GENERAL INFORMATION

Each applicant for licensure to practice dentistry in the state of New Hampshire must complete all of the information on the attached “Dentist Application for Licensure” form. The Board must have each licensee’s social security number on the “Dentist Application for Licensure” form to ensure accurate identification of the applicant’s identity. Pursuant to Federal Law 42 U.S.C.A §666(a)(13) and New Hampshire state law RSA 161-B:11, VI-a the Board may also:

1. Provide the licensee’s social security number to the Department of Health and Human Services in conjunction with proceedings or actions to establish paternity or to establish or enforce child support.

2. Provide the licensee’s social security number to National Practitioner Data Bank (NPDB) in the event of final adverse action against the licensee and to inquire of NPDB of any final adverse actions against the licensee in other jurisdictions.

Under current law an applicant’s or licensee’s social security number is confidential and not subject to the right to know law.

LICENSURE BY EXAMINATION

Any person who has successfully completed the Northeast Regional Board, or similar clinical examination acceptable to the Board of Dental Examiners with the written part of the NERB, within the 3 year period prior to completing the licensure process for a New Hampshire license, shall be considered for licensure by examination.

Any person holding a current, unsuspended, unrestricted license to practice dentistry in one or more states, and who has maintained an active dental practice for the 3 year period prior to completing the licensure process for a New Hampshire license, and has a history of satisfying the above license by examination requirement, shall be considered for licensure by endorsement. Dental specialty training and active military dental service are considered active dental practice.
