12.2 hand cute Buckskin Roan. Well BROKE!! Our grandson has rode and shown him for 2 years. He has been hauled on camping trips and horse shows. Qualified and ran barrels and pony poles at the WSCA Championship show last year. Just look him to Sheyenne Oaks, ND in July for 3 days. He climbs hills with the Big Horses! His rider is getting too big for him.
Batman is a very athletic fancy colored gelding that has proven himself at the sale barn and ranch. I have been using him for the last 9 months in the center alley, sorting as well as shipping on him. He has been used in very rough country gathering on the last month. I have been hauling him to lots of PRCA rodeos sorting on and shagging bulls. There is nothing he won’t do. He saddles well and is easy to shoe, stands 15.1 hands and is 100% sound.

406-425-0167

Dollar is a big flashy strapping 4yr old gelding standing 15.1 hands. Dollar has the pedigree to be a great performance horse. He lopes around soft and easy and has a lot of feel. Dollar has 4 white wheels and a stripe in the face sound.

Triple Registered, recently started under saddle. Performance bred colt with lots of color and good work ethic. Well mannered & should mature to make a nice all around horse for dad to use during the week and the kids and family to show on weekends.
