2016 Summer Camp Guide

Register by June 1 and receive a $10 discount on each week of camp!
West Bloomfield Parks and Recreation’s

Summer Camp & Swim

SNEAK PEEK

Free entry! This is the first day you can register for camp!

Free Crafts!

Free Games!

Enter to win a free week of camp!

Free Refreshments!
While supplies last.

Saturday, April 16, 2016 from 9 am-1 pm
at the Family Aquatic Center (6200 Farmington Rd., West Bloomfield)

Summer Camp Preview
- Camp WB staff as well as 10+ additional camp vendors will be on site to meet your camper and answer questions.
- At registration, each camper will receive a water bottle! Camp WB and Nature Camps will also receive their t-shirts.

Swim Lesson Preview
- Swim staff will be on site to answer questions and administer swim tests to make recommendations.
- Swimmers receive a water bottle and mini beach ball at registration!
- Download our swim guide on our website for details on classes!

*In order to register, you’ll need to complete all required paperwork, including medical. This is the first day you can register for 2016 camps.

Visit www.westbloomfieldparks.org for complete details!
General Camp Information

Forms:
New this year! Camp registration = Camp Waivers + Payment
• Every child must have all required camp forms completed and submitted before they can be registered for camp.
• Paperwork only needs to be submitted once for the entire summer.
• Camp forms must be dropped off (4640 Walnut Lake Rd.), emailed (camps@westbloomfieldparks.org) or faxed (248.738.2529).
• Once your child is initially registered, you may also sign-up online for additional camp weeks!

Required forms:
- Summer Day Camp General Information and Release
- Concussion Waiver
- Permission to Administer Medication and Release of Claims
  (only necessary if your child needs to take medication during camp hours)

Forms can be found online at www.westbloomfieldparks.org/summer-day-camps.

Payment: For your convenience, we accept cash, check, Visa or Mastercard.

Registration Dates:
Registration begins April 18 at 8 am or attend the Sneak Peek for early registration.
Register by June 1 and receive a $10 discount on each week of camp!

Registration deadline: 7pm, the Tuesday prior to the camp start date:
• Transfers/cancellations must be requested before the registration deadline and will include a $10 fee per transaction.
• Registration after the deadline will only be accepted if space allows and we will add on a $20 administration fee.
• We only consider refunds due to a medical condition, with a doctor’s note, if submitted by the end of that week of camp.
• Age requirements: Campers must turn to advertised age within one month of the camp start date.

Latchkey:
Daily latchkey is available for Camp WB and some of our specialty camps and will be held in the Community Room at Drake Sports Park. Camps available for latchkey will be designated with an AM or PM symbol.

Morning Session: 7:30-9:00 am: $25/week or $7/day
Parent/guardian must accompany children to sign in daily, NO exceptions. Children may not enter the program before 7:30 am and may not be left unattended.
*7/5-7/8 is $20 for 4 days, M-Th.

Afternoon Session: 4:00-6:00 pm: $30/week or $8/day
Parent/guardian must come in with a valid ID to pick up children and sign them out daily. Please bring an additional snack and drink each day for PM latchkey. Pick up after 6:00 pm will result in penalty fees and potential dismissal from the program.
*7/5-7/8 is $24 for 4 days, M-Th.

Any transfer/refund requests will include a $10 administrative fee. No transfers or refunds after Tuesday at 7pm the week prior to the start of camp. Early registration discounts do not apply to latchkey.

What to bring with you to camp:
Full day campers must bring a lunch, two snacks and bottled water daily. Half day campers, please bring a snack and bottled water daily. Specific requirements will be listed in each camp description. Please label all of your child’s items.
Camp WB

Location: Community Room at Drake Sports Park
Instructor: West Bloomfield Parks and Recreation Staff

Our action-packed day camp is BACK! Camp WB features so many different activities, your child is going to want to come back week-after-week! Last summer, camp filled up fast; make sure you secure your desired weeks by registering early. You will receive a camp t-shirt and water bottle at registration. Additional t-shirts will be available for purchase.

Weekly activities include:
- Unique arts and crafts projects, nature exploration, sports, games, scavenger hunts, wacky water days, just to name a few!
- Swimming at the Family Aquatic Center.
- Trips to Marshbank Park for hikes, fishing and nature education.
- Field trips weekly.

Canoeing dates at Marshbank Park
- July 5th
- July 20th
- August 3rd
- August 16th

Cost included in registration fee.

Field Trip Destinations

June 29
Detroit Zoo

July 6
Henry Ford Hospital
will host “Farmer and Chef for a Day”

July 13
Paradise Park

July 19
Red Oaks Water Park

July 25
Horseback riding at Brighton Stables

August 2
mParks Day on Belle Isle
nature zoo, disc golf and geocaching activity

August 10
Michigan Science Center
live science demonstration, IMAX Dome Theatre, hands-on exhibit exploring

August 17
Rolling Hills Water Park

Field trip cost included in registration fee.

Note: It is strongly recommended that your child has completed kindergarten in order to participate in Camp.
Nature Camps

Location: Nature Room in the Recreation Activities Center
Instructor: Lauren Azoury, Park Naturalist & Nature Camp Staff
You will receive a camp t-shirt and water bottle at registration.

“Hi there, Lauren here, Park Naturalist for West Bloomfield Parks and Recreation. You may remember me from one of the many nature programs we host throughout the year for the community. We’ve expanded our nature offerings to include these great camps. Your kids will have a blast and learn a ton about nature in the process. My staff and I truly love sharing our passion for the outdoors with young adventurers and can’t wait to make this summer one to remember for your kiddos!”
- Yours in Nature, Lauren Azoury

Critter Camp
If your child is a true animal lover, then this is the camp for them! Every day will feature a new animal encounter. We will have the opportunity to meet some animals face-to-face in our Nature Room and on the nature trail, while others will be encountered through stories, games and crafts. Camp includes field trips to a farm and the Detroit Zoo! Your child will love learning about all sorts of different critters and what makes each one unique. Have fun and learn with our age-appropriate activities.

Code # Date Day Time R/NR Fee Age
207490-1A 6/27-7/1 M-F 9:00A-4:00P $165/$185 5-7

Go Wild with “Wild Kratts”
Calling all creatures...come to the Nature Room ready for an animal adventure! We’ve turned our popular program into a camp. Camp features different games and animal activities where kids can earn their very own creature power discs. We will learn about turtles, bats, insects and more. Each child will make and take home a creature power suit. Camp includes a field trip to visit live birds of prey at the Leslie Science Center.

Code # Date Day Time R/NR Fee Age
228740-1A 7/25-7/29 M-F 9:00A-4:00P $165/$185 4-7

Wee-Wilderness Explorers
Does your child love to be outside and get dirty digging in the mud and looking for creepy crawlers? Then this is a great first camp for him/her. Our naturalist has prepared a variety of exciting activities that will have your little one learning about nature and having fun exploring the outside world. A mixture of stories, songs, hikes, games, animal encounters and other activities are guaranteed to keep your child engaged. There will be a take home craft each day. Each daily session lasts just three hours to help ensure your child doesn’t feel overwhelmed. This is the perfect way to introduce your preschooler to the concept of day camp.

Code # Date Day Time R/NR Fee Age
207470-1A 7/5-7/1 Tu-F 9:00A-12:00P $95/$105 4-6
207470-2A 8/9-8/12 Tu-F 9:00A-12:00P $95/$105 4-6

Adventure Camp
This will be a nature adventure not too far from home! Start your day at the Nature Room to meet the live animals that live there. Then we will venture out to become eco-tourists and try new activities. Adventures include shelter building, a ropes course high in the tree tops at The Adventure Park and a canoe trip scavenger hunt. Session 1 features horseback riding, a planetarium show and a field trip to the new Outdoor Adventure Center. Session 2 features a science exploration on a sailboat, a special day on Belle Isle and archery. All equipment, basic instruction and games are included.

Code # Date Day Time R/NR Fee Age
207750-1A 7/18-7/22 M-F 9:00A-4:00P $243/$263 8-13
207750-2A 8/1-8/5 M-F 9:00A-4:00P $243/$263 8-13
*Monday camp will run 9 am-4:30 pm due to a long distance field trip.

Grossology Camp
This camp is for young naturalists that want to be “grossed out” by nature. Each day, campers will enjoy outdoor activities, live animal interactions, games and crafts. Topics include: creepy crawlyies and edible insects (try one if you dare!), mud and muck, slime and more. Camp includes a field trip to visit live bats at Cranbrook Institute of Science.

Code # Date Day Time R/NR Fee Age
207740-1A 8/15-8/19 M-F 9:00A-4:00P $165/$185 7-11
Educational Camps

Kidpreneur Camps
Instructor: Kidpreneur
Each camper will leave camp with a Kidpreneur T-shirt. No prior experience is needed. **A laptop is required for these camps; must meet software requirements listed in camp description.**

Minecraft
We use minecraft to teach information technology, entrepreneurship and computer programming. Kids will learn about the Minecraft PC edition (which is different from playing on the Pocket and Xbox Edition), how all the commands work, the different modes and worlds and apply STEAM to the projects. The goal is to apply creativity and technology to build world landmarks, cities and amusement parks to present on the last day.

Coding 1
Campers 6-10 years old are introduced to the visual programming language M.I.T. Scratch and will learn the basic principles behind computer programming. Students will program four games. Each programming lesson builds upon itself and reinforces the basic concepts learned in camp. Campers will choose one of their games to edit and present on the final day of camp.

3D Printing
Campers will get to experience step-by-step what it is like to build a 3D model; from conceptualization with paper and pencil to solid object in the software 123D Design. Campers will learn the basics of operating the 3D printer and Makerbot printing software. Students will design and build their own model (and take it home) with the goal of presenting it at the end of the week.

LEGO and K’Nex Camps
Location: Recreation Activities Center
Instructor: e2 Young Engineers Staff

Big Builders
This program enables children to have fun learning by integrating K’nex with general knowledge in nature, space, science, transportation and day-to-day physics. The program illustrates theoretical knowledge in these fields through the use of stories, thinking, social games, model building and HAVING FUN!! Instructors also emphasize personal interaction and building a sense of self-confidence among all children participating. A take home minifigure is given at the end of the week.

LEGO Challenge
Each participant will discover new subjects and will build/play with (2) different models each day. This program integrates LEGO® with scientific and mathematical principles in a FUN and EXCITING way! Teaching is conducted using customized LEGO® kits with motors, gears and batteries. This program utilizes an Edutainment (Education + Entertainment) approach, transforming the learning process into a game while introducing children to theoretical and practical knowledge in the fields of science, technology, engineering and mathematics (STEM).

Mad Science Camps
Instructor: Mad Science of Detroit
Location: Family Aquatic Center (unless noted otherwise)

Science Extravaganza
Funky physics and loopy concoctions add up to a week of fun! Join a team of camp engineers and build bridges, domes, cubes and a simple machine to race. Make your own sidewalk chalk, crystal garden and chromatography dyed t-shirt. Take a look at nature and build a bird house. Each day brings new things to build, make and explore in chemistry, physics and nature!

Science Discovery Preschool
Kids will step into an astronaut’s shoes as they travel to space, work muscles as campers learn about skeletons, and catch their shadow as campers look at light! A Mad Science symphony will take place as we listen to how music is made and magnet exploration will help everything stick together. Between hands-on experiments and fun take homes, this camp is sure to excite all of our curious preschool and kindergarteners!

Flight Academy
Kids will experience Newton’s Loco-Motion while they design and build everything from planes and kites to a hovercraft. Kids have fun learning how things fly, how things move and how rockets are able to travel into space. Kids will explore everything from the earliest flying devices to modern rocketry, build their own model airplane and much more. Amazing take homes!

Invent-O-Mania
The creative side of science is unleashed as we become inventors for the week! The children will learn about different scientific concepts and actually come out with inventions that they create on their own. As “Nutty Inventors”, they will discover a brand new passion for science! Each day will consist of cool inventions, hands-on and interactive activities, scientific art and lots of Nutty Fun!

Skateboarding Camp
Michigan’s premier Skateboard Camp is designed to challenge all levels of skateboarders with individual instruction based on ability level. Professional skateboard instructors. 2016 will be our 16th year teaching skateboarding! Focus areas of the camp are: safety, tricks, use of the park, skateboard art and history. Campers will receive a skateboard deck (value $55) and a camp t-shirt they will custom screenprint themselves! Campers need to bring sunscreen, a helmet and their own skateboard (preferably purchased from a skateboard shop). Call PLUS at (248) 426-0899 for more information regarding equipment.

Sand Volleyball Lite Camp
The younger group will learn skills such as bumping, spiking and serving using lightweight balls. Camp will have fun drills and scrimmages to improve their team and individual skills while enhancing their knowledge of rules, net play, rotation and game comprehension. Older youth will learn, practice and improve their volleyball skills such as passing, setting, spiking, serving, blocking and more. Scrimmages enhance each player’s understanding of the rules, offense, defense, net play, court communication and game comprehension.

Coach Jo Schirtzinger is a former Class A High School Volleyball Coach and a former MHSAA Volleyball Official with over 35 years of playing experience.

Location:   Marshbank Park Volleyball Courts
Instructor: Leisure Unlimited

Adventure Park Mini-Camp
This program emphasizes overcoming personal challenges, confidence, problem solving and trust. Participants will be harnessed and given instruction on how to climb through the challenge courses. The program will include two hours of climbing and 30 minute safety briefing and practice apparatus. Youth will have a great time exploring the various obstacles in the treetops. Comfortable athletic attire is required and this activity runs rain or shine. Sneakers (no sandals or slippers), bug spray, light jacket or rain gear are required. Participants will meet at the giant white tent for check-in and instructions. An additional mandatory waiver must be completed online on the Adventure Park’s website. Registration deadline is 8/10 and 8/24.

Location:   Adventure Park. 6600 W Maple Rd.

Sports Camps
Baseball Camp
Campers will learn about the game of baseball in a healthy, fun-filled, competitive atmosphere. Campers will also learn how to achieve their personal best and long-term goals in the sport. Camp features include: individual instruction at skill stations (i.e. fielding, throwing, hitting, base coverage, etc.), group instructional drills, 2 games per day, daily skill competitions and a prize for every camper. We will have an award ceremony on Friday. Bring glove, bat (optional) and gym shoes (cleats, no metal) daily.

**Location:** Drake Sports Park  
**Instructor:** Bob Shoemaker

Junior Sailing
New!
Junior Sailing offers youth sailing instruction for beginners through advanced racers. It is taught on PSEF supplied sailboats on Cass Lake by US Sailing Association certified instructors. The purpose of this camp is to help youth feel comfortable and confident in a sailboat and to build sailing skills. Camp includes water safety, parts of a sailboat, wind direction, basic sailing direction and knots. The majority of the class time is spent gaining experience on the water. Bring a life jacket, towel, sunscreen and a bathing suit daily. Campers must be able to pass a basic swim test (swim 50 yards and tread water for two minutes with life jacket on).

**Location:** Pontiac Yacht Club, 3270 Wards Point Drive Orchard Lake
**Instructor:** Pontiac Yacht Club Instructors

Challenger Sports Camps
Location: Drake Sports Park  
**Instructor:** Challenger Sports
Experienced staff have studied the game at all levels and have identified the key techniques and skills that players need to work on and master to reach their true potential. Camp includes individual foot skills, technical drills, tactical practices, small-sided games, coached scrimmages and a daily tournament. Equally important, the Challenger coaching staff provides your child with lessons in respect, responsibility, integrity, sportsmanship and leadership. Each camper will receive a ball and t-shirt.

First Kicks Soccer
A fun introduction to the very basic elements of the game. Small coaching groups, lots of running, kicking, laughing and a few friends. Parents are encouraged to join in and help guide their child through this fun learning experience. Make-up day will be Saturday; times may vary, see your receipt.

Power of Drawing Camps

Location: Recreation Activities Center
Instructor: Young Rembrandts Staff

Fashion Runway: Empower Her with Design

Your child will have a blast learning how color, form, pattern and shape can be a creative exploration when drawing the human figure. Full body poses that encourage the fun and form of fashion, as design color, texture and materials will be explored. What kind of accessory will you choose for your stylish gal? How to create a new hair style, drawing using your own stylish wardrobe...imagine how your gal would rock the runway with confidence!

Code # Date Day Time R/NR Fee Age
214284-1A 7/18-7/22 M-F 9:00A-12:00P $160/$180 6-11

Cartooning

Let us take your child to places and spaces in other worlds this summer! First we dive down to create drawings of creatures under the sea, then off to an African Safari with all its wild animals. Then we go back in time to visualize a medieval castle with an exotic dragon, and end up in Egypt creating the image of a famous pharaoh. The finale is everyone's favorite...ANIME CARTOONING! We will be experimenting with pastels, professional markers and other dry media! Come experience the secret “BIG pencil”, fun with “visual expression” games...and end with your own personal art portfolio!

Code # Date Day Time R/NR Fee Age
214284-1B 7/18-7/22 M-F 12:30P-3:30P $160/$180 6-11

Combine the above two camps for a full day camp!

You have the opportunity to register for a full day of drawing camp. It will combine the fashion design and cartooning camp together.

Code # Date Day Time R/NR Fee Age
214284-1C 7/18-7/22 M-F 9:00A-3:30P $300/$320 6-11

Location: 2700 E. West Maple Road Commerce Twp 48390

Art Camp with Miss Lindsay

Miss Lindsay’s Art Room is a place where kids can express themselves freely and creatively! Students will get to choose their own subjects and explore with several different mediums and techniques. Drawing, painting, clay, melting crayon art and duct tape projects are included. Please expect to make a fun mess and plan to have at least one finished art piece per class! A $15 materials fee to be paid to instructor on the first day of camp.

Instructor: Lindsay Bochenek

Performing Arts Camp

This two week camp features our summer musical program and is designed for both new and seasoned performers, giving students the opportunity to showcase their vocal, dance and acting skills in a popular musical production. Students develop trusting relationships and a strong group ethic, which enables them to learn and create in a safe performance environment. Final performances will take place on 8/12 at 11am and 6pm.

Instructor: Danielle Wright & Tiffany Sims

**Drama Kids Camp**

**Location:** Family Aquatic Center  
**Instructor:** Pam Kornfeld

**“Make them Laugh”**

Milton Berle once said “Laughter is an instant vacation.” Campers this week will learn the art of comedy and clowning. In addition to a wide range of our zany drama activities, campers will learn and rehearse special clown activities that will be performed for you at their end of camp “Big Show”.

**Playhouse I**

Join us as our campers show off their creativity to deliver an originally scripted, self-directed performance. Campers will explore all aspects of theatre, from acting and directing, to set design and more. Our campers will bring the house down during their “Kids Playhouse Presentation”, performing a play their team creates. Want to know how the show ends? So do WE!!

**Safety and Wellness**

**Location:** Drake Sports Park  
**Instructor:** Parks & Recreation Staff

**Safety Town**

Give your child memories and life-saving lessons that will last a lifetime as they become drivers and pedestrians in our own “mini town”! We will learn the rules of the road and explore topics such as bike safety, water safety, poison/drug safety, pet safety, playground safety and stranger safety. Lessons will be taught through special guests, role playing, coloring, projects, songs and parent information sheets. We’ll also take a field trip to the police and fire stations to learn about what they do and see their cool equipment! Camp includes a bike helmet and t-shirt. Child must be 5.5 years by the first day the program begins.
