Panelift®
Garage Doors

Stylish sectional garage doors that protect what matters to you.

www.bnd.com.au
The name Australia knows and trusts.

Home means different things to different people. A place to relax and unwind, away from the stresses of everyday life. A place to express your sense of style. It is always the place where the things you hold precious belong.

Safe and secure B&D® garage doors help protect the things you hold precious. Our commitment to quality flows through everything we do from custom made solutions to the convenience of automation and nationwide servicing. Whether you are coming or going from home, you can always rely on our superior build quality and commitment to safety to stand the test of time.

Home to the largest range of garage door solutions in Australia, B&D® has a proud history of innovation. We believe our latest collection of garage doors bring together cutting edge technology, beautiful design options and proven reliability that only 60 years of experience can deliver.
Panelift® sets the standard for strong, safe and reliable operation year after year.

SAFETY – INSIDE & OUT
B&D® is committed to your safety, so every Panelift® door features our Pinchfree™ finger safe design on both sides of the door, protecting fingers from being pinched between the hinges.

STRENGTH & DURABILITY
Each panel is made with strong reinforced COLORBOND® steel and tested to withstand the harsh Australian climate.

SMOOTH & QUIET OPERATION
Custom designed guides allow the door to run easily and smoothly during operation so coming and going from your home is a breeze.

TRUSTED RELIABILITY
Our 3 Year Parts & Labour Warranty* is backed by a team of garage door experts Australia wide.

Panelift® Icon™ includes all the key features of Panelift® and more. All new wireless lock technology delivers a new level of protection and security.

ENHANCED SECURITY FOR THE THINGS THAT ARE PRECIOUS TO YOU
Our smart keyless technology allows you to lock your garage door every time you close it using nothing but your regular remote control. The lock more than doubles the force required at the lock point to lift the door from a closed position, helping protect your home and loved ones†.

THE ULTIMATE ‘DO-NOT-DISTURB’ GARAGE DOOR
Icon™ combines our custom designed guides with our Smooth Track™, twin wheel system that provides even smoother and quieter operation.

SUPERIOR PROTECTION FROM THE ELEMENTS
360º perimeter weather seals help prevent dust and insects from entering the garage, whilst long lasting stainless steel cable helps protect against corrosion.

STUNNING STREET APPEAL WITH Luxe Design™
Only Icon™ includes four additional door profiles and the stunning range of Luxe Design™ colours to perfectly reflect your sense of style.

ABSOLUTE PEACE OF MIND
A trusted 5 Year Parts & Labour Warranty* from Australia’s best known garage door brand.

* Conditions apply, full warranty details available at www.bnd.com.au
† Based on a door using an engaged automatic opener.

Windows not available on Knotwood™, Timber Coat™, Luxe Design™ or Dulux powder coat colours.
Whether your home is classic or contemporary, city or country, COLORBOND® steel gives you the ability to create the right colour scheme for your home.

Surround yourself with the vibrant colours of COLORBOND® steel. From traditional terracotta to modern metallics, there’s a colour to suit every style.

**Lux Design™**

A STYLISH RANGE OF CONTEMPORARY & TIMELESS FINISHES EXCLUSIVE TO PANELIFT® Icon™

Create a visually stunning statement, with the shimmering effects cleverly designed to subtly change in appearance as light conditions alter throughout the day. Created by Dulux® to withstand even the harshest Australian conditions.

Additional Dulux colours also available, contact B&D® for more details.

**Knotwood™**

Knotwood™ is a high quality wood grain finish which boasts the natural beauty and warm textured feel of timber.

- Jarrah*
- Red Gum*
- Tasman Oak*
- Australian Cedar*
- Yew*
- Weathered Oak*
- Aspen*
- Sydney Blue Gum*
- Black Walnut*
- Southern Cedar*

**Timber Coat™**

Choose from six great hard-wearing finishes, specially developed to provide the natural look of timber on high quality steel, at an affordable price.

- Maple*
- Cedar*
- Merbau*
- Jarrah*
- Rosewood*
- Teak*

**Visit our online visualiser**

Our interactive B&D Design Centre takes the guesswork out of choosing a garage door to match your home’s external facade. The design centre allows you to upload a photo of your existing home, then select the size, model and colour of your B&D garage door.

It’s a step-by-step customisation process that allows you to visualise your combinations - this is your chance to get creative! Visit www.bnd.com.au to start designing!

*Surcharge applies to these colours.
It is important to partner your B&D® door with a genuine B&D® automatic opener. Designed to exacting standards in Australia and made to work in unison with your door year after year.

**ENTRY KEYPAD**

Allows you to enter the garage without a transmitter. Great for children. No need to give them a key or transmitter as they can enter the house with their PIN number.

**Insul-Shield™**

Insul-Shield™ offers excellent heat and noise insulation technology and is a smart choice if you live in a busy area or use your garage for more than parking your vehicle.

**Storm-Shield™**

Our Storm-Shield™ wind rated sectional door provides added strength, security and protection via self locking guides that engage during a high wind event. A popular choice for security conscious homeowners and those living in high wind regions.

**RECHARGEABLE BATTERY BACK UP**

If power supply to the opener is broken, the door will still be operational with the rechargeable battery back up.

**WIRELESS SAFETY BEAMS**

If you have young children or pets, safety beams provide added safety and security. If the beam is broken while the door is closing it will automatically stop and reverse. B&D® always recommend the use of safety infra-red beams on all automatic garage doors.

**smart phone control kit.**

Have you ever wondered if you have left the garage door open after leaving the house? Problem solved: Our smart phone control kit takes garage door control to the next level by allowing you to monitor and control your garage door while you’re at home or away from home!*

Available as an optional extra on all B&D Controll-A-Door® openers.

* Subject to cellular and WiFi connection and availability. ** Kit includes Smart Hub and accessories. Phone not included.
