INTRODUCTION

Section 100 - This Policy Manual establishes policies and procedures for the Division of Early Childhood Care and Development in the administration of the Child Care Payment Program (CCPP).

Section 101 - The Division of Early Childhood Care and Development (DECCD) establishes policy in compliance with the Child Care and Development Block Grant Act, as amended, the Child Care and Development Fund (CCDF) regulations, and the CCDF State Plan.

Section 102 - Parental choice in the selection of a child care provider is the cornerstone of the Child Care and Development Fund. Services to eligible parents are to be provided as quickly and efficiently as possible, subject to the availability of funds. DECCD should make available to all child care providers and parents all policies herein specifying duties, requirements, and responsibilities required of them. DECCD must also make available training on the policy herein, for all licensed and unlicensed child care providers serving certificate children, no less than annually. The person designated to attend may be the Director, Owner, or an authorized representative. Participation in training is required for all providers.
SECTION 100: CHILD CARE SERVICES

100.01 PURPOSE OF FUNDING SOURCE

(1) This manual sets forth policies and procedures for the Mississippi Child Care Payment Program (CCPP), funded by the Child Care and Development Fund (CCDF) and administered by the Mississippi Department of Human Services (MDHS), Division of Early Childhood Care and Development (DECCD).

(2) The purpose of the Child Care and Development Fund, according to federal regulations, is to "increase the availability, affordability, and quality of child care services." The goal of DECCD through the CCPP is to offer a seamless system of high quality child care which supports both children and their families, and operates within federal guidelines.

(3) CCDF funds will be used to provide child care services for Temporary Assistance for Needy Families (TANF), Transitional Child Care (TCC) Families, and eligible families at risk of going on TANF with very low-income and low-income. Very low-income families are those whose income is at or below 50 percent of the State Median Income (SMI). Low-income families whose income falls above 50 percent and at or below 85 percent of the SMI.

100.02 LEGAL AUTHORITY

(1) Title VI -Child Care and Development Fund (CCDF)

100.03 RESPONSIBILITIES AND THE RIGHT TO PARENTAL CHOICE

(1) Parents are legally and morally responsible for their children and have the right to select the child care provider of their choice.

(2) Child care providers are responsible for providing a safe and secure, high quality educational, nurturing environment for children in their care.

(3) DECCD must assist parent(s) in assessing their child care needs and, upon request, provide a list of licensed facilities for parent(s) who do not have a ready choice. DECCD will not influence parent(s) to choose a particular provider and/or facility.
100.04 NON-DISCRIMINATION POLICY

Individuals shall not be discriminated against on the basis of race, color, sex, national origin, religion, age, or handicapping conditions in the provision of child care services.

100.05 SAFEGUARDING INFORMATION

Employees of DECCD and child care providers are prohibited from using or disclosing any information concerning a parent's use of services for any purpose not in conformity with federal and state requirements, except with the written consent of the parent or authorized representative. The public will not be able to request a copy of client information and/or records. An authorized representative is an individual who has the legal right to speak or act on the parent's behalf. Documentation of this designation must be contained in the parent's file.
CHAPTER 1
SECTION 101: CHILD CARE PAYMENT PROGRAM

101.01 POLICIES FOR THE CHILD CARE PAYMENT PROGRAM

The child care certificate is a document issued directly to eligible parent(s) or authorized representatives, provided that funds are available. The certificate allows the parent to select the child care provider of his/her choice.

101.02 ELIGIBILITY PRIORITY POPULATIONS

If funds are available, children must be served on a first-come, first-served basis in order of eligibility priority. Applications must be date-stamped as they are received. CCDF child care services will be available to children of parents according to the following priorities:

1st  Child Care for Temporary Assistance for Needy Families (TANF)

2nd  Child Care for Transitional Child Care (TCC)

3rd  Children of very low-income working parent(s) whose income is at or below 50 percent of the State Median Income (SMI) who are at risk of going on TANF, in the following order:

   A.  Children in Protective Services or Foster Care;

   B.  Children with Special Needs (up to 85% of the SMI);

   C.  Children of parent(s) deployed in the Mississippi National Guard, or Reserve (up to 85% of the SMI);

   D.  Children of Teen Parent(s) currently enrolled in high school full-time;

   E.  Children served by the Healthy Homes Mississippi home visitation program;

   F.  Children of all other eligible parent(s) at this income level, including parents enrolled in an approved educational program, whether working or not.

4th  Based upon the availability of funding, children of parent(s) working the required 25 hours per week and/or are enrolled in an approved educational program whose income falls above 50 percent of the SMI and at or below 85 percent of the SMI.
SECTION 102: CRITERIA FOR CHILD CARE SERVICES

102.01 ELIGIBLE PROVIDERS

(1) Parents have the right to choose the type of child care they would like for their child. The Division of Early Childhood Care and Development has categorized the choices available to parents as follows: a licensed child care center, group home, family child care home, or in-home child care provider. Parents shall select a CCPP approved provider. No payments shall be issued for care provided while a provider is seeking to become a CCPP approved provider. See Glossary of Terms for definitions of each.

(2) i. **Child Care Centers and Group Homes**

   In order to receive reimbursement for services rendered, a child care center or group home must be licensed by the Mississippi State Department of Health. A copy of the license must be filed with DECCD annually upon renewal. The child care center or the group home must have a current license. Additionally, these licensed centers must remain in compliance at all times with the Mississippi State Department of Health’s Regulations Governing Licensure of Child Care Facilities.

   ii. If a center's license expires and services are being provided for children on the CCPP, DECCD *may* continue to pay the provider under the following conditions:

   A. The Health Department has not officially closed the center;
   B. The center's director submits a written request, on center letterhead, for child care payments to continue; and
   C. The center provides copies of the licensing renewal fee payment, documentation of a current inspection, and a copy of correspondence from the licensing division stating why the license has not been renewed; and
   D. A center with an expired license will be reimbursed for children with a current certificate up to the time frame allowed by the Mississippi State Department of Health; however, no new certificates will be issued until the license is renewed.
   E. No payments will be issued for care provided while a provider is seeking to become an approved provider.

   The decision to continue payments under these circumstances is solely at the discretion of the Director of the Division of Early Childhood Care & Development. All requests for payments under these conditions shall be submitted in the form of a written request to the Director describing the basis for the request to waive Provider Termination.

(3) i. **Family Day Care Homes and In-Home Providers**

   In order to receive reimbursement, all unlicensed providers must keep a record of immunizations for themselves and all children in their care in the form of a Form 121 Certificate of Immunization issued by the Department of Health, and a copy of
the Basic Health, Safety and Nutrition Assurances. A signed copy of the Basic Health, Safety and Nutrition Assurances certifying that they will follow the guidelines should also be filed with DECCD. Individual, unlicensed providers must be at least eighteen (18) years of age and are prohibited by law from keeping more than five (5) children who are not related to the provider within the third degree computed according to civil law. A child care provider may not be reimbursed if they reside in the same household as the child(ren). Proof of separate residence may be required. Proof of residence will be established with a current driver's license or state issued I.D. and another form of identification that reflects the same address. A current bank statement, cell phone bill, utility bill or cable bill are acceptable. Addresses must match the address given as the location of care submitted on the application.

ii. In order for an unlicensed in-home provider to become/remain a CCPP approved provider, all individuals over the age of 18 years (relative or non-relative) residing and/or working full/part time in the provider’s residence shall submit all required information to undergo the Child Abuse and Neglect Central Registry Check. This information is submitted on the Child Abuse and Neglect Central Registry Check Form 107 with the initial provider application, and annually once approved. Providers will be deemed ineligible to participate in the certificate program in the event that they have prior convictions of child abuse and/or neglect. If an individual residing and/or working with the provider in the provider’s home is found to have a prior conviction of child abuse and/or neglect, eligibility will be suspended/denied until such time as the provider can provide proof that the offending individual no longer resides in the home. Failure on the part of the provider to accurately complete Form 107 may result in suspension/debarment from participation in the CCPP. Additionally, funds shall be recouped.

iii. No payments will be issued for care provided while a provider is seeking CCPP Approved Provider status. Approval is attained by successful completion of the Child Care Provider Application located at www.childcareinfo.ms.
102.02 APPLICATION PROCEDURES

(1) DECCD will accept applications throughout the year. Referrals for TANF, Healthy Homes Mississippi, or Family & Children’s Services clients are accepted throughout the year from Case Managers. All families eligible to receive services will be added to the CCPP, as funding allows. Families will be served by date of application and eligibility priority level.

(2) Applications can be obtained by calling DECCD’s toll-free number, submitting a request through email/postal mail, or by visiting DECCD’s website.

(3) After completing the application, parents/guardians can return the application and all required documentation by postal or electronic mail. Once all required documentation is received, DECCD will review the information to determine eligibility and send a written notice of eligibility, or ineligibility, or non-availability of funds within 10 business days, unless a Waiting List is in effect. Refer to Section 102.03 for policies and procedures when a Waiting List for services exists. If the parent falls within an eligibility priority group for which funds are available, a certificate will be issued and mailed to the parent, who has up to ten business days to return the signed certificate to DECCD. Once the 10 day window has expired, the certificate will be considered abandoned and voided.

(4) Parents must select a CCPP approved provider. No payments will be issued for care provided while a provider is seeking to become an approved provider. A list of CCPP Approved Providers is available at www.childcareinfo.ms.

102.03 WAITING LIST

(1) DECCD will accept applications for services throughout the year. All families eligible to receive services will be added to the CCPP, as funding allows, and notified by September 1st. Families will be served according to the date of application and eligibility priority level. All other applications will be placed on a waiting list, in order of date received, by eligibility priority until May 31st. Any families on the waiting list not served prior to May 31st must reapply annually in the months of June, July, and August.

(2) When a Waiting List for the CCPP exists, applications for services will be date stamped and categorized by priority level. Applicants will receive written notice that they are on the Waiting List once the application is processed for eligibility. Applicants can refer to www.childcareinfo.ms to determine if a Waiting List for CCPP exists. Applicants who request applications by phone will be informed of the Waiting List by CCPP staff.

(3) If/When funds become available during the program year; certificates shall be issued by eligibility priority. All existing Priority 3A parents should be served first; second, those who were enrolled in an educational/training program the semester prior to the beginning of the waiting list; third, those on waiting list by order of application date; fourth, existing
Priority 3B parents; fifth, those who were enrolled in an educational/training program in the semester prior to the beginning of the waiting list; sixth, add waiting list parents by date of application and so on.

102.03 ELIGIBILITY DETERMINATION FOR SERVICES

(1) Eligibility Guidelines by Priority Group

A. TANF Parent(s) - TANF clients are not required to complete an application form. Eligibility for CCPP for TANF parent(s) is determined by the MDHS, Division of Economic Assistance Case Manager for full or part time care. TANF clients will receive a certificate based on the referral and termination dates entered by the TANF Case Manager. The TANF parent is required to participate in an allowable TANF program activity. Each participant must comply with all the requirements of the TANF program.

B. TCC Parent(s) – Clients referred for Transitional Child Care are not required to complete an application form. Eligibility for TCC should be determined by the MDHS, Division of Economic Assistance Case Manager. TCC clients will receive a certificate based on the referral and termination dates entered by the Case Manager. Terminations to clients receiving TCC can also occur when DECCD determines that the client is not in compliance with case requirements prescribed by the MDHS Division of Child Support Enforcement.

Very Low-income, At Risk of Going on TANF - In order to qualify for full-time child care, the parent must be working at least 25 hours per week, or be enrolled full-time in high school, enrolled in a full-time GED program, or other approved educational or training program. Unpaid work hours required to complete course work for the school curriculum and/or work study may be counted toward the work requirement for the parent. Documentation must be provided. In a two-parent family, each parent must be working at least 25 hours per week or one parent must be working at least 25 hours per week and the other parent must be enrolled in an approved full-time educational or training program. The family's gross income must be at 50 percent or below the State Median Income. Children with special needs and children of deployed parents may be served in this Priority up to 85% of the SMI. Irregular hours of employment and income should be averaged.

D. Low-income, At Risk of Going on TANF - In order to qualify for full-time child care, the parent must be working at least 25 hours per week, or be enrolled full-time in high school or enrolled in a full-time GED program, or other approved educational or training program. Unpaid work hours required to complete course work for the school curriculum and/or work study may be counted toward the work requirement for the parent. Documentation must be provided. In a two-parent family, each parent must be working at least 25 hours per week or one parent must be working at least 25 hours per week and the other parent must be enrolled in an
approved full-time educational or training program. The family's gross income must be at or above 50 percent of the State Median Income and at or below 85 percent of the State Median Income. Irregular hours of employment and income should be averaged.

E. Post-Secondary Students - Certificates should only be written for one semester/quarter at a time. The beginning date of the certificate should be the first day of the month of class, for which proof of enrollment was provided, and the ending date is the last day of the month ending the semester. Students should be allowed 30 days from the ending date of the previous semester to complete the application process. Graduating seniors will have up to 60 days to find employment before their certificate is terminated, unless determined eligible otherwise.

H. Foster Children and children in Protective or Preventive Services are eligible for child care services without regard to the income of the guardian. Foster children, and children in Protective or Preventive Services will receive funding based on the referral and termination by the Case Manager, no application is required. When a child's case is closed by the Division of Family and Children's Services, that agency will send a Notification of Termination of Child Care for children receiving services through Foster Care, Protective Services or Prevention Services to DECCD.

I. Parents may apply for a certificate that have been laid off or have lost their job for other reasons. These certificates will be issued for 60 days from the parent(s) last date of employment. This policy only applies when a parent notifies DECCD of the loss of employment within 10 business days of the loss.

J. Children being served by the MDHS Healthy Homes Mississippi (HHM) home visitation program are eligible for child care services without regard to income. Children will be served based on referral and termination information received from HHM Family Support Workers.

(2) Income to Be Considered in Calculating Total Family Income
A. Gross income of applicant and spouse should be considered if the spouse is living in the home. Do not consider a spouse's income if they are separated and residing in a separate residence. All income above or less than 40 hours per week is considered irregular income. Irregular income and commissions should be averaged. For commissions and tips, the amount on the paycheck stub or statement from an employer should be averaged and added to regular work income. Do not consider bonus monies as income. If a parent is self-employed, individual/family total income is considered.

B. Social Security benefits for parents and child(ren) must be counted as income.

C. If a parent receives Supplemental Security Income (SSI), it should be counted as income. If a child(ren) receives SSI, the SSI for the child(ren) should not be counted as income.

D. Income earned by an adult living in the home, not married to the applicant but who is the biological parent of the child for whom services are being requested, should be counted. Income or work status of another adult residing in the home with the applicant to whom the applicant is not married, should not be counted. Do not include these individuals in determining the size of the household unless they are the biological parents of the child(ren) for whom application for service is being made.

E. i. All parents must comply with Child Support Enforcement requirements in order to receive a child care certificate(s). A Verification for Child Support Services Form should be mailed to parents as part of the Child Care Payment Program Application packet. Parents must complete the Verification Form and return it to DECCD as part of the completed application. In the case of TANF and TCC clients, information needed for this verification is provided in the referral made by the TANF/TCC Caseworker.

ii. All single or separated parents who do not currently have an open child support case must contact the MDHS County Child Support Office for an appointment to open a case(s) or to request a statement that the child or children are exempt and the parent is excused from cooperating. Married parents are not required to go through the MDHS, Division of Child Support Enforcement. This includes parents who have an existing order for child support issued by a judge.

iii. MDHS, Division of Child Support Enforcement may provide exemptions based upon Claims of Good Cause such as, but not limited to:

a. The noncustodial parent has caused physical and/or emotional harm to the child.
b. Physical and/or emotional harm caused by the noncustodial parent to the relative caring for the child limiting the custodial parent's ability to care for the child.

c. A child conceived as a result of incest or rape.

d. Pending legal adoption proceedings.

e. A public or private social services agency assisting you, the custodial parent, to decide whether to keep the child or to release the child for adoption.

iv. When the completed Verification for Child Support Form is received by DECCD, the following steps will occur:

a. If the parent has checked “yes” in the first column, indicating that they have a Child Support case through DHS, pull up the Child Support website,

b. Search by parent's Social Security Number,

c. Click “select” and pull up and print the parent's information, including payments,

d. Attach the printout to the application and use the amount when calculating income and co-payment for the parent,

e. At annual re-certification, repeat step “iii” above.

F. Any parent enrolled full-time in high school or in a GED program may make an application in his/her own name, as a family unit separate from his/her parent. If the teen parent is living with his/her parent(s), the parent of the teen must meet the work requirements; however, the teen's parents' income should not be considered. If a teen parent lives in the home with her parent(s) or guardian, then the parent(s) or guardian of a teen parent under the age of 18 must sign the certificate and forms along with the teen parent.

G. No adult living in the home with the child may be paid for child care. The biological parent of a child shall not be reimbursed for providing child care for his/her own child(ren) regardless of the location of their residence.

(3) Documents Required for Eligibility Determination

A. Income Documents:

i. Two paycheck stubs from within the past 30 days. If paid once a month, only one check stub is required.

ii. If a new job, the employer's letter on employer's company letterhead or employer's notarized statement verifying employment, income, rate of pay and number of hours worked. Actual check stubs must be submitted within 30 days.
iii. Parents paid in cash should obtain a certified letter from the employer on company letterhead or employer's notarized statement verifying employment, income, rate of pay and number of hours worked.

iv. Parents employed by temporary agencies may be certified with an original letter from an employer on company letterhead verifying employment, rate of pay, and number of hours worked. The letter of employment must be followed up with check stubs within 30 days.

v. Copy of Estimated Quarterly Tax Report if self-employed, or another form of income documentation approved by DECCD. The other acceptable form of income documentation includes a Federal 1040 Tax Form including the Profit or Loss Statement (Schedule C). DECCD will use the “Total Sales and Receipts” amount located on the Profit/Loss Statement to determine if the work requirement has been met. DECCD will use the amount located on line 22 of the Federal 1040 Tax Form to determine income eligibility.

vi. The Work Number, an automated service is an option for income and employment verification. This service is an acceptable source for documenting employment and income. THE WORK NUMBER can be used instead of the employer's notarized statement or information on the employer's letterhead. Therefore, copies of check stubs are NO LONGER required to be submitted for those parents whose employment uses The Work Number Service. THE WORK NUMBER'S website is www.theworknumber.com, e-mail address is govinfo@theworknumber.com or 1-800-660-3399.

B. Educational Documents:

i. Parents enrolled in an approved educational program must provide enrollment documentation in the form of a letter from the institution's registrar confirming current full time enrollment. GED classes should be handled the same as any other approved educational training.

C. Additional Required Documentation:

i. Long Form Birth Certificate - A 90-day grace period shall be allowed to receive the birth certificate for a newborn. A 30-day grace period shall be allowed for all other children.

ii. Verification of social security numbers can be obtained from a copy of the social security card, the Form 121 Certificate of Immunization issued by the Mississippi Department of Health, or other official document showing the child's and/or a parent's name and social security number.
iii. DECCD must provide a statement that makes it clear to CCPP applicants that the provision of a Social Security Number is voluntary and that benefits will not be denied or withheld for the failure to furnish a Social Security Number. Instructions will be given to parents explaining how the Social Security Number will be used if provided, in order to encourage applicants who choose to provide them (e.g. to identify individuals with the same name).

iv. If it is necessary for parents to supply additional documentation of proof of residence, the parent must supply a current driver's license or state issued I.D. and a current bank statement, cell phone bill, utility bill or cable bill. The addresses on the driver's license, I.D. and bank statement/bill must match and corroborate the address of residence supplied to DECCD.

(4) Requirements for a Disabled Parent

A. If a two-parent family applies for assistance and one parent is working and the other has a disability and is unable to care for the child(ren) as a result, child care can be provided if a written statement is submitted by a physician stating the nature of the disability and that the parent is unable to care for the child(ren).

B. If a single parent has a disability and has a physician's statement stating the nature of the disability and that the parent is unable to care for the child(ren), the application should be made in the responsible guardian's name. The responsible guardian is the person responsible for the parent's affairs; the guardian must meet the work requirement. The disabled parent's Supplemental Security Income should be used to calculate the co-payment fee.

C. If a single parent is disabled and there is no guardian, the application should be in the single parent's name. Child care can be provided if a written statement is submitted by a physician stating the nature of the disability and that the parent is unable to care for the child(ren).

D. If the guardian with whom the child(ren) reside(s) has a disability, child care can be provided if a written statement is submitted by a physician stating the nature of the disability and that the guardian is unable to care for the child(ren). Verification of cooperation with Child Support Enforcement is required if the biological parents are not deceased.

(5) Parents enlisted in the United States Military and Deployed

When parents are enlisted in the United States Military and deployed, the eligibility should remain the same until the parent can provide the Military Income. The parent should provide the Military Income as soon as he or she has documentation. The responsible
guardian’s income should not be counted but the responsible guardian must meet the 25 hours per week work requirement, unless they are 65 years of age or can provide proof that they have retired from full-time employment.

(6) Pell Grants

Pell Grants should not be considered as income when determining eligibility. Pell Grant funds and child care subsidy payments can be used simultaneously for child care services.
102.04 RE-DETERMINATION

(1) Re-Determination of working parent’s eligibility is to be re-established during the CCPP year in the months of February, March, April, and May. DECCD will send a letter to parent(s) requesting check stubs or other verification of employment and request verification of household/marital status. If the CCPP Application Packet is not returned by the due date indicated, a second notice should be mailed certified return receipt requested. If the mail has been returned undeliverable, the child care provider should be notified. Failure to comply with Re-Determination procedures shall result in termination of certificates.

(2) Re-Determination of parent’s eligibility for those enrolled in an approved educational program is determined every semester or quarter. Documentation for redetermination will include proof of school enrollment (if not currently on file), proof of employment, proof of household size and location, and proof of income. Failure to comply with Re-Determination procedures shall result in termination of certificates.

(3) When income is recalculated and there is a change in a co-payment fee, a notice is sent to the parent and the provider. The updated co-payment fee is effective on the first day of the month following the month of re-determination. If income increases beyond 85 percent of the State Median Income, child care will be terminated, giving a two-week notice. If the parent is no longer working, child care will be terminated, giving a two-week notice to the child care provider. If the parent has been temporarily laid off or has lost a job for other reasons, child care will not be terminated until 60 days after the last work day, giving the parent time to be reinstated in their job or to search for a job, provided the parent notified DECCD of loss of employment within 10 days of the event.
SECTION 103: CO-PAYMENT FEES

103.01 DETERMINING CO-PAYMENT FEES

(1) TANF parents are not assessed a co-payment fee. For all other parents, co-payment fees are determined based upon the parent’s family size and income according to the CCDF Child Care Monthly Co-payment Fee Scale for Parents.

(2) Co-payment fees are redetermined when there is a change in the parent’s income or household size, or during annual redetermination of eligibility. The updated co-payment fee is effective on the first day of the month following the month of re-determination.

103.02 ASSESSING CO-PAYMENT FEES PER CHILD

(1) If a parent has one child receiving full-time child care services, the total co-payment fee should be placed on that child's certificate. If a parent has one child receiving part-time child care services, only half of the total co-payment fee should be placed on the child's certificate.

(2) If one child is in full-day care and part-day care during the same month, the fee should be assessed on the majority of the type of care provided. For example, if a child is served 16 part-time days and five full-time days, the part-time co-payment fee would be assessed for the month.

(3) If a parent has more than one child receiving full-time service, the total co-payment fee is divided equally among the number of children receiving care. If two or more children are receiving part-time services, one half of the divided fee should be placed on each certificate. If a parent has children receiving before/after child care and holiday/summer child care, a full co-payment fee and a half co-payment fee are placed on each certificate and the appropriate fee is deducted during the payment cycle.

(4) Exceptions:

A. If a parent has two children, one who is receiving full-year, full-time child care and one being added for holiday/summer child care only, the co-payment fee for the full-year, full-time care will remain the same. The parent is assessed an additional $10.00 fee for the child receiving holiday/summer child care.

B. If a parent has two or more children receiving full-year, full-time child care and one child receiving holiday/summer care only, the total co-payment fee is divided equally among the children attending full-time. The parent is not assessed a co-payment fee for the child receiving holiday/summer child care.

C. Parents assessed a minimum co-payment fee are:

   i. Foster Children
ii. Children in Protective/Preventive Service

iii. Special Needs Children - Special Needs status must be documented. If there are other children in the family who are receiving child care services, the fee will be $10 or the child's prorated share of the family's co-payment fee, whichever is less. Services for children with Special Needs will continue until the child reaches 18 years of age.

103.03 NON-PAYMENT OF CO-PAYMENT FEES

Co-payment fees are to be paid during the current month directly to the provider according to payment arrangements established by the provider and parent. Providers must maintain proof of collection of co-payment fees, identified separately from tuition overage payments made by parents. Providers must provide proof of co-payment fees to parents in the form of a receipt including the parent’s name, date and amount of payment, center name, if applicable, and the child care provider’s name and signature. If a parent fails to pay the co-payment fee prior to the end of the month, the provider is required to notify DECCD. Non-payment of co-payment fees may result in termination of the parent from CCPP. If the parent requests a change in child care provider with an outstanding balance of co-payment fees to the current provider, the parent must pay all co-payment fees before a new certificate is issued. It is the responsibility of the provider to report non-payment of co-payment fees to DECCD. The provider may not charge parents any cost over the assigned co-payment fee unless the cost for child care to the general public is higher than the amount paid by the certificate program.

103.04 CO-PAYMENT RECOUPMENT/REPAYMENT

(1) If a parent's fee was assessed at a rate higher than the correct fee and the parent has made payment to the provider, the parent is to be reimbursed by the provider for the difference for each month paid. The correct fee is to be noted on the certificate and a notice of the change forwarded to the provider and the parent.

(2) If a parent's fee was assessed at a rate lower than the correct fee, the parent is responsible for reimbursing the provider for the difference between the corrected co-payment amount and the incorrect co-payment amount that was paid.

103.05 PRORATING CO-PAYMENT FEES

The assessed co-payment fee reflects a monthly rate regardless of attendance. If a child is enrolled between the 1st and 15th of the month, the full monthly co-payment fee is assessed for the first month of service. If the child is enrolled between the 16th and last day of the month, one-half of the monthly co-payment fee is assessed for the first month of service. If a parent desires to change a provider during the month, it is the parent's responsibility to pay the appropriate co-payment fee to any subsequent providers.
SECTION 104: PAYMENTS TO PROVIDERS FOR CHILD CARE SERVICES

104.01 SIGN-IN/OUT SHEETS

Providers are required to maintain a record of accurate attendance and absences on sign-in/out sheets and on daily class rolls for each child in order to document attendance. The sign-in/out sheets must show the child's first and last name, the full name of the parent/guardian or parent's authorized representative, the time the child is signed in with the signature of the person signing the child in, and the time the child is signed out with the signature of the person signing the child out each day. If sign-in/out sheets are not maintained and made available upon request and/or for Monitoring processes, or do not follow the policies described above, funds issued based on missing/erroneous information shall be recouped by DECCD. Unlicensed providers are not exempt from this policy.

104.02 PAYMENT LEDGER PROCESSES

Payment ledgers must be submitted electronically through the Child Care Payment System. Ledgers open to providers on the 1st day of the month and remain open until 11:59 p.m. CST on the 10th day of the month. Providers are required to complete their electronic ledger within this 10 day window. Ledgers submitted with complete and correct information will be processed for payment. If ledgers require further documentation in order to process payment, the provider will be contacted.

104.03 LEDGER PAYMENTS

If it is necessary to adjust the amount of funds issued based on the attendance information submitted to DECCD or used to issue the certificate, an adjustment will be made in the Child Care Payment System reflecting the change. If an overpayment has occurred, Funds will be deducted from subsequent payments at a rate of 5% until the full amount has been recouped in full.

104.04 RATES AND CENTER POLICIES

(1) Licensed providers must file a copy of the center's published rates with DECCD annually. Providers are not allowed to charge a higher rate to families in the certificate program than the rate charged to the general public.

(2) A. If the child care center’s policy states that a program stipend will be provided to non-certificate children, the provider must document the amount and the source of funds for each child on a monthly basis. Parent co-payment fees cannot be used as children's stipends. This documentation must be in hard copy such as check stubs receipts, etc., that will show Mississippi Department of Human Services auditors a clear paper trail of cash infusion from non-tuition sources and non-child-care-certificate monies sufficient to cover the full amount of tuition without any stipends.

B. DECCD will not monitor any fiscal or children's files without the director or an
approved supervisor staff person in attendance. Only necessary documentation should be requested from the parent and provider.

C. Parents (including TANF workers) employed at a licensed center or group home may be eligible for a child care certificate providing that they do not care for their own child(ren). Nor can the child(ren) be included in a group assigned to the biological parent to maintain the adult/child ratio required by the Mississippi State Department of Health, Division of Child Care Licensure.

D. Rates of reimbursement are assigned on a certificate based on the provider type (licensed or unlicensed), age of child, and Tier level. A full-time rate may be charged for non-traditional child care. Non-traditional child care is appropriate when a parent requires full-time child care in lieu of before-and-after school care.

E. School-aged children and children who attend other programs such as Head Start will be reimbursed at the part-time rate for absences during vacation and holidays except during times when it is documented that the child(ren) attended the licensed child care center for the full-day because the school was not open or for out-of-school suspension during the school year. Full time reimbursement will be issued for full time care provided by licensed centers when the primary school setting is closed or for out-of-school suspension.

F. Providers will be reimbursed at a part time rate for any day in which a school age child or child with a full-time/part-time certificate is present for a full day of care while their primary school setting is open.

G. Summer child care for school-aged children will be reimbursed at the full-time rate for absentees, vacation, and holidays.

H. If at any time during a CCPP year, a provider changes Tier reimbursement status, changes will be adjusted in the system to allow for future reimbursement at the appropriate rate.

i. If it becomes necessary for the Tier 1-eligible director to be absent for leave, DECCD must be notified within 10 days. DECCD will determine on a case-by-case basis if Tier 1 reimbursement will continue during leave.

I. Full-time certificate payments for school-age children may not be issued to students enrolled in grades one through twelve unless full-time care is needed during non-traditional hours and/or the primary school setting is closed.

J. Full-time certificate payments may be issued for 3 and 4 year olds enrolled in public or private pre-kindergarten programs where tuition is assessed. Certificates
will expire on a child’s 5th birthday. Families who continue to meet eligibility criteria may apply to continue services until the child is 12 years of age, or 18 years of age if a special needs child. Additionally, 5 year old children whose parent(s) elect not to enroll their child(ren) in a public kindergarten program may receive full-time certificate funds until they reach the age of 6(six), which is the compulsory age for school attendance in the state of Mississippi.

104.04 OVER-PAYMENTS AND UNDER-PAYMENTS

(1) If a provider discovers an error in the payment issued, the provider is required to notify the DECCD to request an adjustment within 30 days of the issuance of the payment. Questioned payments or incorrect payments will be adjusted during the next regularly scheduled payment cycle.

104.05 ABSENTEES AND NOTICE

(1) If a child is absent for more than two weeks for medical reasons, the parent is required to submit a doctor's statement. Extenuating circumstances will be handled on a case-by-case basis.

(2) In the case of court-ordered visitation, DECCD must be notified and a copy of the visitation order of the court must be kept on file by the provider. Any days a child is absent due to court-ordered visitation will not count towards a child's paid absence day. Parents are responsible for paying their determined co-payment amount in full even if the child does not attend due to court ordered visitation.

(3) The Child Care Payment Program will provide a two-week notice for the termination of all certificates issued to licensed providers, except in the instance of substantiated provider fraud.

(4) A child care center must remain open on days when children are taken on field trips or any other day outside of the approved holiday list provided by DECCD for any children who cannot attend the field trips or still need child care during holidays, etc.
SECTION 105: INTERRUPTION OF CHILD CARE SERVICES

105.01 ALLOWABLE LEAVE TIME FOR PARENTS

(1) Parents who lose or change jobs are allowed a 60 day grace period from the last date of employment before child care services are terminated in order to give the parent time to be reinstated in their job, providing that a Change of Information form is submitted to DECCD within 10 working days of the change in employment. During this 60 day period, the parent is required to submit new eligibility documentation and be redetermined eligible for services. Failure to submit acceptable eligibility documentation shall result in the termination of services.

(2) Temporary Job Closings - Workers temporarily unemployed due to the nature of their work may include but are not limited to workers employed in construction, factories, or poultry and catfish processing plants. Extensions beyond the approved 60 days must gain approval from DECCD on a case-by-case basis.

(3) Natural Disaster - Child care services should be continued when parents are off work due to circumstances beyond the parent’s control such as hurricanes, floods, and tornado. Licensed child care providers shall be reimbursed when the center is closed temporarily due to a natural disaster for up to 10 business days per occurrence unless the parent needs to make alternate care arrangements. Unlicensed centers shall be reimbursed for actual attendance only.

(4) A pregnant mother is allowed six weeks of child care assistance during maternity leave. Documentation from a physician of the maternity leave must be included in the parent’s file. If more leave time is required due to medical reasons, a physician’s statement must be submitted to DECCD. The parent must provide new eligibility documentation once she returns to work. Failure to submit acceptable eligibility documentation shall result in the termination of services.

(5) Fathers are allowed six weeks of child care assistance related to the birth of a child, if the employer/educational institution approves the leave time. Documentation in the form of a letter on the employer/educational letterhead allowing the leave of absence for this reason must be submitted to DECCD.

(6) Parent(s) are allowed six weeks of child care assistance in cases of adoption of a new child or when a Foster Child is placed in the home, if the employer/educational institution approves the leave time.

(7) Parent(s) are allowed up to thirty days of sick leave from their job if documented by their employer and physician. Extenuating circumstances in which additional time is required will be handled on a case-by-case basis.

(8) A child is allowed 15 absence days per federal fiscal year (beginning October 1 - September 30). Absences related to court-ordered visitations, chronic illness, and
medical treatment for children with special needs are not counted as vacation days.

(9) DECCD will pay for up to 11 holidays for the period beginning October 1 through September 30. If the Governor allows days in addition to the list below in observance of a holiday, providers will be notified that they are also allowed these extra days. If the identified holiday falls on a weekend, the DECCD Director will designate weekdays to observe the holiday at their discretion.

105.02 REASONS FOR TERMINATION

(1) TANF, TCC, Foster Children and Children in Preventive/Protective Services, and participants of Health Homes Mississippi are referred for services by a MDHS Case Manager/HHM Family Support Worker. Services shall be terminated upon notification by the Case Manager for TANF clients and Children in Foster, Preventive/Protective Services. Clients receiving TCC and participating in Healthy Homes Mississippi shall be terminated upon notice from a MDHS Division of Economic Assistance caseworker, HHM Family Support Worker, or when found to be out of compliance with requirements of the MDHS Division of Child Support Enforcement, when applicable.

(2) Non-payment of co-payment fees may result in termination from the Child Care Payment
Program for a one-year period.

(3) A child care certificate may be terminated upon the request of the parent, or by DECCD in accordance with CCPP policy.

(4) Child care services will be terminated when a child grows older than the age requirements.

(5) If at any time a parent provides fraudulent information, child care services are immediately terminated and the client is ineligible to reapply for a one-year period. DECCD may elect to permanently disbar parents from participation in CCPP in accordance with Section 106.01(1) of this document.

105.03 CHANGE IN PROVIDER

(1) Parents are allowed to change providers when the current provider is no longer preferred. Parents must request a change in provider from DECCD prior to withdrawing the child, unless under emergency circumstances. The parent(s) shall give at least two weeks prior notice to the current provider before withdrawing the child from the center unless there are extenuating circumstances. While parents have the right to exercise parental choice in selecting a child care provider, certificates will not be issued to a provider until they have met all requirements to become a CCPP approved provider. Parents must select a CCPP approved provider. No payments will be issued for care provided while a provider is seeking to become an approved provider.
Section 106 DISPUTES

106.01 PARENTAL AND PROVIDER DISPUTES

(1) Any unresolved dispute concerning a question of fact under the Application/Agreement between DECCD and Parent or Provider shall be decided by the Director of the Division of Early Childhood Care and Development. In the review by the DECCD Director the Parent or Provider shall be afforded an opportunity to be heard and offer evidence in support of the questioned decision under review. This decision shall be reduced to writing and a copy thereof mailed or furnished to the Parent or Provider and shall be final and conclusive, unless, within thirty (30) days from the date of the decision, the Parent or Provider mails or delivers to the Executive Director of the Mississippi Department of Human Services a written request for review. Pending final decision of the Executive Director or his/her designee, DECCD will proceed in accordance with the decision of the Director of the Division of Early Childhood Care and Development. In addition, listed below are the procedures to be used when an Administrative Hearing for a Child Care Dispute is desired:

A. A Parent or Provider may not request a hearing on behalf of another individual or to discuss decisions regarding another person.

B. If an Administrative Hearing is desired, a written request for the Hearing must be submitted to the Director of the Division of Early Childhood Care and Development. If requested, an Administrative Hearing will be held with the Director of the Division of Early Childhood Care and Development serving as the Hearing Officer.

C. The Hearing Officer will be a neutral observer who will conduct the Hearing. The Hearing Officer will listen to both sides and then make a decision based upon the evidence that is provided.

D. This is an informal proceeding that gives both parties their due process rights and a forum to provide evidence. This is not an adverse process. Questions are to be asked only for clarification. If a party has legal representation, the attorney is there only to give legal advice to his/her client and not for direct or cross examination.
SECTION 107: FRAUD AND ABUSE

This section outlines the policies and procedures for handling alleged and/or substantiated fraud and exploitation in the Child Care Payment Program by a parent and/or provider.

107.01 POLICY STATEMENT

Any person applying for or receiving public assistance by using false statements, and any person assisting that person to receive such public assistance with knowledge of those false statements, is subject to criminal prosecution. The offense may be a misdemeanor when the amount received or requested is below $500 or a felony if the amount received or requested is above $500. If a child care center knowingly provides false information, a financial penalty will be imposed. Whether or not a criminal conviction results, at the first offense, recoupment will be made and the center may be disqualified from participating in the Child Care Payment Program, contingent upon whether the deception is intentional or unintentional.

107.02 SUSPECTED FRAUD OR ABUSE OF FUNDS

(1) DECCD staff will not attempt to resolve any suspicion of parent and/or provider fraud or misuse of funds. DECCD staff will collect any documentation to support an investigation of suspected fraud or misuse of funds. This documentation shall be referred directly to the Director of the MDHS Division of Early Childhood Care and Development for referral to the MDHS, Division of Program Integrity (DPI) for investigation. DECCD staff will not alert the parent and/or provider of any suspicion of fraud or misuse of funds while an investigation is pending. Funding may continue during the investigation.

(2) in the event that fraud is substantiated in a licensed child care facility, DECCD will assist the parent(s) with locating an alternative child care facility or home without an interruption in child care services unless the parent(s) chooses to keep their child(ren) at the center and forfeit the CCPP funding. In this situation, a notarized statement of fact from the parent(s) must be retained by DECCD. If it is determined that fraud was committed by a parent, the provider will be allowed two weeks’ notice of termination.

107.03 RECOUPMENT OF FUNDS

(1) The MDHS, Division of Program Integrity (DPI) shall employ the required steps to recoup or attempt to recoup funds paid for ineligible services because of suspected parent or provider fraud or misuse of funds when unable to resolve otherwise. The steps include, but are not limited to:

A. A letter outlining the DECCD policy violated, the total amount of funds to be repaid, the legal action to be pursued if the parent or facility owner fails to cooperate, and a response time frame of 15 calendar days; the letter and the report shall be sent to the alleged offender by certified mail; a copy shall be retained by DPI and the Director of DECCD;

B. After the DPI completes an investigation of alleged fraud and/or misuse of funds, if
applicable, criminal charges shall be filed with the appropriate local law enforcement agency, when fraud is substantiated.

C. When fraud is substantiated and criminal charges are filed with the local law enforcement agency, funds shall be recovered through restitution ordered by the court. Checks issued by the court for restitution shall be made payable to Treasurer, State of Mississippi and mailed directly to the MDHS, DPI.

D. The MDHS, DPI staff shall track receipt of checks issued for payment of restitution on a case-by-case basis until all funds have been recovered.

107.04 FINAL DISPOSITION FOR ACTION

A copy of any final judgment issued by the Court shall be forwarded directly to the MDHS, DPI and a copy of the final judgment will be provided to DECCD by the MDHS, DPI.
SECTION 108: MONITORING

108.01 MONITORING PROCEDURE

(1) DECCD will monitor a selection of licensed and unlicensed providers participating in the certificate program at least once annually. DECCD will select centers whose records indicate a need for technical assistance, for example, perfect attendance submitted for each child each month. According to MDHS Subgrantee Manual, DECCD staff may conduct monitoring visits un-announced.

(2) Monitoring visits will include a review of the following records:

A. Licensed and unlicensed providers must maintain a daily attendance roster (sign in/out sheets) for each child in accordance with Section 104.01(1) of this document.

B. The attendance recorded on the center's attendance roster will be compared to the attendance reported to DECCD. All documentation related to child attendance will be reviewed.

C. The center's published rates charged to the general public will be compared to the rates requested and received on each certificate.

D. Verify the payment of co-payment fees. Both licensed and unlicensed providers are required to maintain receipts for payment of monthly co-payment fees.

E. A copy of the center's license, if applicable, will be requested if a current copy is not on file with DECCD.

F. Records will be reviewed to verify that the center has retained a copy of the Center's Statement of Agreement.

G. The center will be monitored to make sure that the hours of operation meet the needs of the full-time working parents plus travel time. The center must be open at least five (5) days per week.

H. The attendance will be checked to ensure that the provider is not receiving more (CCDF and TANF) certificates than its’ licensed or allowed capacity at any given time (for example, non-traditional shifts, and before and after school). If it is determined during the monitoring visit that the attendance exceeds the provider's licensed or allowed capacity, then the situation will be reported to the Mississippi State Department of Health, Child Care Licensure and DECCD. Attendance in
excess of licensed or allowed capacity is considered fraudulent and shall result in a recoupment of funds issued for certificates in excess of licensed or allowed capacity.

I. Unlicensed providers must provide copies of immunization records (Form 121 Certificate of Immunization issued by the Mississippi Department of Health) for providers and all children enrolled in care.

J. Per the Center Statement of Agreement, all child care providers are notified that monitoring may be announced or unannounced. Refusal to cooperate in the monitoring process shall result in a financial penalty.

(3) A. If a center is not accurately recording attendance or is charging different rates, the center will receive a letter concerning the finding(s). Any overpayments that occurred because of these two situations shall be recouped by DECCD.

B. A center with findings may be monitored again, by either announced or unannounced visits. If the center is still in non-compliance under the original finding(s), a copy of all correspondence regarding the matter shall be forwarded to DECCD and processes for Suspension or Debarment described in this document will be engaged.

108.02 SUSPENSION AND DEBARMENT

(1) If a parent commits fraud or abuse, suspension or debarment will occur in addition to any financial penalties/recoupments necessary. During suspension, a parent may not apply for or receive CCPP funding until the date indicated on the Notice of Suspension.

(2) If a provider commits fraud or abuse, suspension or debarment will occur in addition to any financial penalties/recoupments necessary. During suspension, or upon debarment, a provider may not hold any administrative position in a facility or home in which CCPP subsidies are received. This includes any position responsible for the recording or tracking of enrollment and attendance as well as the completing and reporting of family/child status and/or enrollment and attendance to CCPP.

SECTION 102: CRITERIA FOR CHILD CARE SERVICES

102.01 ELIGIBLE PROVIDERS

(1) Parents have the right to choose the type of child care they would like for their child. The Division of Early Childhood Care and Development has categorized the choices available to parents as follows: a licensed child care center, group home, family child care home, or in-home child care provider. Parents must select a CCPP approved provider. No payments will be issued for care provided while a provider is seeking to become an approved provider. See Glossary of Terms for definitions of each.

(2) i. **Child Care Centers and Group Homes**

In order to receive reimbursement for services rendered, a child care center or group home must be licensed by the Mississippi State Department of Health. A copy of the license must be filed with DECCD annually upon renewal. The child care center or the group home must have a current license. Additionally, these licensed centers must remain in compliance at all times with the Mississippi State Department of Health’s Regulations Governing Licensure of Child Care Facilities.

ii. If a center's license expires and services are being provided for children on the CCPP, DECCD may continue to pay the provider under the following conditions:

A. The Health Department has not officially closed the center;
B. The center's director submits a written request, on center letterhead, for child care payments to continue; and
C. The center provides copies of the licensing renewal fee payment, documentation of a current inspection, and a copy of correspondence from the licensing division stating why the license has not been renewed; and
D. A center with an expired license will be reimbursed for children with a current certificate up to the time frame allowed by the Mississippi State Department of Health; however, no new certificates will be issued until the license is renewed.
E. No payments will be issued for care provided while a provider is seeking to become an approved provider.

The decision to continue payments under these circumstances is solely at the discretion of the Director of the Division of Early Childhood Care & Development. All requests for payments under these conditions shall be submitted in the form of a written request to the Director describing the basis for the request to waive Provider Termination.

(3) i. **Family Day Care Homes and In-Home Providers**
In order to receive reimbursement, all unlicensed providers must keep a record of immunizations for themselves and all children in their care in the form of a Form 121 Certificate of Immunization issued by the Department of Health, and a copy of the Basic Health, Safety and Nutrition Assurances. A signed copy of the Basic Health, Safety and Nutrition Assurances certifying that they will follow the guidelines should also be filed with DECCD. Individual, unlicensed providers must be at least eighteen (18) years of age and are prohibited by law from keeping more than five (5) children who are not related to the provider within the third degree computed according to civil law. A child care provider may not be reimbursed if they reside in the same household as the child(ren). Proof of separate residence may be required. Proof of residence will be established with a current driver's license or state issued I.D. and another form of identification that reflects the same address. A current bank statement, cell phone bill, utility bill or cable bill are acceptable. Addresses must match the address given as the location of care submitted on the application.

ii. In order for an unlicensed in-home provider to become/remain a CCPP approved provider, all individuals over the age of 18 years (relative or non-relative) residing and/or working full/part time in the provider’s residence shall submit all required information to undergo the Child Abuse and Neglect Central Registry Check. This information is submitted on the Child Abuse and Neglect Central Registry Check Form 107 with the initial provider application, and annually once approved. Providers will be deemed ineligible to participate in the certificate program in the event that they have prior convictions of child abuse and/or neglect. If an individual residing and/or working with the provider in the provider’s home is found to have a prior conviction of child abuse and/or neglect, eligibility will be suspended/denied until such time as the provider can provide proof that the offending individual no longer resides in the home. Failure on the part of the provider to accurately complete Form 107 may result in suspension/debarment from participation in the CCPP. Additionally, funds shall be recouped.

iii. No payments will be issued for care provided while a provider is seeking CCPP Approved Provider status. Approval is attained by successful completion of the Child Care Provider Application located at www.childcareinfo.ms.

responsible guardian’s income should not be counted but the responsible guardian must meet the 25 hours per week work requirement, unless they are 65 years of age or can provide proof that they have retired from full-time employment.

(6) Pell Grants

Pell Grants should not be considered as income when determining eligibility. Pell Grant funds and child care subsidy payments can be used simultaneously for child care services.

102.06 RE-DETERMINATION

(1) Re-Determination of working parent’s eligibility is to be re-established during the CCPP year in the months of February, March, April, and May. DECCD will send a letter to
parent(s) requesting check stubs or other verification of employment and request verification of household/marital status. If the CCPP Application Packet is not returned by the due date indicated, a second notice should be mailed certified return receipt requested. If the mail has been returned undeliverable, the child care provider should be notified. Failure to comply with Re-Determination procedures shall result in termination of certificates.

(2) Re-Determination of parent’s eligibility for those enrolled in an approved educational program is determined every semester or quarter. Documentation for redetermination will include proof of school enrollment (if not currently on file), proof of employment, proof of household size and location, and proof of income. Failure to comply with Re-Determination procedures shall result in termination of certificates.

(3) When income is recalculated and there is a change in a co-payment fee, a notice is sent to the parent and the provider. The updated co-payment fee is effective on the first day of the month following the month of re-determination. If income increases beyond 85 percent of the State Median Income, child care will be terminated, giving a two-week notice. If the parent is no longer working, child care will be terminated, giving a two-week notice to the child care provider. If the parent has been temporarily laid off or has lost a job for other reasons, child care will not be terminated until 60 days after the last work day, giving the parent time to be reinstated in their job or to search for a job, provided the parent notified DECCD of loss of employment within 10 days of the event.
SECTION 103: CO-PAYMENT FEES

103.01 DETERMINING CO-PAYMENT FEES

(1) TANF parents are not assessed a co-payment fee. For all other parents, co-payment fees are determined based upon the parent's family size and income according to the CCDF Child Care Monthly Co-payment Fee Scale for Parents.

(2) Co-payment fees are redetermined when there is a change in the parent's income or household size, or during annual redetermination of eligibility. The updated co-payment fee is effective on the first day of the month following the month of re-determination.

103.02 ASSESSING CO-PAYMENT FEES PER CHILD

(1) If a parent has one child receiving full-time child care services, the total co-payment fee should be placed on that child's certificate. If a parent has one child receiving part-time child care services, only half of the total co-payment fee should be placed on the child's certificate.

(2) If one child is in full-day care and part-day care during the same month, the fee should be assessed on the majority of the type of care provided. For example, if a child is served 16 part-time days and five full-time days, the part-time co-payment fee would be assessed for the month.

(3) If a parent has more than one child receiving full-time service, the total co-payment fee is divided equally among the number of children receiving care. If two or more children are receiving part-time services, one half of the divided fee should be placed on each certificate. If a parent has children receiving before/after child care and holiday/summer child care, a full co-payment fee and a half co-payment fee are placed on each certificate and the appropriate fee is deducted during the payment cycle.

(4) Exceptions:

A. If a parent has two children, one who is receiving full-year, full-time child care and one being added for holiday/summer child care only, the co-payment fee for the full-year, full-time care will remain the same. The parent is assessed an additional $10.00 fee for the child receiving holiday/summer child care.

B. If a parent has two or more children receiving full-year, full-time child care and one child receiving holiday/summer care only, the total co-payment fee is divided equally among the children attending full-time. The parent is not assessed a co-payment fee for the child receiving holiday/summer child care.

C. Parents assessed a minimum co-payment fee are:

i. Foster Children
ii. Children in Protective/Preventive Service

iii. Special Needs Children - Special Needs status must be documented. If there are other children in the family who are receiving child care services, the fee will be $10 or the child’s prorated share of the family’s co-payment fee, whichever is less. Services for children with Special Needs will continue until the child reaches 18 years of age.

103.03 NON-PAYMENT OF CO-PAYMENT FEES

Co-payment fees are to be paid during the current month directly to the provider according to payment arrangements established by the provider and parent. Providers must maintain proof of collection of co-payment fees, identified separately from tuition overage payments made by parents. Providers must provide proof of co-payment fees to parents in the form of a receipt including the parent’s name, date and amount of payment, center name, if applicable, and the child care provider’s name and signature. If a parent fails to pay the co-payment fee prior to the end of the month, the provider is required to notify DECCD. Non-payment of co-payment fees may result in termination of the parent from CCPP. If the parent requests a change in child care provider with an outstanding balance of co-payment fees to the current provider, the parent must pay all co-payment fees before a new certificate is issued. It is the responsibility of the provider to report non-payment of co-payment fees to DECCD. The provider may not charge parents any cost over the assigned co-payment fee unless the cost for child care to the general public is higher than the amount paid by the certificate program.

103.04 CO-PAYMENT RECoupMENT/REPAYMENT

(1) If a parent's fee was assessed at a rate higher than the correct fee and the parent has made payment to the provider, the parent is to be reimbursed by the provider for the difference for each month paid. The correct fee is to be noted on the certificate and a notice of the change forwarded to the provider and the parent.

If a parent's fee was assessed at a rate lower than the correct fee, the parent is responsible for reimbursing the provider for the difference between the corrected co-payment amount and the incorrect co-payment amount that was paid.

103.05 PRORATING CO-PAYMENT FEES

The assessed co-payment fee reflects a monthly rate regardless of attendance. If a child is enrolled between the 1st and 15th of the month, the full monthly co-payment fee is assessed for the first month of service. If the child is enrolled between the 16th and last day of the month, one-half of the monthly co-payment fee is assessed for the first month of service. If a parent desires to change a provider during the month, it is the parent's responsibility to pay the appropriate co-payment fee to any subsequent providers.
SECTION 104: MISSISSIPPI ECHILDCARE

Mississippi eChildcare is a technology-based method of issuing payments to child care providers and tracking child attendance. Licensed child care facilities and their enrolled families will utilize Point of Service (POS) machines to track child attendance. Unlicensed providers and their enrolled families will utilize a telephone-based Interactive Voice Response (IVR) system to track child attendance. All providers will have access to the Mississippi eChildcare Portal to login and gain access to information related to authorized certificates assigned to their provider number. The following policies describe the Mississippi eChildcare requirements and processes for parents and child care providers.

104.01 DESCRIPTION OF POS AND IVR USE

1. The Mississippi eChildcare Program is a system used to track child attendance for children receiving subsidy funds from the Mississippi Child Care Payment Program. Payments are made to approved providers based on the information entered into the POS or IVR and other policies stated in this document. For licensed providers this system involves the use of a finger scan by a parent of household designee to document attendance at the child care facility on a daily basis. For unlicensed providers, this system involves the use of a land-line telephone system by a parent or household designee to document attendance at the child care facility on a daily basis. Parents or household designees can enter the current day’s attendance, or enter previous check in/out times for up to seven days, the current day and six previous days. The system is designed to accommodate these actions, but timely and accurate payment occurs when attendance is entered daily.

2. Each family case can have up to five finger scans, the parent is the primary scan and they may select up to four household designees that have the authority and responsibility to comply with POS and IVR processes daily. Parents are responsible for all actions in the POS and IVR, even if those actions were taken by a household designee. No employee of the child care center or the individual child care provider can be a household designee for any child attending their program.

3. Clients and their designees are responsible for recording the actual times and dates their child attends by either scanning their finger image into the POS machine or by using the IVR system.
   i. If the client or designee receives a denial message, the provider shall charge the client for that day of care. If it is later determined that the denial was in error, the provider shall reimburse the client for any payments made for care as a result of the denial message.
   ii. Providers shall monitor the POS machines and/or the Provider Portal to ensure correct attendance times and dates have been entered by the client. If the client makes an error, the provider shall void the transaction and ask the parent to enter the correct time and date of attendance.
   iii. When clients fail to enter attendance for a day that care was provided, record incorrect
times, or receive a denial message, the system will allow the client to enter a previous check in/out for the current day and the previous six days.

104.02 CLIENT RESPONSIBILITIES FOR RECORDING CHILD ATTENDANCE

The following policies describe the role and responsibility of clients with authorized certificates from the Mississippi Child Care Payment Program:

1. All clients and their selected Household Designees are required to view the Mississippi eChildCare training video for either the POS or the IVR, depending on the type of child care provider selected. Training videos are available on DECCD’s website, MDHS county offices, and at Mississippi Child Care Resource and Referral sites across the State.

2. All clients are responsible for identifying up to four Household Designees that will be allowed to check the child(ren) in and out of care daily. Parents are ultimately responsible for ensuring attendance is recorded at the provider site. Parents will enter the legal names of their selected household designees by logging into the Child Care Payment Program website upon completion of their training.

3. All clients and household designees utilizing a licensed child care facility are responsible for having their finger scanned into the Mississippi eChildcare system.

4. All clients are responsible for using the POS/IVR daily to record check in and out times at the provider location within seven days-the current day plus the previous six days. DECCD will only pay for recorded check ins and outs. If a client fails to use the POS/IVR to check the child in or out they are responsible for full payment to the provider for that day.

5. All clients are responsible for checking the POS/IVR message after each check in or out to determine if it is approved, denied, or pending. If the check in/out is denied or pending, the client is responsible for reporting the problem to the child care provider immediately.

6. All clients are responsible for maintaining the security of their personal identification number (PIN). This number should not be shared with the child care provider.

7. DECCD will not pay if one or more of the following occurs:

   i. The client did not record attendance timely for days and times their child was in care.

   ii. The client failed to get denied check ins/outs corrected within seven days.
iii. The child is absent and has exceeded the maximum number of allowed absence days.

104.03 PROVIDER RESPONSIBILITIES FOR MISSISSIPPI ECHILD CARE

The following policies describe the role and responsibilities of child care providers approved by the Mississippi Child Care Payment Program:

(1.) Providers shall never be in possession of the child’s PIN number, or use the client’s PIN number to record attendance.

(2.) Providers shall never move the POS machine to another location without receiving prior written approval from DECCD.

(3.) Providers shall require clients to enter attendance as care is used.

(4.) Providers shall never ask or require a client to enter attendance for a day the child does not attend.

(5.) Providers shall maintain all sign in/out sheets required for monitoring as described in Section 105.01 of this document.

(6.) Providers shall ensure that all attendance submitted is correct and void any incorrect transactions within the seven day limit-the current day and six previous days.
SECTION 105: PAYMENTS TO PROVIDERS FOR CHILD CARE SERVICES

105.01 SIGN-IN/OUT SHEETS

Providers are required to maintain a record of accurate attendance and absences on sign-in/out sheets and on daily class rolls for each child in order to document attendance. The sign-in/out sheets must show the child's first and last name, the full name of the parent/guardian or parent's authorized representative, the time the child is signed in with the signature of the person signing the child in, and the time the child is signed out with the signature of the person signing the child out each day. If sign-in/out sheets are not maintained and made available upon request and/or for Monitoring processes, or do not follow the policies described above, funds issued based on missing/erroneous information shall be recouped by DECCD. Unlicensed providers are not exempt from this policy.

105.02 PAYMENTS

(1.) Payments for child care services are made to providers in accordance with the policies described in this document.

(2.) DECCD makes bi-monthly payments to providers for child care services provided through a direct deposit process.

(3.) The payment week begins every Sunday at 12:01 a.m. and ends every Saturday at midnight.

(4.) Licensed providers shall receive one POS machine for every 50 children enrolled in their program with an authorized child care certificate. These machines will be installed within ten days of the approved provider reporting enrollment of a child with an authorized certificate at their center. No provider will receive a POS machine while seeking approval by the Mississippi Child Care Payment Program.

(5.) Adjustments are made when an overpayment or underpayment occurs.

i. An underpayment is the result of error by DECCD, or other MDHS Divisions making referrals for care. Once the error has been identified, funds will be disbursed with the next regularly scheduled payment to the provider.

A. Providers must report errors in their payment to DECCD using a Report of Underpayment form within ten days of receipt of incorrect payment.

B. If a client fails to record attendance, no payment is made to the licensed provider for those days. The licensed provider shall collect payment for these days from the client.

C. If the client’s attempts to enter attendance was denied in error, or incorrect rates were applied due to an error in eligibility information, DECCD will make a
manual adjustment upon receipt of the Report of Underpayment form.

ii. Overpayments are the result of error by DECCD, clients, or providers. Payment plans will be instituted so that funds are deducted from future payments made to the provider at a rate of 5% until the full amount that was overpaid has been recouped.

A. Payment plans will not exceed 12 months, unless approved by the Director of DECCD.

B. If a child care provider is debarred or suspended from participation in the Mississippi Child Care Payment Program before an overpayment is recouped in full, all future payments will be withheld in their entirety and applied to the outstanding balance.

105.03 CONDITIONS OF PAYMENT

(1) Licensed providers must file a copy of the center's published rates with DECCD annually. Providers are not allowed to charge a higher rate to families in the certificate program than the rate charged to the general public.

(2) A. If the child care center's policy states that a program stipend will be provided to non-certificate children, the provider must document the amount and the source of funds for each child on a monthly basis. Parent co-payment fees cannot be used as children's stipends. This documentation must be in hard copy such as check stubs receipts, etc., that will show Mississippi Department of Human Services auditors a clear paper trail of cash infusion from non-tuition sources and non-child-care-certificate monies sufficient to cover the full amount of tuition without any stipends.

B. Parents (including TANF workers) employed at a licensed center or group home may be eligible for a child care certificate providing that they do not care for their own child(ren). Nor can the child(ren) be included in a group assigned to the biological parent to maintain the adult/child ratio required by the Mississippi State Department of Health, Division of Child Care Licensure.

C. Rates of reimbursement are assigned on a certificate based on the provider type (licensed or unlicensed), age of child, and Tier level. A full-time rate may be charged for non-traditional child care. Non-traditional child care is appropriate when a parent requires full-time child care in lieu of before-and-after school care.

D. School-aged children and children who attend other programs such as Head Start will be reimbursed at the part-time rate for absences during vacation and holidays except during times when it is documented that the child(ren) attended the licensed child care center for the full-day because the school was not open or for out-of-school suspension during the school year. Full time reimbursement will be
issued for full time care provided by licensed centers when the primary school setting is closed or for out-of-school suspension.

E. Providers will be reimbursed at a part time rate for any day in which a school age child or child with a full-time/part-time certificate is present for a full day of care while their primary school setting is open.

F. Summer child care for school-aged children will be reimbursed at the full-time rate for absentees, vacation, and holidays.

G. If at any time during a CCPP year, a provider changes Tier reimbursement status, changes will be adjusted in the system to allow for future reimbursement at the appropriate rate.

i. If it becomes necessary for the Tier 1-eligible director to be absent for leave, DECCD must be notified within 10 days. DECCD will determine on a case-by-case basis if Tier 1 reimbursement will continue during leave.

H. Full-time certificate payments for school-age children may not be issued to students enrolled in grades one through twelve unless full-time care is needed during non-traditional hours and/or the primary school setting is closed.

I. Full-time certificate payments may be issued for 3 and 4 year olds enrolled in public or private pre-kindergarten programs where tuition is assessed. Certificates will expire on a child’s 5th birthday. Families who continue to meet eligibility criteria may apply to continue services until the child is 12 years of age, or 18 years of age if a special needs child. Additionally, 5 year old children whose parent(s) elect not to enroll their child(ren) in a public kindergarten program may receive full-time certificate funds until they reach the age of 6(six), which is the compulsory age for school attendance in the state of Mississippi.

105.04 ABSENTEES AND NOTICE

(1) If a child is repeatedly absent Due to a chronic illness, DECCD shall be notified by a letter from the child’s physician describing the likelihood of repeated absence. DECCD will make a notation in the system, and will pay licensed providers for absences that are reported due to chronic illness. Parents are responsible for paying their determined co-payment amount in full even if the child does not attend due to chronic illness.

(2) In the case of court-ordered visitation, DECCD must be notified and a copy of the visitation order of the court must be kept on file by the provider. Any days a child is absent due to court-ordered visitation will not count towards a child's paid absence day allotment of 15 days per program year. Parents are responsible for paying their determined co-payment
amount in full even if the child does not attend due to court ordered visitation.

(3) The Child Care Payment Program will provide a two-week notice for the termination of all certificates issued to licensed providers, except in the instance of substantiated provider fraud.

(4) A child care center must remain open on days when children are taken on field trips or any other day outside of the approved holiday list provided by DECCD for any children who cannot attend the field trips or need child care during holidays, etc.

(5) Clients utilizing licensed facilities shall enter in attendances. The absence of a matched check in/out will result in non-payment to the provider for all days in which this occurs. Unlicensed providers are paid for attendance only. Clients utilizing unlicensed providers do not have to use the IVR to record absences.
SECTION 106: INTERRUPTION OF CHILD CARE SERVICES

106.01 ALLOWABLE LEAVE TIME FOR PARENTS

(1) Parents who lose or change jobs are allowed a 60 day grace period from the last date of employment before child care services are terminated in order to give the parent time to be reinstated in their job, providing that a Change of Information form is submitted to DECCD within 10 working days of the change in employment. During this 60 day period, the parent is required to submit new eligibility documentation and be redetermined eligible for services. Failure to notify DECCD within 10 days of the change in employment or submit acceptable eligibility documentation shall result in the termination of services.

(2) Temporary Job Closings - Workers temporarily unemployed due to the nature of their work may include but are not limited to workers employed in construction, factories, or poultry and catfish processing plants. Extensions beyond the approved 60 days must gain approval from DECCD on a case-by-case basis.

(3) Natural Disaster - Child care services should be continued when parents are off work due to circumstances beyond the parent’s control such as hurricanes, floods, and tornado. Licensed child care providers shall be reimbursed when the center is closed temporarily due to a natural disaster for up to 10 business days per occurrence unless the parent needs to make alternate care arrangements. Unlicensed centers shall be reimbursed for actual attendance only.

(4) A pregnant mother is allowed six weeks of child care assistance during maternity leave. Documentation from a physician of the maternity leave must be included in the parent's file. If more leave time is required due to medical reasons, a physician’s statement must be submitted to DECCD. The parent must provide new eligibility documentation once she returns to work. Failure to submit acceptable eligibility documentation shall result in the termination of services.

(5) Fathers are allowed six weeks of child care assistance related to the birth of a child, if the employer/educational institution approves the leave time. Documentation in the form of a letter on the employer/educational letterhead allowing the leave of absence for this reason must be submitted to DECCD.

(6) Parent(s) are allowed six weeks of child care assistance in cases of adoption of a new child or when a Foster Child is placed in the home, if the employer/educational institution approves the leave time. Documentation in the form of a letter on the employer/educational letterhead allowing the leave of absence for this reason must be submitted to DECCD.

(7) Parent(s) are allowed up to thirty days of sick leave from their job if documented by their employer and physician. Extenuating circumstances in which additional time is required will be handled on a case-by-case basis.

(8) A child is allowed 15 paid absence days per federal fiscal year (beginning October 1 -
September 30). Absences related to court-ordered visitations, chronic illness, and medical treatment for children with special needs are not counted as vacation days as long as documentation of these circumstances is on file with DECCD.

(9) DECCD will pay for up to 11 holidays for the period beginning October 1 through September 30. If the Governor allows days in addition to the list below in observance of a holiday, providers will be notified that they are also allowed these extra days. If the identified holiday falls on a weekend, the DECCD Director will designate weekdays to observe the holiday at their discretion.

**106.02 REASONS FOR TERMINATION**

(1) TANF, TCC, Foster Children and Children in Preventive/Protective Services, and participants of Health Homes Mississippi are referred for services by a MDHS Case Manager/HHM Family Support Worker. Services shall be terminated upon notification by the Case Manager for TANF clients and Children in Foster, Preventive/Protective Services. Clients receiving TCC and participating in Healthy Homes Mississippi shall be terminated upon notice from a MDHS Division of Economic Assistance caseworker, HHM Family Support Worker, or when found to be out of compliance with requirements of the MDHS Division of Child Support Enforcement, when applicable.
(3) Non-payment of co-payment fees shall result in suspension from the Child Care Payment Program for a one-year period.

(4) A child care certificate may be terminated upon the request of the parent, or by DECCD in accordance with CCPP policy.

(5) Child care services will be terminated when a child grows older than the age requirements.

(6) If at any time a parent provides fraudulent information, child care services are immediately terminated and the client is ineligible to reapply for a one-year period. DECCD may elect to permanently disbar parents from participation in CCPP in accordance with Section 108.01(1) of this document.

(7) If a parent fails to use the POS or IVR system to record child attendance seven times within a program year, the certificate will be terminated.

106.03 CHANGE IN PROVIDER

(1) Parents are allowed to change providers when the current provider is no longer preferred. Parents must request a change in provider from DECCD prior to withdrawing the child, unless under emergency circumstances. The parent(s) shall give at least two weeks prior notice to the current provider before withdrawing the child from the center unless there are extenuating circumstances. While parents have the right to exercise parental choice in selecting a child care provider, certificates will not be issued to a provider until they have met all requirements to become a CCPP approved provider. Parents must select a CCPP approved provider. No payments will be issued for care provided while a provider is seeking to become an approved provider.
Section 107 DISPUTES

107.01 PARENTAL AND PROVIDER DISPUTES

(1) Any unresolved dispute concerning a question of fact under the Application/Agreement between DECCD and Parent or Provider shall be decided by the Director of the Division of Early Childhood Care and Development. In the review by the DECCD Director the Parent or Provider shall be afforded an opportunity to be heard and offer evidence in support of the questioned decision under review. This decision shall be reduced to writing and a copy thereof mailed or furnished to the Parent or Provider and shall be final and conclusive, unless, within thirty (30) days from the date of the decision, the Parent or Provider mails or delivers to the Executive Director of the Mississippi Department of Human Services a written request for review. Pending final decision of the Executive Director or his/her designee, DECCD will proceed in accordance with the decision of the Director of the Division of Early Childhood Care and Development. In addition, listed below are the procedures to be used when an Administrative Hearing for a Child Care Dispute is desired:

A. A Parent or Provider may not request a hearing on behalf of another individual or to discuss decisions regarding another person.

B. If an Administrative Hearing is desired, a written request for the Hearing must be submitted to the Director of the Division of Early Childhood Care and Development. If requested, an Administrative Hearing will be held with the Director of the Division of Early Childhood Care and Development serving as the Hearing Officer.

C. The Hearing Officer will be a neutral observer who will conduct the Hearing. The Hearing Officer will listen to both sides and then make a decision based upon the evidence that is provided.

D. This is an informal proceeding that gives both parties their due process rights and a forum to provide evidence. This is not an adverse process. Questions are to be asked only for clarification. If a party has legal representation, the attorney is there only to give legal advice to his/her client and not for direct or cross examination.
SECTION 108: FRAUD AND ABUSE

This section outlines the policies and procedures for handling alleged and/or substantiated fraud and exploitation in the Child Care Payment Program by a parent and/or provider.

108.01 POLICY STATEMENT

Any person applying for or receiving public assistance by using false statements, and any person assisting that person to receive such public assistance with knowledge of those false statements, is subject to criminal prosecution. The offense may be a misdemeanor when the amount received or requested is below $500 or a felony if the amount received or requested is above $500. If a child care center knowingly provides false information, a financial penalty will be imposed. Whether or not a criminal conviction results, at the first offense, recoupment will be made and the center may be disqualified from participating in the Child Care Payment Program, contingent upon whether the deception is intentional or unintentional.

108.02 SUSPECTED FRAUD OR ABUSE OF FUNDS

(1) DECCD staff will not attempt to resolve any suspicion of parent and/or provider fraud or misuse of funds. DECCD staff will collect any documentation to support an investigation of suspected fraud or misuse of funds. This documentation shall be referred directly to the Director of the MDHS Division of Early Childhood Care and Development for referral to the MDHS, Division of Program Integrity (DPI) for investigation. DECCD staff will not alert the parent and/or provider of any suspicion of fraud or misuse of funds while an investigation is pending. Funding may continue during the investigation.

(2) in the event that fraud is substantiated in a licensed child care facility, DECCD will assist the parent(s) with locating an alternative child care facility or home without an interruption in child care services unless the parent(s) chooses to keep their child(ren) at the center and forfeit the CCPP funding. In this situation, a notarized statement of fact from the parent(s) must be retained by DECCD. If it is determined that fraud was committed by a parent, the provider will be allowed two weeks’ notice of termination.

108.03 RECOUPEMENT OF FUNDS

(1) The MDHS, Division of Program Integrity (DPI) shall employ the required steps to recoup or attempt to recoup funds paid for ineligible services because of suspected parent or provider fraud or misuse of funds when unable to resolve otherwise. The steps include, but are not limited to:

   A. A letter outlining the DECCD policy violated, the total amount of funds to be repaid, the legal action to be pursued if the parent or facility owner fails to cooperate, and a response time frame of 15 calendar days; the letter and the report shall be sent to the alleged offender by certified mail; a copy shall be retained by
DPI and the Director of DECCD;

B. After the DPI completes an investigation of alleged fraud and/or misuse of funds, if applicable, criminal charges shall be filed with the appropriate local law enforcement agency, when fraud is substantiated.

C. When fraud is substantiated and criminal charges are filed with the local law enforcement agency, funds shall be recovered through restitution ordered by the court. Checks issued by the court for restitution shall be made payable to Treasurer, State of Mississippi and mailed directly to the MDHS, DPI.

D. The MDHS, DPI staff shall track receipt of checks issued for payment of restitution on a case-by-case basis until all funds have been recovered.

108.04 FINAL DISPOSITION FOR ACTION

A copy of any final judgment issued by the Court shall be forwarded directly to the MDHS, DPI and a copy of the final judgment will be provided to DECCD by the MDHS, DPI.
SECTION 109: MONITORING

109.01 MONITORING PROCEDURE

(1) DECCD will monitor a selection of licensed and unlicensed providers participating in the certificate program at least once annually. DECCD will select centers whose records indicate a need for technical assistance, for example, perfect attendance submitted for each child each month. According to MDHS Subgrantee Manual, DECCD staff may conduct monitoring visits un-announced. DECCD will not monitor any fiscal or children's files without the director or an approved supervisor staff person in attendance. Only necessary documentation should be requested from the parent and provider.

(2) Monitoring visits will include a review of the following records:

   A. Licensed and unlicensed providers must maintain a daily attendance roster (sign in/out sheets) for each child in accordance with Section 104.01(1) of this document.

   B. The attendance recorded on the provider’s sign in and out sheets will be compared to the attendance reported to DECCD. All documentation related to child attendance will be reviewed.

   C. The center's published rates charged to the general public will be compared to the rates requested and received on each certificate.

   D. Verify the payment of co-payment fees. Both licensed and unlicensed providers are required to maintain receipts for payment of monthly co-payment fees.

   E. A copy of the center's license, if applicable, will be requested if a current copy is not on file with DECCD.

   F. Records will be reviewed to verify that the center has retained a copy of the Center's Statement of Agreement.

   G. The center will be monitored to make sure that the hours of operation meet the needs of the full-time working parents plus travel time. The center must be open at least five (5) days per week.

   H. PARENT’S STATEMENT OF AGREEMENT

I agree to report to DECCD changes in any of the following within ten (10) days:

- Income
- Work hours or school enrollment
- Address or phone number
- Family size
- Child support
- Daycare provider

I understand that:

1. any change in my employment status (layoff, new job, change in income, maternity leave, change in number of work hours) or change in family size (new baby, marriage, divorce) could affect my co-pay fee or my eligibility.
2. I must pay a monthly co-payment fee to the child care provider and that failure to do so could result in termination from the child care program.
3. if the provider charges more than the program reimbursement rate, I will be responsible for paying that difference in addition to my co-payment, and that failure to pay this amount may result in provider discontinuing service.
4. if I change providers, I am required to report this change two weeks in advance to DECCD, and that failure to do so will delay payment to a new provider.
5. it is my responsibility and NOT the responsibility of the provider to ensure that DECCD is notified.
6. that payments for care cannot be made to another person living in the same household as my child.
7. if I use an unlicensed provider, she/he must meet criteria to become an approved provider and that payments will not be made to a provider who is not approved.
8. failure to comply with Child Support will result in termination of my certificate(s).
9. that my eligibility must be re-established periodically, in accordance with CCPP policies.
10. if I provide false information during the application or determination process my child care certificates will be terminated; I may face criminal prosecution; and/or suspension debarment from the program.

FRAUD: Any person applying for or receiving public assistance by using false statements, and any person assisting that person to receive such public assistance, with knowledge of those false statements, will be subject to criminal prosecution. This prosecution will be a misdemeanor when the amount received or requested is below $500, or a felony if the amount received is above $500.

GRIEVANCE PROCEDURE: Any dispute concerning a question of fact under this application/agreement which is not disposed of by agreement of the parties hereto shall be decided by the Director of the Division of Early Childhood Care & Development. In the review by the DECCD Director the parent/provider shall be afforded an opportunity to be heard and offer evidence in support of the questioned decision under review. This decision shall be reduced to writing and a copy thereof mailed or furnished to the parent/provider and shall be final and conclusive, unless, within thirty (30) days from the date of the decision, the parent/provider mails or furnishes the Executive Director of the Mississippi Department of Human Services a written request for review. Pending final decision of the Executive Director or his designee, DECCD will proceed in accordance with the decision of the Director of the Division of Early Childhood Care and Development.

A. If either or zero biological parents are NOT living in the same household with the child, parents/guardians are required to have an open child support case in order to receive child care subsidy.

B. If no child support case is open, parents MUST contact their local MDHS Division of Child Support Enforcement Office to make an appointment to open a case. NOTE: This requirement INCLUDES cases in which parents have an existing court-ordered child support agreement. Mississippi law states that ALL child support cases must be handled through MDHS Division of Child Support Enforcement.

C. In some cases, MDHS Division of Child Support can provide documentation that parents are excused from cooperating with Child Support. (This is typically due to a CS case being closed because the absent parent could not be located.) The statement from a CS officer should name the child or children and should be signed, dated, and include the official stamp of the county office.

D. In some cases in which pursuing Child Support would place either the custodial parent or the child in physical, emotional, or mental danger DECCD may waive this requirement. If this applies to you, please contact DECCD for instructions.

You may enroll your child with the child care provider of your choice, providing they qualify as an approved provider.

Any dispute concerning a question of fact under this application/agreement which is not disposed of by agreement of the parties hereto shall be decided by the Director of the Division of Early Childhood Care & Development. In the review by the DECCD Director the parent/provider shall be afforded an opportunity to be heard and offer evidence in support of the questioned decision under review. This decision shall be reduced to writing and a copy thereof mailed or furnished to the parent/provider and shall be final and conclusive, unless, within thirty (30) days from the date of the decision, the parent/provider mails or furnishes the Executive Director of the Mississippi Department of Human Services a written request for review. Pending final decision of the Executive Director or his designee, DECCD will proceed in accordance with the decision of the Director of the Division of Early Childhood Care and Development.

CHILD CARE PROVIDER STATEMENT OF AGREEMENT
CHILD CARE PAYMENT PROGRAM

As Director or Owner of this child care center, or as an in-home provider, I understand and agree to the following guidelines as they relate to the Child Care Payment Program (CCPP).

1. As a child care provider, I shall provide developmentally and culturally appropriate early childhood educational activities, including reading and writing.

2. ALL rates, fees, and discounts charged to CCPP participants must be offered and equal to those charged to non-participants. This means universal application of advertised tuition rates.

3. Parents or authorized parent representatives must use the POS or IVR system to check the child in and out daily AND sign the child in and out every day. I understand that center employees are not considered authorized parent representatives, unless the parent is employed by the provider. I understand that in order to be eligible for payment, sign in/out sheets and attendance from the POS or IVR system must reflect the same information.

4. I understand that in cases where documentation of co-payments and attendance cannot be provided, DECCD shall recoup payments related to these cases.

5. I understand that I shall maintain documentation regarding absences and changes in child attendance.

6. I agree to collect co-payment fees each month, maintain documentation of collection, and report non-payment to DECCD. I will deduct the paid co-payment amount from total fees owed before billing parents for services.

7. It is my responsibility to report any changes in ownership, tax identification number, address, phone number, center director, tier status, address, household membership (in home providers only), and licensing to DECCD within 10 days of occurrence.

8. I understand that if I am a Tier 1 provider, the director qualifying for Tier 1 must be on site for a minimum of six hours of the program day in order to receive Tier 1 reimbursement.

9. I agree not to exceed my licensed capacity, or the number of children I am allowed to provide care for.

10. I agree to remain in compliance at all times with any and all regulatory and licensing regulations.

11. I understand that I cannot offer any bribe or payments to any CCPP participants or child care staff to encourage enrollment at my center/home care environment.

12. I agree to report any suspicion of unemployment or school dropout of a CCPP parent to DECCD.

13. I agree to allow unlimited access to the program, including unannounced visits by parents and MDHS representatives, and to furnish reports and/or provide access to information concerning CCPP as requested by DECCD or MDHS representative.

14. As a CCPP approved provider, I understand that my program will be monitored by DECCD, or any representative of the Mississippi Department of Human Services at any time. If it is discovered that I am not in compliance with all applicable regulations, or that I have collected payments for which I was not entitled, recoupments will be made.

15. I understand that if I provide false information, a penalty will be imposed. At first offense, recoupments will be made and a provider may be suspended from participating in the CCPP. At second offense, recoupment will be made and permanent debarment from participating in CCPP will occur.

16. I agree to comply with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act when center-based and group-home care are provided.
19. I agree that any publicity given to the provider or services provided herein including, but not limited to, notices, information pamphlets, press releases, research, reports, signs, and similar public notices prepared by or for the provider shall not identify MDHS as a sponsoring agency nor display any MDHS name or logo in any manner without prior written approval by MDHS. 20. I agree that nothing contained in this Agreement shall be construed to constitute the provider or any of its employees, agents, or subcontractors as a partner, employee, or agency of MDHS, nor shall either party to this Agreement have any authority to bind the other in any respect, it being intended that each shall remain an independent entity. I agree to advise any client served under the terms of this Agreement of the independent status of the provider and MDHS. MDHS does not in any way warrant services rendered by the provider. 21. I agree that MDHS and their employees are to be held harmless for any claim growing out of any action performed by the provider and its agents, employees, or any of its subcontractors under any provisions of this Agreement.

**FRAUD:** Any person applying for or receiving public assistance by using false statements, and any person assisting that person to receive such public assistance, with knowledge of those false statements, will be subject to criminal prosecution. This prosecution will be a misdemeanor when the amount received or requested is below $500, or a felony if the amount received is above $500.

**GRIEVANCE PROCEDURE:** Any dispute concerning a question of fact under this application/agreement which is not disposed of by agreement of the parties hereto shall be decided by the Director of the Division of Early Childhood Care & Development. In the review by the DECCD Director the parent/provider shall be afforded an opportunity to be heard and offer evidence in support of the questioned decision under review. This decision shall be reduced to writing and a copy thereof mailed or furnished to the parent/provider and shall be final and conclusive, unless, within thirty (30) days from the date of the decision, the parent/provider mails or furnishes the Executive Director of the Mississippi Department of Human Services a written request for review. Pending final decision of the Executive Director or his designee, DECCD will proceed in accordance with the decision of the Director of the Division of Early Childhood Care and Development.

**MDHS AGREES:**
1. To pay the provider for services rendered in accordance with the terms agreed upon.
2. To provide written notification to the provider of the termination of the family/child.

**ALL PARTIES AGREE:**
1. That this Agreement may be terminated at any time by MDHS for cause, in whole or in part, for failure of the provider to perform any of the provisions hereof. Should MDHS exercise its right to terminate this Agreement under this Provision, the provider shall be notified in writing with reason and termination date specified.
2. Payment for services under this Agreement are subject to the availability of federal and/or state funding.

MEMORANDUM NO. 7643  
TO: County Directors  
FROM: Cheryl Sparkman, Director  
Division of Economic Assistance  
RE: Boys & Girls Clubs - After School and Summer Child Care Services  

This memorandum is issued to remind case management staff that after school and summer child care services are still provided by the Boys and Girls Clubs and to update the procedures issued in 2005.

The Boys and Girls Clubs receive funding through the Mississippi Department of Human Services to provide after school and summer child care services for eligible children. TANF parents and caretaker relatives who are interested in these services will be given a verbal referral to the local Boys and Girls Club to arrange child care services for their eligible children. Case managers will inform parents/caretakers that Boys and Girls Clubs charge a registration fee for each child and they will be responsible for paying these fees.

The regular TWP/TCC child care referral process will not apply if the parent/caretaker informs the case manager of his/her choice prior to generating and faxing a CR01, Child Care Referral, to the OCY Designated Agent. In this situation, the case manager will provide a verbal referral and document the case record accordingly via the PACK screen in JAWS. Anytime, after a child care referral (CR01) has been processed, a parent/caretaker chooses a Boys & Girls Club as the child care provider, the OCY Designated Agent will notify the case manager and document the Weekly Recap form accordingly. OCY Designated Agents will not issue a TANF/CCDF child care certificate to a Boys and Girls Club.

County Directors should ensure the Boys and Girls Clubs are included in their county's Resource Directory for after school and summer child care referral purposes.

If you have any questions or need additional information, please contact your Regional Director.

SECTION 102: CRITERIA FOR CHILD CARE SERVICES

102.01 ELIGIBLE PROVIDERS

(1) Parents have the right to choose the type of child care they would like for their child. The Division of Early Childhood Care and Development has categorized the choices available to parents as follows: a licensed child care center, group home, family child care home, or in-home child care provider; a child care center, group home, family day care home, relative provider (in home or out of home) and a non relative provider (in home or out of home). Parents must select a CCPP approved provider. No payments will be issued for care provided while a provider is seeking to become an approved provider. See Glossary of Terms for definitions of each.

(2) i. Child Care Centers and Group Homes
In order to receive reimbursement for services rendered, a child care center or group home must be licensed by the Mississippi State Department of Health. A copy of the license must be filed with DECCD annually upon renewal. The child care center or the group home must have a current license. Additionally, these licensed centers must remain in compliance at all times with the Mississippi State Department of Health's Regulations Governing Licensure of Child Care Facilities.

ii. If a center's license expires and services are being provided for children on the CCPP, DECCD may continue to pay the provider under the following conditions:

A. The Health Department has not officially closed the center;
B. The center's director submits a written request, on center letterhead, for child care payments to continue; and
C. The center provides copies of the licensing renewal fee payment, documentation of a current inspection, and a copy of correspondence from the licensing division stating why the license has not been renewed; and
D. A center with an expired license will be reimbursed for children with a current certificate up to the time frame allowed by the Mississippi State Department of Health; however, no new certificates will be issued until the license is renewed.
E. No payments will be issued for care provided while a provider is seeking to become an approved provider.

The decision to continue payments under these circumstances is solely at the discretion of the Director of the Division of Early Childhood Care & Development. All requests for payments under these conditions shall be submitted in the form of a written request to the Director describing the basis for the request to waive Provider Termination.

(3) i. Family Day Care Homes and Relative/Non-RelativeIn-Home Providers
In order to receive reimbursement, all unlicensed providers must keep a record of
immunizations for themselves and all children in their care in the form of a Form 121 Certificate of Immunization issued by the Department of Health, and a copy of the Basic Health, Safety and Nutrition Assurances. A signed copy of the Basic Health, Safety and Nutrition Assurances certifying that they will follow the guidelines should also be filed with DECCD. Individual, unlicensed providers must be at least eighteen (18) years of age and are prohibited by law from keeping more than five (5) children who are not related to the provider within the third degree computed according to civil law. A child care provider may not be reimbursed if they reside in the same household as the child(ren). Proof of separate residence may be required. Proof of residence will be established with a current driver's license or state issued I.D. and another form of identification that reflects the same address. A current bank statement, cell phone bill, utility bill or cable bill are acceptable. Addresses must match the address given as the location of care submitted on the application.

ii. In order for an unlicensed in-home provider to become/remain a CCPP approved provider, all individuals over the age of 18 years (relative or non-relative) residing and/or working full/part time in the provider’s residence shall submit all required information to undergo the Child Abuse and Neglect Central Registry Check. This information is submitted on the Child Abuse and Neglect Central Registry Check Form 107 with the initial provider application, and annually once approved. All individuals over the age of 18 years of age (relative and non-relative) residing and/or working full or part time in a home where childcare is given must clear the Child Abuse and Neglect Central Registry Check in order for a provider to be deemed eligible. Upon initial application to become an eligible provider, all in-home child care providers must complete and return the Child Abuse and Neglect Central Registry Check Form 107 to DECCD with their application. Additionally, providers are required to submit Form 107 on an annual basis. Providers will be deemed ineligible to participate in the certificate program in the event that they have prior convictions of child abuse and/or neglect. If an individual residing and/or working with the provider in the provider’s home is found to have a prior conviction of child abuse and/or neglect, eligibility will be suspended/denied until such time as the provider can provide proof that the offending individual no longer resides in the home. Failure on the part of the provider to accurately complete Form 107 may result in suspension/debarment from participation in the CCPP. Additionally, funds may shall be recouped.

iii. No payments will be issued for care provided while a provider is seeking to become an approved provider CCPP Approved Provider status. Approval is attained by successful completion of the Child Care Provider Application located at www.childcareinfo.ms.

SECTION 103: CO-PAYMENT FEES

103.01 DETERMINING CO-PAYMENT FEES

(1) TANF parents are not assessed a co-payment fee. For all other parents, co-payment fees are determined based upon the parent's family size and income according to the CCDF Child Care Monthly Co-payment Fee Scale for Parents.

(2) Co-payment fees are redetermined when there is a change in the parent's income or household size, or during annual redetermination of eligibility. The updated co-payment fee is effective on the first day of the month following the month of re-determination.

103.02 ASSESSING CO-PAYMENT FEES PER CHILD

(1) If a parent has one child receiving full-time child care services, the total co-payment fee should be placed on that child's certificate. If a parent has one child receiving part-time child care services, only half of the total co-payment fee should be placed on the child's certificate.

(2) If one child is in full-day care and part-day care during the same month, the fee should be assessed on the majority of the type of care provided. For example, if a child is served 16 part-time days and five full-time days, the part-time co-payment fee would be assessed for the month.

(3) If a parent has more than one child receiving full-time service, the total co-payment fee is divided equally among the number of children receiving care. If two or more children are receiving part-time services, one half of the divided fee should be placed on each certificate. If a parent has children receiving before/after child care and holiday/summer child care, a full co-payment fee and a half co-payment fee are placed on each certificate and the appropriate fee is deducted during the payment cycle.

(4) Exceptions:

A. If a parent has two children, one who is receiving full-year, full-time child care and one being added for holiday/summer child care only, the co-payment fee for the full-year, full-time care will remain the same. The parent is assessed an additional $10.00 fee for the child receiving holiday/summer child care.

B. If a parent has two or more children receiving full-year, full-time child care and one child receiving holiday/summer care only, the total co-payment fee is divided equally among the children attending full-time. The parent is not assessed a co-payment fee for the child receiving holiday/summer child care.

C. Parents assessed a minimum co-payment fee are:

i. Foster Children
ii. Children in Protective/Preventive Service

iii. Special Needs Children - Special Needs status must be documented. If there are other children in the family who are receiving child care services, the fee will be $10 or the child's prorated share of the family's co-payment fee, whichever is less. Services for children with Special Needs will continue until the child reaches 18 years of age.

103.03 NON-PAYMENT OF CO-PAYMENT FEES

Co-payment fees are to be paid during the current month directly to the provider according to payment arrangements established by the provider and parent. Providers must maintain proof of collection of co-payment fees, identified separately from tuition overage payments made by parents. Providers must provide proof of co-payment fees to parents in the form of a receipt including the parent’s name, date and amount of payment, center name, if applicable, and the child care provider’s name and signature. If a parent fails to pay the co-payment fee prior to the end of the month, the provider is required to notify DECCD. Non-payment of co-payment fees may result in termination of the parent from the certificate program CCPP. If the parent requests a change in a child care provider with an outstanding balance of co-payment fees to the current provider, prior to fees being paid in full to the original provider, the parent must pay all co-payment fees before a new certificate is issued. It is the responsibility of the provider to report non-payment of co-payment fees to DECCD. The provider may not charge parents any cost over the assigned co-payment fee unless the cost for child care to the general public is higher than the amount paid by the certificate program.

103.04 CO-PAYMENT RECOUPTMENT/REPAYMENT

(1) If a parent's fee was assessed at a rate higher than the correct fee and the parent has made payment to the provider, the parent is to be reimbursed by DECCD the provider for the difference for each month paid. The correct fee is to be noted on the certificate and a notice of the change forwarded to the provider and the parent.

(2) If a parent's fee was assessed at a rate lower than the correct fee, the parent and the provider are to be notified that the fee will be adjusted for subsequent months to make up the difference for each month paid. If the amount in question is less than $50.00, an adjustment to the fee is made but recoupment is not necessary. The provider is responsible for reimbursing the provider for the difference between the corrected co-payment amount and the incorrect co-payment amount that was paid.

103.05 PRORATING CO-PAYMENT FEES

The assessed co-payment fee reflects a monthly rate regardless of attendance. If a child is enrolled between the 1st and 15th of the month, the full monthly co-payment fee is assessed for the first month of service. If the child is enrolled between the 16th and last day of the month, one-half of the monthly co-payment fee is assessed for the first month of service. If a parent desires to change a provider during the month, it is the parent's responsibility to pay the appropriate co-payment fee to any subsequent providers.
SECTION 104: PAYMENTS TO PROVIDERS FOR CHILD CARE SERVICES

104.01 SIGN-IN/OUT SHEETS

Providers are required to maintain a record of accurate attendance and absences on sign-in/out sheets and on daily class rolls for each child in order to complete the payment ledger documenting attendance. The sign-in/out sheets must show the child's first and last name, the full name of the parent/guardian or parent's authorized representative, the time the child is signed in with the signature of the person signing the child in, and the time the child is signed out with the signature of the person signing the child out each day. If sign-in/out sheets are not maintained and made available upon request and/or for Monitoring processes, or do not follow the policies described above, funds issued based on missing/erroneous information will be recouped by DECCD. Unlicensed providers are not exempt from this policy.

104.02 PAYMENT LEDGER PROCESSES

Payment ledgers must be submitted electronically through the Child Care Payment System. Ledgers open to providers on the 1st day of the month and remain open until 11:59 p.m. CST on the 10th day of the month. Providers are required to complete their electronic ledger within this 10 day window. Ledgers submitted with complete and correct information will be processed for payment. If ledgers require further documentation in order to process payment, the provider will be contacted.

104.03 LEDGER PAYMENTS

If it is necessary to adjust the amount of funds issued based on the attendance information submitted on an e-ledger to DECCD or used to issue the certificate, the provider will be contacted and an adjustment will be made in the Child Care Payment System reflecting the change. If an overpayment has occurred, the provider is allowed the option of repaying the excess to DECCD or having the overpayment recouped from subsequent payments. Funds will be deducted from subsequent payments at a rate of 5% until the full amount has been recouped in full.

104.04 RATES AND CENTER POLICIES

(1) Licensed providers must file a copy of the center's published rates with DECCD annually. Providers are not allowed to charge a higher rate to families in the certificate program than the rate charged to the general public.

(2) A. If the child care center's policy states that a program stipend will be provided to non-certificate children, the provider must document the amount and the source of funds for each child on a monthly basis. Parent co-payment fees cannot be used as children's stipends. This documentation must be in hard copy such as check stubs receipts, etc., that will show Mississippi Department of Human Services auditors a clear paper trail of cash infusion from non-tuition sources and non-child-care-certificate monies sufficient to cover the full amount of tuition without any stipends.
B. DECCD will not monitor any fiscal or children's files without the director or an approved supervisor staff person in attendance. Only necessary documentation should be requested from the parent and provider.

C. Parents (including TANF workers) employed at a licensed center or group home may be eligible for a child care certificate providing that they do not care for their own child(ren). Nor can the child(ren) be included in a group assigned to the biological parent to maintain the adult/child ratio required by the Mississippi State Department of Health, Division of Child Care Licensure.

D. Rates of reimbursement are assigned on a certificate based on the provider type (licensed or unlicensed), age of child, and Tier level. A full-time rate may be charged for non-traditional child care. Non-traditional child care is appropriate when a parent requires full-time child care in lieu of before-and-after school care.

E. School-aged children and children who attend other programs such as Head Start will be reimbursed at the part-time rate for absences, during vacation and holidays except during times when it is documented that the child(ren) attended the licensed child care center for the full-day because the school was not open or for out-of-school suspension during the school year. Full time reimbursement will be issued for full time care provided by licensed centers when the primary school setting is closed or for out-of-school suspension. The provider must provide a written explanation on the ledger for the child(ren)'s full-time attendance in order to receive full-time reimbursement.

F. Providers will be reimbursed at a part time rate for any day in which a school age child or child with a full-time/part-time certificate is present for a full day of care while their regular educational facility primary school setting is open.

G. Summer child care for school-aged children will be reimbursed at the full-time rate for absentees, vacation, and holidays.

H. If at any time during a CCPP year, a provider changes Tier reimbursement status, changes will be adjusted in the system to allow for future reimbursement at the appropriate rate.

   i. If it becomes necessary for the Tier 1-eligible director to be absent for leave, DECCD must be notified within 10 days. DECCD will determine on a case-by-case basis if Tier 1 reimbursement will continue during leave.

I. Full-time certificate payments for school-age children may not be issued to students enrolled in grades one through twelve unless full-time care is needed during non-traditional hours and/or the primary school setting is closed.
J. Full-time certificate payments may be issued for 3 and 4 year olds enrolled in public or private pre-kindergarten programs where tuition is assessed. Certificates will expire on a child’s 5th birthday. Families who continue to meet eligibility criteria may apply to continue services until the child is 12 years of age, or 18 years of age if a special needs child. Additionally, 5 year old children whose parent(s) elect not to enroll their child(ren) in a public kindergarten program may receive full-time certificate funds until they reach the age of 6(six), which is the compulsory age for school attendance in the state of Mississippi.

104.04 OVER-PAYMENTS AND UNDER-PAYMENTS

(1) If a provider discovers an error in the payment issued, the provider is required to notify the DECCD to request an adjustment within 30 days of the issuance of the payment. Questioned payments or incorrect payments will be adjusted during the next regularly scheduled payment cycle.

(2) If an overpayment has occurred, the provider is allowed the option of re-paying the excess to DECCD or having the overpayment recouped from subsequent payments.

104.06 ABSENTEES AND NOTICE

(1) If a child is absent for more than two weeks for medical reasons, the parent is required to submit a doctor’s statement. Extenuating circumstances will be handled on a case-by-case basis.

(2) Licensed providers are to provide a written explanation at the bottom of the ledger for each child who is absent for three or more consecutive days.

(3) In the case of court-ordered visitation, DECCD must be notified and a copy of the visitation order of the court must be kept on file by the provider. Any days a child is absent due to court-ordered visitation will not count towards a child’s vacation paid absence days. The provider should indicate this reason on ledgers. Parents are responsible for paying their determined co-payment amount in full even if the child does not attend due to court-ordered visitation.

(4) The Child Care Payment Program will not be responsible for payments for services beyond the child’s last date of attendance, except when the provider’s written policy on file with DECCD requires a parent to give notice in advance of withdrawal. The time required for withdrawal notification will be reimbursed by DECCD except under emergency conditions such as abuse or neglect or other extenuating circumstances not to exceed two weeks provide a two-week notice for the termination of all certificates issued to licensed providers, except in the instance of substantiated provider fraud.
(5) A child care center must remain open on days when children are taken on field trips or are not on vacation and still need child care during holidays, etc.
SECTION 105: INTERRUPTION OF CHILD CARE SERVICES

105.01 ALLOWABLE LEAVE TIME FOR PARENTS

(1) Parents who lose or change jobs are allowed a 60 day grace period from the last date of employment before child care services are terminated in order to give the parent time to be reinstated in their job, providing that a Change of Information form is submitted to DECCD within 10 working days of the change in employment. During this 60 day period, the parent is required to submit new eligibility documentation and be redetermined eligible for services. Failure to submit acceptable eligibility documentation will result in the termination of services.

(2) Temporary Job Closings - Workers temporarily unemployed due to the nature of their work may include but are not limited to workers employed in construction, factories, or poultry and catfish processing plants. Extensions beyond the approved 60 days must gain approval from DECCD on a case-by-case basis.

(3) Natural Disaster - Child care services should be continued when parents are off work due to circumstances beyond the parent’s control such as hurricanes, floods, and tornado. Licensed child care providers should be reimbursed when the center is closed temporarily due to a natural disaster for up to 10 business days per occurrence unless the parent needs to make alternate care arrangements. Unlicensed centers are reimbursed for actual attendance only.

(4) A pregnant mother is allowed six weeks of child care assistance during maternity leave. Documentation from a physician of the maternity leave must be included in the parent’s file. If more leave time is required due to medical reasons, a physician’s statement must be submitted to DECCD. The parent must provide new eligibility documentation once she returns to work. Failure to submit acceptable eligibility documentation will result in the termination of services.

(5) Fathers are allowed six weeks of child care assistance related to the birth of a child, if the employer/educational institution approves the leave time. Documentation in the form of a letter on the employer/educational letterhead allowing the leave of absence for this reason must be submitted to DECCD.

(6) Parent(s) are allowed six weeks of child care assistance in cases of adoption of a new child or when a Foster Child is placed in the home, if the employer/educational institution approves the leave time.

(7) Parent(s) are allowed up to thirty days of sick leave from their job if documented by their employer and physician. Extenuating circumstances in which additional time is required will be handled on a case-by-case basis.

(8) A child is allowed 150 vacation/absence days per federal fiscal year (beginning October 1 - September 30). Absences related to court-ordered visitations, chronic illness,
and medical treatment for children with special needs are not counted as vacation days.

(9) DECCD will pay for up to 11 holidays for the period beginning October 1 through September 30. If the Governor allows days in addition to the list below in observance of a holiday, providers will be notified that they are also allowed these extra days. If the identified holiday falls on a weekend, the DECCD Director will designate weekdays to observe the holiday at their discretion.

105.02 REASONS FOR TERMINATION

(1) TANF, TCC, Foster Children and Children in Preventive/Protective Services, and participants of Health Homes Mississippi are referred for services by a MDHS Case Manager/HHM Family Support Worker. Services will—shall be terminated upon notification by the Case Manager for TANF clients and Children in Foster, Preventive/Protective Services. Clients receiving TCC and participating in Healthy Homes Mississippi shall be terminated upon notice from a MDHS Division of Economic Assistance caseworker, HHM Family Support Worker, or when found to be out of compliance with requirements of the MDHS Division of Child Support Enforcement, when applicable.

(2) Parents who fail to submit the required information for redetermination are allowed an additional five (5) days’ notice before services will be terminated.

(3) Non-payment of co-payment fees may result in termination from the Child Care Payment Program for a one-year period.

(4) A child care certificate may be terminated upon the request of the parent, or by DECCD in accordance with CCPP policy.

(5) Child care services will be terminated when a child grows older than the age requirements.

(6) If at any time a parent provides fraudulent information, child care services are immediately terminated and the client is ineligible to reapply for a one-year period. DECCD may elect to permanently disbar parents from participation in CCPP in accordance with Section 106.01(1) of this document.

105.03 CHANGE IN PROVIDER

(1) Parents are allowed to change providers no more than two times per federal fiscal year, unless warranted by certain situations such as relocation, child abuse/neglect, or the provider no longer provides child care services when the current provider is no longer preferred. Parents must request a change in provider from DECCD prior to withdrawing the child, unless under emergency circumstances. The parent(s) should—shall give at least two weeks prior notice to the current provider before withdrawing the child from the center unless there are extenuating circumstances. While parents have the right to exercise parental choice in selecting a child care provider, certificates will not be issued to a provider until they have met all requirements to become a CCPP approved provider. Parents must select a CCPP approved provider. No payments will be issued for care provided while a provider is seeking to become an approved provider.
Section 106 DISPUTES

106.01 PARENTAL AND PROVIDER DISPUTES

(1) Any unresolved dispute concerning a question of fact under the Application/Agreement between DECCD and Parent or Provider shall be decided by the Director of the Division of Early Childhood Care and Development. In the review by the DECCD Director the Parent or Provider shall be afforded an opportunity to be heard and offer evidence in support of the questioned decision under review. This decision shall be reduced to writing and a copy thereof mailed or furnished to the Parent or Provider and shall be final and conclusive, unless, within thirty (30) days from the date of the decision, the Parent or Provider mails or delivers to the Executive Director of the Mississippi Department of Human Services a written request for review. Pending final decision of the Executive Director or his/her designee, DECCD will proceed in accordance with the decision of the Director of the Division of Early Childhood Care and Development. In addition, listed below are the procedures to be used when an Administrative Hearing for a Child Care Dispute is desired:

A. A Parent or Provider may not request a hearing on behalf of another individual or to discuss decisions regarding another person.

B. If an Administrative Hearing is desired, a written request for the Hearing must be submitted to the Director of the Division of Early Childhood Care and Development. If requested, an Administrative Hearing will be held with the Director of the Division of Early Childhood Care and Development serving as the Hearing Officer.

C. The Hearing Officer will be a neutral observer who will conduct the Hearing. The Hearing Officer will listen to both sides and then make a decision based upon the evidence that is provided.

D. This is an informal proceeding that gives both parties their due process rights and a forum to provide evidence. This is not an adverse process. Questions are to be asked only for clarification. If a party has legal representation, the attorney is there only to give legal advice to his/her client and not for direct or cross examination.
SECTION 107: FRAUD AND ABUSE

This section outlines the policies and procedures for handling alleged and/or substantiated fraud and exploitation in the Child Care Payment Program by a parent and/or provider.

107.01 POLICY STATEMENT

Any person applying for or receiving public assistance by using false statements, and any person assisting that person to receive such public assistance with knowledge of those false statements, is subject to criminal prosecution. The offense may be a misdemeanor when the amount received or requested is below $500 or a felony if the amount received or requested is above $500. If a child care center knowingly provides false information, a financial penalty will be imposed. Whether or not a criminal conviction results, at the first offense, recoupment will be made and the center may be disqualified from participating in the Child Care Payment Program, contingent upon whether the deception is intentional or unintentional.

107.02 SUSPECTED FRAUD OR ABUSE OF FUNDS

(1) DECCD staff will not attempt to resolve any suspicion of parent and/or provider fraud or misuse of funds. DECCD staff will collect any documentation to support an investigation of suspected fraud or misuse of funds. This documentation shall be referred directly to the Director of the MDHS Division of Early Childhood Care and Development for referral to the MDHS, Division of Program Integrity (DPI) for investigation. DECCD staff will not alert the parent and/or provider of any suspicion of fraud or misuse of funds while an investigation is pending. Funding may continue during the investigation.

(2) Prior to terminating certificates at licensed child care facilities due to documented fraud in the event that fraud is substantiated in a licensed child care facility, DECCD will assist the parent(s) with locating an alternative child care facility or home without an interruption in child care services unless the parent(s) chooses to keep their child(ren) at the center and forfeit the CCPP funding. In this situation, a notarized statement of fact from the parent(s) must be retained by DECCD. If it is determined that fraud was committed by a parent, the provider will be allowed two weeks’ notice of termination.

107.03 RECOUPMENT OF FUNDS

(1) The MDHS, Division of Program Integrity (DPI) shall employ the required steps to recoup or attempt to recoup funds paid for ineligible services because of suspected parent or provider fraud or misuse of funds when unable to resolve otherwise. The steps include, but are not limited to:

A. A letter outlining the DECCD policy violated, the total amount of funds to be repaid, the legal action to be pursued if the parent or facility owner fails to cooperate, and a response time frame of 15 calendar days; the letter and the report shall be sent to the alleged offender by certified mail; a copy shall be retained by DPI and the Director of DECCD;
B. After the MDHS, DPI completes the investigation of alleged fraud and/or misuse of funds, if applicable, criminal charges shall be filed with the appropriate local law enforcement agency, when fraud is substantiated.

C. When fraud is substantiated and criminal charges are filed with the local law enforcement agency, funds shall be recovered through restitution ordered by the court. Checks issued by the court for restitution shall be made payable to Treasurer, State of Mississippi and mailed directly to the MDHS, DPI.

D. The MDHS, DPI staff shall track receipt of checks issued for payment of restitution on a case-by-case basis until all funds have been recovered.

107.04 FINAL DISPOSITION FOR ACTION

A copy of any final judgment issued by the Court shall be forwarded directly to the MDHS, DPI and a copy of the final judgment will be provided to DECCD by the MDHS, DPI.
SECTION 108: MONITORING

108.01 MONITORING PROCEDURE

(1) DECCD will monitor a selection of licensed and unlicensed providers participating in the certificate program at least once annually. DECCD will select centers whose records indicate a need for technical assistance, for example, ledgers marked with perfect attendance submitted for each child each month. According to MDHS Subgrantee Manual, DECCD staff may conduct monitoring visits un-announced.

(2) Monitoring visits will include a review of the following records:

A. Licensed and unlicensed providers must maintain a daily attendance roster (sign in/out sheets) for each child in accordance with Section 104.01(1) of this document.

B. The attendance recorded on the center's attendance roster will be compared to the attendance reported on the center's ledger to DECCD. All documentation related to child attendance will be reviewed.

C. The center's published rates charged to the general public will be compared to the rates requested and received on each certificate.

D. Verify the payment of co-payment fees. Both licensed and unlicensed providers are required to maintain receipts for payment of monthly co-payment fees.

E. A copy of the center's license, if applicable, will be requested if a current copy is not on file with DECCD.

F. Records will be reviewed to verify that the center has retained a copy of the Center's Statement of Agreement on file.

G. The center will be monitored to make sure that the hours of operation meet the needs of the full-time working parents plus travel time. This applies to non-traditional child care hours. The center must be open at least five (5) days per week.

H. The attendance will be checked to ensure that the center provider is not receiving more (CCDF and TANF) certificates than its’ licensed or allowed capacity at any given time (for example, non-traditional shifts, and before and after school). If it is determined during the monitoring visit that the center attendance exceeds the center provider's licensed or allowed capacity, then the situation will be reported to
the Mississippi State Department of Health, Child Care Licensure and DECCD. Attendance in excess of licensed or allowed capacity is considered fraudulent and shall result in a recoupment of funds issued for certificates in excess of licensed or allowed capacity.

I. Unlicensed centers/providers must provide copies of immunization records (Form 121 Certificate of Immunization issued by the Mississippi Department of Health) for providers and of all children enrolled in care.

J. Per the Center Statement of Agreement, all child care providers are notified that monitoring may be announced or unannounced. Refusal to cooperate in the monitoring process will result in a financial penalty.

(3) A. If a center is not accurately recording attendance or is charging different rates, the center will receive a letter concerning the finding(s). Any overpayments that occurred because of these two situations shall be recouped by DECCD. DECCD may demand direct repayment by the center to the Child Care Payment Program or may debit subsequent ledgers submitted by the center and make deductions from reimbursement checks issued to the center. DECCD may set up an installment repayment plan for the center.

B. A center with findings may be monitored again, by either announced or unannounced visits. If the center is still in non-compliance under the original finding(s), a copy of all correspondence regarding the matter should be forwarded to MDHS. It shall be forwarded to DECCD and processes for Suspension or Debarment described in this document will be engaged.

108.02 SUSPENSION AND DEBARMENT

(1) If a parent commits fraud or abuse, suspension or debarment will occur in addition to any financial penalties/recoupments necessary. During suspension, a parent may not apply for or receive CCPP funding until the date indicated on the Notice of Suspension.

(2) If a provider commits fraud or abuse, suspension or debarment will occur in addition to any financial penalties/recoupments necessary. During suspension, or upon debarment, a provider may not hold any administrative position in a facility or home in which CCPP subsidies are received. This includes any position responsible for the recording or tracking of enrollment and attendance as well as the completing and reporting of family/child status and/or enrollment and attendance to CCPP.
Section 109 PROVIDER REIMBURSEMENT LEVELS

SECTION 102: CRITERIA FOR CHILD CARE SERVICES

102.01 ELIGIBLE PROVIDERS

(1) Parents have the right to choose the type of child care they would like for their child. The Division of Early Childhood Care and Development has categorized the choices available to parents as follows: a licensed child care center, group home, family day care home, relative provider (in-home or out-of-home) and a non-relative provider (in-home or out-of-home) or in-home child care provider. Parents must select a CCPP approved provider. No payments will be issued for care provided while a provider is seeking to become an approved provider. See Glossary of Terms for definitions of each.

(2) i. Child Care Centers and Group Homes

In order to receive reimbursement for services rendered, a child care center or group home must be licensed by the Mississippi State Department of Health. A copy of the license must be filed with DECCD annually upon renewal. The child care center or the group home must have a current license. Additionally, these licensed centers must remain in compliance at all times with the Mississippi State Department of Health's Regulations Governing Licensure of Child Care Facilities.

ii. If a center's license expires and services are being provided for children on the CCPP, DECCD may continue to pay the provider under the following conditions:

A. The Health Department has not officially closed the center;
B. The center's director submits a written request, on center letterhead, for child care payments to continue; and
C. The center provides copies of the licensing renewal fee payment, documentation of a current inspection, and a copy of correspondence from the licensing division stating why the license has not been renewed; and
D. A center with an expired license will be reimbursed for children with a current certificate up to the time frame allowed by the Mississippi State Department of Health; however, no new certificates will be issued until the license is renewed.

E. No payments will be issued for care provided while a provider is seeking to become an approved provider.

The decision to continue payments under these circumstances is solely at the discretion of the Director of the Division of Early Childhood Care & Development. All requests for payments under these conditions shall be submitted in the form of a written request to the Director describing the basis for the request to waive Provider Termination.
Family Day Care Homes and Relative/Non-Relative In-Home Providers

In order to receive reimbursement, all unlicensed providers must keep a record of immunizations for themselves and all children in their care in the form of a Form 121 Certificate of Immunization issued by the Department of Health, and a copy of the Basic Health, Safety and Nutrition Assurances. A signed copy of the Basic Health, Safety and Nutrition Assurances certifying that they will follow the guidelines should also be filed with DECCD. Individual, unlicensed providers must be at least eighteen (18) years of age and are prohibited by law from keeping more than five (5) children who are not related to the provider within the third degree computed according to civil law. A child care provider may not be reimbursed if they reside in the same household as the child(ren). Proof of separate residence may be required. Proof of residence will be established with a current driver’s license or state issued I.D. and another form of identification that reflects the same address. A current bank statement, cell phone bill, utility bill or cable bill are acceptable. Addresses must match the address given as the location of care submitted on the application.

In order for an unlicensed in-home provider to become/remain a CCPP approved provider, all individuals over the age of 18 years (relative or non-relative) residing and/or working full/part time in the provider’s residence shall submit all required information to undergo the Child Abuse and Neglect Central Registry Check. This information is submitted on the Child Abuse and Neglect Central Registry Check Form 107 with the initial provider application, and annually once approved. All individuals over the age of 18 years of age (relative and non-relative) residing and/or working full or part time in a home where childcare is given must clear the Child Abuse and Neglect Central Registry Check in order for a provider to be deemed eligible. Upon initial application to become an eligible provider, all in-home child care providers must complete and return the Child Abuse and Neglect Central Registry Check Form 107 to DECCD with their application. Additionally, providers are required to submit Form 107 on an annual basis. Providers will be deemed ineligible to participate in the certificate program in the event that they have prior convictions of child abuse and/or neglect. If an individual residing and/or working with the provider in the provider’s home is found to have a prior conviction of child abuse and/or neglect, eligibility will be suspended/denied until such time as the provider can provide proof that the offending individual no longer resides in the home. Failure on the part of the provider to accurately complete Form 107 may result in suspension/debarment from participation in the CCPP. Additionally, funds may be recouped.

No payments will be issued for care provided while a provider is seeking to become an approved provider (CCPP Approved Provider status). Approval is attained by successful completion of the Child Care Provider Application located at www.childcareinfo.ms.

The responsible guardian is the person responsible for the parent's affairs; the guardian must meet the work requirement. The disabled parent's Supplemental Security Income should be used to calculate the co-payment fee.

C. If a single parent is disabled and there is no guardian, the application should be in the single parent's name. Child care can be provided if a written statement is submitted by a physician stating the nature of the disability and that the parent is unable to care for the child(ren).

D. If the guardian with whom the child(ren) reside(s) has a disability, child care can be provided if a written statement is submitted by a physician stating the nature of the
disability and that the guardian is unable to care for the child(ren). Verification of cooperation with Child Support Enforcement is required if the biological parents are not deceased.

(5) Parents enlisted in the United States Military and Deployed

When parents are enlisted in the United States Military and deployed, the eligibility should remain the same until the parent can provide the Military Income. The parent should provide the Military Income as soon as he or she has documentation. The grandparents or the responsible guardian’s income should not be counted but the grandparents or the responsible guardian must meet the 25 hours per week work requirement, unless they are 65 years of age or can provide proof that they have retired from full-time employment.

(6) Pell Grants

Pell Grants should not be considered as income when determining eligibility. Pell Grant funds and child care subsidy payments can be used simultaneously for child care services.

102.064 RE-DETERMINATION

(1) Re-Determination of working parent’s eligibility is to be re-established during the CCPP year in the months of February, March, April, and May. DECCD will send a letter to parent(s) requesting check stubs or other verification of employment and request verification of household/marital status. If the CCPP Application Packet is not returned by the due date indicated, a second notice should be mailed certified return receipt requested. If the mail has been returned undeliverable, the child care provider should be notified. Failure to comply with Re-Determination procedures may—shall result in termination of certificates.

(2) Re-Determination of parent’s eligibility for those enrolled in an approved educational program is determined every semester or quarter. Documentation for redetermination will include proof of school enrollment (if not currently on file), proof of employment, proof of household size and location, and proof of income. Failure to comply with Re-Determination procedures may—shall result in termination of certificates.

(3) When income is recalculated and there is a change in a co-payment fee, a notice is sent to the parent and the provider. The updated co-payment fee is effective on the first day of the month following the month of re-determination. If income increases beyond 85 percent of the State Median Income, child care will be terminated, giving a two-week notice. If the parent is no longer working, child care will be terminated, giving a two-week notice to the child care provider. If the parent has been temporarily laid off or has lost a job for other reasons, child care will not be terminated until 60 days after the last work day, giving the parent time to be reinstated in their job or to search for a job, provided the parent notified DECCD of loss of employment within 10 days of the event.
SECTION 103: CO-PAYMENT FEES

103.01 DETERMINING CO-PAYMENT FEES

(1) TANF parents are not assessed a co-payment fee. For all other parents, co-payment fees are determined based upon the parent’s family size and income according to the CCDF Child Care Monthly Co-payment Fee Scale for Parents.

(2) Co-payment fees are redetermined when there is a change in the parent’s income or household size, or during annual redetermination of eligibility. The updated co-payment fee is effective on the first day of the month following the month of re-determination.

103.02 ASSESSING CO-PAYMENT FEES PER CHILD

(1) If a parent has one child receiving full-time child care services, the total co-payment fee should be placed on that child's certificate. If a parent has one child receiving part-time child care services, only half of the total co-payment fee should be placed on the child's certificate.

(2) If one child is in full-day care and part-day care during the same month, the fee should be assessed on the majority of the type of care provided. For example, if a child is served 16 part-time days and five full-time days, the part-time co-payment fee would be assessed for the month.

(3) If a parent has more than one child receiving full-time service, the total co-payment fee is divided equally among the number of children receiving care. If two or more children are receiving part-time services, one half of the divided fee should be placed on each certificate. If a parent has children receiving before/after child care and holiday/summer child care, a full co-payment fee and a half co-payment fee are placed on each certificate and the appropriate fee is deducted during the payment cycle.

(4) Exceptions:

A. If a parent has two children, one who is receiving full-year, full-time child care and one being added for holiday/summer child care only, the co-payment fee for the full-year, full-time care will remain the same. The parent is assessed an additional $10.00 fee for the child receiving holiday/summer child care.

B. If a parent has two or more children receiving full-year, full-time child care and one child receiving holiday/summer care only, the total co-payment fee is divided equally among the children attending full-time. The parent is not assessed a co-payment fee for the child receiving holiday/summer child care.

C. Parents assessed a minimum co-payment fee are:

   i. Foster Children
ii. Children in Protective/Preventive Service
iii. Special Needs Children - Special Needs status must be documented. If there are other children in the family who are receiving child care services, the fee will be $10 or the child's prorated share of the family's co-payment fee, whichever is less. Services for children with Special Needs will continue until the child reaches 18 years of age.

103.03 NON-PAYMENT OF CO-PAYMENT FEES

Co-payment fees are to be paid during the current month directly to the provider according to payment arrangements established by the provider and parent. Providers must maintain proof of collection of co-payment fees, identified separately from tuition overage payments made by parents. Providers must provide proof of co-payment fees to parents in the form of a receipt including the parent’s name, date and amount of payment, center name, if applicable, and the child care provider’s name and signature. If a parent fails to pay the co-payment fee prior to the end of the month, the provider is required to notify DECCD. Non-payment of co-payment fees may result in termination of the parent from the certificate program CCPP. If the parent requests a change in a child care provider with an outstanding balance of co-payment fees to the current provider, prior to fees being paid in full to the original provider, the parent must pay all co-payment fees before a new certificate is issued. It is the responsibility of the provider to report non-payment of co-payment fees to DECCD. The provider may not charge parents any cost over the assigned co-payment fee unless the cost for child care to the general public is higher than the amount paid by the certificate program.

103.04 CO-PAYMENT RECOUPMENT/REPAYMENT

(1) If a parent's fee was assessed at a rate higher than the correct fee and the parent has made payment to the provider, the parent is to be reimbursed by DECCD the provider for the difference for each month paid. The correct fee is to be noted on the certificate and a notice of the change forwarded to the provider and the parent.

(2) If a parent's fee was assessed at a rate lower than the correct fee, the parent and the provider are to be notified that the fee will be adjusted for subsequent months to make up the difference for each month paid. If the amount in question is less than $50.00, an adjustment to the fee is made but recoupment is not necessary. is responsible for reimbursing the provider for the difference between the corrected co-payment amount and the incorrect co-payment amount that was paid.

103.05 PRORATING CO-PAYMENT FEES

The assessed co-payment fee reflects a monthly rate regardless of attendance. If a child is enrolled between the 1st and 15th of the month, the full monthly co-payment fee is assessed for the first month of service. If the child is enrolled between the 16th and last day of the month, one-half of the monthly co-payment fee is assessed for the first month of service. If a parent desires to change a provider during the month, it is the parent's responsibility to pay the appropriate co-payment fee to any subsequent providers.
SECTION 104: MISSISSIPPI ECHILD CARE

Mississippi eChildcare is a technology-based method of issuing payments to child care providers and tracking child attendance. Licensed child care facilities and their enrolled families will utilize Point of Service (POS) machines to track child attendance. Unlicensed providers and their enrolled families will utilize a telephone-based Interactive Voice Response (IVR) system to track child attendance. All providers will have access to the Mississippi eChildcare Portal to login and gain access to information related to authorized certificates assigned to their provider number. The following policies describe the Mississippi eChildcare requirements and processes for parents and child care providers.

104.01 DESCRIPTION OF POS AND IVR USE

(1.) The Mississippi eChildcare Program is a system used to track child attendance for children receiving subsidy funds from the Mississippi Child Care Payment Program. Payments are made to approved providers based on the information entered into the POS or IVR and other policies stated in this document. For licensed providers this system involves the use of a finger scan by a parent of household designee to document attendance at the child care facility on a daily basis. For unlicensed providers, this system involves the use of a land-line telephone system by a parent or household designee to document attendance at the child care facility on a daily basis. Parents or household designees can enter the current day’s attendance, or enter previous check in/out times for up to seven days, the current day and six previous days. The system is designed to accommodate these actions, but timely and accurate payment occurs when attendance is entered daily.

(2.) Each family case can have up to five finger scans, the parent is the primary scan and they may select up to four household designees that have the authority and responsibility to comply with POS and IVR processes daily. Parents are responsible for all actions in the POS and IVR, even if those actions were taken by a household designee. No employee of the child care center or the individual child care provider can be a household designee for any child attending their program.

(3.) Clients and their designees are responsible for recording the actual times and dates their child attends by either scanning their finger image into the POS machine or by using the IVR system.

   i. If the client or designee receives a denial message, the provider shall charge the client for that day of care. If it is later determined that the denial was in error, the provider shall reimburse the client for any payments made for care as a result of the denial message.
   ii. Providers shall monitor the POS machines and/or the Provider Portal to ensure correct attendance times and dates have been entered by the client. If the client makes an error, the provider shall void the transaction and ask the parent to enter the correct time and date of attendance.
   iii. When clients fail to enter attendance for a day that care was provided, record incorrect
times, or receive a denial message, the system will allow the client to enter a previous check in/out for the current day and the previous six days.

104.02 CLIENT RESPONSIBILITIES FOR RECORDING CHILD ATTENDANCE

The following policies describe the role and responsibility of clients with authorized certificates from the Mississippi Child Care Payment Program:

(1.) All clients and their selected Household Designees are required to view the Mississippi eChildCare training video for either the POS or the IVR, depending on the type of child care provider selected. Training videos are available on DECCD’s website, MDHS county offices, and at Mississippi Child Care Resource and Referral sites across the State.

(2.) All clients are responsible for identifying up to four Household Designees that will be allowed to check the child(ren) in and out of care daily. Parents are ultimately responsible for ensuring attendance is recorded at the provider site. Parents will enter the legal names of their selected household designees by logging into the Child Care Payment Program website upon completion of their training.

(3.) All clients and household designees utilizing a licensed child care facility are responsible for having their finger scanned into the Mississippi eChildcare system.

(4.) All clients are responsible for using the POS/IVR daily to record check in and out times at the provider location within seven days—the current day plus the previous six days. DECCD will only pay for recorded check ins and outs. If a client fails to use the POS/IVR to check the child in or out they are responsible for full payment to the provider for that day.

(5.) All clients are responsible for checking the POS/IVR message after each check in or out to determine if it is approved, denied, or pending. If the check in/out is denied or pending, the client is responsible for reporting the problem to the child care provider immediately.

(6.) All clients are responsible for maintaining the security of their personal identification number (PIN). This number should not be shared with the child care provider.

(7.) DECCD will not pay if one or more of the following occurs:

   i. The client did not record attendance timely for days and times their child was in care.

   ii. The client failed to get denied check ins/outs corrected within seven days.
iii. The child is absent and has exceeded the maximum number of allowed absence days.

104.03 PROVIDER RESPONSIBILITIES FOR MISSISSIPPI ECILDCARE

The following policies describe the role and responsibilities of child care providers approved by the Mississippi Child Care Payment Program:

   1. Providers shall never be in possession of the child’s PIN number, or use the client’s PIN number to record attendance.

   2. Providers shall never move the POS machine to another location without receiving prior written approval from DECCD.

   3. Providers shall require clients to enter attendance as care is used.

   4. Providers shall never ask or require a client to enter attendance for a day the child does not attend.

   5. Providers shall maintain all sign in/out sheets required for monitoring as described in Section 105.01 of this document.

   6. Providers shall ensure that all attendance submitted is correct and void any incorrect transactions within the seven day limit—the current day and six previous days.
SECTION 1054: PAYMENTS TO PROVIDERS FOR CHILD CARE SERVICES

1054.01 SIGN-IN/OUT SHEETS

Providers are required to maintain a record of accurate attendance and absences on sign-in/out sheets and on daily class rolls for each child in order to complete the payment ledger. The sign-in/out sheets must show the child's first and last name, the full name of the parent/guardian or parent's authorized representative, the time the child is signed in with the signature of the person signing the child in, and the time the child is signed out with the signature of the person signing the child out each day. If sign-in/out sheets are not maintained and made available upon request and/or for Monitoring processes, or do not follow the policies described above, funds issued based on missing/erroneous information will be recouped by DECCD. Unlicensed providers are not exempt from this policy.

104.02 PAYMENT LEDGER PROCESSES

Payment ledgers must be submitted electronically through the Child Care Payment System. Ledgers open to providers on the 1st day of the month and remain open until 11:59 p.m. CST on the 10th day of the month. Providers are required to complete their electronic ledger within this 10 day window. Ledgers submitted with complete and correct information will be processed for payment. If ledgers require further documentation in order to process payment, the provider will be contacted.

105.02 PAYMENTS

(1.) Payments for child care services are made to providers in accordance with the policies described in this document.

(2.) DECCD makes bi-monthly payments to providers for child care services provided through a direct deposit process.

(3.) The payment week begins every Sunday at 12:01 a.m. and ends every Saturday at midnight.

(4.) Licensed providers shall receive one POS machine for every 50 children enrolled in their program with an authorized child care certificate. These machines will be installed within ten days of the approved provider reporting enrollment of a child with an authorized certificate at their center. No provider will receive a POS machine while seeking approval by the Mississippi Child Care Payment Program.

(5.) Adjustments are made when an overpayment or underpayment occurs.

i. An underpayment is the result of error by DECCD, or other MDHS Divisions making referrals for care. Once the error has been identified, funds will be disbursed with the next regularly scheduled payment to the provider.
A. Providers must report errors in their payment to DECCD using a Report of Underpayment form within ten days of receipt of incorrect payment.

B. If a client fails to record attendance, no payment is made to the licensed provider for those days. The licensed provider shall collect payment for these days from the client.

C. If the client’s attempts to enter attendance was denied in error, or incorrect rates were applied due to an error in eligibility information, DECCD will make a manual adjustment upon receipt of the Report of Underpayment form.

ii. Overpayments are the result of error by DECCD, clients, or providers. Payment plans will be instituted so that funds are deducted from future payments made to the provider at a rate of 5% until the full amount that was overpaid has been recouped.

A. Payment plans will not exceed 12 months, unless approved by the Director of DECCD.

B. If a child care provider is debarred or suspended from participation in the Mississippi Child Care Payment Program before an overpayment is recouped in full, all future payments will be withheld in their entirety and applied to the outstanding balance.

104.03 LEDGER PAYMENTS

If it is necessary to adjust the amount of funds issued based on the information submitted on an e-ledger, the provider will be contacted and an adjustment will be made in the Child Care Payment System reflecting the change. If an overpayment has occurred, the provider is allowed the option of re-paying the excess to DECCD or having the overpayment recouped from subsequent payments.

1054.034 CONDITIONS OF PAYMENT, RATES AND CENTER POLICIES

(1) Licensed providers must file a copy of the center's published rates with DECCD annually. Providers are not allowed to charge a higher rate to families in the certificate program than the rate charged to the general public.

(2) A. If the child care center’s policy states that a program stipend will be provided to non-certificate children, the provider must document the amount and the source of funds for each child on a monthly basis. Parent co-payment fees cannot be used as children’s stipends. This documentation must be in hard copy such as check stubs receipts, etc., that will show Mississippi Department of Human Services auditors a clear paper trail of cash infusion from non-tuition sources and non-child-care-certificate monies sufficient to cover the full amount of tuition without any stipends.
B. DECCD will not monitor any fiscal or children's files without the director or an approved supervisor staff person in attendance. Only necessary documentation should be requested from the parent and provider.

BG. Parents (including TANF workers) employed at a licensed center or group home may be eligible for a child care certificate providing that they do not care for their own child(ren). Nor can the child(ren) be included in a group assigned to the biological parent to maintain the adult/child ratio required by the Mississippi State Department of Health, Division of Child Care Licensure.

CD. Rates of reimbursement are assigned on a certificate based on the provider type (licensed or unlicensed), age of child, and Tier level. A full-time rate may be charged for non-traditional child care. Non-traditional child care is appropriate when a parent requires full-time child care in lieu of before-and-after school care.

DE. School-aged children and children who attend other programs such as Head Start will be reimbursed at the part-time rate for absences, during vacation and holidays except during times when it is documented that the child(ren) attended the licensed child care center for the full-day because the school was not open or for out-of-school suspension during the school year. Full time reimbursement will be issued for full-time care provided by licensed centers when the primary school setting is closed or for out-of-school suspension. The provider must provide a written explanation on the ledger for the child(ren)'s full-time attendance in order to receive full-time reimbursement.

EF. Providers will be reimbursed at a part-time rate for any day in which a school age child or child with a full-time/part-time certificate is present for a full day of care while their regular educational facility, primary school setting is open.

FG. -Summer child care for school-aged children will be reimbursed at the full-time rate for absentees, vacation, and holidays.

GH. -If at any time during a CCPP year, a provider changes Tier reimbursement status, changes will be adjusted in the system to allow for future reimbursement at the appropriate rate.

i. If it becomes necessary for the Tier 1-eligible director to be absent for leave, DECCD must be notified within 10 days. DECCD will determine on a case-by-case basis if Tier 1 reimbursement will continue during leave.

HI. -Full-time certificate payments for school-age children may not be issued to students enrolled in grades one through twelve unless full-time care is needed during non-traditional hours and/or the primary school setting is closed.
II. Full-time certificate payments may be issued for 3 and 4 year olds enrolled in public or private pre-kindergarten programs where tuition is assessed. Certificates will expire on a child’s 5th birthday. Families who continue to meet eligibility criteria may apply to continue services until the child is 12 years of age, or 18 years of age if a special needs child. Additionally, 5 year old children whose parent(s) elect not to enroll their child(ren) in a public kindergarten program may receive full-time certificate funds until they reach the age of 6(six), which is the compulsory age for school attendance in the state of Mississippi.

104.04 OVER-PAYMENTS AND UNDER-PAYMENTS

(1) If a provider discovers an error in the payment issued, the provider is required to notify the DECCD to request an adjustment within 30 days of the issuance of the payment. Questioned payments or incorrect payments will be adjusted during the next monthly payment cycle.

(2) If an overpayment has occurred, the provider is allowed the option of re-paying the excess to DECCD or having the overpayment recouped from subsequent payments.

1054.046 ABSENTEES AND NOTICE

(1) If a child is repeatedly absent for more than two weeks for medical reasons, the parent is required to submit a doctor’s statement. Extenuating circumstances will be handled on a case-by-case basis. Due to a chronic illness, DECCD shall be notified by a letter from the child’s physician describing the likelihood of repeated absence. DECCD will make a notation in the system, and will pay licensed providers for absences that are reported due to chronic illness. Parents are responsible for paying their determined co-payment amount in full even if the child does not attend due to chronic illness.

(2) Licensed providers are to provide a written explanation at the bottom of the ledger for each child who is absent for three or more consecutive days.

(3) In the case of court-ordered visitation, DECCD must be notified and a copy of the visitation order of the court must be kept on file by the provider. Any days a child is absent due to court-ordered visitation will not count towards a child’s vacation paid absence days allotment of 15 days per program year. The provider should indicate this reason on ledgers. Parents are responsible for paying their determined co-payment amount in full even if the child does not attend due to court ordered visitation.

(4) The Child Care Payment Program will not be responsible for payments for services beyond the child’s last date of attendance, except when the provider’s written policy on file with DECCD requires a parent to give notice in advance of withdrawal. The time required for withdrawal notification will be reimbursed by DECCD except under emergency conditions such as abuse or neglect or other extenuating circumstances, not to exceed two
provide a two-week notice for the termination of all certificates issued to licensed providers, except in the instance of substantiated provider fraud.

(5) A child care center must remain open on days when children are taken on field trips or for vacation, any other day outside of the approved holiday list provided by DECCD for any children who cannot attend the field trips or are not on vacation and still need child care during holidays, etc.

(6) Clients utilizing licensed facilities shall enter in attendances. The absence of a matched check in/out will result in non-payment to the provider for all days in which this occurs. Unlicensed providers are paid for attendance only. Clients utilizing unlicensed providers do not have to use the IVR to record absences.
SECTION 1065: INTERRUPTION OF CHILD CARE SERVICES

1065.01 ALLOWABLE LEAVE TIME FOR PARENTS

(1) Parents who lose or change jobs are allowed a 60 day grace period from the last date of employment before child care services are terminated in order to give the parent time to be reinstated in their job, providing that a Change of Information form is submitted to DECCD within 10 working days of the change in employment. During this 60 day period, the parent is required to submit new eligibility documentation and be redetermined eligible for services. Failure to notify DECCD within 10 days of the change in employment or submit acceptable eligibility documentation will result in the termination of services.

(2) Temporary Job Closings - Workers temporarily unemployed due to the nature of their work may include but are not limited to workers employed in construction, factories, or poultry and catfish processing plants. Extensions beyond the approved 60 days must gain approval from DECCD on a case-by-case basis.

(3) Natural Disaster - Child care services should be continued when parents are off work due to circumstances beyond the parent's control such as hurricanes, floods, and tornado. Licensed child care providers should be reimbursed when the center is closed temporarily due to a natural disaster for up to 10 business days per occurrence unless the parent needs to make alternate care arrangements. Unlicensed centers shall be reimbursed for actual attendance only.

(4) A pregnant mother is allowed six weeks of child care assistance during maternity leave. Documentation from a physician of the maternity leave must be included in the parent's file. If more leave time is required due to medical reasons, a physician’s statement is required must be submitted to DECCD. The parent must provide new eligibility documentation once she returns to work. Failure to submit acceptable eligibility documentation will result in the termination of services.

(5) Fathers are allowed six weeks of child care assistance related to the birth of a child, if the employer/educational institution approves the leave time. Documentation in the form of a letter on the employer/educational letterhead allowing the leave of absence for this reason must be submitted to DECCD.

(6) Parent(s) are allowed six weeks of child care assistance in cases of adoption of a new child or when a Foster Child is placed in the home, if the employer/educational institution approves the leave time. Documentation in the form of a letter on the employer/educational letterhead allowing the leave of absence for this reason must be submitted to DECCD.

(7) Parent(s) are allowed up to thirty days of sick leave from their job if documented by their employer and physician. Extenuating circumstances in which additional time is required will be handled on a case-by-case basis.

(8) A child is allowed 150 vacation/absence, paid absence days per federal fiscal year.
(beginning October 1 - September 30). Absences related to court-ordered visitations, chronic illness, and medical treatment for children with special needs are not counted as vacation days as long as documentation of these circumstances is on file with DECCD.

(9) DECCD will pay for up to 11 holidays for the period beginning October 1 through September 30. If the Governor allows days in addition to the list below in observance of a holiday, providers will be notified that they are also allowed these extra days. If the identified holiday falls on a weekend, the DECCD Director will designate weekdays to observe the holiday at their discretion.

1065.02 REASONS FOR TERMINATION

(1) TANF, TCC, Foster Children and Children in Preventive/Protective Services, and participants of Health Homes Mississippi are referred for services by a MDHS Case Manager/HHM Family Support Worker. Services will be terminated upon notification by the Case Manager for TANF clients and Children in Foster, Preventive/Protective Services. Clients receiving TCC and participating in Healthy Homes Mississippi shall be terminated upon notice from a MDHS Division of Economic Assistance caseworker, HHM Family Support Worker, or when found to be out of compliance with requirements of the MDHS Division of Child Support Enforcement, when applicable.

(2) Parents who fail to submit the required information for redetermination are allowed an additional five (5) days’ notice before services will be terminated.

(3) Non-payment of co-payment fees may result in termination suspension from the Child Care Payment Program for a one-year period.

(4) A child care certificate may be terminated upon the request of the parent, or by DECCD in accordance with CCPP policy.

(5) Child care services will be terminated when a child grows older than the age requirements.

(6) If at any time a parent provides fraudulent information, child care services are immediately terminated and the client is ineligible to reapply for a one-year period. DECCD may elect to permanently disbar parents from participation in CCPP in accordance with Section 1086.01(1) of this document.

(7) If a parent fails to use the POS or IVR system to record child attendance seven times within a program year, the certificate will be terminated.

105.03 CHANGE IN PROVIDER

(1) Parents are allowed to change providers no more than two times per federal fiscal year, unless warranted by certain situations such as relocation, child abuse/neglect, or the provider no longer provides child care services when the current provider is no longer preferred. Parents must request a change in provider from DECCD prior to withdrawing the child, unless under emergency circumstances. The parent(s) should give at least two weeks prior notice to the current provider before withdrawing the child from the center unless there are extenuating circumstances. While parents have the right to exercise parental choice in selecting a child care provider, certificates will not be issued to a provider until they have met all requirements to become a CCPP approved provider. Parents must select a CCPP approved provider. No payments will be issued for care provided while a provider is seeking to become an approved provider.
Section 1076 DISPUTES

1076.01 PARENTAL AND PROVIDER DISPUTES

(1) Any unresolved dispute concerning a question of fact under the Application/Agreement between DECCD and Parent or Provider shall be decided by the Director of the Division of Early Childhood Care and Development. In the review by the DECCD Director the Parent or Provider shall be afforded an opportunity to be heard and offer evidence in support of the questioned decision under review. This decision shall be reduced to writing and a copy thereof mailed or furnished to the Parent or Provider and shall be final and conclusive, unless, within thirty (30) days from the date of the decision, the Parent or Provider mails or delivers to the Executive Director of the Mississippi Department of Human Services a written request for review. Pending final decision of the Executive Director or his/her designee, DECCD will proceed in accordance with the decision of the Director of the Division of Early Childhood Care and Development. In addition, listed below are the procedures to be used when an Administrative Hearing for a Child Care Dispute is desired:

A. A Parent or Provider may not request a hearing on behalf of another individual or to discuss decisions regarding another person.

B. If an Administrative Hearing is desired, a written request for the Hearing must be submitted to the Director of the Division of Early Childhood Care and Development. If requested, an Administrative Hearing will be held with the Director of the Division of Early Childhood Care and Development serving as the Hearing Officer.

C. The Hearing Officer will be a neutral observer who will conduct the Hearing. The Hearing Officer will listen to both sides and then make a decision based upon the evidence that is provided.

D. This is an informal proceeding that gives both parties their due process rights and a forum to provide evidence. This is not an adverse process. Questions are to be asked only for clarification. If a party has legal representation, the attorney is there only to give legal advice to his/her client and not for direct or cross examination.
SECTION 1087: FRAUD AND ABUSE

This section outlines the policies and procedures for handling alleged and/or substantiated fraud and exploitation in the Child Care Payment Program by a parent and/or provider.

1087.01 POLICY STATEMENT

Any person applying for or receiving public assistance by using false statements, and any person assisting that person to receive such public assistance with knowledge of those false statements, is subject to criminal prosecution. The offense may be a misdemeanor when the amount received or requested is below $500 or a felony if the amount received or requested is above $500. If a child care center knowingly provides false information, a financial penalty will be imposed. Whether or not a criminal conviction results, at the first offense, recoupment will be made and the center may be disqualified from participating in the Child Care Payment Program, contingent upon whether the deception is intentional or unintentional.

1087.02 SUSPECTED FRAUD OR ABUSE OF FUNDS

(1) DECCD staff will not attempt to resolve any suspicion of parent and/or provider fraud or misuse of funds. DECCD staff will collect any documentation to support an investigation of suspected fraud or misuse of funds. SECTION 1098: MONITORING

1098.01 MONITORING PROCEDURE

(1) DECCD will monitor a selection of licensed and unlicensed providers participating in the certificate program at least once annually. DECCD will select centers whose records indicate a need for technical assistance, for example, ledgers marked with perfect attendance submitted for each child each month. According to MDHS Subgrantee Manual, DECCD staff may conduct monitoring visits un-announced. DECCD will not monitor any fiscal or children’s files without the director or an approved supervisor staff person in attendance. Only necessary documentation should be requested from the parent and provider.

(2) Monitoring visits will include a review of the following records:

A. Licensed and unlicensed providers must maintain a daily attendance roster (sign in/out sheets) for each child in accordance with Section 104.01(1) of this document.

B. The attendance recorded on the center's provider’s sign in and out sheets attendance roster will be compared to the attendance reported on the center’s ledger to DECCD. All documentation related to child attendance will be reviewed.

C. The center's published rates charged to the general public will be compared to the rates requested and received on each certificate.

D. Verify the payment of co-payment fees. Both licensed and unlicensed providers are required to maintain receipts for payment of monthly co-payment fees.

E. A copy of the center's license, if applicable, will be requested if a current copy is not on file with DECCD.

F. Records will be reviewed to verify that the center has retained a copy of the Center's Statement of Agreement on file.

G. The center will be monitored to make sure that the hours of operation meet the needs of the full-time working parents plus travel time. This applies to non-traditional child care hours. The center must be open at least five (5) days per week.

H. The attendance will be checked to ensure that the center provider is not receiving more (CCDF and TANF) certificates than its’ licensed or allowed capacity at any given time (for example, non-traditional shifts, and before and after school). If it is determined during the monitoring visit that the center attendance exceeds the center provider's licensed or allowed capacity, then the situation will be reported to
the Mississippi State Department of Health, Child Care Licensure and DECCD. Attendance in excess of licensed or allowed capacity is considered fraudulent and shall result in a recoupment of funds issued for certificates in excess of licensed or allowed capacity.

I. Unlicensed centers/providers must provide copies of immunization records (Form 121 Certificate of Immunization issued by the Mississippi Department of Health) for providers and of all children enrolled in care.

J. Per the Center Statement of Agreement, all child care providers are notified that monitoring may be announced or unannounced. Refusal to cooperate in the monitoring process will result in a financial penalty.

3) A. If a center is not accurately recording attendance or is charging different rates, the center will receive a letter concerning the finding(s). Any overpayments that occurred because of these two situations shall be recouped by DECCD. DECCD may demand direct repayment by the center to the Child Care Payment Program or may debit subsequent ledgers submitted by the center and make deductions from reimbursement checks issued to the center. DECCD may set up an installment repayment plan for the center.

B. A center with findings may be monitored again, by either announced or unannounced visits. If the center is still in non-compliance under the original finding(s), a copy of all correspondence regarding the matter should be forwarded to MDHS shall be forwarded to DECCD and processes for Suspension or Debarment described in this document will be engaged.

1098.02 SUSPENSION, AND DEBARMENT, AND PENALTIES

(1) If a parent commits fraud or abuse, suspension or debarment will occur in addition to any financial penalties/recouplings necessary. During suspension, a parent may not apply for or receive CCPP funding until the date indicated on the Notice of Suspension.

(2) If a provider commits fraud or abuse, suspension or debarment will occur in addition to any financial penalties/recouplings necessary. During suspension, or upon debarment, a provider may not hold any administrative position in a facility or home in which CCPP subsidies are received. This includes any position responsible for the recording or tracking of enrollment and attendance as well as the completing and reporting of family/child status and/or enrollment and attendance to CCPP.

3.) Penalties shall be assessed of the provider if any of the following occur:

ii. The provider uses a client’s PIN number in the IVR process.

iii. The provider requests a parent submit attendance for days the child was not in care.

iv. The provider submits attendance through the use of a POS or IVR system.

(4.) When DPI determines that any of the previous scenarios have occurred, the following penalties shall be assessed in addition to the recoupment of the full amount issued to the provider as a result of the fraudulent activity:

i. The first violation shall result in a penalty of 10% of the total overpayment.

ii. The second violation shall result in a penalty of 20% of the total overpayment.

iii. The third violation shall result in a penalty of 30% of the total overpayment and debarment from participation in the Mississippi Child Care Payment Program.

2. I must pay a monthly co-payment fee to the child care provider and that failure to do so could result in termination from the child care program.

3. if the provider charges more than the program reimbursement rate, I will be responsible for paying that difference in addition to my co-payment, and that failure to pay this amount may result in provider discontinuing service.

4. if I change providers, I am required to report this change two weeks in advance to DECCD, and that failure to do so will delay payment to a new provider.

5. it is my responsibility and NOT the responsibility of the provider to ensure that DECCD is notified.

6. I can request a change in provider only two times during the year.

7. if I withdraw my child from a provider without giving two weeks’ notice, I am responsible for payment to the provider, and that the DECCD will not double-pay for my child.

8. if my child is absent for three (3) consecutive days, I am to contact the provider to provide an explanation, and that failure to do so requires the provider to alert DECCD and my application for services will be reviewed.

9. if my child is absent for more than two weeks, I am responsible for payment to the provider. If extended absences are due to custody agreements or medical reasons, I must submit documentation to my provider.

10. I or my authorized representative must sign my child(ren) in and out at the provider every day by providing the first and last name of the adult signing in/out, and that failure to do so will cause the provider to pay for those days of care. (NOTE: If this occurs, the provider may charge me for time not covered by my certificate).

11. that payments for care cannot be made to another person living in the same household as my child.

12. if I use an unlicensed provider, she/he must meet criteria to become an approved provider and that payments will not be made to a provider who is not approved.

In the review by the DECCD Director the parent/provider shall be afforded an opportunity to be heard and offer evidence in support of the questioned decision under review. This decision shall be reduced to writing and a copy thereof mailed or furnished to the parent/provider and shall be final and conclusive, unless, within thirty (30) days from the date of the decision, the parent/provider mails or furnishes the Executive Director of the Mississippi Department of Human Services a written request for review. Pending final decision of the Executive Director or his designee, DECCD will proceed in accordance with the decision of the Director of the Division of Early Childhood Care and Development.

A. If either or zero biological parents are NOT living in the same household with the child,
   parents/guardians are required to have an open child support case in order to receive child care
   subsidy.
B. If no child support case is open, parents MUST contact their local MDHS Division of Child Support
   Enforcement Office to make an appointment to open a case. NOTE: This requirement INCLUDES
   cases in which parents have an existing court-ordered child support agreement. Mississippi law
   states that ALL child support cases must be handled through MDHS Division of Child Support
   Enforcement.
C. In some cases, MDHS Division of Child Support can provide documentation that parents are excused
   from cooperating with Child Support. (This is typically due to a CS case being closed because the
   absent parent could not be located.) The statement from a CS officer should name the child or
   children and should be signed, dated, and include the official stamp of the county office.
D. In some cases in which pursuing Child Support would place either the custodial parent or the child in
   physical, emotional, or mental danger DECCD may waive this requirement. If this applies to you,
   please contact DECCD for instructions.

As Director or Owner of this child care center, or as an in-home provider, I understand and agree to the following guidelines as they relate to the Child Care Payment Program (CCPP).

1. As a child care provider, I will provide developmentally and culturally appropriate early childhood educational activities, including reading and writing.
2. All rates, fees, and discounts charged to CCPP participants must be offered and equal to those charged to non-participants. This means universal application of advertised tuition rates.
3. All absences will be indicated on the ledger.
4. Parents or authorized parent representatives must use the POS or IVR system to check the child in and out daily AND sign the child in and out every day. I understand that center employees are not considered authorized parent representatives, unless the parent is employed by the provider. I understand that in order to be eligible for payment, sign in/out sheets and ledgers attendance from the POS or IVR system must reflect the same information.
5. I understand that in cases where documentation of co-payments and attendance cannot be provided, DECCD will recoup payments related to these cases.
6. I will submit comments as required on the ledger reflecting maintain documentation regarding absences and changes in child attendance.
7. I agree to submit payment ledgers each month by the due date in order to be eligible for payment.
8. I agree to collect co-payment fees each month, maintain documentation of collection, and report non-payment to DECCD. I will deduct the paid co-payment amount from total fees owed before billing parents for services.
9. It is my responsibility to report any changes in ownership, tax identification number, address, phone number, center director, tier status, address, household membership (in home providers only), and licensing to DECCD within 10 days of occurrence.
10. I understand that if I am a Tier 1 provider, the director qualifying for Tier 1 must be on site for a minimum of six hours of the program day in order to receive Tier 1 reimbursement.
11. I agree not to exceed my licensed capacity, or the number of children I am allowed to provide care for.
12. I agree to remain in compliance at all times with any and all regulatory and licensing regulations.
13. I understand that I cannot offer any bribe or payments to any CCPP participants or child care staff to encourage enrollment at my center/home care environment.
14. I agree to report any suspicion of unemployment or school dropout of a CCPP parent to DECCD.
15. I agree to allow unlimited access to the program, including unannounced visits by parents and MDHS representatives, and to furnish reports and/or provide access to information concerning CCPP as requested by DECCD or MDHS representative.
16. As a CCPP approved provider, I understand that my program will be monitored by DECCD, or any representative of the Mississippi Department of Human Services at any time. If it is discovered that I am not in compliance with all applicable regulations, or that I have collected payments for which I was not entitled, recoupments will be made.
17. I understand that if I provide false information, a penalty will be imposed. At first offense, recoupments will be made and a provider may be suspended from participating in the CCPP. At second offense, recoupment will be made and permanent debarment from participating in CCPP will occur.
18. I agree to comply with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act when center-based and group-home care are provided.

I agree to advise any client served under the terms of this Agreement of the independent status of the provider and MDHS. MDHS does not in any way warrant services rendered by the provider.

FRAUD: Any person applying for or receiving public assistance by using false statements, and any person assisting that person to receive such public assistance, with knowledge of those false statements, will be subject to criminal prosecution. This prosecution will be a misdemeanor when the amount received or requested is below $500, or a felony if the amount received is above $500.

MEMORANDUM NO. 7643

TO: County Directors
FROM: Cheryl Sparkman, Director Division of Economic Assistance

RE: Boys & Girls Clubs - After School and Summer Child Care Services

This memorandum is issued to remind case management staff that after school and summer child care services are still provided by the Boys and Girls Clubs and to update the procedures issued in 2005.

The Boys and Girls Clubs receive funding through the Mississippi Department of Human Services to provide after school and summer child care services for eligible children. TANF parents and caretaker relatives who are interested in these services will be given a verbal referral to the local Boys and Girls Club to arrange child care services for their eligible children. Case managers will inform parents/caretakers that Boys and Girls Clubs charge a registration fee for each child and they will be responsible for paying these fees.

The regular TWP/TCC child care referral process will not apply if the parent/caretaker informs the case manager of his/her choice prior to generating and faxing a CR01, Child Care Referral, to the OCY Designated Agent. In this situation, the case manager will provide a verbal referral and document the case record accordingly via the PACK screen in JAWS. Anytime, after a child care referral (CR01) has been processed, a parent/caretaker chooses a Boys & Girls Club as the child care provider, the OCY Designated Agent will notify the case manager and document the Weekly Recap form accordingly. OCY Designated Agents will not issue a TANF/CCDF child care certificate to a Boys and Girls Club.

County Directors should ensure the Boys and Girls Clubs are included in their county's Resource Directory for after school and summer child care referral purposes.

If you have any questions or need additional information, please contact your Regional Director. CS :JD:VB:SG:sg
