CONGRATULATIONS!!!
On behalf of Hartney C.O.P.P.
I would like to congratulate Jaydene Somerville on her graduation from the Police Academy - Phase I. The Hartney R.C.M.P/C.O.P.P. Bursary was started in 1998 and Jaydene is the first one - not only to enter the Law Enforcement field - but also to graduate. Again, congratulations and good luck in the future.

Gord McGowan
On behalf of Hartney C.O.P.P.

BODIN - We wish to express our heartfelt thanks and appreciation to our family, friends and neighbors for their kindness, sympathy and thoughtfulness shown to our family after Ron’s passing. The cards, calls, flowers, donations made in Ron's name, visits and food brought to our homes were overwhelming and greatly appreciated. We would like to thank Dr.'s Cram and Stone and the Staff of Souris Hospital and Palliative Care Unit for the care, kindness and compassion given to Ron and our family. Thanks also to Dr.'s Krcck and Schroeder and the Cancer Care Unit in Winnipeg for their care. Thank you to the Deleau ladies for providing lunch and the bus kid's for serving. Thank you to Dexter and Bill of Kowalchuk's Funeral Home for their help and guidance during this difficult time.

Myrna & family

LEAGUE FINALS:
AUG. 8 - 19  (BEST OF 5 )

Come out and cheer for your Hoppers and Hopperettes this summer!
SOS Newsline
By Susan Peloquin

I recently attended a workshop on “Engaging Today’s Volunteers” and “Risk Management and Liability” put on by Volunteer Manitoba for the Senior Services Resource Coordinators that have offices within the Assiniboine RHA. I learned a few things that surprised me. Volunteers in Canada contribute 156 hours a year. Manitoba falls in at a little less then that with 141 hour a year. Nova Scotia has the most with 207, Quebec the least with 128.

Young adults aged 15-24 had the highest participation rate for volunteering in Manitoba. In other words more people volunteer at that age, but not for as many hours. They also tend to volunteer for things that have a direct impact on their life, such as sports, or for activities that will give them advantages in launching a career or furthering their education. They are very much into social media ie. Facebook, twitter, and are more apt to be motivated by organizations that use these communication devices.

Older adults age 65 plus volunteer the most hours in Manitoba at 184 hours per year. That means that this segment of the population spends a whole extra 43 hours per year volunteering over the average Manitoban. People this age grew up volunteering have spent their whole lives volunteering and have always been motivated to volunteer by the well being of the community. They are a segment of society that it is going to be difficult to replace due to their unselfish dedication to their organizations. Volunteer organizations are going to have to shift how they recruit and maintain volunteers in order to stay viable.

“Advances in technology, shifting demographics and increased resource pressures mean our organizations need to re-evaluate all facets of volunteer engagement and embrace different approaches.” – Bridging the Gap, December 2010

Volunteering at the Hartney SOS. As an organization we are always looking for people to do driving for seniors, help at seniors events, do “friendly visiting” to shut ins and to do fee for service work such as housework, lawn mowing, yard work and handy person work. A lot of this volunteering is done in a pretty informal way. I discovered at this work shop that there are definite advantages to do this in a more formal way, especially when it comes to “Risk Management and Liability.” If you are going to be, for instance, cleaning a seniors house, there are advantages to being registered with the SOS as you are then covered under our liability insurance if something happens. In order to be covered, however, your work must be documented. You must have filled out a recent Volunteer or Fee for Service Volunteer form and your client must have made arrangements through the SOS for the service. In today’s world of insurance companies going after other insurance companies for damages, it is a good idea to be as covered as possible. No information on “Volunteering at the Hartney SOS” would be complete without a hat tip to the SOS’s board members. This group of ladies spend tireless hours going to meetings, attending workshops, writing letters, making phone calls, paying bills and trying to keep all the funding, money issues, liability issues, staffing problems, statistics, and bureaucratic information straight in an ever changing, ever confusing system. I know that at the end of the day they feel that the work that they have done is worthwhile as some have been on the board in one capacity or another since the SOS was started. That is a lot of dedication and for that we should thank them.

If you would like more information on becoming a registered volunteer or fee for service worker for the SOS, or you would like information about the board and what they do, please call the Hartney SOS office at 858-2597.

Hope everyone has a terrific summer!

THANK YOU

Turner / Mullin - We are not sure there are words to express how thankful we are for the gracious support shown to us at our shower and social. Thank you so much to everyone who attended and those who could not attend but sent gifts to the shower – everything was truly beautiful. Thank you to everyone who attended, bought tickets but couldn’t attend the social and to all the well wishes we received. A huge thank you to our wedding party and to everyone else who helped arrange, organize and put on this day for us. It was truly amazing and we are so fortunate to live in such a wonderful community.

Cole & Deb
Follow your dreams, for they will always lead you in the right direction!

Swimming Pool – June 18 kicks off the pool for the summer with the Kindergarten to grade 6 kids having their “swim at school” lessons. Public swimming will start on June 23 (with limited hours) with regular pool hours starting June 30. Please see the pool ad for more details! Swimming Lesson Registration will take place that the Co-op BBQ on June 20 from 11:30 – 1:30 at the co-op as well as from 5:00 – 7:00pm at the pool.

The countdown to Hartney Hopper Days has begun! Hopper Days is August 9 to the 12th this year. From June 18th Hopper Days is only 53 days away!! If your group or organization is planning to host an event or if you would like to help with an event please let me know at the office so we can make sure it is advertised!

The Manitobaville competition is back! This competition, presented by 101.1 The Farm, KX96, Hot 103 and QX104, is a chance to win $25,000.00 for your community. Deadline for entries is August 10 at 5:00pm. There is NO limit to how many entries a town can submit so pick up that camera and start taping! For more information visit any of the 4 sponsors websites.

Slo-Pitch Meeting will take place on Monday, June 25 at 7:00pm at the Civic Center for anyone interested in playing slo-pitch once a week in the summer.

Look for the Day Camp ad for more details on our summer day camp program. This program runs every week in July & August and is a great way for kids to spend their summer!

Fern Valley Recreation is on Facebook! “Like Us” on facebook to keep up to date with the current programs Fern Valley has to offer!

If you have any programs or ideas that you would like to see please give me a call or send me an email. I’d love to hear all your ideas for what you would like to see in the community!
OBITUARY ~ Ronald John Bodin ~ 1943-2012

It is with great sadness we announce the passing of a wonderful loving and caring husband, father, grandfather and friend. Ron passed away at the Souris Hospital on April 27, 2012, surrounded by his family, after a courageous battle with cancer.

Ronald John Bodin was born in Souris, Manitoba on May 24th, 1943. He was the second child of Rene and Maggie Bodin. His childhood was spent on the Bodin farm in Deleau with his three brothers, Maurice, Edward and Allen and sister Linda, learning the value of hard work and discipline. Growing up on the farm saw many years of tough times including drought and flood. He would often say that when farming you were always at the mercy of Mother Nature.

Dad went to school in Deleau until the age of 16 after which he began working full time on the family farm. In 1962, he moved to Souris and started his first job off the farm at the Bonnie Bra Creamery where he drove a delivery truck. During this time he met mom at the local MTS Office and soon after she began screening his callers. They spent many Saturday nights with friends dancing at local town halls. They married in June 1965 and soon after moved to the family farm.

To help support the family income Dad started driving a school bus, and he loved it so much he drove it for 46 years. I can only imagine how many kids he drove to school during that time. Not only did Dad drive his own kids but had the great pleasure of driving his grand kids as well.

Dad was the proud father of three sons and a daughter. His eldest son Ron (Bogie) is married to Laurie (Lawlor), his middle son Rob is married to Nicole (Isabey), and his youngest son Robyn is married to Kari (Jones). His daughter Rhonda is married to Rob Mangles.

Dad was a very proud grandfather who always had time for his grand kids. Whether rolling on the floor and playing steam roller or driving through all kinds of weather to get to their next activity, he was there. He often said “Grand kids were so much fun, we should have had them first”. He showed much patience teaching them things like how to drive, ride a calf and shoot the pellet gun the right way. Brandt, Riley, Bryce, Renee, Reiden, Kally, Jayden and Nicholas will miss you, but never forget, your big bear hugs goodnight, your endless supply of smarties in your pocket, the quad rides and bear scares, the gum found throughout your truck and of course working the hay field with you.

Dad was a member of the Elks Lodge as well as the Hartney Curling Club for many years. He was an avid curler and loved to bonspiel. He was always eager to help the younger ones learn to curl.

During the warmer months, when he wasn’t farming, dad coached fastball and slow pitch teams. It was pretty obvious he enjoyed working with and teaching kids as well as playing with them.

Dad loved going to auction sales. He would often come home with some treasure that he really didn’t need but always seemed to sell for a profit. If there were no bargains to be had that day, he still managed to find the pie. He always managed to talk to someone he knew or should know, even though he couldn’t think of their name. He often said, “Their name will come to me”.

To anyone who knew dad, it wouldn’t take long to figure out he loved a good practical joke. I don’t know many people who have met him who haven’t experienced the smell of “morning breeze”, blown in his “victory horn” or had your fingers snapped with his “snappy gum pack”.

Dad was a dedicated farmer who took great pride in his work. He always loved trying new things and recently got into Leaf Cutter Bees. Dad was always experimenting and trying to perfect his farming skills which took him to the Manitoba King Farmer competition where he managed to place several times. We were very proud of him, and he was very proud to be a farmer.

Dad loved country music and our house was always full of it. Dad, eager to get a bargain, tuned into CKLQ Swap and Shop daily and often radio to mom from the field to “write down a phone number”.

Over the years Dad had his share of mishaps and incidents that resulted in the occasional dent here and there. One time he decided to push down a tree but it decided to push back and he put the tractor on its side.

Up until last fall, Dad led a very happy and healthy farm life. He always liked a challenge and always figured out a way to overcome them. Cancer is never welcome, but Dad faced it head on, never complaining once about the pills and treatments.

Dad, you will always have a special place in all of our hearts, and we will never forget you. May you rest in peace until we meet again.

Ron is survived by his best friend and wife of 46 years, Myrna (Higgins), sons Ron (Bogie) (Laurie), Rob (Nicole), Robyn (Kari), daughter Rhonda (Rob), and grand children Brandt, Riley, Bryce, Renee, Reiden, Kally, Jayden and Nicholas. He is also survived by brothers Maurice, Edward, Sister Linda, Mother-in-law Dolly Higgins, as well as many sister and brother-in-laws, nieces and nephews. Ron was predeceased by his parents Renee and Maggie Bodin, brother Allen, father-in-law Victor Higgins, and brother-in-law Terry Gardiner.

A reception was held in Ron’s honour at Hartney Centennial Centre on April 30, 2012.
It’s summer and the season brings welcome warm weather and sunny days. However, these can also lead to Extreme Heat Events. In general, Environment Canada defines an Extreme Heat Event as more than 3 consecutive days with temperatures at or above 32 degrees Celsius. The elderly and young are generally most vulnerable, as well as those with chronic illness, and those who work and exercise in the heat. CBC reports for two weeks in 1936 in Manitoba and Ontario temperatures reached over 44 degrees Celsius and left 1,180 people dead, 400 of which drowned trying to cool off from the heat. More recent Extreme Heat Events have struck Chicago, most notably in 1995 which claimed well over 400 lives and approximately 750 more deaths than normal.

According to Health Canada heat related illnesses include: heat stroke, heat exhaustion, heat fainting, heat edema, heat rash and heat cramps. They recommend that to reduce your risk of heat illness that you tune into weather forecasts and alerts, stay hydrated and if you don’t have air conditioning find some place cool where you can spend a few hours during hot days such as your public library, grocery store or swimming pool. Also remember to arrange for family and friends to check on older or more isolated loved ones. During the Chicago heat waves many who succumbed to the heat were elderly, low-income, didn’t have the luxury of air conditioning, were unable to leave their homes due to mobility issues and/or didn’t reach out for help or feel they had anyone to ask for help.

Please also remember to NEVER leave people or pets inside a vehicle on warm days. According to Health Canada when the air outside is 23 degrees Celsius, the temperature inside a vehicle can reach extremely dangerous temperatures of more than 50 degrees Celsius!

OBITUARY ~ David Wayne Stansall
Wayne passed away on April 27, 2012 at the Souris Health Centre. Wayne was born April 12, 1959 in Deloraine and was raised and attended school in Hartney. He was considered an entrepreneur from a very young age, starting with a paper route, carpentry and then the passion of his life, agriculture sales. He worked for Co-op Implements in both Hartney and Portage then moving on to Tweeds, Bourgault as a product specialist, then to Atkinson Implements for many years and most recently at Miller Farm Equipment. Wayne was a Legion and Elks member and actively involved in his community. He loved the great outdoors and enjoyed hunting, fishing and trips on his motorcycle. Wayne was predeceased by his parents John and Marion Stansall, and infant daughter Joselyn and nephew Jon.

Wayne is survived by his wife Geri, Son Andrew (Natasha) grandchildren Madison, Peyton, India and Jackson, sons Greg, Danny and Scott. Sister Marilyn (Keith) and Jason, mother-in-law Alice, brother-in-law Randy (Linda), sister-in-law Lillian (Marty), brother-in-law Boxer (Maureen), sister-in-law Monica (Conrad) and numerous nieces and nephews.

A service was held May 3, 2012 at the Hartney Centennial Centre at 2pm followed by internment at the Riverside Cemetery and lunch at the Centennial Centre.

Donations in memory of Wayne may be made to the Hartney Legion or the Heart and Stroke Foundation.

**Summer is just around the corner…**

Things at Tiny Tot Junction are really blooming these days. The flowers out front are looking great and the garden the children planted is starting to come up. It is so nice to see everything green and growing. Plants are an excellent opportunity for kids to learn all about life cycles, as well as where our food comes from, so it is nice to see so many things growing in and around the center.

Our turnout at our AGM in April was much less than expected for our 10th anniversary, but for those that did come, we enjoyed the appetizers and cake. We had some changes on our board with Ashleigh Skelton and Charlene Grills “resigning” from their positions. We really appreciate all the time and effort they put into helping ensure our center was operating smoothly - their time and dedication to the board will be missed. We are welcoming Laura Caverly to the board, but are still hoping that 1 or 2 more individuals will join the board. All daycare parents (or those who do not use the center yet, but plan to in the coming years) are welcome to come and see how the board works and why it is necessary for the operation of our center. Without new members, our board will not be able to operate effectively as older members relinquish their positions. It is not a huge time commitment, but a greatly needed one!

Our Tiny Tot Junction preschool and prekindergarten graduation was a huge success. We had many parents, grandparents, and other family members join us in celebrating the children’s big year. The children sang some great songs and we all enjoyed watching the video of the children’s activities throughout the year. Thank-you to all the parents and staff who helped make the evening a success (setting up, cooking, cleaning, etc…). An even bigger THANK-YOU to Kim and Erin for all of their hard work teaching the Preschool and Pre-K his year. They did a great job!

Some of the themes the staff and children will be talking about in June include Farm Animals (another great opportunity to talk about life cycles…), Father’s Day, and Summer Time Bugs. Summer Bugs is always a favourite for children…and lady bugs, ants, beetles, etc…are all incredibly amazing to little people, perhaps because they are that much closer to them! We have to constantly remind ourselves to slow down and see the world from their point of view and enjoy these little “learning” moments. What fun! The staff are also going to try having an outdoor week at the end of June, which sounds very exciting. All daily activities (snack, lunch, etc… ) will all be outside, weather permitting! It’ll be neat to hear stories about that from the children.

As always, Tiny Tot Junction will be available to provide care throughout the summer, whether you need casual, part-time or full-time hours! Just give the center a call at 858-2316 to discuss your needs. If you have never visited the center, feel free to call for a time that you can come and check things out or just drop by!

And remember…children are the ♥ of our community.

---

**NEW Phlabotamy Chair**

Vicky Lewis at Hartney Personal Care Home is thankful for the new Phlabotamy Chair that was purchased by the Town of Hartney through donations made to the Hartney Personal Care Home Trust Fund.
Hartney School - Class of 2012

Amanda Parker
Daughter of: Kathy Parker & Dave Henderson
Plans To: enter the work force for a year and attend college at a later date

Blake Isabey
Son of: Larry & Joyce Isabey
Plans To: attend ACC in Dauphin for carpentry

Tanner Bertholet
Son of: Gerry & Linda Bertholet
Plans To: attend ACC as an apprentice welder

Braden Hall
Son of: Jeff Hall & Paulette Hall
Plans To: work for a year – then attend ACC

Kendell Thomas
Daughter of: Murray & Vickie Thomas
Plans To: attend ACC in Brandon and is enrolled in Restaurant and Hotel Management

Kayla Dooley
Daughter of: Chris & Kim Dooley
Plans To: attend Brandon University and is enrolled in Bachelor of Nursing program

Katie Phillips
Daughter of: Murray & Linda Phillips
Plans To: attend the Canadian Mennonite University in Winnipeg in the fall

Nick Hunt
Son of: Mark & Penny Hunt
Plans To: pursue his interest in art

Zachery Thomas
Son of: Mike & Leanne Thomas
Plans To: enter the work force

Ryan Murphy
Son of: Tim & Gwen Murphy
Plans To: enter the work force

Daughter of: Shane & Karen Eastman
Plans To: attend Brandon University in the fall and in enrolled in pre – veterinary medicine

Riley Phillips
Son of: Wes & Tracy Phillips
Plans To: attend University of Manitoba

Kevin Gilliard
Son of: Rick & Laurie Gilliard
Plans To: attend University of Manitoba for mechanical engineering

Nathan Beernaert
Son of: Kevin & Gail Beernaert
Plans To: attend ACC in Brandon and is enrolled in Agribusiness

Lance Lobreau
Son of: Steve & Colleen Lobreau
Plans To: work on the oil - then go to ACC for land and water management

Graduation June 23, 2012
Ceremonies @ School 7:00pm
Grand March @ Hall 9:00pm

Grad Tea June 25, 2012
2 – 4 @ Centennial Centre

Oh, The Places You’ll Go!

Congratulations!
Today is your day.
You’re off to great places!
You’re off and away!

You have brains in your head.
You have feet in your shoes
You can steer yourself
Any directions you choose.
You’re on your own.
And you know what you know.
And YOU are the guy who’ll decide where to go.

And will you succeed?
Yes! You will, indeed!
(98 and 3/4 percent guaranteed.)

KID, YOU’LL MOVE MOUNTAINS!

So, be your name Buxbaum, Bixby or Bray
Or Mordecai Ali Van Allen O’Shay,
You’re off to great places!
Today is your day!
You’re mountain is waiting,
So ... get on your way!

--Dr. Seuss

  - $5.99

- **Nestle Water**
  - 30 packs
  - $5.99

- **Burns Weiners**
  - 2/$5.98
Gerald Terry - Peacefully on the evening of January 4, 2012 Gerald slipped away to be reunited with his father, mother and younger brother. After witnessing his quiet courage over the last few years we could not begrudge his this final journey.

Gerald was born May 28, 1929 to Bernice and Ambrose Terry of St. Vital, Winnipeg. Before Gerald was born Bernice and 3 year old Bob visited Bernice’s parents at Inglis to await her baby’s arrival. In those days a nurse or midwife was in attendance at home. A healthy baby boy was delivered and eventually the family was united again in St. Vital. At that time Ambrose had a small barber shop downtown. Life was fine and Gerald grew to be a toddler. Then the depression in the 1930’s hit the Terry family. People let their hair grown or cut it themselves. Through government assistance the family relocated to a small farm at McCreary. Life was tough and food was not plentiful, but Bernice always managed to extend hospitality to visiting neighbors.

Gerald started school at McCreary and there were many stories of walking 3 miles to school, be teased by the older kids, and blizzards in which a fence line was the only thing that could help you arrive back home. Another of Gerald’s favorite stories was going with this father on a sleigh to get a load of wood, and being nearly frozen before the trip was finished.

As the economy improved the Terry family returned to St. Vital where Ambrose continued barbering and Bernice worked in a sewing factory. Gerald and now 2 brothers went to Norberry School in the south end of the city. Gerald had many jobs during his youth, such as delivering for Eatons or caddying a Niakwa golf course. His most vivid memories were of walking downtown to go to a movie for 25 cents, carrying pails of water home as there was no sewer or water service and of nearly drowning in the Red River while swimming with friends. When Gerald finished school he travelled with a painter who contracted with Pioneer Grain. Always while on trips through Saskatchewan Gerald would proudly say “I painted that elevator”.

In 1950 Gerald met a young student named Clarice Underhill through mutual friends. Not too many young men had a car to drive, but Gerald was always able to borrow brother Bob’s car as long as he filled it with gas. Those were good times - late nights and trips to the beach. Gerald began to work with the C.N.R and he and Clarice were married in 1956.

Gerald became a proud father in 1957 when son Patrick was born. Soon Ian came along in 1959. Due to work shortages at C.N.R and a call to help on the farm, Gerald and Clarice moved to the Underhill homestead to farm with Grampa Everett. Farming was busy and secure, and his daughter Diane arrived to join the family. Driving a school bus was added to the daily routine and Gerald spent many field trips taking students on various events. He always was proud to say what groups he had take where. His youngest son Allen was born in 1975 and in 1983 Gerald and Clarice moved to Hartney in semi-retirement. With his absolute lack of fear of heights no tree branch in the neighborhood was safe. Even in his eighties he would still climb a fruit tree in the rain to prune off a offending twig. His keen observation of nature lead to many squirrel finding its nut cache raided and Gerald’s snack dish full.

Gerald and Clarice moved to Brandon in 1994 and Gerald enjoyed many years of golfing with his brother Al. Though no slouch himself, always after a round with Al, Gerald would say “that guy is a golfer”. The last year of Gerald’s life was saddened when he lost his brother.

Gerald is survived by his wife, Clarice, sons Pat (Cheryl), Ian (Rhonda), Allen (Kathleen) and daughter Diane (Daryl Logeot), grandchildren Bryant and Duncan, Sean, Lauren, DJ and Justin as well as his brother Bob. A quiet family service was held in the Hartney Riverside Cemetery on May 25, 2012.

One of the last things Gerald said was he would wait at the gate for Clarice. We believe him. And we miss him.
Hartney Legion Branch #26 would like to congratulate the Graduating Class of Hartney School for reaching this milestone of their life. We would also like to thank the members of the class who applied for the Hartney Branch #26 Bursary. Their applications were outstanding but unfortunately there is only one winner. This will be announced at Graduation on Saturday, June 23rd.

Mark Wednesday, October 03 on your calendar! Hartney has been accepted for a performance of the Command Brass of the RCAF Band. Branch #26 applied for and was awarded this performance in the Hartney Centennial Centre. Proceeds from this concert will go to the Poppy Fund. More details will be available in the July, August and September Hart-Cam papers. We are extremely fortunate to host this band as they only perform one week out of the year at non-armed forces events or functions. Keep an eye out for posters as there will be advance sales of tickets available.

Major meat draw winners for the month of May
6 time winners—Bill & Helen Parsons
5 time winners—Watson & Norma Roper
5 time winner—Evelyn Krysowaty

50/50 winners for the month of May - Dennis White $115.00, Keith Evans $55.00, Watson Roper $26.00, Michael Schoonbaert $32.00

Please note summer schedule for the meat draw. The meat draw will run at its regular time until and including August 10th (Hopper Days—Big Deal Meat draw). There will be no meat draw on Aug. 17, 24 and 31. The meat draw will resume after Labor Day on Friday, September 7th.

All members are encouraged to attend the next monthly meeting which will be held on Tuesday, June 26th. This is our annual supper meeting so please inform Sec-Tres Wayne Keeler if you will be attending. This year we have invited the Ladies Auxiliary of Branch #26 to our year end supper to celebrate the 85th Anniversary of the formation of the local Auxiliary.

Last month’s photo is found at the Juno Beach Centre in Normandy, France. This 8ft bronze sculpture was unveiled on June 6, 2003 and is called Remembrance and Renewal.

On This Date - June- from Legion Magazine
- June 2, 1953: Queen Elizabeth II's coronation occurs in Westminster Abbey, London
- June 3, 1989: The Toronto Skydome opens
- June 6, 1944: D-Day—Normandy Invasion force lands in France, by the end of the day 155,000 troops have landed
- June 7, 1981: Israel launches an airstrike against a nuclear power plant south of Baghdad
- June 9, 1989: The first Canadian female fighter pilots graduate from C.F. 18 program
- June 14, 1982: A ceasefire is announced in the Falkland Islands War
- June 18-19, 1812: The War of 1812 begins
- June 21, 1982: Prince William is born
- June 22, 1941: German Forces invade the Soviet Union
- June 23, 1985: Air India jumbo jet with 330 people on board is blown up by terrorist bomb off the coast of Ireland
- June 25, 1950: North Korea invades South Korea
- June 26, 1976: The CN Tower Opens
- June 30, 1987: The loonie makes its debut

What is this and where is it located? (answer on back page)
Mayor’s Report
The first day of summer is now only a few days away and with the beginning of a new season will be the beginning of a new phase in the lives of our 2012 graduating students. They are in the final stages of planning their special day on June 23rd and the Town would like to wish them well in all their future endeavors. While many will be leaving our community to further their education or broaden their horizons, we hope they will someday return to Hartney as their Home.

Many citizens have been busy cleaning up their yards and planting flowers so we are sure to see some beautiful gardens around town again this year. Please remember to be a good neighbor and maintain your property. With the warmer weather, there are many out enjoying walks with their pets. It is the responsibility of the pet owners to clean up if their furry friend has had an “accident” on another homeowners property.

While I’m sure sometimes our volunteer recycling crew wishes their job was seasonal, it last all year round. They always do an amazing job that keeps the volume of trash going to our landfill down. This is a large savings on our tax dollars. Please join me in thanking them for their hard work and dedication when you have a chance as we all enjoy paying the least taxes possible.

We have contracted Roy & Sons Dredging services to clean our lagoon this summer. While it is a costly process at $22,550.00 to clean the necessary areas, it is important to keep the lagoon in good operational order. The last quarterly water bills have been sent out and there have been a few inquiries on billings due to increased usage. It is amazing how many gallons can be lost due to a slow drip in a tap or a running toilet. Sometimes you are not even aware the toilet is running unless you listen very carefully. One tip I was given that works well is to randomly check your water meter. When you know that there is no running water in the house, have a look at your meter. If the dial is moving at all, you have water passing through your meter when you shouldn’t and should look for the cause.

Construction on our temporary bridge is still underway. MD Steel hopes to have the builds done this week with the launching of the bridge starting this weekend. The jackdown process should be complete by June 22nd and the road work is to start on June 25th. The estimated shutdown is for the first week of July to tie the bridge in. Once the exact dates have been established, we will advise our residents as soon as possible.

Our pool is slated for opening to the public on June 23rd. Keep your eyes open for upcoming events.

If you have any questions or concerns about the operation of our Town, please feel free to give me a call.

Till next month!
Respectfully submitted
Lori Taylor

Hartney Horticultural Society

Hartney Horticultural Society held their annual Leap into Spring gardening day on Saturday May 12, 2012. Around eighty-five glorious gardeners came out to listen to the speakers and maybe shop a little while they were there.

First up was Rick Wilson, he did a great presentation on planting an old log or piece of driftwood with succulents. Some of the audience got up and helped to create a couple of the log planters that were later auctioned off. Next was Connie Laugerquist, horticulturalist with the Peace Gardens, she did a PowerPoint presentation on what’s new for 2012. There were pictures of some beautiful annual flowers plus some veggies.

After the usual fabulous lunch of homemade soup, sandwiches, and dessert, Rick Wilson was back with a talk on hydrangeas. Last was author and photographer, Bill Stilwell. He did a PowerPoint presentation about his newest book and where to find nature in Manitoba.

The shopping was superb with many local vendors to choose from. This year was: Valleyrimgirl Perennials from Brandon, LETS Plant greenhouse from Medora, Lillian’s garden from Killarney, Aagaard Farms from Brandon, Janet McBurney with Mary Kay, Plum Creek Soapworks from Elgin, Lanark Trail Greenhouse from Reston, Springdale Greenhouse from Carroll, Janice McBrien with jewellery, Claris Isaby with Rada Cutlery, and Alvin Radcliff with birdhouses.

Those attending had many chances to win door prizes, raffles, and silent auction items.

Keep a look out around town for the various projects the horticultural society does. There is the sign flowerbed coming into town, the petunia trees and flowerbed by the railway park, the corner flowerbed downtown, and the planters on main street.

Each year the society gives seeds to junior gardeners to encourage the next generation. This year, there were 23 children in grades K-6 that received seeds. The society members will be touring their gardens this year to offer advice and encourage them to enter items in the flower show on August 9, 2012. The members are planning on going on a tour this summer of the Peace Gardens and Anchorage Gardens.

The Hartney Horticultural Society is always looking for new members. If you are willing to help out with the planting projects around town, want to become a member, or want more information about the upcoming flower show, please contact Edna Radcliffe @ 858-2287.
WE ARE NOW BACK ON A ROOF NEAR YOU!!!

FOR ALL YOUR INSURANCE AND NON INSURANCE CLAIMS, MAKE SURE YOU CONTACT YOUR LOCAL CONTRACTORS FOR ALL YOUR NEEDS

BAND TRIP TO OTTAWA

Very early on the morning of May 15, forty-two members of the Souris & Hartney School Band and six chaperones made their way to Winnipeg's James Armstrong Richardson Airport, bound for our nation's capital. The ultimate purpose for their trip was to perform in the national band competition, Musicfest Canada 2012.

Plans for the trip to Ottawa began over a year ago when, after the band's performance at the Winnipeg Optimist Festival in February 2011, they received an invitation to attend the national competition. The months that followed were full of fundraising opportunities to help cover the cost of the trip, preparing new music which would be performed at the competition & many hours of finalizing details for the trip by band director Mr. Paul Cwir and band assistant Belinda West.

It was a big undertaking to fly across the country with such a large group of students, many of whom had never flown before, but the entire trip was a great experience for the students. Although participating in the music festival was the reason for the trip, the students were also able to take in some of the highlights Ottawa offers. They were guests of our MP Merv Tweed for a session of Question Period and a tour of the Parliament buildings. They enjoyed two museum tours, an IMAX movie, two concerts held in conjunction with Musicfest and of course shopping for that perfect souvenir of their trip.

On the evening of May 17, the band finally had the opportunity to perform for the adjudicators. Travelling from Manitoba, the band was certainly a minority, being one of only two Manitoba bands in the entire competition. They represented our town and province well, playing three pieces in the B200 category. After performing for a small but supportive audience, they were whisked away into a workshop room where one of the adjudicators worked with them and they completed the sight reading portion of the competition. According to Mr. Cwir, their sight reading sealed the deal & when the students emerged from the workshop room they were excited to announce that they had been awarded a Gold level for their efforts. This award is something our students and their director can be very proud of. Out a total of twenty-six bands receiving a plaque in the B200 category, only six were awarded the gold award. For a band from a school our size to achieve gold status is no small feat. The award not only attests to the quality of our current band program, but also to the training these students received earlier on in their music education. It has all contributed to make them the musicians they are today.

It was a tired group of students and chaperones who returned home, on May 19, but the memory of what was accomplished on their trip to Canada Musicfest 2012 will stay with them for a very long time.

A trip of this magnitude would not have been possible without the great number of individuals and organizations who supported us in various ways in our efforts to raise the funds needed. A very big thank you goes out to J & S Meats, Maple Leaf, Souris Valley Foods, Souris Branch Royal Canadian Legion, Minary's Homestyle Bakery, AnnElla Kruk - Everyday Style, Steven Hicks, Dave & Lee Johnson, Souris School, all the individuals who supported our fundraising barbeques, auction lunch & Legion meat draws/meals, those who purchased Every Day Style products, pizzas, potatoes, cheese & flowers and all who bought tickets for the Royal Canadian Air Force Band concert. Your support truly is appreciated.

GRADUATION IS A TIME TO CELEBRATE YOUR ACHIEVEMENTS, PREPARE FOR A FUTURE OF OPPORTUNITIES, AND EMBRACE A WORLD OF INFINITE POSSIBILITIES!

Hartney BPO Elks #357
Pool Program Registration Day

11:30 - 1:30 at the Co-op BBQ

and from 5:00pm - 7:00pm at the Pool Office

Please call the Rec Office at 858-2536 (or the Pool office starting June 25) if you would like to register and are unable to attend the registration day.
