CLASS DESCRIPTIONS

ABS AND GLUTES
Feel the burn! Join in on this high intensity workout focusing on your glutes and your abs.

ACTIVE OLDER ADULTS (AOA)
This lively low impact workout combines fun movements to improve cardiovascular endurance with muscular strength and flexibility routines.

ADA CARDIO CIRCUIT
Increase your cardiovascular and muscular power with a standing circuit workout. Upper body strength work is alternated with non-impact aerobic choreography. A chair is offered for support, stretching and relaxation exercises.

BODY SHOP
Body Shop provides a high-intensity full body workout that combines cardio and strength training. This circuit style class will work your entire body with little rest between exercises. Rotations between balls, steps, ropes and free weights included.

BOOTCAMP
In this bootcamp style class experience high-intensity, full-body workouts that target the major muscle groups of the upper and lower body, specifically designed to make you sweat. From circuit-style routines that jump-start cardio fitness, to creative muscle-toning exercises using dumbbells, medicine balls, or even the participant’s body weight, each class brings its own unique challenges.

CARDIO STRENGTH
This high-energy class includes both strength training and aerobic exercise, and may use a step platform.

CLASSICAL PILATES CONDITIONING
Dedicated to authentic teachings of Joseph H Pilates’ method of exercise, class consists of circuit style mat work designed to develop core, improve muscular endurance, increase flexibility and enhance body awareness. Emphasis placed on proper form and precise movements resulting in body definition without bulk. Appropriate for all ages and fitness levels.

CONDITIONING FOR ACTIVE OLDER ADULTS (AOA)
Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance, and a chair is used for seated and/or standing support.

CYCLING | HIP-HOP CYCLING
This high-energy class includes both strength training and aerobic exercise, and may use a step platform. Hip Hop Cycling adds a unique twist to traditional cycling by adding old school and new school hip hop melodies.

HATHA FLOW YOGA | RESTORATIVE YOGA
Basic postures release tension and stress, promote flexibility, strength and restore peace of mind.

HI-IT
High-Intensity-Interval Training is an intense workout comprised of mostly bodyweight exercises and cardio. A total body workout that will get your heart rate up while sculpting lean muscles. This class is designed to help push your limits and leaving you feeling good.

GROUP CYCLING
Simulating various terrains on a stationary bike this class is an amazing non-impact cardio workout. Please arrive 10 minutes prior to class starting so you have time to adjust your bicycles and warm-up. Instructors will be available to help.

ENHANCE FITNESS
Sponsored by Group Health, Enhance Fitness is an exercise program for older adults designed to improve physical conditioning levels and to decrease the risk of falling. This class includes stretching, low-impact aerobics, balance training and strengthening.

KARATE (S)
Shaped by East Asian philosophical concepts, karate focuses on increasing physical fitness, building self confidence and respect for self and others. Registration required.

LEVEL II YOGA
Designed to take students to intermediate level of yoga practices, learn advanced yoga postures and sequences that will require additional strength, stamina and flexibility.

PILES
Based on Joseph Pilates mat technique, this class is designed to increase core strength and flexibility plus align the mind and body. Series of movements are linked with the breath and performed from a sitting, reclining, or standing position and may include equipment such as stability balls, resistance bands, and weights.

SENIOR FOAM ROLLER YOGA | INTERMEDIATE SENIOR YOGA | GENTLE YOGA
This most gentle and adaptable yoga class is suitable for new exercisers, seniors and those with physical challenges. Range of motion, relaxation, and breathing techniques are emphasized. This class can be done from a chair.

SPECIALIZED RECREATION
Created to bring together kids and families with and without disabilities to participate in physical activity, the class emphasizes increasing participant skills, team building, and enjoying fitness. A weekly family class with a variety of formats.

STEP & STRENGTH
Combining elements from fitness trends old and new, Step & Strength adds a challenging full-body workout. Step aerobics uses choreography performed on an adjustable step platform, while barre focuses on balance, muscular endurance, and coordination. Other props used may include weights, stability balls, and mats.

STRETCH
Reduce stress and create body harmony in this stretching class designed to stretch the entire body, including the lower back and core area. Mind and body stretching techniques designed to release tension, increase flexibility and stimulate circulation.

TOTAL BODY STRENGTH
Total Body Strength provides a high-intensity full body workout. It’s a bootcamp that combines cardio and strength training. This circuit style class will work your entire body with little rest between exercises.

U-JAM®
U-Jam Fitness is a high energy dance fitness class that takes dances from all over the world and mixes it with urban, hip hop flavor. Great for beginners and beyond.

WOMEN’S ONLY YOGA
This class creates a comfortable and nurturing environment for females. Offering movements and poses to various skill levels, this class encourages women of all ages and backgrounds to enjoy benefits of yoga.

YOGA FOR BEGINNERS | YOGA INTERMEDIATE | ADVANCED YOGA PRACTICES
Yoga is an ancient practice that uses a combination of relaxation, breathing techniques and exercise to combat stress, help circulation and movement of the joints. It can be practiced by anyone to achieve greater health.

YOGA CORE
In Yoga Core, you will be guided through a dynamic series of yoga poses and movements to strengthen, stretch and stabilize the core of your body, including abdominals, mid and lower back, upper thighs and glutes.

YOGA & MEDITATION | YIN YOGA
Combine your love for Yoga with meditation, the art of breathing, concentration, contemplation, visualizations and deep relaxation. Class may vary in meditative style allowing for all levels to establish a meditation practice. This class will help relieve stress, increase happiness and develop patience.
