Father Dan will be on vacation until July 22nd and Father Carlos will take his vacation from August 7th through August 22nd. While each is away, the daily Mass schedule will be Monday, Wednesday, and Friday at 7:15 a.m. and Tuesday, Thursday, and Saturday at 9:00 a.m. Mark your calendars or note it in your iPhones.
When you go to Mass while on vacation, be sure to take home the parish bulletin and/or any other types of literature that catch your eye from whatever church you attend at your vacation destination. When you return home, place it one of the “Vacation” boxes located at the front and back entrances of the parish so that we can read what kinds of ministries/activities/events are in other parishes. Also, if there is a great idea from your vacation church that you’d like to share with this parish, kindly email vacation@smlparish.org. Thanks for thinking of SMLCC while you are away!

Can You Serve as a Catechist?

“Help one another. This is what Jesus teaches us.” When Pope Francis spoke these words, he was addressing all of us. One way you can help our parish is to volunteer for our Parish Religious Education Program (PREP). Parents and grandparents, college students and retirees, teachers and those without any formal teaching experience—all are encouraged to help instruct our children in our faith.

Catechists needed for:
Tuesday 4:15–5:30: Grades 3, 4, 6
Wednesday 4:15–5:30: Grades 1, 2, 3, 4, 6

Hall monitors, substitute catechists, classroom assistants, and office help for afternoon and Tuesday evening classes are also needed. Contact the PREP office at (609) 654-2546 Ext. 310. No experience necessary.

Daughters of St. Therese

The Daughters will hold its monthly meeting on Monday, July 18th, at 7:00 p.m. in the church. All are welcome.

Save the Date: Mothers and daughters of the parish, mark your calendars! Our Monday, October 17th meeting will be a special one as part of the 100 days of Discipleship campaign. Look for your invitation soon!

For Our Parents of Young Children

Children home from school for the summer may be extra fidgety during Mass, and the younger ones can also get out of sorts on occasion. The one thing to remember while in church, however, is to RELAX. God put the wiggle in children; don’t feel you have to suppress it in His house.

There are a few ways to help your children appreciate Mass more—by sitting near the front, singing and praying with the congregation, and quietly explaining what is happening. Or, bring some religious children’s books so they can feel they are part of the service in some way.

If you feel you have to leave Mass with your child, take him or her outside for a break, but please come back! As Jesus said, “Let the children come to me.”
The Parish Health Ministry offers the following information to help us better understand the nature of cataracts.

Cataracts are normal, and they form naturally as we age. When dead cells shed from our lenses, they gather in the lenses, forming clouded spots. Since new lens cells form on the outside of the lens, the older cells get compacted in the center of the lens, resulting in a cataract.

Surgery is the only way to remove cataracts to restore normal vision and is one of the most common and successful surgeries in the U.S., with over 95 percent resulting in improved vision. However, like any surgery, severe or threatening complications can occur, especially if you have an eye disease or serious medical condition. While most complications are treated successfully, be sure to discuss your medical history with your eye care professional before deciding to have cataract surgery.

There are three common types of age-related cataracts. We are all susceptible to any type or combination of types as we age.

1. **Nuclear Cataracts** are the most common. The cells that your eyes’ lenses shed over your lifetime can’t be lost into the air. Instead, they gather in the center, or nucleus, of the lens, making it thick and yellow, creating an opaque cloudiness that worsens over time.

2. **Posterior Subcapsular cataracts** form beneath the lens capsule, or small membrane that holds the lens in place. They can develop rapidly and worsen within months. Those taking high doses of steroid medications are at greater risk for this type.

3. **Cortical Cataracts** develop in the lens cortex, or the outside edge of the lens. Water content changes create fissures like spokes of a wheel growing in from the edge of your eye. As it develops, white streaks grow toward the center of the lens and scatter light through to the retina.

Be aware of cataract symptoms that you or an older family member may develop and see an eye health professional at least once a year, and more often if or when symptoms appear.

**You Are Invincible**

I am with you all the time, controlling, blessing, and helping you. No man or woman can stand against My Will for you. A whole world of men and women cannot do this—if you trust me and place your affairs in My Hands.

To the passenger, it may seem as if each wave would overwhelm the ship or turn it from its course. The captain knows by experience that, in spite of wind and wave, he steers a straight course to the haven where he would be.

So trust Me, the Captain of your salvation.

Faith in Our Future Update: Planning Commission Convenes to Develop Preliminary Recommendations for Parishes

The Diocese of Trenton’s Faith in Our Future initiative began its next phase on June 14th when the Diocesan Planning Commission convened at a three-day retreat in Eatontown to develop recommendations on how best to strengthen parishes. Made up of 24 persons, the Planning Commission took the third of eight steps in the process that was announced in December by Bishop David M. O’Connell, C.M. Faith in Our Future aims to develop ways for parishes to work better together at a time when the Diocese is experiencing major shifts in such factors as population, cultural makeup, and available priests.

Faith in Our Future began to take shape in the parishes early this year with parish self-evaluation measures and consultation conducted by Core Teams. After months of assessing the key areas of sacramental life, evangelization, catechesis and Catholic schools, communal life and stewardship and administration, these Core Teams were formed into 25 larger Cohorts with neighboring parishes to consider possible restructuring and areas of collaboration.

The Commission broke into four groups—one for each county—to discuss the Cohort suggestions from that county and prepare a first draft of Recommendations. The Suggestions of the breakout groups were then brought back to the Commission as a whole, where they were presented, discussed and voted upon. This alternating process repeated over the three days of the retreat until all 25 Cohorts were discussed.

Their Preliminary Recommendations were sent back to each Cohort with rationale for why the Commission came to its conclusions the week of June 27. The Cohorts will devote several more weeks to further study and discussion. The Planning Commission will then meet again in October to review the Cohort responses and bring Final Recommendations for Bishop O’Connell to consider. This will lead to the last two steps, consultation and decision-making by the Bishop by December and preparation for implementation in January.

The future of the Church in the Diocese was taken very seriously at the retreat considering some of the challenges that lie ahead. These include the $60 million debt the Diocese holds for parishes and the large number of priests who will be retiring in the next 10 years.

Moments of Mercy: July
From the United States Conference of Catholic Bishops

Each month our Moments of Mercy offer brief reflections on mercy and concrete suggestions of how we can live out the mercy that God offers us all. These are perfect for busy days since they help us to slow down for just a few minutes and think about the gifts God has blessed us with and how we can share them.

What does mercy look like through the eyes of another person? We know how we would like people to act with mercy toward us, but what is mercy to a family member, our coworker, or the person we walk by every day? For each of us, there are particular things that are meaningful to us and speak to our need for mercy. In spite of these differences, we are still able to minister to one another, because the love of God surpasses our differences and draws us all into the one Body of Christ. In order to show others the love of God through acts of mercy and compassion, we need to be attentive to their needs and the way in which God is working in their lives.

1. Volunteer some time this month where you will meet a variety of people, such as a local community center, food bank, or homeless shelter. Though everyone has different needs, all are searching for the love and mercy of God. Reflect on the way your need for God's love is similar to their need for God's love.

2. Spend time talking with a younger or older relative or friend. Sometimes we ignore those whose perspective on life is different or far removed from ours (being much younger or much older than we are). Listen to what is important to them, recognizing God's love acting in their life, and the way in which you can best act with mercy and compassion toward them.
Vacation Bible School—Cave Quest: Following Jesus, the Light of the World

Space is still available for Vacation Bible School (VBS) — Cave Quest: Following Jesus the Light of the World, a program designed by Totally Catholic, providers of Catholic products, books, and programs.

Kids will spend each day spelunking through field-tested activity stations with their Cave Crews (small groups of up to 5 kids and one leader). Every station is designed to reinforce the daily Bible Point in a hands-on, interactive way that keeps everyone engaged. (A spelunker is someone who explores caves.)

Filled with a variety of activities, including kidvid cinema, sing & play rock, an imagination station, sports and games, and deep bible quests, this program allows children to discover the Bible in a creative, enthusiastic forum, one that will make a lasting impression.

VBS runs from August 1st through August 5th, from 9:00 a.m. to 12:30 p.m., at the SML Parish Education Center in St. Mary of the Lakes School located on Route 70. Check-in is 8:30 a.m. Space is available for grades one through five.

Friday Morning Retreat: Contemplative Prayer, Spiritual Exercises

Nine Fridays, 9:15 a.m. to Noon: September 9, October 7, November 4, December 2, January 6, February 3, March 31 and May 5th

Can you give yourself—and God—one morning a month? Is God drawing you to a deeper life of prayer, beyond words, with more stillness and silence? These Friday mornings will satisfy that longing as you open your heart to God’s transforming grace in contemplative prayer. We will complement our prayer with the Spiritual Exercises of St. Ignatius, which are surely a means to peace and interior freedom. We will learn to live in the presence of God, to find God’s action in our life, and to do God’s will as we discover it. We will use Moment by Moment for our prayer and Discernment of Spirits in Troubled Times for our reading between sessions. What a perfect combination! Donation: $225, includes books.

True or False?

If we attend Mass every Sunday for three years, we will have heard almost the entire bible read. (True!)

The Sunday readings are on a three year cycle. Most of the Bible (about 95%) will have been proclaimed during that time. Daily Mass is on a two year cycle. We not only hear scripture in the readings, we also proclaim it in many of our responses. For example, the response “Lord, I am not worthy to receive you but only say the word and I shall be healed” comes from the words of the centurion who asked Jesus to heal his servant.
