and are valued at $12,500 per annum for the duration of the degree. In previous years, recipients have achieved ATARs of 99.50 or higher.

The Vice-Chancellor’s Merit Scholarships are awarded to five high-achieving (ATAR of 90.00 or above) school leavers with demonstrated financial disadvantage. These scholarships are valued at $12,500 per annum for the duration of the degree.

Visit www.uts.edu.au/future-students/scholarships for details on all UTS scholarships and how to apply. Also refer to section 6.6 in Part 1 for information about Equity Scholarships for financially disadvantaged students.

ACCOMMODATION

The University offers five vibrant student residences on or close to our City campus. Residences are fully furnished and self-catering; both multi-share and studio apartments with communal areas and security are available. A Residential Life program supports settling in, learning and personal development. Students looking for private rental accommodation are also assisted. To find out more, visit www.housing.uts.edu.au.

STUDENT AND CAMPUS SERVICES

Careers and appointments

For assistance with employment issues, career development and access to careers resources, including information about where UTS graduates get jobs, visit www.ssu.uts.edu.au/careers or call (02) 9514 1471.

Chaplaincy

Chaplains from a wide range of faiths are available through the multi-faith chaplaincy service. For further information, visit www.ssu.uts.edu.au/chaplaincy.

Childcare

UTS has two childcare centres open to students, staff and the community. All services cater for children aged up to five years. The centres are located on or near the City campus; Magic Pudding Child Care Centre (02) 8289 8400 and Blackfriars Children’s Centre (02) 9514 2959.

Future students are encouraged to place their names on the childcare waiting list at the time they apply through UAC as places are limited, especially for children under two years. Centre staff are happy to discuss your childcare needs by phone at any time.

Counselling

Professional counsellors are available for confidential appointments on campus. UTS also runs a range of seminars to support academic and personal success. For further information, visit www.ssu.uts.edu.au/counselling.

Exchange programs

UTS has Student Exchange Agreements in over 30 countries across Asia, Europe and the Americas. Students can study at a partner university for one semester or a year and receive credit towards their UTS degree. For further information, visit www.ssu.uts.edu.au/globalexchange.

Health services

The UTS Health Service includes a fully accredited medical practice which bulk-bills students who have Medicare cards. For further information, visit www.ssu.uts.edu.au/health.
Learning assistance
Higher Education Language and Presentation Support (HELPs), UTS/HELPs provides English language and academic skills assistance. For further information, visit www.uts.edu.au/helps.

There is a learning assistance centre for Mathematics. For further information, visit www.uts.edu.au/current-students/science/study-resources/math-study-centre.

UTS also has a number of peer learning programs in place in some challenging undergraduate subjects (eg UPASS – Peer Assisted Study Success sessions). Visit www.ssu.uts.edu.au/peerlearning.

Library and computing services
The UTS Library supports student learning and research and helps students to develop their information literacy. For further information, visit www.lib.uts.edu.au.

Orientation
The UTS Orientation Program will support your transition into uni and help you get the best out of your student experience. There will be seminars and workshops over several days, including computer training and academic English. Most importantly, you’ll have many opportunities to meet UTS students and staff, helping you to feel part of UTS. For further information, visit www.orientation.uts.edu.au.

Publications

Student organisations
The UTS Students’ Association is the peak representative body for students and offers an advocacy and advice service. For further information, visit www.sa.uts.edu.au.

Students with disabilities
Future students who have disabilities or ongoing illnesses are encouraged to contact Special Needs staff in the Student Services Unit early in the application process. Information given to Special Needs staff will not be disclosed to anyone else without the applicant's permission. Faculty staff can be called upon if necessary to discuss course assessment arrangements and the requirements of any industrial/clinical placements. For further information, visit www.ssu.uts.edu.au/sneeds.

Applicants whose preparation for university has been affected by disability or illness may be eligible for entry through UTS Educational Access Scheme or Special Admission – see information under ‘Educational Access Schemes’ on page 374 for further details.

ActivateUTS
ActivateUTS provides catering and sporting facilities, and supports a broad range of student clubs and societies. For more information, visit www.activateuts.com.au.

UTS ADDITIONAL SELECTION CRITERIA

Current school leavers
Current school leavers are selected on the basis of theirATAR for most courses, with the exception of the courses listed below. You are a current school leaver if you will complete or have completed a recognised Year 12 or overseas equivalent in 2015. Refer to Table 7 in Part 1 for information on overseas secondary qualifications.

Current school leavers applying for the following courses are required to submit the following additional selection criteria:

- **601010 B Accounting** – Applicants are selected on the basis of theirATAR, a compulsory questionnaire and an interview. UTS will contact shortlisted applicants in October 2015 to organise interviews. To access the questionnaire and for instructions on how to submit it, visit www.uts.ac/bacc-apply. The closing date for submission of the questionnaire is Friday 23 October 2015.

- **603210 B Information Technology** – Applicants are selected on the basis of theirATAR, a compulsory questionnaire and an interview. To access the questionnaire and for instructions on how to submit it, visit www.uts.ac/bacct. The closing date for submission of the questionnaire is Friday 23 October 2015. You must also include the course as a preference on your UAC application by this date.

- **Engineering courses** – Applicants are selected on the basis of theirATAR and consideration of an optional questionnaire. Read the Engineering section on page 384 for full details. To access the questionnaire and for instructions on how to submit it, visit www.uts.ac/engbonus2016. The closing date for submission of the questionnaire is Monday 30 November 2015. You must also include the course as a preference on your UAC application by this date.

Non-current school leavers
Non-current school leavers may complete an optional personal statement form, attend an interview and/or submit a portfolio for some courses. You are a non-current school leaver if you are NOT completing a recognised Year 12 or overseas equivalent in 2015.

Courses that require additional selection criteria will have this information listed in the course description. If optional additional course application requirements are not submitted by the relevant closing dates – your application will not be considered for that course.

Personal statement form
Selection for courses specifying submission of an optional personal statement form will be made on the basis of an assessment of your academic qualifications. The information provided in the personal statement form will be used to allocate up to 10 bonus points for selection. All non-current school leaver applicants applying for courses recommending the submission of an optional personal statement form are strongly advised to submit the additional requested information.

Students with disabilities
Students with disabilities can be called upon if necessary to discuss course assessment arrangements for study in the course. You may upload additional documentation to support your personal statement. This could be references supporting your employment history, or certificates from short or private courses (max. four A4 size attachments). Do not upload copies of formal documents; for example, HSC, Associate Diploma, Diploma, Advanced Diploma, Bachelor degree or a postgraduate course – UTS will have access to these results through your UAC application.

The closing date for submission of personal statements (including supporting documents) is Monday 30 November 2015. It is strongly advised that you do not leave the submission until the last minute in case you encounter problems with your internet connection. You must also include the course as a preference on your UAC application by this date for your personal statement to be considered.

To access the personal statement form and for instructions about how to submit it, visit www.uts.edu.au/future-students/undergraduate/non-current-school-leavers/additional-selection-criteria-uac/personal.

You can upload your personal statement form through UAC’s website after you apply through UAC. For information about uploading your personal statement form, visit www.uts.edu.au/undergraduate/apply/documents.shtml.

Design portfolio
Non-current school leavers applying to UTS Design courses can submit an optional design portfolio. The design portfolio is used for interview shortlisting. To be considered for an interview, applicants must submit a digital portfolio (max 3MB) of 6 × A4 landscape pages including:

- five pages of digital files of scans and/or photographs (compressed jpeg for web viewing) of original design work appropriate to the course
- one-page written submission (150–200 words) that selects and identifies one of the submitted pieces of work, addressing the aims of the work and why it succeeded (text must be supplied in 16 point Helvetica, with 1.5 line spacing)

Architecture portfolio
Non-current school leavers applying to UTS Architecture courses can submit an optional architecture portfolio. The architecture portfolio is used for interview shortlisting, To be considered for an interview, applicants must submit a digital portfolio (max 3MB) of 7 × A4 landscape pages including:

- five pages of digital files of scans and/or photographs (compressed jpeg for web viewing) of original design work appropriate to the course
- one-page written submission (150–200 words) that selects and identifies one of the submitted pieces of work, addressing the aims of the work and why it succeeded (text must be supplied in 16 point Helvetica, with 1.5 line spacing)
- one-page written submission (300 words) that describe your academic background and past work experience which relates to your intended field of study. Text must be supplied in 14 point Helvetica, with 1.5 line spacing)

The closing date for submission of your portfolio is Friday 30 October 2015. It is strongly advised that you do not leave the submission until the last minute in case you encounter problems with your internet connection. You must also include the course as a preference on your UAC application by this date in order for your portfolio to be considered.
Applicants who do not submit a portfolio or are not shortlisted for interview will still be considered for entry based on their academic results.

You can upload your portfolio through UAC’s website after you apply through UAC. For information about uploading your portfolio, visit www.uac.edu.au/undergraduate/apply/documents.shtml.

Non-current school leaver applicants can submit an optional Design portfolio for the Design courses listed on this page*.

* Non-current school leavers must also include the course as a preference on their UAC application no later than Friday 30 October 2015 in order for their optional portfolio to be considered. UAC processing charges increase after Wednesday 30 September 2015. Gamed Development portfolio

Non-current school leavers applying to the UTS Games Development course can upload an optional games professional portfolio which will be used to allocate bonus points for admission. Applicants can optionally provide a web link, documentation or softcopy/ies of their professional portfolio up to a maximum of 3 (three) A4 pages. Items considered include web-based games, animations, relevant examples of games or graphics programming including mobile applications. A maximum of three portfolio items will be evaluated by the selection committee.

Applicants who do not submit a portfolio will still be considered for entry based on their academic results. The due date for submission of your Games Development portfolio is Friday 30 October 2015.

You can upload your portfolio through UAC’s website after you apply through UAC. For information about uploading your portfolio, visit www.uac.edu.au/undergraduate/apply/documents.shtml.

Employment experience

Non-current school leaver applicants for Engineering, Information Technology and Science courses are advised to complete the employment question on their UAC application and provide statements of employment to UAC as up to five bonus points may be awarded on the basis of relevant work experience. Your documented work experience must be at least one full-time year or greater.
