(ALL DATES ARE GREGORIAN)
This is an example of date calculations if Israel fleeing into wilderness were to align with the 2017 sign, a day is shortened by 1/3 at Trumpet 4, and the Millennium in 2021.
An Explanation of the Computation of the Dates in the 70th Week of Daniel

Assuming the abomination of desolation will align with the sign of the woman clothed with the sun on 9/23/17, then we would subtract 1230 days from 9/23/17 and arrive at a date for the beginning of the 70th Week on 5/13/14.

At this same time as the abomination of desolation or just a few days prior, the two witnesses will begin their ministry that will end 1260 days later just before the bowl judgments begin on 3/6/21.

30 days after the abomination of desolation the antichrist will take over the world and his 3.5 year/1260 day reign will begin on 10/23/17.

The reign of the antichrist will end 1260 days later or 1290 days after the abomination of desolation at Armageddon on 4/5/21.

The Millennium will begin 1335 days after the abomination of desolation on 5/20/21.

If the days are shortened by 1/3 at Trumpet 4 on 7/30/20, then on 4/5/21 the earth will be in its normal position for 1/12/21, and on 5/20/21 the earth will be in its normal position for 2/11/21.

The only theory that agrees with all of the end-times scriptural principles is the Prewrath theory.
