Midland College Associate Degree Nursing

(432) 685-4600

The provisions and information set forth in this brochure are intended for informational purposes only and are subject to modification without notice. For additional information see the college catalog, schedule of courses offered, and/or the Midland College website.

Midland College is an equal opportunity employer/educator.

Midland College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award certificates and associate and baccalaureate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4501 for questions about the status of Midland College.
Midland College offers a two-year nursing program leading to the degree of Associate of Applied Science. A transition option for licensed vocational nurses is also available. This program combines general education courses with specialized instruction to prepare students for a rewarding career as a registered nurse. Nursing courses combine classroom instruction and laboratory experiences on campus and clinical experiences in hospitals and health care agencies. Satisfactory completion of the program prepares the graduate to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN) for licensure as a registered nurse. The nursing program is accredited by the National League for Nursing Accreditation Commission, 3343 Peach Tree Road NE, Suite 500, Atlanta, GA 30326, (404) 975-5000.

**Texas Board of Nursing**

Applicants seeking licensure as a registered nurse in the State of Texas are required to answer questions regarding the following when making application for licensure:

1) Criminal conviction other than minor traffic violations
2) Grand jury or governmental agency investigations
3) Cancellation, suspension or revocation of a professional licensure or multi-state privilege
4) History of mental illness
5) History of addiction or treatment for alcohol or drug abuse

**Admission Requirements**

The Midland College Associate Degree Nursing Program has a limited enrollment based on specific admission criteria. Students are selected for admission into the program based on accumulated admission points.

**Two-year program requirements effective Fall 2010:**
