2.6 METHOD OF AWARD USING PRE-QUALIFICATION AND SUBSEQUENT SPOT MARKET PROCEDURES

Award of this contract will be made to all responsive, responsible vendors who meet the minimum qualifications set forth in this solicitation. Those qualifications are as follows:

2.6.1 Vendor(s) shall provide a copy of its Electrical Contractor’s License as follows:

- State Certified Electrical Contractor (EC); or
- State Registered Electrical Contractor (ER) with a Miami Dade County Master Electrical Certificate of Competency

2.6.2 Description of the major high and medium electrical voltage projects completed by the vendor in the last two years, showing the kilovolts of the equipment serviced.

2.6.3 Vendors shall provide three reference letters from clients, stating the work performed by the vendor.

2.6.4 The vendor shall have a dedicated phone line, facsimile and e-mail address to process quotations.

Vendors shall then be deemed to be pre-qualified to participate in subsequent spot market purchases as required by the County on either an as-needed or on a periodic basis. When such spot market purchases are initiated, the pre-qualified vendors shall be invited to offer a fixed price for a specific individual purchase, or a specific purchasing period. The vendor then offering the lowest fixed price shall be awarded for the specific period or specific purchase. The award to one vendor for a specific period or individual action does not preclude the remaining pre-qualified vendors from submitting spot market offers for other specific purchases.

It shall be the sole prerogative of the County as to the number of vendors who will be initially included under this contract. During the term of this contract, the County reserves the right to add or delete vendors as it deems necessary in its best interests. If the County elects to add vendors, they must meet the same minimum qualifications established for the original competition.

Spot market pricing procedures may be initiated by either the using County department or by DPM. In general, written spot market quotes will be gathered from at least four (4) vendors whenever possible. The quotation procedures specific to this contract are as follows:

A. Price quote(s) submitted by pre-qualified vendors shall not be in the form of a lump sum quote (unless otherwise specified) and shall include all labor, materials and equipment, and any other items identified by the County in the request for quotation, necessary to perform the work. The County shall notify the vendor(s) at the time of requesting quotations the requirements for the work, included but not limited to time...
for completion of the work pre-quote meeting or site visit, if vendor or the County is responsible for permits, if the work be performed at night, on weekends, if liquidated damages applies and if performance bond applies.

B. The responsive, responsible vendor offering the lowest fixed price meeting the requirements of the quote shall be awarded the work for the specific project and may be included in the next spot market quotation. The award to one vendor for that project does not preclude the ability of the remaining pre-qualified vendors from submitting offers for the specific item(s).
